MEDICAL SERVICES

Section
47-706. Medical assistance; federal financial participation; legislative intent; Department of Health and Human Services; Department of Correctional Services; duties.

47-706 Medical assistance; federal financial participation; legislative intent; Department of Health and Human Services; Department of Correctional Services; duties.

(1) It is the intent of the Legislature to ensure that human services agencies, correctional facilities, and detention facilities recognize that:

(a) Federal law generally does not authorize federal financial participation for medicaid when a person is an inmate of a public institution as defined in federal law but that federal financial participation is available after an inmate is released from incarceration; and

(b) The fact that an applicant is currently an inmate does not, in and of itself, preclude the Department of Health and Human Services from processing an application submitted to it by, or on behalf of, the inmate.

(2)(a) Medical assistance under the medical assistance program shall be suspended, rather than canceled or terminated, for a person who is an inmate of a public institution if:

(i) The Department of Health and Human Services is notified of the person's entry into the public institution;

(ii) On the date of entry, the person was enrolled in the medical assistance program; and

(iii) The person is eligible for the medical assistance program except for institutional status.

(b) A suspension under subdivision (2)(a) of this section shall end on the date the person is no longer an inmate of a public institution.

(c) Upon release from incarceration, such person shall continue to be eligible for receipt of medical assistance until such time as the person is otherwise determined to no longer be eligible for the medical assistance program.

(3)(a) The Department of Correctional Services shall notify the Department of Health and Human Services:

(i) Within twenty days after receiving information that a person receiving medical assistance under the medical assistance program is or will be an inmate of a public institution; and

(ii) Within forty-five days prior to the release of a person who qualified for suspension under subdivision (2)(a) of this section.

(b) Local correctional facilities, juvenile detention facilities, and other temporary detention centers shall notify the Department of Health and Human Services within ten days after receiving information that a person receiving medical assistance under the medical assistance program is or will be an inmate of a public institution.

(4)(a) This subsection applies beginning July 1, 2023.

(b) For purposes of this section:

(i) Covered facility means:

(A) A facility as defined in section 83-170; and

(B) A county jail or adult correctional facility that is operated by a county, which county has a population of more than one hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census; and

(ii) Inmate means a person who is an inmate of a covered facility for at least twenty-one consecutive days.

(c) For individuals who are inmates of a covered facility and have at least sixty days' prior notice of their anticipated release date:

(i) The Department of Health and Human Services shall provide onsite, telephonic, or live video medical assistance program enrollment assistance to each inmate at least sixty days before the inmate's release from a covered facility. The department shall submit each inmate's medical assistance program application at least forty-five days prior to the inmate's release from a covered facility unless the inmate elects not to apply for the medical assistance program in writing or the inmate is currently enrolled in the medical assistance program with suspended coverage under subsection (2) of this section; and

(ii) The Department of Health and Human Services shall process each inmate's medical assistance program application prior to the inmate's release from a covered facility such that medical assistance program coverage becomes effective for an eligible individual no later than the day of release from a covered facility.

(d) For individuals who are inmates of a covered facility and have less than sixty days' prior notice of their anticipated release date:

(i) The Department of Health and Human Services shall provide onsite, telephonic, or live video medical assistance program enrollment assistance to each inmate as soon as practicable prior to the inmate's release from a covered facility. The department shall submit each inmate's medical assistance program application as soon as practicable prior to the inmate's release from a covered facility unless the inmate elects not to apply for the medical assistance program in writing or the inmate is currently enrolled in the medical assistance program with suspended coverage under subsection (2) of this section; and

(ii) The Department of Health and Human Services shall process each inmate's medical assistance program application prior to the inmate's release from a covered facility such that medical assistance program coverage becomes

effective for an eligible individual no later than the day of release from a covered facility or as soon as practicable thereafter.

(e) The Department of Health and Human Services may contract with certified third-party enrollment assistance providers to provide the enrollment assistance and application submission required by this subsection.

(f) The Department of Health and Human Services shall take all necessary actions to maximize federal financial participation pursuant to this subsection.

(5) Nothing in this section shall create a state-funded benefit or program.

(6) For purposes of this section, medical assistance program means the medical assistance program under the Medical Assistance Act and the State Children's Health Insurance Program.

(7) This section shall be implemented only if, and to the extent, allowed by federal law. This section shall be implemented only to the extent that any necessary federal approval of state plan amendments or other federal approvals are obtained. The Department of Health and Human Services shall seek such approval if required.

(8) Local correctional facilities, the Nebraska Commission on Law Enforcement and Criminal Justice, and the Office of Probation Administration shall cooperate with the Department of Health and Human Services and the Department of Correctional Services for purposes of facilitating information sharing to achieve the purposes of this section.

(9)(a) The Department of Correctional Services shall adopt and promulgate rules and regulations, in consultation with the Department of Health and Human Services and local correctional facilities, to carry out this section.

(b) The Department of Health and Human Services shall adopt and promulgate rules and regulations, in consultation with the Department of Correctional Services and local correctional facilities, to carry out this section.

HEALTH OF INCARCERATED WOMEN

(b) FEMININE HYGIENE PRODUCTS

(b) FEMININE HYGIENE PRODUCTS

47-1008 Detention facility; supply feminine hygiene product.

(1) For purposes of this section:

(a) Detention facility means any:

(i) Facility operated by the Department of Correctional Services;

(ii) City or county jail;

(iii) Juvenile detention facility or staff secure juvenile facility as such terms are defined in section 83-4,125; or

(iv) Any other entity or institution operated by the state, a political subdivision, or a combination of political subdivisions for the careful keeping or rehabilitative needs of prisoners or detainees; and

(b) Prisoner means any adult or juvenile incarcerated or detained in any detention facility and includes, but is not limited to, any adult or juvenile who is accused of, convicted of, sentenced for, or adjudicated for violations of criminal law or the terms and conditions of parole, probation, pretrial release, post-release supervision, or a diversionary program.

(2) If any female prisoner in a detention facility needs a feminine hygiene product, the detention facility shall supply such product to the prisoner free of charge.

COMMUNITY WORK RELEASE AND REENTRY CENTERS ACT

Section

47-1101 Act, how cited.

Sections 47-1101 to 47-1119 shall be known and may be cited as the Community Work Release and Reentry Centers Act.

Source: Laws 2024, LB631, § 1.
Effective date July 19, 2024.

47-1102 Legislative findings and intent; act, purpose.

(1) The Legislature finds that studies have shown that post-prison outcomes tend to be better for committed offenders who participate in work release programs prior to discharge from custody. Specifically, findings indicate that

committed offenders who participated in work release programs had a higher likelihood of obtaining post-release employment within the first calendar quarter after release and also had a significantly lower rate of recidivism than committed offenders who did not participate in work release programs prior to discharge from custody. In addition, studies indicate that committed offenders who participated in privately operated work release programs were significantly more likely to become employed after release.

(2) In light of these findings, and in order to give the Board of Parole and the Department of Correctional Services additional options for the placement of committed offenders, it is the intent of the Legislature:

(a) To increase the number of committed offenders in the Nebraska correctional system who are exposed to work release prior to discharge from custody; and

(b) To do so in settings that also offer therapy, programming, treatment, vocational training, and educational classes.

(3) To achieve these goals, the purpose of the Community Work Release and Reentry Centers Act is to empower the Division of Parole Supervision and the Department of Correctional Services to contract with private providers to establish community work release and reentry centers at various locations throughout the State of Nebraska.

Source: Laws 2024, LB631, § 2.
Effective date July 19, 2024.

47-1103 Terms, defined.

For purposes of the Community Work Release and Reentry Centers Act:

(1) Advisory board means the Reentry Continuity Advisory Board established in section 47-1117;

(2) Board means the Board of Parole;

(3) Committed offender has the same meaning as in section 83-170;

(4) Community work release and reentry center or center means a residential home, halfway house, or other facility operated by a private provider pursuant to an agreement in writing either with the division or the department for providing housing and supervision of committed offenders placed in the center by the division for work release and for vocational training, education, programming, or behavioral health or mental health treatment;

(5) Department means the Department of Correctional Services;

(6) Division means the Division of Parole Supervision;

(7) Individualized release plan means a detailed written plan outlining a committed offender's future vocational goals, training, employment, and needed treatment services following the committed offender's release from a community work release and reentry center;

(8) Private provider means a partnership, corporation, association, joint venture, organization, or similar entity which is operated on a nonprofit basis and which, under a contract with either the division or the department, has agreed to operate a community work release and reentry center pursuant to the act;

(9) Probation administration means the Office of Probation Administration;

(10) Reentering person means an individual who is subject to supervision by the division or probation administration, not including juvenile probation, or who was recently in the custody of the department or a county jail and was released with no supervision;

(11) Reentry housing means temporary housing for reentering persons, generally in the first year following a period of incarceration; and

(12)(a) Reentry housing facility means a facility which is owned or operated by a private organization, whether nonprofit or for-profit, that receives direct payment from the board, division, probation administration, or department to provide reentry housing.

(b) Reentry housing facility includes, but is not limited to, a community work release and reentry center.

(c) Reentry housing facility does not include a health care facility as defined in section 71-413.

Effective date July 19, 2024.

47-1104 Committed offender; placement at community work release and reentry center; when; conditions.

(1) The division may place a parole-eligible committed offender at a community work release and reentry center as provided in the Community Work Release and Reentry Centers Act.

(2) Any parole-eligible committed offender placed at a community work release and reentry center pursuant to the act:

(a) Shall be under the continuing jurisdiction and authority of the department and board as if the committed offender was selected for release on ordinary parole status as provided for in section 83-192; and

(b) May be subsequently released by the board on ordinary parole status as provided for in section 83-192.

(3) The department may place a committed offender whose sentence includes a term of post-release supervision and who is within three years of his or her release date at a community work release and reentry center as provided in the act. Any such committed offender placed at a center shall be under the continuing jurisdiction and authority of the department.

Effective date July 19, 2024.

47-1105 Division; department; powers and duties; agreements with private providers; requirements.

(1) The division and the department may exercise all powers and perform all duties necessary and proper for carrying out their responsibilities under the Community Work Release and Reentry Centers Act.

(2) The division and the department may use designated funds provided by the Legislature to enter into agreements with private providers for the development and operation of community work release and reentry centers to be established at various locations throughout the state. Any such agreement shall require a private provider to:

(a) Establish a contract with public or private employers to provide employment for committed offenders placed at the center;

(b) Assist any committed offender placed at the center to obtain and maintain employment in the community;

(c) Provide vocational training, education, programming, and treatment for issues related to the criminogenic needs of any committed offender placed at the center; and

(d) Otherwise direct and supervise the activities and behavior of any committed offender placed at the center as provided in the act.

(3) In an agreement under this section, the division or the department may include contractual requirements that obligate the private provider to offer to any committed offender placed at the center:

(a) Specialized educational or vocational training; and

(b) Other programming that will address the mental health, behavioral health, or substance abuse treatment needs of such committed offender.

(4) An agreement under this section shall require the community work release and reentry center to establish programs, rules, and enforcement systems:

(a) Regarding the behavior of committed offenders;

(b) To ensure that committed offenders seek and retain continuous employment;

(c) For the treatment of committed offenders for substance abuse;

(d) To ensure that committed offenders only leave the center for purposes of work or for other specified and approved activities, including, but not limited to, job interviews, medical appointments, treatment, and outings to visit family;

(e) To ensure that committed offenders consistently participate in all necessary therapy, programming, treatment, vocational training, and educational classes; and

(f) To ensure that committed offenders maintain their scheduled work hours.

47-1106 Community work release and reentry centers; standards; requirements.

The division and the department shall set standards for the appropriate staffing levels of community work release and reentry centers. The division and the department shall require each center to:

(1) Be under the supervision and control of a designated center director approved by the division or the department;

(2) Be adequately staffed twenty-four hours per day, including on weekends and holidays; and

(3) Assign an individual counselor to each committed offender assigned to the center.

Effective date July 19, 2024.

47-1107 Individualized release plan; required; release; conditions.

(1) The division and the department shall require each community work release and reentry center to establish an individualized release plan for each committed offender assigned to the center. The staff of a center shall assist the division and the department in making reasonable advance preparations for the release of such committed offenders.

(2) If a parole-eligible committed offender is released from a center, the offender shall be subject to parole conditions set by the board and under the supervision of a district parole officer assigned by the division pursuant to section 83-1,104. The individualized release plan for a parole-eligible committed offender shall be developed in coordination with the assigned district parole officer.

(3) If a committed offender whose sentence includes a term of post-release supervision is released from a center, the offender shall be subject to the conditions of his or her order of post-release supervision and under the supervision of a district probation officer. The individualized release plan for such an offender shall be developed in coordination with the assigned district probation officer.

47-1115 Reentry housing and services; program; department; powers and duties.

(1) The department, with the assistance of the board, shall establish a program to encourage the development of reentry housing, coordinate the provisions of reentry services, and provide standards for reentry housing. Through this program, the department shall:

(a) Establish minimum standards for reentry housing facilities, including requirements related to health and safety, insurance, evaluations, and inspections, with input from the advisory committee;

(b) Monitor compliance with these minimum standards and investigate suspected violations;

(c) Coordinate evaluations of reentry housing facilities based on living conditions, staffing, programming, and other criteria;

(d) Communicate with relevant agencies regarding evaluation results and compliance with minimum standards;

(e) Facilitate communication between the department, division, board, probation administration, and reentry housing facilities regarding reentering persons in need of housing and the availability of housing to meet such needs;

(f) Engage in regular discussions with entities which organize and prioritize housing services for people experiencing homelessness or at risk of homelessness in Nebraska;

(g) Track data on costs, utilization, and outcomes for reentry housing within the state and use this data to determine trends and project future needs and costs; and

(h) Electronically submit an annual report to the Legislature, the Supreme Court, and the Governor which describes the status of housing for reentering persons in Nebraska. The report shall include details on housing-related expenditures, characteristics of reentry housing facilities and other places which provide housing for reentering persons, characteristics of the individuals receiving financial assistance for housing, and recommendations for improving the quality and availability of housing for reentering persons in the state.

(2) The department and board may use available funds to encourage development of quality, safe reentry housing and to assist existing reentry housing facilities in making improvements for the benefit of reentering persons and public safety.

Effective date July 19, 2024.

47-1116 Reentry housing facilities; investigations and evaluations; cooperation; access to facilities and records; fire safety code and building or construction code inspections; notice of imminent threat; contest findings.

(1) Reentry housing facilities shall cooperate with investigations and evaluations conducted pursuant to the Community Work Release and Reentry Centers Act and shall provide the department, board, division, probation administration, and the Office of Public Counsel with reasonable access to facilities and records related to the provision of reentry housing.

(2) The department or board may request the State Fire Marshal to investigate any reentry housing facility for fire safety under section 81-502. The State Fire Marshal shall assess a fee for such inspection under section 81-505.01 payable by the facility. The State Fire Marshal may delegate the authority to make such inspections to qualified local fire prevention personnel under section 81-502.

(3) The department or board may request a county, city, or village to inspect any reentry housing facility for the purpose of administering or enforcing the state building code or an applicable local building or construction code enacted pursuant to the Building Construction Act, if the county, city, or village has taken on the responsibility of code enforcement. A county, city, or village may assess fees for such an inspection under section 71-6406.

(4) The department or board shall promptly notify a reentry housing facility and relevant agencies if there is reason to believe conditions in the facility present an imminent threat to the health or safety of reentering persons residing at the facility.

(5) The department shall work with the board, division, probation administration, and the advisory board to establish a speedy process by which reentry housing facilities may contest the findings of any investigation or evaluation pursuant to the Community Work Release and Reentry Centers Act.

Effective date July 19, 2024.

47-1117 Reentry Continuity Advisory Board; created; members; duties.

(1) The Reentry Continuity Advisory Board is created. The board shall include the following members:

(a) The Inspector General of the Nebraska Correctional System;

(b) The Director of Correctional Services or his or her designee;

(c) The chairperson of the Board of Parole or his or her designee;

(d) The probation administrator or his or her designee; and

(e) Five additional members to be appointed by the Governor. Such members shall include:

(i) An individual with experience in reentry and restorative justice service delivery;

(ii) A victims' rights representative;

(iii) A formerly incarcerated individual;

(iv) An individual with expertise in mental or behavioral health; and

(v) An individual with experience in public policy.

(2) The advisory board shall select a chairperson from among its members.

(3) The advisory board shall identify areas for improving continuity and collaboration among the department, the division, the board, probation administration, and any other relevant criminal justice entities and offer advice on

practices that will enhance the continuity of reentry services and reentry housing for individuals in the criminal justice system.

(4) The advisory board shall:

(a) Conduct regular meetings;

(b) Provide advice and assistance to the department and board relating to reentry housing in Nebraska;

(c) Promote the interests of reentering persons and their families;

(d) Promote public safety through effective reintegration into the community;

(e) Provide input on the process of evaluating reentry housing facilities;

(f) Engage with neighborhood groups and other stakeholders;

(g) Provide reports as requested by the department and board; and

(h) Engage in other activities as requested by the department and board.

(5) The advisory board shall convene at least quarterly. The members described in subdivisions (1)(b), (c), and (d) of this section shall attend each meeting of the advisory board and share and present information relevant to the mission of the advisory board.

(6) The department, division, board, and probation administration shall provide information requested by the advisory board related to its mission. This shall include, but is not limited to, information regarding:

(a) The use of evidence-based risk assessments and evidence-based programming;

(b) Participation in rehabilitation and education programs;

(c) Treatment and programming offered, including vocational training, substance abuse treatment, cognitive-behavioral therapy, and mental health counseling;

(d) Population and demographic data;

(e) Use of and need for transitional housing and reentry housing;

(f) Identified gaps in services;

(g) Recidivism;

(h) Institutional conduct; and

(i) Post-release and reentry planning and services;

(7) The advisory board shall conduct periodic evaluations of the effectiveness of the collaborative efforts and reentry programs offered by the department, division, board, probation administration, and other criminal justice agencies. Such evaluation shall be accomplished using an integrated reentry and rehabilitation framework, which shall include an examination of:

(a) The extent to which agencies are conducting comprehensive assessments of criminal justice-involved individuals' needs and risks, including education, employment, housing, mental health, substance abuse, and family support;

(b) Whether the agencies are providing individualized reentry planning tailored to the specific needs and circumstances of such individuals, with a focus on addressing criminogenic factors and promoting positive behavioral change;

(c) Whether such individuals have access to evidence-based interventions, programs, and services both during and following incarceration, including

education, vocational training, mental health treatment, substance abuse counseling, and life skills development; and

(d) The extent of collaboration and coordination between the department, parole, probation, other criminal justice agencies, community-based organizations, and other stakeholders.

(8) The advisory board shall assist probation administration, the department, and the division in implementing performance metrics for staff as provided in sections 29-2243 and 83-171.01. The advisory board shall regularly review such agencies' implementation and use of such performance metrics and offer updated guidance to ensure that such metrics are aligned with best practices, stakeholder input, and the evolving goals and priorities of the criminal justice system.

(9) On or before October 1, 2025, and on or before each October 1 thereafter, the advisory board shall electronically submit a report to the Judiciary Committee of the Legislature. The report shall include data regarding baselines, goals, efforts undertaken to achieve such goals, and action steps outlined to meet such goals and set objectives. The report shall detail the outcomes of parole decisions, reentry efforts, recidivism rates, and any challenges encountered. The report shall provide stakeholders with a clear understanding of the progress made, challenges faced, and strategies employed throughout the reporting period.

47-1118 Reentry Housing Fund; created; use; investment; reentry housing facility; fee.

(1) The Reentry Housing Fund is created. The fund shall be maintained in the state accounting system as a cash fund and shall consist of all fees, grants, federal funds, and other money received by the department under the Community Work Release and Reentry Centers Act. The department shall use the fund to carry out the act.

(2) Any money in the Reentry Housing Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(3) The department may assess an annual fee on each reentry housing facility for the purposes of carrying out the Community Work Release and Reentry Centers Act. Such annual fee shall not exceed one thousand dollars. The department shall remit any such fees collected to the State Treasurer for credit to the Reentry Housing Fund.

WORKERS' COMPENSATION

PART I. COMPENSATION BY ACTION AT LAW, MODIFICATION OF REMEDIES

PART II. ELECTIVE COMPENSATION

(c) SCHEDULE OF COMPENSATION

(e) SETTLEMENT AND PAYMENT OF COMPENSATION

PART IV. NEBRASKA WORKERS' COMPENSATION COURT

PART V. CLAIMS AGAINST THE STATE

PART I

COMPENSATION BY ACTION AT LAW, MODIFICATION OF REMEDIES

48-101.01 Mental injuries and mental illness; first responder; frontline state employee; county correctional officer; legislative findings; evidentiary burden; compensation; when; first responder; mental health examination; resilience training; reimbursement; department; duties.

(1) The Legislature finds and declares:

(a) The occupations of first responders are recognized as stressful occupations. Only our nation's combat soldiers endure more stress. Similar to military personnel, first responders face unique and uniquely dangerous risks in their sworn mission to keep the public safe. They rely on each other for survival to protect the communities they serve;

(b) On any given day, first responders can be called on to make life and death decisions, witness a young child dying with the child's grief-stricken family, make a decision that will affect a community member for the rest of such person's life, or be exposed to a myriad of communicable diseases and known carcinogens;

(c) On any given day, first responders protect high-risk individuals from themselves and protect the community from such individuals;

(d) First responders are constantly at significant risk of bodily harm or physical assault while they perform their duties;

(e) Constant, cumulative exposure to horrific events make first responders uniquely susceptible to the emotional and behavioral impacts of job-related stressors;

(f) Trauma-related injuries can become overwhelming and manifest in post-traumatic stress, which may result in substance use disorders and even, tragically, suicide; and

(g) It is imperative for society to recognize occupational injuries related to post-traumatic stress and to promptly seek diagnosis and treatment without stigma. This includes recognizing that mental injury and mental illness as a result of trauma is not disordered, but is a normal and natural human response to trauma, the negative effects of which can be ameliorated through diagnosis and effective treatment.

(2) Personal injury includes mental injuries and mental illness unaccompanied by physical injury for an employee who is a first responder, frontline state employee, or county correctional officer if such employee:

(a) Establishes that the employee's employment conditions causing the mental injury or mental illness were extraordinary and unusual in comparison to the normal conditions of the particular employment; and

(b) Establishes, through a mental health professional, the medical causation between the mental injury or mental illness and the employment conditions by medical evidence.

(3) The employee bears the burden of establishing the matters described in subsection (2) of this section by a preponderance of the evidence.

(4) Until January 1, 2028, a first responder may establish prima facie evidence of a personal injury that is a mental injury or mental illness if the first responder:

(a) Presents evidence that the first responder underwent a mental health examination by a mental health professional upon entry into such service or subsequent to such entry and before the onset of the mental injury or mental illness and such examination did not reveal the mental injury or mental illness for which the first responder seeks compensation;

(b) Presents testimony or an affidavit from a mental health professional stating the first responder suffers from a mental injury or mental illness caused by one or more events or series of events which cumulatively produced the mental injury or mental illness which brought about the need for medical attention and the interruption of employment;

(c) Presents evidence that such events or series of events arose out of and in the course of the first responder's employment; and

(d) Presents evidence that, prior to the employment conditions which caused the mental injury or mental illness, the first responder had participated in resilience training and updated the training at least annually thereafter.

(5) For purposes of this section, mental injuries and mental illness arising out of and in the course of employment unaccompanied by physical injury are not considered compensable if they result from any event or series of events which are incidental to normal employer and employee relations, including, but not limited to, personnel actions by the employer such as disciplinary actions, work evaluations, transfers, promotions, demotions, salary reviews, or terminations.

(6)(a) The Department of Health and Human Services shall provide reimbursement for the cost of any of the following to the extent not reimbursed by the first responder's employer: A mental health examination by a mental health professional upon entry into such service or subsequent to such entry and before the onset of a mental injury or mental illness for which compensation is sought; initial resilience training; and annual resilience training. The department shall pay reimbursement at a rate determined by the Critical Incident Stress Management Program under section 71-7104. Reimbursement for resilience training shall be subject to the annual limit set by such program under section 71-7104.

(b) To obtain reimbursement under this subsection, a first responder shall submit an application to the Department of Health and Human Services on a form and in a manner prescribed by the department.

(7) The Department of Health and Human Services shall maintain and annually update records of first responders who have completed annual resilience training.

(8) For purposes of this section:

(a) County correctional officer means a correctional officer employed by a high-population county whose:

(i) Position obligates such employee to maintain order and custody of inmates in a county jail; and

(ii) Duties involve regular and direct interaction with high-risk individuals;

(b) Custody means:

(i) Under the charge or control of a state institution or state agency and includes time spent outside of the state institution or state agency; or

(ii) In the custody of a county jail in a high-population county or in the process of being placed in the custody of a county jail in a high-population county;

(c) First responder means a sheriff, a deputy sheriff, a police officer, an officer of the Nebraska State Patrol, a volunteer or paid firefighter, or a volunteer or paid individual licensed under a licensure classification in subdivision (1) of section 38-1217 who provides medical care in order to prevent loss of life or aggravation of physiological or psychological illness or injury;

(d) Frontline state employee means an employee of the Department of Correctional Services or the Department of Health and Human Services whose duties involve regular and direct interaction with high-risk individuals;

(e) High-population county means a county with more than three hundred thousand inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census;

(f) High-risk individual means an individual in custody for whom violent or physically intimidating behavior is common, including, but not limited to, a committed offender as defined in section 83-170, a patient at a regional center as defined in section 71-911, a juvenile committed to a youth rehabilitation and treatment center, and a person in the custody of a county jail in a high-population county or in the process of being placed in the custody of a county jail in a high-population county;

(g) Mental health professional means:

(i) A practicing physician licensed to practice medicine in this state under the Medicine and Surgery Practice Act;

(ii) A practicing psychologist licensed to engage in the practice of psychology in this state as provided in section 38-3111 or as provided in similar provisions of the Psychology Interjurisdictional Compact;

(iii) A person licensed as an independent mental health practitioner under the Mental Health Practice Act; or

(iv) A professional counselor who holds a privilege to practice in Nebraska as a professional counselor under the Licensed Professional Counselors Interstate Compact; and

(h) Resilience training means training that meets the guidelines established by the Critical Incident Stress Management Program under section 71-7104 and that teaches how to adapt to, manage, and recover from adversity, trauma, tragedy, threats, or significant sources of stress.

(9) All other provisions of the Nebraska Workers' Compensation Act apply to this section.

PART II

ELECTIVE COMPENSATION

(c) SCHEDULE OF COMPENSATION

48-121 Compensation; schedule; total, partial, and temporary disability; injury to specific parts of the body; amounts and duration of payments.

The following schedule of compensation is hereby established for injuries resulting in disability:

(1) For total disability, the compensation during such disability shall be sixty-six and two-thirds percent of the wages received at the time of injury, but such compensation shall not be more than the maximum weekly income benefit specified in section 48-121.01 nor less than the minimum weekly income benefit specified in section 48-121.01, except that if at the time of injury the employee receives wages of less than the minimum weekly income benefit specified in section 48-121.01, then he or she shall receive the full amount of such wages per week as compensation. Nothing in this subdivision shall require payment of compensation after disability shall cease;

(2) For disability partial in character, except the particular cases mentioned in subdivision (3) of this section, the compensation shall be sixty-six and two-thirds percent of the difference between the wages received at the time of the injury and the earning power of the employee thereafter, but such compensation shall not be more than the maximum weekly income benefit specified in section 48-121.01. This compensation shall be paid during the period of such partial disability but not beyond three hundred weeks. Should total disability be followed by partial disability, the period of three hundred weeks mentioned in this subdivision shall be reduced by the number of weeks during which compensation was paid for such total disability;

(3) For disability resulting from permanent injury of the classes listed in this subdivision, the compensation shall be in addition to the amount paid for temporary disability, except that the compensation for temporary disability shall cease as soon as the extent of the permanent disability is ascertainable. For disability resulting from permanent injury of the following classes, compensation shall be: For the loss of a thumb, sixty-six and two-thirds percent of daily wages during sixty weeks. For the loss of a first finger, commonly called the index finger, sixty-six and two-thirds percent of daily wages during thirty-five weeks. For the loss of a second finger, sixty-six and two-thirds percent of daily wages during thirty weeks. For the loss of a third finger, sixty-six and two-thirds percent of daily wages during twenty weeks. For the loss of a fourth finger, commonly called the little finger, sixty-six and two-thirds percent of daily wages during fifteen weeks. The loss of the first phalange of the thumb or of any finger shall be considered to be equal to the loss of one-half of such thumb or finger and compensation shall be for one-half of the periods of time above specified, and the compensation for the loss of one-half of the first phalange shall be for one-fourth of the periods of time above specified. The loss of more than one phalange shall be considered as the loss of the entire finger or thumb, except that in no case shall the amount received for more than one finger exceed the amount provided in this schedule for the loss of a hand. For

the loss of a great toe, sixty-six and two-thirds percent of daily wages during thirty weeks. For the loss of one of the toes other than the great toe, sixty-six and two-thirds percent of daily wages during ten weeks. The loss of the first phalange of any toe shall be considered equal to the loss of one-half of such toe, and compensation shall be for one-half of the periods of time above specified. The loss of more than one phalange shall be considered as the loss of the entire toe. For the loss of a hand, sixty-six and two-thirds percent of daily wages during one hundred seventy-five weeks. For the loss of an arm, sixty-six and two-thirds percent of daily wages during two hundred twenty-five weeks. For the loss of a foot, sixty-six and two-thirds percent of daily wages during one hundred fifty weeks. For the loss of a leg, sixty-six and two-thirds percent of daily wages during two hundred fifteen weeks. For the loss of an eye, sixty-six and two-thirds percent of daily wages during one hundred twenty-five weeks. For the loss of an ear, sixty-six and two-thirds percent of daily wages during twenty-five weeks. For the loss of hearing in one ear, sixty-six and two-thirds percent of daily wages during fifty weeks. For the loss of the nose, sixty-six and two-thirds percent of daily wages during fifty weeks.

In any case in which there is a loss or loss of use of more than one member or parts of more than one member set forth in this subdivision, but not amounting to total and permanent disability, compensation benefits shall be paid for the loss or loss of use of each such member or part thereof, with the periods of benefits to run consecutively. The total loss or permanent total loss of use of both hands, or both arms, or both feet, or both legs, or both eyes, or hearing in both ears, or of any two thereof, in one accident, shall constitute total and permanent disability and be compensated for according to subdivision (1) of this section. In all other cases involving a loss or loss of use of both hands, both arms, both feet, both legs, both eyes, or hearing in both ears, or of any two thereof, total and permanent disability shall be determined in accordance with the facts. Amputation between the elbow and the wrist shall be considered as the equivalent of the loss of a hand, and amputation between the knee and the ankle shall be considered as the equivalent of the loss of a foot. Amputation at or above the elbow shall be considered as the loss of an arm, and amputation at or above the knee shall be considered as the loss of a leg. Permanent total loss of the use of a finger, hand, arm, foot, leg, or eye shall be considered as the equivalent of the loss of such finger, hand, arm, foot, leg, or eye. In all cases involving a permanent partial loss of the use or function of any of the members mentioned in this subdivision, the compensation shall bear such relation to the amounts named in such subdivision as the disabilities bear to those produced by the injuries named therein.

If, in the compensation court's discretion, compensation benefits payable for a loss or loss of use of more than one hand, arm, foot, or leg, or any combination thereof, resulting from the same accident or illness, do not adequately compensate the employee for such loss or loss of use and such loss or loss of use results in at least a thirty percent loss of earning capacity, the compensation court shall, upon request of the employee, determine the employee's loss of earning capacity consistent with the process for such determination under subdivision (1) or (2) of this section, and in such a case the employee shall not be entitled to compensation under this subdivision. Loss or loss of use of multiple parts of the same arm, including the hand and fingers, or loss or loss of use of multiple parts of the same leg, including the foot and toes,

resulting from the same accident or illness shall not entitle the employee to compensation under subdivision (1) or (2) of this section.

If the employer and the employee are unable to agree upon the amount of compensation to be paid in cases not covered by the schedule, the amount of compensation shall be settled according to sections 48-173 to 48-185. Compensation under this subdivision shall not be more than the maximum weekly income benefit specified in section 48-121.01 nor less than the minimum weekly income benefit specified in section 48-121.01, except that if at the time of the injury the employee received wages of less than the minimum weekly income benefit specified in section 48-121.01, then he or she shall receive the full amount of such wages per week as compensation;

(4) For disability resulting from permanent disability, if immediately prior to the accident the rate of wages was fixed by the day or hour, or by the output of the employee, the weekly wages shall be taken to be computed upon the basis of a workweek of a minimum of five days, if the wages are paid by the day, or upon the basis of a workweek of a minimum of forty hours, if the wages are paid by the hour, or upon the basis of a workweek of a minimum of five days or forty hours, whichever results in the higher weekly wage, if the wages are based on the output of the employee; and

(5) The employee shall be entitled to compensation from his or her employer for temporary disability while undergoing physical or medical rehabilitation and while undergoing vocational rehabilitation whether such vocational rehabilitation is voluntarily offered by the employer and accepted by the employee or is ordered by the Nebraska Workers' Compensation Court or any judge of the compensation court.

(e) SETTLEMENT AND PAYMENT OF COMPENSATION

48-145 Employers; compensation insurance required; exceptions; effect of failure to comply; self-insurer; payments required; deposit with State Treasurer; credited to Compensation Court Cash Fund.

To secure the payment of compensation under the Nebraska Workers' Compensation Act:

(1) Every employer in the occupations described in section 48-106, except the State of Nebraska and any governmental agency created by the state, shall either (a) insure and keep insured its liability under such act in some corporation, association, or organization authorized and licensed to transact the business of workers' compensation insurance in this state, (b) in the case of an employer who is a lessor of one or more commercial vehicles leased to a self-insured motor carrier, be a party to an effective agreement with the self-insured motor carrier under section 48-115.02, (c) be a member of a risk management pool authorized and providing group self-insurance of workers' compensation liability pursuant to the Intergovernmental Risk Management Act, or (d) with approval of the Nebraska Workers' Compensation Court, self-insure its workers' compensation liability.

An employer seeking approval to self-insure shall make application to the compensation court in the form and manner as the compensation court may prescribe, meet such minimum standards as the compensation court shall adopt and promulgate by rule and regulation, and furnish to the compensation court satisfactory proof of financial ability to pay direct the compensation in the amount and manner when due as provided for in the Nebraska Workers' Compensation Act. Approval is valid for the period prescribed by the compensation court unless earlier revoked pursuant to this subdivision or subsection (1) of section 48-146.02. Notwithstanding subdivision (1)(d) of this section, a professional employer organization shall not be eligible to self-insure its workers' compensation liability. The compensation court may by rule and regulation require the deposit of an acceptable security, indemnity, trust, or bond to secure the payment of compensation liabilities as they are incurred. The agreement or document creating a trust for use under this section shall contain a provision that the trust may only be terminated upon the consent and approval of the compensation court. Any beneficial interest in the trust principal shall be only for the benefit of the past or present employees of the self-insurer and any persons to whom the self-insurer has agreed to pay benefits under subdivision (11) of section 48-115 and section 48-115.02. Any limitation on the termination of a trust and all other restrictions on the ownership or transfer of beneficial interest in the trust assets contained in such agreement or document creating the trust shall be enforceable, except that any limitation or restriction shall be enforceable only if authorized and approved by the compensation court and specifically delineated in the agreement or document. The trustee of any trust created to satisfy the requirements of this section may invest the trust assets in the same manner authorized under subdivisions (1)(a) through (i) of section 30-3209 for corporate trustees holding retirement or pension funds for the benefit of employees or former employees of cities, villages, school districts, or governmental or political subdivisions, except that the trustee shall not invest trust assets into stocks, bonds, or other obligations of the trustor. If, as a result of such investments, the value of the trust assets is reduced below the acceptable trust amount required by the compensation court, then the trustor shall deposit additional trust assets to account for the shortfall.

Notwithstanding any other provision of the Nebraska Workers' Compensation Act, a three-judge panel of the compensation court may, after notice and hearing, revoke approval as a self-insurer if it finds that the financial condition

of the self-insurer or the failure of the self-insurer to comply with an obligation under the act poses a serious threat to the public health, safety, or welfare. The Attorney General, when requested by the administrator of the compensation court, may file a motion pursuant to section 48-162.03 for an order directing a self-insurer to appear before a three-judge panel of the compensation court and show cause as to why the panel should not revoke approval as a self-insurer pursuant to this subdivision. The Attorney General shall be considered a party for purposes of such motion. The Attorney General may appear before the three-judge panel and present evidence that the financial condition of the self-insurer or the failure of the self-insurer to comply with an obligation under the act poses a serious threat to the public health, safety, or welfare. The presiding judge shall rule on a motion of the Attorney General pursuant to this subdivision and, if applicable, shall appoint judges of the compensation court to serve on the three-judge panel. The presiding judge shall not serve on such panel. Appeal from a revocation pursuant to this subdivision shall be in accordance with section 48-185. No such appeal shall operate as a supersedeas unless the self-insurer executes to the compensation court a bond with one or more sureties authorized to do business within the State of Nebraska in an amount determined by the three-judge panel to be sufficient to satisfy the obligations of the self-insurer under the act;

(2) An approved self-insurer shall furnish to the State Treasurer an annual amount equal to two and one-half percent of the prospective loss costs for like employment but in no event less than twenty-five dollars. Prospective loss costs is defined in section 48-151. The compensation court is the sole judge as to the prospective loss costs that shall be used. All money which a self-insurer is required to pay to the State Treasurer, under this subdivision, shall be computed and tabulated under oath as of January 1 and paid to the State Treasurer immediately thereafter. The compensation court or designee of the compensation court may audit the payroll of a self-insurer at the compensation court's discretion. All money paid by a self-insurer under this subdivision shall be credited to the Compensation Court Cash Fund;

(3) Every employer who fails, neglects, or refuses to comply with the conditions set forth in subdivision (1) or (2) of this section shall be required to respond in damages to an employee for personal injuries, or when personal injuries result in the death of an employee, then to his or her dependents; and

(4) Any security, indemnity, trust, or bond provided by a self-insurer pursuant to subdivision (1) of this section shall be deemed a surety for the purposes of the payment of valid claims of the self-insurer's employees and the persons to whom the self-insurer has agreed to pay benefits under the Nebraska Workers' Compensation Act pursuant to subdivision (11) of section 48-115 and section 48-115.02 as generally provided in the act.

PART V

CLAIMS AGAINST THE STATE

48-1,103 Workers' Compensation Claims Revolving Fund; established; deficiency; notify Legislature; investment.

There is hereby established in the state treasury a Workers' Compensation Claims Revolving Fund, to be administered by the Risk Manager, from which all workers' compensation costs, including prevention and administration, shall be paid. The fund may also be used to pay the costs of administering the Risk Management Program. The fund shall receive deposits from assessments against state agencies charged by the Risk Manager to pay for workers' compensation costs. When the amount of money in the Workers' Compensation Claims Revolving Fund is not sufficient to pay any awards or judgments under sections 48-192 to 48-1,109, the Risk Manager shall immediately advise the Legislature and request an emergency appropriation to satisfy such awards and judgments. Any money in the Workers' Compensation Claims Revolving Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

ARTICLE 2

GENERAL PROVISIONS

Section
48-239. COVID-19 vaccine; employer; requirements; vaccine exemption form; contents.

48-239 COVID-19 vaccine; employer; requirements; vaccine exemption form; contents.

(1) For purposes of this section:

(a) COVID-19 means the novel coronavirus identified as SARS-CoV-2; any disease caused by SARS-CoV-2, its viral fragments, or a virus mutation therefrom; and all conditions associated with the disease which are caused by SARS-CoV-2, its viral fragments, or a virus mutation therefrom;

(b) Department means the Department of Health and Human Services;

(c)(i) Employer means a person engaged in an industry who has one or more employees;

(ii) Employer also includes any party whose business is financed in whole or in part under the Nebraska Investment Finance Authority Act regardless of the number of employees and includes the State of Nebraska, governmental agencies, and political subdivisions; and

(iii) Employer does not include (A) the United States, a corporation wholly owned by the government of the United States, or an Indian tribe or (B) a bona fide private membership club, other than a labor organization, which is exempt from taxation under section 501(c) of the Internal Revenue Code;

(d) Health care practitioner means a person licensed under (i) the Medicine and Surgery Practice Act to practice medicine and surgery or osteopathic medicine and surgery, (ii) the Medicine and Surgery Practice Act to practice as a physician assistant, or (iii) the Advanced Practice Registered Nurse Practice Act to practice as an advanced practice registered nurse;

(e) Medicare-certified or medicaid-certified provider or supplier means any entity, including, but not limited to, a health care facility as defined in section 71-413, that is a medicare-certified or medicaid-certified provider or supplier and that is subject to the federal Centers for Medicare and Medicaid Services' COVID-19 health care staff vaccination requirements; and

(f) Vaccine exemption form means the form created by the department under subsection (2) of this section.

(2)(a) The department shall develop a vaccine exemption form for an individual to claim an exemption from receiving a COVID-19 vaccine as provided in this section. The department shall make the form available on the department's website within fifteen days after March 1, 2022.

(b) The form shall include a declaration by the individual seeking an exemption that:

(i) A health care practitioner has provided the individual with a signed written statement that, in the health care practitioner's opinion, (A) receiving a COVID-19 vaccine is medically contraindicated for the individual or (B) medical necessity requires the individual to delay receiving such vaccine; or

(ii) Receiving a COVID-19 vaccine would conflict with the individual's sincerely held religious belief, practice, or observance.

(3) Subject to subsection (5) of this section, an employer that requires applicants or employees to be vaccinated against COVID-19 shall allow for an exemption to such requirement for an individual who provides the employer with:

(a) A completed vaccine exemption form; and

(b) For an individual claiming an exemption based on the statement of a health care practitioner, a copy of such signed written statement.

(4) An employer may require an employee granted an exemption under this section to:

(a) Be periodically tested for COVID-19 at the employer's expense; and

(b) Wear or use personal protective equipment provided by the employer.

(5) A medicare-certified or medicaid-certified provider or supplier or a federal contractor may require additional processes, documentation, or accommodations as necessary to be in compliance with federal law and to maintain compliance with the rules and regulations of the federal Centers for Medicare and Medicaid Services.

CHILD LABOR

Section
48-302. Children under sixteen; employment certificate required; enforcement of section.
48-303. Employment certificate; approval by school officer; report; investigation.
48-311. Violations; penalties.
48-312. Unlawful employment; evidence; visitation; reports; enforcement, powers.

48-302 Children under sixteen; employment certificate required; enforcement of section.

(1) No child under sixteen years of age shall be employed or permitted or suffered to work in any employment as defined in section 48-301 within this state unless the person or corporation employing the child procures and keeps on file, accessible to the attendance officers and to the Department of Labor and its assistants and employees, an employment certificate as prescribed in section 48-304 and keeps one complete list of all such children employed in the building on file in the building in which such children are employed.

(2) Upon the termination of the employment of a child so registered whose certificate is so filed, such certificate shall be transmitted by the employer to the person authorizing the certificate pursuant to section 48-303 and shall be turned over to such child upon demand.

(3) Any attendance officer or the Department of Labor or its assistants and employees may demand that any employer in whose place of business a child apparently under the age of sixteen years is employed or permitted or suffered to work, and whose employment certificate is not then filed as required by this section, either furnish within ten days satisfactory evidence that such child is in fact over sixteen years of age or cease to employ or permit or suffer such child to work in such place of business. The same evidence of the age of such child may be required from such employer as is required on the issuance of an employment certificate as provided in section 48-304, and the employer furnishing such evidence shall not be required to furnish any further evidence of the age of the child.

(4) In case such employer fails to produce and deliver to the attendance officer or the Commissioner of Labor within ten days after demand such evidence of the age of any child as may be required under the provisions of

section 48-304 and continues to employ such child or permit or suffer such child to work in such place of business, proof of the giving of such notice and of such failure to produce and file such evidence shall be prima facie evidence in any prosecution brought for a violation of this section that such child is under sixteen years of age and is unlawfully employed.

48-303 Employment certificate; approval by school officer; report; investigation.

Except as otherwise provided in this section, an employment certificate shall be approved only by the principal of the school the child attends or by a person authorized by him or her in writing or, when there is no principal, by a person authorized by the chief administrative officer of the school or the superintendent of the school district in which the child resides, except that no person authorized by this section may approve such certificate for any child then in or about to enter his or her own employment or the employment of a firm or corporation of which he or she is a member, officer, or employee or in whose business he or she is interested. If a child who resides in an adjoining state seeks to work in Nebraska, the Department of Labor may approve the employment certificate. The officer or person approving such certificate may administer the oath provided for therein or in any investigation or examination necessary for the approval thereof. No fee shall be charged for approving any such certificate or for administering any oath or rendering any services related thereto. The school approving the employment certificate, or the department if the department has approved the employment certificate, shall establish and maintain proper records where copies of all such certificates and all documents connected therewith shall be filed and preserved and shall provide the necessary clerical services for carrying out sections 48-302 to 48-313. The person who issued the employment certificate shall report to the department any complaint concerning the conditions of employment of a child for whom a certificate is in force. Upon receipt of the report, the department shall make such investigation as it deems advisable to protect an individual child or to promote the youth-work program.

48-311 Violations; penalties.

Whoever employs a child under sixteen years of age and whoever, having under his or her control a child under such age, causes or permits such child to be employed in violation of sections 48-302 to 48-313 is guilty of a Class I misdemeanor. Whoever continues to employ any child in violation of any of such sections, after being notified by an attendance officer or by the Depart-

ment of Labor or by its assistants or employees, is, for every day thereafter that such employment continues, guilty of a Class I misdemeanor.

The failure of an employer of child labor to produce, upon request of a person authorized to demand the same, any employment certificate or list required by such sections shall be prima facie evidence of the illegal employment of any child whose employment certificate is not produced or whose name is not listed. Any corporation or employer retaining employment certificates in violation of such sections is guilty of a Class I misdemeanor.

Every person authorized or required to sign any certificate or statement prescribed by such sections who knowingly certifies or makes oath to any material false statement therein or who violates any of the provisions of such sections is guilty of a Class I misdemeanor.

Every person who refuses admittance to any person authorized to visit or inspect any premises or place of business under the provisions of such sections and to produce all certificates and lists he or she may have when demanded, after such person shall have announced his or her name and the office he or she holds and the purpose of his or her visit, or otherwise obstructs such persons in the performance of their duties prescribed by such sections is guilty of a Class I misdemeanor.

Effective date July 19, 2024.

48-312 Unlawful employment; evidence; visitation; reports; enforcement, powers.

The presence of a child under sixteen years of age, apparently at work, in a place of employment as defined in section 48-301 is prima facie evidence of his or her employment there. The Department of Labor, any agent or employee of the department, or any attendance officer may visit the places of employment to ascertain whether any children are employed contrary to sections 48-302 to 48-313, and such attendance officer report any cases of illegal employment to the department and to the county attorney. The Commissioner of Labor may subpoena records from any employer suspected of violating sections 48-302 to 48-313.

ARTICLE 6

EMPLOYMENT SECURITY

Section

Section

48-621 Employment Security Administration Fund; Employment Security Special Contingent Fund; created; use; investment; federal funds; treatment.

(1) The administrative fund shall consist of the Employment Security Administration Fund and the Employment Security Special Contingent Fund. Each fund shall be maintained as a separate and distinct account in all respects, as follows:

(a) There is hereby created in the state treasury a special fund to be known as the Employment Security Administration Fund. All money credited to this fund is hereby appropriated and made available to the Commissioner of Labor. All money in this fund shall be expended solely for the purposes and in the amounts found necessary as defined by the specific federal programs, state statutes, and contract obligations for the proper and efficient administration of all programs of the Department of Labor. The fund shall consist of all money appropriated by this state and all money received from the United States of America or any agency thereof, including the Department of Labor and the Railroad Retirement Board, or from any other source for such purpose. Money received from any agency of the United States or any other state as compensation for services or facilities supplied to such agency, any amounts received pursuant to any surety bond or insurance policy for losses sustained by the Employment Security Administration Fund or by reason of damage to equipment or supplies purchased from money in such fund, and any proceeds realized from the sale or disposition of any equipment or supplies which may no longer be necessary for the proper administration of such programs shall also be credited to this fund. All money in the Employment Security Administration Fund shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as provided by law for other special funds in the state treasury. Any balances in this fund, except balances of money therein appropriated from the General Fund of this state, shall not lapse at any time. Fund balances shall be continuously available to the commissioner for expenditure consistent with the Employment Security Law. Any money in the Employment Security Administration Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act; and

(b) There is hereby created in the state treasury a special fund to be known as the Employment Security Special Contingent Fund. Transfers may be made from the fund to the General Fund at the direction of the Legislature. Any money in the Employment Security Special Contingent Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund. All money collected under section 48-655 as interest on delinquent contributions, less refunds, shall be credited to the Employment Security Special Contingent Fund from the clearing account of the Unemployment Compensation Fund at the end of each calendar quarter. Such money shall not be expended or available for expenditure in any manner to permit substitution for, or a corresponding reduction in, federal funds which, in the absence of such money, would be available to finance expenditures for the administration of the unemployment insurance law. However, nothing in this section shall prevent the money in the Employment Security Special Contingent Fund from being used as a revolving fund to cover necessary and proper expenditures under the law for which federal, state, or contractual funds are owed but have not yet been received. Upon receipt of such funds, covered expenditures shall be charged against such funds. Money in the Employment Security Special Contingent Fund may only be used by the Commissioner of Labor as follows:

(i) To replace within a reasonable time any money received by this state pursuant to section 302 of the federal Social Security Act, as amended, and required to be paid under section 48-622;

(ii) To meet special extraordinary and contingent expenses which are deemed essential for good administration but which are not provided in grants from the Secretary of Labor of the United States. No expenditures shall be made from this fund for this purpose except on written authorization by the Governor at the request of the Commissioner of Labor; and

(iii) To be transferred to the Job Training Cash Fund.

(2)(a) Money credited to the account of this state in the Unemployment Trust Fund by the United States Secretary of the Treasury pursuant to section 903 of the Social Security Act may not be requisitioned from this state's account or used except:

(i) For the payment of benefits pursuant to section 48-619; and

(ii) For the payment of expenses incurred for the administration of the Employment Security Law and public employment offices. Money requisitioned or used for this purpose must be pursuant to a specific appropriation by the Legislature. Any such appropriation law shall specify the amount and purposes for which the money is appropriated and must be enacted before expenses may be incurred and money may be requisitioned. Such appropriation is subject to the following conditions:

(A) Money may be obligated for a limited period ending not more than two years after the effective date of the appropriation law; and

(B) An obligated amount shall not exceed the aggregate amounts transferred to the account of this state pursuant to section 903 of the Social Security Act less the aggregate of amounts used by this state pursuant to the Employment Security Law and amounts charged against the amounts transferred to the account of this state.

(b) For purposes of subdivision (2)(a)(ii)(B) of this section, amounts appropriated for administrative purposes shall be charged against transferred amounts when the obligation is entered into.

(c) The appropriation, obligation, and expenditure or other disposition of money appropriated under this subsection shall be accounted for in accordance with standards established by the United States Secretary of Labor.

(d) Money appropriated as provided in this subsection for the payment of administration expenses shall be requisitioned as needed for the payment of obligations incurred under such appropriation. Upon requisition, administration expenses shall be credited to the Employment Security Administration Fund from which such payments shall be made. Money so credited shall, until expended, remain a part of the Employment Security Administration Fund. If not immediately expended, credited money shall be returned promptly to the account of this state in the Unemployment Trust Fund.

(e) Notwithstanding subdivision (2)(a) of this section, money credited with respect to federal fiscal years 1999, 2000, and 2001 shall be used solely for the administration of the unemployment compensation program and are not subject to appropriation by the Legislature.

48-622.01 State Unemployment Insurance Trust Fund; created; use; investment; commissioner; powers and duties; cessation of state unemployment insurance tax; effect.

(1) There is hereby created in the state treasury a special fund to be known as the State Unemployment Insurance Trust Fund. All state unemployment insurance tax collected under sections 48-648 to 48-661, less refunds, shall be paid into the fund. Transfers may be made from the fund to the General Fund and the Workforce Development Program Cash Fund at the direction of the Legislature. Such money shall be held in trust for payment of unemployment insurance benefits. Any money in the State Unemployment Insurance Trust Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act, except that interest earned on money in the fund shall be credited to the Nebraska Training and Support Cash Fund at the end of each calendar quarter.

(2) The commissioner shall have the authority to determine when and in what amounts withdrawals from the State Unemployment Insurance Trust Fund for payment of benefits are necessary. Amounts withdrawn for payment of benefits

shall be immediately forwarded to the Secretary of the Treasury of the United States of America to the credit of the state's account in the Unemployment Trust Fund, any provision of law in this state relating to the deposit, administration, release, or disbursement of money in the possession or custody of this state to the contrary notwithstanding.

(3) If and when the state unemployment insurance tax ceases to exist as determined by the Governor, all money then in the State Unemployment Insurance Trust Fund less accrued interest shall be immediately transferred to the credit of the state's account in the Unemployment Trust Fund, any provision of law in this state relating to the deposit, administration, release, or disbursement of money in the possession or custody of this state to the contrary notwithstanding. The determination to eliminate the state unemployment insurance tax shall be based on the solvency of the state's account in the Unemployment Trust Fund and the need for training of Nebraska workers. Accrued interest in the State Unemployment Insurance Trust Fund shall be credited to the Nebraska Training and Support Cash Fund.

48-622.02 Nebraska Training and Support Cash Fund; created; use; investment; Administrative Costs Reserve Account; created; use.

(1) The Nebraska Training and Support Cash Fund is created. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. No expenditures shall be made from the Nebraska Training and Support Cash Fund without the written authorization of the Governor upon the recommendation of the commissioner. Transfers may be made from the fund to the General Fund at the direction of the Legislature. Any interest earned on money in the State Unemployment Insurance Trust Fund shall be credited to the Nebraska Training and Support Cash Fund.

(2) Money in the Nebraska Training and Support Cash Fund shall be used for (a) administrative costs of establishing, assessing, collecting, and maintaining state unemployment insurance tax liability and payments, (b) administrative costs of creating, operating, maintaining, and dissolving the State Unemployment Insurance Trust Fund and the Nebraska Training and Support Cash Fund, (c) support of public and private job training programs designed to train, retrain, or upgrade work skills of existing Nebraska workers of for-profit and not-for-profit businesses, (d) recruitment of workers to Nebraska, (e) training new employees of expanding Nebraska businesses, (f) retention of existing employees of Nebraska businesses, (g) the costs of creating a common web portal for the attraction of businesses and workers to Nebraska, (h) developing and conducting labor availability and skills gap studies pursuant to the Sector Partnership Program Act, for which money may be transferred to the Sector Partnership Program Fund as directed by the Legislature, and (i) payment of

unemployment insurance benefits if solvency of the state's account in the Unemployment Trust Fund and of the State Unemployment Insurance Trust Fund so require.

(3) The Administrative Costs Reserve Account is created within the Nebraska Training and Support Cash Fund. Money shall be allocated from the Nebraska Training and Support Cash Fund to the Administrative Costs Reserve Account in amounts sufficient to pay the anticipated administrative costs identified in subsection (2) of this section.

(4) The State Treasurer shall transfer two hundred fifty thousand dollars from the Nebraska Training and Support Cash Fund to the Sector Partnership Program Fund no later than July 15, 2016.

48-625 Benefits; weekly payment; how computed; suspension; conditions.

