LB 453 updates and harmonizes Nebraska's statutes governing the appointment and oversight of guardians and conservators. The bill amends the background screening process for individuals nominated as guardians or conservators. It authorizes the Nebraska State Patrol to collect and submit fingerprints from these applicants to the FBI for a national criminal history record check, and to prepare a report containing the criminal history details for the State Court Administrator.

The Nebraska State Patrol states no fiscal impact from LB 453.

The Supreme Court has stated that LB 453 will have a minimal fiscal impact and will not require any additional resources.
