Research Report
2025-4

Introduction

Nebraska has more than 230 statutorily created boards, commissions, and other similar entities "boards." Among the many tasks assigned to them, boards provide oversight of governmental programs, regulate licensed professionals, carry out studies, oversee implementation of new programs, advocate for certain constituencies, and advise state agencies.

In 1997, the Executive Board of the Legislative Council requested that the Legislative Research Office compile and annually update a list of statutorily created boards. This publication contains that list. The list does not include (1) boards created by executive order, by agency rule or regulation, or pursuant to federal mandates, unless enacted via state statute; (2) commissions or councils created pursuant to interstate compacts; or (3) boards created via state statute but which serve local governments.

The Legislature's Role in Boards and Commissions

The Legislature plays a pivotal role in the establishment, administration, and operation of the state's boards and commissions.

First, as evidenced by the number of statutorily created boards, the Legislature creates boards via passage of legislation. In addition to creating boards, the legislation establishes membership and prescribes powers and duties.

Second, legislators often serve as ex officio board members and appoint members or provide nominees for appointment by the Governor. Information about those boards can be found in Tables 3 and 4.

Finally, members of the Legislature are frequently required to confirm specific board members appointed by the Governor.

Forty-eight boards have members who must be confirmed by a majority vote of the Legislature. These boards are identified in Table 5 on page 12 of this report.

Boards Created in the Nebraska Constitution

Twelve boards are created in the Nebraska Constitution. They are the:

- Board of Parole
- Board of Pardons
- State Board of Education
- Public Service Commission
- Commission on Industrial Relations
- Board of Educational Lands and Funds
- Coordinating Commission for Postsecondary Education
- Board of Trustees of the Nebraska State Colleges
- Tax Equalization and Review Commission
- University of Nebraska Board of Regents
- Commission on Judicial Qualifications
- Judicial Nominating Commissions

Boards as Agencies of State Government

Of the 238 statutorily created boards documented in this report, 55 are state agencies.

The *Nebraska Blue Book* defines state agencies as entities that have their own staffs, are not affiliated with another agency or entity, and appear as distinct items within the state budget.

Nebraska state agencies are categorized as "code agencies" or "noncode agencies"; however, neither designation is statutorily defined, making categorizing agencies more art than science.¹

Generally, a code agency is an agency whose executive director or chief official is appointed by the Governor. The appointee serves at the pleasure of and answers directly to the Governor. On the other hand, a noncode agency is an agency whose executive director or chief official is appointed by the governing agency board (whose members are usually gubernatorial appointees themselves).

Other Statutorily Created Boards

Many of the remaining state boards are created or housed within other state agencies. The many health professions licensing boards within the Department of Health and Human Services are examples.

However, a significant number of boards defy categorization; they are not full-fledged state agencies nor are they completely under the control of another state agency.

The *Nebraska Blue Book* classifies these boards as "other state governmental bodies" and describes them as follows: "[M]iscellaneous boards, commissions, committees, councils, authorities and quasi-governmental bodies and bodies with members from more than one branch of state government. None of these entities are full-fledged state agencies, but they have a degree of independence that keeps them from being classified within any department or agency."² Among this diverse group of boards are the Environmental Trust Board, Nebraska Investment Finance Authority, and the State Anatomical Board.

¹ Use of the terms "code agency" and "noncode agency" dates back to 1919, when the Legislature adopted the Civil Administrative Code, totally reorganizing the executive branch of state government. The legislation abolished over 20 boards, commissions, and other departmental subdivisions and replaced them with six departments, each headed by a gubernatorial appointee. Those agencies and subsequent, similarly structured agencies came to be called "code agencies." Because sources disagree on how boards are classified and consistent statutory guidance is lacking, this report uses the Governor's Office classification of code and noncode agency boards, as generally reflected in the *Nebraska Blue Book*.

² The *Nebraska Blue Book*, 2024-25, p.700.

Government Streamlining Legislation

In the 2025 legislative session, the Legislature adopted LB346, a major government streamlining bill introduced by the Speaker at the request of the Governor. The bill terminates, consolidates, or transfers the duties of a number of advisory bodies, boards, commissions, and special purpose committees, across multiple agencies, to improve operational efficiencies. The bodies below are scheduled to terminate on July 1, 2026. Instances when duties are being transferred to another entity are noted.