(1) Except as provided in subsection (4) of this section, each eligible individual who is unemployed in any week shall be paid with respect to such week a benefit in an amount equal to his or her full weekly benefit amount if he or she has wages payable to him or her with respect to such week equal to one-fourth of such benefit amount or less. In the event he or she has wages payable to him or her with respect to such week greater than one-fourth of such benefit amount, he or she shall be paid with respect to that week an amount equal to the individual's weekly benefit amount less that part of wages payable to the individual with respect to that week in excess of one-fourth of the individual's weekly benefit amount. In the event there is any deduction from such individual's weekly benefit amount because of earned wages pursuant to this subsection or as a result of the application of section 48-628.02, the resulting benefit payment, if not an exact dollar amount, shall be computed to the next lower dollar amount.

(2) Any amount of unemployment compensation payable to any individual for any week, if not an even dollar amount, shall be rounded to the next lower full dollar amount.

(3) The percentage of benefits and the percentage of extended benefits which are federally funded may be adjusted in accordance with the Balanced Budget and Emergency Deficit Control Act of 1985, Public Law 99-177.

(4) To the extent authorized under federal law, if an individual is eligible for an equal or greater weekly benefit amount under a federal unemployment program than the weekly benefit amount which the individual is eligible for under the Employment Security Law, the commissioner shall suspend the payment of state unemployment benefits to such individual while such individual is receiving the federal unemployment benefit. Such suspension shall terminate upon the individual's exhaustion of benefits available under the federal unemployment program. An individual shall not be eligible to receive the

federal weekly benefit and the state unemployment weekly benefit during the same week. This subsection shall not apply to any federal unemployment benefit which is paid in addition to the state weekly benefit amount.

48-626 Benefits; maximum annual amount; determination.

(1) For any benefit year beginning before July 21, 2022, any otherwise eligible individual shall be entitled during any benefit year to a total amount of benefits equal to whichever is the lesser of (a) twenty-six times his or her weekly benefit amount or (b) one-third of his or her wages in the employment of each employer per calendar quarter of his or her base period; except that when any individual has been separated from his or her employment with a base period employer under circumstances under which he or she was or could have been determined disqualified under section 48-628.10 or 48-628.12, the total benefit amount based on the employment from which he or she was so separated shall be reduced by an amount determined pursuant to subsection (2) of this section, but not more than one reduction may be made for each separation. In no event shall the benefit amount based on employment for any employer be reduced to less than one benefit week when the individual was or could have been determined disqualified under section 48-628.12.

(2) For purposes of determining the reduction of benefits described in subsection (1) of this section:

(a) If the claimant has been separated from his or her employment under circumstances under which he or she was or could have been determined disqualified under section 48-628.12, his or her total benefit amount shall be reduced by:

(i) Two times his or her weekly benefit amount if he or she left work voluntarily for the sole purpose of accepting previously secured, permanent, full-time, insured work, which he or she does accept, which offers a reasonable expectation of betterment of wages or working conditions, or both, and for which he or she earns wages payable to him or her; or

(ii) Thirteen times his or her weekly benefit amount if he or she left work voluntarily without good cause for any reason other than that described in subdivision (2)(a)(i) of this section; and

(b) If the claimant has been separated from his or her employment under circumstances under which he or she was or could have been determined disqualified under section 48-628.10, his or her total benefit amount shall be reduced by fourteen times his or her weekly benefit amount.

(3) For any benefit year beginning on or after July 21, 2022, any otherwise eligible individual shall be entitled during any benefit year to a total amount of benefits equal to whichever is the lesser of (a) twenty-six times his or her weekly benefit amount or (b) one-third of his or her wages in the employment

of each employer per calendar quarter of his or her base period; except that when any individual has been separated from his or her employment with the most recent insured employer under circumstances under which he or she was or could have been determined disqualified under section 48-628.10 or 48-628.12, the total benefit amount based on the employment from which he or she was so separated shall be reduced by an amount determined pursuant to subsection (4) of this section, but not more than one reduction may be made for such separation. In no event shall the benefit amount based on employment for any employer be reduced to less than one benefit week when the individual was or could have been determined disqualified under section 48-628.12.

(4) For purposes of determining the reduction of benefits described in subsection (3) of this section:

(a) If the claimant has been separated from his or her employment under circumstances under which he or she was or could have been determined disqualified under section 48-628.12, his or her total benefit amount shall be reduced by thirteen times his or her weekly benefit amount if he or she left work voluntarily without good cause; and

(b) If the claimant has been separated from his or her employment under circumstances under which he or she was or could have been determined disqualified under section 48-628.10, his or her total benefit amount shall be reduced by fourteen times his or her weekly benefit amount.

(5) For purposes of sections 48-623 to 48-626, wages shall be counted as wages for insured work for benefit purposes with respect to any benefit year only if such benefit year begins subsequent to the date on which the employer by whom such wages were paid has satisfied the conditions of section 48-603 or subsection (3) of section 48-661 with respect to becoming an employer.

(6) In order to determine the benefits due under this section and sections 48-624 and 48-625, each employer shall make reports, in conformity with reasonable rules and regulations adopted and promulgated by the commissioner, of the wages of any claimant. If any employer fails to make such a report within the time prescribed, the commissioner may accept the statement of such claimant as to his or her wages, and any benefit payments based on such statement of earnings, in the absence of fraud or collusion, shall be final as to the amount.

48-649.03 Employer's combined tax rate once benefits payable from experience account; experience factor.

(1) Once benefits have been payable from and chargeable to an employer's experience account throughout the preceding four calendar quarters and wages for employment have been paid by the employer in each of the two preceding four-calendar-quarter periods, the employer's combined tax rate shall be calculated according to this section. The combined tax rate shall be based upon the

employer's experience rating record and determined from the employer's reserve ratio.

(2) The employer's reserve ratio is the percent obtained by dividing (a) the amount by which the employer's contributions credited from the time the employer first or most recently became an employer, whichever date is later, and up to and including September 30 of the year the rate computation is made, plus any part of the employer's contributions due for that year paid on or before October 31 of such year, exceed the employer's benefits charged during the same period, by (b) the employer's average annual taxable payroll for the sixteen-consecutive-calendar-quarter period ending September 30 of the year in which the rate computation is made. For an employer with less than sixteen consecutive calendar quarters of contribution experience, the employer's average taxable payroll shall be determined based upon the four-calendar-quarter periods for which contributions were payable.

(3) Each eligible experience rated employer shall be assigned to one of twenty rate categories with a corresponding experience factor as follows:

Category	Experience Factor
1	0.00
2	0.25
3	0.40
4	0.45
5	0.50
6	0.60
7	0.65
8	0.70
9	0.80
10	0.90
11	0.95
12	1.00
13	1.05
14	1.10
15	1.20
16	1.35
17	1.55
18	1.80
19	2.15
20	2.60

Eligible experience rated employers shall be assigned to rate categories from highest to lowest according to their experience reserve ratio, with category one assigned to accounts with the highest reserve ratios and category twenty assigned to accounts with the lowest reserve ratios. Each category shall be limited to no more than five percent of the state's total taxable payroll, except that:

(a) Any employer with a portion of its taxable wages falling into two consecutive categories shall be assigned to the lower category;

(b) No employer with a reserve ratio calculated to five decimal places equal to the similarly calculated reserve ratio of another employer shall be assigned to a higher rate than the employer to which it has the equal reserve ratio; and

(c) No employer with a positive experience account balance shall be assigned to category twenty.

(4) The state's reserve ratio shall be calculated annually by dividing the amount available to pay benefits in the Unemployment Trust Fund and the State Unemployment Insurance Trust Fund as of September 30, plus any amount of combined tax owed by employers eligible for and electing annual payment status for the four most recent quarters ending on September 30 in accordance with rules and regulations adopted by the commissioner, by the state's total wages from the four calendar quarters ending on September 30. For purposes of this section, total wages means all remuneration paid by an employer in employment. The state's reserve ratio shall be applied to the table in this subsection to determine the yield factor for the upcoming rate year.

State's Reserve Ratio		Yield Factor
1.75 percent and above	=	0.50
1.60 percent up to but not including 1.75	=	0.60
1.45 percent up to but not including 1.60	=	0.70
1.30 percent up to but not including 1.45	=	0.75
1.15 percent up to but not including 1.30	=	0.80
1.00 percent up to but not including 1.15	=	0.90
0.85 percent up to but not including 1.00	=	1.00
0.70 percent up to but not including 0.85	=	1.10
0.60 percent up to but not including 0.70	=	1.20
0.50 percent up to but not including 0.60	=	1.25
0.45 percent up to but not including 0.50	=	1.30
0.40 percent up to but not including 0.45	=	1.35
0.35 percent up to but not including 0.40	=	1.40
0.30 percent up to but not including 0.35	=	1.45
Below 0.30 percent	=	1.50

The commissioner may adjust the yield factor determined pursuant to the preceding table to a lower scheduled yield factor if the state's reserve ratio is 1.00 percent or greater. Once the yield factor for the upcoming rate year has been determined, it is multiplied by the amount of unemployment benefits paid from combined tax during the four calendar quarters ending September 30 of the preceding year. The resulting figure is the planned yield for the rate year. The planned yield is divided by the total taxable wages for the four calendar quarters ending September 30 of the previous year and carried to four decimal places to create the average combined tax rate for the rate year. Beginning January 1, 2025, through December 31, 2029, the final average combined tax rate shall be reduced by five percent.

(5) The average combined tax rate is assigned to rate category twelve as established in subsection (3) of this section. Rates for each of the remaining nineteen categories are determined by multiplying the average combined tax rate by the experience factor associated with each category and carried to four decimal places. Employers who are delinquent in filing their combined tax reports as of October 31 of any year shall be assigned to category twenty for the following calendar year unless the delinquency is corrected prior to December 31 of the year of rate calculation.

(6) In addition to required contributions, an employer may make voluntary contributions to the fund to be credited to his or her account. Voluntary contributions by employers may be made up to the amount necessary to qualify for one rate category reduction. Voluntary contributions received after February 28 shall not be used in rate calculations for the same calendar year.

(7) As used in sections 48-648 to 48-654, the term payroll means the total amount of wages during a calendar year, except as otherwise provided in section 48-654, by which the combined tax was measured.

48-650 Combined tax rate; determination of employment; notice, method; review; redetermination; proceedings; appeal.

(1) The commissioner shall determine the rate of combined tax applicable to each employer pursuant to sections 48-649 to 48-649.04 and may determine, at any time during the year, whether services performed by an individual were employment or for an employer.

(2) Notice of a determination of liability or combined tax rate shall be promptly given to the employer by electronic notice or by mailing such notice to the employer's last-known address or the address of a representative designated in writing by the employer. The address of record of an employer on September 2, 2023, shall continue to be the address of record of such employer unless changed by the employer. An employer that becomes subject to the Employment Security Law on or after September 2, 2023, shall designate its preferred method of contact and designated representative, if any, at the time of its initial registration. An employer may change its election at any time.

(3) Any determination under subsection (1) of this section shall become conclusive and binding upon the employer unless, within thirty days after receiving notice, the employer files an appeal with the department in accordance with rules and regulations adopted and promulgated by the commissioner. No employer shall have standing, in any proceeding involving his or her combined tax rate or combined tax liability, to contest the chargeability to his or her account of any benefits paid in accordance with a determination, redetermination, or decision pursuant to sections 48-629 to 48-644 except upon the ground that the services on the basis of which such benefits were found to be chargeable did not constitute services performed in employment for him or her and only in the event that he or she was not a party to such determination, redetermination, or decision or to any other proceedings under the Employment Security Law in which the character of such services was determined. A full and complete record shall be kept of all proceedings in connection with such hearing. All testimony at any such hearing shall be recorded but need not be transcribed unless there is a further appeal. The employer shall be promptly notified of a hearing officer's decision which shall become final unless the employer or the commissioner appeals within thirty days after the date of service of the decision of the hearing officer. The appeal shall otherwise be governed by the Administrative Procedure Act.

48-652 Employer's experience account; reimbursement account; combined tax; liability; termination; reinstatement.

(1)(a) A separate experience account shall be established for each employer who is liable for payment of combined tax. Whenever and wherever in the Employment Security Law the terms reserve account or experience account are used, unless the context clearly indicates otherwise, such terms shall be deemed interchangeable and synonymous and reference to either of such accounts shall refer to and also include the other.

(b) A separate reimbursement account shall be established for each employer who is liable for payments in lieu of contributions. All benefits paid with respect to service in employment for such employer shall be charged to his or her reimbursement account, and such employer shall be billed for and shall be liable for the payment of the amount charged when billed by the commissioner. Payments in lieu of contributions received by the commissioner on behalf of each such employer shall be credited to such employer's reimbursement account, and two or more employers who are liable for payments in lieu of contributions may jointly apply to the commissioner for establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. The commissioner shall adopt and promulgate such rules and regulations as he or she deems necessary with respect to applications for establishment, maintenance, and termination of group accounts authorized by this subdivision.

(2) All contributions paid by an employer shall be credited to the experience account of such employer. State unemployment insurance tax payments shall not be credited to the experience account of each employer. Partial payments of combined tax shall be credited so that at least eighty percent of the combined tax payment excluding interest and penalty is credited first to contributions due. Contributions with respect to prior years which are received on or before January 31 of any year shall be considered as having been paid at the beginning of the calendar year. All voluntary contributions which are received on or before February 28 of any year shall be considered as having been paid at the beginning of the calendar year.

(3)(a) Each experience account shall be charged only for benefits based upon wages paid by such employer. No benefits shall be charged to the experience account of any employer if:

(i) Such benefits were paid on the basis of a period of employment from which the claimant (A) left work voluntarily without good cause, (B) left work voluntarily due to a nonwork-connected illness or injury, (C) left work voluntarily with good cause to escape abuse as defined in section 42-903 between household members as provided in subdivision (1) of section 48-628.13, (D) left work from which he or she was discharged for misconduct connected with his or her work, (E) left work voluntarily and is entitled to unemployment benefits without disqualification in accordance with subdivision (3), (5), or (11) of section 48-628.13, or (F) was involuntarily separated from employment and such benefits were paid pursuant to section 48-628.17; and

(ii) The employer has filed timely notice of the facts on which such exemption is claimed in accordance with rules and regulations adopted and promulgated by the commissioner.

(b) No benefits shall be charged to the experience account of any employer if such benefits were paid during a week when the individual was participating in

training approved under section 236(a)(1) of the federal Trade Act of 1974, 19 U.S.C. 2296(a)(1).

(c) Each reimbursement account shall be charged only for benefits paid that were based upon wages paid by such employer in the base period that were wages for insured work solely by reason of section 48-627.01.

(d) Benefits paid to an eligible individual shall be charged against the account of his or her most recent employers within his or her base period against whose accounts the maximum charges hereunder have not previously been made in the inverse chronological order in which the employment of such individual occurred. The maximum amount so charged against the account of any employer, other than an employer for which services in employment as provided in subdivision (4)(a) of section 48-604 are performed, shall not exceed the total benefit amount to which such individual was entitled as set out in section 48-626 with respect to base period wages of such individual paid by such employer plus one-half the amount of extended benefits paid to such eligible individual with respect to base period wages of such individual paid by such employer. The commissioner shall adopt and promulgate rules and regulations determining the manner in which benefits shall be charged against the account of several employers for whom an individual performed employment during the same quarter or during the same base period.

(4)(a) An employer's experience account shall be terminated one calendar year after such employer has ceased to be subject to the Employment Security Law, except that if the commissioner finds that an employer's business is closed solely because one or more of the owners, officers, partners, or limited liability company members or the majority stockholder entered the armed forces of the United States, or of any of its allies, such employer's account shall not be terminated and, if the business is resumed within two years after the discharge or release from active duty in the armed forces of such person or persons, the employer's experience account shall be deemed to have been continuous throughout such period.

(b) An experience account terminated pursuant to this subsection shall be reinstated if:

(i) The employer becomes subject again to the Employment Security Law within one calendar year after termination of such experience account;

(ii) The employer makes a written application for reinstatement of such experience account to the commissioner within two calendar years after termination of such experience account; and

(iii) The commissioner finds that the employer is operating substantially the same business as prior to the termination of such experience account.

(5) All money in the Unemployment Compensation Fund shall be kept mingled and undivided. In no case shall the payment of benefits to an individual be denied or withheld because the experience account of any employer does not have a total of contributions paid in excess of benefits charged to such experience account.

(6)(a) For benefit years beginning before September 3, 2017, if an individual's base period wage credits represent part-time employment for a contributory employer and the contributory employer continues to employ the individual to the same extent as during the base period, then the contributory employer's experience account shall not be charged if the contributory employer has filed

timely notice of the facts on which such exemption is claimed in accordance with rules and regulations adopted and promulgated by the commissioner.

(b) For benefit years beginning on or after September 3, 2017, if an individual's base period wage credits represent part-time employment for an employer and the employer continues to employ the individual to the same extent as during the base period, then the employer's experience account, in the case of a contributory employer, or the employer's reimbursement account, in the case of a reimbursable employer, shall not be charged if the employer has filed timely notice of the facts on which such exemption is claimed in accordance with rules and regulations prescribed by the commissioner.

(7) If a contributory employer responds to the department's request for information within the time period set forth in subsection (1) of section 48-632 and provides accurate information as known to the employer at the time of the response, the employer's experience account shall not be charged if the individual's separation from employment is voluntary and without good cause as determined under section 48-628.12.

48-675 Short-time compensation program; commissioner; decision; eligibility.

(1) The commissioner shall approve or disapprove a short-time compensation plan in writing within thirty days after its receipt and promptly communicate the decision to the employer. A decision disapproving the plan shall clearly identify the reasons for the disapproval. The disapproval shall be final, but the employer shall be allowed to submit another short-time compensation plan for approval not earlier than forty-five days after the date of the disapproval, except that the commissioner may, for good cause shown, approve a plan for an employer within such forty-five-day period.

(2) Except as provided in subsection (4) of this section, a short-time compensation plan will only be approved for a contributory employer that (a) is eligible for experience rating under section 48-649.03, (b) has a positive balance in the employer's experience account, (c) has filed all quarterly reports and other reports required under the Employment Security Law, and (d) has paid all obligation assessments, contributions, interest, and penalties due through the date of the employer's application.

(3) Except as provided in subsection (4) of this section, a short-time compensation plan will only be approved for an employer liable for making payments in lieu of contributions that has filed all quarterly reports and other reports required under the Employment Security Law and has paid all obligation assessments, payments in lieu of contributions, interest, and penalties due through the date of the employer's application.

(4) The commissioner may, for good cause shown, waive any requirement in subsection (2) or (3) of this section.

(a) MINIMUM WAGES

48-1203 Wages; minimum rate; adjustments.

(1) Except as otherwise provided in this section and section 48-1203.01, every employer shall pay to each of his or her employees a minimum wage of:

(a) Nine dollars per hour through December 31, 2022;

(b) Ten dollars and fifty cents per hour on and after January 1, 2023, through December 31, 2023;

(c) Twelve dollars per hour on and after January 1, 2024, through December 31, 2024;

(d) Thirteen dollars and fifty cents per hour on and after January 1, 2025, through December 31, 2025; and

(e) Fifteen dollars per hour on and after January 1, 2026, through December 31, 2026.

(2) The minimum wage established in subdivision (1)(e) of this section shall be increased on January 1, 2027, and on January 1 of successive years, by the increase in the cost of living. The increase in the cost of living shall be measured by the percentage increase, if any, as of August of the previous year over the level as of August of the year preceding that year in the consumer price index for all urban consumers (CPI-U) for the Midwest Region, or its successor index, as published by the U.S. Department of Labor, or its successor agency, with the amount of the minimum wage increase rounded up to the nearest multiple of five cents. No later than October 15 of each year, commencing October 15, 2026, the Nebraska Department of Labor shall calculate and publish the minimum wage rate that will take effect the following January 1.

(3) For persons compensated by way of gratuities such as waitresses, waiters, hotel bellhops, porters, and shoeshine persons, the employer shall pay wages at the minimum rate of two dollars and thirteen cents per hour, plus all gratuities given to them for services rendered. The sum of wages and gratuities received by each person compensated by way of gratuities shall equal or exceed the applicable minimum wage rate provided in subsection (1) or (2) of this section.

In determining whether or not the individual is compensated by way of gratuities, the burden of proof shall be upon the employer.

(4) Any employer employing student-learners as part of a bona fide vocational training program shall pay such student-learners' wages at a rate of at least seventy-five percent of the minimum wage rate which would otherwise be applicable.

48-1715 Seed corn producer; forms; required; Director of Agriculture; reports; directory of certified exempt contractors; powers and duties; confidentiality.

(1) Beginning January 1, 2025, any seed corn producer in this state that intends to utilize one or more farm labor contractors for the roguing or detasseling of seed corn shall:

(a) Complete and submit a form to the Director of Agriculture that the seed corn producer intends to utilize one or more farm labor contractors for detasseling or roguing of seed corn during the current or upcoming growing season; and

(b) Complete and submit a signed and notarized form prescribed by the Department of Agriculture, under penalty of perjury, to the Director of Agriculture on or after August 1 but not later than September 1 of each year. Such form shall contain the following information for the crop year for which such form is filed:

(i) The total number of acres of seed corn the producer planted in this state;

(ii) The name of each certified exempt contractor, if any, with whom the producer contracted for labor for the roguing of seed corn and the total number of acres rogued by each such operation;

(iii) The name of each nonexempt contractor, if any, with whom the producer contracted for labor for the roguing of seed corn and the total number of acres rogued by each such operation;

(iv) The name of each certified exempt contractor, if any, with whom the producer contracted for labor for the detasseling of seed corn and the total number of acres detasseled by each such operation; and

(v) The name of each nonexempt contractor, if any, with whom the producer contracted for labor for the detasseling of seed corn and the total number of acres detasseled by each such operation.

(2) The Director of Agriculture shall publish a report on the Department of Agriculture's website not later than September 30, 2025, and by each September 30 thereafter. Such report shall aggregate the following information provided by seed corn producers pursuant to subdivision (1)(b) of this section for each crop year:

(a) The total number of acres of seed corn planted in this state;

(b) The total number of acres of seed corn detasseled by certified exempt contractors;

(c) The total number of acres of seed corn rogued by certified exempt contractors;

(d) The total number of acres of seed corn detasseled by nonexempt contractors;

(e) The total number of acres of seed corn rogued by nonexempt contractors; and

(f) The total number of acres of seed corn for which seed corn producers did not utilize detasseling or roguing services by any farm labor contractor.

(3)(a) By January 1, 2025, the Director of Agriculture shall publish a directory on the Department of Agriculture's website, updated by December 31 of each year, that contains:

(i) The name of each certified exempt contractor that provides detasseling or roguing services for seed corn;

(ii) The address of the headquarters for each such certified exempt contractor; and

(iii) Contact information for each such certified exempt contractor, including a telephone number if available.

(b) Beginning in 2025, the Director of Agriculture shall send, by registered mail, a copy of the most recently updated directory described in this subsection to the following:

(i) Within ten days after receiving a form described in subdivision (1)(a) of this section, to the seed corn producer that submitted such form; and

(ii) By January 15 of each year, to each seed corn producer that submitted the form described in subdivision (1)(b) of this section during the previous year.

(4) The Director of Agriculture shall prescribe the method by which any such seed corn producer may submit a form under subdivision (1)(a) of this section and receive a copy of the most recently updated directory described in subsection (3) of this section.

(5) Any form submitted by any seed corn producer under this section shall not be a public record subject to disclosure pursuant to sections 84-712 to 84-712.09.

(6) The Department of Agriculture may adopt and promulgate rules and regulations to carry out this section.

ARTICLE 21
CONTRACTOR REGISTRATION

Section
48-2103. Terms, defined.
48-2107. Fees; exemption.

48-2103 Terms, defined.

For purposes of the Contractor Registration Act:

(1) Commissioner means the Commissioner of Labor;

(2) Construction means work on real property and annexations, including new work, additions, alterations, reconstruction, installations, and repairs performed at one or more different sites which may be dispersed geographically;

(3) Contractor means an individual, firm, partnership, limited liability company, corporation, or other association of persons engaged in the business of

the construction, alteration, repairing, dismantling, or demolition of buildings, roads, bridges, viaducts, sewers, water and gas mains, streets, disposal plants, water filters, tanks and towers, airports, dams, levees and canals, water wells, pipelines, transmission and power lines, and every other type of structure, project, development, or improvement within the definition of real property and personal property, including such construction, repairing, or alteration of such property to be held either for sale or rental. Contractor also includes any subcontractor engaged in the business of such activities and any person who is providing or arranging for labor for such activities, either as an employee or as an independent contractor, for any contractor or person;

(4) Department means the Department of Labor; and

(5) Working days means Mondays through Fridays but does not include Saturdays, Sundays, or federal or state holidays. In computing fifteen working days, the day of receipt of any notice is not included and the last day of the fifteen working days is included.

Source: Laws 1994, LB 248, § 3; Laws 2008, LB204, § 2; Laws 2009, LB162, § 2; Laws 2023, LB191, § 15.

48-2107 Fees; exemption.

(1) Each application or renewal under section 48-2105 shall be signed by the applicant and accompanied by a fee not to exceed forty dollars. The commissioner may adopt and promulgate rules and regulations to establish the criteria for acceptability of filing documents and making payments electronically. The criteria may include requirements for electronic signatures. The commissioner may refuse to accept any electronic filings or payments that do not meet the criteria established. The fee shall not be required when an amendment to an application is submitted. The commissioner shall remit the fees collected under this subsection to the State Treasurer for credit to the Contractor and Professional Employer Organization Registration Cash Fund.

(2) A contractor shall not be required to pay the fee under subsection (1) of this section if (a) the contractor is self-employed and does not pay more than three thousand dollars annually to employ other persons in the business and the application contains a statement made under oath or equivalent affirmation setting forth such information or (b) the contractor only engages in the construction of water wells or installation of septic systems. At any time that a contractor no longer qualifies for exemption from the fee, the fee shall be paid to the department. Any false statement made under subdivision (2)(a) of this section shall be a violation of section 28-915.01.

PROFESSIONAL EMPLOYER ORGANIZATION REGISTRATION ACT

Section

48-2706 Co-employment relationship; restrictions; rights and obligations; professional employer agreement; contents; written notice to employee; posting of notice; responsibilities of client; liability; sales tax liability; health benefit plan.

(1) No person shall knowingly enter into a co-employment relationship in which less than a majority of the employees of the client in this state are covered employees or in which less than one-half of the payroll of the client in this state is attributable to covered employees.

(2) Except as specifically provided in the Professional Employer Organization Registration Act or in the professional employer agreement, in each co-employment relationship:

(a) The client shall be entitled to exercise all rights and shall be obligated to perform all duties and responsibilities otherwise applicable to an employer in an employment relationship;

(b) The professional employer organization shall be entitled to exercise only those rights and obligated to perform only those duties and responsibilities specifically required by the act or in the professional employer agreement. The rights, duties, and obligations of the professional employer organization as co-employer with respect to any covered employee shall be limited to those arising pursuant to the professional employer agreement and the act during the term of co-employment by the professional employer organization of such covered employee; and

(c) Unless otherwise expressly agreed by the professional employer organization and the client in a professional employer agreement, the client retains the exclusive right to direct and control the covered employees as is necessary to conduct the client's business, to discharge any of the client's fiduciary responsibilities, or to comply with any licensure requirements applicable to the client or to the covered employees.

(3) Except as specifically provided in the Professional Employer Organization Registration Act, the co-employment relationship between the client and the professional employer organization, and between each co-employer and each covered employee, shall be governed by the professional employer agreement. Each professional employer agreement shall include the following:

(a) The allocation of rights, duties, and obligations as described in this section;

(b) A provision that the professional employer organization shall have responsibility to pay wages to covered employees; to withhold, collect, report, and remit payroll-related and unemployment taxes; and, to the extent the professional employer organization has assumed responsibility in the professional employer agreement, to make payments for employee benefits for covered employees. For purposes of this section, wages does not include any obligation between a client and a covered employee for payments beyond or in addition to the covered employee's salary, draw, or regular rate of pay, such as bonuses, commissions, severance pay, deferred compensation, profit sharing, or vacation, sick, or other paid time off pay, unless the professional employer organization has expressly agreed to assume liability for such payments in the professional employer agreement;

(c) A provision that the professional employer organization shall have a right to hire, discipline, and terminate a covered employee as may be necessary to fulfill the professional employer organization's responsibilities under the act and the professional employer agreement. The client shall have a right to hire, discipline, and terminate a covered employee; and

(d) A provision that the responsibility to obtain workers' compensation coverage for covered employees and for other employees of the client from an insurer licensed to do business in this state and otherwise in compliance with all applicable requirements shall be specified in the professional employer agreement in accordance with section 48-2709. The client shall not be relieved of its obligations under the Nebraska Workers' Compensation Act to provide workers' compensation coverage in the event that the professional employer organization fails to obtain workers' compensation insurance for which it has assumed responsibility.

(4) With respect to each professional employer agreement entered into by a professional employer organization, such professional employer organization shall provide written notice to each covered employee affected by such agreement. The professional employer organization shall provide, and the client shall post in a conspicuous place at the client's worksite, the following:

(a) Notice of the general nature of the co-employment relationship between and among the professional employer organization, the client, and any covered employees; and

(b) Any notice required by the state relating to unemployment compensation and the minimum wage.

(5) Except to the extent otherwise expressly provided by the applicable professional employer agreement:

(a) A client shall be solely responsible for the quality, adequacy, or safety of the goods or services produced or sold in the client's business;

(b) A client shall be solely responsible for (i) directing, supervising, training, and controlling the work of the covered employees with respect to the business activities of the client or when such employees are otherwise acting under the express direction and control of the client and (ii) the acts, errors, or omissions of the covered employees with regard to such activities or when such employees are otherwise acting under the express direction and control of the client;

(c) A client shall not be liable for the acts, errors, or omissions of a professional employer organization or of any covered employee of the client and a professional employer organization when such covered employee is acting under the express direction and control of the professional employer organization;

(d) Nothing in this subsection shall limit any contractual liability or obligation specifically provided in a professional employer agreement; and

(e) A covered employee is not, solely as the result of being a covered employee of a professional employer organization, an employee of the professional employer organization for purposes of general liability insurance, fidelity bonds, surety bonds, employer's liability which is not covered by workers' compensation, or liquor liability insurance carried by the professional employer organization unless the covered employee is included for such purposes by specific reference in the professional employer agreement and in any applicable prearranged employment contract, insurance contract, or bond.

(6) When a professional employer organization obtains workers' compensation coverage for its clients that is written by an authorized insurer, it shall not be considered to be an insurer based on its provision of workers' compensation insurance coverage to a client, even if the professional employer organization charges the client a different amount than it is charged by the authorized insurer.

(7) For purposes of this state or any county, municipality, or other political subdivision thereof:

(a) Covered employees whose services are subject to sales tax shall be deemed the employees of the client for purposes of collecting and levying sales tax on the services performed by the covered employee. Nothing contained in the Professional Employer Organization Registration Act shall relieve a client of any sales tax liability with respect to its goods or services;

(b) Any tax or assessment imposed upon professional employer services or any business license or other fee which is based upon gross receipts shall allow a deduction from the gross income or receipts of the business derived from performing professional employer services that is equal to that portion of the fee charged to a client that represents the actual cost of wages and salaries, benefits, workers' compensation, payroll taxes, withholding, or other assessments paid to or on behalf of a covered employee by the professional employer organization under a professional employer agreement;

(c) Any tax assessed or assessment or mandated expenditure on a per capita or per employee basis shall be assessed against the client for covered employees and against the professional employer organization for its employees who are not covered employees co-employed with a client. Any benefit or monetary consideration that meets the requirements of mandates imposed on a client and that is received by covered employees through the professional employer organization either through payroll or through benefit plans sponsored by the professional employer organization shall be credited against the client's obligation to fulfill such mandates; and

(d) In the case of a tax or an assessment imposed or calculated upon the basis of total payroll, the professional employer organization shall be eligible to apply any small business allowance or exemption available to the client for the covered employees for the purpose of computing the tax.

(8) A professional employer organization shall not offer its covered employees any health benefit plan that is not:

(a) Fully insured by an authorized insurer; or

(b) Self-funded and in compliance with:

(i) Sections 44-7601 to 44-7618, except subdivisions (1) and (2) of section 44-7606; and

(ii) The federal Employee Retirement Income Security Act of 1974, as such act existed on January 1, 2024.

NEBRASKA FAIR PAY TO PLAY ACT

Section

48-3601 Act, how cited.

Sections 48-3601 to 48-3609 shall be known and may be cited as the Nebraska Student-Athlete Name, Image, or Likeness Rights Act.

Source: Laws 2020, LB962, § 1; Laws 2022, LB1137, § 1.

48-3602 Terms, defined.

For purposes of the Nebraska Student-Athlete Name, Image, or Likeness Rights Act:

(1) Athletic grant-in-aid means the money given to a student-athlete by a postsecondary institution for tuition, fees, room, board, and textbooks as consideration for the student-athlete's participation in an intercollegiate sport for such postsecondary institution and does not include compensation for the use of the student-athlete's name, image, or likeness rights or athletic reputation;

(2) Collegiate athletic association means any athletic association, conference, or other group or organization with authority over intercollegiate sports;

(3) Compensation for the use of a student-athlete's name, image, or likeness rights or athletic reputation includes, but is not limited to, consideration received pursuant to an endorsement contract as defined in section 48-2602;

(4) Intercollegiate sport has the same meaning as in section 48-2602;

(5) Name, image, or likeness activity means an activity that involves the use of an individual's name, image, or likeness for commercial or promotional purposes;

(6) Postsecondary institution has the same meaning as in section 85-2403;

(7) Professional representation includes, but is not limited to, representation provided by an athlete agent holding a certificate of registration under the Nebraska Uniform Athlete Agents Act, a financial advisor registered under the Securities Act of Nebraska, or an attorney admitted to the bar by order of the Supreme Court of this state;

(8) Sponsor means an individual or organization that pays money or provides goods or services in exchange for advertising rights;

(9) Student-athlete has the same meaning as in section 48-2602; and

(10) Team contract means a contract between a postsecondary institution or a postsecondary institution's athletic department and a sponsor.

48-3603 Name, image, or likeness rights or athletic reputation; compensation of student-athlete; effect; limitations.

(1) No postsecondary institution shall uphold any rule, requirement, standard, or limitation that prevents a student-athlete from fully participating in an intercollegiate sport for such postsecondary institution because such student-athlete earns or intends to earn compensation for the use of such student-athlete's name, image, or likeness rights or athletic reputation.

(2) No collegiate athletic association shall penalize a student-athlete or prevent a student-athlete from fully participating in an intercollegiate sport because such student-athlete earns or intends to earn compensation for the use of such student-athlete's name, image, or likeness rights or athletic reputation.

(3) No collegiate athletic association shall penalize a postsecondary institution or prevent a postsecondary institution from fully participating in an intercollegiate sport because a student-athlete participating in an intercollegiate sport for such postsecondary institution earns or intends to earn compensation for the use of such student-athlete's name, image, or likeness rights or athletic reputation.

(4) No postsecondary institution shall be prohibited from:

(a) Creating, identifying, facilitating, enabling, or supporting student-athlete name, image, or likeness activities; or

(b) Entering into agreements with a third-party entity to create, identify, facilitate, enable, or support name, image, or likeness activities.

(5) No third-party entity or individual shall be prohibited from:

(a) Communicating with a student-athlete to create, identify, facilitate, enable, or support name, image, or likeness activities;

(b) Compensating a student-athlete for the use of such student-athlete's name, image, or likeness rights or athletic reputation; or

(c) Compensating student-athletes for promoting:

(i) An athletics event in which the student-athlete may participate, if the third-party entity or individual has an agreement to promote the athletics event; or

(ii) The postsecondary institution which the student-athlete attends.

(6) No postsecondary institution shall allow compensation earned by a student-athlete for the use of such student-athlete's name, image, or likeness rights or athletic reputation to affect the duration, amount, or eligibility for or renewal of any athletic grant-in-aid or other institutional scholarship, except that compensation earned by a student-athlete for the use of such student-athlete's name, image, or likeness rights or athletic reputation may be used for

the calculation of income for determining eligibility for need-based financial aid.

(7)(a) The compensation a student-athlete earns for the use of the student-athlete's name, image, or likeness rights or athletic reputation must be for services actually performed. Student-athletes shall not be paid for contracts that (i) extend beyond the student-athlete's participation in an athletic program at a postsecondary institution, (ii) involve the sale or exchange of awards or other items received for athletic participation, or (iii) provide compensation for work not performed.

(b) A postsecondary institution shall not compensate a student-athlete for the use of the student-athlete's name, image, or likeness rights or athletic reputation unless otherwise permitted or authorized by:

(i) A collegiate athletic association and postsecondary institution policy;

(ii) A court order; or

(iii) A settlement agreement.

(8) Student-athletes may be prohibited from entering into contracts or agreements related to the use of the student-athlete's name, image, or likeness rights or athletic reputation or engaging in name, image, or likeness activities for products, services, entities, or activities reasonably deemed to be inconsistent with the educational mission of the postsecondary institution by such postsecondary institution.

(9) Nothing in the Nebraska Student-Athlete Name, Image, or Likeness Rights Act shall limit the ability of a postsecondary institution to establish and enforce standards, requirements, regulations, or obligations for such postsecondary institution's students not inconsistent with the act.

(10) Nothing in the Nebraska Student-Athlete Name, Image, or Likeness Rights Act grants to a student-athlete the right to use any name, trademark, service mark, logo, symbol, or other intellectual property that belongs to the postsecondary institution, regardless of whether the intellectual property is registered, to further the student-athlete's opportunities to earn compensation for the use of the student-athlete's name, image, or likeness rights or athletic reputation.

(11) Nothing in the Nebraska Student-Athlete Name, Image, or Likeness Rights Act shall be construed to qualify a student-athlete as an employee of a postsecondary institution based solely on the fact that the student-athlete earns compensation for the use of the student-athlete's name, image, or likeness rights or athletic reputation, or is engaged in name, image, or likeness activities pursuant to the act.

48-3604 Name, image, or likeness rights or athletic reputation; contract or agreement; disclosure requirements; treatment.

(1) Any student-athlete who enters into a contract or agreement that provides compensation for the use of such student-athlete's name, image, or likeness rights or athletic reputation shall disclose such contract or agreement to an official of the postsecondary institution for which such student-athlete participates in an intercollegiate sport. The official to which such contract or agree-

ment shall be disclosed shall be designated by each postsecondary institution, and the designation shall be communicated in writing to each student-athlete participating in an intercollegiate sport for such postsecondary institution. Except as provided in subsection (2) of this section, or unless otherwise required by law, each postsecondary institution shall be prohibited from disclosing any information written, produced, collected, assembled, or maintained by such postsecondary institution that includes or reveals any term of a contract or agreement or proposed contract or agreement for the use of a student-athlete's name, image, or likeness rights or athletic reputation.

(2) If any contract or agreement is entered into by an entity subject to sections 84-712 to 84-712.09 for the use of a student-athlete's name, image, or likeness rights or athletic reputation, such contract or agreement shall be considered a public record subject to sections 84-712 to 84-712.09.

48-3605 Name, image, and likeness rights or athletic reputation; contract or agreement, restrictions; conflict with team contract, effect.

(1) No student-athlete shall enter into a contract or agreement with a sponsor that provides compensation to the student-athlete for use of the student-athlete's name, image, and likeness rights or athletic reputation if (a) such contract or agreement requires such student-athlete to display such sponsor's apparel or to otherwise advertise for the sponsor during official team activities and (b) compliance with such contract or agreement requirement would conflict with a team contract. Any postsecondary institution asserting such conflict shall disclose to the student-athlete and the student-athlete's professional representation, if applicable, the full team contract that is asserted to be in conflict. The student-athlete and the student-athlete's professional representation, if applicable, shall be prohibited from disclosing any terms of a team contract that the postsecondary institution deems to be a trade secret or otherwise nondisclosable.

(2) No team contract shall prevent a student-athlete from receiving compensation for the use of such student-athlete's name, image, and likeness rights or athletic reputation when the student-athlete is not engaged in official team activities.

Source: Laws 2020, LB962, § 5; Laws 2022, LB1137, § 5.

48-3606 Student-athlete; obtain professional representation; effect; postsecondary institutions; education and training.

(1) No postsecondary institution or collegiate athletic association shall penalize a student-athlete or prevent a student-athlete from fully participating in an intercollegiate sport because such student-athlete obtains professional representation in relation to a contract or legal matter related to the use of the student-athlete's name, image, or likeness rights or athletic reputation.

(2) No collegiate athletic association shall penalize a postsecondary institution or prevent a postsecondary institution from fully participating in an intercollegiate sport because a student-athlete participating in an intercollegiate sport for such postsecondary institution obtains professional representation in

relation to a contract or legal matter related to the use of the student-athlete's name, image, or likeness rights or athletic reputation.

(3) A postsecondary institution may offer education and training to student-athletes to aid them in understanding the opportunities that may become available to them for the use of their name, image, or likeness rights or athletic reputation, including education in the areas of networking and communication, brand-building and management, financial literacy, and compliance.

48-3608 Civil action authorized; damages, procedure; limitation.

(1) A student-athlete or a postsecondary institution aggrieved by a violation of the Nebraska Student-Athlete Name, Image, or Likeness Rights Act may bring a civil action against the postsecondary institution or collegiate athletic association committing such violation.

(2) A plaintiff who prevails in an action under the Nebraska Student-Athlete Name, Image, or Likeness Rights Act shall be entitled to:

(a) Actual damages;

(b) Such preliminary and other equitable or declaratory relief as may be appropriate; and

(c) Reasonable attorney's fees and other litigation costs reasonably incurred.

(3) A public postsecondary institution may be sued upon claims arising under the Nebraska Student-Athlete Name, Image, or Likeness Rights Act only to the extent allowed under the State Tort Claims Act, the State Contract Claims Act, or the State Miscellaneous Claims Act, except that a civil action for a violation of the Nebraska Student-Athlete Name, Image, or Likeness Rights Act may only be brought within one year after the cause of action has accrued.

ARTICLE 7
STATUTE REVISION

Section
49-702. Revisor of Statutes; duties.
49-707. Supplements and reissued or replacement volumes of the statutes; distribution; price; disposition of proceeds; receipts.
49-709. Nebraska Juvenile Code; index.

49-702 Revisor of Statutes; duties.

It shall be the duty of the Revisor of Statutes:

(1) To consult with and assist the Legislative Council prior to each regular session of the Legislature in the preparation of the report of the Legislative Council as to defects in the Constitution of Nebraska and laws of Nebraska and to draft in the form of bills proposed legislation to carry out the recommendations contained in the report;

(2) To prepare for submission to the Legislature, from time to time, when recommended by the Legislative Council in its report as to defects in the Constitution of Nebraska and laws of Nebraska, a rewriting and revision, chapter by chapter, in simplified style and phraseology, of the various chapters of the statutes of Nebraska;

(3) To publish annotations of the decisions of the Supreme Court of Nebraska, the Court of Appeals, and the federal courts as received from the Reporter of Decisions; and

(4) To prepare, arrange, and correlate for publication, at the end of each legislative session, the laws enacted during the session and to arrange and correlate for publication replacements of the permanent volumes of the statutes.

49-707 Supplements and reissued or replacement volumes of the statutes; distribution; price; disposition of proceeds; receipts.

The supplements and reissued or replacement volumes of the statutes of Nebraska shall be sold and distributed by the Supreme Court at such price as shall be prescribed by the Executive Board of the Legislative Council, which price shall be sufficient to recover all costs of publication and distribution.

The Supreme Court may sell for one dollar per volume any compilation or revision of the statutes of Nebraska that has been superseded by a later official

revision, compilation, or replacement volume. The Supreme Court may dispose of any unsold superseded volumes in any manner it deems proper.

All money received by the Supreme Court from the sale of the supplements and reissued or replacement volumes shall be paid into the state treasury to the credit of the Nebraska Statutes Cash Fund or the Nebraska Statutes Distribution Cash Fund, as appropriate. That portion of the money received that represents the costs of publication shall be credited to the Nebraska Statutes Cash Fund, and that portion of the money received that represents the costs of distribution shall be credited to the Nebraska Statutes Distribution Cash Fund. The court shall take receipts for all such money paid into the funds.

Supplements and reissued volumes shall be furnished and delivered free of charge in the same number and to the same parties as are designated in section 49-617.

49-1474.03 Campaign advertisement; dissemination; applicability; requirements.

(1) This section applies to any election for the following elective offices: Governor, Lieutenant Governor, Secretary of State, State Treasurer, Attorney

General, Auditor of Public Accounts, member of the Board of Regents of the University of Nebraska, member of the State Board of Education, Public Service Commissioner, and member of the Legislature.

(2) For purposes of this section:

(a) Campaign advertisement means a professionally produced visual or audio recording disseminated or caused to be disseminated (i) by a candidate for any elective office listed in this section or by any committee and (ii) for the purpose of supporting or opposing the nomination or election of such a candidate; and

(b) Professionally produced visual or audio recording does not include a broadcast, rebroadcast, livestreamed, or restreamed live forum, question and answer session, townhall meeting, or interview.

(3) No campaign advertisement shall be disseminated:

(a) On television or as a video by means of the Internet unless the campaign advertisement includes closed captioning or the candidate or committee responsible for the campaign advertisement posts a transcript of such campaign advertisement on the candidate's or committee's website; or

(b) On radio unless the candidate or committee responsible for the campaign advertisement posts a transcript of such campaign advertisement on the candidate's or committee's website.

49-1479.03 Foreign national; contribution to ballot question committee; prohibited; exception.

(1) For purposes of this section, foreign national means:

(a) An individual who is not a citizen of the United States or a national of the United States and who is not lawfully admitted for permanent residence;

(b) A person, other than an individual, organized under the laws of or having its principal place of business in a foreign country;

(c) A government of a foreign country; or

(d) A political party or political committee established in a foreign country.

(2) It shall be unlawful for a foreign national, directly or indirectly, to make a contribution to a ballot question committee or for a ballot question committee to solicit, accept, or receive such a contribution.

(3) A person, other than an individual, organized under the laws of the United States which is a domestic subsidiary of a foreign national may make a contribution or an expenditure to support or oppose the qualification, passage, or defeat of a ballot question ballot if:

(a) The person is a discrete entity organized under the laws of any state within the United States and its principal place of business is within the United States;

(b) The foreign national parent does not finance election-related contributions or expenditures either directly or through such person, including through subsidizing the person's business operations, unless the person can demonstrate by a reasonable accounting method that it has sufficient funds from its own domestic operations to make any contributions or expenditures; and

(c) All decisions concerning the administration of the person's contributions or expenditures are made by citizens or permanent residents of the United States.

(c) LOBBYING PRACTICES

49-1480.01 Application for registration; fee; collection; registration renewal.

(1) The Clerk of the Legislature shall collect a fee of three hundred dollars for an application for registration by a lobbyist for each principal if the lobbyist receives or will receive compensation for such lobbying. Except as provided by section 49-1434, a lobbyist who receives compensation shall include an individual who is an employee or member of a principal whose duties of employment, office, or membership include engaging in lobbying activities.

(2) A fee of fifteen dollars shall be collected for an application by a lobbyist for each principal if the lobbyist is not receiving and will not be receiving compensation for such lobbying. Any lobbyist who receives compensation who did not anticipate receiving such compensation at the time of application for registration shall, within five days of the receipt of any compensation, file an amended registration form which shall be accompanied by an additional fee of two hundred eighty-five dollars for such year.

(3) The registration of a lobbyist for each of his or her principals may be renewed by the payment of a fee as provided by subsections (1) and (2) of this section. Such fee shall be paid to the Clerk of the Legislature on or before December 31 of each calendar year. The registration of a lobbyist for each of his or her principals shall terminate as of the end of the calendar year for which the lobbyist registered unless the registration is renewed as provided in this section.

(d) CONFLICTS OF INTEREST

49-1494 Candidates for elective office; statement of financial interest; filing; time.

(1) An individual who files to appear on the ballot for election to an elective office specified in section 49-1493 shall file a statement of financial interests for the preceding calendar year with the commission as provided in this section.

(2) Candidates for the elective offices specified in section 49-1493 who qualify other than by filing shall file a statement for the preceding calendar year with the commission within five days after becoming a candidate or being appointed to that elective office.

(3) If the candidate for an elective office specified in section 49-1493 files to appear on the ballot for election during the calendar year in which the election is held, the candidate shall file a statement of financial interests for the preceding calendar year with the commission on or before March 1 of the year in which the election is held or, if the filing deadline for the elective office is after March 1 of the year in which the election is held, the candidate shall file such statement on or before the filing deadline for the elective office.

(4) A candidate for an elective office specified in section 49-1493 who fails to file a statement of financial interests as required in subsection (1) or (2) of this section within five days after the deadline in subsection (3) of this section and section 49-1493 shall not appear on the ballot.

(5) A statement of financial interests shall be preserved for a period of not less than five years by the commission.

49-1496 Statement of financial interests; form; contents; enumerated.

(1) The statement of financial interests filed pursuant to sections 49-1493 to 49-14,104 shall be on a form prescribed by the commission.

(2) Individuals required to file under sections 49-1493 to 49-1495 shall file the following information for themselves:

(a) The name and address of and the nature of association with any business with which the individual was associated;

(b) The name and address of any entity in which a position of trustee was held;

(c) The name, address, and nature of business of a person or government body from whom any income in the value of one thousand dollars or more was received and the nature of the services rendered, except that the identification of patrons, customers, patients, or clients of such person from which employment income was received is not required;

(d) A description, but not the value, of the following, if the fair market value thereof exceeded one thousand dollars:

(i) The nature and location of all real property in the state, except any such real property used as a residence of the individual;

(ii) The depository of checking and savings accounts;

(iii) The issuer of stocks, bonds, and government securities; and

(iv) A description of all other property owned or held for the production of income, except property owned or used by a business with which the individual was associated;

(e) The name and address of each creditor to whom the value of one thousand dollars or more was owed or guaranteed by the individual or a member of the individual's immediate family, except for the following:

(i) Accounts payable;

(ii) Debts arising out of retail installment transactions;

(iii) Loans made by financial institutions in the ordinary course of business;

(iv) Loans from a relative; and

(v) Land contracts that have been properly recorded with the county clerk or the register of deeds;

(f) The name, address, and occupation or nature of business of any person from whom a gift in the value of more than one hundred dollars was received, a description of the gift and the circumstances of the gift, and the monetary value category of the gift, based on a good faith estimate by the individual, reported in the following categories:

(i) $100.01 - $200;

(ii) $200.01 - $500;

(iii) $500.01 - $1,000; and

(iv) $1,000.01 or more; and

(g) Such other information as the individual or the commission deems necessary, after notice and hearing, to carry out the purposes of the Nebraska Political Accountability and Disclosure Act.

49-1499.03 Political subdivision; public official or employee; discharge of official duties; potential conflict; actions required; applicability.

(1)(a) An official of a political subdivision designated in section 49-1493 who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(i) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict; and

(ii) Deliver a copy of the statement to the commission and to the person in charge of keeping records for the political subdivision who shall enter the statement onto the public records of the political subdivision.

(b) The official shall take such action as the commission shall advise or prescribe to remove himself or herself from influence over the action or decision on the matter.

(c) This subsection does not prevent such a person from making or participating in the making of a governmental decision to the extent that the individual's participation is legally required for the action or decision to be made. A person acting pursuant to this subdivision shall report the occurrence to the commission.

(2)(a) Any public official of any political subdivision not designated in section 49-1493 who would be required to take any action or make any decision in the

discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(i) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

(ii) Deliver a copy of the statement to the person in charge of keeping records for the political subdivision who shall enter the statement onto the public records of the political subdivision; and

(iii) Except as otherwise provided in subsection (3) of this section, abstain from participating or voting on the matter in which the public official has a conflict of interest.

(b) The public official may apply to the commission for an opinion as to whether the person has a conflict of interest.

(3)(a) This section does not prevent a public official of any political subdivision from making or participating in the making of a governmental decision:

(i) To the extent that the individual's participation is legally required for the action or decision to be made; or

(ii) If the potential conflict of interest is based on a business association and (A) such business association is an association of such political subdivisions, (B) the political subdivision is a member of such association, and (C) the business association exists only as the result of such public official holding office.

(b) A public official of any city subject to subsection (1) of this section who is acting pursuant to this subsection shall report the occurrence as provided in subdivisions (1)(a)(i) and (ii) of this section.

(c) A person subject to subsection (2) of this section who is acting pursuant to this subsection shall report the occurrence as provided in subdivisions (2)(a)(i) and (ii) of this section.

(4)(a) Any employee of a political subdivision whose annual salary and benefits exceed one hundred fifty thousand dollars and who would be required to take any action or make any decision in the discharge of his or her official duties that may cause financial benefit or detriment to him or her, a member of his or her immediate family, or a business with which he or she is associated, which is distinguishable from the effects of such action on the public generally or a broad segment of the public, shall take the following actions as soon as he or she is aware of such potential conflict or should reasonably be aware of such potential conflict, whichever is sooner:

(i) Prepare a written statement describing the matter requiring action or decision and the nature of the potential conflict;

(ii) Deliver a copy of the statement to the person in charge of keeping records for the political subdivision who shall enter the statement onto the public records of the political subdivision; and

(iii) Except as otherwise provided in subdivision (4)(c) of this section, abstain from participating in the matter in which the employee has a conflict of interest.

(b) An employee described in subdivision (4)(a) of this section may apply to the commission for an opinion as to whether he or she has a conflict of interest.

(c) This subsection does not prevent an employee described in subdivision (4)(a) of this section from making or participating in the making of a governmental decision to the extent that the employee's participation is legally required for the action or decision to be made. An employee who is acting pursuant to this subdivision shall report the occurrence as provided in subdivisions (4)(a)(i) and (ii) of this section.

(5) Matters involving an interest in a contract are governed either by sections 49-14,102 and 49-14,103 or by sections 49-14,103.01 to 49-14,103.06. Matters involving the hiring of an immediate family member are governed by section 49-1499.04. Matters involving nepotism or the supervision of a family member by an official or employee in the executive branch of state government are governed by section 49-1499.07.

(6) This section does not apply to a sanitary and improvement district.

50-117 Digital Internet archive of closed-captioned video coverage of the Legislature; policies and procedures; requirements.

(1) The Legislative Council, through the Executive Board of the Legislative Council, shall develop and maintain a publicly accessible, digital Internet archive of closed-captioned video coverage of the Legislature, including floor debate and public committee hearings indexed by legislative bill or resolution number or by date, beginning with the coverage of the One Hundred Ninth

Legislature, First Session, in January 2025 or as soon as live, closed-captioned video coverage of the Legislature is available for use, whichever is sooner, as provided in section 79-1316. Closed-captioned video coverage shall include closed captioning in both English and Spanish.

(2) Applicable historical video coverage of the Legislature shall be collected and added to the digital archive as available. Applicable historical video coverage shall only consist of video coverage of the Legislature captured by the Nebraska Educational Telecommunications Commission and closed-captioned prior to January 1, 2025.

(3) Such archive is intended solely for educational and informational purposes and to enhance access for the public, in keeping with the Legislature's commitment to transparency in state government.

(4) Audio and video recordings of the proceedings of the Legislature or of a committee or division of the Legislature are not official records of such proceedings and shall not be admissible in any proceeding as evidence of legislative history, action, or intent.

(5) The Executive Board of the Legislative Council shall develop policies and procedures surrounding the creation and ongoing usage of the publicly accessible, indexed, digital Internet archive of closed-captioned video coverage of the Legislature developed pursuant to this section. Such policies shall include, but not be limited to:

(a) The usage of archived video recordings for purposes other than legislative purposes;

(b) A determination regarding which committee hearings and committee briefings shall be recorded and added to the digital archive;

(c) Parameters surrounding long-term storage of archived video recordings; and

(d) Management of costs in relation to supporting public accessibility of archived video recordings.

