 16 the previous year, along with an indication of how the industry will
 17 respond to the projected situation.
 18 (9)(6) The board may, in its discretion, hold public hearings
 19 concerning the conditions that may indicate that retail competition in
 20 the electric industry would benefit Nebraska's citizens and what steps,
 21 if any, should be taken to prepare for retail competition in Nebraska's
 22 electricity market. In determining whether to hold such hearings, the
 23 board shall consider the sufficiency of public interest.
 24 (10)(7) The board may, at any time deemed beneficial by the board,
 25 submit a report to the Governor with copies to be filed with the Clerk of
