LB 719

Legislature. First, there are guests of Senator Emil Beyer. We have 27 fourth graders from Gretna Elementary and their teacher. Would you please stand and be welcomed by the Legislature. And also we have some guests of Senator Byars. We have 40 fourth graders from Paddock Lane Elementary School in Beatrice and their teachers. Would you folks please stand and be welcomed by the Legislature. Thank you for being with us. The next speaker is Senator Moore.

SENATOR MOORE: I'll pass.

SPEAKER BAACK: Senator Schimek. Senator Lynch. Senator Robinson.

SENATOR ROBINSON: Mr. President, members of the body, I have a question for Senator Schrock.

SPEAKER BAACK: Senator Schrock, would you respond to a question, please?

SENATOR SCHROCK: Yeah.

SPEAKER BAACK: Senator Schrock.

SENATOR SCHROCK: Yes.

SPEAKER BAACK: He's going to ask you a question.

SENATOR SCHROCK: Sure.

SENATOR ROBINSON: Senator Schrock, I know we've been talking about Lexington. What change on school aid would they have? Would they receive more school aid? Wouldn't they have quite an offset on...because they have more students? Wouldn't that be quite a jump for Lexington in that area? Am I...

SENATOR SCHROCK: Senator Robinson, I would assume so. As I understand it, this issue here is 1059, but, yes, I would assume they'd receive more school aid.

SENATOR ROBINSON: Yeah. Well, if they...why do we have to do it this year then if they're going to receive more school aid? There's an off...isn't...let me ask you this question. Isn't there an offset on that issue?