ARTICLE 4

LEGISLATIVE COUNCIL

Section

50-401.01 Legislative Council; executive board; members; selection; powers and duties.

(1) The Legislative Council shall have an executive board, to be known as the Executive Board of the Legislative Council, which shall consist of a chairper-

son, a vice-chairperson, and six members of the Legislature, to be chosen by the Legislature at the commencement of each regular session of the Legislature when the speaker is chosen, and the Speaker of the Legislature. The Legislature at large shall elect two of its members from legislative districts Nos. 1, 17, 30, 32 to 35, 37, 38, 40 to 44, 47, and 48, two from legislative districts Nos. 2, 3, 15, 16, 19, 21 to 29, 45, and 46, and two from legislative districts Nos. 4 to 14, 18, 20, 31, 36, 39, and 49. The Chairperson of the Committee on Appropriations shall serve as a nonvoting ex officio member of the executive board whenever the board is considering fiscal administration.

(2) The executive board shall:

(a) Supervise all services and service personnel of the Legislature and may employ and fix compensation and other terms of employment for such personnel as may be needed to carry out the intent and activities of the Legislature or of the board, unless otherwise directed by the Legislature, including the adoption of policies by the executive board which permit (i) the purchasing of an annuity for an employee who retires or (ii) the crediting of amounts to an employee's deferred compensation account under section 84-1504. The payments to or on behalf of an employee may be staggered to comply with other law; and

(b) Appoint persons to fill the positions of Legislative Fiscal Analyst, Director of Research, Revisor of Statutes, and Legislative Auditor. The persons appointed to these positions shall have training and experience as determined by the executive board and shall serve at the pleasure of the executive board. The Legislative Performance Audit Committee shall recommend the person to be appointed Legislative Auditor. Their respective salaries shall be set by the executive board.

(3) Notwithstanding any other provision of law, the executive board may contract to obtain legal, auditing, accounting, actuarial, or other professional services or advice for or on behalf of the executive board, the Legislative Council, the Legislature, or any member of the Legislature. The providers of such services or advice shall meet or exceed the minimum professional standards or requirements established or specified by their respective professional organizations or licensing entities or by federal law. Such contracts, the deliberations of the executive board with respect to such contracts, and the work product resulting from such contracts shall not be subject to review or approval by any other entity of state government.

50-434 Committee on Justice Reinvestment Oversight; created; members; duties; report; termination.

(1) The Legislature finds that while serious crime in the State of Nebraska has not increased in the past five years, the prison population continues to increase as does the amount spent on correctional issues. The Legislature further finds that a need exists to closely examine the criminal justice system of the State of Nebraska in order to increase public safety while concurrently reducing correctional spending and reinvesting in strategies that decrease crime and strengthen Nebraska communities.

(2) It is the intent of the Legislature that the State of Nebraska work cooperatively with the Council of State Governments Justice Center to study and identify innovative solutions and evidence-based practices to develop a data-driven approach to reduce correctional spending and reinvest savings in strategies that can decrease recidivism and increase public safety and for the executive, legislative, and judicial branches of Nebraska state government to work with the Council of State Governments Justice Center in this process.

(3) The Committee on Justice Reinvestment Oversight is created as a special legislative committee to maintain continuous oversight of the Nebraska Justice Reinvestment Initiative and related issues.

(4) The special legislative committee shall be comprised of five members of the Legislature selected by the Executive Board of the Legislative Council, including the chairperson of the Judiciary Committee of the Legislature who shall serve as chairperson of the special legislative committee.

(5) The Committee on Justice Reinvestment Oversight shall monitor and guide analysis and policy development in all aspects of the criminal justice system in Nebraska within the scope of the justice reinvestment initiative, including tracking implementation of evidence-based strategies as established in Laws 2015, LB605, and reviewing policies to improve public safety, reduce recidivism, and reduce spending on corrections in Nebraska. With assistance from the Council of State Governments Justice Center, the committee shall monitor performance and measure outcomes by collecting data from counties and relevant state agencies for analysis and reporting.

(6) The committee shall prepare and submit an annual report of its activities and findings and may make recommendations to improve any aspect of the criminal justice system. The committee shall deliver the report to the Governor, the Clerk of the Legislature, and the Chief Justice by September 1 of each year. The report to the clerk shall be delivered electronically.

(7) The committee terminates on September 30, 2023.

WATER RESOURCES

Section
50-802. Statewide Tourism And Recreational Water Access and Resource Sustainability Special Committee of the Legislature; established; members; duties; termination.

50-802 Statewide Tourism And Recreational Water Access and Resource Sustainability Special Committee of the Legislature; established; members; duties; termination.

(1) The Statewide Tourism And Recreational Water Access and Resource Sustainability (STAR WARS) Special Committee of the Legislature is hereby established as a special legislative committee to exercise the powers and perform the duties provided in this section. The special legislative committee shall consist of no fewer than seven members of the Legislature as determined by the Executive Board of the Legislative Council. The special legislative committee shall consist of the Speaker of the Legislature, who shall serve as chairperson of the special legislative committee, the chairperson of the Natural Resources Committee of the Legislature, one member of the Appropriations Committee of the Legislature, and at least four other members of the Legislature appointed by the executive board. The appointed members of the special legislative committee shall be members who represent legislative districts comprising portions of the areas under study or who otherwise have knowledge of such areas. All appointments shall be made within the first six days of the legislative session in odd-numbered years. Members shall serve two-year terms corresponding with legislative sessions and may be reappointed for consecutive terms.

(2) The Executive Board of the Legislative Council shall provide staff as required by the special legislative committee from existing legislative staff. In addition, the special legislative committee may hire additional staff, make expenditures for travel, and enter into contracts for consulting, engineering, and development studies. The contracts shall be based on competitive bids and subject to approval by the executive board upon the recommendation of a majority of the members of the special legislative committee. It is the intent of the Legislature to appropriate two million dollars for fiscal year 2021-22 to carry out the purposes of this section.

(3)(a) Studies shall be conducted on:

(i) The need to protect public and private property, including use of levee systems, enhance economic development, and promote private investment and the creation of jobs along the Platte River and its tributaries from Columbus, Nebraska, to Plattsmouth, Nebraska;

(ii) The need to provide for public safety, public infrastructure, land-use planning, recreation, and economic development in the Lake McConaughy region of Keith County, Nebraska; and

(iii) The socioeconomic conditions, recreational and tourism opportunities, and public investment necessary to enhance economic development and to catalyze private investment in the region in Knox County, Nebraska, that lies

north of State Highway 12 and extends to the South Dakota border and includes Lewis and Clark Lake and Niobrara State Park.

(b) The study of the Lower Platte River pursuant to subdivision (3)(a)(i) of this section shall not include a study of any dam on a Platte River channel, but may include infrastructure options that maintain the integrity of the main channel of the Platte River. The committee may study dams relating to tributaries of the Platte River and levees in such area.

(c) The studies regarding Lake McConaughy in Keith County and Lewis and Clark Lake and Niobrara State Park in Knox County shall evaluate the outcomes and the economic benefits of proposed development and improvements to residents, the local region, and state tourism.

(4) The special legislative committee may hold hearings and request and receive reports from federal, state, county, city, and village agencies and natural resources districts regarding matters pertaining to such studies. The special legislative committee may hold one or more closed sessions for the receipt of confidential information if at least one-half of the members of the special legislative committee vote in open session to hold a closed session. The special legislative committee may appoint one or more subcommittees for the purpose of receiving public input as it relates to the purposes described in section 50-801 and this section.

(5) The special legislative committee shall endeavor to complete each study on or before December 31, 2021, but such studies shall be completed no later than December 31, 2022.

(6) The special legislative committee shall provide oversight over any projects carried out as a result of any studies completed by the committee to ensure continuity and to ensure that the projects fulfill the goals of the studies as they are implemented. The committee may seek input from local stakeholders regarding such projects. The committee shall also recommend legislative changes that may become necessary at the various stages of the implementation of such projects.

(7) The special legislative committee shall terminate on December 31, 2026.

ARTICLE 12

LEGISLATIVE PERFORMANCE AUDIT ACT

Section
50-1209. Tax incentive performance audits; schedule; contents.

50-1209 Tax incentive performance audits; schedule; contents.

(1) Tax incentive performance audits shall be conducted by the office pursuant to this section on the following tax incentive programs:

(a) The Beginning Farmer Tax Credit Act;

(b) The ImagiNE Nebraska Act;

(c) The Nebraska Advantage Microenterprise Tax Credit Act;

(d) The Nebraska Advantage Research and Development Act;

(e) The Nebraska Advantage Rural Development Act;

(f) The Nebraska Job Creation and Mainstreet Revitalization Act;

(g) The New Markets Job Growth Investment Act;

(h) The Urban Redevelopment Act; and

(i) Any other tax incentive program created by the Legislature for the purpose of recruitment or retention of businesses in Nebraska. In determining whether a future tax incentive program is enacted for the purpose of recruitment or retention of businesses, the office shall consider legislative intent, including legislative statements of purpose and goals, and may also consider whether the tax incentive program is promoted as a business incentive by the Department of Economic Development or other relevant state agency.

(2) The office shall develop a schedule for conducting tax incentive performance audits and shall update the schedule annually. The schedule shall ensure that each tax incentive program is reviewed at least once every five years.

(3) Each tax incentive performance audit conducted by the office pursuant to this section shall include the following:

(a) An analysis of whether the tax incentive program is meeting the following goals:

(i) Strengthening the state's economy overall by:

(A) Attracting new business to the state;

(B) Expanding existing businesses;

(C) Increasing employment, particularly employment of full-time workers. The analysis shall consider whether the job growth in those businesses receiving tax incentives is at least ten percent above industry averages;

(D) Creating high-quality jobs; and

(E) Increasing business investment;

(ii) Revitalizing rural areas and other distressed areas of the state;

(iii) Diversifying the state's economy and positioning Nebraska for the future by stimulating entrepreneurial firms, high-tech firms, and renewable energy firms; and

(iv) Any other program-specific goals found in the statutes for the tax incentive program being evaluated;

(b) An analysis of the economic and fiscal impacts of the tax incentive program. The analysis may take into account the following considerations in addition to other relevant factors:

(i) The costs per full-time worker. When practical and applicable, such costs shall be considered in at least the following two ways:

(A) By an estimation including the minimum investment required to qualify for benefits; and

(B) By an estimation including all investment;

(ii) The extent to which the tax incentive changes business behavior;

(iii) The results of the tax incentive for the economy of Nebraska as a whole. This consideration includes both direct and indirect impacts generally and any effects on other Nebraska businesses; and

(iv) A comparison to the results of other economic development strategies with similar goals, other policies, or other incentives;

(c) An assessment of whether adequate protections are in place to ensure the fiscal impact of the tax incentive does not increase substantially beyond the state's expectations in future years;

(d) An assessment of the fiscal impact of the tax incentive on the budgets of local governments, if applicable; and

(e) Recommendations for any changes to statutes or rules and regulations that would allow the tax incentive program to be more easily evaluated in the future, including changes to data collection, reporting, sharing of information, and clarification of goals.

(4) For purposes of this section:

(a) Distressed area means an area of substantial unemployment as determined by the Department of Labor pursuant to the Nebraska Workforce Innovation and Opportunity Act;

(b) Full-time worker means an individual (i) who usually works thirty-five hours per week or more, (ii) whose employment is reported to the Department of Labor on two consecutive quarterly wage reports, and (iii) who earns wages equal to or exceeding the state minimum wage;

(c) High-quality job means a job that:

(i) Averages at least thirty-five hours of employment per week;

(ii) Is reported to the Department of Labor on two consecutive quarterly wage reports; and

(iii) Earns wages that are at least ten percent higher than the statewide industry sector average and that equal or exceed:

(A) One hundred ten percent of the Nebraska average weekly wage if the job is in a county with a population of less than one hundred thousand inhabitants; or

(B) One hundred twenty percent of the Nebraska average weekly wage if the job is in a county with a population of one hundred thousand inhabitants or more;

(d) High-tech firm means a person or unitary group that has a location with any of the following four-digit code designations under the North American Industry Classification System as assigned by the Department of Labor: 3341, 3342, 3344, 3345, 3364, 5112, 5182, 5191, 5413, 5415, or 5417;

(e) Nebraska average weekly wage means the most recent average weekly wage paid by all employers in all counties in Nebraska as reported by the Department of Labor by October 1 of each year;

(f) New business means a person or unitary group participating in a tax incentive program that did not pay income taxes or wages in the state more than two years prior to submitting an application under the tax incentive program. For any tax incentive program without an application process, new business means a person or unitary group participating in the program that did not pay income taxes or wages in the state more than two years prior to the first day of the first tax year for which a tax benefit was earned;

(g) Renewable energy firm means a person or unitary group that has a location with any of the following six-digit code designations under the North American Industry Classification System as assigned by the Department of Labor: 111110, 111150, 111199, 111930, 111991, 113310, 221111, 221113, 221114, 221115, 221116, 221117, 221118, 221121, 221122, 221330, 237130,

237990, 325193, 331511, 331512, 331513, 331523, 331524, 331529, 332111, 332112, 333511, 333611, 333612, 333613, 334519, 423830, 482111, 484230, 488510, 541360, 541370, 541620, 541690, 541714, or 541715;

(h) Rural area means any village or city of the second class in this state or any county in this state with fewer than twenty-five thousand residents; and

(i) Unitary group has the same meaning as in section 77-2734.04.

CHAPTER 51
LIBRARIES AND MUSEUMS

Article.
7. Museum Property Act. 51-703 to 51-709.

ARTICLE 7
MUSEUM PROPERTY ACT

Section
51-703. Notice; contents.
51-705. Acquisition of title to undocumented property; when.
51-708. Limitation of actions; liability.
51-709. Obligations to lender or claimant.

51-703 Notice; contents.

(1) In addition to any other information prescribed for a particular notice, each notice given to the lender or claimant pursuant to the Museum Property Act shall contain the following information:

(a) The lender's or claimant's name as appropriate;

(b) The lender's last-known address or the claimant's last-known address as appropriate;

(c) A brief description of the property on loan;

(d) The date of the loan, if known;

(e) The name of the museum; and

(f) The name, address, and telephone number of the appropriate person or office to be contacted regarding the property.

(2) Each notice given by a museum pursuant to the act shall be mailed to the lender's and any claimant's last-known address by restricted certified mail. Notice is deemed given if the museum receives proof of receipt within thirty days after mailing the notice.

(3) Notice may be given by publication if the museum does not:

(a) Know the identity of the lender;

(b) Have the address or telephone number for the lender or the address or telephone number for the claimant; or

(c) Receive proof of receipt of the notice by the person to whom the notice was sent within thirty days after the notice was mailed.

(4) Notice by publication must be given by posting online on the museum's website for a minimum of three consecutive weeks and by publication of a statement for one week in a newspaper of general circulation in both the county where the museum is located and the county of the lender's or claimant's address, if any. The statement published in the newspaper must contain (a) the museum's name and contact information, (b) notification that the museum is acting to assert title, and (c) notification that interested parties should contact

the museum for a complete listing of property to which the museum is asserting title.

Effective date July 19, 2024.

51-705 Acquisition of title to undocumented property; when.

Subject to any existing security interest in the property, a museum may acquire title to undocumented property held by the museum for at least seven years as follows:

(1) The museum must give notice as provided in subsection (3) of section 51-703 that the museum is asserting title to the undocumented property; and

(2) If a claimant or lender does not respond to such notice within one year by giving a written notice of intent to retain an interest in the property on loan, the museum's title to the property becomes absolute.

Effective date July 19, 2024.

51-708 Limitation of actions; liability.

(1) An action shall not be brought against a museum for damages because of injury to or loss of property loaned to the museum more than one year from the date the museum gives the lender or claimant notice of the injury or loss or ten years from the date of the injury or loss, whichever occurs earlier.

(2) An action shall not be brought against a museum to recover property on loan more than one year after the date the museum gives the lender or claimant notice of its intent to terminate the loan or notice of acquisition of title to undocumented property.

(3) An action shall not be brought against a museum to recover property on loan more than one year from the date of the last written contact between the lender or claimant and the museum as evidenced by the museum's records.

(4) A lender or claimant is considered to have donated loaned property to the museum if the lender fails to file an action to recover the property on loan to the museum within the time periods specified in subsections (1) through (3) of this section.

(5) Notwithstanding subsections (3) and (4) of this section, a lender or claimant who was not given notice as provided in the Museum Property Act that the museum intended to terminate a loan as provided in section 51-704 and who proves that the museum received an adequate notice of intent to preserve an interest in loaned property, which satisfies all of the requirements of section 51-706, within the seven years immediately preceding the filing of an action to recover the property, may recover the property or, if the property has been disposed of, the reasonable value of the property at the time it was disposed of plus interest at the legal rate.

(6) A museum is not liable at any time, in the absence of a court order, for returning property to the original lender even if a claimant other than the lender has filed a notice of intent to preserve an interest in property. If a person claims competing interests in property in the possession of a museum, the burden is upon the claimant to prove the interest in an action in equity initiated by a claimant. A museum is not liable at any time for returning property to an

uncontested claimant who produced reasonable proof of ownership or the existence of a security interest pursuant to section 51-706.

Effective date July 19, 2024.

51-709 Obligations to lender or claimant.

In order to take title pursuant to the Museum Property Act, a museum has the following obligations to a lender or claimant:

(1) The museum shall retain all written records regarding the property for at least twenty-five years after the date of taking title pursuant to the act;

(2) The museum shall keep written records on all loaned property acquired pursuant to section 51-704. Records shall contain the following information:

(a) The lender's name, address, and telephone number;

(b) The claimant's name, address, and telephone number;

(c) The nature and terms of the loan; and

(d) The beginning date of the loan period, if known; and

(3) The museum is responsible for notifying a lender or claimant of the museum's change of address or dissolution.

CHAPTER 52
LIENS

Article.
4. Lien of Physician, Nurse, or Hospital. 52-401.

ARTICLE 4
LIEN OF PHYSICIAN, NURSE, OR HOSPITAL

Section
52-401. Lien; scope and operation; exception; reduction, when; claim of lien; notice; priority of claims; access to records.

52-401 Lien; scope and operation; exception; reduction, when; claim of lien; notice; priority of claims; access to records.

(1) Whenever any person employs a physician, nurse, chiropractor, hospital, or provider of emergency medical service to perform professional services of any nature, in the treatment of or in connection with an injury, and such injured person claims damages from the party causing the injury, such physician, nurse, chiropractor, hospital, or provider of emergency medical service, shall have a lien upon any sum awarded the injured person in judgment or obtained by settlement or compromise on the amount due for the usual and customary charges of such physician, nurse, chiropractor, hospital, or provider of emergency medical service applicable at the time services are performed, except that no such lien shall be valid against anyone covered under the Nebraska Workers' Compensation Act. For persons covered under private medical insurance or another private health benefit plan, the amount of the lien shall be reduced by the contracted discount or other limitation which would have been applied had the claim been submitted for reimbursement to the medical insurer or administrator of such other health benefit plan. The measure of damages for medical expenses in personal injury claims shall be the private party rate, not the discounted amount.

(2) In order to prosecute such lien, it shall be necessary for such physician, nurse, chiropractor, hospital, or provider of emergency medical service to serve a written notice upon the person or corporation from whom damages are claimed that such physician, nurse, chiropractor, hospital, or provider of emergency medical service claims a lien for such services and stating the amount due and the nature of such services, except that whenever an action is pending in court for the recovery of such damages, it shall be sufficient to file the notice of such lien in the pending action.

(3) A physician, nurse, chiropractor, hospital, or provider of emergency medical service claiming a lien under this section shall not be liable for attorney's fees and costs incurred by the injured person in securing the judgment, settlement, or compromise, but the lien of the injured person's attorney shall have precedence over the lien created by this section.

(4) Upon a written request and with the injured person's consent, a lienholder shall provide medical records, answers to interrogatories, depositions, or any

expert medical testimony related to the recovery of damages within its custody and control at a reasonable charge to the injured person.

(5) For purposes of this section, provider of emergency medical service means a public entity that provides emergency medical service as defined in section 38-1207.

Source: Laws 2023, LB376, § 3.

53-103.51 Primary source of supply in the United States, defined.

(1) Primary source of supply in the United States means:

(a) The manufacturer, producer, or owner of any alcoholic liquor at the time it becomes a marketable product in the United States;

(b) The bottler of any alcoholic liquor in the United States;

(c) The exclusive agent within the United States or any of the states of any manufacturer, producer, owner, or bottler of any alcoholic liquor outside the United States; or

(d) A licensed Nebraska craft brewery, farm winery, microdistillery, or manufacturer.

(2) To be the primary source of supply in the United States, the licensee causing such alcoholic liquor to be imported into Nebraska must be the first source, such as the manufacturer or the source closest to the manufacturer, in the channel of commerce from which the product can be secured by Nebraska licensed wholesalers.

(c) NEBRASKA LIQUOR CONTROL COMMISSION; GENERAL POWERS

53-117.06 Nebraska Liquor Control Commission Rule and Regulation Cash Fund; created; use; investment.

Any money collected by the commission pursuant to section 53-117.05, 53-165.01, or 53-167.02 shall be credited to the Nebraska Liquor Control Commission Rule and Regulation Cash Fund, which fund is hereby created. The purpose of the fund shall be to cover any administrative costs, including salary and benefits, incurred by the commission in producing or distributing the material referred to in such sections and to defray the costs associated with electronic regulatory transactions, industry education events, enforcement training, and equipment for regulatory work. Transfers may be made from the fund to the General Fund at the direction of the Legislature. Any money in the Nebraska Liquor Control Commission Rule and Regulation Cash Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(d) LICENSES; ISSUANCE AND REVOCATION

53-121 License; delivery; method.

When delivering any type of license under the Nebraska Liquor Control Act to a licensee, the commission may use mail or electronic delivery.

Source: Laws 2022, LB1204, § 2.

53-123.01 Manufacturer's license; rights of licensee; craft brewery license holder; when required to obtain manufacturer's license; rights of holder.

(1) A manufacturer's license shall allow the manufacture, storage, and sale of alcoholic liquor to wholesale licensees in this state and to such persons outside the state as may be permitted by law, except that nothing in the Nebraska Liquor Control Act shall prohibit a manufacturer of beer from distributing tax-paid samples of beer at the premises of a licensed manufacturer for consumption on the premises. A manufacturer's license issued pursuant to this section shall be the only license required by the Nebraska Liquor Control Act for the manufacture and retail sale of beer manufactured on the licensed premises for consumption on the licensed premises.

(2)(a) A licensee who or which first obtains a craft brewery license pursuant to section 53-123.14, holds such license for not less than three years, and operates a brewpub or microbrewery on the licensed premises of such craft brewery license shall obtain a manufacturer's license when the manufacture of beer on the licensed premises exceeds twenty thousand barrels per year. The manufacturer's license shall authorize the continued retail sale of beer for consumption on or off the premises but only to the extent the premises were

previously licensed as a craft brewery. The sale of any beer other than beer manufactured by the licensee, wine, or alcoholic liquor for consumption on the licensed premises shall require the appropriate retail license. The holder of such manufacturer's license may continue to operate up to five retail locations which are in operation at the time such manufacturer's license is issued and shall divest itself from retail locations in excess of five locations. The licensee shall not begin operation at any new retail location even if the licensee's production is reduced below twenty thousand barrels per year.

(b) The holder of such manufacturer's license may obtain an annual catering license pursuant to section 53-124.12, a special designated license pursuant to section 53-124.11, or an entertainment district license pursuant to section 53-123.17.

(3) A holder of a manufacturer's license to manufacture spirits may operate a rickhouse that meets the requirements for a distilled spirit plant pursuant to 26 U.S.C. 5178, as such section existed on January 1, 2024, if such manufacturer receives authorization from the commission and notifies the commission of the location of such rickhouse in a manner prescribed by the commission.

53-123.11 Farm winery license; rights of licensee; removal of unsealed bottle of wine; conditions; sales for consumption off the premises; conditions; notice to commission, required.

(1) A farm winery license shall entitle the holder to:

(a) Sell wines produced at the farm winery onsite at wholesale and retail and to sell wines produced at the farm winery at off-premises sites holding the appropriate retail license;

(b) Sell wines produced at the farm winery at retail for consumption on the premises as designated pursuant to section 53-123.12;

(c) Permit a customer to remove one unsealed bottle of wine for consumption off the premises. The licensee or his or her agent shall (i) securely reseal such bottle and place the bottle in a bag designed so that it is visibly apparent that the resealed bottle of wine has not been opened or tampered with and (ii) provide a dated receipt to the customer and attach to such bag a copy of the dated receipt for the resealed bottle of wine. If the resealed bottle of wine is transported in a motor vehicle, it must be placed in the trunk of the motor vehicle or the area behind the last upright seat of such motor vehicle if the area is not normally occupied by the driver or a passenger and the motor vehicle is not equipped with a trunk;

(d) Ship wines produced at the farm winery by common carrier and sold at retail to recipients in and outside the State of Nebraska, if the output of such farm winery for each calendar year as reported to the commission by December 31 of each year does not exceed thirty thousand gallons. In the event such amount exceeds thirty thousand gallons, the farm winery shall be required to use a licensed wholesaler to distribute its wines for the following calendar year,

except that this requirement shall not apply to wines produced and sold onsite at the farm winery pursuant to subdivision (1)(a) of this section;

(e) Allow sampling and sale of the wine at the farm winery and at four branch outlets in the state in reasonable amounts;

(f) Sell wines produced at the farm winery to other Nebraska farm winery licensees, in bulk, bottled, labeled, or unlabeled, in accordance with 27 C.F.R. 24.308, 27 C.F.R. 24.309, and 27 C.F.R. 24.314, as such regulations existed on January 1, 2008;

(g) Purchase distilled spirits from licensed microdistilleries in Nebraska, in bulk or bottled, made entirely from Nebraska-licensed farm winery wine to be used in the production of fortified wine at the purchasing licensed farm winery;

(h) Store and warehouse products produced at the farm winery in a designated, secure, offsite storage facility if the holder of the farm winery license notifies the commission of the location of the facility and maintains, at the farm winery and at the facility, a separate perpetual inventory of the product stored at the facility. Consumption of alcoholic liquor at the facility is strictly prohibited; and

(i) Sell alcoholic liquor authorized under a farm winery license not in its original package, such as sangria or wine slushies, to a person twenty-one years of age or older for consumption off the premises if (i) the alcoholic liquor is (A) not partially consumed and (B) in a labeled and sealed container with a tamper-evident lid, cap, or seal, as approved by the commission, and (ii) for alcoholic liquor transported in a motor vehicle, the alcoholic liquor is placed in the trunk of the motor vehicle or the area behind the last upright seat of such motor vehicle if the area is not normally occupied by the driver or a passenger and the motor vehicle is not equipped with a trunk. A farm winery which sells alcoholic liquor authorized under a farm winery license not in its original package for consumption off the premises shall provide notice to the commission during a farm winery licensee's initial licensure or at the time of the annual renewal of such license regarding such sales.

(2) No farm winery shall manufacture wine in excess of fifty thousand gallons per year.

(3) A farm winery may manufacture and sell hard cider on its licensed premises. A farm winery shall not otherwise distribute the hard cider it manufactures except by sale to a wholesaler licensed under the Nebraska Liquor Control Act.

(4) A holder of a farm winery license may sell beer or other alcoholic liquor not produced by the farm winery at retail for consumption on the premises if the holder is also issued the appropriate retail license for such sales at such location.

(5) A holder of a farm winery license may obtain a special designated license pursuant to section 53-124.11.

(6) A holder of a farm winery license may obtain an annual catering license pursuant to section 53-124.12.

(7) A holder of a farm winery license may obtain a promotional farmers market special designated license pursuant to section 53-124.16.

53-123.12 Farm winery license; application requirements; renewal; fees; licensed premises; temporary expansion; procedure.

(1) Any person desiring to obtain a new license to operate a farm winery shall:

(a) File an application with the commission upon such forms as the commission from time to time prescribes;

(b) Pay the license fee to the commission under sections 53-124 and 53-124.01, which fee shall be returned to the applicant if the application is denied; and

(c) Pay the nonrefundable application fee to the commission in the sum of four hundred dollars.

(2) To renew a farm winery license, a farm winery licensee shall file an application with the commission, pay the license fee under sections 53-124 and 53-124.01, and pay the renewal fee of forty-five dollars.

(3) License fees, application fees, and renewal fees may be paid to the commission by certified or cashier's check of a bank within this state, personal or business check, United States post office money order, or cash in the full amount of such fees.

(4) For a new license, the commission shall then notify the municipal clerk of the city or incorporated village where such license is sought or, if the license is not sought within a city or incorporated village, the county clerk of the county where such license is sought of the receipt of the application and shall include with such notice one copy of the application. No such license shall then be issued by the commission until the expiration of at least forty-five days from the date of receipt by mail or electronic delivery of such application from the commission. Within thirty-five days from the date of receipt of such application from the commission, the local governing bodies of nearby cities or villages or the county may make and submit to the commission recommendations relative to the granting of or refusal to grant such license to the applicant.

(5)(a) A farm winery licensee may apply to the local governing body for a temporary expansion of the licensed premises to an immediately adjacent area owned or leased by the licensee or to an immediately adjacent street, parking lot, or alley, not to exceed fifty days for calendar year 2020 and, for each calendar year thereafter, not to exceed fifteen days per calendar year. The temporary area shall comply with the Nebraska Liquor Control Act for consumption on the premises and shall be subject to the following conditions: (i) The temporary area shall be enclosed during the temporary expansion by a temporary fence or other means approved by the county, city, or village; (ii) the temporary area shall have easily identifiable entrances and exits; and (iii) the licensee shall ensure that the area meets all sanitation requirements for a licensed premises. The local governing body shall electronically notify the commission within five days after the authorization of any temporary expansion pursuant to this subsection.

(b) The licensee shall file an application with the local governing body which shall contain (i) the name of the applicant, (ii) the premises for which a

temporary expansion is requested, identified by street and number if practicable and, if not, by some other appropriate description which definitely locates the premises, (iii) the name of the owner or lessee of the premises for which the temporary expansion is requested, (iv) sufficient evidence that the licensee will carry on the activities and business authorized by the license for himself, herself, or itself and not as the agent of any other person, group, organization, or corporation, for profit or not for profit, (v) a statement of the type of activity to be carried on during the time period for which a temporary expansion is requested, and (vi) sufficient evidence that the temporary expansion will be supervised by persons or managers who are agents of and directly responsible to the licensee.

(c) No temporary expansion provided for by this subsection shall be granted without the approval of the local governing body. The local governing body may establish criteria for approving or denying a temporary expansion. The local governing body may designate an agent to determine whether a temporary expansion is to be approved or denied. Such agent shall follow criteria established by the local governing body in making the determination. The determination of the agent shall be considered the determination of the local governing body unless otherwise provided by the local governing body.

(d) For purposes of this section, the local governing body shall be that of the city or village within which the premises for which the temporary expansion is requested are located or, if such premises are not within the corporate limits of a city or village, then the local governing body shall be that of the county within which the premises for which the temporary expansion is requested are located.

(e) The decision of the local governing body shall be final. If the applicant does not qualify for a temporary expansion, the temporary expansion shall be denied by the local governing body.

(f) The city, village, or county clerk shall deliver confirmation of the temporary expansion to the licensee upon receipt of any fee or tax imposed by such city, village, or county.

53-123.14 Craft brewery license; rights of licensee; self-distribution; conditions.

(1) Any person who operates a craft brewery shall obtain a license pursuant to the Nebraska Liquor Control Act. A license to operate a craft brewery shall permit the production of a maximum of twenty thousand barrels of beer per year in the aggregate from all physical locations comprising the licensed premises. A craft brewery may also sell to beer wholesalers for sale and distribution to licensed retailers. A craft brewery license issued pursuant to this section shall be the only license required by the Nebraska Liquor Control Act for the manufacture and retail sale of beer for consumption on or off the licensed premises, except that the sale of any beer other than beer manufactured by the craft brewery licensee, wine, or alcoholic liquor by the drink for consumption on the licensed premises shall require the appropriate retail license. Any license held by the operator of a craft brewery shall be subject to

the act. A holder of a craft brewery license may obtain an annual catering license pursuant to section 53-124.12, a special designated license pursuant to section 53-124.11, an entertainment district license pursuant to section 53-123.17, or a promotional farmers market special designated license pursuant to section 53-124.16. For purposes of this section, licensed premises may include up to five separate physical locations.

(2)(a) A holder of a craft brewery license may directly sell for resale up to two hundred fifty barrels per calendar year of beer produced at its licensed premises directly to retail licensees located in the State of Nebraska which hold the appropriate retail license if the holder of the craft brewery license:

(i) Only self-distributes its beer in a territory in which the craft brewery licensee has not entered into a distribution agreement with a licensed Nebraska wholesaler for the territory where such retail licensee is located;

(ii) Self-distributes its beer utilizing only persons exclusively and solely employed by the craft brewery licensee in vehicles exclusively and solely owned or leased by the craft brewery licensee; and

(iii) Complies with all relevant statutes, rules, and regulations that apply to Nebraska beer wholesalers regarding distribution of such beer.

(b) A holder of a craft brewery license self-distributing beer in accordance with subdivision (2)(a) of this section may only self-distribute beer brewed at its licensed brewery premises and shall not distribute beer produced by any other licensee.

(3) A holder of a craft brewery license may store and warehouse tax-paid products produced on such licensee's licensed premises in a designated, secure, offsite storage facility if the holder of the craft brewery license receives authorization from the commission and notifies the commission of the location of the storage facility and maintains, at the craft brewery and at the storage facility, a separate perpetual inventory of the product stored at the storage facility. Consumption of alcoholic liquor at the storage facility is strictly prohibited.

(4) The commission may adopt and promulgate rules and regulations pertaining to distribution rights of craft brewery licensees.

53-123.16 Microdistillery license; rights of licensee.

(1) Any person who operates a microdistillery shall obtain a license pursuant to the Nebraska Liquor Control Act. A license to operate a microdistillery shall permit the licensee to produce a maximum of one hundred thousand gallons of liquor per year in the aggregate from all physical locations comprising the licensed premises. For purposes of this section, licensed premises may include up to five separate physical locations. A microdistillery may also sell to licensed wholesalers for sale and distribution to licensed retailers. A microdistillery license issued pursuant to this section shall be the only license required by the Nebraska Liquor Control Act for the manufacture and retail sale of microdistilled product for consumption on or off the licensed premises, except that the sale of any beer, wine, or alcoholic liquor, other than microdistilled product

manufactured by the microdistillery licensee, by the drink for consumption on the microdistillery premises shall require the appropriate retail license. Any license held by the operator of a microdistillery shall be subject to the act. A holder of a microdistillery license may obtain an annual catering license pursuant to section 53-124.12, a special designated license pursuant to section 53-124.11, an entertainment district license pursuant to section 53-123.17, or a promotional farmers market special designated license pursuant to section 53-124.16. The commission may, upon the conditions it determines, grant to any microdistillery licensed under this section a special license authorizing the microdistillery to purchase and to import, from such persons as are entitled to sell the same, wines or spirits to be used solely as ingredients and for the sole purpose of blending with and flavoring microdistillery products as a part of the microdistillation process.

(2) A holder of a microdistillery license may directly sell for resale up to five hundred gallons per calendar year of microdistilled products produced at its licensed premises directly to retail licensees located in the State of Nebraska which hold the appropriate retail license if the holder of the microdistillery license:

(a) Self-distributes its microdistilled products utilizing only persons employed by the microdistillery licensee; and

(b) Complies with all relevant statutes, rules, and regulations that apply to Nebraska wholesalers regarding distribution of microdistilled products.

(3) A holder of a microdistillery license may store and warehouse tax-paid products produced on such licensee's licensed premises in a designated, secure, offsite storage facility if the holder of the microdistillery license receives authorization from the commission and notifies the commission of the location of the storage facility and maintains, at the microdistillery and at the storage facility, a separate perpetual inventory of the product stored at the storage facility. Consumption of alcoholic liquor at the storage facility is strictly prohibited.

(4) A holder of a microdistillery license may operate a rickhouse that meets the requirements for a distilled spirit plant pursuant to 26 U.S.C. 5178, as such section existed on January 1, 2024, if such licensee receives authorization from the commission and notifies the commission of the location of such rickhouse in a manner prescribed by the commission.

(5) The commission may adopt and promulgate rules and regulations relating to the distribution rights of microdistillery licensees.

53-124.11 Special designated license; issuance; procedure; fee.

(1) The commission may issue a special designated license for sale or consumption of alcoholic liquor at a designated location to a retail licensee, a craft brewery licensee, a microdistillery licensee, a farm winery licensee, the holder of a manufacturer's license issued pursuant to subsection (2) of section 53-123.01, a municipal corporation, a fine arts museum incorporated as a nonprofit corporation, a religious nonprofit corporation which has been ex-

empted from the payment of federal income taxes, a political organization which has been exempted from the payment of federal income taxes, or any other nonprofit corporation the purpose of which is fraternal, charitable, or public service and which has been exempted from the payment of federal income taxes, under conditions specified in this section. The applicant shall demonstrate meeting the requirements of this subsection.

(2)(a) No retail licensee, craft brewery licensee, microdistillery licensee, farm winery licensee, holder of a manufacturer's license issued pursuant to subsection (2) of section 53-123.01, organization, or corporation enumerated in subsection (1) of this section may be issued a special designated license under this section for more than six calendar days in any one calendar year, except that a nonprofit corporation, the purpose of which is fraternal, charitable, or public service and which has been exempted from the payment of federal income taxes, may be issued a special designated license for up to twelve calendar days in any one calendar year. Only one special designated license shall be required for any application for two or more consecutive days.

(b) A municipal corporation, a fine arts museum incorporated as a nonprofit corporation, a religious nonprofit corporation which has been exempted from the payment of federal income taxes, a political organization which has been exempted from the payment of federal income taxes, or any other nonprofit corporation, the purpose of which is fraternal, charitable, or public service and which has been exempted from the payment of federal income taxes, may apply for special designated licenses for the same location in a single application. The application shall include all dates and times for which a special designated license is being requested at such location.

(c) This subsection shall not apply to any holder of a catering license.

(3) Except for any special designated license issued to a holder of a catering license or to an organization or corporation as provided in subdivision (2)(b) of this section, there shall be a fee of forty dollars for each day identified in the special designated license. For a special designated license issued to an organization or corporation as provided in subdivision (2)(b) of this section, there shall be a fee of forty dollars for the initial special designated license and ten dollars for each additional day beyond the first at the same location in such application. Such fee shall be submitted with the application for the special designated license, collected by the commission, and remitted to the State Treasurer for credit to the General Fund. The applicant shall be exempt from the provisions of the Nebraska Liquor Control Act requiring an application or renewal fee and the provisions of the act requiring the expiration of forty-five days from the time the application is received by the commission prior to the issuance of a license, if granted by the commission. The retail licensees, craft brewery licensees, microdistillery licensees, farm winery licensees, holders of manufacturer's licenses issued pursuant to subsection (2) of section 53-123.01, municipal corporations, organizations, and nonprofit corporations enumerated in subsection (1) of this section seeking a special designated license shall file an application on such forms as the commission may prescribe. Such forms shall contain, along with other information as required by the commission, (a) the name of the applicant, (b) the premises for which a special designated license is requested, identified by street and number if practicable and, if not, by some other appropriate description which definitely locates the premises, (c) the name of the owner or lessee of the premises for which the special designated license is requested, (d) sufficient evidence that the holder of the special

designated license, if issued, will carry on the activities and business authorized by the license for himself, herself, or itself and not as the agent of any other person, group, organization, or corporation, for profit or not for profit, (e) a statement of the type of activity to be carried on during the time period for which a special designated license is requested, and (f) sufficient evidence that the activity will be supervised by persons or managers who are agents of and directly responsible to the holder of the special designated license.

(4) No special designated license provided for by this section shall be issued by the commission without the approval of the local governing body. The local governing body may establish criteria for approving or denying a special designated license. The local governing body may designate an agent to determine whether a special designated license is to be approved or denied. Such agent shall follow criteria established by the local governing body in making his or her determination. The determination of the agent shall be considered the determination of the local governing body unless otherwise provided by the local governing body. For purposes of this section, the local governing body shall be the city or village within which the premises for which the special designated license is requested are located or, if such premises are not within the corporate limits of a city or village, then the local governing body shall be the county within which the premises for which the special designated license is requested are located.

(5) If the applicant meets the requirements of this section, a special designated license shall be granted and issued by the commission for use by the holder of the special designated license. All statutory provisions and rules and regulations of the commission that apply to a retail licensee shall apply to the holder of a special designated license with the exception of such statutory provisions and rules and regulations of the commission so designated by the commission and stated upon the issued special designated license, except that the commission may not designate exemption of sections 53-180 to 53-180.07. The decision of the commission shall be final. If the applicant does not qualify for a special designated license, the application shall be denied by the commission.

(6) A special designated license issued by the commission shall be mailed or delivered electronically to the city, village, or county clerk who shall deliver such license to the licensee upon receipt of any fee or tax imposed by such city, village, or county.

53-124.12 Annual catering license; issuance; procedure; fee; occupation tax.

(1) The holder of a license to sell alcoholic liquor at retail issued under subsection (6) of section 53-124, a craft brewery license, a microdistillery license, a farm winery license, or a manufacturer's license issued under subsection (2) of section 53-123.01 may obtain an annual catering license as prescribed in this section. The catering license shall be issued for the same period and may be renewed in the same manner as the retail license, craft

brewery license, microdistillery license, farm winery license, or manufacturer's license.

(2) Any person desiring to obtain a catering license shall file with the commission:

(a) An application upon such forms as the commission prescribes; and

(b) A license fee of one hundred dollars payable to the commission, which fee shall be returned to the applicant if the application is denied.

(3) When an application for a catering license is filed, the commission shall notify the clerk of the city or incorporated village in which such applicant is located or, if the applicant is not located within a city or incorporated village, the county clerk of the county in which such applicant is located, of the receipt of the application. The commission shall include with such notice one copy of the application by mail or electronic delivery. The local governing body and the commission shall process the application in the same manner as provided in section 53-132.

(4) The local governing body with respect to catering licensees within its liquor license jurisdiction as provided in subsection (5) of this section may cancel a catering license for cause for the remainder of the period for which such catering license is issued. Any person whose catering license is canceled may appeal to the district court of the county in which the local governing body is located.

(5) For purposes of this section, local governing body means (a) the governing body of the city or village in which the catering licensee is located or (b) if such licensee is not located within a city or village, the governing body of the county in which such licensee is located.

(6) The local governing body may impose an occupation tax on the business of a catering licensee doing business within the liquor license jurisdiction of the local governing body as provided in subsection (5) of this section. Such tax may not exceed double the license fee to be paid under this section.

53-129 Retail, bottle club, craft brewery, and microdistillery licenses; premises to which applicable; temporary expansion; procedure.

(1) Except as otherwise provided in subsection (3) of this section, retail, bottle club, craft brewery, and microdistillery licenses issued under the Nebraska Liquor Control Act apply only to that part of the premises described in the application approved by the commission and in the license issued on the application. For retail and bottle club licenses, only one location shall be described in each license. For craft brewery and microdistillery licenses, up to five separate physical locations may be described in each license.

(2) After such license has been granted for the particular premises, the commission, with the approval of the local governing body and upon proper showing, may endorse upon the license permission to add to, delete from, or abandon the premises described in such license and, if applicable, to move from the premises to other premises approved by the local governing body. In

order to obtain such approval, the retail, bottle club, craft brewery, or microdistillery licensee shall file with the local governing body a request in writing and a statement under oath which shows that the premises, as added to or deleted from or to which such move is to be made, comply in all respects with the requirements of the act. No such addition, deletion, or move shall be made by any such licensee until the license has been endorsed to that effect in writing by the local governing body and by the commission and the licensee furnishes proof of payment of the renewal fee prescribed in subsection (4) of section 53-131.

(3)(a) A retail, bottle club, craft brewery, or microdistillery licensee may apply to the local governing body for a temporary expansion of its licensed premises to an immediately adjacent area owned or leased by the licensee or to an immediately adjacent street, parking lot, or alley, not to exceed fifty days for calendar year 2020 and, for each calendar year thereafter, not to exceed fifteen days per calendar year. The temporary area shall otherwise comply with all requirements of the Nebraska Liquor Control Act.

(b) The licensee shall file an application with the local governing body which shall contain (i) the name of the applicant, (ii) the premises for which a temporary expansion is requested, identified by street and number if practicable and, if not, by some other appropriate description which definitely locates the premises, (iii) the name of the owner or lessee of the premises for which the temporary expansion is requested, (iv) sufficient evidence that the licensee will carry on the activities and business authorized by the license for himself, herself, or itself and not as the agent of any other person, group, organization, or corporation, for profit or not for profit, (v) a statement of the type of activity to be carried on during the time period for which a temporary expansion is requested, and (vi) sufficient evidence that the temporary expansion will be supervised by persons or managers who are agents of and directly responsible to the licensee.

(c) No temporary expansion provided for by this subsection shall be granted without the approval of the local governing body. The local governing body may establish criteria for approving or denying a temporary expansion. The local governing body may designate an agent to determine whether a temporary expansion is to be approved or denied. Such agent shall follow criteria established by the local governing body in making the determination. The determination of the agent shall be considered the determination of the local governing body unless otherwise provided by the local governing body.

(d) For purposes of this section, the local governing body shall be that of the city or village within which the premises for which the temporary expansion is requested are located or, if such premises are not within the corporate limits of a city or village, then the local governing body shall be that of the county within which the premises for which the temporary expansion is requested are located.

(e) The decision of the local governing body shall be final. If the applicant does not qualify for a temporary expansion, the temporary expansion shall be denied by the local governing body.

(f) The city, village, or county clerk shall deliver confirmation of the temporary expansion to the licensee upon receipt of any fee or tax imposed by such city, village, or county.

53-131.01 License; application; form; contents; criminal history record check; false statement; penalty.

(1) The application for a new license shall be submitted upon such forms as the commission may prescribe. Such forms shall contain (a) the name and residence of the applicant and how long he or she has resided within the State of Nebraska, (b) the particular premises for which a license is desired designating the same by street and number if practicable or, if not, by such other description as definitely locates the premises, (c) the name of the owner of the premises upon which the business licensed is to be carried on, (d) a statement that the applicant is a resident of Nebraska and legally able to work in Nebraska, that the applicant and the spouse of the applicant are not less than twenty-one years of age, and that such applicant has never been convicted of or pleaded guilty to a felony or been adjudged guilty of violating the laws governing the sale of alcoholic liquor or the law for the prevention of gambling in the State of Nebraska, except that a manager for a corporation applying for a license shall qualify with all provisions of this subdivision as though the manager were the applicant, except that the provisions of this subdivision shall not apply to the spouse of a manager-applicant, (e) a statement that the applicant intends to carry on the business authorized by the license for himself or herself and not as the agent of any other persons and that if licensed he or she will carry on such business for himself or herself and not as the agent for any other person, (f) a statement that the applicant intends to superintend in person the management of the business licensed and that if so licensed he or she will superintend in person the management of the business, and (g) such other information as the commission may from time to time direct. The applicant shall also submit two legible sets of fingerprints to be furnished to the Federal Bureau of Investigation through the Nebraska State Patrol for a national criminal history record check and the fee for such record check payable to the patrol.

(2) If any false statement is made in any part of such application, the applicant or applicants shall be deemed guilty of perjury, and upon conviction thereof the license shall be revoked and the applicant subjected to the penalties provided by law for that crime.

53-132 Retail, bottle club, craft brewery, or microdistillery license; commission; duties.

(1) If no hearing is required pursuant to subdivision (1)(a) or (b) of section 53-133 and the commission has no objections pursuant to subdivision (1)(c) of

such section, the commission may waive the forty-five-day objection period and, if not otherwise prohibited by law, cause a retail license, bottle club license, craft brewery license, or microdistillery license to be signed by its chairperson, attested by its executive director over the seal of the commission, and issued in the manner provided in subsection (4) of this section as a matter of course.

(2) A retail license, bottle club license, craft brewery license, or microdistillery license may be issued to any qualified applicant if the commission finds that (a) the applicant is fit, willing, and able to properly provide the service proposed within the city, village, or county where the premises described in the application are located, (b) the applicant can conform to all provisions and requirements of and rules and regulations adopted pursuant to the Nebraska Liquor Control Act, (c) the applicant has demonstrated that the type of management and control to be exercised over the premises described in the application will be sufficient to insure that the licensed business can conform to all provisions and requirements of and rules and regulations adopted pursuant to the act, and (d) the issuance of the license is or will be required by the present or future public convenience and necessity.

(3) In making its determination pursuant to subsection (2) of this section the commission shall consider:

(a) The recommendation of the local governing body;

(b) The existence of a citizens' protest made in accordance with section 53-133;

(c) The existing population of the city, village, or county and its projected growth;

(d) The nature of the neighborhood or community of the location of the proposed licensed premises;

(e) The existence or absence of other retail licenses, bottle club licenses, craft brewery licenses, or microdistillery licenses with similar privileges within the neighborhood or community of the location of the proposed licensed premises and whether, as evidenced by substantive, corroborative documentation, the issuance of such license would result in or add to an undue concentration of licenses with similar privileges and, as a result, require the use of additional law enforcement resources;

(f) The existing motor vehicle and pedestrian traffic flow in the vicinity of the proposed licensed premises;

(g) The adequacy of existing law enforcement;

(h) Zoning restrictions;

(i) The sanitation or sanitary conditions on or about the proposed licensed premises; and

(j) Whether the type of business or activity proposed to be operated in conjunction with the proposed license is and will be consistent with the public interest.

(4) Retail licenses, bottle club licenses, craft brewery licenses, or microdistillery licenses issued or renewed by the commission shall be mailed or delivered electronically to:

(a) The clerk of the city, village, or county who shall deliver the same to the licensee upon receipt from the licensee of proof of payment of (i) the license fee if by the terms of subsection (6) of section 53-124 the fee is payable to the

treasurer of such city, village, or county, (ii) any fee for publication of notice of hearing before the local governing body upon the application for the license, (iii) the fee for publication of notice of renewal as provided in section 53-135.01, and (iv) occupation taxes, if any, imposed by such city, village, or county except as otherwise provided in subsection (7) of this section; or

(b) The licensee, upon confirmation from the clerk of the city, village, or county that the necessary fees and taxes described in subdivision (4)(a) of this section have been received by the clerk of such city, village, or county.

(5) Notwithstanding any ordinance or charter power to the contrary, no city, village, or county shall impose an occupation tax on the business of any person, firm, or corporation licensed under the act and doing business within the corporate limits of such city or village or within the boundaries of such county in any sum which exceeds two times the amount of the license fee required to be paid under the act to obtain such license.

(6) Each license shall designate the name of the licensee, the place of business licensed, and the type of license issued.

(7) Class J retail licensees shall not be subject to occupation taxes under subsection (4) of this section.

53-135 Retail or bottle club licenses; automatic renewal; conditions.

A retail or bottle club license issued by the commission and outstanding may be automatically renewed by the commission without formal application upon payment of the renewal fee and license fee if payable to the commission prior to or within thirty days after the expiration of the license. The payment shall be an affirmative representation and certification by the licensee that all answers contained in an application, if submitted, would be the same in all material respects as the answers contained in the last previous application. The commission may at any time require a licensee to submit an application, and the commission shall at any time require a licensee to submit an application if requested in writing to do so by the local governing body.

If a licensee files an application form upon seeking renewal of his or her license, the application shall be processed as set forth in section 53-131.

53-148.01 Retail or bottle club licensee; warning sign; commission; duties.

Any retail or bottle club licensee shall post in a conspicuous place a sign which clearly reads as follows: Warning: Drinking alcoholic beverages during pregnancy can cause birth defects. The commission shall prescribe the form of such warning sign and shall make such warning signs available to all retail and bottle club licensees. Warning signs may be provided electronically by the commission to the licensee.

(g) OPERATIONAL REQUIREMENTS FOR MANUFACTURERS, WHOLESALERS, AND SHIPPERS

53-165.01 Primary source of supply in the United States; report by licensed manufacturer, licensed wholesaler, or holder of a shipping license; fee.

(1)(a) Beginning July 1, 2024, prior to the sale or shipment of any alcoholic liquor into the State of Nebraska, each licensed manufacturer, licensed wholesaler, or holder of a shipping license shall submit to the commission, along with any applicable fee set by the commission not to exceed thirty dollars, a report on a form prescribed and furnished by the commission, which shall include:

(i) The licensee's name and license number;

(ii) The designated Nebraska licensed wholesaler for such product, if applicable;

(iii) The name of the primary source of supply in the United States;

(iv) The products to be imported, including the brand name, class or type of product, and fanciful name if applicable;

(v) Evidence of compliance with federal label requirements pursuant to the Federal Alcohol Administration Act, 27 U.S.C. chapter 8, and rules and regulations adopted pursuant to such act, as such act and regulations existed on January 1, 2023, or a sample of the actual label if federal approval is not required; and

(vi) Any other information the commission may require related to such sale or shipment.

(b) If the licensed manufacturer, licensed wholesaler, or holder of a shipping license is not the product manufacturer, such licensee shall also include with such form a separate letter from the product manufacturer designating such licensee as the primary source of supply in the United States or the sole source of supply in Nebraska. A separate letter is required for each primary source.

(2) If the primary source of supply in the United States for such alcoholic liquor changes, the new licensed manufacturer, licensed wholesaler, or holder of a shipping license importing such alcoholic liquor shall submit the information required pursuant to subsection (1) of this section at least thirty days prior to the shipment of such alcoholic liquor into this state. The licensed manufacturer, licensed wholesaler, or holder of a shipping license shall also remit to the

commission any applicable fee set by the commission not to exceed thirty dollars.

(3) Nothing in this section shall restrict or prohibit the importation of alcoholic liquor to a Nebraska licensed wholesaler from an affiliated wholesaler if (a) the report required by this section has previously been submitted for the alcoholic liquor product being imported, (b) the report designates the Nebraska licensed wholesaler for such product, and (c) the product was obtained by the affiliated wholesaler from the same primary source of supply identified on the report.

(4) The commission shall remit any fees collected pursuant to this section to the State Treasurer for credit to the Nebraska Liquor Control Commission Rule and Regulation Cash Fund.

(5) The commission may adopt and promulgate rules and regulations to carry out this section.

53-165.02 Channel pricing and discounts; use by wholesaler; conditions.

(1) For purposes of this section, alcoholic product means a particular brand of alcoholic liquor in a designated size container or a mix of brands and containers when sold on a combined basis, as established by the wholesaler.

(2) A wholesaler may employ channel pricing to sell such wholesaler's alcoholic product to retail licensees at a different price than the wholesaler sells alcoholic product to other retail licensees. If a wholesaler employs channel pricing, such pricing shall be made equally available to similarly situated retail licensees.

(3) Whether an establishment is similarly situated to another licensee is to be determined by the type of license held by the retailer and the primary use of the premises.

(4) A wholesaler may also provide discounts on the alcoholic product to retailers that are otherwise similarly situated if those discounts are based on the volume of the alcoholic product being purchased.

(5) A wholesaler may also provide discounts on the alcoholic product to retailers that are otherwise similarly situated if those discounts are based on the electronic ordering of the alcoholic product being purchased.

(h) KEG SALES

53-167.02 Keg sales; requirements; keg identification number; violation; penalty.