New Boards and Commissions Enacted in 2025

Infrastructure Review Taskforce (Laws 2025, LB558)

The Infrastructure Review Task Force was created to review and analyze Nebraska's transportation infrastructure network. Task force duties include examining historic development and future needs, examining infrastructure conditions, and researching federal funding opportunities.

The task force must submit an annual report to the Clerk of the Legislature by December 1 each year containing its findings, recommendations, if any, and drafts of legislation necessary to carry out the recommendations.

The task force members include the Governor, Governor's designee, chairpersons of the Revenue and Transportation and Telecommunications Committees, Speaker of the Legislature, Director-State Engineer, Tax Commissioner, and three members of the Legislature appointed by the Executive Board.

Nebraska Medical Cannabis Commission (Initiative Law 2024, No. 438)

Nebraska voters approved Ballot Initiative No. 438 in 2024, establishing a regulated medical cannabis program. The Medical Cannabis Regulation Act is codified at Neb. Rev. Stat. §§ 71-24,106 — 71-24,111. The act creates the state-level regulatory structure necessary to oversee cannabis establishments.

The Nebraska Medical Cannabis Commission is established as the authority with exclusive responsibility for administering and enforcing the act. Membership consists of the three members of the Nebraska Liquor Control Commission, serving *ex officio*, and up to two gubernatorial appointees, subject to legislative confirmation. Appointed members serve six-year terms.

The commission regulates all phases of the possession, manufacture, distribution, delivery, and dispensing of cannabis for medical purposes by registered cannabis establishments in the state. Criteria for registrations must be developed by July 1, 2025, and granting of registrations must begin by October 1, 2025.

School Financing Review Commission (Laws 2025, LB303)

The School Financing Review Commission is tasked with studying and providing recommendations relating to school funding in Nebraska. The 18-member committee includes state officials, three members of the Legislature, and 12 gubernatorial appointees representing school districts, postsecondary education, and the state at large.

Among its duties, the commission is to evaluate the school funding formula for education under the Tax Equity and Educational Opportunities and Support Act and make recommendations to help prevent the increase of property taxes. It must also analyze the impact of educational funding on student achievement and outcomes and on issues affecting students with high needs.

By December 1, 2025, and by November 1 of each year thereafter, the commission shall submit an annual report to the Clerk of the Legislature with its observations and recommendations. The commission is to meet four times a year, at least once each quarter.

For purposes of this report, boards continue to be listed until their enabling legislation is repealed; consequently, a few boards show termination dates that have passed. These boards are no longer active, but they have not been officially removed from statute by the Legislature. The Whiteclay Public Health Emergency Task Force in Table 2 provides a good example. The task force terminated on December 31, 2019, but has continued to be included in this report. In 2025, the Legislature officially repealed the statute, and going forward, the task force will no longer be listed in future editions of Boards and Commissions in Nebraska.

³ The Natural Resources Commission was created in 1937 (Laws 1937, c. 8, sec. 4, p. 94) as the State Soil Conservation Committee, later the Soil and Water Conservation Commission. It was renamed the Nebraska Natural Resources Commission in 1972. The Department of Natural Resources was established in 2000 via the merger of the commission and the Department of Water Resources (Laws 2000, LB900).

⁴ In 1973, the Legislature repealed the original act and replaced it with new legislation creating a 15-member council.

⁵ In 1990, Nebraska voters approved placing the commission in the State Constitution.

⁶ The Director of Agriculture, the vice chancellor of the University of Nebraska Institute of Agriculture and Natural Resources, and the president of the Nebraska Corn Growers Association serve as ex officio, nonvoting members.

⁷ The director of the Panhandle Research and Extension Center and the Director of the Nebraska Department of Agriculture serve as ex officio, nonvoting members.

⁸ The State Board of Education also served as the State Board of Vocational Education until 2017 when the State Board of Vocational Education was eliminated by LB512.

⁹ The State Board of Education is an elective office.

¹⁰ A constitutional amendment to create a State Department of Education, governed by a State Board of Education, was approved by voters in 1952. Legislation the next year established this structure in statute.

¹¹ The Nebraska Constitution of 1875 provided for a "board of commissioners for the sale, leasing, and general management of all lands and funds set apart for educational purposes...." It was composed of the Governor, Secretary of State, Treasurer, Attorney General, and the commissioner of public lands and buildings. In 1954, voters approved a constitutional amendment changing the composition of the board from state officers to gubernatorial appointees. The Legislature codified this in 1955.

