LB 177 updates obsolete and unnecessary provisions. Specifically, LB 177:

- 1. Removes chartered buses from apportionable vehicles consistent with revised international registration definitions,
- 2. Eliminates an unused subsection allowing a fleet owner to remove a disabled vehicle from the fleet and obtain a refund of the registration fees,
- 3. Removes references to the International Fuel Tax Agreement (IFTA) from the motor fuels tax statutes. IFTA was removed from the jurisdiction of the Department of Revenue some years ago, but the references remained, primarily for purposes of the appeal mechanism. LB 177 would replace these references with APA contested case procedures specifically for IFTA and the Motor Carrier Services Division of the DMV. Those are the new sections 6 through 13; and
- 4. Removes the Administrator of Motor Carrier Services as an appointed division head.

It is estimated that this bill will have no impact on General Fund revenues.

It is estimated that there will be no cost to the Department to implement this bill.