(1) When any person licensed to sell alcoholic liquor at retail sells alcohol for consumption off the premises in a container with a liquid capacity of five or more gallons or eighteen and ninety-two hundredths or more liters, the seller shall record the date of the sale, the keg identification number, the purchaser's name and address, and the number of the purchaser's motor vehicle operator's license, state identification card, tribal enrollment card as defined in section 28-1202.03, or military identification, if such military identification contains a picture of the purchaser, together with the purchaser's signature. Such record shall be on a form prescribed by the commission and shall be kept by the licensee at the retail establishment where the purchase was made for not less than six months.

(2) The commission shall adopt and promulgate rules and regulations which require the licensee to place a label on the alcohol container, which label shall at least contain a keg identification number and shall be on a form prescribed by the commission. Such label shall be placed on the keg at the time of retail sale. The licensee shall purchase the forms referred to in this section from the commission. The cost incurred to produce and distribute such forms shall be reasonable and shall not exceed the reasonable and necessary costs of producing and distributing the forms. Any money collected by the commission relating to the sale of such forms shall be credited to the Nebraska Liquor Control Commission Rule and Regulation Cash Fund.

(3) The keg identification number for each container shall be registered with the commission. The records kept pursuant to this section shall be available for inspection by any law enforcement officer during normal business hours or at any other reasonable time. Any person violating this section shall, upon conviction, be guilty of a Class III misdemeanor.

(i) PROHIBITED ACTS

53-168 Receiving money, credit, discounts, rebates, or other inducement; unlawful acts; penalty; private or generic label permitted; exception for sponsorship or advertising agreement.

(1) It shall be unlawful for any person having a retail license to sell beer to accept credit for the purchase of beer from any manufacturer or wholesaler of beer and for any person having a retail license to sell alcoholic liquor or any officer, associate, member, representative, or agent of such licensee to accept, receive, or borrow money or anything else of value or to accept or to receive credit, other than merchandising credit in the ordinary course of business for a period not to exceed thirty days, directly or indirectly, from (a) any person,

partnership, limited liability company, or corporation engaged in manufacturing or wholesaling such liquor, (b) any person connected with or in any way representing such manufacturer or wholesaler, (c) any member of the family of such manufacturer or wholesaler, (d) any stockholders in any corporation engaged in manufacturing or wholesaling such liquor, or (e) any officer, manager, agent, member, or representative of such manufacturer or wholesaler.

(2) It shall be unlawful for any manufacturer or wholesaler to give or lend money or otherwise loan or extend credit, except the merchandising credit referred to in subsection (1) of this section, directly or indirectly, to any such licensee or to the manager, representative, agent, member, officer, or director of such licensee. It shall be unlawful for any wholesaler to participate in any manner in a merchandising and coupon plan of any manufacturer involving alcoholic liquor and the redemption in cash. The redemption of any merchandising and coupon plan involving cash shall be made by the manufacturer to the consumer.

(3) If any holder of a license to sell alcoholic liquor at retail or wholesale violates subsection (1) or (2) of this section, such license shall be suspended or revoked by the commission in the manner provided by the Nebraska Liquor Control Act.

(4) It shall not be a violation of subsection (1) or (2) of this section for a manufacturer or wholesaler to sell or provide alcoholic liquor exclusively or in minimum quantities in containers bearing a private label or to sell or provide alcoholic liquor in containers bearing a generic label to a wholesaler or retailer.

(5) It shall not be a violation of subsection (1) or (2) of this section for a wholesaler or retailer to accept or purchase from a manufacturer or wholesaler alcoholic liquor exclusively or in minimum quantities in containers bearing a private label or for a wholesaler or retailer to accept or purchase from a manufacturer or wholesaler alcoholic liquor in containers bearing a generic label.

(6) It shall not be a violation of subsection (1) or (2) of this section for a wholesaler or manufacturer or the agent of a wholesaler or manufacturer to enter into a sponsorship or advertising agreement with a licensee, organization, or political subdivision of the State of Nebraska pursuant to section 53-165.03.

53-169 Manufacturer or wholesaler; craft brewery, manufacturer, or microdistillery licensee; limitations; exception for sponsorship or advertising agreement.

(1) Except as provided in subsection (2) of this section, no manufacturer or wholesaler shall directly or indirectly: (a) Pay for any license to sell alcoholic liquor at retail or advance, furnish, lend, or give money for payment of such

license; (b) purchase or become the owner of any note, mortgage, or other evidence of indebtedness of such licensee or any form of security therefor; (c) be interested in the ownership, conduct, or operation of the business of any licensee authorized to sell alcoholic liquor at retail; or (d) be interested directly or indirectly or as owner, part owner, lessee, or lessor thereof in any premises upon which alcoholic liquor is sold at retail.

(2) This section does not apply to the holder of a farm winery license. The holder of a craft brewery license shall have the privileges and duties listed in section 53-123.14 and the holder of a manufacturer's license shall have the privileges and duties listed in section 53-123.01 with respect to the manufacture, distribution, and retail sale of beer, and except as provided in subsection (2) of section 53-123.14, the Nebraska Liquor Control Act shall not be construed to permit the holder of a craft brewery license or of a manufacturer's license issued pursuant to section 53-123.01 to engage in the wholesale distribution of beer. The holder of a microdistillery license shall have the privileges and duties listed in section 53-123.16 with respect to the manufacture of alcoholic liquor, and except as provided in subsection (2) of section 53-123.16, the Nebraska Liquor Control Act shall not be construed to permit the holder of a microdistillery license to engage in the wholesale distribution of alcoholic liquor.

(3) It shall not be a violation of this section for a wholesaler or manufacturer or the agent of a wholesaler or manufacturer to enter into a sponsorship or advertising agreement with a licensee, organization, or political subdivision of the State of Nebraska pursuant to section 53-165.03.

53-171 Licenses; issuance of more than one kind to same person; when unlawful; craft brewery, manufacturer, or microdistillery licensee; limitations.

(1) No person licensed as a wholesaler of alcoholic liquor shall be permitted to receive any retail license at the same time. No person licensed as a manufacturer shall be permitted to receive any retail license at the same time except as set forth in subsection (2) of section 53-123.01 with respect to the manufacture, distribution, and retail sale of beer, and the Nebraska Liquor Control Act shall not be construed to permit the holder of a manufacturer's license issued pursuant to such subsection to engage in the wholesale distribution of alcoholic liquor. No person licensed as a retailer of alcoholic liquor shall be permitted to receive any manufacturer's or wholesale license at the same time.

(2) This section shall not apply to the holder of a farm winery license. The holder of a craft brewery license shall have the privileges and duties listed in section 53-123.14 with respect to the manufacture, distribution, and retail sale of beer, and except as provided in subsection (2) of section 53-123.14, the Nebraska Liquor Control Act shall not be construed to permit the holder of a

craft brewery license to engage in the wholesale distribution of beer. The holder of a microdistillery license shall have the privileges and duties listed in section 53-123.16 with respect to the manufacture of alcoholic liquor, and except as provided in subsection (2) of section 53-123.16, the Nebraska Liquor Control Act shall not be construed to permit the holder of a microdistillery license to engage in the wholesale distribution of alcoholic liquor.

53-174 Co-branded alcoholic beverage; display; acts prohibited; exceptions; inspection.

(1) For purposes of this section:

(a) Co-branded alcoholic beverage means an alcoholic liquor beverage containing the same or similar brand name, logo, or packaging as a nonalcoholic beverage;

(b) Immediately adjacent means directly touching or immediately bordering one another from above, below, or the side. Immediately adjacent does not include a separate aisle; and

(c) Retail sales floor means the part of a retailer's premises that contains goods on display that are freely accessible to the consumer.

(2) Except as provided in subsection (4) of this section, the holder of a retail license to sell alcoholic liquor, beer, or wine at retail for consumption off the licensed premises with a retail sales floor that is larger than two thousand five hundred square feet shall not display any co-branded alcoholic beverage immediately adjacent to any soft drink, fruit juice, bottled water, candy, or snack food portraying cartoons or youth-oriented images.

(3) Except as provided in subsection (4) of this section, the holder of a retail license to sell alcoholic liquor, beer, or wine at retail for consumption off the licensed premises with a retail sales floor that is two thousand five hundred square feet or smaller shall either:

(a) Not place any co-branded alcoholic beverage immediately adjacent to any soft drink, fruit juice, bottled water, candy, or snack food portraying cartoons or youth-oriented images; or

(b) Equip any such display containing any co-branded alcoholic beverage immediately adjacent to any soft drink, fruit juice, bottled water, candy, or snack food portraying cartoons or youth-oriented images with signage that indicates the product is an alcoholic beverage. Such signage shall be clearly visible to consumers, shall be not less than eight and one-half by eleven inches in size, and shall contain language substantially similar to: ''This product is an alcoholic beverage available only to persons who are twenty-one years of age or older.''

(4) This section does not apply to a shelf, aisle, display, or display area in which the primary items for sale contain alcoholic liquor or in an area in which persons younger than twenty-one years of age are prohibited from entering without a parent or legal guardian.

(5) The commission may cause inspection to be made on the premises of all retail licensees relating to co-branded alcoholic beverage displays, and if it is found that any such licensee is violating this section or any rules and regulations adopted and promulgated by the commission pursuant to this section, the license may be suspended, canceled, or revoked after the licensee is given an opportunity to be heard in the licensee's defense.

53-180.05 Prohibited acts relating to minors and incompetents; violations; penalties; possible alcohol overdose; actions authorized; false identification; penalty; law enforcement agency; duties.

(1) Except as provided in subsection (2) of this section, any person who violates section 53-180 shall be guilty of a Class I misdemeanor.

(2) Any person who knowingly and intentionally violates section 53-180 shall be guilty of a Class IIIA felony and serve a mandatory minimum of at least thirty days' imprisonment as part of any sentence he or she receives if serious bodily injury or death to any person resulted and was proximately caused by a minor's (a) consumption of the alcoholic liquor provided or (b) impaired condition which, in whole or in part, can be attributed to the alcoholic liquor provided.

(3) Any person who violates any of the provisions of section 53-180.01 or 53-180.03 shall be guilty of a Class III misdemeanor.

(4)(a) Except as otherwise provided in subdivisions (b), (c), and (d) of this subsection or section 28-1701, any person older than eighteen years of age and under the age of twenty-one years violating section 53-180.02 is guilty of a Class III misdemeanor.

(b) Subdivision (a) of this subsection shall not apply if the person:

(i) Made a good faith request for emergency medical assistance in response to the possible alcohol overdose of himself or herself or another person as soon as the emergency situation is apparent after such violation of section 53-180.02;

(ii) Made the request for medical assistance under subdivision (b)(i) of this subsection as soon as the emergency situation is apparent after such violation of section 53-180.02; and

(iii) When emergency medical assistance was requested for the possible alcohol overdose of another person:

(A) Remained on the scene until the medical assistance arrived; and

(B) Cooperated with medical assistance and law enforcement personnel.

(c) The exception from criminal liability provided in subdivision (b) of this subsection applies to any person who makes a request for emergency medical assistance and complies with the requirements of subdivision (b) of this subsection.

(d) Subdivision (a) of this subsection shall not apply to the person experiencing a possible alcohol overdose if a request for emergency medical assistance in response to such possible alcohol overdose was made by another person in compliance with subdivision (b) of this subsection.

(e) A person shall not initiate or maintain an action against a peace officer or the employing state agency or political subdivision based on the officer's compliance with subdivision (b), (c), or (d) of this subsection.

(5) Any person eighteen years of age or younger violating section 53-180.02 is guilty of a misdemeanor as provided in section 53-181 and shall be punished as provided in such section.

(6) Any person who knowingly manufactures, creates, or alters any form of identification for the purpose of sale or delivery of such form of identification to a person under the age of twenty-one years shall be guilty of a Class I misdemeanor. For purposes of this subsection, form of identification means any card, paper, or legal document that may be used to establish the age of the person named thereon for the purpose of purchasing alcoholic liquor.

(7) When a minor is arrested for a violation of sections 53-180 to 53-180.02 or subsection (6) of this section, the law enforcement agency employing the arresting peace officer shall make a reasonable attempt to notify such minor's parent or guardian of the arrest.

ANIMAL HEALTH AND DISEASE CONTROL ACT

Section
54-2940. Animal Health and Disease Control Act and Exotic Animal Auction or Exchange Venue Act; department; powers.
54-2946. Dead animal; proper disposal; what constitutes; effect; owner or custodian; duties; sheriff; powers and duties; suspicion of anthrax; owner or custodian; duties; acts prohibited; department powers.

54-2940 Animal Health and Disease Control Act and Exotic Animal Auction or Exchange Venue Act; department; powers.

In carrying out its duties to prevent, suppress, control, and eradicate dangerous diseases the department may:

(1) Issue quarantines to any person or public or private premises within the state where an affected animal, suspected affected animal, or regulated article is or was located, and upon any animal imported into Nebraska in violation of the Animal Health and Disease Control Act, the Exotic Animal Auction or Exchange Venue Act, and any importation rules or regulations until such quarantine is released by the State Veterinarian. Whenever additional animals are placed within a quarantined premises or area, such quarantine may be amended accordingly by the department. Births and death loss shall be included on inventory documentation pursuant to the quarantine;

(2) Regulate or prohibit animal or regulated article movement into, within, or through the state through quarantines, controlled movement orders, importation orders, or embargoes as deemed necessary by the State Veterinarian;

(3) Require an affected animal or suspected affected animal to be (a) euthanized, detained, slaughtered, or sold for immediate slaughter at a federally inspected slaughter establishment or (b) inspected, tested, treated, subjected to an epidemiological investigation, monitored, or vaccinated. The department may require tested animals to be identified by an official identification eartag. Costs for confinement, restraint, and furnishing the necessary assistance and facilities for such activities shall be the responsibility of the owner or custodian of the animal;

(4) Seek an emergency proclamation by the Governor in accordance with section 81-829.40 when deemed appropriate. All state agencies and political subdivisions of the state shall cooperate with the implementation of any emergency procedures and measures developed pursuant to such proclamation;

(5)(a) Access records or animals and enter any premises related to the purposes of the Animal Health and Disease Control Act or the Exotic Animal Auction or Exchange Venue Act without being subject to any action for trespass or reasonable damages if reasonable care is exercised; and

(b) Obtain an inspection warrant in the manner prescribed in sections 29-830 to 29-835 if any person refuses to allow the department access or entry as authorized under this subdivision;

(6) Adopt and promulgate rules and regulations to enforce and effectuate the general purpose and provisions of the Animal Health and Disease Control Act, the Exotic Animal Auction or Exchange Venue Act, and any other provisions the department deems necessary for carrying out its duties under such acts including:

(a) Standards for program diseases to align with USDA/APHIS/VS program standards;

(b) Provisions for maintaining a livestock disease reporting system;

(c) Procedures for establishing and maintaining accredited, certified, validated, or designated disease-free animals, herds, or flocks;

(d) In consultation with the Department of Environment and Energy and the Department of Health and Human Services, best management practices for the disposal of carcasses of dead livestock;

(e) In consultation with the Department of Environment and Energy and the University of Nebraska, operating procedures governing composting of livestock carcasses;

(f) Recommendations of where and how any available federal funds and state personnel and materials are to be allocated for the purpose of program disease activities; and

(g) Provisions for secure food supply plans to ensure the continuity of business is maintained during a foreign animal or transboundary disease outbreak;

(7) When funds are available, develop a livestock emergency response system capable of coordinating and executing a rapid response to the incursion or potential incursion of a dangerous livestock disease episode which poses a threat to the health of the state's livestock and could cause a serious economic impact on the state, international trade, or both;

(8) When funds are available, support planning for and assistance with catastrophic livestock mortality disposal, including the acquisition of equipment and supplies and securing of services, to augment preparedness for and response to a disease, natural disaster, or other emergency event resulting in catastrophic livestock mortality or euthanization;

(9) Allow animals intended for direct slaughter to move to a controlled feedlot for qualified purposes; and

(10) Approve qualified commuter herd agreements and livestock producer plans and, when appropriate, allow for exceptions to requirements by written compliance agreements.

54-2946 Dead animal; proper disposal; what constitutes; effect; owner or custodian; duties; sheriff; powers and duties; suspicion of anthrax; owner or custodian; duties; acts prohibited; department powers.

(1) It is the duty of the owner or custodian of any dead animal to properly dispose of the animal within thirty-six hours after receiving knowledge of the animal's death unless a different timeframe is established in a herd or flock management plan or otherwise allowed by the State Veterinarian. Proper disposal of a dead animal is limited to:

(a) Burial on the premises where such animal died or on any adjacent property under the control of the animal's owner or custodian and coverage to a depth of at least four feet below the surface of the ground except as required in subsection (7) of this section;

(b) Complete incineration;

(c) Composting on the premises where such animal died or on an adjacent property under the ownership and control of the owner or custodian;

(d) Alkaline hydrolysis tissue digestion by a veterinary clinic or laboratory;

(e) Transportation by a licensed rendering establishment or other hauler approved by the State Veterinarian;

(f) Transportation to a veterinary clinic or laboratory for purposes of diagnostic testing; or

(g) Transportation with written permission of the State Veterinarian:

(i) To a rendering establishment licensed under the Nebraska Meat and Poultry Inspection Law;

(ii) To a compost site approved by the State Veterinarian;

(iii) To a facility with a permit to operate as a landfill under the Integrated Solid Waste Management Act so long as the operator of the landfill agrees to accept the dead animal;

(iv) To any facility which lawfully disposes of dead animals;

(v) As specified in a herd or flock management plan; or

(vi) In the event of a disease, natural disaster, or other emergency event resulting in catastrophic livestock mortality or euthanization, to a location designated by a county or other local emergency management organization.

(2) A dead animal properly disposed of pursuant to this section is exempt from the requirements for disposal of solid waste under the Integrated Solid Waste Management Act.

(3) Any vehicle used by the owner or custodian to transport a dead animal shall be constructed in such a manner that the contents are covered and will not fall, leak, or spill from the vehicle. Violation of this subsection is a traffic infraction as defined in section 60-672.

(4) It is hereby made the duty of the sheriff of each county to cause the proper disposal of the carcass of any animal or carcass part remaining unburied or otherwise disposed of after notice from the department that any such carcass has not been properly buried or disposed of in violation of this section. The sheriff may enter any premises where any such carcass is located for the purpose of carrying out this section and may cause each carcass to be properly buried or disposed of on such premises. The county board of commissioners or supervisors shall allow such sums for the services as it may deem reasonable, and such sums shall be paid to the persons rendering the services upon vouchers as other claims against the county are paid. The owner of such animal shall be liable to the county for the expense of such burial or disposal, to

be recovered in a civil action, unless the owner pays such expenses within thirty days after notice and demand therefor.

(5) If anthrax is suspected in any animal death, the owner or custodian of the animal or herd shall be responsible to have samples submitted to an approved laboratory for confirmation.

(6) If an animal has or is suspected to have died of anthrax, it shall be unlawful to:

(a) Transport such animal or animal carcass, except as directed and approved by the department;

(b) Use the flesh or organs of such animal or animal carcass for food for livestock or human consumption; or

(c) Remove the skin or hide of such animal or animal carcass.

(7) The disposition of any anthrax-infected animal carcass shall be carried out under the direction of the department. It shall be the duty of the owner or custodian of an animal that has died of anthrax to bury or burn the carcass on the premises where the carcass is found, unless directed otherwise by the State Veterinarian. If such carcass is buried, no portion of the carcass shall be interred closer than six feet from the surface of the ground. The department may direct the owner or custodian of an infected herd to treat the herd and to clean and disinfect the premises in accordance with the herd plan.

55-901. Military Installation Development and Support Fund; created; use; investment; matching funds.

55-901 Military Installation Development and Support Fund; created; use; investment; matching funds.

(1) The Military Installation Development and Support Fund is created. The fund shall be used to contribute to construction, development, or support for any military installation, located in Nebraska, for purposes of improving mission retention and recruitment; supporting the morale, health, and mental-wellness of military members and families; and growing the economic impact of military installations in Nebraska. The Department of Veterans' Affairs shall administer the fund. The fund shall consist of transfers authorized by the Legislature and any gifts, grants, or bequests from any source, including federal, state, public, and private sources, for such purposes. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

(2) The Military Installation Development and Support Fund may be used for any project that directly supports any military installation located in Nebraska.

(3) The Department of Veterans' Affairs shall require a match of public or private funding in an amount equal to or greater than one-half of the total cost of any project described in subsection (2) of this section prior to authorizing an expenditure from the fund.

(4) For purposes of this section, military installation means a base, camp, post, station, yard, center, armory, or other activity under the jurisdiction of the United States Department of Defense or the Nebraska Military Department.

OIL AND GAS CONSERVATION

57-904 Nebraska Oil and Gas Conservation Commission; members; qualifications; appointment; term; quorum; vacancy; compensation; expenses.

There is hereby established the Nebraska Oil and Gas Conservation Commission. The commission shall consist of three members to be appointed by the Governor. The director of the state geological survey shall serve the commission in the capacity as its technical advisor, but with no power to vote. Any two commissioners shall constitute a quorum for all purposes. At least one member of the commission shall have had experience in the production of oil or gas and shall have resided in the State of Nebraska for at least one year. Each of the other members of the commission shall have resided in the State of Nebraska for at least three years. Initially, two of said members shall be appointed for a term of two years each; and one shall be appointed for a term of four years. At the expiration of the initial terms all members thereafter appointed shall serve for a term of four years. The Governor may at any time remove any appointed member of the commission for cause, and by appointment, with the approval of the Legislature, shall fill any vacancy on the commission.

The members of the commission shall receive as compensation for their services the sum of five hundred dollars per day for each day actually devoted to the business of the commission. Such amount shall be adjusted on July 1, 2025, and on July 1 of each odd-numbered year thereafter by the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers for the two-year period preceding the date of adjustment. In addition, each member of the commission shall be reimbursed for expenses incurred in connection with the carrying out of his or her duties as provided in sections 81-1174 to 81-1177.

OIL PIPELINE PROJECTS

Section

Governor; duty; denial; notice to pipeline carrier; documents or records; not withheld from public.

57-1503 Evaluation of route; supplemental environmental impact statement; department; powers and duties; pipeline carrier; reimburse cost; submit to Governor; duty; denial; notice to pipeline carrier; documents or records; not withheld from public.

(1)(a) The department may:

(i) Evaluate any route for an oil pipeline within, through, or across the state and submitted by a pipeline carrier for the stated purpose of being included in a federal agency's or agencies' National Environmental Policy Act review process. Any such evaluation shall include at least one public hearing, provide opportunities for public review and comment, and include, but not be limited to, an analysis of the environmental, economic, social, and other impacts associated with the proposed route and route alternatives in Nebraska. The department may collaborate with a federal agency or agencies and set forth the responsibilities and schedules that will lead to an effective and timely evaluation; or

(ii) Collaborate with a federal agency or agencies in a review under the National Environmental Policy Act involving a supplemental environmental impact statement for oil pipeline projects within, through, or across the state. Prior to entering into such shared jurisdiction and authority, the department shall collaborate with such agencies to set forth responsibilities and schedules for an effective and timely review process.

(b) A pipeline carrier that has submitted a route for evaluation or review pursuant to subdivision (1)(a) of this section shall reimburse the department for the cost of the evaluation or review within sixty days after notification from the department of the cost. The department shall remit any reimbursement to the State Treasurer for credit to the Environmental Cash Fund.

(2) The department may contract with outside vendors in the process of preparation of a supplemental environmental impact statement or an evaluation conducted under subdivision (1)(a) of this section. The department shall make every reasonable effort to ensure that each vendor has no conflict of interest or relationship to any pipeline carrier that applies for an oil pipeline permit.

(3) In order for the process to be efficient and expeditious, the department's contracts with vendors pursuant to this section for a supplemental environmental impact statement or an evaluation conducted under subdivision (1)(a) of this section shall not be subject to the Nebraska Consultants' Competitive Negotiation Act, the State Procurement Act, or sections 73-301 to 73-306.

(4) After the supplemental environmental impact statement or the evaluation conducted under subdivision (1)(a) of this section is prepared, the department shall submit it to the Governor. Within thirty days after receipt of the supplemental environmental impact statement or the evaluation conducted under subdivision (1)(a) of this section from the department, the Governor shall indicate, in writing, to the federal agency or agencies involved in the review or any other appropriate federal agency or body as to whether he or she approves any of the routes reviewed in the supplemental environmental impact statement or the evaluation conducted under subdivision (1)(a) of this section. If the

Governor does not approve any of the reviewed routes, he or she shall notify the pipeline carrier that in order to obtain approval of a route in Nebraska the pipeline carrier is required to file an application with the Public Service Commission pursuant to the Major Oil Pipeline Siting Act.

(5) The department shall not withhold any documents or records relating to an oil pipeline from the public unless the documents or records are of the type that can be withheld under section 84-712.05 or unless federal law provides otherwise.

Project shall mean one or more of the following:

(1)(a) Rental housing;

(b) Residential housing; and

(c) Residential energy conservation devices;

(2) Agriculture or agricultural enterprise;

(3) Any land, building, or other improvement, any real or personal property, or any equipment and any undivided or other interest in any of the foregoing, whether or not in existence, suitable or used for or in connection with any of the following revenue-producing enterprises or two or more such enterprises engaged or to be engaged in:

(a) In all areas of the state, manufacturing or industrial enterprises, including assembling, fabricating, mixing, processing, warehousing, distributing, or transporting any products of agriculture, forestry, mining, industry, or manufacturing; pollution control facilities; and facilities incident to the development of industrial sites, including land costs and the costs of site improvements such as drainage, water, storm, and sanitary sewers, grading, streets, and other facilities and structures incidental to the use of such sites for manufacturing or industrial enterprises;

(b) In all areas of the state, service enterprises if (i) such facilities constitute new construction or rehabilitation, including hotels or motels, sports and recreation facilities available for use by members of the general public either as participants or spectators, and convention or trade show facilities, (ii) such facilities do not or will not derive a significant portion of their gross receipts from retail sales or utilize a significant portion of their total area for retail sales, and (iii) such facilities are owned or to be owned by a nonprofit entity or a public agency;

(c) In blighted areas of the state, service and business enterprises if such facilities constitute new construction, acquisition, or rehabilitation, including,

but not limited to, those enterprises specified in subdivision (3)(b) of this section, office buildings, and retail businesses if such facilities are owned or to be owned by a nonprofit entity or a public agency; and

(d) In all areas of the state, any land, building, or other improvement and all real or personal property, including furniture and equipment, and any undivided or other interest in any such property, whether or not in existence, suitable or used for or in connection with any hospital, nursing home, nonprofit child care facility, or facilities related and subordinate thereto.

Nothing in this subdivision shall be construed to include any rental or residential housing, residential energy conservation device, or agriculture or agricultural enterprise;

(4) Any land, building, or other improvement, any real or personal property, or any equipment and any undivided or other interest in any of the foregoing, whether or not in existence, used by a nonprofit entity as an office building, but only if (a) the principal long-term occupant or occupants thereof initially employ at least fifty people, (b) the office building will be used by the principal long-term occupant or occupants as a national, regional, or divisional office, (c) the principal long-term occupant or occupants are engaged in a multistate operation, and (d) the authority makes the findings specified in subdivision (1) of section 58-251;

58-239 Authority; powers; enumerated.

The authority is hereby granted all powers necessary or appropriate to carry out and effectuate its public and corporate purposes including:

(1) To have perpetual succession as a body politic and corporate and an independent instrumentality exercising essential public functions;

(2) To adopt, amend, and repeal bylaws, rules, and regulations not inconsistent with the Nebraska Investment Finance Authority Act, to regulate its affairs,

to carry into effect the powers and purposes of the authority, and to conduct its business;

(3) To sue and be sued in its own name;

(4) To have an official seal and alter it at will;

(5) To maintain an office at such place or places within the state as it may designate;

(6) To make and execute contracts and all other instruments as necessary or convenient for the performance of its duties and the exercise of its powers and functions under the act;

(7) To employ architects, engineers, attorneys, inspectors, accountants, building contractors, financial experts, and such other advisors, consultants, and agents as may be necessary in its judgment and to fix their compensation;

(8) To obtain insurance against any loss in connection with its bonds, property, and other assets in such amounts and from such insurers as it deems advisable;

(9) To borrow money and issue bonds as provided by the act;

(10) To receive and accept from any source aid or contributions of money, property, labor, or other things of value to be held, used, and applied to carry out the purposes of the act subject to the conditions upon which the grants or contributions are made including gifts or grants from any department, agency, or instrumentality of the United States, and to make grants, for any purpose consistent with the act;

(11) To enter into agreements with any department, agency, or instrumentality of the United States or this state and with lenders for the purpose of carrying out projects authorized under the act;

(12) To enter into contracts or agreements with lenders for the servicing and processing of mortgages or loans pursuant to the act;

(13) To provide technical assistance to local public bodies and to for-profit and nonprofit entities in the areas of housing for low-income and moderate-income persons, agricultural enterprises, and community or economic development, to distribute data and information concerning the needs of the state in these areas, and, at the discretion of the authority, to charge reasonable fees for such assistance;

(14) To the extent permitted under its contract with the holders of bonds of the authority, to consent to any modification with respect to the rate of interest, time, and payment of any installment of principal or interest or any other term of any contract, loan, loan note, loan note commitment, mortgage, mortgage loan, mortgage loan commitment, lease, or agreement of any kind to which the authority is a party;

(15) To the extent permitted under its contract with the holders of bonds of the authority, to enter into contracts with any lender containing provisions enabling it to reduce the rental or carrying charges to persons unable to pay the regular schedule of charges when, by reason of other income or payment by any department, agency, or instrumentality of the United States of America or of the state, the reduction can be made without jeopardizing the economic stability of the project being financed;

(16) To acquire by construction, purchase, devise, gift, or lease or any one or more of such methods one or more projects located within this state, except

that the authority shall not acquire any projects or parts of such projects by condemnation;

(17) To lease to others any or all of its projects for such rentals and upon such terms and conditions as the authority may deem advisable and as are not in conflict with the act;

(18) To issue bonds for the purpose of paying the cost of financing any project or projects and to secure the payment of such bonds as provided in the act;

(19) To sell and convey any real or personal property and make such order respecting the same as it deems conducive to the best interest of the authority;

(20) To make and undertake commitments to make loans to lenders under the terms and conditions requiring the proceeds of the loans to be used by such lenders to make loans for projects. Loan commitments or actual loans shall be originated through and serviced by any bank, trust company, savings and loan association, mortgage banker, or other financial institution authorized to transact business in the state;

(21) To hold and dispose of any real or personal property, whether tangible or intangible, and any distributions thereon, transferred to or received by the authority as collateral or in payment of amounts due the authority or otherwise pursuant to state law, in accordance with the act;

(22) To invest in, purchase, make commitments to invest in or purchase, and take assignments or make commitments to take assignments of loans made by lenders for the construction, rehabilitation, or purchase of projects;

(23) To enter into financing agreements with others with respect to projects to provide financing for such projects upon such terms and conditions as the authority deems advisable to effectuate the public purposes of the act, which projects shall be located within the state;

(24) To enter into financing agreements with any corporation, partnership, limited liability company, or individual or with any county, city, village, or entity created pursuant to the Interlocal Cooperation Act or the Joint Public Agency Act for purposes of financing any solid waste disposal project;

(25) To enter into agreements with or purchase or guaranty obligations of political subdivisions of the state, including authorities, agencies, commissions, districts, and instrumentalities thereof, to provide financing for affordable housing infrastructure and to enter into financing agreements with private parties for the purpose of financing infrastructure in connection with the development of affordable housing; and

(26) In lieu of providing direct financing as authorized by the Nebraska Investment Finance Authority Act, to guaranty debt obligations of any project owner to whom, and for such purposes as, the authority could otherwise provide direct financing, and the authority may establish a fund or account and limit its obligation on such guaranties to money in such fund or account. Any such guaranty shall contain a statement similar to that required by section 58-255 for bonds issued by the authority.

58-242 Authority; agricultural projects; duties.

Prior to exercising any of the powers authorized by the Nebraska Investment Finance Authority Act regarding agricultural projects as defined in subdivision (2) of section 58-219, the authority shall require:

(1) That no loan will be made to any person with a net worth of more than one million dollars;

(2) That the lender certify and agree that it will use the proceeds of such loan, investment, sale, or assignment within a reasonable period of time to make loans or purchase loans to provide agricultural enterprises or, if such lender has made a commitment to make loans to provide agricultural enterprises on the basis of a commitment from the authority to purchase such loans, such lender will make such loans and sell the same to the authority within a reasonable period of time;

(3) That the lender certify that the borrower is an individual who is actively engaged in or who will become actively engaged in an agricultural enterprise after he or she receives the loan or that the borrower is a firm, partnership, limited liability company, corporation, or other entity with all owners, partners, members, or stockholders thereof being natural persons who are actively engaged in or who will be actively engaged in an agricultural enterprise after the loan is received;

(4) That the aggregate amount of the loan received by a borrower shall not exceed five hundred seventeen thousand seven hundred dollars, as such amount shall be adjusted for inflation in accordance with section 147(c) of the Internal Revenue Code of 1986, as amended. In computing such amount a loan received by an individual shall be aggregated with those loans received by his or her spouse and minor children and a loan received by a firm, partnership, limited liability company, or corporation shall be aggregated with those loans received by each owner, partner, member, or stockholder thereof; and

(5) That the recipient of the loan be identified in the minutes of the authority prior to or at the time of adoption by the authority of the resolution authorizing the issuance of the bonds which will provide for financing of the loan.

NEBRASKA UNIFORM PRUDENT MANAGEMENT OF INSTITUTIONAL FUNDS ACT

Section
58-615. Release or modification of restrictions on management, investment, or purpose.

58-615 Release or modification of restrictions on management, investment, or purpose.

(a) If the donor consents in a record, an institution may release or modify, in whole or in part, a restriction contained in a gift instrument on the management, investment, or purpose of an institutional fund. A release or modification may not allow a fund to be used for a purpose other than a charitable purpose of the institution.

(b) The court, upon application of an institution, may modify a restriction contained in a gift instrument regarding the management or investment of an institutional fund if the restriction has become impracticable or wasteful, if it impairs the management or investment of the fund, or if, because of circumstances not anticipated by the donor, a modification of a restriction will further the purposes of the fund. The institution shall notify the Attorney General of the application, and the Attorney General must be given an opportunity to be heard. To the extent practicable, any modification must be made in accordance with the donor's probable intention.

(c) If a particular charitable purpose or a restriction contained in a gift instrument on the use of an institutional fund becomes unlawful, impracticable, impossible to achieve, or wasteful, the court, upon application of an institution, may modify the purpose of the fund or the restriction on the use of the fund in a manner consistent with the charitable purposes expressed in the gift instrument. The institution shall notify the Attorney General of the application, and the Attorney General must be given an opportunity to be heard.

(d) If an institution determines that a restriction contained in a gift instrument on the management, investment, or purpose of an institutional fund is unlawful, impracticable, impossible to achieve, or wasteful, the institution, sixty days after notification to the Attorney General, may release or modify the restriction, in whole or part, if:

(1) the institutional fund subject to the restriction has a total value of less than one hundred thousand dollars;

(2) more than twenty years have elapsed since the fund was established; and

(3) the institution uses the property in a manner consistent with the charitable purposes expressed in the gift instrument.

59-1608.04 State Settlement Cash Fund; created; use; investment; transfer.

(1) The State Settlement Cash Fund is created. The fund shall be maintained by the Department of Justice and administered by the Attorney General. Except as otherwise provided by law, the fund shall consist of all recoveries received pursuant to the Consumer Protection Act, including any money, funds, securities, or other things of value in the nature of civil damages or other payment, except criminal penalties, whether such recovery is by way of verdict, judgment, compromise, or settlement in or out of court, or other final disposition of any case or controversy, or any other payments received on behalf of the state by the Department of Justice and administered by the Attorney General for the benefit of the state or the general welfare of its citizens, but excluding all funds held in a trust capacity where specific benefits accrue to specific individuals, organizations, or governments. The fund may be expended for any allowable legal purposes as determined by the Attorney General. Transfers from the State Settlement Cash Fund may be made at the direction of the Legislature to the Nebraska Capital Construction Fund, the Legal Education for Public Service and Rural Practice Loan Repayment Assistance Fund, the Nebraska State Patrol Cash Fund, the Financial Literacy Cash Fund, and the General Fund. To provide necessary financial accountability and management oversight, revenue from individual settlement agreements or other separate sources credited to the State Settlement Cash Fund may be tracked and accounted for within the state accounting system through the use of separate and distinct funds, subfunds, or any other available accounting mechanism specifically approved by the Accounting Administrator for use by the Department of Justice. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

(2) The State Treasurer shall transfer two million five hundred thousand dollars from the State Settlement Cash Fund to the Nebraska Capital Construction Fund on July 1, 2013, or as soon thereafter as administratively possible.

(3) The State Treasurer shall transfer eight hundred seventy-six thousand nine hundred ninety-eight dollars from the State Settlement Cash Fund to the General Fund on or before June 30, 2018, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

(4) The State Treasurer shall transfer one million seven hundred fifty-six thousand six hundred thirty-nine dollars from the State Settlement Cash Fund to the General Fund on or before June 30, 2019, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

(5) The State Treasurer shall transfer one hundred twenty-five thousand dollars from the State Settlement Cash Fund to the Legal Education for Public Service and Rural Practice Loan Repayment Assistance Fund on or before April 30, 2018, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

(6) The State Treasurer shall transfer one hundred fifty thousand dollars from the State Settlement Cash Fund to the Legal Education for Public Service and Rural Practice Loan Repayment Assistance Fund on or before July 9, 2018, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

59-1611 Demand to produce documentary materials for inspection; contents; service; unauthorized disclosure; return; modification; vacation; use; penalty; sale, offer, or advertisement of property or services; connected accounts or assets; Attorney General; powers; court order.

(1) Whenever the Attorney General believes that any person may be in possession, custody, or control of any original or copy of any book, record, report, memorandum, paper, communication, tabulation, map, chart, photograph, mechanical transcription, or other tangible document or recording, wherever situated, which he or she believes to be relevant to the subject matter of an investigation of a possible violation of sections 59-1602 to 59-1606, the Attorney General may, prior to the institution of a civil proceeding thereon, execute in writing and cause to be served upon such a person a civil investigative demand requiring such person to produce such documentary material and permit inspection and copying thereof. This section shall not be applicable to criminal prosecutions.

(2) Each such demand shall:

(a) State the statute and section or sections thereof the alleged violation of which is under investigation, and the general subject matter of the investigation;

(b) Describe the class or classes of documentary material to be produced thereunder with reasonable specificity so as fairly to indicate the material demanded;

(c) Prescribe a return date within which the documentary material shall be produced; and

(d) Identify the members of the Attorney General's staff to whom such documentary material shall be made available for inspection and copying.

(3) No such demand shall:

(a) Contain any requirement which would be unreasonable or improper if contained in a subpoena duces tecum issued by a court of this state; or

(b) Require the disclosure of any documentary material which would be privileged, or which for any other reason would not be required by a subpoena duces tecum issued by a court of this state.

(4) Service of any such demand may be made by:

(a) Delivering a duly executed copy thereof to the person to be served, or, if such person is not a natural person, to any officer of the person to be served;

(b) Delivering a duly executed copy thereof to the principal place of business in this state of the person to be served; or

(c) Mailing by certified mail a duly executed copy thereof addressed to the person to be served at the principal place of business in this state, or, if such person has no place of business in this state, to his or her principal office or place of business.

(5) Documentary material demanded pursuant to the provisions of this section shall be produced for inspection and copying during normal business hours at the principal office or place of business of the person served, or at such other times and places as may be agreed upon by the person served and the Attorney General.

(6) No documentary material produced pursuant to a demand, or copies thereof, shall, unless otherwise ordered by a district court for good cause shown, be produced for inspection or copying by, nor shall the contents thereof be disclosed to, other than an authorized employee of the Attorney General, without the consent of the person who produced such material, except that:

(a) Under such reasonable terms and conditions as the Attorney General shall prescribe, the copies of such documentary material shall be available for inspection and copying by the person who produced such material or any duly authorized representative of such person;

(b) The Attorney General may provide copies of such documentary material to an official of this or any other state, or an official of the federal government, who is charged with the enforcement of federal or state antitrust or consumer protection laws, if such official agrees in writing to not disclose such documentary material to any person other than the official's authorized employees, except as such disclosure is permitted under subdivision (c) of this subsection; and

(c) The Attorney General or any assistant attorney general or an official authorized to receive copies of documentary material under subdivision (b) of this subsection may use such copies of documentary material as he or she determines necessary in the enforcement of the Consumer Protection Act or any state or federal consumer protection laws that any state or federal official has authority to enforce, including presentation before any court, except that any such material which contains trade secrets shall not be presented except with the approval of the court in which action is pending after adequate notice to the person furnishing such material.

(7) At any time before the return date specified in the demand, or within twenty days after the demand has been served, whichever period is shorter, a petition to extend the return date for or to modify or set aside a demand issued pursuant to subsection (1) of this section, stating good cause, may be filed in the district court for Lancaster County, or in such other county where the parties reside. A petition by the person on whom the demand is served, stating good cause, to require the Attorney General or any person to perform any duty imposed by the provisions of this section, and all other petitions in connection with a demand, may be filed in the district court for Lancaster County or in the county where the parties reside.

(8) Whenever any person fails to comply with any civil investigative demand for documentary material duly served upon him or her under this section, or whenever satisfactory copying or reproduction of any such material cannot be done and such person refuses to surrender such material, the Attorney General may file, in the district court of the county in which such person resides, is found, or transacts business, and serve upon such person a petition for an order of such court for the enforcement of this section, except that if such person transacts business in more than one county such petition shall be filed in the county in which such person maintains his or her principal place of business or in such other county as may be agreed upon by the parties to such petition. Whenever any petition is filed in the district court of any county under this section, such court shall have jurisdiction to hear and determine the matter so presented and to enter such order as may be required to carry into effect the provisions of this section. Disobedience of any order entered under this section by any court shall be punished as a contempt thereof.

(9) When the Attorney General has reasonable cause to believe that any person has engaged in or is engaging in any violation of sections 59-1602 to 59-1606, the Attorney General may:

(a) Require such person to file a statement or report in writing under oath or otherwise, on such forms as shall be prescribed by the Attorney General, as to all facts and circumstances concerning the sale, offer, or advertisement of property or services by such person, and such other data and information as the Attorney General deems necessary;

(b) Examine under oath any person in connection with the sale or advertisement of any property or services;

(c) Examine any property or sample thereof, record, book, document, account, or paper as the Attorney General deems necessary;

(d) Pursuant to an order of any district court, impound any record, book, document, account, paper, or sample of property which is material to such violation and retain the same in his or her possession until the completion of all proceedings undertaken under the Consumer Protection Act; or

(e) Obtain an order freezing or impounding connected accounts or assets as provided in subsection (10) of this section.

(10)(a) For purposes of this subsection, connected accounts or assets means any bank account, other financial account, money, asset, or property connected with any alleged violation of sections 59-1602 to 59-1606.

(b) In order to ensure the availability of resources needed to provide restitution or any other remedy available to a consumer by law, the Attorney General may request an ex parte order from the district court temporarily freezing or impounding connected accounts or assets. If granted, such order shall be effective for a period of fourteen days, and the court shall set the matter for a hearing. The Attorney General shall provide notice of the order and hearing to the owner of the connected account or asset. Such notice may be made by publication.

(c) Following such hearing, the court may extend the temporary order for any period up to the completion of all proceedings undertaken under the Consumer Protection Act unless earlier canceled or modified at the request of the Attorney General.

SELLER-ASSISTED MARKETING PLAN

Section
59-1722. Transaction involving the sale of a franchise; exempt; exception; conditions; fee.

59-1722 Transaction involving the sale of a franchise; exempt; exception; conditions; fee.

(1) Any transaction involving the sale of a franchise as defined in 16 C.F.R. 436.1(h), as such regulation existed on January 1, 2024, shall be exempt from the Seller-Assisted Marketing Plan Act, except that such transactions shall be subject to subdivision (1)(d) of section 59-1757, those provisions regulating or prescribing the use of the phrase buy-back or secured investment or similar phrases as set forth in sections 59-1726 to 59-1728 and 59-1751, and all sections which provide for their enforcement. The exemption shall only apply if:

(a) The franchise is offered and sold in compliance with the requirements of 16 C.F.R. part 436, Disclosure Requirements and Prohibitions Concerning Franchising, as such part existed on January 1, 2024;

(b) Before placing any advertisement in a Nebraska-based publication, offering for sale to any prospective purchaser in Nebraska, or making any representations in connection with such offer or sale to any prospective purchaser in

Nebraska, the seller files a notice with the Department of Banking and Finance which contains (i) the name, address, and telephone number of the seller and the name under which the seller intends to do business and (ii) a brief description of the plan offered by the seller; and

(c) The seller pays a filing fee of one hundred dollars.

(2) The department may request a copy of the disclosure document upon receipt of a written complaint or inquiry regarding the seller or upon a reasonable belief that a violation of the Seller-Assisted Marketing Plan Act has occurred or may occur. The seller shall provide such copy within ten business days of receipt of the request.

(3) All funds collected by the department under this section shall be remitted to the State Treasurer for credit to the Securities Act Cash Fund.

(4) The Director of Banking and Finance may by order deny or revoke an exemption specified in this section with respect to a particular offering of one or more business opportunities if the director finds that such an order is in the public interest or is necessary for the protection of purchasers. An order shall not be entered without appropriate prior notice to all interested parties, an opportunity for hearing, and written findings of fact and conclusions of law. If the public interest or the protection of purchasers so requires, the director may by order summarily deny or revoke an exemption specified in this section pending final determination of any proceedings under this section. An order under this section shall not operate retroactively.

60-172. Salvage branded certificate of title; required disclosure.

60-107 Cabin trailer, defined.

Cabin trailer means a trailer or a semitrailer, which is designed, constructed, and equipped as a dwelling place, living abode, or sleeping place, whether used

for such purposes or instead permanently or temporarily for the advertising, sale, display, or promotion of merchandise or services or for any other commercial purpose except transportation of property for hire or transportation of property for distribution by a private carrier. Cabin trailer does not mean a trailer or semitrailer which is permanently attached to real estate. There are four classes of cabin trailers:

(1) Camping trailer which includes cabin trailers one hundred two inches or less in width and forty feet or less in length and adjusted mechanically smaller for towing;

(2) Mobile home which includes cabin trailers more than one hundred two inches in width or more than forty feet in length;

(3) Travel trailer which includes cabin trailers not more than one hundred two inches in width nor more than forty feet in length from front hitch to rear bumper, except as provided in subdivision (2)(k) of section 60-6,288; and

(4) Manufactured home means a structure, transportable in one or more sections, which in the traveling mode is eight body feet or more in width or forty body feet or more in length or when erected on site is three hundred twenty or more square feet and which is built on a permanent frame and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities and includes the plumbing, heating, air conditioning, and electrical systems contained in the structure, except that manufactured home includes any structure that meets all of the requirements of this subdivision other than the size requirements and with respect to which the manufacturer voluntarily files a certification required by the United States Secretary of Housing and Urban Development and complies with the standards established under the National Manufactured Housing Construction and Safety Standards Act of 1974, as such act existed on January 1, 2024, 42 U.S.C. 5401 et seq.

Operative date April 16, 2024.

60-142.11 Assembled vehicle; application for certificate of title; procedure.

The owner of an assembled vehicle may apply for a certificate of title by presenting a certificate of title for one major component part, a bill of sale for all other major component parts replaced, a statement that an inspection has been conducted on the vehicle, and a vehicle identification number as described in section 60-148. The certificate of title shall indicate the year of the vehicle as the year application for title was made and the make of the vehicle as assembled.

60-144 Certificate of title; issuance; filing; application; contents; form.

(1)(a)(i) Except as provided in subdivisions (b), (c), and (d) of this subsection, the county treasurer shall be responsible for issuing and filing certificates of title for vehicles, and each county shall issue and file such certificates of title using the Vehicle Title and Registration System which shall be provided and maintained by the department. Application for a certificate of title shall be made upon a form prescribed by the department. All applications shall be accompanied by the appropriate fee or fees.

(ii) In addition to the information required under subdivision (1)(a)(i) of this section, the application for a certificate of title shall contain (A)(I) the full legal name as defined in section 60-468.01 of each owner or (II) the name of each owner as such name appears on the owner's motor vehicle operator's license or state identification card and (B)(I) the motor vehicle operator's license number or state identification card number of each owner, if applicable, and one or more of the identification elements as listed in section 60-484 of each owner, if applicable, and (II) if any owner is a business entity, a nonprofit organization, an estate, a trust, or a church-controlled organization, its tax identification number.

(b) The department shall issue and file certificates of title for Nebraska-based fleet vehicles. Application for a certificate of title shall be made upon a form prescribed by the department. All applications shall be accompanied by the appropriate fee or fees.

(c) The department shall issue and file certificates of title for state-owned vehicles. Application for a certificate of title shall be made upon a form prescribed by the department. All applications shall be accompanied by the appropriate fee or fees.

(d) The department shall issue certificates of title pursuant to subsection (2) of section 60-142.01 and section 60-142.06. Application for a certificate of title shall be made upon a form prescribed by the department. All applications shall be accompanied by the appropriate fee or fees.

(e) The department shall issue certificates of title pursuant to section 60-142.09. Application for a certificate of title shall be made upon a form prescribed by the department. All applications shall be accompanied by the appropriate fee or fees.

(2) If the owner of an all-terrain vehicle, a utility-type vehicle, or a minibike resides in Nebraska, the application may be filed with the county treasurer of any county.

(3)(a) If a vehicle has situs in Nebraska, the application for a certificate of title may be filed with the county treasurer of any county.

(b) If a motor vehicle dealer licensed under the Motor Vehicle Industry Regulation Act applies for a certificate of title for a vehicle, the application may be filed with the county treasurer of any county.

(c) An approved licensed dealer participating in the electronic dealer services system pursuant to section 60-1507 may apply for a certificate of title for a vehicle to the county treasurer of any county or the department in a manner provided by the electronic dealer services system.

(4) If the owner of a vehicle is a nonresident, the application shall be filed in the county in which the transaction is consummated.

(5) The application shall be filed within thirty days after the delivery of the vehicle.

(6) All applicants registering a vehicle pursuant to section 60-3,198 shall file the application for a certificate of title with the Division of Motor Carrier Services of the department. The division shall deliver the certificate to the applicant if there are no liens on the vehicle. If there are one or more liens on the vehicle, the certificate of title shall be handled as provided in section 60-164. All certificates of title issued by the division shall be issued in the manner prescribed for the county treasurer in section 60-152.

60-146 Application; identification inspection required; exceptions; form; procedure; additional inspection authorized; agreement with motor vehicle dealer; county sheriff; duties.

(1) An application for a certificate of title for a vehicle shall include a statement that an identification inspection has been conducted on the vehicle unless (a) the title sought is a salvage branded certificate of title or a nontransferable certificate of title, (b) the surrendered ownership document is a Nebraska certificate of title, a manufacturer's statement of origin, an importer's statement of origin, a United States Government Certificate to Obtain Title to a Vehicle, or a nontransferable certificate of title, (c) the application contains a statement that the vehicle is to be registered under section 60-3,198, (d) the vehicle is a cabin trailer, (e) the title sought is the first title for the vehicle sold directly by the manufacturer of the vehicle to a dealer franchised by the manufacturer, or (f) the vehicle was sold at an auction authorized by the manufacturer and purchased by a dealer franchised by the manufacturer of the vehicle.

(2) The department shall prescribe a form to be executed by a dealer and submitted with an application for a certificate of title for vehicles exempt from inspection pursuant to subdivision (1)(e) or (f) of this section. The form shall clearly identify the vehicle and state under penalty of law that the vehicle is exempt from inspection.

(3) The statement that an identification inspection has been conducted shall be furnished by the county sheriff of any county or by any other holder of a certificate of training issued pursuant to section 60-183, shall be in a format as determined by the department, and shall expire ninety days after the date of the inspection. The county treasurer shall accept a certificate of inspection, approved by the superintendent, from an officer of a state police agency of another state unless an inspection is required under section 60-174.

(4)(a) Except as provided in subdivision (b) of this subsection, the identification inspection shall include examination and notation of the then current odometer reading, if any, and a comparison of the vehicle identification number with the number listed on the ownership records, except that if a lien is registered against a vehicle and recorded on the vehicle's ownership records, the county treasurer shall provide a copy of the ownership records for use in making such comparison. If such numbers are not identical, if there is reason to believe further inspection is necessary, or if the inspection is for a Nebraska assigned number, the person performing the inspection shall make a further inspection of the vehicle which may include, but shall not be limited to, examination of other identifying numbers placed on the vehicle by the manufacturer and an inquiry into the numbering system used by the state issuing such ownership records to determine ownership of a vehicle. The identification inspection shall also include a statement that the vehicle identification number has been checked for entry in (i) the National Crime Information Center and (ii) the Nebraska Crime Information Service or the National Motor Vehicle Title Information System. In the case of an assembled vehicle, a vehicle designated as reconstructed, or a vehicle designated as replica, the identification inspection shall include, but not be limited to, an examination of the records showing the date of receipt and source of each major component part. No identification inspection shall be conducted unless all major component parts are properly attached to the vehicle in the correct location.

(b) Each county sheriff shall establish a process by which to enter into an agreement with any motor vehicle dealer as defined in section 60-1401.26 with an established place of business as defined in section 60-1401.15 in the county in which the sheriff has jurisdiction in order to collect information for the identification inspection on motor vehicles which are in the inventory of the motor vehicle dealer at the dealer's established place of business in such county. The agreement entered into shall require that the motor vehicle dealer provide the required fee, a copy of the documents evidencing transfer of ownership, and the make, model, vehicle identification number, and odometer reading in a form and manner prescribed by the county sheriff, which shall include a requirement to provide one or more photographs or digital images of the vehicle, the vehicle identification number, and the odometer reading. The county sheriff shall complete the identification inspection as required under subdivision (a) of this subsection using such information and return to the motor vehicle dealer the statement that an identification inspection has been conducted for each motor vehicle as provided in subsection (3) of this section. If the information is incomplete or if there is reason to believe that further

inspection is necessary, the county sheriff shall inform the motor vehicle dealer. If the motor vehicle dealer knowingly provides inaccurate or false information, the motor vehicle dealer shall be liable for any damages that result from the provision of such information. The motor vehicle dealer shall keep the records for five years after the date the identification inspection is complete.

(5) If there is cause to believe that odometer fraud exists, written notification shall be given to the office of the Attorney General. If after such inspection the sheriff or his or her designee determines that the vehicle is not the vehicle described by the ownership records, no statement shall be issued.

(6) The county treasurer or the department may also request an identification inspection of a vehicle to determine if it meets the definition of motor vehicle as defined in section 60-123.

60-149 Application; documentation required.

(1)(a) If a certificate of title has previously been issued for a vehicle in this state, the application for a new certificate of title shall be accompanied by the certificate of title duly assigned except as otherwise provided in the Motor Vehicle Certificate of Title Act.

