This bill would provide a penalty for filing a false report by a peace officer.

The Department of Correctional Services (DCS) states that this bill could increase the number of persons in prison, but the specific impact is indeterminable. If the impact of this bill is to increase the prison population by more than current law, then this could have an impact on prison overcrowding. The average daily prison population was 145% of design capacity as of December 2020.

If the impact of this bill is to increase the prison population, then DCS could incur additional per diem costs. The FY20 per diem cost for an individual inmate was \$10,180 per year, which includes DCS inmates in county jails.

The State Patrol estimates no fiscal impact.

The Cities of Imperial and Lincoln estimate no fiscal impact from this bill.