¹³ The Agricultural Products Industrial Utilization Committee was created by Laws 1971, LB776. Over time, the committee came to be known as the Gasohol Committee, which was the precursor to the Ethanol Authority and Development Board. It was renamed the Nebraska Ethanol Board in 1993.

¹⁴ The commission originated in 1879 as the Board of Fish Commissioners and has undergone numerous reorganizations since then. In 1929, the Legislature merged the Bureau of Game and Fish in the Department of Agriculture with the State Park Board to create the Game, Forestation and Parks Commission. In 1967, the Legislature created the position of state forester and removed oversight of forests from the commission, which then became the Game and Parks Commission.

¹⁵ The Director of Agriculture and the vice chancellor of the University of Nebraska Institute of Agriculture and Natural Resources are ex officio, nonvoting board members.

¹⁶ The Historical Society was founded in 1878. It became a state institution in 1883 and, in 1994, it became a state agency.

¹⁷ The State Treasurer, the executive director of the State Employees Retirement Systems, and the executive director of the Omaha School Employees Retirement System serve as nonvoting members.

¹⁸ The State Surveyor serves as the ex officio secretary of the board.

²⁰ The board is composed of nine members appointed by the Governor, along with the Governor or his or her designee, who serves as an ex officio member with the power to vote.

²¹ The commission was originally known as the Commission on Mexican-Americans.

²² Neb. Rev. Stat. sec. 53-106 prohibits members of the Liquor Control Commission from holding any other position or office under state law, the laws of other states, or the federal government. The commission is just one of five boards or commissions that is salaried. (The others are the Parole Board, the Public Service Commission, the Tax Equalization and Review Commission, and the State Racing and Gaming Commission.)

²³ The Director of Motor Vehicles serves as the board's chair.

²⁴ The Commissioner of Education serves as an ex officio member; the Governor also annually appoints three nonvoting student trustees, one each from the state's three state colleges.

²⁵ The predecessor board was known as the Board of Examiners of Public Accountants; the current board was statutorily established in 1957.

²⁶ The state investment officer serves as an ex officio, nonvoting member.

²⁷ The commission's salary is set by the Legislature.

²⁸ The Nebraska Constitution allows the commission to have between three and seven members; the current board has five members.

²⁹ The Public Service Commission is another board that has undergone numerous changes over its lifetime. Its lineage traces back to the Railway Commission, which was established in 1885 and composed of state constitutional officers. In 1906, voters ratified a constitutional amendment creating an elective Railway Commission.

³⁰ Significant changes were made to the commission in 2021 including increasing the number of members from five to seven, providing for a monthly salary, and expanding the commission's areas of oversight. (Laws 2021, LB561)

³¹ The Secretary of State serves as the commission chairperson.

³² The State Fair Board was known as the State Board of Agriculture until 2002, when the Legislature changed its name and made numerous other changes to the board's membership provisions, powers, and duties. (Laws 2002, LB1236)

³³ The Director of Agriculture and the vice chancellor of the University of Nebraska Institute of Agriculture and Natural Resources serve as ex officio, nonvoting members. When established, Marketing was located in the Department of Agriculture and Inspection. In 1981, legislation was enacted making it an independent agency. (Laws 1981, LB11)

³⁴ A "Y" in this column indicates that a provision authorizing expenses exists in the statute creating the board or commission; an "N" indicates the enacting statute makes no mention of allowing expenses. However, Neb. Rev. Stat. sec. 81-1178 provides: "Any member of any state commission, council, committee, or board which has been created by statute shall be entitled to be reimbursed for expenses in the same manner as provided in sections 81-1174 to 81-1177 for state employees whether or not specific reference is made to such sections."

³⁵ Unless otherwise noted, per diems listed are the maximum allowable in statute for that particular board. Since some statutes indicate that the permissible per diem is "at least" or "up to," the actual per diem paid to a given board member could be less than that listed. As per Neb. Rev. Stat. sec. 38-171, the professional boards in the various health-related fields receive expenses as well as a per diem not to exceed \$50. Each individual health-related board sets its own per diem, subject to the approval of the Department of Health and Human Services.