(b) Except for manufactured homes or mobile homes as provided in subsection (2) of this section, if a certificate of title has not previously been issued for the vehicle in this state or if a certificate of title is unavailable, the application shall be accompanied by:

(i) A manufacturer's or importer's certificate except as otherwise provided in subdivision (viii) of this subdivision;

(ii) A duly certified copy of the manufacturer's or importer's certificate;

(iii) An affidavit by the owner affirming ownership in the case of an all-terrain vehicle, a utility-type vehicle, or a minibike;

(iv) A certificate of title from another state;

(v) A court order issued by a court of record, a manufacturer's certificate of origin, or an assigned registration certificate, if the law of the state from which the vehicle was brought into this state does not have a certificate of title law;

(vi) Evidence of ownership as provided for in section 30-24,125, sections 52-601.01 to 52-605, sections 60-1901 to 60-1911, or sections 60-2401 to 60-2411;

(vii) Documentation prescribed in section 60-142.01, 60-142.02, 60-142.04, 60-142.05, 60-142.09, or 60-142.11 or documentation of compliance with section 76-1607;

(viii) A manufacturer's or importer's certificate and an affidavit by the owner affirming ownership in the case of a minitruck;

(ix) In the case of a motor vehicle, a trailer, an all-terrain vehicle, a utility-type vehicle, or a minibike, an affidavit by the holder of a motor vehicle auction dealer's license as described in subdivision (11) of section 60-1406 affirming that the certificate of title is unavailable and that the vehicle (A) is a salvage

vehicle through payment of a total loss settlement, (B) is a salvage vehicle purchased by the auction dealer, or (C) has been donated to an organization operating under section 501(c)(3) of the Internal Revenue Code as defined in section 49-801.01; or

(x) A United States Government Certificate to Obtain Title to a Vehicle.

(c) If the application for a certificate of title in this state is accompanied by a valid certificate of title issued by another state which meets that state's requirements for transfer of ownership, then the application may be accepted by this state.

(d) If a certificate of title has not previously been issued for the vehicle in this state and the applicant is unable to provide such documentation, the applicant may apply for a bonded certificate of title as prescribed in section 60-167.

(2)(a) If the application for a certificate of title for a manufactured home or a mobile home is being made in accordance with subdivision (4)(b) of section 60-137 or if the certificate of title for a manufactured home or a mobile home is unavailable, the application shall be accompanied by proof of ownership in the form of:

(i) A duly assigned manufacturer's or importer's certificate;

(ii) A certificate of title from another state;

(iii) A court order issued by a court of record;

(iv) Evidence of ownership as provided for in section 30-24,125, sections 52-601.01 to 52-605, sections 60-1901 to 60-1911, or sections 60-2401 to 60-2411, or documentation of compliance with section 76-1607; or

(v) Assessment records for the manufactured home or mobile home from the county assessor and an affidavit by the owner affirming ownership.

(b) If the applicant cannot produce proof of ownership described in subdivision (a) of this subsection, he or she may submit to the department such evidence as he or she may have, and the department may thereupon, if it finds the evidence sufficient, issue the certificate of title or authorize the county treasurer to issue a certificate of title, as the case may be.

(3) For purposes of this section, certificate of title includes a salvage certificate, a salvage branded certificate of title, or any other document of ownership issued by another state or jurisdiction for a salvage vehicle. Only a salvage branded certificate of title shall be issued to any vehicle conveyed upon a salvage certificate, a salvage branded certificate of title, or any other document of ownership issued by another state or jurisdiction for a salvage vehicle. A previously salvage branded certificate of title may be issued if, prior to application, the applicant's vehicle has been repaired and inspected as provided in section 60-146.

(4) The county treasurer shall retain the evidence of title presented by the applicant and on which the certificate of title is issued.

(5)(a) If an affidavit is submitted under subdivision (1)(b)(ix) of this section, the holder of a motor vehicle auction dealer's license shall certify that (i) it has made at least two written attempts and has been unable to obtain the properly endorsed certificate of title to the property noted in the affidavit from the owner and (ii) thirty days have expired after the mailing of a written notice regarding the intended disposition of the property noted in the affidavit by certified mail,

return receipt requested, to the last-known address of the owner and to any lien or security interest holder of record of the property noted in the affidavit.

(b) The notice under subdivision (5)(a)(ii) of this section shall contain a description of the property noted in the affidavit and a statement that title to the property noted in the affidavit shall vest in the holder of the motor vehicle auction dealer's license thirty days after the date such notice was mailed.

(c) The mailing of notice and the expiration of thirty days under subdivision (5)(a)(ii) of this section shall extinguish any lien or security interest of a lienholder or security interest holder in the property noted in the affidavit, unless the lienholder or security interest holder has claimed such property within such thirty-day period. The holder of a motor vehicle auction dealer's license shall transfer possession of the property noted in the affidavit to the lienholder or security interest holder claiming such property.

60-151 Certificate of title obtained in name of purchaser; exceptions.

(1) The certificate of title for a vehicle shall be obtained in the name of the purchaser upon application signed by the purchaser, except that (a) for titles to be held by a married couple, applications may be accepted upon the signature of either spouse as a signature for himself or herself and as agent for his or her spouse and (b) for an applicant providing proof that he or she is a handicapped or disabled person as defined in section 60-331.02, applications may be accepted upon the signature of the applicant's parent, legal guardian, foster parent, or agent.

(2) If the purchaser of a vehicle does not obtain a certificate of title in accordance with subsection (1) of this section within thirty days after the sale of the vehicle, the seller of such vehicle may request the department to update the electronic certificate of title record. The department shall update such record upon receiving evidence of a sale satisfactory to the director.

60-164.01 Electronic certificate of title; changes authorized.

If a certificate of title is an electronic certificate of title record, upon application by an owner or a lienholder and payment of the fee prescribed in section 60-154, the following changes may be made to a certificate of title electronically and without printing a certificate of title:

(1) Changing the name of an owner to reflect a legal change of name;

(2) Removing the name of an owner with the consent of all owners and lienholders;

(3) Adding an additional owner with the consent of all owners and lienholders;

(4) Adding, changing, or removing a transfer-on-death beneficiary designation; or

(5) Allowing an owner that has elected to retain a salvage vehicle pursuant to subsection (2) of section 60-173 to obtain a salvage branded certificate of title.

60-169 Vehicle; certificate of title; surrender and cancellation; when required; licensed wrecker or salvage dealer; report; contents; fee; mobile home or manufactured home affixed to real property; certificate of title; surrender and cancellation; procedure; effect; detachment; owner; duties.

(1)(a) Except as otherwise provided in subdivision (c) of this subsection, each owner of a vehicle and each person mentioned as owner in the last certificate of title, when the vehicle is dismantled, destroyed, or changed in such a manner that it loses its character as a vehicle or changed in such a manner that it is not the vehicle described in the certificate of title, shall surrender his or her certificate of title to any county treasurer or to the department. If the certificate of title is surrendered to a county treasurer, he or she shall, with the consent of any holders of any liens noted thereon, enter a cancellation upon the records and shall notify the department of such cancellation. Beginning on the implementation date designated by the director pursuant to subsection (3) of section 60-1508, a wrecker or salvage dealer shall report electronically to the department using the electronic reporting system. If the certificate is surrendered to the department, it shall, with the consent of any holder of any lien noted thereon, enter a cancellation upon its records.

(b) This subdivision applies to all licensed wrecker or salvage dealers and, except as otherwise provided in this subdivision, to each vehicle located on the premises of such dealer. For each vehicle required to be reported under 28 C.F.R. 25.56, as such regulation existed on January 1, 2024, the information obtained by the department under this section may be reported to the National Motor Vehicle Title Information System in a format that will satisfy the requirement for reporting under 28 C.F.R. 25.56, as such regulation existed on January 1, 2024. Such report shall include:

(i) The name, address, and contact information for the reporting entity;

(ii) The vehicle identification number;

(iii) The date the reporting entity obtained such motor vehicle;

(iv) The name of the person from whom such motor vehicle was obtained, for use only by a law enforcement or other appropriate government agency;

(v) A statement of whether the motor vehicle was or will be crushed, disposed of, offered for sale, or used for another purpose; and

(vi) Whether the motor vehicle is intended for export outside of the United States.

The department may set and collect a fee, not to exceed the cost of reporting to the National Motor Vehicle Title Information System, from wrecker or salvage dealers for electronic reporting to the National Motor Vehicle Title Information System, which shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund. This subdivision does not apply to any vehicle reported by a wrecker or salvage dealer to the National Motor Vehicle Title Information System as required under 28 C.F.R. 25.56, as such regulation existed on January 1, 2024.

(c)(i) In the case of a mobile home or manufactured home for which a certificate of title has been issued, if such mobile home or manufactured home is affixed to real property in which each owner of the mobile home or manufactured home has any ownership interest, the certificate of title may be surrendered for cancellation to the county treasurer of the county where such mobile home or manufactured home is affixed to real property if at the time of surrender the owner submits to the county treasurer an affidavit of affixture on a form provided by the department that contains all of the following, as applicable:

(A) The names and addresses of all of the owners of record of the mobile home or manufactured home;

(B) A description of the mobile home or manufactured home that includes the name of the manufacturer, the year of manufacture, the model, and the manufacturer's serial number;

(C) The legal description of the real property upon which the mobile home or manufactured home is affixed and the names of all of the owners of record of the real property;

(D) A statement that the mobile home or manufactured home is affixed to the real property;

(E) The written consent of each holder of a lien duly noted on the certificate of title to the release of such lien and the cancellation of the certificate of title;

(F) A copy of the certificate of title surrendered for cancellation; and

(G) The name and address of an owner, a financial institution, or another entity to which notice of cancellation of the certificate of title may be delivered.

(ii) The person submitting an affidavit of affixture pursuant to subdivision (c)(i) of this subsection shall swear or affirm that all statements in the affidavit are true and material and further acknowledge that any false statement in the affidavit may subject the person to penalties relating to perjury under section 28-915.

(2) If a certificate of title of a mobile home or manufactured home is surrendered to the county treasurer, along with the affidavit required by subdivision (1)(c) of this section, he or she shall enter a cancellation upon his or her records, notify the department of such cancellation, forward a duplicate original of the affidavit to the department, and deliver a duplicate original of the executed affidavit under subdivision (1)(c) of this section to the register of deeds for the county in which the real property is located to be filed by the register of deeds. The county treasurer shall be entitled to collect fees from the person submitting the affidavit in accordance with section 33-109 to cover the costs of filing such affidavit. Following the cancellation of a certificate of title for a mobile home or manufactured home, the county treasurer or designated county official shall not issue a certificate of title for such mobile home or manufactured home, except as provided in subsection (5) of this section.

(3) If a mobile home or manufactured home is affixed to real estate before June 1, 2006, a person who is the holder of a lien or security interest in both the mobile home or manufactured home and the real estate to which it is affixed on such date may enforce its liens or security interests by accepting a deed in lieu of foreclosure or in the manner provided by law for enforcing liens on the real estate.

(4) A mobile home or manufactured home for which the certificate of title has been canceled and for which an affidavit of affixture has been duly recorded pursuant to subsection (2) of this section shall be treated as part of the real estate upon which such mobile home or manufactured home is located. Any lien thereon shall be perfected and enforced in the same manner as a lien on real estate. The owner of such mobile home or manufactured home may convey ownership of the mobile home or manufactured home only as a part of the real estate to which it is affixed.

(5)(a) If each owner of both the mobile home or manufactured home and the real estate described in subdivision (1)(c) of this section intends to detach the mobile home or manufactured home from the real estate, the owner shall do both of the following: (i) Before detaching the mobile home or manufactured home, record an affidavit of detachment in the office of the register of deeds in the county in which the affidavit is recorded under subdivision (1)(c) of this section; and (ii) apply for a certificate of title for the mobile home or manufactured home pursuant to section 60-147.

(b) The affidavit of detachment shall contain all of the following:

(i) The names and addresses of all of the owners of record of the mobile home or manufactured home;

(ii) A description of the mobile home or manufactured home that includes the name of the manufacturer, the year of manufacture, the model, and the manufacturer's serial number;

(iii) The legal description of the real estate from which the mobile home or manufactured home is to be detached and the names of all of the owners of record of the real estate;

(iv) A statement that the mobile home or manufactured home is to be detached from the real property;

(v) A statement that the certificate of title of the mobile home or manufactured home has previously been canceled;

(vi) The name of each holder of a lien of record against the real estate from which the mobile home or manufactured home is to be detached, with the written consent of each holder to the detachment; and

(vii) The name and address of an owner, a financial institution, or another entity to which the certificate of title may be delivered.

(6) An owner of an affixed mobile home or manufactured home for which the certificate of title has previously been canceled pursuant to subsection (2) of this section shall not detach the mobile home or manufactured home from the real estate before a certificate of title for the mobile home or manufactured home is issued by the county treasurer or department. If a certificate of title is issued by the county treasurer or department, the mobile home or manufactured home is no longer considered part of the real property. Any lien thereon shall be perfected pursuant to section 60-164. The owner of such mobile home or manufactured home may convey ownership of the mobile home or manufactured home only by way of a certificate of title.

(7) For purposes of this section:

(a) A mobile home or manufactured home is affixed to real estate if the wheels, towing hitches, and running gear are removed and it is permanently attached to a foundation or other support system; and

(b) Ownership interest means the fee simple interest in real estate or an interest as the lessee under a lease of the real property that has a term that continues for at least twenty years after the recording of the affidavit under subsection (2) of this section.

(8) Upon cancellation of a certificate of title in the manner prescribed by this section, the county treasurer and the department may cancel and destroy all certificates and all memorandum certificates in that chain of title.

Operative date January 1, 2025.

60-386 Application; contents.

(1) Each new application shall contain, in addition to other information as may be required by the department, the name and residential and mailing address of the applicant and a description of the motor vehicle or trailer, including the color, the manufacturer, the identification number, the United States Department of Transportation number if required by 49 C.F.R. 390.5 through 390.21, as such regulations existed on January 1, 2024, and the weight of the motor vehicle or trailer required by the Motor Vehicle Registration Act. For trailers which are not required to have a certificate of title under section 60-137 and which have no identification number, the assignment of an identification number shall be required and the identification number shall be issued by the county treasurer or department. With the application the applicant shall pay the proper registration fee and shall state whether the motor vehicle is propelled by alternative fuel and, if alternative fuel, the type of fuel. The application shall also contain a notification that bulk fuel purchasers may be subject to federal excise tax liability. The department shall include such notification in the notices required by section 60-3,186.

(2) In addition to the information required under subsection (1) of this section, the application for registration shall contain (a)(i) the full legal name as defined in section 60-468.01 of each owner or (ii) the name of each owner as such name appears on the owner's motor vehicle operator's license or state identification card and (b)(i) the motor vehicle operator's license number or state identification card number of each owner, if applicable, and one or more of the identification elements as listed in section 60-484 of each owner, if applicable, and (ii) if any owner is a business entity, a nonprofit organization, an estate, a trust, or a church-controlled organization, its tax identification number.

Operative date April 16, 2024.

60-392 Renewal of registration; license plates; validation decals; registration period; expiration.

(1) Except as provided otherwise in this section, registration may be renewed annually in a manner designated by the department and upon payment of the same fee as provided for the original registration. On making an application for renewal, the registration certificate for the preceding registration period or

renewal notice or other evidence designated by the department shall be presented with the application. A person may renew an annual registration up to thirty days prior to the date of expiration.

(2) The certificate of registration and license plates issued by the department shall be valid during the registration period for which they are issued, and when validation decals issued pursuant to section 60-3,101 have been affixed to the license plates, the plates shall also be valid for the registration period designated by such validation decals. If a person renews an annual registration up to thirty days prior to the date of expiration, the registration shall be valid for such time period as well.

(3) The registration period for motor vehicles and trailers required to be registered as provided in section 60-362 shall expire on the first day of the month one year from the month of issuance, and renewal shall become due on such day and shall become delinquent on the first day of the following month.

(4) Subsections (1) through (3) of this section do not apply to dealer's license plates, repossession plates, and transporter plates as provided in sections 60-373, 60-375, 60-378, and 60-379, which plates shall be issued for a calendar year.

(5) The registration period for apportioned vehicles as provided in section 60-3,198 shall be renewed monthly, quarterly, or annually at the discretion of the director. Such registration period expires on the last day of the registration period and renewal is delinquent on the first day of the second full month following such expiration date. The department may adopt and promulgate rules and regulations to establish a staggered registration system for apportioned vehicles registered pursuant to section 60-3,198, including the collection of eighteen or fewer months of registration fees.

60-393 Multiple vehicle registration.

Any owner who has two or more motor vehicles or trailers required to be registered under the Motor Vehicle Registration Act may register all such motor vehicles or trailers on a calendar-year basis or on an annual basis for the same registration period beginning in a month chosen by the owner. When electing to establish the same registration period for all such motor vehicles or trailers, the owner shall pay the registration fee, the motor vehicle tax imposed in section 60-3,185, the motor vehicle fee imposed in section 60-3,190, and the alternative fuel fee imposed in section 60-3,191 on each motor vehicle for the number of months necessary to extend its current registration period to the registration period under which all such motor vehicles or trailers will be registered. Credit shall be given for registration paid on each motor vehicle or trailer when the motor vehicle or trailer has a later expiration date than that chosen by the owner except as otherwise provided in sections 60-3,121, 60-3,122.02, 60-3,122.04, 60-3,128, 60-3,224, 60-3,227, 60-3,233, 60-3,235, 60-3,238, 60-3,240, 60-3,242, 60-3,244, 60-3,246, 60-3,248, 60-3,250, 60-3,252, 60-3,254, 60-3,256, 60-3,258, and 60-3,260. Thereafter all such motor vehicles or trailers shall be registered on an annual basis starting in the month chosen by the owner.

Operative date July 19, 2024.

60-395 Refund or credit of fees; when authorized.

(1) Except as otherwise provided in subsection (2) of this section and sections 60-3,121, 60-3,122.02, 60-3,122.04, 60-3,128, 60-3,224, 60-3,227, 60-3,231, 60-3,233, 60-3,235, 60-3,238, 60-3,240, 60-3,242, 60-3,244, 60-3,246, 60-3,248, 60-3,250, 60-3,252, 60-3,254, 60-3,256, 60-3,258, and 60-3,260, the registration shall expire and the registered owner or lessee may, by returning the registration certificate, the license plates, and, when appropriate, the validation decals and by either making application on a form prescribed by the department to the county treasurer of the occurrence of an event described in subdivisions (a) through (e) of this subsection or, in the case of a change in situs, displaying to the county treasurer the registration certificate of such other state as evidence of a change in situs, receive a refund of that part of the unused fees and taxes on motor vehicles or trailers based on the number of unexpired months remaining in the registration period from the date of any of the following events:

(a) Upon transfer of ownership of any motor vehicle or trailer;

(b) In case of loss of possession because of fire, natural disaster, theft, dismantlement, or junking;

(c) When a salvage branded certificate of title is issued;

(d) Whenever a type or class of motor vehicle or trailer previously registered is subsequently declared by legislative act or court decision to be illegal or ineligible to be operated or towed on the public roads and no longer subject to registration fees, the motor vehicle tax imposed in section 60-3,185, the motor vehicle fee imposed in section 60-3,190, and the alternative fuel fee imposed in section 60-3,191;

(e) Upon a trade-in or surrender of a motor vehicle under a lease; or

(f) In case of a change in the situs of a motor vehicle or trailer to a location outside of this state.

(2) If the date of the event falls within the same calendar month in which the motor vehicle or trailer is acquired, no refund shall be allowed for such month.

(3) If the transferor or lessee acquires another motor vehicle at the time of the transfer, trade-in, or surrender, the transferor or lessee shall have the credit provided for in this section applied toward payment of the motor vehicle fees and taxes then owing. Otherwise, the transferor or lessee shall file a claim for refund with the county treasurer upon an application form prescribed by the department.

(4) The registered owner or lessee shall make a claim for refund or credit of the fees and taxes for the unexpired months in the registration period within sixty days after the date of the event or shall be deemed to have forfeited his or her right to such refund or credit.

(5) For purposes of this section, the date of the event shall be: (a) In the case of a transfer or loss, the date of the transfer or loss; (b) in the case of a change in the situs, the date of registration in another state; (c) in the case of a trade-in

or surrender under a lease, the date of trade-in or surrender; (d) in the case of a legislative act, the effective date of the act; and (e) in the case of a court decision, the date the decision is rendered.

(6) Application for registration or for reassignment of license plates and, when appropriate, validation decals to another motor vehicle or trailer shall be made within thirty days of the date of purchase.

(7) If a motor vehicle or trailer was reported stolen under section 60-178, a refund under this section shall not be reduced for a lost plate charge and a credit under this section may be reduced for a lost plate charge but the applicant shall not be required to pay the plate fee for new plates.

(8) The county treasurer shall refund the motor vehicle fee and registration fee from the fees which have not been transferred to the State Treasurer. The county treasurer shall make payment to the claimant from the undistributed motor vehicle taxes of the taxing unit where the tax money was originally distributed. No refund of less than two dollars shall be paid.

60-396 Credit of fees; vehicle disabled or removed from service.

Whenever the registered owner files an application with the county treasurer showing that a motor vehicle, trailer, or semitrailer is disabled and has been removed from service, the registered owner may, by returning the registration certificate, the license plates, and, when appropriate, the validation decals or, in the case of the unavailability of such registration certificate or certificates, license plates, or validation decals, then by making an affidavit to the county treasurer of such disablement and removal from service, receive a credit for a portion of the registration fee from the fee deposited with the State Treasurer at the time of registration based upon the number of unexpired months remaining in the registration year except as otherwise provided in sections 60-3,121, 60-3,122.02, 60-3,122.04, 60-3,128, 60-3,224, 60-3,227, 60-3,233, 60-3,235, 60-3,238, 60-3,240, 60-3,242, 60-3,244, 60-3,246, 60-3,248, 60-3,250, 60-3,252, 60-3,254, 60-3,256, 60-3,258, and 60-3,260. The owner shall also receive a credit for the unused portion of the motor vehicle tax and fee based upon the number of unexpired months remaining in the registration year. When the owner registers a replacement motor vehicle, trailer, or semitrailer at the time of filing such affidavit, the credit may be immediately applied against the registration fee and the motor vehicle tax and fee for the replacement motor vehicle, trailer, or semitrailer. When no such replacement motor vehicle, trailer, or semitrailer is so registered, the county treasurer shall determine the amount, if any, of the allowable credit for the registration fee and the motor vehicle tax and fee and issue a credit certificate to the owner. When such motor vehicle, trailer, or semitrailer is removed from service within the same month in which it was registered, no credits shall be allowed for such month. The

credits may be applied against taxes and fees for new or replacement motor vehicles, trailers, or semitrailers incurred within one year after cancellation of registration of the motor vehicle, trailer, or semitrailer for which the credits were allowed. When any such motor vehicle, trailer, or semitrailer is reregistered within the same registration year in which its registration has been canceled, the taxes and fees shall be that portion of the registration fee and the motor vehicle tax and fee for the remainder of the registration year.

60-3,100 License plates; issuance; license decal; display; additional registration fee.

(1) The department shall issue to every person whose motor vehicle or trailer is registered one or two fully reflectorized license plates upon which shall be displayed (a) the registration number consisting of letters and numerals assigned to such motor vehicle or trailer in figures not less than two and one-half inches nor more than three inches in height and (b) also the word Nebraska suitably lettered so as to be attractive. The license plates shall be of a color designated by the director. The color of the plates shall be changed each time the license plates are changed. Each time the license plates are changed, the director shall secure competitive bids for materials pursuant to the State Procurement Act. Autocycle, motorcycle, minitruck, low-speed vehicle, and trailer license plate letters and numerals may be one-half the size of those required in this section.

(2)(a) Except as otherwise provided in this subsection, two license plates shall be issued for every motor vehicle.

(b) One license plate shall be issued for (i) apportionable vehicles, (ii) buses, (iii) dealers, (iv) minitrucks, (v) motorcycles, other than autocycles, (vi) special interest motor vehicles that use the special interest motor vehicle license plate authorized by and issued under section 60-3,135.01, (vii) trailers, and (viii) truck-tractors.

(c)(i) One license plate shall be issued, upon request and compliance with this subdivision, for any passenger car which is not manufactured to be equipped with a bracket on the front of the vehicle to display a license plate. A license decal shall be issued with the license plate as provided in subdivision (ii) of this subdivision and shall be displayed on the driver's side of the windshield. In order to request a single license plate and license decal, there shall be an additional annual nonrefundable registration fee of fifty dollars plus the cost of the decal paid to the county treasurer at the time of registration. All fees collected under this subdivision shall be remitted to the State Treasurer for credit to the Highway Trust Fund.

(ii) The department shall design, procure, and furnish to the county treasurers a license decal which shall be displayed as evidence that a license plate has been obtained under this subdivision. Each county treasurer shall furnish a license decal to the person obtaining the plate.

(d) When two license plates are issued, one shall be prominently displayed at all times on the front and one on the rear of the registered motor vehicle or trailer. When only one plate is issued, it shall be prominently displayed on the rear of the registered motor vehicle or trailer. When only one plate is issued for motor vehicles registered pursuant to section 60-3,198 and truck-tractors, it shall be prominently displayed on the front of the apportionable vehicle.

60-3,113.04 Handicapped or disabled person; parking permit; contents; issuance; duplicate permit.

(1) A handicapped or disabled parking permit shall be of a design, size, configuration, color, and construction and contain such information as specified in the regulations adopted by the United States Department of Transportation in 23 C.F.R. part 1235, UNIFORM SYSTEM FOR PARKING FOR PERSONS WITH DISABILITIES, as such regulations existed on January 1, 2024.

(2) No handicapped or disabled parking permit shall be issued to any person or for any motor vehicle if any permit has been issued to such person or for such motor vehicle and such permit has been suspended pursuant to section 18-1741.02. At the expiration of such suspension, a permit may be renewed in the manner provided for renewal in sections 60-3,113.02, 60-3,113.03, and 60-3,113.05.

(3) A duplicate handicapped or disabled parking permit may be provided up to two times during any single permit period if a permit is destroyed, lost, or stolen. Such duplicate permit shall be issued as provided in section 60-3,113.02 or 60-3,113.03, whichever is applicable, except that a new certification by a physician, a physician assistant, or an advanced practice registered nurse need not be provided. A duplicate permit shall be valid for the remainder of the period for which the original permit was issued. If a person has been issued two duplicate permits under this subsection and needs another permit, such person shall reapply for a new permit under section 60-3,113.02 or 60-3,113.03, whichever is applicable.

60-3,122 Pearl Harbor plates.

(1) Any person may, in addition to the application required by section 60-385, apply to the department for license plates designed by the department to indicate that he or she is a survivor of the Japanese attack on Pearl Harbor if he or she:

(a) Was a member of the United States Armed Forces on December 7, 1941;

(b) Was on station on December 7, 1941, during the hours of 7:55 a.m. to 9:45 a.m. Hawaii time at Pearl Harbor, the island of Oahu, or offshore at a distance not to exceed three miles;

(c) Was discharged or otherwise separated with a characterization of honorable from the United States Armed Forces; and

(d) Holds a current membership in a Nebraska Chapter of the Pearl Harbor Survivors Association.

(2) Pearl Harbor license plates shall be issued upon the applicant paying the license plate fee as provided in subsection (3) of this section and furnishing proof satisfactory to the department that the applicant fulfills the requirements provided by subsection (1) of this section. Any number of motor vehicles, trailers, or semitrailers owned by the applicant may be so licensed at any one time. Motor vehicles and trailers registered under section 60-3,198 shall not be so licensed.

(3) No license plate fee shall be required for Pearl Harbor license plates.

(4) If the license plates issued pursuant to this section are lost, stolen, or mutilated, the recipient of the plates shall be issued replacement license plates upon request and without charge.

(5) License plates issued under this section shall not require the payment of any additional license plate fees and shall be permanently attached to the vehicle to which the plates are registered as long as the vehicle is properly registered by the applicant annually.

(6) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the

registration fee shall be made for the issuance of a temporary license sticker under this subsection. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

60-3,122.02 Gold Star Family plates; eligibility; verification; fee; delivery; fee.

(1) Any person who is a surviving spouse, whether remarried or not, or an ancestor, including a stepparent, a descendant, including a stepchild, a foster parent or a person in loco parentis, or a sibling of a person who died while in good standing on active duty in the military service of the United States may apply to the department for Gold Star Family plates in lieu of regular license plates on an application prescribed and provided by the department for any motor vehicle, trailer, or semitrailer, except for a motor vehicle or trailer registered under section 60-3,198. An applicant receiving a Gold Star Family plate for a farm truck with a gross weight of over sixteen tons shall affix the appropriate tonnage decal to the plate. The department shall make forms available for such applications through the county treasurers. In order to be eligible for Gold Star Family plates, a person shall register with the Department of Veterans' Affairs pursuant to section 80-414. The plates shall be issued upon payment of the license fee described in subsection (2) of this section and verification by the Department of Motor Vehicles of an applicant's eligibility using the registry established by the Department of Veterans' Affairs pursuant to section 80-414.

(2)(a) No additional fee shall be required for consecutively numbered Gold Star Family plates issued under this section and such plates shall not require the payment of any additional license plate fees and shall be permanently attached to the vehicle to which the plates are registered as long as the vehicle is properly registered by the applicant annually.

(b)(i) Each application for initial issuance of personalized message Gold Star Family plates shall be accompanied by a fee of forty dollars. An application for renewal of such plates shall be accompanied by a fee of forty dollars. County treasurers collecting fees for renewals pursuant to this subdivision shall remit them to the State Treasurer. The State Treasurer shall credit twenty-five percent of the fee for initial issuance and renewal of such plates to the Department of Motor Vehicles Cash Fund and seventy-five percent of the fee to the Nebraska Veteran Cemetery System Operation Fund.

(ii) No license plate fee under section 60-3,102 shall be required for personalized message Gold Star Family plates issued under this section, other than the renewal fee provided for in subdivision (2)(b)(i) of this section. Such plates shall be permanently attached to the vehicle to which the plates are registered as long as the vehicle is properly registered by the applicant annually and the renewal fee provided for in subdivision (2)(b)(i) of this section is paid.

(3)(a) When the department receives an application for Gold Star Family plates, the department may deliver the plates and registration certificate to the

applicant by United States mail or to the county treasurer of the county in which the motor vehicle or trailer is registered and the delivery of the plates and registration certificate shall be made through a secure process and system. If delivery of the plates and registration certificate is made by the department to the applicant, the department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant. The department shall remit the fee to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund. The county treasurer or the department shall issue Gold Star Family plates in lieu of regular license plates when the applicant complies with the other provisions of the Motor Vehicle Registration Act for registration of the motor vehicle or trailer. If Gold Star Family plates are lost, stolen, or mutilated, the licensee shall be issued replacement license plates upon request and without charge.

(b) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subdivision. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

(4) The owner of a motor vehicle or trailer bearing Gold Star Family plates may apply to the county treasurer to have such plates transferred at no cost to a motor vehicle other than the vehicle for which such plates were originally purchased if such vehicle is owned by the owner of the plates. The owner may have the unused portion of the fee for the plates, if any, credited to the other vehicle which will bear the plates at the rate of eight and one-third percent per month for each full month left in the registration period.

(5) If the cost of manufacturing Gold Star Family plates at any time exceeds the amount charged for license plates pursuant to section 60-3,102, any money to be credited to the Nebraska Veteran Cemetery System Operation Fund shall instead be credited first to the Highway Trust Fund in an amount equal to the difference between the manufacturing costs of Gold Star Family plates and the amount charged pursuant to section 60-3,102 with respect to such plates and the remainder shall be credited to the Nebraska Veteran Cemetery System Operation Fund.

60-3,122.03 Military Honor Plates; design.

(1) The department shall design license plates to be known as Military Honor Plates.

(2) The department shall create designs honoring persons who have served or are serving in the United States Army, United States Army Reserve, United States Navy, United States Navy Reserve, United States Marine Corps, United States Marine Corps Reserve, United States Coast Guard, United States Coast

Guard Reserve, United States Air Force, United States Air Force Reserve, Air National Guard, or Army National Guard.

(3) There shall be twelve such designs, one for each of such armed forces reflecting its official emblem, official seal, or other official image. The issuance of plates for each of such armed forces shall be conditioned on the approval of the armed forces owning the copyright to the official emblem, official seal, or other official image.

(4) The department shall create five additional designs honoring persons who are serving or have served in the armed forces of the United States and who have been awarded the Afghanistan Campaign Medal, Iraq Campaign Medal, Global War on Terrorism Expeditionary Medal, Southwest Asia Service Medal, or Vietnam Service Medal.

(5) A person may qualify for a Military Honor Plate by registering with the Department of Veterans' Affairs pursuant to section 80-414. The Department of Motor Vehicles shall verify the applicant's eligibility for a plate created pursuant to this section by consulting the registry established by the Department of Veterans' Affairs.

(6) The design shall be selected on the basis of limiting the manufacturing cost of each plate to an amount less than or equal to the amount charged for license plates pursuant to section 60-3,102. The Department of Motor Vehicles shall make applications available for each type of plate when it is designed. The department may adopt and promulgate rules and regulations to carry out this section and section 60-3,122.04.

(7) One type of Military Honor Plates shall be alphanumeric plates. The department shall:

(a) Assign a designation up to five characters; and

(b) Not use a county designation.

(8) One type of Military Honor Plates shall be personalized message plates. Such plates shall be issued subject to the same conditions specified for personalized message license plates in section 60-3,118, except that a maximum of five characters may be used.

(9) The department shall cease to issue Military Honor Plates beginning with the next license plate issuance cycle after the license plate issuance cycle that begins in 2023 pursuant to section 60-3,101 if the total number of registered vehicles that obtained such plates is less than five hundred per year within any prior consecutive two-year period.

60-3,123 Prisoner of war plates; eligibility; verification; fee.

(1) Any person who was captured and incarcerated by an enemy of the United States during a period of conflict with such enemy and who was discharged or otherwise separated with a characterization of honorable from or is currently serving in the United States Armed Forces may, in addition to the application required in section 60-385, apply to the department for license plates designed to indicate that he or she is a former prisoner of war.

(2) In order to be eligible for license plates under this section, a person shall register with the Department of Veterans' Affairs pursuant to section 80-414. The license plates shall be issued upon the applicant paying the license plate fee as provided in subsection (3) of this section and verification by the Department of Motor Vehicles of an applicant's eligibility using the registry established by the Department of Veterans' Affairs pursuant to section 80-414. Any number of motor vehicles, trailers, or semitrailers owned by the applicant may be so licensed at any one time. Motor vehicles and trailers registered under section 60-3,198 shall not be so licensed.

(3) No license plate fee shall be required for license plates under this section.

(4) If the license plates issued under this section are lost, stolen, or mutilated, the recipient of the license plates shall be issued replacement license plates upon request and without charge.

(5) License plates issued under this section shall not require the payment of any additional license plate fees and shall be permanently attached to the vehicle to which the plates are registered as long as the vehicle is properly registered by the applicant annually.

(6) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subsection. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

60-3,124 Disabled veteran plates; eligibility; verification; fee.

(1) Any person who is a veteran of the United States Armed Forces, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who is classified by the United States Department of Veterans Affairs as one hundred percent service-connected disabled may, in addition to the application required in section 60-385, apply to the Department of Motor Vehicles for license plates designed by the department to indicate that the applicant is a disabled veteran. The inscription on the license plates shall be D.A.V. immediately below the license plate number to indicate that the holder of the license plates is a disabled veteran.

(2) In order to be eligible for license plates under this section, a person shall register with the Department of Veterans' Affairs pursuant to section 80-414. The plates shall be issued upon the applicant paying the license plate fee as provided in subsection (3) of this section and verification by the Department of Motor Vehicles of an applicant's eligibility using the registry established by the Department of Veterans' Affairs pursuant to section 80-414. Any number of motor vehicles, trailers, or semitrailers owned by the applicant may be so licensed at any one time. Motor vehicles and trailers registered under section 60-3,198 shall not be so licensed.

(3) No license plate fee shall be required for license plates under this section.

(4) If the license plates issued under this section are lost, stolen, or mutilated, the recipient of the plates shall be issued replacement license plates as provided in section 60-3,157.

(5) License plates issued under this section shall not require the payment of any additional license plate fees and shall be permanently attached to the vehicle to which the plates are registered as long as the vehicle is properly registered by the applicant annually.

(6) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subsection. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

60-3,125 Purple Heart plates; eligibility; verification; fee.

(1) Any person may, in addition to the application required by section 60-385, apply to the department for license plates designed by the department to indicate that the applicant has received from the federal government an award of a Purple Heart. The inscription of the plates shall be designed so as to include a facsimile of the award and beneath any numerical designation upon the plates pursuant to section 60-370 the words Purple Heart separately on one line and the words Combat Wounded on the line below.

(2) In order to be eligible for license plates under this section, a person shall register with the Department of Veterans' Affairs pursuant to section 80-414. The license plates shall be issued upon payment of the license plate fee as provided in subsection (3) of this section and verification by the Department of Motor Vehicles of an applicant's eligibility using the registry established by the Department of Veterans' Affairs pursuant to section 80-414. Any number of motor vehicles, trailers, or semitrailers owned by the applicant may be so licensed at any one time. Motor vehicles and trailers registered under section 60-3,198 shall not be so licensed.

(3) No license plate fee shall be required for license plates under this section.

(4) If license plates issued pursuant to this section are lost, stolen, or mutilated, the recipient of the plates shall be issued replacement license plates upon request and without charge.

(5) License plates issued under this section shall not require the payment of any additional license plate fees and shall be permanently attached to the vehicle to which the plates are registered as long as the vehicle is properly registered by the applicant annually.

(6) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the

registration fee shall be made for the issuance of a temporary license sticker under this subsection. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

60-3,126 Amateur radio station license plates; fee; renewal.

(1) Any person who holds an unrevoked and unexpired amateur radio station license issued by the Federal Communications Commission and is the owner of a motor vehicle, trailer, or semitrailer, except for motor vehicles and trailers registered under section 60-3,198, may, in addition to the application required by section 60-385, apply to the department for license plates upon which shall be inscribed the official amateur radio call letters of such applicant.

(2) Such license plates shall be issued, in lieu of the usual numbers and letters, to such an applicant upon payment of the regular license fee and the payment of an additional fee of five dollars and furnishing proof that the applicant holds such an unrevoked and unexpired amateur radio station license. The additional fee shall be remitted to the State Treasurer for credit to the Highway Trust Fund. Only one such motor vehicle or trailer owned by an applicant shall be so registered at any one time.

(3) An applicant applying for renewal of amateur radio station license plates shall again furnish proof that he or she holds an unrevoked and unexpired amateur radio station license issued by the Federal Communications Commission.

(4) The department shall prescribe the size and design of the license plates and furnish such plates to the persons applying for and entitled to the same upon the payment of the required fee.

(5) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subsection. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

60-3,128 Nebraska Cornhusker Spirit Plates; application; fee; delivery; fee; transfer; credit allowed.

(1) A person may apply to the department for Nebraska Cornhusker Spirit Plates in lieu of regular license plates on an application prescribed and provided by the department for any motor vehicle, trailer, or semitrailer, except for motor vehicles or trailers registered under section 60-3,198. An applicant receiving a spirit plate for a farm truck with a gross weight of over sixteen tons

or for a commercial motor vehicle registered for a gross weight of five tons or over shall affix the appropriate tonnage decal to the spirit plate. The department shall make forms available for such applications through the county treasurers. Each application for initial issuance or renewal of spirit plates shall be accompanied by a fee of seventy dollars. Fees collected pursuant to this subsection shall be remitted to the State Treasurer. The State Treasurer shall credit sixty percent of the fees for initial issuance and renewal of spirit plates to the Department of Motor Vehicles Cash Fund and forty percent of the fees to the Highway Trust Fund.

(2)(a) When the department receives an application for spirit plates, the department may deliver the plates and registration certificate to the applicant by United States mail or to the county treasurer of the county in which the motor vehicle or trailer is registered and the delivery of the plates and registration certificate shall be made through a secure process and system. If delivery of the plates and registration certificate is made by the department to the applicant, the department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant. The department shall remit the fee to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund. The county treasurer or the department shall issue spirit plates in lieu of regular license plates when the applicant complies with the other provisions of law for registration of the motor vehicle or trailer. If spirit plates are lost, stolen, or mutilated, the licensee shall be issued replacement license plates pursuant to section 60-3,157.

(b) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subdivision. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

(3)(a) The owner of a motor vehicle or trailer bearing spirit plates may make application to the county treasurer to have such spirit plates transferred to a motor vehicle or trailer other than the motor vehicle or trailer for which such plates were originally purchased if such motor vehicle or trailer is owned by the owner of the spirit plates.

(b) The owner may have the unused portion of the spirit plate fee credited to the other motor vehicle or trailer which will bear the spirit plate at the rate of eight and one-third percent per month for each full month left in the registration period.

(c) Application for such transfer shall be accompanied by a fee of three dollars. Fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

60-3,130.02 Historical license plates; fees; delivery; fee.

(1) An initial processing fee of ten dollars shall be submitted with an application under section 60-3,130 to defray the costs of issuing the first plate to each collector and to establish a distinct identification number for each collector. A fee of fifty dollars for each vehicle so registered shall also be submitted with the application. When the department receives an application for historical license plates, the department may deliver the plates and registration certificate to the applicant by United States mail. The department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant. The department shall remit the fee to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

(2) For use of license plates as provided in section 60-3,130.04, a fee of twenty-five dollars shall be submitted with the application in addition to the fees specified in subsection (1) of this section.

(3) The fees shall be remitted to the State Treasurer for credit to the Highway Trust Fund.

60-3,130.04 Historical vehicle; model-year license plates; authorized.

(1) An owner of a historical vehicle eligible for registration under section 60-3,130 may use a license plate or plates designed by this state in the year corresponding to the model year when the vehicle was manufactured in lieu of the plates designed pursuant to section 60-3,130.03 subject to the approval of the department. The department shall inspect the plate or plates and may approve the plate or plates if it is determined that the model-year license plate or plates are legible and serviceable and that the license plate numbers do not conflict with or duplicate other numbers assigned and in use. An original-issued license plate or plates that have been restored to original condition may be used when approved by the department.

(2) The department may consult with a recognized car club in determining whether the year of the license plate or plates to be used corresponds to the model year when the vehicle was manufactured.

(3) If only one license plate is used on the vehicle, the license plate shall be placed on the rear of the vehicle. The owner of a historical vehicle may use only one plate on the vehicle even for years in which two license plates were issued for vehicles in general.

(4) License plates used pursuant to this section corresponding to the year of manufacture of the vehicle shall not be personalized message license plates, Pearl Harbor license plates, prisoner-of-war license plates, disabled veteran license plates, Purple Heart license plates, amateur radio station license plates, Nebraska Cornhusker Spirit Plates, Nebraska History Plates, handicapped or disabled person license plates, specialty license plates, special interest motor vehicle license plates, Military Honor Plates, Nebraska 150 Sesquicentennial Plates, Breast Cancer Awareness Plates, Prostate Cancer Awareness Plates, Mountain Lion Conservation Plates, Choose Life License Plates, Czech Heritage Plates, Donate Life Plates, Down Syndrome Awareness Plates, Native American Cultural Awareness and History Plates, Sammy's Superheroes license plates for childhood cancer awareness, Wildlife Conservation Plates, Pets for Vets Plates,

Support the Arts Plates, Support Our Troops Plates, The Good Life Is Outside Plates, or Josh the Otter-Be Safe Around Water Plates.

Operative date July 19, 2024.

60-3,135.01 Special interest motor vehicle license plates; application; fee; delivery; fee; special interest motor vehicle; restrictions on use; prohibited acts; penalty.

(1) The department shall either modify an existing plate design or design license plates to identify special interest motor vehicles, to be known as special interest motor vehicle license plates. The department, in designing such special interest motor vehicle license plates, shall include the words special interest and limit the manufacturing cost of each plate to an amount less than or equal to the amount charged for license plates pursuant to section 60-3,102. The department shall choose the design of the plate. The department shall make applications available for this type of plate when it is designed.

(2) One type of special interest motor vehicle license plate shall be alphanumeric plates. The department shall:

(a) Assign a designation up to seven characters; and

(b) Not use a county designation.

(3) One type of special interest motor vehicle license plate shall be personalized message plates. Such plates shall be issued subject to the same conditions specified for personalized message license plates in section 60-3,118.

(4) A person may apply to the department for a special interest motor vehicle license plate in lieu of regular license plates on an application prescribed and provided by the department for any special interest motor vehicle, except that no motor vehicle registered under section 60-3,198, autocycle, motorcycle, or trailer shall be eligible for special interest motor vehicle license plates. The department shall make forms available for such applications through the county treasurers.

(5) The form shall contain a description of the special interest motor vehicle owned and sought to be registered, including the make, body type, model, serial number, and year of manufacture.

(6)(a) In addition to all other fees required to register a motor vehicle, each application for initial issuance or renewal of a special interest motor vehicle license plate shall be accompanied by a special interest motor vehicle license plate fee of fifty dollars. Twenty-five dollars of the special interest motor vehicle license plate fee shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund, and twenty-five dollars of the special interest motor vehicle license plate fee shall be remitted to the State Treasurer for credit to the Highway Trust Fund.

(b) If a special interest motor vehicle license plate is lost, stolen, or mutilated, the owner shall be issued a replacement license plate pursuant to section 60-3,157.

(7) When the department receives an application for a special interest motor vehicle license plate, the department may deliver the plate and registration certificate to the applicant by United States mail or to the county treasurer of the county in which the special interest motor vehicle is registered and the delivery of the plate and registration certificate shall be made through a secure process and system. If delivery of the plates and registration certificate is made by the department to the applicant, the department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant. The department shall remit the fee to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund. The county treasurer or the department shall issue the special interest motor vehicle license plate in lieu of regular license plates when the applicant complies with the other provisions of the Motor Vehicle Registration Act for registration of the special interest motor vehicle.

(8) If the cost of manufacturing special interest motor vehicle license plates at any time exceeds the amount charged for license plates pursuant to section 60-3,102, any money to be credited to the Department of Motor Vehicles Cash Fund under this section shall instead be credited first to the Highway Trust Fund in an amount equal to the difference between the manufacturing costs of special interest motor vehicle license plates and the amount charged pursuant to section 60-3,102 with respect to such license plates and the remainder shall be credited to the Department of Motor Vehicles Cash Fund.

(9) The special interest motor vehicle license plate shall be affixed to the rear of the special interest motor vehicle.

(10) A special interest motor vehicle shall not be used for the same purposes and under the same conditions as other motor vehicles of the same type and shall not be used for business or occupation or regularly for transportation to and from work. A special interest motor vehicle may be driven on the public streets and roads only for occasional transportation, public displays, parades, and related pleasure or hobby activities.

(11) It shall be unlawful to own or operate a motor vehicle with special interest motor vehicle license plates in violation of this section. Upon conviction of a violation of any provision of this section, a person shall be guilty of a Class V misdemeanor.

(12) For purposes of this section, special interest motor vehicle means a motor vehicle of any age which is being collected, preserved, restored, or maintained by the owner as a leisure pursuit and not used for general transportation of persons or cargo.

60-3,162 Certificate of registration; improper issuance; revocation.

(1) The department shall, upon a sworn complaint in writing of any person, investigate whether a certificate of registration:

(a) Has been issued on a motor vehicle or trailer that exceeds the length, height, or width provided by law;

(b) Was issued contrary to any law of this state; or

(c) Was issued to a person who has had a certificate of registration revoked pursuant to subdivision (1)(c) of section 60-3,183 under the International Registration Plan Act.

(2) If the department validates the information in the complaint after conducting such investigation, it shall have the power to revoke such certificate of registration.

60-3,198 Fleet of vehicles in interjurisdiction commerce; registration; exception; application; fees; temporary authority; evidence of registration; proportional registration; removal from fleet; effect; unladen-weight registration; trip permit; fee.

(1)(a) Any owner engaged in operating a fleet of apportionable vehicles in this state in interjurisdiction commerce may, in lieu of registration of such apportionable vehicles under the general provisions of the Motor Vehicle Registration Act, register and license such fleet for operation in this state by filing a statement and the application required by section 60-3,203 with the Division of Motor Carrier Services of the department. The statement shall be in such form and contain such information as the division requires, declaring the total

mileage operated by such vehicles in all jurisdictions and in this state during the preceding year and describing and identifying each such apportionable vehicle to be operated in this state during the ensuing license period.

(b)(i) Before July 1, 2024, upon receipt of such statement and application, the division shall determine the total fee payment, which shall be equal to the amount of fees due pursuant to section 60-3,203 and the amount obtained by applying the formula provided in section 60-3,204 to a fee of thirty-five dollars per ton based upon gross vehicle weight of the empty weights of a truck or truck-tractor and the empty weights of any trailer or combination thereof with which it is to be operated in combination at any one time plus the weight of the maximum load to be carried thereon at any one time, and shall notify the applicant of the amount of payment required to be made. Mileage operated in noncontracting reciprocity jurisdictions by apportionable vehicles based in Nebraska shall be applied to the portion of the formula for determining the Nebraska injurisdiction fleet distance.

(ii) Beginning July 1, 2024, upon receipt of such statement and application, the division shall determine the total fee payment, which shall be equal to the amount of fees due pursuant to section 60-3,203 and the amount obtained by applying the formula provided in section 60-3,204 to a fee of thirty-three dollars and fifty cents per ton based upon gross vehicle weight of the empty weights of a truck or truck-tractor and the empty weights of any trailer or combination thereof with which it is to be operated in combination at any one time plus the weight of the maximum load to be carried thereon at any one time, and shall notify the applicant of the amount of payment required to be made. Mileage operated in noncontracting reciprocity jurisdictions by apportionable vehicles based in Nebraska shall be applied to the portion of the formula for determining the Nebraska injurisdiction fleet distance.

(c) Temporary authority which permits the operation of a fleet or an addition to a fleet in this state while the application is being processed may be issued upon application to the division if necessary to complete processing of the application.

(d) Upon completion of such processing and receipt of the appropriate fees, the division shall issue to the applicant a sufficient number of distinctive registration certificates which provide a list of the jurisdictions in which the apportionable vehicle has been apportioned, the weight for which registered, and such other evidence of registration for display on the apportionable vehicle as the division determines appropriate for each of the apportionable vehicles of his or her fleet, identifying it as a part of an interjurisdiction fleet proportionately registered. Such registration certificates may be displayed as a legible paper copy or electronically as authorized by the department. All fees received as provided in this section shall be remitted to the State Treasurer for credit to the Motor Carrier Services Division Distributive Fund.

(e) The apportionable vehicles so registered shall be exempt from all further registration and license fees under the Motor Vehicle Registration Act for movement or operation in the State of Nebraska except as provided in section 60-3,203. The proportional registration and licensing provision of this section shall apply to apportionable vehicles added to such fleets and operated in this state during the license period except with regard to permanent license plates issued under section 60-3,203.

(f) The right of applicants to proportional registration under this section shall be subject to the terms and conditions of any reciprocity agreement, contract, or consent made by the division.

(g) When a nonresident fleet owner has registered his or her apportionable vehicles, his or her apportionable vehicles shall be considered as fully registered for both interjurisdiction and intrajurisdiction commerce when the jurisdiction of base registration for such fleet accords the same consideration for fleets with a base registration in Nebraska. Each apportionable vehicle of a fleet registered by a resident of Nebraska shall be considered as fully registered for both interjurisdiction and intrajurisdiction commerce.

(2) Mileage proportions for interjurisdiction fleets not operated in this state during the preceding year shall be determined by the division upon the application of the applicant on forms to be supplied by the division which shall show the operations of the preceding year in other jurisdictions and estimated operations in Nebraska or, if no operations were conducted the previous year, a full statement of the proposed method of operation.

(3) Any owner complying with and being granted proportional registration shall preserve the records on which the application is made for a period of three years following the current registration period. Upon request of the division, the owner shall make such records available to the division at its office for audit as to accuracy of computation and payments or pay the costs of an audit at the home office of the owner by a duly appointed representative of the division if the office where the records are maintained is not within the State of Nebraska. The division may enter into agreements with agencies of other jurisdictions administering motor vehicle registration laws for joint audits of any such owner. All payments received to cover the costs of an audit shall be remitted by the division to the State Treasurer for credit to the Motor Carrier Division Cash Fund. No deficiency shall be assessed and no claim for credit shall be allowed for any license registration period for which records on which the application was made are no longer required to be maintained.

(4) If the division claims that a greater amount of fee is due under this section than was paid, the division shall notify the owner of the additional amount claimed to be due. The owner may accept such claim and pay the amount due, or he or she may dispute the claim and submit to the division any information which he or she may have in support of his or her position. If the dispute cannot otherwise be resolved within the division, the owner may petition for an appeal of the matter. The director shall appoint a hearing officer who shall hear the dispute and issue a written decision. Any appeal shall be in accordance with the Administrative Procedure Act. Upon expiration of the time for perfecting an appeal if no appeal is taken or upon final judicial determination if an appeal is taken, the division shall deny the owner the right to further registration for a fleet license until the amount finally determined to be due, together with any costs assessed against the owner, has been paid.

(5) Every applicant who licenses any apportionable vehicles under this section and section 60-3,203 shall have his or her registration certificates issued only after all fees under such sections are paid and, if applicable, proof has been furnished of payment, in the form prescribed by the director as directed by the United States Secretary of the Treasury, of the federal heavy vehicle use tax imposed by 26 U.S.C. 4481 of the Internal Revenue Code as defined in section 49-801.01.

(6)(a) In the event of the transfer of ownership of any registered apportionable vehicle, (b) in the case of loss of possession because of fire, natural disaster, theft, or wrecking, junking, or dismantling of any registered apportionable vehicle, (c) when a salvage branded certificate of title is issued for any registered apportionable vehicle, (d) whenever a type or class of registered apportioned vehicle is subsequently declared by legislative act or court decision to be illegal or ineligible to be operated or towed on the public roads and no longer subject to registration fees and taxes, (e) upon trade-in or surrender of a registered apportionable vehicle under a lease, or (f) in case of a change in the situs of a registered apportionable vehicle to a location outside of this state, its registration shall expire, except that if the registered owner or lessee applies to the division after such transfer or loss of possession and accompanies the application with a fee of one dollar and fifty cents, he or she may have any remaining credit of vehicle fees and taxes from the previously registered apportionable vehicle applied toward payment of any vehicle fees and taxes due and owing on another registered apportionable vehicle. If such registered apportionable vehicle has a greater gross vehicle weight than that of the previously registered apportionable vehicle, the registered owner or lessee of the registered apportionable vehicle shall additionally pay only the registration fee for the increased gross vehicle weight for the remaining months of the registration period based on the factors determined by the division in the original fleet application.

(7) Whenever a Nebraska-based fleet owner files an application with the division to delete a registered apportionable vehicle from a fleet of registered apportionable vehicles (a) because of a transfer of ownership of the registered apportionable vehicle, (b) because of loss of possession due to fire, natural disaster, theft, or wrecking, junking, or dismantling of the registered apportionable vehicle, (c) because a salvage branded certificate of title is issued for the registered apportionable vehicle, (d) because a type or class of registered apportioned vehicle is subsequently declared by legislative act or court decision to be illegal or ineligible to be operated or towed on the public roads and no longer subject to registration fees and taxes, (e) because of a trade-in or surrender of the registered apportionable vehicle under a lease, or (f) because of a change in the situs of the registered apportionable vehicle to a location outside of this state, the registered owner may, by returning the registration certificate or certificates and such other evidence of registration used by the division or, if such certificate or certificates or such other evidence of registration is unavailable, then by making an affidavit to the division of such transfer or loss, receive a refund of that portion of the unused registration fee based upon the number of unexpired months remaining in the registration period from the date of transfer or loss. No refund shall be allowed for any fees paid under section 60-3,203. When such apportionable vehicle is transferred or lost within the same month as acquired, no refund shall be allowed for such month. Such refund may be in the form of a credit against any registration fees that have been incurred or are, at the time of the refund, being incurred by the registered apportionable vehicle owner. The Nebraska-based fleet owner shall make a claim for a refund under this subsection within the registration period or shall be deemed to have forfeited his or her right to the refund.

