LB 78, 111, 371, 573, 719A, 754

SENATOR LANDIS: No. They ask me the question, how did you get elected, but they didn't ask...

SENATOR ROBAK: Well, see, mine didn't ask me that because they knew how I got elected. They elected me so, you know, they knew. But they were wondering if I was a little astonished...

SPEAKER BAACK: One minute.

SENATOR ROBAK: ...when I got down here. And I have to admit I was. When I got down here I was so intimidated. I was just so intimidated I sat in that front row where Senator Hillman sits and I was so intimidated by the fact that I was here. I just couldn't imagine what I was doing here with all these bright, brilliant, intelligent, articulate people. And after awhile I wondered also what I was doing here. And then a little later on I wondered what they were doing here. But that's not original. I swiped that out of Tip O'Neill's book, Speaker of the House, I think it was. But more and more as the years went by I recalled his phrase, although it didn't originate from me, it came to my...popped into my head many times. And, oh, you know, you meet a lot of various lobbyists behind that glass door that supposedly persuade the women to vote.

SPEAKER BAACK: Time.

SENATOR ROBAK: But sometimes it does and sometimes it doesn't.

SPEAKER BAACK: Time. Senator Labedz.

SENATOR LABEDZ: Thank you, Mr. Speaker. I move that we adjourn until nine o'clock on April 3, tomorrow morning.

SPEAKER BAACK: Do you have items for the record, Mr. Clerk?

CLERK: Mr. President, amendments to be printed, LB 719A by Senator Lamb; Senator Kristensen to LB 371; Senator Wehrbein to LB 754. Your Committee on Enrollment and Review reports LB 111 and LB 573 as correctly engrossed. That's all that I have, Mr. President. (See pages 1882-86 of the Legislative Journal.)

SPEAKER BAACK: You've heard the motion to adjourn. We'll now...all those in favor say aye. Machine vote has been requested. Machine vote has been requested. All those...we are voting on the motion to adjourn. All those in favor vote aye,
