Explanation of Estimate:

LB 404 requires trains and light engines used in connection with the movement of freight not to be operated unless it has a crew consisting of at least two individuals.

The Public Service Commission is responsible for the enforcement of this. The bill provides for fines due to willful violation. These fines are to be distributed in accordance with Article VII, section 5, of the Constitution of Nebraska.

The Public Service Commission would manage enforcement via a reporting mechanism and therefore anticipates no fiscal impact due to LB404.
