LB 328 proposes to change the application requirements for licensing the operation of a health care facility or health care service by a LLC type ownership. The application will require only (1) one member signature of the LLC instead of (2) two member signatures.

LB 328 will require the Department of Health and Human Services (DHHS) to make minor changes to the rules and regulations regarding the application process and changes to the physical application. Costs to make these changes will be absorbed by DHHS with existing resources.