(8) In case of addition to the registered fleet during the registration period, the owner engaged in operating the fleet shall pay the proportionate registration fee from the date the vehicle was placed into service or, if the vehicle was

previously registered, the date the prior registration expired or the date Nebraska became the base jurisdiction for the fleet, whichever is first, for the remaining balance of the registration period. The fee for any permanent license plate issued for such addition pursuant to section 60-3,203 shall be the full fee required by such section, regardless of the number of months remaining in the license period.

(9) In lieu of registration under subsections (1) through (8) of this section, the title holder of record may apply to the division for special registration, to be known as an unladen-weight registration, for any commercial motor vehicle or combination of vehicles which have been registered to a Nebraska-based fleet owner within the current or previous registration period. Such registration shall be valid only for a period of thirty days and shall give no authority to operate the vehicle except when empty. The fee for such registration shall be twenty dollars for each vehicle, which fee shall be remitted to the State Treasurer for credit to the Highway Trust Fund. The issuance of such permits shall be governed by section 60-3,179.

(10) Any person may, in lieu of registration under subsections (1) through (8) of this section or for other jurisdictions as approved by the director, purchase a trip permit for any nonresident truck, truck-tractor, bus, or truck or truck-tractor combination. A trip permit shall be issued before any person required to obtain a trip permit enters this state with such vehicle. The trip permit shall be issued by the director through Internet sales from the department's website. The trip permit shall be valid for a period of seventy-two hours. The fee for the trip permit shall be twenty-five dollars for each truck, truck-tractor, bus, or truck or truck-tractor combination. The fee collected by the director shall be remitted to the State Treasurer for credit to the Highway Cash Fund.

60-3,201.01 Motor carrier services system; build and maintain; Motor Carrier Services System Replacement and Maintenance Fund; created; use; investment.

(1) The Department of Motor Vehicles shall build and maintain a new motor carrier services system for processing the issuance of vehicle registrations pursuant to section 60-3,198 and the assessment of the motor fuel tax under the International Fuel Tax Agreement Act. The Director of Motor Vehicles shall designate an implementation date for the new system which date is on or before July 1, 2025.

(2) The Motor Carrier Services System Replacement and Maintenance Fund is created. The fund shall consist of amounts credited under section 60-3,202. The fund shall be used for the building, implementation, and maintenance of a new motor carrier services system for processing the issuance of vehicle registrations pursuant to section 60-3,198 and the assessment of the motor fuel tax under the International Fuel Tax Agreement Act.

(3) Any money in the Motor Carrier Services System Replacement and Maintenance Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

60-3,202 Registration fees; collection and distribution; procedure; Highway Tax Fund; created; use; investment.

(1)(a) Before July 1, 2024, registration fees credited to the Motor Carrier Services Division Distributive Fund pursuant to section 60-3,198 and remaining in such fund at the close of each calendar month shall be remitted to the State Treasurer for credit as follows: (i) Twenty-seven percent of such amount shall be credited to the Highway Tax Fund; (ii) sixty-four percent of such amount shall be credited to the Highway Trust Fund; and (iii) nine percent of such amount shall be credited to the Motor Carrier Services System Replacement and Maintenance Fund.

(b) Beginning July 1, 2024, registration fees credited to the Motor Carrier Services Division Distributive Fund pursuant to section 60-3,198 and remaining in such fund at the close of each calendar month shall be remitted to the State Treasurer for credit as follows: (i) Twenty-eight percent of such amount shall be credited to the Highway Tax Fund; (ii) sixty-seven percent of such amount shall be credited to the Highway Trust Fund; and (iii) five percent of such amount shall be credited to the Motor Carrier Services System Replacement and Maintenance Fund.

(2) On or before the last day of each quarter of the calendar year, the State Treasurer shall distribute all funds in the Highway Tax Fund to the county treasurer of each county in the same proportion as the number of original motor vehicle registrations in each county bears to the total of all original registrations within the state in the registration year immediately preceding.

(3) Upon receipt of motor vehicle tax funds from the State Treasurer pursuant to subsection (2) of this section, the county treasurer shall distribute such funds to taxing agencies within the county in the same proportion that the levy of each such taxing agency bears to the total of such levies of all taxing agencies in the county.

(4) In the event any taxing district has been annexed, merged, dissolved, or in any way absorbed into another taxing district, any apportionment of motor vehicle tax funds under subsection (3) of this section to which such taxing district would have been entitled shall be apportioned to the successor taxing district which has assumed the functions of the annexed, merged, dissolved, or absorbed taxing district.

(5) On or before March 1 of each year, the department shall furnish to the State Treasurer a tabulation showing the total number of original motor vehicle

registrations in each county for the immediately preceding calendar year, which shall be the basis for computing the distribution of motor vehicle tax funds as provided in subsection (2) of this section.

(6) The Highway Tax Fund is created. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

60-3,203 Permanent license plate; application; fee; delivery; fee; renewal fee; replacement permanent plate; registration certificate replacement; deletion from fleet registration; fee.

(1)(a) Upon application and payment of the fees required pursuant to this section and section 60-3,198, the Division of Motor Carrier Services of the department shall issue to the owner of any fleet of apportionable commercial vehicles with a base registration in Nebraska a permanent license plate for each truck, truck-tractor, and trailer in the fleet. The application shall be accompanied by a fee of three dollars for each truck or truck-tractor and six dollars per trailer. The application shall be on a form developed by the division.

(b) The department may deliver the plates and registration certificate to the applicant by United States mail. The department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant.

(c) The department shall remit fees collected pursuant to this subsection to the State Treasurer for credit to the Motor Carrier Division Cash Fund.

(2) Fleets of apportionable vehicles license plates shall display a distinctive license plate provided by the department pursuant to this section.

(3) Any license plate issued pursuant to this section shall remain affixed to the front of the truck or truck-tractor or to the rear of the trailer or semitrailer as long as the apportionable vehicle is registered pursuant to section 60-3,198 by the owner making the original application pursuant to subsection (1) of this section. Upon transfer of ownership of the truck, truck-tractor, or trailer or transfer of ownership of the fleet or at any time the truck, truck-tractor, or trailer is no longer registered pursuant to section 60-3,198, the license plate shall cease to be active and shall be processed according to the rules and regulations of the department.

(4) The renewal fee for each permanent plate shall be two dollars and shall be assessed and collected in each license period after the period in which the permanent license plates are initially issued at the time all other renewal fees are collected pursuant to section 60-3,198 unless a truck, truck-tractor, or trailer has been deleted from the fleet registration.

(5)(a) If a permanent license plate is lost or destroyed, the owner shall submit an affidavit to that effect to the division prior to any deletion of the truck, truck-

tractor, or trailer from the fleet registration. If the truck, truck-tractor, or trailer is not deleted from the fleet registration, a replacement permanent license plate may be issued upon payment of a fee of three dollars for each truck or truck-tractor and six dollars per trailer.

(b) If the registration certificate for any fleet vehicle is lost or stolen, the division shall collect a fee of one dollar for replacement of such certificate.

(6) If a truck, truck-tractor, or trailer for which a permanent license plate has been issued pursuant to this section is deleted from the fleet registration due to loss of possession by the registrant, the plate shall be returned to the division.

(7) The registrant shall be liable for the full amount of the registration fee due for any truck, truck-tractor, or trailer not deleted from the fleet registration renewal.

(8) All fees collected pursuant to this section other than those collected pursuant to subdivisions (1)(b) and (c) of this section shall be remitted to the State Treasurer for credit to the Highway Cash Fund.

60-3,205 Registration certificate; disciplinary actions; director; powers; procedure.

(1)(a) The director may suspend, revoke, cancel, or refuse to issue or renew a registration certificate under the International Registration Plan Act:

(i) If the applicant or certificate holder has had his or her license issued under the International Fuel Tax Agreement Act revoked or the director refused to issue or refused to renew such license;

(ii) If the applicant or certificate holder is in violation of sections 75-392 to 75-3,100; or

(iii) If the applicant or certificate holder committed any violation of the International Registration Plan Act or any rule or regulation adopted and promulgated under the act.

(b) Prior to taking action under this section, the director shall notify and advise the applicant or certificate holder of the proposed action and the reasons for such action in writing, by regular United States mail, to his or her last-known business address as shown on the application for the certificate or renewal. The notice shall also include an advisement of the procedures in subdivision (c) of this subsection.

(c) The applicant or certificate holder may, within thirty days after the date of the mailing of the notice, petition the director for a hearing to contest the proposed action. The hearing shall be commenced in accordance with the rules and regulations adopted and promulgated by the department. If a petition is filed, the director shall, within twenty days after receipt of the petition, set a hearing date at which the applicant or certificate holder may show cause why the proposed action should not be taken. The director shall give the applicant or certificate holder reasonable notice of the time and place of the hearing. If the director's decision is adverse to the applicant or certificate holder, the applicant or certificate holder may appeal the decision in accordance with the Administrative Procedure Act.

(d) Except as provided in subsections (2) and (3) of this section, the filing of the petition shall stay any action by the director until a hearing is held and a final decision and order is issued.

(e) Except as provided in subsections (2) and (3) of this section, if no petition is filed at the expiration of thirty days after the date on which the notification was mailed, the director may take the proposed action described in the notice.

(f) If, in the judgment of the director, the applicant or certificate holder has complied with or is no longer in violation of the provisions for which the director took action under this subsection, the director may reinstate the registration certificate without delay.

(2)(a) The director may suspend, revoke, cancel, or refuse to issue or renew a registration certificate under the International Registration Plan Act or a license under the International Fuel Tax Agreement Act if the applicant, licensee, or certificate holder has issued to the department a check or draft which has been returned because of insufficient funds, no funds, or a stop-payment order. The director may take such action no sooner than seven days after the written notice required in subdivision (1)(b) of this section has been provided. Any petition to contest such action filed pursuant to subdivision (1)(c) of this section shall not stay such action of the director.

(b) If the director takes an action pursuant to this subsection, the director shall reinstate the registration certificate or license without delay upon the payment of certified funds by the applicant, licensee, or certificate holder for any fees due and reasonable administrative costs, not to exceed twenty-five dollars, incurred in taking such action.

(c) The rules, regulations, and orders of the director and the department that pertain to hearings commenced in accordance with this section and that are in effect prior to March 17, 2006, shall remain in effect, unless changed or eliminated by the director or the department, except for those portions involving a stay upon the filing of a petition to contest any action taken pursuant to this subsection, in which case this subsection shall supersede those provisions.

(3) Any person who receives notice from the director of action taken pursuant to subsection (1) or (2) of this section shall, within three business days, return such registration certificate and license plates to the department as provided in this section. If any person fails to return the registration certificate and license plates to the department, the department shall notify the Nebraska State Patrol that any such person is in violation of this section.

60-3,226 Mountain Lion Conservation Plates; design.

(1) The department shall design license plates to be known as Mountain Lion Conservation Plates. The department shall create designs reflecting support for the conservation of the mountain lion population. The design shall be selected on the basis of limiting the manufacturing cost of each plate to an amount less than or equal to the amount charged for license plates pursuant to section 60-3,102. The department may adopt and promulgate rules and regulations to carry out this section and section 60-3,227.

(2) One type of Mountain Lion Conservation Plates shall be alphanumeric plates. The department shall:

(a) Assign a designation up to five characters; and

(b) Not use a county designation.

(3) One type of Mountain Lion Conservation Plates shall be personalized message plates. Such plates shall be issued subject to the same conditions specified for personalized message license plates in section 60-3,118, except that a maximum of five characters may be used.

(4) The department shall cease to issue Mountain Lion Conservation Plates beginning with the next license plate issuance cycle after the license plate issuance cycle that begins in 2023 pursuant to section 60-3,101 if the total number of registered vehicles that obtained such plates is less than five hundred per year within any prior consecutive two-year period.

60-3,233 Choose Life License Plates; application; form; fee; delivery; fee; transfer; procedure; fee.

(1) A person may apply to the department for Choose Life License Plates in lieu of regular license plates on an application prescribed and provided by the department for any motor vehicle or trailer, except for a motor vehicle or trailer registered under section 60-3,198. An applicant receiving a Choose Life License Plate for a farm truck with a gross weight of over sixteen tons or a commercial truck or truck-tractor with a gross weight of five tons or over shall affix the appropriate tonnage decal to the plate. The department shall make forms available for such applications through the county treasurers. The license plates shall be issued upon payment of the license fee described in subsection (2) of this section.

(2)(a) In addition to all other fees required for registration under the Motor Vehicle Registration Act, each application for initial issuance of alphanumeric Choose Life License Plates shall be accompanied by a fee of five dollars. An application for renewal of such plates shall be accompanied by a fee of five dollars. County treasurers collecting fees pursuant to this subdivision shall remit them to the State Treasurer. The State Treasurer shall credit five dollars of the fee to the Health and Human Services Cash Fund to supplement federal funds available to the Department of Health and Human Services for the Temporary Assistance for Needy Families program, 42 U.S.C. 601, et seq.

(b) In addition to all other fees required for registration under the Motor Vehicle Registration Act, each application for initial issuance or renewal of personalized message Choose Life License Plates shall be accompanied by a fee of forty dollars. County treasurers collecting fees pursuant to this subdivision shall remit them to the State Treasurer. The State Treasurer shall credit twenty-five percent of the fee for initial issuance and renewal of such plates to the Department of Motor Vehicles Cash Fund and seventy-five percent of the fee to the Health and Human Services Cash Fund to supplement federal funds available to the Department of Health and Human Services for the Temporary Assistance for Needy Families program.

(3)(a) When the department receives an application for Choose Life License Plates, the department shall deliver the plates and registration certificate to the applicant by United States mail or to the county treasurer of the county in which the motor vehicle or trailer is registered and the delivery of the plates and registration certificate shall be made through a secure process and system. The department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant. The department shall remit the fee to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund. The county treasurer shall issue Choose Life License Plates in lieu of regular license plates when the applicant complies with the other provisions of the Motor Vehicle Registration Act for registration of the motor vehicle or trailer. If Choose Life License Plates are lost, stolen, or mutilated, the licensee shall be issued replacement license plates upon request pursuant to section 60-3,157.

(b) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the registration fee shall be made for the issuance of a temporary license sticker under this subdivision. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

(4) The owner of a motor vehicle or trailer bearing Choose Life License Plates may apply to the county treasurer to have such plates transferred to a motor vehicle other than the vehicle for which such plates were originally purchased if such vehicle is owned by the owner of the plates. The owner may have the unused portion of the fee for the plates credited to the other vehicle which will bear the plates at the rate of eight and one-third percent per month for each full month left in the registration period. Application for such transfer shall be accompanied by a fee of three dollars. Fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

(5) If the cost of manufacturing Choose Life License Plates at any time exceeds the amount charged for license plates pursuant to section 60-3,102, any money to be credited to the Health and Human Services Cash Fund to supplement federal funds available to the Department of Health and Human Services for the Temporary Assistance for Needy Families program shall instead be credited first to the Highway Trust Fund in an amount equal to the difference between the manufacturing costs of Choose Life License Plates and the amount charged pursuant to section 60-3,102 with respect to such plates and the remainder shall be credited to the Health and Human Services Cash Fund to supplement federal funds available to the Department of Health and Human Services for the Temporary Assistance for Needy Families program.

60-3,260 Czech Heritage Plates; application; form; fee; delivery; fee; transfer; procedure; fee.

(1) A person may apply to the department for Czech Heritage Plates in lieu of regular license plates on an application prescribed and provided by the department for any motor vehicle, trailer, or semitrailer, except for a motor vehicle, trailer, or semitrailer registered under section 60-3,198. An applicant receiving Czech Heritage Plates for a farm truck with a gross weight of over sixteen tons or a commercial truck or truck-tractor with a gross weight of five tons or over shall affix the appropriate tonnage decal to the plate. The department shall make forms available for such applications through the county treasurers.

(2)(a) In addition to all other fees required for registration under the Motor Vehicle Registration Act, each application for initial issuance or renewal of alphanumeric Czech Heritage Plates shall be accompanied by a fee of five dollars. County treasurers collecting fees pursuant to this subdivision shall remit such fees to the State Treasurer. The State Treasurer shall credit five dollars of the fee to the Department of Motor Vehicles Cash Fund.

(b) In addition to all other fees required for registration under the Motor Vehicle Registration Act, each application for initial issuance or renewal of personalized message Czech Heritage Plates shall be accompanied by a fee of forty dollars. County treasurers collecting fees pursuant to this subdivision shall remit such fees to the State Treasurer. The State Treasurer shall credit forty dollars of the fee for initial issuance and renewal of such plates to the Department of Motor Vehicles Cash Fund.

(3)(a) When the department receives an application for Czech Heritage Plates, the department may deliver the plates and registration certificate to the applicant by United States mail or to the county treasurer of the county in which the motor vehicle, trailer, or semitrailer is registered. Delivery of the plates and registration certificate shall be made through a secure process and system. If delivery of the plates and registration certificate is made by the department to the applicant, the department may charge a postage and handling fee in an amount not more than necessary to recover the cost of postage and handling for the specific items mailed to the registrant. The department shall remit the fee to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund. The county treasurer or the department shall issue Czech Heritage Plates in lieu of regular license plates when the applicant complies with the other provisions of the Motor Vehicle Registration Act for registration of the motor vehicle, trailer, or semitrailer. If Czech Heritage Plates are lost, stolen, or mutilated, the licensee shall be issued replacement license plates upon request pursuant to section 60-3,157.

(b) The county treasurer or the department may issue temporary license stickers to the applicant under this section for the applicant to lawfully operate the vehicle pending receipt of the license plates. No charge in addition to the

registration fee shall be made for the issuance of a temporary license sticker under this subdivision. The department shall furnish temporary license stickers for issuance by the county treasurer at no cost to the counties. The department may adopt and promulgate rules and regulations regarding the design and issuance of temporary license stickers.

(4) The owner of a motor vehicle, trailer, or semitrailer bearing Czech Heritage Plates may apply to the county treasurer to have such plates transferred to a motor vehicle or trailer other than the motor vehicle or trailer for which such plates were originally purchased if such motor vehicle or trailer is owned by the owner of the plates. The owner may have the unused portion of the fee for the plates credited to the other motor vehicle or trailer which will bear the plates at the rate of eight and one-third percent per month for each full month left in the registration period. Application for such transfer shall be accompanied by a fee of three dollars. Fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

(5) If the cost of manufacturing Czech Heritage Plates at any time exceeds the amount charged for license plates pursuant to section 60-3,102, any money to be credited to the Department of Motor Vehicles Cash Fund shall instead be credited first to the Highway Trust Fund in an amount equal to the difference between the manufacturing costs of Czech Heritage Plates and the amount charged pursuant to section 60-3,102 with respect to such plates and the remainder shall be credited to the Department of Motor Vehicles Cash Fund.

(f) PROVISIONS APPLICABLE TO ALL OPERATORS' LICENSES

60-479.01 Fraudulent document recognition training; criminal history record information check; lawful status check; cost.

(1) All persons handling source documents or engaged in the issuance of new, renewed, or reissued operators' licenses or state identification cards shall have periodic fraudulent document recognition training.

(2) All persons and agents of the department involved in the recording of verified application information or verified operator's license and state identification card information, involved in the manufacture or production of licenses or cards, or who have the ability to affect information on such licenses or cards shall be subject to a criminal history record information check, including a check of prior employment references, and a lawful status check as required by 6 C.F.R. part 37, as such part existed on January 1, 2024. Such persons and agents shall provide fingerprints which shall be submitted to the Federal Bureau of Investigation. The bureau shall use its records for the criminal history record information check.

(3) Upon receipt of a request pursuant to subsection (2) of this section, the Nebraska State Patrol shall undertake a search for criminal history record information relating to such applicant, including transmittal of the applicant's fingerprints to the Federal Bureau of Investigation for a national criminal history record information check. The criminal history record information check shall include information concerning the applicant from federal repositories of such information and repositories of such information in other states, if authorized by federal law. The Nebraska State Patrol shall issue a report to the employing public agency that shall include the criminal history record information concerning the applicant. The cost of any background check shall be borne by the employer of the person or agent.

(4) Any person convicted of any disqualifying offense as provided in 6 C.F.R. part 37, as such part existed on January 1, 2024, shall not be involved in the recording of verified application information or verified operator's license and

state identification card information, involved in the manufacture or production of licenses or cards, or involved in any capacity in which such person would have the ability to affect information on such licenses or cards. Any employee or prospective employee of the department shall be provided notice that he or she will undergo such criminal history record information check prior to employment or prior to any involvement with the issuance of operators' licenses or state identification cards.

60-481 Driving rules; publication; copy; available upon request.

(1) The director shall publish on the website of the department a summary of the statutory driving rules of this state. Such summary shall contain cautionary and advisory comments as determined by the director, including a description of how to legally operate a motor vehicle in order to avoid arrest.

(2) The director may provide a copy of the summary described in subsection (1) of this section without charge upon request by a member of the public.

60-483 Operator's license; numbering; records; abstracts of operating records; fees; information to United States Selective Service System; when; reciprocity agreement with foreign country.

(1) The director shall assign a distinguishing number to each operator's license issued and shall keep a record of the same which shall be open to public inspection by any person requesting inspection of such record who qualifies under section 60-2906 or 60-2907. Any person requesting such driver record information shall furnish to the Department of Motor Vehicles (a) verification of identity and purpose that the requester is entitled under section 60-2906 or 60-2907 to disclosure of the personal information in the record, (b) the name of the person whose record is being requested, and (c) when the name alone is insufficient to identify the correct record, the department may request additional identifying information. The department shall, upon request of any requester, furnish a certified abstract of the operating record of any person, in either hard copy or electronically, and shall charge the requester a fee of three dollars per abstract.

(2) The department shall remit any revenue generated under subsections (1) through (5) of this section to the State Treasurer, and the State Treasurer shall credit forty-one and two-thirds percent to the Department of Motor Vehicles Cash Fund, twenty-five percent to the General Fund, and thirty-three and one-third percent to the Records Management Cash Fund.

(3) The director shall, upon receiving a request and an agreement from the United States Selective Service System to comply with requirements of this section, furnish driver record information to the United States Selective Service System to include the name, post office address, date of birth, sex, and social security number of licensees. The United States Selective Service System shall pay all costs incurred by the department in providing the information but shall not be required to pay any other fee required by law for information. No driver record information shall be furnished to the United States Selective Service System regarding any female, nor regarding any male other than those between the ages of seventeen years and twenty-six years. The information shall only be used in the fulfillment of the required duties of the United States Selective Service System and shall not be furnished to any other person.

(4) The director shall keep a record of all applications for operators' licenses that are disapproved with a brief statement of the reason for disapproval of the application.

(5) The director may establish a monitoring service which provides information on operating records that have changed due to any adjudicated traffic citation or administrative action. The director shall charge a fee of six cents per operating record searched pursuant to this section and the fee provided in subsection (1) of this section for each abstract returned as a result of the search.

(6) Driver record header information, including name, license number, date of birth, address, and physical description, from every driver record maintained by the department may be made available so long as the Uniform Motor Vehicle Records Disclosure Act is not violated. Monthly updates, including all new records, may also be made available. There shall be a fee of eighteen dollars per thousand records. All fees collected pursuant to this subsection shall be remitted to the State Treasurer for credit to the Department of Motor Vehicles Cash Fund.

(7) The department may enter into a reciprocity agreement with a foreign country to provide for the mutual recognition and reciprocal exchange of a valid operator's license issued by this state or the foreign country if the department determines that the licensing standards of the foreign country are comparable to those of this state. Any such agreement entered into by the department shall not include the mutual recognition and reciprocal exchange of a commercial driver's license.

(8) Beginning July 1, 2021, for any record provided pursuant to subsection (1) of this section, the requester shall be required to pay, in addition to the fee prescribed in such subsection, a fee of four dollars and fifty cents per record. Fifty cents shall be credited to the Department of Motor Vehicles Cash Fund and four dollars shall be credited to the Operator's License Services System Replacement and Maintenance Fund.

60-484.02 Digital images and signatures; use; confidentiality; prohibited acts; violation; penalty.

(1) Each applicant for an operator's license or state identification card shall have his or her digital image captured. Digital images shall be preserved for use as prescribed in sections 60-4,119, 60-4,151, and 60-4,180. The images shall be used for issuing operators' licenses and state identification cards. The images may be retrieved only by the Department of Motor Vehicles for issuing renewal and replacement operators' licenses and state identification cards and may not be otherwise released except in accordance with subsection (3) of this section.

(2) Upon application for an operator's license or state identification card, each applicant shall provide his or her signature in a form prescribed by the

department. Digital signatures shall be preserved for use on original, renewal, and replacement operators' licenses and state identification cards and may not be otherwise released except in accordance with subsection (4) of this section.

(3) No officer, employee, agent, or contractor of the department or law enforcement officer shall release a digital image except (a) to a federal, state, or local law enforcement agency, a certified law enforcement officer employed in an investigative position by a federal, state, or local agency, or a driver licensing agency of another state for the purpose of carrying out the functions of the agency or assisting another agency in carrying out its functions upon the verification of the identity of the person requesting the release of the information and the verification of the purpose of the requester in requesting the release or (b) to the office of the Secretary of State for the purpose of voter registration and voter identification as prescribed in the Election Act upon the verification of the identity of the person requesting the release of the information and the verification of the purpose of the requester in requesting the release. No employee or official in the office of the Secretary of State shall release a digital image except to a federal, state, or local law enforcement agency, a certified law enforcement officer employed in an investigative position by a federal, state, or local agency, or a driver licensing agency of another state for the purpose of carrying out the functions of the agency or assisting another agency in carrying out its functions upon the verification of the identity of the person requesting the release of the information and the verification of the purpose of the requester in requesting the release. Any officer, employee, agent, or contractor of the department, law enforcement officer, or employee or official in the office of the Secretary of State that knowingly discloses or knowingly permits disclosure of a digital image in violation of this section shall be guilty of a Class I misdemeanor.

(4) No officer, employee, agent, or contractor of the department or law enforcement officer shall release a digital signature except (a) to a federal, state, or local law enforcement agency, a certified law enforcement officer employed in an investigative position by a federal, state, or local agency, or a driver licensing agency of another state for the purpose of carrying out the functions of the agency or assisting another agency in carrying out its functions upon the verification of the identity of the person requesting the release of the information and the verification of the purpose of the requester in requesting the release or (b) to the office of the Secretary of State for the purpose of voter registration and voter identification as prescribed in the Election Act upon the verification of the identity of the person requesting the release of the information and the verification of the purpose of the requester in requesting the release. No employee or official in the office of the Secretary of State shall release a digital signature except to a federal, state, or local law enforcement agency, a certified law enforcement officer employed in an investigative position by a federal, state, or local agency, or a driver licensing agency of another state for the purpose of carrying out the functions of the agency or assisting another agency in carrying out its functions upon the verification of the identity of the person requesting the release of the information and the verification of the purpose of the requester in requesting the release. Any officer, employee, agent, or contractor of the department, law enforcement officer, or employee or official in the office of the Secretary of State that knowingly discloses or knowingly permits disclosure of a digital signature in violation of this section shall be guilty of a Class I misdemeanor.

(5) The department shall develop a process for the release of digital images to the Secretary of State for the purpose of voter identification as prescribed by the Election Act. The process shall include proper measures for access, security, storage, and retention of the digital image and verification of the release of the digital image to any officer, agent, or contractor of the Secretary of State. The Secretary of State and the department shall enter into an agreement for the release, use, protection, storage, and retention of digital images as prescribed under this section and the Uniform Motor Vehicle Records Disclosure Act. The department may adopt and promulgate rules and regulations to carry out this subsection.

60-484.05 Operators' licenses; state identification cards; temporary; when issued; period valid; special notation; renewal; return of license or card, when.

(1) The department shall only issue an operator's license or a state identification card that is temporary to any applicant who presents documentation under sections 60-484, 60-484.04, and 60-484.07 that shows his or her authorized stay in the United States is temporary. An operator's license or a state identification card that is temporary shall be valid only during the period of time of the applicant's authorized stay in the United States or, if there is no definite end to the period of authorized stay, a period of one year.

(2) An operator's license or state identification card that is temporary shall clearly indicate that it is temporary with a special notation on the front of the license or card and shall state the date on which it expires. An operator's license or state identification card issued pursuant to section 60-484.07 shall clearly indicate that it is not acceptable for official federal purposes.

(3) An operator's license or state identification card that is temporary may be renewed only upon presentation of valid documentary evidence that the status by which the applicant qualified for the operator's license or state identification card that is temporary has been extended by the United States Department of Homeland Security.

(4) If an individual has an operator's license or a state identification card issued under section 60-484.07 or based on approved lawful status granted under section 202(c)(2)(B)(i) through (x) of the federal REAL ID Act of 2005, Public Law 109-13, and the basis for the approved lawful status is terminated, the individual shall return the operator's license or state identification card to the Department of Motor Vehicles.

60-484.07 Operators' licenses; state identification cards; parolee immigration status; effect on application and issuance.

(1) On a date determined by the director but not later than November 1, 2023, any person assigned a parolee immigration status by the United States Department of Homeland Security may apply for and be issued an operator's license or a state identification card that is not in compliance with the federal REAL ID Act of 2005, Public Law 109-13, if the person:

(a) Possessed an unexpired foreign passport issued to such person at the time of such person's entry into the United States of America; and

(b) Fulfills the requirements of subsection (3) of section 60-484 and such requirements are verified pursuant to section 60-484.06.

(2) Any operator's license or state identification card issued under this section is otherwise subject to all laws relating to operators' licenses and state identification cards.

Source: Laws 2023, LB138, § 20.

60-490 Operators' licenses; state identification cards; expiration; renewal.

(1) Operators' licenses issued to persons required to use bioptic or telescopic lenses as provided in section 60-4,118 shall expire on the licensee's birthday in the second year after issuance unless specifically restricted to a shorter renewal period as determined under section 60-4,118.

(2) Except for state identification cards issued to persons less than twenty-one years of age, all state identification cards expire on the cardholder's birthday in the fifth year after issuance. A state identification card issued to a person who is less than twenty-one years of age expires on his or her twenty-first birthday or on his or her birthday in the fifth year after issuance, whichever comes first.

(3) Except as otherwise provided in subsection (1) of this section and section 60-4,147.05 and except for operators' licenses issued to persons less than twenty-one years of age, operators' licenses issued pursuant to the Motor Vehicle Operator's License Act expire on the licensee's birthday in the fifth year after issuance. An operator's license issued to a person less than twenty-one years of age expires on his or her twenty-first birthday. Except as otherwise provided in section 60-4,147.05, the Department of Motor Vehicles shall mail out a renewal notice for each operator's license at least thirty days before the expiration of the operator's license.

(4)(a) The expiration date shall be stated on each operator's license or state identification card.

(b) Except as otherwise provided in section 60-4,147.05, licenses and state identification cards issued to persons who are twenty-one years of age or older which expire under this section may be renewed within a ninety-day period before the expiration date. Any person who is twenty-one years of age or older

and who is the holder of a valid operator's license or state identification card may renew his or her license or card prior to the ninety-day period before the expiration date on such license or card if such applicant furnishes proof that he or she will be absent from the state during the ninety-day period prior to such expiration date.

(c) A person who is twenty years of age may apply for an operator's license or a state identification card within sixty days prior to his or her twenty-first birthday. The operator's license or state identification card may be issued within thirty days prior to such birthday.

(d) A person who is under twenty years of age and who holds a state identification card may apply for renewal within a ninety-day period prior to the expiration date.

60-497.01 Conviction and probation records; abstract of court record; transmission to director; duties.

(1) An abstract of the court record of every case in which a person is convicted of violating any provision of the Motor Vehicle Operator's License Act, the Motor Vehicle Safety Responsibility Act, the Nebraska Rules of the Road, or section 28-524, as from time to time amended by the Legislature, or any traffic regulations in city or village ordinances shall be transmitted within thirty days of sentencing or other disposition by the court to the director. Any abstract received by the director more than thirty days after the date of sentencing or other disposition shall be reported by the director to the State Court Administrator.

(2) Any person violating section 28-306, 28-394, 28-1254, 60-696, 60-697, 60-6,196, 60-6,197, 60-6,213, or 60-6,214 who is placed on probation shall be assessed the same points under section 60-4,182 as if such person were not placed on probation unless a court has ordered that such person shall obtain an ignition interlock permit in order to operate a motor vehicle with an ignition interlock device pursuant to section 60-6,211.05 and sufficient evidence is presented to the department that such a device is installed. For any other violation, the director shall not assess such person with any points under section 60-4,182 for such violation when the person is placed on probation until the director is advised by the court that such person previously placed on probation has violated the terms of his or her probation and such probation has been revoked. Upon receiving notice of revocation of probation, the director shall assess to such person the points which such person would have been assessed had the person not been placed on probation. All such points shall be assessed as of the date of the violation. When a person fails to successfully complete probation, the court shall notify the director immediately.

60-4,111.01 Storage or compilation of information; retailer; seller; authorized acts; sign posted; use of stored information; approval of negotiable instrument or certain payments; authorized acts; violations; penalty.

(1) The Department of Motor Vehicles, the courts, or law enforcement agencies may store or compile information acquired from an operator's license or a state identification card for their statutorily authorized purposes.

(2) Except as otherwise provided in subsection (3) or (4) of this section, no person having use of or access to machine-readable information encoded on an operator's license or a state identification card shall compile, store, preserve, trade, sell, or share such information. Any person who trades, sells, or shares such information shall be guilty of a Class IV felony. Any person who compiles, stores, or preserves such information except as authorized in subsection (3) or (4) of this section shall be guilty of a Class IV felony.

(3)(a) For purposes of compliance with and enforcement of restrictions on the purchase of alcohol, lottery tickets, and tobacco products, a retailer who sells any of such items pursuant to a license issued or a contract under the applicable statutory provision may scan machine-readable information encoded on an operator's license or a state identification card presented for the purpose of such a sale. The retailer may store only the following information obtained from the license or card: Age and license or card identification number. The retailer shall post a sign at the point of sale of any of such items stating that the license or card will be scanned and that the age and identification number will be stored. The stored information may only be used by a law enforcement agency for purposes of enforcement of the restrictions on the purchase of alcohol, lottery tickets, and tobacco products and may not be shared with any other person or entity.

(b) For purposes of compliance with the provisions of sections 28-458 to 28-462, a seller who sells methamphetamine precursors pursuant to such sections may scan machine-readable information encoded on an operator's license or a state identification card presented for the purpose of such a sale. The seller may store only the following information obtained from the license or card: Name, age, address, type of identification presented by the customer, the governmental entity that issued the identification, and the number on the identification. The seller shall post a sign at the point of sale stating that the license or card will be scanned and stating what information will be stored. The stored information may only be used by law enforcement agencies, regulatory agencies, and the exchange for purposes of enforcement of the restrictions on

the sale or purchase of methamphetamine precursors pursuant to sections 28-458 to 28-462 and may not be shared with any other person or entity. For purposes of this subsection, the terms exchange, methamphetamine precursor, and seller have the same meanings as in section 28-458.

(c) The retailer or seller shall utilize software that stores only the information allowed by this subsection. A programmer for computer software designed to store such information shall certify to the retailer that the software stores only the information allowed by this subsection. Intentional or grossly negligent programming by the programmer which allows for the storage of more than the age and identification number or wrongfully certifying the software shall be a Class IV felony.

(d) A retailer or seller who knowingly stores more information than authorized under this subsection from the operator's license or state identification card shall be guilty of a Class IV felony.

(e) Information scanned, compiled, stored, or preserved pursuant to subdivision (a) of this subsection may not be retained longer than eighteen months unless required by state or federal law.

(4) In order to approve a negotiable instrument, an electronic funds transfer, or a similar method of payment, a person having use of or access to machine-readable information encoded on an operator's license or a state identification card may:

(a) Scan, compile, store, or preserve such information in order to provide the information to a check services company subject to and in compliance with the federal Fair Credit Reporting Act, 15 U.S.C. 1681 et seq., as such act existed on January 1, 2024, for the purpose of effecting, administering, or enforcing a transaction requested by the holder of the license or card or preventing fraud or other criminal activity; or

(b) Scan and store such information only as necessary to protect against or prevent actual or potential fraud, unauthorized transactions, claims, or other liability or to resolve a dispute or inquiry by the holder of the license or card.

(5) Except as provided in subdivision (4)(a) of this section, information scanned, compiled, stored, or preserved pursuant to this section may not be traded or sold to or shared with a third party; used for any marketing or sales purpose by any person, including the retailer who obtained the information; or, unless pursuant to a court order, reported to or shared with any third party. A person who violates this subsection shall be guilty of a Class IV felony.

(g) PROVISIONS APPLICABLE TO OPERATION OF MOTOR VEHICLES OTHER THAN COMMERCIAL

60-4,115 Fees; allocation; identity security surcharge; state identification card; no fee, when.

(1) Fees for operators' licenses and state identification cards shall be collected by department personnel or the county treasurer and distributed according

to the table in subsection (2) of this section, except for the ignition interlock permit and associated fees as outlined in subsection (4) of this section and the 24/7 sobriety program permit and associated fees as outlined in subsection (5) of this section. County officials shall remit the county portion of the fees collected to the county treasurer for placement in the county general fund. All other fees collected shall be remitted to the State Treasurer for credit to the appropriate fund.

(2) Except as otherwise provided in subsection (7) of this section, the fees provided in this subsection in the following dollar amounts apply for operators' licenses and state identification cards.

60-4,119 Operators' licenses; state identification cards; digital image and digital signature; issuance; procedure.

(1) All state identification cards and operators' licenses, except farm permits, shall include a digital image and a digital signature of the cardholder or licensee as provided in section 60-484.02. Receipts for state identification cards and operators' licenses shall include a digital image of the cardholder or licensee and shall be issued by the county treasurer or the Department of Motor Vehicles. The director shall negotiate and enter into a contract to provide the necessary equipment, supplies, and forms for the issuance of the licenses and cards. All costs incurred by the Department of Motor Vehicles under this section shall be paid by the state out of appropriations made to the department. All costs of capturing the digital images and digital signatures shall be paid by the issuer from the fees provided to the issuer pursuant to section 60-4,115.

(2) A person who is out of the state at the time of renewal of his or her operator's license may apply for a license upon payment of a fee as provided in section 60-4,115. The license may be issued at any time within one year after the expiration of the original license. Such application shall be made to the department, and the department shall issue the license.

(3) Any operator's license and any state identification card issued to a minor as defined in section 53-103.23, as such definition may be amended from time to time by the Legislature, shall be of a distinct designation, of a type prescribed by the director, from the operator's license or state identification card of a person who is not a minor.

60-4,120 Operator's license; state identification card; replacement.

(1) Any person duly licensed or holding a valid state identification card issued under the Motor Vehicle Operator's License Act who loses his or her operator's license or card may make application to the department for a replacement license or card.

(2) If any person changes his or her name because of marriage or divorce or by court order or a common-law name change, he or she shall apply to the department for a replacement operator's license or state identification card and furnish proof of identification in accordance with section 60-484. If any person changes his or her address, the person shall apply to the department for a replacement operator's license or state identification card and furnish satisfactory evidence of such change. The application shall be made within sixty days after the change of name or address.

(3) In the event a mutilated or unreadable operator's license is held by any person duly licensed under the act or a mutilated or unreadable state identification card which was issued under the act is held by a person, such person may obtain a replacement license or card. Upon report of the mutilated or unreadable license or card and application for a replacement license or card, a replacement license or card may be issued if the department is satisfied that the original license or card is mutilated or unreadable.

(4) If any person duly licensed under the act loses his or her operator's license or if any holder of a state identification card loses his or her card while temporarily out of the state, he or she may make application to the department for a replacement operator's license or card by applying to the department and reporting such loss. Upon receipt of a correctly completed application, the department shall cause to be issued a replacement operator's license or card.

(5) Any person who holds a valid operator's license or state identification card without a digital image shall surrender such license or card to the department within thirty days after resuming residency in this state. After the thirty-day period, such license or card shall be considered invalid and no license or card shall be issued until the individual has made application for replacement or renewal.

(6) Application for a replacement operator's license or state identification card shall include the information required under sections 60-484, 60-484.04, and 60-484.07.

(7) An applicant may obtain a replacement operator's license or state identification card pursuant to subsection (1) or (3) of this section by electronic means in a manner prescribed by the department. No replacement license or card shall be issued unless the applicant has a digital image and digital signature preserved in the digital system.

(8) Each replacement operator's license or state identification card shall be issued with the same expiration date as the license or card for which the replacement is issued. The replacement license or card shall also state the new issuance date. Upon issuance of any replacement license or card, the license or card for which the replacement is issued shall be void.

(9) A replacement operator's license or state identification card issued under this section shall be delivered to the applicant as provided in section 60-4,113 after the county treasurer or department collects the fee and surcharge prescribed in section 60-4,115 and issues the applicant a receipt with driving privileges which is valid for up to thirty days. The receipt shall contain the digital image of the applicant.

60-4,122 Operator's license; state identification card; renewal procedure; law examination; exceptions; department; powers and duties.

(1) Except as otherwise provided in subsections (2), (3), and (8) of this section, no original or renewal operator's license shall be issued to any person until such person has demonstrated his or her ability to operate a motor vehicle safely as provided in section 60-4,114.

(2) Except as otherwise provided in this section and section 60-4,127, any person who renews his or her Class O or Class M license shall demonstrate his or her ability to drive and maneuver a motor vehicle safely as provided in subdivision (3)(b) of section 60-4,114 only at the discretion of department personnel, except that a person required to use bioptic or telescopic lenses shall be required to demonstrate his or her ability to drive and maneuver a motor vehicle safely each time he or she renews his or her license.

(3) Any person who renews his or her Class O or Class M license prior to or within one year after its expiration may not be required to demonstrate his or her knowledge of the motor vehicle laws of this state as provided in subdivision (3)(c) of section 60-4,114 if his or her driving record abstract maintained in the computerized records of the department shows that such person's license is not impounded, suspended, revoked, or canceled.

(4) Except for operators' licenses issued to persons required to use bioptic or telescopic lenses, any person who renews his or her operator's license which has been valid for fifteen months or less shall not be required to take any examination required under section 60-4,114.

(5) Any person who renews a state identification card shall appear before department personnel and present his or her current state identification card or shall follow the procedure for electronic renewal in subsection (9) of this section. Proof of identification shall be required as prescribed in sections 60-484 and 60-4,181 and the information and documentation required by sections 60-484.04 and 60-484.07.

(6)(a) If a nonresident who applies for an initial operator's license in this state presents a physical or mobile valid operator's license from the individual's state of residence, the department may choose not to require such individual to demonstrate knowledge of the motor vehicle laws of this state.

(b) A physical operator's license described in subdivision (a) of this subsection shall be surrendered to the department.

(c) Upon issuing an initial operator's license described in subdivision (a) of this subsection, the department shall notify the state that issued the valid

operator's license described in subdivision (a) of this subsection to invalidate such license.

(7) An applicant for an original operator's license may not be required to demonstrate his or her knowledge of the motor vehicle laws of this state if he or she has been issued a Nebraska LPD-learner's permit that is valid or has been expired for no more than one year. The written examination shall not be waived if the original operator's license being applied for contains a class or endorsement which is different from the class or endorsement of the Nebraska LPD-learner's permit.

(8)(a) A qualified licensee as determined by the department who is twenty-one years of age or older, whose license expires prior to his or her seventy-second birthday, and who has a digital image and digital signature preserved in the digital system may renew his or her Class O or Class M license twice by electronic means in a manner prescribed by the department using the preserved digital image and digital signature without taking any examination required under section 60-4,114 if such renewal is prior to or within one year after the expiration of the license, if his or her driving record abstract maintained in the records of the department shows that such person's license is not impounded, suspended, revoked, or canceled, and if his or her driving record indicates that he or she is otherwise eligible. Every licensee, including a licensee who is out of the state at the time of renewal, must apply for renewal in person at least once every sixteen years and have a new digital image and digital signature captured.

(b) In order to allow for an orderly progression through the various types of operators' licenses issued to persons under twenty-one years of age, a qualified holder of an operator's license who is under twenty-one years of age and who has a digital image and digital signature preserved in the digital system may apply for an operator's license by electronic means in a manner prescribed by the department using the preserved digital image and digital signature if the applicant has passed any required examinations prior to application, if his or her driving record abstract maintained in the records of the department shows that such person's operator's license is not impounded, suspended, revoked, or canceled, and if his or her driving record indicates that he or she is otherwise eligible.

(9) Any person who is twenty-one years of age or older and who has been issued a state identification card with a digital image and digital signature may electronically renew his or her state identification card by electronic means in a manner prescribed by the department using the preserved digital image and digital signature. Every person renewing a state identification card under this subsection, including a person who is out of the state at the time of renewal, must apply for renewal in person at least once every sixteen years and have a new digital image and digital signature captured.

(10) In addition to services available at driver license offices, the department may develop requirements for using electronic means for online issuance of operators' licenses and state identification cards to qualified holders as determined by the department.

60-4,124 School permit; LPE-learner's permit; issuance; operation restrictions; violations; penalty; not eligible for ignition interlock permit.

(1) A person who is younger than sixteen years and three months of age but is older than fourteen years and two months of age may be issued a school permit if such person either resides outside a city of the metropolitan, primary, or first class or attends a school which is outside a city of the metropolitan, primary, or first class and if such person has held an LPE-learner's permit for two months. A school permit shall not be issued until such person has demonstrated that he or she is capable of successfully operating a motor vehicle, moped, or motorcycle and has in his or her possession an issuance certificate authorizing the county treasurer to issue a school permit. In order to obtain an issuance certificate, the applicant shall present (a) proof of successful completion of a department-approved driver safety course which includes behind-the-wheel driving specifically emphasizing (i) the effects of the consumption of alcohol on a person operating a motor vehicle, (ii) occupant protection systems, (iii) risk assessment, and (iv) railroad crossing safety and (b)(i) proof of successful completion of a written examination and driving test administered by a driver safety course instructor or (ii) a certificate in a form prescribed by the department, signed by a parent, guardian, or licensed driver at least twenty-one years of age, verifying that the applicant has completed fifty hours of lawful motor vehicle operation, under conditions that reflect department-approved driver safety course curriculum, with a parent, guardian, or adult at least twenty-one years of age, who has a current Nebraska operator's license or who is licensed in another state. The department may waive the written examination if the applicant has been issued an LPE-learner's permit or LPD-learner's permit and if such permit is valid or has expired no more than one year prior to application. The written examination shall not be waived if the permit being applied for contains a class or endorsement which is different from the class or endorsement of the LPE-learner's permit.

(2) A person holding a school permit may operate a motor vehicle, moped, or motorcycle or an autocycle:

(a) To and from where he or she attends school, or property used by the school he or she attends for purposes of school events or functions, over the most direct and accessible route by the nearest highway from his or her place of residence to transport such person or any family member who resides with such person to attend duly scheduled courses of instruction and extracurricular or school-related activities at the school he or she attends or on property used by the school he or she attends; or

(b) Under the personal supervision of a licensed operator. Such licensed operator shall be at least twenty-one years of age and licensed by this state or another state and shall (i) for all motor vehicles other than autocycles, motorcycles, or mopeds, actually occupy the seat beside the permitholder, (ii) in the case of an autocycle, actually occupy the seat beside or behind the permitholder, or (iii) in the case of a motorcycle, other than an autocycle, or a moped, if

the permitholder is within visual contact of and under the supervision of, in the case of a motorcycle, a licensed motorcycle operator or, in the case of a moped, a licensed motor vehicle operator.

(3) The holder of a school permit shall not use any type of interactive wireless communication device while operating a motor vehicle on the highways of this state. Enforcement of this subsection shall be accomplished only as a secondary action when the holder of the school permit has been cited or charged with a violation of some other law.

(4) A person who is younger than sixteen years of age but is over fourteen years of age may be issued an LPE-learner's permit, which permit shall be valid for a period of six months. An LPE-learner's permit shall not be issued until such person successfully completes a written examination prescribed by the department and demonstrates that he or she has sufficient powers of eyesight to safely operate a motor vehicle, moped, or motorcycle or an autocycle.

(5)(a) While holding the LPE-learner's permit, the person may operate a motor vehicle on the highways of this state if (i) for all motor vehicles other than autocycles, motorcycles, or mopeds, he or she has seated next to him or her a person who is a licensed operator, (ii) in the case of an autocycle, he or she has seated next to or behind him or her a person who is a licensed operator, or (iii) in the case of a motorcycle, other than an autocycle, or a moped, he or she is within visual contact of and is under the supervision of a person who, in the case of a motorcycle, is a licensed motorcycle operator or, in the case of a moped, is a licensed motor vehicle operator. Such licensed motor vehicle or motorcycle operator shall be at least twenty-one years of age and licensed by this state or another state.

(b) The holder of an LPE-learner's permit shall not use any type of interactive wireless communication device while operating a motor vehicle on the highways of this state. Enforcement of this subdivision shall be accomplished only as a secondary action when the holder of the LPE-learner's permit has been cited or charged with a violation of some other law.

(6) Department personnel or the county treasurer shall collect the fee and surcharge prescribed in section 60-4,115 from each successful applicant for a school or LPE-learner's permit. All school permits shall be subject to impoundment or revocation under the terms of section 60-496. Any person who violates the terms of a school permit shall be guilty of an infraction and shall not be eligible for another school, farm, LPD-learner's, or LPE-learner's permit until he or she has attained the age of sixteen years.

(7) Any person who holds a permit issued under this section and has violated subdivision (3)(b) or (c) of section 28-306, subdivision (3)(b) or (c) of section 28-394, or section 28-1254, 60-6,196, 60-6,197, 60-6,197.06, or 60-6,198 shall not be eligible for an ignition interlock permit.

60-4,130.03 Operator less than twenty-one years of age; driver improvement course; suspension; reinstatement.

(1) Any person less than twenty-one years of age who holds an operator's license or a provisional operator's permit and who has accumulated, within any twelve-month period, a total of six or more points on his or her driving record pursuant to section 60-4,182 shall be notified by the Department of Motor Vehicles of that fact and ordered to attend and successfully complete a driver improvement course consisting of at least four hours of department-approved instruction. Notice shall be sent by regular United States mail to the last-known address as shown in the records of the department. If such person fails to complete the driver improvement course within three months after the date of notification, he or she shall have his or her operator's license suspended by the department.

(2) The director shall issue an order summarily suspending an operator's license until the licensee turns twenty-one years of age. Such order shall be sent by regular United States mail to the last-known address as shown in the records of the department. Such person shall not have his or her operator's license reinstated until he or she (a) has successfully completed the driver improvement course or has attained the age of twenty-one years and (b) has complied with section 60-4,100.01.

(h) PROVISIONS APPLICABLE TO OPERATION OF COMMERCIAL MOTOR VEHICLES

60-4,131 Sections; applicability; terms, defined.

(1) Sections 60-462.01 and 60-4,132 to 60-4,172 shall apply to the operation of any commercial motor vehicle.

(2) For purposes of such sections:

(a) Disqualification means:

(i) The suspension, revocation, cancellation, or any other withdrawal by a state of a person's privilege to operate a commercial motor vehicle;

(ii) A determination by the Federal Motor Carrier Safety Administration, under the rules of practice for motor carrier safety contained in 49 C.F.R. part 386, that a person is no longer qualified to operate a commercial motor vehicle under 49 C.F.R. part 391; or

(iii) The loss of qualification which automatically follows conviction of an offense listed in 49 C.F.R. 383.51;

(b) Downgrade means the state:

(i) Allows the driver of a commercial motor vehicle to change his or her self-certification to interstate, but operating exclusively in transportation or operation excepted from 49 C.F.R. part 391, as provided in 49 C.F.R. 390.3(f), 391.2, 391.68, or 398.3;

(ii) Allows the driver of a commercial motor vehicle to change his or her self-certification to intrastate only, if the driver qualifies under a state's physical qualification requirements for intrastate only;

(iii) Allows the driver of a commercial motor vehicle to change his or her certification to intrastate, but operating exclusively in transportation or operations excepted from all or part of a state driver qualification requirement; or

(iv) Removes the commercial driver's license privilege from the operator's license;

(c) Employee means any operator of a commercial motor vehicle, including full-time, regularly employed drivers; casual, intermittent, or occasional drivers; and leased drivers and independent, owner-operator contractors, while in the course of operating a commercial motor vehicle, who are either directly employed by or under lease to an employer;

(d) Employer means any person, including the United States, a state, the District of Columbia, or a political subdivision of a state, that owns or leases a commercial motor vehicle or assigns employees to operate a commercial motor vehicle;

(e) Endorsement means an authorization to an individual's CLP-commercial learner's permit or commercial driver's license required to permit the individual to operate certain types of commercial motor vehicles;

(f) Foreign means outside the fifty United States and the District of Columbia;

(g) Imminent hazard means the existence of a condition relating to hazardous material that presents a substantial likelihood that death, serious illness, severe personal injury, or a substantial endangerment to health, property, or the environment may occur before the reasonably foreseeable completion date of a formal proceeding begun to lessen the risk of that death, illness, injury, or endangerment;

(h) Issue and issuance means initial issuance, transfer, renewal, or upgrade of a commercial driver's license or nondomiciled commercial driver's license, or issuance, transfer, or upgrade of a CLP-commercial learner's permit or nondomiciled CLP-commercial learner's permit, as described in 49 C.F.R. 383.73;

(i) Medical examiner means an individual certified by the Federal Motor Carrier Safety Administration and listed on the National Registry of Certified Medical Examiners in accordance with 49 C.F.R. part 390, subpart D;

(j) Medical examiner's certificate means a form meeting the requirements of 49 C.F.R. 391.43 issued by a medical examiner in compliance with such regulation;

(k) Medical variance means the Federal Motor Carrier Safety Administration has provided a driver with either an exemption letter permitting operation of a commercial motor vehicle pursuant to 49 C.F.R. 381, subpart C, or 49 C.F.R.

391.64 or a Skill Performance Evaluation Certificate permitting operation of a commercial motor vehicle pursuant to 49 C.F.R. 391.49;

(l) Nondomiciled CLP-commercial learner's permit or nondomiciled commercial driver's license means a CLP-commercial learner's permit or commercial driver's license, respectively, issued by this state or other jurisdiction under either of the following two conditions:

(i) To an individual domiciled in a foreign country meeting the requirements of 49 C.F.R. 383.23(b)(1); or

(ii) To an individual domiciled in another state meeting the requirements of 49 C.F.R. 383.23(b)(2);

(m) Representative vehicle means a motor vehicle which represents the type of motor vehicle that a driver applicant operates or expects to operate;

(n) State means a state of the United States and the District of Columbia;

(o) State of domicile means that state where a person has his or her true, fixed, and permanent home and principal residence and to which he or she has the intention of returning whenever he or she is absent;

(p) Tank vehicle means any commercial motor vehicle that is designed to transport any liquid or gaseous materials within a tank or tanks that have an individual rated capacity of more than one hundred nineteen gallons and an aggregate rated capacity of one thousand gallons or more and that are either permanently or temporarily attached to the vehicle or the chassis. A commercial motor vehicle transporting an empty storage container tank, not designed for transportation, with a rated capacity of one thousand gallons or more that is temporarily attached to a flatbed trailer is not considered a tank vehicle;

(q) Third-party skills test examiner means a person employed by a third-party tester who is authorized by this state to administer the commercial driver's license skills tests specified in 49 C.F.R. part 383, subparts G and H;

(r) Third-party tester means a person, including, but not limited to, another state, a motor carrier, a private driver training facility or other private institution, or a department, agency, or instrumentality of a local government, authorized by this state to employ skills test examiners to administer the commercial driver's license skills tests specified in 49 C.F.R. part 383, subparts G and H;

(s) United States means the fifty states and the District of Columbia; and

(t) Vehicle group means a class or type of vehicle with certain operating characteristics.

60-4,143 Commercial driver's license; CLP-commercial learner's permit; issuance; restriction; surrender of other licenses.

(1) No commercial driver's license or CLP-commercial learner's permit shall, under any circumstances, be issued to any person who has not attained the age of eighteen years.

(2) A commercial driver's license or CLP-commercial learner's permit shall not be issued to any person:

(a) During the period the person is subject to a disqualification in this or any other state;

(b) While the person's operator's license is suspended, revoked, or canceled in this or any other state;

(c) When the Commercial Driver License Information System indicates ''not-certified''; or

(d) When a federal Drug and Alcohol Clearinghouse query indicates ''prohibited''.

(3) The department shall not issue any commercial driver's license to any person unless the person applying for a commercial driver's license first surrenders to the department all operators' licenses issued to such person by this or any other state. Any operator's license issued by another state which is surrendered to the department shall be destroyed, and the director shall send notice to the other state that the operator's license has been surrendered.

Operative date April 16, 2024.

60-4,144 Commercial driver's license; CLP-commercial learner's permit; applications; contents; parolee immigration status; effect; application; demonstration of knowledge and skills; information and documentation required; verification.

(1) An applicant for issuance of any original or renewal commercial driver's license or an applicant for a change of class of commercial motor vehicle, endorsement, or restriction shall demonstrate his or her knowledge and skills for operating a commercial motor vehicle as prescribed in the Motor Vehicle Operator's License Act. An applicant for a commercial driver's license shall provide the information and documentation required by this section and section 60-4,144.01. Such information and documentation shall include any additional information required by 49 C.F.R. parts 383 and 391 and also include:

(a) Certification that the commercial motor vehicle in which the applicant takes any driving skills examination is representative of the class of commercial motor vehicle that the applicant operates or expects to operate; and

(b) The names of all states where the applicant has been licensed to operate any type of motor vehicle in the ten years prior to the date of application.

(2)(a) Before being issued a CLP-commercial learner's permit or commercial driver's license, the applicant shall provide (i) his or her full legal name, date of birth, mailing address, gender, race or ethnicity, and social security number, (ii) two forms of proof of address of his or her principal residence unless the applicant is a program participant under the Address Confidentiality Act, except that a nondomiciled applicant for a CLP-commercial learner's permit or nondomiciled commercial driver's license holder does not have to provide proof of residence in Nebraska, (iii) evidence of identity as required by this section, and (iv) a brief physical description of himself or herself.

(b) The applicant's social security number shall not be printed on the CLP-commercial learner's permit or commercial driver's license and shall be used only (i) to furnish information to the United States Selective Service System under section 60-483, (ii) with the permission of the director in connection with the certification of the status of an individual's driving record in this state or any other state, (iii) for purposes of child support enforcement pursuant to section 42-358.08 or 43-512.06, (iv) to furnish information regarding an applicant for or holder of a commercial driver's license with a hazardous materials endorsement to the Transportation Security Administration of the United States Department of Homeland Security or its agent, (v) to furnish information to the Department of Revenue under section 77-362.02, (vi) to furnish information to the Secretary of State for purposes of the Election Act, or (vii) to query the federal Drug and Alcohol Clearinghouse.

(c) No person shall be a holder of a CLP-commercial learner's permit or commercial driver's license and a state identification card at the same time.

(3) Before being issued a CLP-commercial learner's permit or commercial driver's license, an applicant, except a nondomiciled applicant, shall provide proof that this state is his or her state of residence. Acceptable proof of residence is a document with the person's name and residential address within this state.

(4)(a) Before being issued a CLP-commercial learner's permit or commercial driver's license, an applicant shall provide proof of identity.

(b) The following are acceptable as proof of identity:

(i) A valid, unexpired United States passport;

(ii) A certified copy of a birth certificate filed with a state office of vital statistics or equivalent agency in the individual's state of birth;

(iii) A Consular Report of Birth Abroad issued by the United States Department of State;

(iv) A valid, unexpired permanent resident card issued by the United States Department of Homeland Security or United States Citizenship and Immigration Services;

(v) An unexpired employment authorization document issued by the United States Department of Homeland Security;

(vi) An unexpired foreign passport with a valid, unexpired United States visa affixed accompanied by the approved form documenting the applicant's most recent admittance into the United States;

(vii) A Certificate of Naturalization issued by the United States Department of Homeland Security;

(viii) A Certificate of Citizenship issued by the United States Department of Homeland Security;

(ix) A driver's license or identification card issued in compliance with the standards established by the federal REAL ID Act of 2005, Public Law 109-13, division B, section 1, 119 Stat. 302; or

(x) Such other documents as the director may approve.

(c) If an applicant presents one of the documents listed under subdivision (b)(i), (ii), (iii), (iv), (vii), or (viii) of this subsection, the verification of the applicant's identity will also provide satisfactory evidence of lawful status.

(d) If the applicant presents one of the identity documents listed under subdivision (b)(v), (vi), or (ix) of this subsection, the verification of the identity documents does not provide satisfactory evidence of lawful status. The applicant shall also present a second document from subdivision (4)(b) of this section, a document from subsection (5) of this section, or documentation issued by the United States Department of Homeland Security or other federal agencies demonstrating lawful status as determined by the United States Citizenship and Immigration Services.

(e) An applicant may present other documents as designated by the director as proof of identity. Any documents accepted shall be recorded according to a written exceptions process established by the director.

(f)(i) Any person assigned a parolee immigration status by the United States Department of Homeland Security may apply for and be issued a CLP-

commercial learner's permit or commercial driver's license that is not in compliance with the federal REAL ID Act of 2005, Public Law 109-13, if the person:

(A) Possessed an unexpired foreign passport issued to such person at the time of such person's entry into the United States of America; and

(B) Fulfills the requirements of subdivision (2)(a) of this section and such requirements are verified pursuant to section 60-484.06.

(ii) Any CLP-commercial learner's permit or commercial driver's license issued under this subsection is otherwise subject to all laws relating to CLP-commercial learner's permits or commercial driver's licenses.

(5)(a) Whenever a person, as a nondomiciled individual to this state, is renewing, replacing, upgrading, transferring, or applying for a commercial driver's license, or replacing, upgrading, transferring, or applying for a CLP-commercial learner's permit, the Department of Motor Vehicles shall verify the citizenship in the United States of the person or the lawful status in the United States of the person.

(b) The following are acceptable as proof of citizenship or lawful status:

(i) A valid, unexpired United States passport;

(ii) A certified copy of a birth certificate filed with a state office of vital statistics or equivalent agency in the individual's state of birth, Puerto Rico, the Virgin Islands, Guam, American Samoa, or the Commonwealth of the Northern Mariana Islands;

(iii) A Consular Report of Birth Abroad issued by the United States Department of State;

(iv) A Certificate of Naturalization issued by the United States Department of Homeland Security;

(v) A Certificate of Citizenship issued by the United States Department of Homeland Security; or

(vi) A valid, unexpired Permanent Resident Card issued by the United States Department of Homeland Security or United States Citizenship and Immigration Services.

(6) An applicant may present other documents as designated by the director as proof of lawful status. Any documents accepted shall be recorded according to a written exceptions process established by the director.

(7)(a) An applicant shall obtain a nondomiciled CLP-commercial driver's license or nondomiciled CLP-commercial learner's permit:

(i) If the applicant is domiciled in a foreign jurisdiction and the Federal Motor Carrier Safety Administrator has not determined that the commercial motor vehicle operator testing and licensing standards of that jurisdiction meet the standards contained in subparts G and H of 49 C.F.R. part 383; or

(ii) If the applicant is domiciled in a state that is prohibited from issuing commercial learners' permits and commercial drivers' licenses in accordance with 49 C.F.R. 384.405. Such person is eligible to obtain a nondomiciled CLP-commercial learner's permit or nondomiciled commercial driver's license from Nebraska that complies with the testing and licensing standards contained in subparts F, G, and H of 49 C.F.R. part 383.

(b) An applicant for a nondomiciled CLP-commercial learner's permit and nondomiciled commercial driver's license shall do the following:

(i) Complete the requirements to obtain a CLP-commercial learner's permit or a commercial driver's license under the Motor Vehicle Operator's License Act, except that an applicant domiciled in a foreign jurisdiction shall provide an unexpired employment authorization document issued by the United States Citizenship and Immigration Services or an unexpired foreign passport accompanied by an approved I-94 form documenting the applicant's most recent admittance into the United States. No proof of domicile is required;

(ii) After receipt of the nondomiciled CLP-commercial learner's permit or nondomiciled commercial driver's license and, for as long as the permit or license is valid, notify the Department of Motor Vehicles of any adverse action taken by any jurisdiction or governmental agency, foreign or domestic, against his or her driving privileges. Such adverse actions include, but are not limited to, license disqualification or disqualification from operating a commercial motor vehicle for the convictions described in 49 C.F.R. 383.51. Notifications shall be made within the time periods specified in 49 C.F.R. 383.33; and

(iii) Provide a mailing address to the Department of Motor Vehicles. If the applicant is applying for a foreign nondomiciled CLP-commercial learner's permit or foreign nondomiciled commercial driver's license, he or she shall provide a Nebraska mailing address and his or her employer's mailing address to the Department of Motor Vehicles.

(c) An applicant for a nondomiciled CLP-commercial learner's permit or nondomiciled commercial driver's license who holds a foreign operator's license is not required to surrender his or her foreign operator's license.

(8) Any person applying for a CLP-commercial learner's permit or commercial driver's license may answer the following:

(a) Do you wish to register to vote as part of this application process?

(b) Do you wish to have a veteran designation displayed on the front of your operator's license to show that you served in the armed forces of the United States? (To be eligible you shall register with the Nebraska Department of Veterans' Affairs registry.)

(c) Do you wish to include your name in the Donor Registry of Nebraska and donate your organs and tissues at the time of your death?

(d) Do you wish to receive any additional specific information regarding organ and tissue donation and the Donor Registry of Nebraska?

(e) Do you wish to donate $1 to promote the Organ and Tissue Donor Awareness and Education Fund?

(9) Application for a CLP-commercial learner's permit or commercial driver's license shall include a signed oath, affirmation, or declaration of the applicant that the information provided on the application for the permit or license is true and correct.

(10) Any person applying for a CLP-commercial learner's permit or commercial driver's license shall make one of the certifications in section 60-4,144.01 and any certification required under section 60-4,146 and shall provide such certifications to the Department of Motor Vehicles in order to be issued a CLP-commercial learner's permit or a commercial driver's license.

(11) Every person who holds any commercial driver's license shall provide to the department medical certification as required by section 60-4,144.01. The department may provide notice and prescribe medical certification compliance requirements for all holders of commercial drivers' licenses. Holders of com-

mercial drivers' licenses who fail to meet the prescribed medical certification compliance requirements may be subject to downgrade.

60-4,144.03 Temporary CLP-commercial learner's permit or commercial driver's license; issuance; temporary commercial driver's license; renewal.

(1) The department shall issue a CLP-commercial learner's permit or a commercial driver's license that is temporary only to any applicant who presents documentation under section 60-4,144 that shows his or her authorized stay in the United States is temporary. A CLP-commercial learner's permit or a commercial driver's license that is temporary shall be valid only during the period of time of the applicant's authorized stay in the United States or, if there is no definite end to the period of authorized stay, a period of one year.

(2) A CLP-commercial learner's permit or a commercial driver's license that is temporary shall clearly indicate that it is temporary with a special notation that states the date on which it expires.

(3) A commercial driver's license that is temporary may be renewed only upon presentation of valid documentary evidence that the status, by which the applicant qualified for the commercial driver's license that is temporary, has been extended by the United States Department of Homeland Security.

60-4,144.05 Drug or alcohol violation; effect; erroneous notification; procedure.

(1) Beginning November 18, 2024, in compliance with 49 C.F.R. part 382, within sixty calendar days of receiving notification from the Federal Motor Carrier Safety Administration that a driver is prohibited from operating a commercial motor vehicle due to a drug or alcohol violation, the department shall:

(a) Update the Commercial Driver License Information System driver record to include the information provided in the notification;

(b) Notify the holder of the commercial driver's license or CLP-commercial learner's permit of such holder's prohibited status and that the commercial

driver's license privilege or CLP-commercial learner's permit privilege will be removed from such license or permit; and

(c) Downgrade such license and cancel the permit for holders of a CLP-commercial learner's permit pursuant to established procedures of the department and, if applicable, update the driver's record maintained by the department.

(2) Beginning November 18, 2024, in compliance with 49 C.F.R. part 382, within ten calendar days of receiving notification from the Federal Motor Carrier Safety Administration that a driver was erroneously identified as prohibited on the federal Drug and Alcohol Clearinghouse, the department shall:

(a) Restore the commercial driving privilege as it existed before the erroneous notification;

(b) Notify the holder of the commercial driver's license or CLP-commercial learner's permit of:

(i) Such holder's updated status; and

(ii) Procedures the driver shall follow to reinstate such driver's license or permit; and

(c) Expunge the Commercial Driver License Information System driver record or motor vehicle record of any reference to the erroneous prohibited status.

60-4,146.01 Restricted commercial driver's license; application or examiner's certificate; operation permitted; term; violation; penalty.

(1) Any resident of this state who is a commercial motor vehicle operator for a farm-related or ranch-related service industry may apply for a restricted commercial driver's license. If the applicant is an individual, the application or examiner's certificate shall include the applicant's social security number. A restricted commercial driver's license shall authorize the holder to operate any Class B Heavy Straight Vehicle commercial motor vehicle or any Class B Heavy Straight Vehicle or Class C Small Vehicle commercial motor vehicle required to be placarded pursuant to section 75-364 when the hazardous material being transported is (a) diesel fuel in quantities of one thousand gallons or less, (b) liquid fertilizers in vehicles or implements of husbandry with total capacities of three thousand gallons or less, or (c) solid fertilizers that are not transported or mixed with any organic substance within one hundred fifty miles of the employer's place of business or the farm or ranch being served.

(2) Any applicant for a restricted commercial driver's license shall be eighteen years of age or older, shall have possessed a valid operator's license during the twelve-month period immediately preceding application, and shall demonstrate, in a manner to be prescribed by the director, that:

(a) If the applicant has possessed a valid operator's license for two or more years, that in the two-year period immediately preceding application the applicant:

(i) Has not possessed more than one operator's license at one time;

(ii) Has not been subject to any order of suspension, revocation, or cancellation of any type;

(iii) Has no convictions involving any type or classification of motor vehicle of the disqualification offenses enumerated in sections 60-4,168 and 60-4,168.01; and

(iv) Has no convictions for traffic law violations that are accident-connected and no record of at-fault accidents; and

(b) If the applicant has possessed a valid operator's license for more than one but less than two years, the applicant shall demonstrate that he or she meets the requirements prescribed in subdivision (a) of this subsection for the entire period of his or her driving record history.

(3)(a) The restricted commercial driver's license shall be valid for five years and shall clearly indicate the commercial motor vehicle operating privilege for the seasonal period of validity on the back of the restricted commercial driver's license. The seasonal period of validity shall be valid for no more than one hundred eighty consecutive days in any twelve-month period. The applicant shall designate the seasonal period of validity when making application for the restricted commercial driver's license. The holder of the restricted commercial driver's license may change the seasonal period of validity by renewing or obtaining a replacement of the restricted commercial driver's license. The holder of a restricted commercial driver's license shall operate commercial motor vehicles in the course or scope of his or her employment within one hundred fifty miles of the employer's place of business or the farm or ranch currently being served. The department shall annually revalidate the restricted commercial driver's license to confirm that the holder of the restricted commercial driver's license meets the requirements of subsection (2) of this section. If the holder of the restricted commercial driver's license does not meet the requirements of subsection (2) of this section upon revalidation, the department shall provide notice to the holder that the restricted commercial driver's license is canceled and the holder shall apply for a Class O operator's license within thirty calendar days after the date notice was sent.

(b) Beginning January 1, 2025, the restricted commercial driver's license shall be valid for five years and shall clearly indicate the commercial motor vehicle operating privilege for the seasonal period of validity on the back of the restricted commercial driver's license. The seasonal period of validity shall be valid for no more than two hundred ten days in any calendar year. The applicant shall designate the seasonal period of validity when making application for the restricted commercial driver's license. The holder of the restricted commercial driver's license may change the seasonal period of validity by renewing or obtaining a replacement of the restricted commercial driver's license. The holder of a restricted commercial driver's license shall operate commercial motor vehicles in the course or scope of his or her employment within one hundred fifty miles of the employer's place of business or the farm or ranch currently being served. The department shall annually revalidate the restricted commercial driver's license to confirm that the holder of the restricted commercial driver's license meets the requirements of subsection (2) of this section. If the holder of the restricted commercial driver's license does not meet the requirements of subsection (2) of this section upon revalidation, the department shall provide notice to the holder that the restricted commercial driver's

license is canceled and the holder must apply for a Class O operator's license within thirty calendar days after the date notice was sent.

(4) Any person who violates any provision of this section shall, upon conviction, be guilty of a Class III misdemeanor. In addition to any penalty imposed by the court, the director shall also revoke such person's restricted commercial driver's license and shall disqualify such person from operating any commercial motor vehicle in Nebraska for a period of five years.

(5) The Department of Motor Vehicles may adopt and promulgate rules and regulations to carry out the requirements of this section.

(6) For purposes of this section:

(a) Agricultural chemical business means any business that transports agricultural chemicals predominately to or from a farm or ranch;

(b) Farm-related or ranch-related service industry means any custom harvester, retail agricultural outlet or supplier, agricultural chemical business, or livestock feeder which operates commercial motor vehicles for the purpose of transporting agricultural products, livestock, farm machinery and equipment, or farm supplies to or from a farm or ranch; and

(c) Retail agricultural outlet or supplier means any retail outlet or supplier that transports either agricultural products, farm machinery, farm supplies, or both, predominately to or from a farm or ranch.

60-4,148.01 Commercial drivers' licenses; electronic issuance, renewal, and replacement; CLP-commercial learners' permits; electronic replacement; department; duties; applicant; requirements; renewal; fee and surcharge; delivery.

(1) The department may develop and offer methods for successful applicants to obtain, renew, and replace commercial drivers' licenses electronically and for the electronic replacement of CLP-commercial learners' permits.

(2)(a) An applicant who has successfully passed the knowledge and skills tests for a commercial driver's license pursuant to section 60-4,149 and who has a digital image and digital signature preserved in the digital system that is not more than ten years old may obtain a commercial driver's license using the preserved digital image and digital signature by electronic means in a manner prescribed by the department pursuant to this subsection.

(b) To be eligible to obtain a license pursuant to this subsection:

(i) There shall have been no changes to the applicant's name since his or her most recent application for a CLP-commercial learner's permit;

(ii) The new license shall not contain a hazardous materials endorsement;

(iii) The applicant shall meet the requirements of section 60-4,144 and submit the information and documentation and make the certifications required under section 60-4,144; and

(iv) The applicant shall satisfy any other eligibility criteria that the department may prescribe pursuant to subsection (6) of this section.

(c) The successful applicant shall pay the fee and surcharge prescribed in section 60-4,115. Upon receipt of such fee and surcharge and an application it deems satisfactory, the department shall deliver the license by mail.

(3)(a) An applicant whose commercial driver's license expires prior to his or her seventy-second birthday and who has a digital image and digital signature preserved in the digital system may, once every ten years, renew such license using the preserved digital image and digital signature by electronic means in a manner prescribed by the department pursuant to this subsection.

(b) To be eligible for renewal under this subsection:

(i) The renewal shall be prior to or within one year after expiration of such license;

(ii) The driving record abstract maintained in the department's computerized records shall show that such license is not suspended, revoked, canceled, or disqualified;

(iii) There shall be no changes to the applicant's name or to the class, endorsements, or restrictions on such license;

(iv) The applicant shall not hold a hazardous materials endorsement or shall relinquish such endorsement;

(v) The applicant shall meet the requirements of section 60-4,144 and submit the information and documentation and make the certifications required under section 60-4,144; and

(vi) The applicant shall satisfy any other eligibility criteria that the department may prescribe pursuant to subsection (6) of this section.

(c) Every applicant seeking renewal of his or her commercial driver's license shall apply for renewal in person at least once every ten years and have a new digital image and digital signature captured.

(d) An applicant seeking renewal under this subsection (3) shall pay the fee and surcharge prescribed in section 60-4,115. Upon receipt of such fee and surcharge and an application it deems satisfactory, the department shall deliver the renewal license or permit by mail.

(4)(a) Any person holding a commercial driver's license or CLP-commercial learner's permit who has a digital image and digital signature not more than ten years old preserved in the digital system and who loses his or her license or permit, who requires issuance of a replacement license or permit because of a change of address, or whose license or permit is mutilated or unreadable may obtain a replacement commercial driver's license or CLP-commercial learner's permit using the preserved digital image and digital signature by electronic means in a manner prescribed by the department pursuant to this subsection.

(b) To be eligible to obtain a replacement license or permit pursuant to this subsection:

(i) There shall be no changes to the applicant's name and no changes to the class, endorsements, or restrictions on such license or permit;

(ii) The applicant shall meet the requirements of section 60-4,144 and submit the information and documentation and make the certifications required under section 60-4,144; and

(iii) The applicant shall satisfy any other eligibility criteria that the department may prescribe pursuant to subsection (6) of this section.

(c) An application for a replacement license or permit because of a change of address shall be made within sixty days after the change of address.

(d) An applicant seeking replacement under this subsection (4) of this section shall pay the fee and surcharge prescribed in section 60-4,115. Upon receipt of such fee and surcharge and an application it deems satisfactory, the department shall deliver the replacement license or permit by mail. The replacement license or permit shall be subject to the provisions of subsection (4) of section 60-4,150.

(5) An application to obtain, renew, or replace a commercial driver's license or to replace a CLP-commercial learner's permit because of a change of name may not be made electronically pursuant to this section and shall be made in person at a licensing station within sixty days after the change of name.

(6) The department may adopt and promulgate rules and regulations governing eligibility for the use of electronic methods for successful applicants to obtain, renew, or replace commercial drivers' licenses and for the replacement of CLP-commercial learners' permits, taking into consideration medical and vision requirements, safety concerns, and any other factors consistent with the purposes of the Motor Vehicle Operator's License Act that the director deems relevant.

60-4,149 Commercial driver's license; CLP-commercial learner's permit; department personnel; examination; office space; issuance; delivery; electronic submission.

(1) The director shall appoint as his or her agents one or more department personnel who shall examine all applicants for a commercial driver's license or a CLP-commercial learner's permit as provided in section 60-4,144. The same department personnel may be assigned to one or more counties by the director. In counties in which the county treasurer collects the fees and issues receipts, the county shall furnish office space for the administration of the license or permit examination. Department personnel shall conduct the examination of applicants and deliver to each successful applicant an issuance certificate or receipt. The certificate may be presented to the county treasurer within ninety days after issuance, and the county treasurer shall collect the fee and surcharge as provided in section 60-4,115 and issue a receipt which is valid for up to thirty days. If a commercial driver's license or CLP-commerical learner's permit is being issued, the receipt shall also authorize driving privileges for such thirty-day period. If department personnel refuse to issue an issuance certificate or receipt, the department personnel shall state such cause in writing and deliver such written cause to the applicant.

(2)(a) The segments of the driving skills examination shall be administered and successfully completed in the following order: Pre-trip inspection, basic vehicle control skills, and on-road skills. If an applicant fails one segment of the driving skills examination, the applicant cannot continue to the next segment of the examination.

(b) Passing scores for the knowledge and skills tests shall meet the standards contained in 49 C.F.R. 383.135.

(3) Except as provided for in sections 60-4,157 and 60-4,158, all commercial driver's license examinations shall be conducted by department personnel designated by the director. Each successful applicant shall be issued a certificate or receipt entitling the applicant to secure a commercial driver's license. If department personnel refuse to issue such certificate or receipt, he or she shall state such cause in writing and deliver the same to the applicant. Department personnel shall not be required to hold a commercial driver's license to administer a driving skills examination and occupy the seat beside an applicant for a commercial driver's license.

(4) The successful applicant shall, within ten days after renewal or within twenty-four hours after initial issuance, pay the fee and surcharge as provided in section 60-4,115. A receipt with driving privileges which is valid for up to thirty days shall be issued. The commercial driver's license shall be delivered to the applicant as provided in section 60-4,113.

(5) In lieu of proceeding under subsection (4) of this section, the successful applicant may pay the fee and surcharge as provided in section 60-4,115 and electronically submit an application prescribed by the department in a manner prescribed by the department pursuant to section 60-4,148.01.

60-4,149.01 Commercial drivers' licenses; law examination; exceptions; department; powers and duties.

(1) A commercial driver's license examiner shall not require the commercial driver's license knowledge examination, except the hazardous material portion of the examination and any knowledge examinations not previously taken for that class of commercial motor vehicle or endorsement, if the applicant renews his or her commercial driver's license prior to its expiration or within one year after its expiration and if the applicant's driving record abstract maintained in the department's computerized records shows that his or her commercial driver's license is not suspended, revoked, canceled, or disqualified.

(2)(a) If a nonresident who applies for a commercial driver's license in this state presents a physical or mobile valid commercial driver's license from another state, the department may choose not to require such individual to take the commercial driver's license knowledge examination.

(b) Subdivision (a) of this subsection shall not apply to the hazardous material portion of the examination and any knowledge examinations not previously taken for that class of commercial motor vehicle or endorsement.

(c) A physical commercial driver's license described in subdivision (a) of this subsection shall be surrendered to the department.

(d) Upon issuing a commercial driver's license described in subdivision (a) of this subsection, the department shall notify the state that issued the valid commercial driver's license described in subdivision (a) of this subsection to invalidate such license.

60-4,150 Commercial driver's license; CLP-commercial learner's permit; replacement; application; delivery.

(1) Any person holding a commercial driver's license or CLP-commercial learner's permit who loses his or her license or permit, who requires issuance of a replacement license or permit because of a change of name or address, or whose license or permit is mutilated or unreadable may obtain a replacement commercial driver's license or CLP-commercial learner's permit by filing an application pursuant to this section and by furnishing proof of identification in accordance with section 60-4,144. Any person seeking a replacement license or permit for such reasons, except because of a change of name, may also obtain a replacement license or permit by submitting an electronic application pursuant to section 60-4,148.01.

(2) An application for a replacement license or permit because of a change of name or address shall be made within sixty days after the change of name or address.

(3) A replacement commercial driver's license or CLP-commercial learner's permit issued pursuant to this section shall be delivered to the applicant as provided in section 60-4,113 after department personnel or the county treasurer collects the fee and surcharge prescribed in section 60-4,115 and issues the applicant a receipt with driving privileges which is valid for up to thirty days. Replacement commercial drivers' licenses or CLP-commercial learners' permits issued pursuant to this section shall be issued in the manner provided for the issuance of original and renewal commercial drivers' licenses or the issuance of permits as provided for by section 60-4,149.

(4) Upon issuance of any replacement commercial driver's license or permit, the commercial driver's license or CLP-commercial learner's permit for which the replacement license or permit is issued shall be void. Each replacement commercial driver's license or CLP-commercial learner's permit shall be issued with the same expiration date as the license or permit for which the replacement is issued. The replacement license or permit shall also state the new issuance date.

60-4,168 Disqualification; when.

(1) Except as provided in subsections (2) and (3) of this section, a person shall be disqualified from operating a commercial motor vehicle for one year upon his or her first conviction, after April 1, 1992, in this or any other state for:

(a) Operating a commercial motor vehicle in violation of section 60-6,196 or 60-6,197 or under the influence of a controlled substance or, beginning September 30, 2005, operating any motor vehicle in violation of section 60-6,196 or 60-6,197 or under the influence of a controlled substance;

(b) Operating a commercial motor vehicle in violation of section 60-4,163 or 60-4,164;

(c) Leaving the scene of an accident involving a commercial motor vehicle operated by the person or, beginning September 30, 2005, leaving the scene of an accident involving any motor vehicle operated by the person;

(d) Using a commercial motor vehicle in the commission of a felony other than a felony described in subdivision (3)(b) of this section or, beginning September 30, 2005, using any motor vehicle in the commission of a felony other than a felony described in subdivision (3)(b) of this section;

(e) Beginning September 30, 2005, operating a commercial motor vehicle after his or her commercial driver's license has been suspended, revoked, or canceled or the driver is disqualified from operating a commercial motor vehicle; or

(f) Beginning September 30, 2005, causing a fatality through the negligent or criminal operation of a commercial motor vehicle.

(2) Except as provided in subsection (3) of this section, if any of the offenses described in subsection (1) of this section occurred while a person was transporting hazardous material in a commercial motor vehicle which required placarding pursuant to section 75-364, the person shall, upon conviction or administrative determination, be disqualified from operating a commercial motor vehicle for three years.

(3) A person shall be disqualified from operating a commercial motor vehicle for life if, after April 1, 1992, he or she:

(a) Is convicted of or administratively determined to have committed a second or subsequent violation of any of the offenses described in subsection (1) of this section or any combination of those offenses arising from two or more separate incidents;

(b) Beginning September 30, 2005, used a motor vehicle in the commission of a felony involving the manufacturing, distributing, or dispensing of a controlled substance; or

(c) Used a commercial motor vehicle in the commission of a felony involving an act or practice of severe forms of trafficking in persons, as defined and described in 22 U.S.C. 7102(11), as such section existed on January 1, 2024.

(4)(a) A person is disqualified from operating a commercial motor vehicle for a period of not less than sixty days if he or she is convicted in this or any other

state of two serious traffic violations, or not less than one hundred twenty days if he or she is convicted in this or any other state of three serious traffic violations, arising from separate incidents occurring within a three-year period while operating a commercial motor vehicle.

(b) A person is disqualified from operating a commercial motor vehicle for a period of not less than sixty days if he or she is convicted in this or any other state of two serious traffic violations, or not less than one hundred twenty days if he or she is convicted in this or any other state of three serious traffic violations, arising from separate incidents occurring within a three-year period while operating a motor vehicle other than a commercial motor vehicle if the convictions have resulted in the revocation, cancellation, or suspension of the person's operator's license or driving privileges.

(5)(a) A person who is convicted of operating a commercial motor vehicle in violation of a federal, state, or local law or regulation pertaining to one of the following six offenses at a highway-rail grade crossing shall be disqualified for the period of time specified in subdivision (5)(b) of this section:

(i) For drivers who are not required to always stop, failing to slow down and check that the tracks are clear of an approaching train;

(ii) For drivers who are not required to always stop, failing to stop before reaching the crossing, if the tracks are not clear;

(iii) For drivers who are always required to stop, failing to stop before driving onto the crossing;

(iv) For all drivers, failing to have sufficient space to drive completely through the crossing without stopping;

(v) For all drivers, failing to obey a traffic control device or the directions of an enforcement official at the crossing; or

(vi) For all drivers, failing to negotiate a crossing because of insufficient undercarriage clearance.

(b)(i) A person shall be disqualified for not less than sixty days if the person is convicted of a first violation described in this subsection.

(ii) A person shall be disqualified for not less than one hundred twenty days if, during any three-year period, the person is convicted of a second violation described in this subsection in separate incidents.

(iii) A person shall be disqualified for not less than one year if, during any three-year period, the person is convicted of a third or subsequent violation described in this subsection in separate incidents.

(6) A person shall be disqualified from operating a commercial motor vehicle for at least one year if, on or after July 8, 2015, the person has been convicted of fraud related to the issuance of his or her CLP-commercial learner's permit or commercial driver's license.

(7) If the department receives credible information that a CLP-commercial learner's permit holder or a commercial driver's license holder is suspected, but has not been convicted, on or after July 8, 2015, of fraud related to the issuance of his or her CLP-commercial learner's permit or commercial driver's license, the department must require the driver to retake the skills and knowledge tests. Within thirty days after receiving notification from the department that retesting is necessary, the affected CLP-commercial learner's permit holder or commercial driver's license holder must make an appointment or otherwise

schedule to take the next available test. If the CLP-commercial learner's permit holder or commercial driver's license holder fails to make an appointment within thirty days, the department must disqualify his or her CLP-commercial learner's permit or commercial driver's license. If the driver fails either the knowledge or skills test or does not take the test, the department must disqualify his or her CLP-commercial learner's permit or commercial driver's license. If the holder of a CLP-commercial learner's permit or commercial driver's license has had his or her CLP-commercial learner's permit or commercial driver's license disqualified, he or she must reapply for a CLP-commercial learner's permit or commercial driver's license under department procedures applicable to all applicants for a CLP-commercial learner's permit or commercial driver's license.

(8) For purposes of this section, controlled substance has the same meaning as in section 28-401.

(9) For purposes of this section, conviction means an unvacated adjudication of guilt, or a determination that a person has violated or failed to comply with the law, in a court of original jurisdiction or by an authorized administrative tribunal, an unvacated forfeiture of bail or collateral deposited to secure the person's appearance in court, a plea of guilty or nolo contendere accepted by the court, the payment of a fine or court costs, or a violation of a condition of release without bail, regardless of whether or not the penalty is rebated, suspended, or probated.

(10) For purposes of this section, serious traffic violation means:

(a) Speeding at or in excess of fifteen miles per hour over the legally posted speed limit;

(b) Willful reckless driving as described in section 60-6,214 or reckless driving as described in section 60-6,213;

(c) Improper lane change as described in section 60-6,139;

(d) Following the vehicle ahead too closely as described in section 60-6,140;

(e) A violation of any law or ordinance related to motor vehicle traffic control, other than parking violations or overweight or vehicle defect violations, arising in connection with an accident or collision resulting in death to any person;

(f) Beginning September 30, 2005, operating a commercial motor vehicle without a commercial driver's license;

(g) Beginning September 30, 2005, operating a commercial motor vehicle without a commercial driver's license in the operator's possession;

(h) Beginning September 30, 2005, operating a commercial motor vehicle without the proper class of commercial driver's license and any endorsements, if required, for the specific vehicle group being operated or for the passengers or type of cargo being transported on the vehicle;

(i) Beginning October 27, 2013, texting while driving as described in section 60-6,179.02; and

(j) Using a handheld mobile telephone as described in section 60-6,179.02.

(11) Each period of disqualification imposed under this section shall be served consecutively and separately.

60-4,172 Nonresident licensee or permit holder; conviction within state; director; duties.

(1) Within ten days after a conviction of any nonresident who holds a commercial learner's permit or commercial driver's license for any violation of state law or local ordinance related to motor vehicle traffic control, other than parking violations, committed in a commercial motor vehicle operated in this state, the director shall notify the driver licensing authority which licensed the nonresident who holds a commercial learner's permit or commercial driver's license and the Commercial Driver License Information System of such conviction.

(2)(a) Within ten days after disqualifying a nonresident who holds a commercial learner's permit or commercial driver's license or canceling, revoking, or suspending the commercial learner's permit or commercial driver's license held by a nonresident, for a period of at least sixty days, the department shall notify the driver licensing authority which licensed the nonresident and the Commercial Driver License Information System of such action.

(b) The notification shall include both the disqualification and the violation that resulted in the disqualification, cancellation, revocation, or suspension. The notification and the information it provides shall be recorded on the driver's record.

(3) Within ten days after a conviction of any nonresident who holds a commercial learner's permit or commercial driver's license for any violation of state law or local ordinance related to motor vehicle traffic control, other than parking violations, committed in any type of motor vehicle operated in this state, the director shall notify the driver licensing authority which licensed the nonresident and the Commercial Driver License Information System of such conviction.

(4) Within ten days after a conviction of any nonresident who holds a driver's license for any violation of state law or local ordinance related to motor vehicle traffic control, other than parking violations, committed in a commercial motor vehicle operated in this state, the director shall notify the driver licensing authority which licensed the nonresident.

(i) COMMERCIAL DRIVER TRAINING SCHOOLS

60-4,174 Director; duties; rules and regulations; Commissioner of Education; assist.

The director shall adopt and promulgate such rules and regulations for the administration and enforcement of sections 60-4,173 to 60-4,179 as are neces-

sary to protect the public. The director or his or her authorized representative shall examine applicants for Driver Training School and Instructor's Licenses, license successful applicants, and inspect school facilities and equipment. The director shall administer and enforce such sections and may call upon the Commissioner of Education for assistance in developing and formulating appropriate rules and regulations.

(j) STATE IDENTIFICATION CARDS

60-4,181 State identification cards; issuance; requirements; form; delivery; cancellation.

(1) Each applicant for a state identification card shall provide the information and documentation required by sections 60-484, 60-484.04, and 60-484.07. The form of the state identification card shall comply with section 60-4,117. The applicant shall present an issuance certificate to the county treasurer for a state identification card. Department personnel or the county treasurer shall collect the fee and surcharge as prescribed in section 60-4,115 and issue a receipt to the applicant which is valid up to thirty days. The state identification card shall be delivered to the applicant as provided in section 60-4,113.

(2) The director may summarily cancel any state identification card, and any judge or magistrate may order a state identification card canceled in a judgment of conviction, if the application or information presented by the applicant contains any false or fraudulent statements which were deliberately and knowingly made as to any matter material to the issuance of the card or if the application or information presented by the applicant does not contain required or correct information. Any state identification card so obtained shall be void from the date of issuance. Any judgment of conviction ordering cancellation of a state identification card shall be transmitted to the director who shall cancel the card.

(3) No person shall be a holder of a state identification card and an operator's license at the same time.

(k) POINT SYSTEM

60-4,183 Point system; revocation of license, when; driver improvement course; employment driving permit or medical hardship driving permit, exception.

Whenever it comes to the attention of the director that any person has, as disclosed by the records of the director, accumulated a total of twelve or more

points within any period of two years, as set out in section 60-4,182, the director shall (1) summarily revoke the operator's license of such person and (2) require such person to attend and successfully complete a driver improvement course consisting of at least four hours of instruction approved by the Department of Motor Vehicles.

Such instruction shall be successfully completed before the operator's license may be reinstated. Each person who attends such instruction shall pay the cost of such course.

Such revocation shall be for a period of six months from the date of the signing of the order of revocation or six months from the date of the release of such person from the jail or a Department of Correctional Services adult correctional facility, whichever is the later, unless a longer period of revocation was directed by the terms of the abstract of the judgment of conviction transmitted to the director by the trial court.

Any motor vehicle except a commercial motor vehicle may be operated under an employment driving permit as provided by section 60-4,129 or a medical hardship driving permit as provided by section 60-4,130.01.

60-4,188 Driver improvement course; reduce point assessment.

Any person who has fewer than twelve points assessed against his or her driving record under section 60-4,182 may voluntarily enroll in a driver improvement course approved by the Department of Motor Vehicles. Upon notification of successful completion of such a course by the conducting organization, the department shall reduce by two the number of points assessed against such person's driving record within the previous two years. This section shall only apply to persons who have successfully completed such driver improvement course prior to committing any traffic offense for which a conviction and point assessment against their driving record would otherwise result in a total of twelve or more points assessed against their record. No person required to enroll in a driver improvement course pursuant to section 60-4,130, 60-4,130.03, or 60-4,183 shall be eligible for a reduction in points assessed against his or her driving record upon the successful completion of such course. If a person has only one point assessed against his or her record within the previous two years, upon notification of successful completion of such a course by the conducting organization, the department shall reduce one point from such person's driving record. Such reduction shall be allowed only once within a five-year period. Notification of completion of an approved driver improvement course shall be sent to the department, upon successful completion thereof, by the conducting organization. Such course shall consist of at

least four hours of instruction and shall follow such other guidelines as are established by the department.

ARTICLE 5
MOTOR VEHICLE SAFETY RESPONSIBILITY

(a) DEFINITIONS

Section
60-501. Terms, defined.

(a) DEFINITIONS

60-501 Terms, defined.

For purposes of the Motor Vehicle Safety Responsibility Act, unless the context otherwise requires:

(1) Department means Department of Motor Vehicles;

(2) Former military vehicle means a motor vehicle that was manufactured for use in any country's military forces and is maintained to accurately represent its military design and markings, regardless of the vehicle's size or weight, but is no longer used, or never was used, by a military force;

(3) Golf car vehicle means a vehicle that has at least four wheels, has a maximum level ground speed of less than twenty miles per hour, has a maximum payload capacity of one thousand two hundred pounds, has a maximum gross vehicle weight of two thousand five hundred pounds, has a maximum passenger capacity of not more than four persons, and is designed and manufactured for operation on a golf course for sporting and recreational purposes;

(4) Judgment means any judgment which shall have become final by the expiration of the time within which an appeal might have been perfected without being appealed, or by final affirmation on appeal, rendered by a court of competent jurisdiction of any state or of the United States, (a) upon a cause of action arising out of the ownership, maintenance, or use of any motor vehicle for damages, including damages for care and loss of services, because of bodily injury to or death of any person or for damages because of injury to or destruction of property, including the loss of use thereof, or (b) upon a cause of action on an agreement of settlement for such damages;

(5) License means any license issued to any person under the laws of this state pertaining to operation of a motor vehicle within this state;

(6) Low-speed vehicle means a (a) four-wheeled motor vehicle (i) whose speed attainable in one mile is more than twenty miles per hour and not more than twenty-five miles per hour on a paved, level surface, (ii) whose gross vehicle weight rating is less than three thousand pounds, and (iii) that complies with 49 C.F.R. part 571, as such part existed on January 1, 2024, or (b) three-wheeled motor vehicle (i) whose maximum speed attainable is not more than twenty-five miles per hour on a paved, level surface, (ii) whose gross vehicle weight rating is less than three thousand pounds, and (iii) which is equipped

with a windshield and an occupant protection system. A motorcycle with a sidecar attached is not a low-speed vehicle;

(7) Minitruck means a foreign-manufactured import vehicle or domestic-manufactured vehicle which (a) is powered by an internal combustion engine with a piston or rotor displacement of one thousand five hundred cubic centimeters or less, (b) is sixty-seven inches or less in width, (c) has a dry weight of four thousand two hundred pounds or less, (d) travels on four or more tires, (e) has a top speed of approximately fifty-five miles per hour, (f) is equipped with a bed or compartment for hauling, (g) has an enclosed passenger cab, (h) is equipped with headlights, taillights, turnsignals, windshield wipers, a rearview mirror, and an occupant protection system, and (i) has a four-speed, five-speed, or automatic transmission;

(8) Motor vehicle means any self-propelled vehicle which is designed for use upon a highway, including trailers designed for use with such vehicles, minitrucks, and low-speed vehicles. Motor vehicle includes a former military vehicle. Motor vehicle does not include (a) mopeds as defined in section 60-637, (b) traction engines, (c) road rollers, (d) farm tractors, (e) tractor cranes, (f) power shovels, (g) well drillers, (h) every vehicle which is propelled by electric power obtained from overhead wires but not operated upon rails, (i) electric personal assistive mobility devices as defined in section 60-618.02, (j) off-road designed vehicles, including, but not limited to, golf car vehicles, go-carts, riding lawnmowers, garden tractors, all-terrain vehicles and utility-type vehicles as defined in section 60-6,355, minibikes as defined in section 60-636, and snowmobiles as defined in section 60-663, and (k) bicycles as defined in section 60-611;

(9) Nonresident means every person who is not a resident of this state;

(10) Nonresident's operating privilege means the privilege conferred upon a nonresident by the laws of this state pertaining to the operation by him or her of a motor vehicle or the use of a motor vehicle owned by him or her in this state;

(11) Operator means every person who is in actual physical control of a motor vehicle;

(12) Owner means a person who holds the legal title of a motor vehicle, or in the event (a) a motor vehicle is the subject of an agreement for the conditional sale or lease thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee or lessee or (b) a mortgagor of a vehicle is entitled to possession, then such conditional vendee or lessee or mortgagor shall be deemed the owner for the purposes of the act;

(13) Person means every natural person, firm, partnership, limited liability company, association, or corporation;

(14) Proof of financial responsibility means evidence of ability to respond in damages for liability, on account of accidents occurring subsequent to the effective date of such proof, arising out of the ownership, maintenance, or use of a motor vehicle, (a) in the amount of twenty-five thousand dollars because of bodily injury to or death of one person in any one accident, (b) subject to such limit for one person, in the amount of fifty thousand dollars because of bodily injury to or death of two or more persons in any one accident, and (c) in the amount of twenty-five thousand dollars because of injury to or destruction of property of others in any one accident;

(15) Registration means registration certificate or certificates and registration plates issued under the laws of this state pertaining to the registration of motor vehicles;

(16) State means any state, territory, or possession of the United States, the District of Columbia, or any province of the Dominion of Canada; and

(17) The forfeiture of bail, not vacated, or of collateral deposited to secure an appearance for trial shall be regarded as equivalent to conviction of the offense charged.

60-614.02 Class I electric bicycle, defined.

Class I electric bicycle means a device with the following components:

(1) Two, three, or four wheels;

(2) A saddle or seat for the rider;

(3) Fully operative pedals for propulsion by human power; and

(4) An electric motor:

(a) Not exceeding seven hundred fifty watts of power;

(b) That produces no more than one brake horsepower;

(c) Capable of propelling the bicycle at a maximum design speed of no more than twenty miles per hour on level ground;

(d) That only provides power when the rider is pedaling; and

(e) That does not provide power if the electric bicycle is traveling at a speed of more than twenty miles per hour.

Source: Laws 2023, LB138, § 38.

60-614.03 Class II electric bicycle, defined.

Class II electric bicycle means a device with the following components:

(1) Two, three, or four wheels;

(2) A saddle or seat for the rider;

(3) Fully operative pedals for propulsion by human power; and

(4) An electric motor:

(a) Not exceeding seven hundred fifty watts of power;

(b) That produces no more than one brake horsepower;

(c) Capable of propelling the bicycle at a maximum design speed of no more than twenty miles per hour on level ground;

(d) Capable of providing power whether or not the rider is pedaling; and

(e) That does not provide power if the electric bicycle is traveling at a speed of more than twenty miles per hour.

(b) POWERS OF STATE AND LOCAL AUTHORITIES

60-678 Regulations; violations; penalty.

(1) The State of Nebraska or any department, board, commission, or governmental subdivision thereof is hereby authorized, in its respective jurisdiction, to enact regulations permitting, prohibiting, and controlling the use of motor vehicles, minibikes, motorcycles, off-road recreation vehicles of any and all types, electric bicycles, other powered vehicles, electric personal assistive mobility devices, and vehicles which are not self-propelled. Any person who operates any of such vehicles without the permission of the appropriate governmental entity or in a place, time, or manner which has been prohibited by such entity shall be guilty of a Class III misdemeanor.

(2) Such governmental entity described in subsection (1) of this section may further authorize the supervising official of any area under its ownership or control to permit, control, or prohibit operation of any motor vehicle, minibike,

motorcycle, off-road recreational vehicle of any or all types, electric bicycles, other powered vehicle, electric personal assistive mobility device, or vehicle which is not self-propelled on all or any portion of any area under its ownership or control at any time by posting or, in case of an emergency, by personal notice. Any person operating any such vehicle where prohibited, where not permitted, or in a manner so as to endanger the peace and safety of the public or as to harm or destroy the natural features or manmade features of any such area shall be guilty of a Class III misdemeanor.

(d) ACCIDENTS AND ACCIDENT REPORTING

60-699 Accidents; reports required of operators and owners; when; supplemental reports; reports of peace officers open to public inspection; limitation on use as evidence; confidential information; violation; penalty.

(1) The operator of any vehicle involved in an accident resulting in injuries or death to any person or damage to the property of any one person, including such operator, to an apparent extent that equals or exceeds one thousand five hundred dollars shall within ten days forward a report of such accident to the Department of Transportation. Such report shall not be required if the accident is investigated by a peace officer. If the operator is physically incapable of making the report, the owner of the motor vehicle involved in the accident shall, within ten days from the time he or she learns of the accident, report the matter in writing to the Department of Transportation. The Department of Transportation or Department of Motor Vehicles may require operators involved in accidents to file supplemental reports of accidents upon forms furnished by it whenever the original report is insufficient in the opinion of either department. The operator or the owner of the motor vehicle shall make such other and additional reports relating to the accident as either department requires. Such records shall be retained for the period of time specified by the State Records Administrator pursuant to the Records Management Act.

(2) The report of accident required by this section shall be in two parts. Part I shall be in such form as the Department of Transportation may prescribe and shall disclose full information concerning the accident. Part II shall be in such form as the Department of Motor Vehicles may prescribe and shall disclose sufficient information to disclose whether or not the financial responsibility requirements of the Motor Vehicle Safety Responsibility Act are met through the carrying of liability insurance.

(3) Upon receipt of a report of accident, the Department of Transportation shall determine the reportability and classification of the accident and enter all information into a computerized database. Upon completion, the Department of Transportation shall electronically send Part II of the report to the Department of Motor Vehicles for purposes of section 60-506.01.

(4) Such reports shall be without prejudice. Except as provided in section 84-712.05, a report regarding an accident made by a peace officer, made to or filed with a peace officer in the peace officer's office or department, or filed with or made by or to any other law enforcement agency of the state shall be open to public inspection, but an accident report filed by the operator or owner

of a motor vehicle pursuant to this section shall not be open to public inspection. Date of birth information, excluding the year of birth, and operator's license number information of an operator or owner included in any report required under this section shall be confidential and shall not be a public record under section 84-712.01. Year of birth or age information of an operator or owner included in any report required under this section shall not be confidential and shall be a public record under section 84-712.01. Nothing in this section prohibits a peace officer or a law enforcement agency from disclosing the age of an operator or owner included in any report required under this section. The fact that a report by an operator or owner has been so made shall be admissible in evidence solely to prove compliance with this section, but no such report or any part of or statement contained in the report shall be admissible in evidence for any other purpose in any trial, civil or criminal, arising out of such accidents nor shall the report be referred to in any way or be any evidence of the negligence or due care of either party at the trial of any action at law to recover damages.

(5) The failure by any person to report an accident as provided in this section or to correctly give the information required in connection with the report shall be a Class V misdemeanor.

(f) TRAFFIC CONTROL DEVICES

60-6,123 Traffic control signals; meaning; turns on red signal; when; signal not in service; effect.

Whenever traffic is controlled by traffic control signals exhibiting different colored lights or colored lighted arrows, successively one at a time or in combination, only the colors green, red, and yellow shall be used, except for special pedestrian signals carrying a word legend, number, or symbol, and such lights shall indicate and apply to drivers of vehicles and pedestrians as follows:

(1)(a) Vehicular traffic facing a circular green indication may proceed straight through or turn right or left unless a sign at such place prohibits either such turn, but vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent crosswalk at the time such indication is exhibited;

(b) Vehicular traffic facing a green arrow indication, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by such arrow or such other movement as is permitted by other indications shown at the same time, and such vehicular

traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection; and

(c) Unless otherwise directed by a pedestrian-control signal, pedestrians facing any green indication, except when the sole green indication is a turn arrow, may proceed across the roadway within any marked or unmarked crosswalk;

(2)(a) Vehicular traffic facing a steady yellow indication is thereby warned that the related green movement is being terminated or that a red indication will be exhibited immediately thereafter when vehicular traffic shall not enter the intersection, and upon display of a steady yellow indication, vehicular traffic shall stop before entering the nearest crosswalk at the intersection, but if such stop cannot be made in safety, a vehicle may be driven cautiously through the intersection;

(b) Vehicular traffic facing a flashing yellow arrow indication may cautiously enter the intersection only to make the movement indicated by such arrow, and such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection; and

(c) Pedestrians facing a steady yellow indication, unless otherwise directed by a pedestrian-control signal, are thereby advised that there is insufficient time to cross the roadway before a red indication is shown and no pedestrian shall then start to cross the roadway;

(3)(a) Vehicular traffic facing a steady circular red indication alone shall stop at a clearly marked stop line or shall stop, if there is no such line, before entering the crosswalk on the near side of the intersection or, if there is no crosswalk, before entering the intersection. The traffic shall remain standing until an indication to proceed is shown except as provided in subdivisions (3)(b) and (3)(c) of this section;

(b) Except where a traffic control device is in place prohibiting a turn, vehicular traffic facing a steady circular red indication may cautiously enter the intersection to make a right turn after stopping as required by subdivision (3)(a) of this section. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection;

(c) Except where a traffic control device is in place prohibiting a turn, vehicular traffic facing a steady circular red indication at the intersection of two one-way streets may cautiously enter the intersection to make a left turn after stopping as required by subdivision (3)(a) of this section. Such vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection;

(d) Vehicular traffic facing a steady red arrow indication alone shall stop at a clearly marked stop line or shall stop, if there is no such line, before entering the crosswalk on the near side of the intersection or, if there is no crosswalk, before entering the intersection. The traffic shall not enter the intersection to make the movement indicated by the arrow and shall remain standing until an indication to proceed is shown; and

(e) Unless otherwise directed by a pedestrian-control signal, pedestrians facing a steady red indication alone shall not enter the roadway;

(4) If a traffic control signal is erected and maintained at a place other than an intersection, the provisions of this section shall be applicable except as to

those provisions which by their nature can have no application. Any stop required shall be made at a sign or marking on the pavement indicating where the stop shall be made, but in the absence of any such sign or marking, the stop shall be made at the signal; and

(5)(a) If a traffic control signal at an intersection is not operating because of a power failure or other cause and no peace officer, flagperson, or other traffic control device is providing direction for traffic at the intersection, the intersection shall be treated as a multi-way stop; and

(b) If a traffic control signal is not in service and the signal heads are turned away from traffic or covered with opaque material, subdivision (a) of this subdivision shall not apply.

(t) WINDSHIELDS, WINDOWS, AND MIRRORS

60-6,254 Operator; view to rear required; outside mirrors; camera monitor system; authorized.

(1)(a) No person shall drive a motor vehicle, other than a motorcycle, on a highway when the motor vehicle is so constructed or loaded as to prevent the driver from obtaining a view of the highway to the rear by looking backward from the driver's position unless such vehicle is equipped with the following that are so located as to reflect to the driver a view of the highway for a distance of at least two hundred feet to the rear of such vehicle:

(i) A right-side and a left-side outside mirror; or

(ii) A camera monitor system that is compliant with the Federal Motor Carrier Safety Administration.

(b) Temporary outside mirrors and attachments used when towing a vehicle shall be removed from such motor vehicle or retracted within the outside dimensions thereof when it is operated upon the highway without such trailer.

(2) For purposes of this section, motorcycle does not include an autocycle.

(u) OCCUPANT PROTECTION SYSTEMS AND THREE-POINT SAFETY BELT SYSTEMS

60-6,265 Occupant protection system and three-point safety belt system, defined.

For purposes of sections 60-6,266 to 60-6,273:

(1) Occupant protection system means a system utilizing a lap belt, a shoulder belt, or any combination of belts installed in a motor vehicle which (a)

restrains drivers and passengers and (b) conforms to Federal Motor Vehicle Safety Standards, 49 C.F.R. 571.207, 571.208, 571.209, and 571.210, as such standards existed on January 1, 2024, or, as a minimum standard, to the federal motor vehicle safety standards for passenger restraint systems applicable for the motor vehicle's model year; and

(2) Three-point safety belt system means a system utilizing a combination of a lap belt and a shoulder belt installed in a motor vehicle which restrains drivers and passengers.

(w) HELMETS AND EYE PROTECTION

60-6,279 Protective helmets; eye protection; required; when.

(1) A person shall not operate a motorcycle or moped on any highway in this state unless such person is:

(a) Wearing a protective helmet of the type and design manufactured for use by operators of such vehicles and unless such helmet is secured properly on the user's head with a chin strap while the vehicle is in motion. All such protective helmets shall be designed to reduce injuries to the user resulting from head impacts and shall be designed to protect the user by remaining on the user's head, deflecting blows, resisting penetration, and spreading the force of impact. Each such helmet shall consist of lining, padding, and chin strap and shall meet or exceed the standards established in the United States Department of Transportation's Federal Motor Vehicle Safety Standard No. 218, 49 C.F.R. 571.218, for motorcycle helmets; or

(b)(i) At least twenty-one years of age; and

(ii)(A) Has a Nebraska Class M license and received such Class M license prior to May 1, 2024, and has completed the Motorcycle Safety Foundation three-hour Basic eCourse and submitted proof of such completion to the Department of Motor Vehicles. Proof of such completion shall be in a manner approved by the department;

(B) Has a Nebraska Class M license and received such Class M license on or after May 1, 2024, and has completed the basic motorcycle safety course as provided in the Motorcycle Safety Education Act and submitted proof of such completion to the Department of Motor Vehicles. Proof of such completion shall be in a manner approved by the department; or

(C) Has a license to operate a motorcycle issued by another state.

(2) A person shall not be a passenger on a motorcycle or moped on any highway in this state unless:

(a) Such person is wearing a protective helmet described in subdivision (1)(a) of this section; or

(b)(i) Such person is at least twenty-one years of age; and

(ii) The person operating the motorcycle or moped is a person described in subdivision (1)(b) of this section.

(3) The Department of Motor Vehicles shall modify the existing system of the department by January 1, 2024, to allow the date of completion of such course to be recorded on the person's record provided for in section 60-483.

(4) A person shall not operate a motorcycle or moped on any highway in this state unless such person employs one of the following forms of eye protection: (a) Glasses that cover the orbital region of the person's face, (b) a protective face shield attached to a protective helmet, (c) goggles, or (d) a windshield on the motorcycle or moped that protects the operator's and passenger's horizontal line of vision in all operating positions.

(y) SIZE, WEIGHT, AND LOAD

60-6,290 Vehicles; length; limit; exceptions.

(1)(a) No vehicle shall exceed a length of forty feet, extreme overall dimensions, inclusive of front and rear bumpers including load, except that:

(i) A bus or a motor home, as defined in section 71-4603, may exceed the forty-foot limitation but shall not exceed a length of forty-five feet;

(ii) A truck-tractor may exceed the forty-foot limitation;

(iii) A semitrailer operating in a truck-tractor single semitrailer combination, which semitrailer was actually and lawfully operating in the State of Nebraska on December 1, 1982, may exceed the forty-foot limitation;

(iv) A semitrailer operating in a truck-tractor single semitrailer combination, which semitrailer was not actually and lawfully operating in the State of Nebraska on December 1, 1982, may exceed the forty-foot limitation but shall not exceed a length of fifty-three feet including load;

(v) A semitrailer operating in a truck-tractor single semitrailer combination, while transporting baled livestock forage, may exceed the forty-foot limitation but shall not exceed a length of fifty-nine feet six inches including load;

(vi) An articulated bus vehicle operated by a transit authority established under the Transit Authority Law or regional metropolitan transit authority established pursuant to section 18-804 may exceed the forty-foot limitation. For purposes of this subdivision (vi), an articulated bus vehicle shall not exceed sixty-five feet in length; and

(vii) A truck may exceed the forty-foot limitation but shall not exceed a length of forty-five feet.

(b) No combination of vehicles shall exceed a length of sixty-five feet, extreme overall dimensions, inclusive of front and rear bumpers and including load, except:

(i) One truck and one trailer, loaded or unloaded, used in transporting implements of husbandry to be engaged in harvesting, while being transported into or through the state during daylight hours if the total length does not exceed seventy-five feet including load;

(ii) A truck-tractor single semitrailer combination;

(iii) A truck-tractor semitrailer trailer combination, but the semitrailer trailer portion of such combination shall not exceed sixty-five feet inclusive of connective devices;

(iv) A driveaway saddlemount vehicle transporter combination and driveaway saddlemount with fullmount vehicle transporter combination, but the total overall length shall not exceed ninety-seven feet;

(v) A stinger-steered automobile transporter, but the total overall length shall not exceed eighty feet, inclusive of a front overhang of less than four feet and a rear overhang of less than six feet. For purposes of this subdivision, automobile transporter means any vehicle combination designed and used for the transport of assembled highway vehicles, including truck camper units. An automobile transporter shall not be prohibited from the transport of cargo or general freight on a backhaul, so long as it is in compliance with weight limitations for a truck-tractor and semitrailer combination; and

(vi) A towaway trailer transporter combination, but the total overall length shall not exceed eighty-two feet. For purposes of this subdivision, towaway trailer transporter combination means a combination of vehicles consisting of a trailer transporter towing unit and two trailers or semitrailers with a total weight that does not exceed twenty-six thousand pounds, and in which the trailers or semitrailers carry no property and constitute inventory property of a manufacturer, distributor, or dealer of such trailers or semitrailers.

(c) A truck shall be construed to be one vehicle for the purpose of determining length.

(d) A trailer shall be construed to be one vehicle for the purpose of determining length.

(2) Subsection (1) of this section shall not apply to:

(a) Extra-long vehicles which have been issued a permit pursuant to section 60-6,292;

(b) Vehicles which have been issued a permit pursuant to section 60-6,299;

(c) The temporary moving of farm machinery during daylight hours in the normal course of farm operations;

(d) The movement of unbaled livestock forage vehicles, loaded or unloaded;

(e) The movement of public utility or other construction and maintenance material and equipment at any time;

(f) Farm equipment dealers or their representatives as authorized under section 60-6,382 driving, delivering, or picking up farm equipment or implements of husbandry within the county in which the dealer maintains his or her place of business, or in any adjoining county or counties, and return;

(g) The overhang of any motor vehicle being hauled upon any lawful combination of vehicles, but such overhang shall not exceed the distance from the rear axle of the hauled motor vehicle to the closest bumper thereof;

(h) The overhang of a combine to be engaged in harvesting, while being transported into or through the state driven during daylight hours by a truck-tractor semitrailer combination, but the length of the semitrailer, including overhang, shall not exceed sixty-three feet and the maximum semitrailer length shall not exceed fifty-three feet;

(i) Any self-propelled specialized mobile equipment with a fixed load when the requirements of subdivision (2)(i) of section 60-6,288 are met; or

(j) One truck-tractor two trailer combination or one truck-tractor semitrailer trailer combination used in transporting equipment utilized by custom harvesters under contract to agricultural producers to harvest wheat, soybeans, or milo during the months of April through November but the length of the property-carrying units, excluding load, shall not exceed eighty-one feet six inches.

(3) The length limitations of this section shall be exclusive of safety and energy conservation devices such as rearview mirrors, turnsignal lights, marker lights, steps and handholds for entry and egress, flexible fender extensions, mudflaps and splash and spray suppressant devices, load-induced tire bulge, refrigeration units or air compressors, and other devices necessary for safe and efficient operation of commercial motor vehicles, except that no device excluded from the limitations of this section shall have by its design or use the capability to carry cargo.

60-1403 Board; hearing officer; investigators; powers and duties; seal; records; authentication; review of action; when.

(1) The board may:

(a) Regulate the issuance and revocation of licenses in accordance with and subject to the Motor Vehicle Industry Regulation Act;

(b) Perform all acts and duties provided for in the act necessary to the administration and enforcement of the act;

(c) Make and enforce rules and regulations relating to the administration of but not inconsistent with the act; and

(d) Employ a hearing officer who shall conduct preliminary hearings on behalf of the board and make recommendations to the board on any issue or matter which the board deems proper.

(2) The board shall adopt a seal, which may be either an engraved or ink stamp seal, with the words Nebraska Motor Vehicle Industry Licensing Board and such other devices as the board may desire included on the seal by which it shall authenticate the acts of its office. Copies of all records and papers in the office of the board under the hand and seal of its office shall be received in evidence in all cases equally and with like effect as the original.

(3) Investigators employed by the board may enter upon and inspect the facilities, the required records, and any vehicles, trailers, or motorcycles found in any licensed motor vehicle, motorcycle, or trailer dealer's established place or places of business.

(4) With respect to any action taken by the board, if a controlling number of the members of the board are active participants in the vehicle market in which the action is taken, the chairperson shall review the action taken and, upon completion of such review, modify, alter, approve, or reject the board's action.

60-1408 Motor vehicle dealer's license; continuing education; requirements.

(1) Beginning January 1, 2026:

(a) Every person applying for an initial motor vehicle dealer's license shall have completed eight hours of continuing education authorized by the board

within the twelve-month period immediately preceding the date of application; and

(b) Every licensee applying for renewal of a motor vehicle dealer's license shall have completed four hours of continuing education authorized by the board within the twelve-month period immediately preceding the date of application.

(2) Every application for the issuance or renewal of a motor vehicle dealer's license shall be accompanied by documentation, as prescribed by the board, of the completion of continuing education required under subsection (1) of this section.

(3) The continuing education requirements of this section shall not apply to:

(a) A motor vehicle dealer whose primary business is the sale of salvage vehicles on behalf of motor vehicle insurers;

(b) A motor vehicle dealer that only buys and sells manufactured homes;

(c) A motor vehicle dealer that only buys and sells trailers; or

(d) A franchised new car dealer licensed by the board or any employee of such a franchised new car dealer.

60-1408.01 Continuing education; educational seminar; authorization.

(1) Any person may apply to the board for authorization to qualify an educational seminar for continuing education credit provided under section 60-1408. The board shall require a complete and specific description of such educational seminar from the applicant prior to authorizing such educational seminar for continuing education credit. Such description shall include:

(a) How the educational seminar will benefit a licensee in conducting business;

(b) The length of time the educational seminar will be conducted;

(c) A description of the method that will be used to record attendance during the educational seminar; and

(d) Copies of any instructional materials that will be provided to attendees of the educational seminar.

(2)(a) The board shall determine whether to approve or deny an application made under subsection (1) of this section. If authorization for continuing education credit is granted, the board shall also determine the number of continuing education credit hours authorized for the educational seminar.

(b) Within ten days of receiving the application, the board shall notify the applicant of the board's decision to approve or deny such educational seminar for continuing education credit, and, if applicable, the number of continuing education credit hours authorized.

60-1413 Disciplinary actions; procedure.

(1) Before the board denies any license or any registration as described in section 60-1417.02, revokes or suspends any such license or registration, places

a licensee or registrant on probation, or assesses an administrative fine under section 60-1411.02, the board, or hearing officer employed by the board, shall give the applicant, licensee, registrant, or violator a hearing on the matter unless the hearing is waived upon agreement between the applicant, licensee, registrant, or violator and the executive director, with the approval of the board. As a condition of the waiver, the applicant, licensee, registrant, or violator shall accept the fine or other administrative action. If the hearing is not waived, the board shall, at least thirty days prior to the date set for the hearing, notify the party in writing. Such notice in writing shall contain an exact statement of the charges against the party and the date and place of hearing. The party shall have full authority to be heard in person or by counsel before the board, or hearing officer employed by the board, in reference to the charges. The written notice may be served by delivery personally to the party or by mailing the notice by registered or certified mail to the last-known business address of the party. If the applicant is a dealer's agent, the board shall also notify the dealer employing or contracting with him or her or whose employ he or she seeks to enter by mailing the notice to the dealer's last-known business address. A stenographic record of all testimony presented at the hearings shall be made and preserved pending final disposition of the complaint.

(2) When the licensee fails to maintain a bond as provided in section 60-1419, an established place of business, or liability insurance as prescribed by subsection (3) of section 60-1407.01, the license shall immediately expire. The executive director shall notify the licensee personally or by mailing the notice by registered or certified mail to the last-known address of the licensee that his or her license is revoked until a bond as required by section 60-1419 or liability insurance as prescribed by subsection (3) of section 60-1407.01 is furnished and approved in which event the license may be reinstated.

(3) Upon notice of the revocation or suspension of the license, the licensee shall immediately surrender the expired license to the executive director or his or her representative. If the license is suspended, the executive director or his or her representative shall return the license to the licensee at the time of the conclusion of the period of suspension. Failure to surrender the license as required in this section shall subject the licensee to the penalties provided in section 60-1416.

60-1414 Denial, revocation, or suspension of license or registration; hearing; attendance of witness; production of books and papers; effect.

In the preparation and conduct of such hearings, the members of the board and executive director, or hearing officer employed by the board, shall have the power to require the attendance and testimony of any witness and the production of any papers or documents in order to assure a fair trial. They may sign and issue subpoenas therefor and administer oaths and examine witnesses and take any evidence they deem pertinent to the determination of the charges. Any witnesses so subpoenaed shall be entitled to the same fees as prescribed by law

in judicial proceedings in the district court of this state in a civil action and mileage at the same rate provided in section 81-1176 for state employees. The payment of such fees and mileage must be out of and kept within the limits of the funds provided for the administration of the board. The party against whom such charges may be filed shall have the right to obtain from the executive director a subpoena for any witnesses which he or she may desire at such hearing and depositions may be taken as in civil court cases in the district court. Any information obtained from the books and records of the person complained against may not be used against the person complained against as the basis for a criminal prosecution under the laws of this state.

60-1417.02 Auction; registration of seller; exception.

(1) Except as otherwise provided in subsection (5) of this section, any person who engages in or attempts to engage in the selling of motor vehicles or trailers at an auction licensed pursuant to the Motor Vehicle Industry Regulation Act shall register to do so. Registration shall be made on a form provided by the auction dealer and approved by the board. A copy of the registration shall serve as proof of registration for the calendar year. The registration information shall be made available and accessible to the board by the auction dealer within seventy-two hours after the registrant has met the registration requirements and such registration is issued. Such registration information shall be maintained and made accessible to the board by the auction dealer for two years. It shall be the duty of the auction dealer to ensure that no seller participates in any sales activities until and unless registration has been received by the auction dealer or unless such seller is otherwise licensed under the act.

(2) The information required on the registration form shall include, but not be limited to, the following: (a) The legal name of the registrant; (b) the registrant's current mailing address and telephone number; (c) the business name and address of the person with whom the registrant is associated; and (d) whether or not the registrant is bonded.

(3) The registration form shall be signed by the registrant and an authorized representative of the auction and shall be notarized by a notary public.

(4) Any person who is convicted of any violation of the act pursuant to section 60-1411.02 may be denied the right to be registered at all licensed auctions of this state following a hearing before the board, or hearing officer employed by the board, as prescribed in section 60-1413.

(5) A licensed motor vehicle dealer may conduct an auction of excess inventory of used vehicles without being licensed as an auction dealer or registered under this section if the auction conforms to the requirements of this subsection. The licensed motor vehicle dealer shall conduct the auction upon the licensed premises of the dealer, shall sell only used motor vehicles, trailers, or manufactured homes, shall sell only to motor vehicle dealers licensed in Nebraska, shall not sell any vehicles on consignment, and shall not sell any vehicles directly to the public.

60-1427 Franchise; termination; noncontinuance; change community; additional dealership; application; hearing; burden of proof.

Upon hearing, the franchisor shall have the burden of proof to establish that under the Motor Vehicle Industry Regulation Act the franchisor should be granted permission to terminate or not continue the franchise, to change the franchisee's community, or to enter into a franchise establishing an additional motor vehicle, combination motor vehicle and trailer, motorcycle, or trailer dealership.

Nothing contained in the act shall be construed to require or authorize any investigation by the board of any matter before the board under the provisions of sections 60-1420 to 60-1435. Upon hearing, the board, or hearing officer employed by the board, shall hear the evidence introduced by the parties. The hearing officer employed by the board shall make a recommendation to the board solely upon the record so made. The board shall make its decision solely upon the record so made.

60-1428 Franchise; discovery; inspection; rules of civil procedure.

The rules of civil procedure relating to discovery and inspection shall apply to hearings held under the Motor Vehicle Industry Regulation Act, and the board may issue orders to give effect to such rules.

If issues are raised which would involve violations of any state or federal antitrust or price-fixing law, all discovery and inspection proceedings which would be available under such issues in a state or federal court action shall be available to the parties to the hearing, and the board may issue orders to give effect to such proceedings.

Evidence which would be admissible under the issues in a state or federal court action shall be admissible in a hearing held by the board or hearing officer employed by the board. The board shall apportion all costs between the parties.

60-1438.01 Manufacturer or distributor; restrictions with respect to franchises and consumer care or service facilities.

(1) For purposes of this section, manufacturer or distributor includes (a) a factory representative or a distributor representative or (b) a person who is affiliated with a manufacturer or distributor or who, directly or indirectly

through an intermediary, is controlled by, or is under common control with, the manufacturer or distributor. A person is controlled by a manufacturer or distributor if the manufacturer or distributor has the authority directly or indirectly, by law or by agreement of the parties, to direct or influence the management and policies of the person. A franchise agreement with a Nebraska-licensed dealer which conforms to and is subject to the Motor Vehicle Industry Regulation Act is not control for purposes of this section.

(2) Except as provided in this section, a manufacturer or distributor shall not directly or indirectly:

(a) Own an interest in a franchise, franchisee, or consumer care or service facility, except that a manufacturer or distributor may hold stock in a publicly held franchise, franchisee, or consumer care or service facility so long as the manufacturer or distributor does not by virtue of holding such stock operate or control the franchise, franchisee, or consumer care or service facility;

(b) Operate or control a franchise, franchisee, or consumer care or service facility;

(c) Act in the capacity of a franchisee or motor vehicle dealer; or

(d) Own, operate, or control any consumer care or service facility or perform warranty or nonwarranty work on any vehicle manufactured by such manufacturer or distributor, unless such manufacturer or distributor:

(i) Manufactures and distributes electric vehicles; and

(ii) Is not nor has ever been a franchisor in this state.

(3) A manufacturer or distributor may own an interest in a franchisee or otherwise control a franchise for a period not to exceed twelve months after the date the manufacturer or distributor acquires the franchise if:

(a) The person from whom the manufacturer or distributor acquired the franchise was a franchisee; and

(b) The franchise is for sale by the manufacturer or distributor.

(4) For purposes of broadening the diversity of its franchisees and enhancing opportunities for qualified persons who lack the resources to purchase a franchise outright, but for no other purpose, a manufacturer or distributor may temporarily own an interest in a franchise if the manufacturer's or distributor's participation in the franchise is in a bona fide relationship with a franchisee and the franchisee:

(a) Has made a significant investment in the franchise, which investment is subject to loss;

(b) Has an ownership interest in the franchise; and

(c) Operates the franchise under a plan to acquire full ownership of the franchise within a reasonable time and under reasonable terms and conditions.

(5) On a showing of good cause by a manufacturer or distributor, the board may extend the time limit set forth in subsection (3) of this section. An extension may not exceed twelve months. An application for an extension after the first extension is granted is subject to protest by a franchisee of the same line-make whose franchise is located in the same community as the franchise owned or controlled by the manufacturer or distributor.

(6) The prohibition in subdivision (2)(b) of this section shall not apply to any manufacturer of manufactured housing, recreational vehicles, or trailers.

(7) The prohibitions set forth in subsection (2) of this section shall not apply to a manufacturer that:

(a) Does not own or operate more than two such dealers or dealership locations in this state;

(b) Owned, operated, or controlled a warranty repair or service facility in this state as of January 1, 2016;

(c) Manufactures engines for installation in a motor-driven vehicle with a gross vehicle weight rating of more than sixteen thousand pounds for which motor-driven vehicle evidence of title is required as a condition precedent to registration under the laws of this state, if the manufacturer is not otherwise a manufacturer of motor vehicles; and

(d) Provides to dealers on substantially equal terms access to all support for completing repairs, including, but not limited to, parts and assemblies, training and technical service bulletins, and other information concerning repairs that the manufacturer provides to facilities owned, operated, or controlled by the manufacturer.

DEPARTMENT OF MOTOR VEHICLES

Section

60-1505 Vehicle Title and Registration System Replacement and Maintenance Cash Fund; created; use; investment.

The Vehicle Title and Registration System Replacement and Maintenance Cash Fund is hereby created. The fund shall be administered by the Department of Motor Vehicles. Revenue credited to the fund shall include fees collected by the department from participation in any multistate electronic data security program, except as otherwise specifically provided by law, and funds transferred as provided in section 60-3,186. The fund shall be used by the department to pay for costs associated with the acquisition, implementation, maintenance, support, upgrades, and replacement of the Vehicle Title and Registration System. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

60-1515 Department of Motor Vehicles Cash Fund; use; legislative intent.

(1) The Legislature hereby finds and declares that a statewide system for the collection, storage, and transfer of data on vehicle titles and registration and the cooperation of state and local government in implementing such a system is essential to the efficient operation of state and local government in vehicle titling and registration. The Legislature hereby finds and declares that the electronic issuance of operators' licenses and state identification cards using a digital system as described in section 60-484.01 and the cooperation of state and local government in implementing such a system is essential to the efficient operation of state and local government in issuing operators' licenses and state identification cards.

(2) It is therefor the intent of the Legislature that the Department of Motor Vehicles shall use a portion of the fees appropriated by the Legislature to the Department of Motor Vehicles Cash Fund as follows:

(a) To pay for the cost of issuing motor vehicle titles and registrations on a system designated by the department. The costs shall include, but not be limited to, software and software maintenance, programming, processing charges, and equipment including such terminals, printers, or other devices as deemed necessary by the department after consultation with the county to support the issuance of motor vehicle titles and registrations. The costs shall not include the cost of county personnel or physical facilities provided by the counties;

(b) To fund the centralization of renewal notices for motor vehicle registration and to furnish to the counties the certificate of registration forms specified in section 60-390. The certificate of registration form shall be prescribed by the department;

(c) To pay for the costs of an operator's license system as specified in sections 60-484.01 and 60-4,119 and designated by the department. The costs shall be limited to such terminals, printers, software, programming, and other equipment or devices as deemed necessary by the department to support the issuance of such licenses and state identification cards in the counties and by the department; and

(d) To pay for the motor vehicle insurance database created under section 60-3,136.

(3) The department shall utilize three dollars of each fee allocated to the Department of Motor Vehicles Cash Fund from state identification cards valid for five years and Class O or M operators' licenses valid for five years to open and operate an additional operators' licensing service center.

60-2909.01 Disclosure; purposes authorized.

The department and any officer, employee, agent, or contractor of the department having custody of a motor vehicle record shall, upon the verification of identity and purpose of a requester, disclose and make available the requested motor vehicle record, including the sensitive personal information in the record, other than the social security number, for the following purposes:

(1) For use by any federal, state, or local governmental agency, including any court or law enforcement agency, in carrying out the agency's functions or by a private person or entity acting on behalf of a governmental agency in carrying out the agency's functions;

(2) For use in connection with any civil, criminal, administrative, or arbitral proceeding in any federal, state, or local court or governmental agency or before any self-regulatory body, including service of process, investigation in anticipation of litigation, and execution or enforcement of judgments and orders, or pursuant to an order of a federal, state, or local court, an administrative agency, or a self-regulatory body;

(3) For use by any insurer or insurance support organization, or by a self-insured entity, or its agents, employees, or contractors, in connection with claims investigation activities, anti-fraud activities, rating, or underwriting;

(4) For use by an employer or the employer's agent or insurer to obtain or verify information relating to a holder of a commercial driver's license or CLP-commercial learner's permit that is required under the Commercial Motor Vehicle Safety Act of 1986, 49 U.S.C. 31301 et seq., as such act existed on January 1, 2024, or pursuant to sections 60-4,132 and 60-4,141; and

(5) For use by employers of a holder of a commercial driver's license or CLP-commercial learner's permit and by the Commercial Driver License Information System as provided in section 60-4,144.02 and 49 C.F.R. 383.73, as such regulation existed on January 1, 2024.

PEER-TO-PEER VEHICLE SHARING PROGRAM

Section

60-3401 Act, how cited.

Sections 60-3401 to 60-3415 shall be known and may be cited as the Peer-to-Peer Vehicle Sharing Program Act.

Source: Laws 2024, LB1073, § 1.
Operative date January 1, 2025.

60-3402 Terms, defined.

For purposes of the Peer-to-Peer Vehicle Sharing Program Act, unless the context otherwise requires:

(1) Agreement means the terms and conditions applicable to an owner and a driver that govern the use of a vehicle shared through a peer-to-peer vehicle sharing program. Agreement does not mean a rental agreement as defined in section 44-4067;

(2) Delivery period means the period of time during which a vehicle is being delivered to the location at which the start time begins, if applicable, as documented by the agreement;

(3) Driver means an individual who has been authorized to drive a vehicle by an owner under an agreement;

(4) Owner means the registered owner, or a person or entity designated by the registered owner, of a vehicle made available for sharing through a peer-to-peer vehicle sharing program;

(5) Peer-to-peer vehicle sharing program or program means a business platform that connects owners with drivers to enable the sharing of vehicles for financial consideration. A program is not a transportation network company as defined in section 75-323 or a rental car company as defined in section 44-4067;

(6) Sharing means the authorized use of a vehicle by an individual other than an owner through a peer-to-peer vehicle sharing program;

(7) Sharing period means the period of time that commences with the delivery period or, if there is no delivery period, that commences with the start time and, in either case, ends at the termination time;

(8) Start time means the time when a vehicle becomes subject to the control of a driver at or after the time the reservation is scheduled to begin as documented in the records of a program;

(9) Termination time means the earliest of the following events:

(a) The expiration of the agreed upon period of time established for the use of a vehicle according to the terms of the agreement if the vehicle is delivered to the location specified in the agreement;

(b) When a vehicle is returned to an alternative location as agreed upon by the owner and driver as communicated through the peer-to-peer vehicle sharing program. Such alternative location shall be incorporated into the agreement; and

(c) When an owner, or the owner's authorized designee, takes possession and control of the vehicle; and

(10) Vehicle means a motor vehicle as defined in section 60-471 that is available for use through a peer-to-peer vehicle sharing program. Vehicle does not include any motor vehicle used as or offered for use as a rental vehicle under section 44-4067, any commercial motor vehicle as defined in section 60-465, or any vehicle subject to section 75-363.

Operative date January 1, 2025.

60-3403 Financial liability; assumption; conditions; applicability.

(1) Except as provided in subsection (2) of this section, a peer-to-peer vehicle sharing program shall assume financial liability on behalf of an owner for any claim for bodily injury or property damage to third parties or uninsured and underinsured motorist losses during the sharing period in an amount stated in the agreement. Such amount shall not be less than the amount required in section 60-310.

(2) The assumption of financial liability by a program under subsection (1) of this section does not apply if the owner:

(a) Makes a material, intentional, or fraudulent misrepresentation, or a material, intentional, or fraudulent omission, to a program relating to the vehicle or the agreement prior to the sharing period in which the assumption of such liability would otherwise be required; or

(b) Acts in concert with a driver to trigger the assumption of such liability that would otherwise be required.

(3) The assumption of financial liability under subsection (1) of this section applies to bodily injury, property damage, and uninsured and underinsured motorist losses by injured third parties.

Source: Laws 2024, LB1073, § 3.
Operative date January 1, 2025.

60-3404 Motor vehicle liability insurance policy; other acceptable means of demonstrating financial responsibility; coverage.

(1) A program shall require during each sharing period that the owner and driver are insured under a motor vehicle liability insurance policy that:

(a) Provides financial responsibility in amounts no less than the minimum amounts required by section 60-310; and

(b)(i) Recognizes that the vehicle is made available and used through the program; or

(ii) Does not exclude use of the vehicle by a driver through the program.

(2) The financial responsibility required under subsection (1) of this section may be satisfied by motor vehicle liability insurance or other acceptable means of demonstrating financial responsibility in Nebraska, voluntarily maintained by:

(a) The owner;

(b) The driver;

(c) The program; or

(d) Any combination of owner, driver, and program.

(3) The financial responsibility described in subsection (1) of this section and satisfied pursuant to subsection (2) of this section shall be the primary coverage during the sharing period in the event that a claim occurs in another state with minimum financial responsibility limits higher than those required under section 60-310, and during the sharing period the coverage maintained under subsection (2) of this section shall satisfy any difference in minimum coverage amounts, up to the applicable policy limits.

(4) The insurer, insurers, or program providing coverage under section 60-3403 or 60-3404 shall assume primary financial liability for a claim when:

(a) A dispute exists as to who was in control of the vehicle at the time of the loss and the program does not have available, did not retain, or fails to provide the information required by section 60-3407; or

(b) A dispute exists as to whether the vehicle was returned to the alternative location pursuant to subdivision (9)(b) of section 60-3402.

(5) If financial responsibility maintained by the owner or the driver in accordance with subsection (2) of this section has lapsed or does not provide the required financial responsibility, the program or its insurer shall provide the coverage required by subsection (1) of this section beginning with the first dollar of a claim and have the duty to defend such claim except under circumstances as set forth in subsection (2) of section 60-3403.

(6) Financial responsibility maintained by the program shall not be dependent on another insurer first denying a claim, nor shall another motor vehicle liability insurance policy be required to first deny a claim.

(7) Nothing in the Peer-to-Peer Vehicle Sharing Program Act:

(a) Limits the liability of a program for any act or omission of the program itself that results in injury or economic loss to any person as a result of the use of a vehicle through the program; or

(b) Limits the ability of a program, by contract, to seek indemnification from an owner or a driver for economic loss sustained by the program resulting from a breach of the terms and conditions of an agreement by such owner or driver.

Operative date January 1, 2025.

60-3406 Motor vehicle liability insurance policy; exclusions.

(1) An authorized insurer that writes motor vehicle liability insurance in Nebraska may exclude any and all coverage and the duty to defend or indemnify for any claim afforded under the owner's motor vehicle liability insurance policy, including:

(a) Liability coverage for bodily injury and property damage;

(b) Personal injury protection coverage;

(c) Uninsured and underinsured motorist coverage;

(d) Medical payments coverage;

(e) Comprehensive physical damage coverage; and

(f) Collision physical damage coverage.

(2) Nothing in the this section invalidates, limits, or restricts an insurer's ability under existing law to underwrite any insurance policy. Nothing in the Peer-to-Peer Vehicle Sharing Program Act invalidates, limits, or restricts an insurer's ability to cancel and nonrenew insurance policies.

Source: Laws 2024, LB1073, § 6.
Operative date January 1, 2025.

60-3407 Records pertaining to use.

(1) A program shall collect and verify records pertaining to the use of a vehicle, including sharing periods, sharing period pick-up and drop-off locations, fees paid by each driver, and revenue received by each owner.

(2) A program shall provide the information collected pursuant to subsection (1) of this section upon request to the owner, the owner's insurer, and the driver's insurer to facilitate a claim coverage investigation, settlement, negotiation, or litigation.

(3) A program shall retain the records required in this section for a period of not less than four years.

Source: Laws 2024, LB1073, § 7.
Operative date January 1, 2025.

60-3408 Insurer; seek recovery against program.

An insurer that defends or indemnifies a claim arising from the operation of a vehicle that is excluded under the terms of its policy shall have the right to seek recovery against the motor vehicle insurer of the program if the claim is made against the owner or driver for loss or injury that occurs during the sharing period.

Source: Laws 2024, LB1073, § 8.
Operative date January 1, 2025.

60-3409 Insurable interest; coverage by program.

(1) A program shall have an insurable interest in a vehicle during the sharing period.

(2) Nothing in this section shall impose liability on a program to maintain the coverage required by section 60-3403 or 60-3404.

(3) A program may own and maintain as the named insured one or more policies of motor vehicle liability insurance that provides coverage for:

(a) Liabilities assumed by the program under an agreement;

(b) Liability of an owner or driver; or

(c) Damage or loss to a vehicle.

Source: Laws 2024, LB1073, § 9.
Operative date January 1, 2025.

60-3410 Vicarious liability; exempt.

A program and an owner shall be exempt from vicarious liability in accordance with 49 U.S.C. 30106(a), as such section existed on January 1, 2023, and under any state or local law that imposes liability solely based on vehicle ownership.

Source: Laws 2024, LB1073, § 10.
Operative date January 1, 2025.

60-3411 Agreement; disclosures required.

(1) Each agreement made in Nebraska shall disclose to each owner and driver:

(a) Any right of the program to seek indemnification from an owner or a driver for economic loss sustained by the program resulting from a breach of the terms and conditions of the agreement by such owner or driver;

(b) That a motor vehicle liability insurance policy issued to an owner or a driver may not provide a defense or indemnity for any claim asserted by the program;

(c) That a program's financial responsibility afforded to each owner and driver is available only during the sharing period;

(d) That for any use of a vehicle by a driver after the termination time, a driver or owner may not have coverage;

(e) The daily rate, fees, costs, and, if applicable, any insurance or protection package costs that are charged to an owner or a driver; and

(f) That an owner's motor vehicle liability insurance may not provide coverage for the vehicle.

(2) Each agreement made in Nebraska shall disclose to each driver:

(a) An emergency telephone number to contact personnel capable of fielding roadside assistance and other customer service inquiries; and

(b) Any conditions under which a driver shall maintain a personal motor vehicle liability insurance policy and any required coverage limits on a primary basis in order to use a vehicle through the program.

Source: Laws 2024, LB1073, § 11.
Operative date January 1, 2025.

60-3412 Equipment; responsibility; indemnity, when.

A program shall have sole responsibility for any equipment, such as a global positioning system or other special equipment, that is put in or on a vehicle to monitor or facilitate sharing and shall agree to indemnify and hold harmless the owner for any damage to or theft of such equipment during the sharing period not caused by the owner. A program has the right to seek indemnity from a driver for any loss or damage to such equipment that occurs during the sharing period.

60-3413 Vehicle; responsibilities of program and owner.

(1) At the time an owner makes a vehicle available for use by a program and immediately prior to each time the owner offers such vehicle for use by such program, the program shall:

(a) Verify that the vehicle does not have any safety recalls for which the repairs have not been made; and

(b) Notify the owner of the requirements under subsection (2) of this section.

(2) An owner shall:

(a) Not make a vehicle available for use through a program if the owner has received actual notice of a safety recall on such vehicle until the safety recall repair has been made;

(b) Upon receipt of actual notice of a safety recall on a vehicle when such vehicle is offered for use through a program, remove the vehicle from availability as soon as practicably possible and until the safety recall repair has been made; and

(c) Upon receipt of actual notice of a safety recall on a vehicle, and when the vehicle is in the possession of a driver, notify the program of the safety recall so that the program may notify the driver and the vehicle can be removed from use until the owner makes the necessary safety recall repair.

60-3414 Agreement; driver; qualifications; records.

(1) A program shall not enter into an agreement with any driver unless such driver:

(a) Holds an operator's license issued in Nebraska authorizing the driver to operate vehicles of the class of vehicle used by the program; or

(b) Is a nonresident who:

(i) Holds a driver's license or an operator's license issued by the state or country of the driver's residence that authorizes the driver in that state or country to drive vehicles of the class of vehicle used by the program; and

(ii) Is at least the same age as that required of a resident to drive in Nebraska.

(2) A program shall keep a record of:

(a) The name and address of each driver; and

(b) The driver's license number and place of issuance of such license for each driver who operates a vehicle under an agreement.

61-206 Department of Natural Resources; jurisdiction; rules and regulations; hearings; orders; powers and duties.

(1) The Department of Natural Resources is given jurisdiction over all matters pertaining to water rights for irrigation, power, or other useful purposes except as such jurisdiction is specifically limited by statute. The department may adopt and promulgate rules and regulations governing matters coming before it. It may refuse to allow any water to be used by claimants until their rights have been determined and made of record. It may request information relative to irrigation and water power works from any county, irrigation, or power officers and from any other persons. It may have hearings on complaints, petitions, or applications in connection with any of such matters. Such hearings shall be had at the time and place designated by the department. The department shall have power to certify official acts, compel attendance of witnesses, take testimony by deposition as in suits at law, and examine books, papers, documents, and records of any county, party, or parties interested in any of the matters mentioned in this section or have such examinations made by its qualified representative and shall make and preserve a true and complete transcript of its proceedings and hearings. If a final decision is made without a hearing, a hearing shall be held at the request of any party to the proceeding if the request is made within thirty days after the decision is rendered. If a hearing is held at the request of one or more parties, the department may require each such requesting party and each person who requests to be made a party to such hearing to pay the proportional share of the cost of such

transcript. Upon any hearing, the department shall receive any evidence relevant to the matter under investigation and the burden of proof shall be upon the person making the complaint, petition, and application. After such hearing and investigation, the department shall render a decision in the premises in writing and shall issue such order or orders duly certified as it may deem necessary.

(2) The department shall serve as the official agency of the state in connection with water resources development, soil and water conservation, flood prevention, watershed protection, and flood control.

(3) The department shall:

(a) Offer assistance as appropriate to the supervisors or directors of any subdivision of government with responsibilities in the area of natural resources conservation, development, and use in the carrying out of any of their powers and programs;

(b) Keep the supervisors or directors of each such subdivision informed of the activities and experience of all other such subdivisions and facilitate cooperation and an interchange of advice and experience between such subdivisions;

(c) Coordinate the programs of such subdivisions so far as this may be done by advice and consultation;

(d) Secure the cooperation and assistance of the United States, any of its agencies, and agencies of this state in the work of such subdivisions;

(e) Disseminate information throughout the state concerning the activities and programs of such subdivisions;

(f) Plan, develop, and promote the implementation of a comprehensive program of resource development, conservation, and utilization for the soil and water resources of this state in cooperation with other local, state, and federal agencies and organizations;

(g) When necessary for the proper administration of the functions of the department, rent or lease space outside the State Capitol; and

(h) Assist such local governmental organizations as villages, cities, counties, and natural resources districts in securing, planning, and developing information on flood plains to be used in developing regulations and ordinances on proper use of these flood plains.

(1) The Water Resources Cash Fund is created. The fund shall be administered by the Department of Natural Resources. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) The State Treasurer shall credit to the fund such money as is (a) transferred to the fund by the Legislature, (b) paid to the state as fees, deposits, payments, and repayments relating to the fund, both principal and interest, (c) donated as gifts, bequests, or other contributions to such fund from public or private entities, (d) made available by any department or agency of the United States if so directed by such department or agency, (e) allocated pursuant to section 81-15,175, and (f) received by the state for settlement of claims relating to interstate river compacts or decrees.

(3)(a) The fund shall be expended by the department in any area that has adopted an integrated management plan as provided in section 46-715.

(b) The fund shall be used in any such area:

(i) To aid management actions taken to reduce consumptive uses of water;

(ii) To enhance streamflows or ground water recharge;

(iii) For any other activity deemed necessary by the department in the development and implementation of an integrated management plan;

(iv) For purposes of the Resilient Soils and Water Quality Act; or

(v) For purposes of projects or proposals described in the grant application as set forth in subdivision (2)(h) of section 81-15,175.

(c) To the extent funds are not expended pursuant to subdivision (b) of this subsection, the department may conduct a statewide assessment of short-term and long-term water management activities and funding needs to meet statutory requirements in sections 46-713 to 46-718 and 46-739 and any requirements of an interstate compact or decree or formal state contract or agreement.

(d) The fund shall not be used to pay for administrative expenses or any salaries for any political subdivision.

(4) It is the intent of the Legislature that three million three hundred thousand dollars be transferred each fiscal year from the General Fund to the Water Resources Cash Fund for FY2011-12 through FY2022-23, except that for FY2012-13 it is the intent of the Legislature that four million seven hundred thousand dollars be transferred from the General Fund to the Water Resources Cash Fund. It is the intent of the Legislature that the State Treasurer credit any money received from any Republican River Compact settlement to the Water Resources Cash Fund in the fiscal year in which it is received.

(5)(a) Expenditures from the Water Resources Cash Fund may be made to natural resources districts eligible under subsection (3) of this section for activities to either achieve a sustainable balance of consumptive water uses or assure compliance with an interstate compact or decree or a formal state contract or agreement and shall require a match of local funding in an amount equal to or greater than forty percent of the total cost of carrying out the eligible activity. The department shall, no later than August 1 of each year, beginning in 2007, determine the amount of funding that will be made available to natural resources districts from the Water Resources Cash Fund and notify natural resources districts of this determination. The department shall adopt and promulgate rules and regulations governing application for and use of the Water Resources Cash Fund by natural resources districts. Such rules and regulations shall, at a minimum, include the following components:

(i) Require an explanation of how the planned activity will achieve a sustainable balance of consumptive water uses or will assure compliance with an interstate compact or decree or a formal state contract or agreement as

required by section 46-715 and the controls, rules, and regulations designed to carry out the activity; and

(ii) A schedule of implementation of the activity or its components, including the local match as set forth in subdivision (5)(a) of this section.

(b) Any natural resources district that fails to implement and enforce its controls, rules, and regulations as required by section 46-715 shall not be eligible for funding from the Water Resources Cash Fund until it is determined by the department that compliance with the provisions required by section 46-715 has been established.

(6) The Department of Natural Resources shall submit electronically an annual report to the Legislature no later than October 1 of each year, beginning in the year 2007, that shall detail the use of the Water Resources Cash Fund in the previous year. The report shall provide:

(a) Details regarding the use and cost of activities carried out by the department; and

(b) Details regarding the use and cost of activities carried out by each natural resources district that received funds from the Water Resources Cash Fund.

(7)(a) Prior to the application deadline for fiscal year 2011-12, the Department of Natural Resources shall apply for a grant of nine million nine hundred thousand dollars from the Nebraska Environmental Trust Fund, to be paid out in three annual installments of three million three hundred thousand dollars. The purposes listed in the grant application shall be consistent with the uses of the Water Resources Cash Fund provided in this section and shall be used to aid management actions taken to reduce consumptive uses of water, to enhance streamflows, to recharge ground water, or to support wildlife habitat in any river basin determined to be fully appropriated pursuant to section 46-714 or designated as overappropriated pursuant to section 46-713.

(b) If the application is granted, funds received from such grant shall be remitted to the State Treasurer for credit to the Water Resources Cash Fund for the purpose of supporting the projects set forth in the grant application. The department shall include in its grant application documentation that the Legislature has authorized a transfer of three million three hundred thousand dollars from the General Fund into the Water Resources Cash Fund for each of fiscal years 2011-12 and 2012-13 and has stated its intent to transfer three million three hundred thousand dollars to the Water Resources Cash Fund for fiscal year 2013-14.

(c) It is the intent of the Legislature that the department apply for an additional three-year grant that would begin in fiscal year 2014-15, an additional three-year grant from the Nebraska Environmental Trust Fund that would begin in fiscal year 2017-18, and an additional three-year grant from the Nebraska Environmental Trust Fund that would begin in fiscal year 2020-21 if the criteria established in subsection (4) of section 81-15,175 are achieved.

(8) The department shall establish a subaccount within the Water Resources Cash Fund for the accounting of all money received as a grant from the Nebraska Environmental Trust Fund as the result of an application made pursuant to subsection (7) of this section. At the end of each calendar month, the department shall calculate the amount of interest earnings accruing to the subaccount and shall notify the State Treasurer who shall then transfer a like

amount from the Water Resources Cash Fund to the Nebraska Environmental Trust Fund.

(9) Any funds transferred from the Nebraska Environmental Trust Fund to the Water Resources Cash Fund shall be expended in accordance with section 81-15,168.

(10) The State Treasurer shall transfer one million dollars from the Water Resources Cash Fund to the Nitrogen Reduction Incentive Cash Fund as soon as administratively possible after July 19, 2024, but before June 30, 2025, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

61-222 Water Sustainability Fund; created; use; investment.

The Water Sustainability Fund is created in the Department of Natural Resources. The fund shall be used in accordance with the provisions established in sections 2-1506 to 2-1513 and for costs directly related to the administration of the fund. The Legislature shall not appropriate or transfer money from the Water Sustainability Fund for any other purpose, except that transfers may be made from the Water Sustainability Fund to the Department of Natural Resources Cash Fund and as a one-time transfer to the General Fund as described in this section.

The Water Sustainability Fund shall consist of money transferred to the fund by the Legislature, other funds as appropriated by the Legislature, and money donated as gifts, bequests, or other contributions from public or private entities. Funds made available by any department or agency of the United States may also be credited to the fund if so directed by such department or agency. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Prior to October 1, 2024, investment earnings from investment of money in the fund shall be credited to the fund. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

It is the intent of the Legislature that twenty-one million dollars be transferred from the General Fund to the Water Sustainability Fund in fiscal year 2014-15 and that eleven million dollars be transferred from the General Fund to the Water Sustainability Fund each fiscal year beginning in fiscal year 2015-16.

The State Treasurer shall transfer one hundred seventy-five thousand dollars from the Water Sustainability Fund to the Department of Natural Resources Cash Fund on or before June 30, 2021, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

The State Treasurer shall transfer four hundred twenty-five thousand dollars from the Water Sustainability Fund to the Department of Natural Resources Cash Fund on or before June 30, 2021, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

The State Treasurer shall transfer five hundred thousand dollars from the Water Sustainability Fund to the General Fund on or before June 30, 2021, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

The State Treasurer shall transfer four hundred seventy-five thousand dollars from the Water Sustainability Fund to the Department of Natural Resources Cash Fund on or before June 30, 2022, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

The State Treasurer shall transfer four hundred seventy-five thousand dollars from the Water Sustainability Fund to the Department of Natural Resources Cash Fund on or before June 30, 2023, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

61-224 Critical Infrastructure Facilities Cash Fund; created; use; investment.

There is hereby created the Critical Infrastructure Facilities Cash Fund in the Department of Natural Resources. The fund shall consist of funds appropriated or transferred by the Legislature. The fund shall be used by the Department of Natural Resources (1) to provide a grant to a natural resources district to offset costs related to soil and water improvements intended to protect critical infrastructure facilities within the district which includes military installations, transportation routes, and wastewater treatment facilities, (2) to provide a grant to an irrigation district for reimbursement of costs related to temporary repairs to the main canal and tunnels of an interstate irrigation system which experienced a failure, and (3) to provide a grant to an entity within a county with a population exceeding one hundred thousand inhabitants formed pursuant to the Interlocal Cooperation Act for the purpose of funding a portion of the cost of a wastewater system. Any funds remaining after all such project costs have been completely funded shall be transferred to the General Fund. Transfers may be made from the Critical Infrastructure Facilities Cash Fund to the General Fund at the direction of the Legislature. Any money in the Critical Infrastructure Facilities Cash Fund available for investment shall be invested by

the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act, and any interest earned by the fund shall be credited to the General Fund.

61-225 State flood mitigation plan; legislative findings.

The Legislature finds and declares that the State of Nebraska experienced a historic flood event in 2019. This flood event significantly impacted numerous communities and individual Nebraskans. Coordination and communication between state and local entities implementing flood mitigation strategies is essential to maximize federal funds for flood mitigation efforts.

Source: Laws 2020, LB632, § 9.

61-226 State flood mitigation plan; scope.

The Department of Natural Resources shall develop a state flood mitigation plan as a stand-alone document to be annexed into the state hazard mitigation plan maintained by the Nebraska Emergency Management Agency. Such plan shall be structured in accordance with Federal Emergency Management Agency guidelines, and shall be comprehensive, collaborative, and statewide in scope with opportunities for input from diverse stakeholders.

61-228 State flood mitigation plan; department; duties.

The Department of Natural Resources shall:

(1) Evaluate the flood issues that occurred in 2019, and identify cost-effective flood mitigation strategies that should be adopted to reduce the disruption of

lives and livelihoods and prioritize making Nebraska communities more resilient;

(2) Identify opportunities to implement flood hazard mitigation strategies with the intent to reduce the impact of flood events;

(3) Work to improve knowledge and understanding of available recovery resources while identifying potential gaps in current disaster program delivery;

(4) Identify potential available funding sources that can be accessed to improve the resilience of the state through flood mitigation and post-flood disaster recovery. The funding sources shall include, but not be limited to, assistance from (a) the Federal Emergency Management Agency's Flood Mitigation Assistance Grant Program, Building Resilient Infrastructure and Communities Grant Program, Hazard Mitigation Grant Program, Public Assistance Program, and Individual Assistance Program, (b) the United States Department of Housing and Urban Development's Community Development Block Grant Program and Community Development Block Grant Disaster Recovery Program, and (c) programs of the United States Department of Agriculture's Natural Resources Conservation Service. Identification of such funding sources shall be in addition to grants and cost-sharing programs available through other agencies that support flood hazard mitigation planning in communities;

(5) Compile a centralized list of critical infrastructure and state-owned facilities and identify those with the highest risk of flooding. In compiling such list, the Department of Natural Resources shall consult and collaborate with other state and local agencies that have information that identifies vulnerable facilities;

(6) Evaluate state laws, rules, regulations, policies, and programs related to flood hazard mitigation and development in flood hazard-prone areas to support the state's administration of the Federal Emergency Management Agency's National Flood Insurance Program, Community Rating System, and Risk Mapping, Assessment, and Planning Program;

(7) Examine existing law and, if necessary, recommend statutory or administrative changes to help ensure collaboration and coordination between state and local entities in statewide flood mitigation planning; and

(8) Hold two public hearings, one prior to the first state flood mitigation plan development meeting and one prior to the completion of such plan. Notice of each hearing shall be published at least thirty days prior to the hearing date.

Sections 61-301 to 61-304 shall be known and may be cited as the Perkins County Canal Project Act.

Source: Laws 2022, LB1015, § 1.

61-302 Legislative findings and declarations.

(1) The Legislature finds that it is essential to the economic prosperity, health, and welfare of the people of the State of Nebraska, and to the environmental health of the entire Platte River Basin, to protect Nebraska's full entitlement to the flows of the South Platte River as provided for in the South Platte River Compact. The South Platte River Compact is the law of Nebraska and of the United States that specifically authorizes Nebraska to develop a canal and associated storage facilities for the diversion of water from the South Platte River for beneficial use in Nebraska.

(2) The Legislature declares that a canal and associated storage facilities, which shall be known as the Perkins County Canal Project, shall be developed, constructed, managed, and operated under the authority of the State of Nebraska consistent with the South Platte River Compact and pursuant to the Perkins County Canal Project Act.

Source: Laws 2022, LB1015, § 2.

61-303 Department of Natural Resources; powers and duties.

The Department of Natural Resources shall have the necessary authority to develop, construct, manage, and operate the Perkins County Canal Project consistent with the terms of the South Platte River Compact and pursuant to the Perkins County Canal Project Act. The department's powers under the act shall include: (a) Contracting for services, (b) acquiring permits, (c) acquiring and owning real property, (d) acquiring, holding, and exercising water rights, (e) employing personnel, (f) accepting grants, loans, donations, gifts, bequests, or other contributions from any person or entity, public or private, including any funds made available by any department or agency of the United States, (g) managing and expending such funds as are made available to it from the Perkins County Canal Project Fund, and (h) any other necessary functions consistent with the compact and pursuant to the act in protecting Nebraska's full entitlement to flows of the South Platte River. For purposes of the Perkins County Canal Project Act, the Department of Natural Resources is authorized to acquire real estate or access thereto in the name of the State of Nebraska by the use of eminent domain as provided under section 76-725. The department is also authorized to resolve all disputes that may arise, including the initiation or defense of legal actions of any kind, as necessary to achieve the purposes of the act.

61-304 Conflict of interest, prohibited.

(1) An individual listed in subsection (2) of this section or his or her immediate family member shall not, directly or indirectly, hold a financial interest in any entity which is party to a contract or have a financial interest in

the ownership or lease of any property relating to the development, construction, management, or operation of the Perkins County Canal Project.

(2) This section shall apply to:

(a) Any elected official in the executive branch of state government. This section shall apply to such official while he or she is in office and for two years after he or she leaves office; and

(b) Any member of the Legislature.

(3) For purposes of this section, immediate family member means a spouse, child, sibling, or parent and includes the spouse of any child, sibling, or parent.

61-305 Perkins County Canal Project Fund; created; use; investment; study; required.

(1) The Perkins County Canal Project Fund is created. The fund shall be administered by the Department of Natural Resources. The State Treasurer shall credit to the fund any money transferred by the Legislature and such grants, loans, donations, gifts, bequests, or other money received from any federal or state agency or public or private source for use by the department for the canal project. Any fees collected for water delivery may be credited to the fund. Any money in the Perkins County Canal Project Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Any investment earnings from investment of money in the Perkins County Canal Project Fund shall be credited to such fund, except that for fiscal years 2023-24, 2024-25, and 2025-26, such investment earnings shall be credited as provided in section 84-622.

(2)(a) The department shall use the Perkins County Canal Project Fund to identify the optimal route and purchase land for and develop, construct, manage, and operate the Perkins County Canal as outlined by the South Platte River Compact and to contract with an independent firm for the purposes of completing a study of such canal. The study shall include, but may not be limited to, the following:

(i) Costs of completion of a canal and adjoining reservoirs as outlined in the South Platte River Compact;

(ii) A timeline for completion of a canal and adjoining reservoirs as outlined in the South Platte River Compact;

(iii) A cost-effectiveness study examining alternatives, including alternatives that may reduce environmental or financial impacts; and

(iv) The impacts of the canal on drinking water supplies for the cities of Lincoln and Omaha.

(b) The department shall provide the findings of such study electronically to the Clerk of the Legislature and present the findings at a public hearing held by the Appropriations Committee of the Legislature on or before December 31, 2022.

61-402 Legislative findings and declarations.

The Legislature finds and declares as follows:

(1) The future vibrancy of the people, communities, and businesses of Nebraska depends on reliable sources of water;

(2) While it is in the state's best interest to retain control over its water supplies, much of the state's water resources are currently underutilized;

(3) In 2019, the state experienced historic flooding along the Platte River which caused loss of life and over one billion dollars in damage to private and public property and infrastructure;

(4) Well-planned flood control is critical to the future of the people, communities, and businesses of Nebraska;

(5) In light of the disruption from the COVID-19 pandemic and the trend toward a remote workforce around the country, people around the country are rethinking where they want to work, live, and raise a family. As people consider where to live, access to sustainable water resources and outdoor recreational opportunities will be important considerations in making Nebraska a competitive choice for the future;

(6) The state's lakes and rivers help Nebraskans enjoy the water resources in our state and make Nebraska an even more attractive place to live and raise a family;

(7) The state's water resources provide economic benefits to the people, communities, and businesses of Nebraska by helping to attract visitors from other states and boosting local economies;

(8) In 2021, the Legislature passed LB406, which established the Statewide Tourism And Recreational Water Access and Resource Sustainability Special Committee of the Legislature. The committee was tasked with conducting studies on:

(a) The need to protect public and private property, including use of levee systems, enhance economic development, and promote private investment and the creation of jobs along the Platte River and its tributaries from Columbus, Nebraska, to Plattsmouth, Nebraska;

(b) The need to provide for public safety, public infrastructure, land-use planning, recreation, and economic development in the Lake McConaughy region of Keith County, Nebraska; and

(c) The socioeconomic conditions, recreational and tourism opportunities, and public investment necessary to enhance economic development and to catalyze private investment in the region in Knox County, Nebraska, that lies north of State Highway 12 and extends to the South Dakota border and includes Lewis and Clark Lake and Niobrara State Park;

(9) After considerable study, the Statewide Tourism And Recreational Water Access and Resource Sustainability Special Committee identified potential opportunities within the floodway near the Platte River that could be used to build a combined reservoir of approximately three thousand six hundred surface acres, or greater, in or near a county having a population of at least one hundred thousand but not more than three hundred thousand inhabitants. Such a reservoir could be built without a dam of a Platte River channel and without negatively impacting any existing municipalities, their surrounding communities, or any economic development already occurring in such areas;

(10) It is in the public interest to construct a lake at or near this location. Such a lake would provide flood control by providing additional off-channel storage during flood events and public recreational opportunities that would benefit generations of Nebraskans, similar to the recreational opportunities provided by Lake McConaughy, Lewis and Clark Lake, and Eugene T. Mahoney State Park;

(11) In addition to the primary purposes of providing flood control and public recreational opportunities that will benefit the public, building a lake will provide the collateral benefit of economic development opportunities;

(12) It is in the public interest, and the purpose of the Jobs and Economic Development Initiative Act, that private parties contribute to the cost of constructing and developing the lake and that the state seek out donations and investments from private parties to fund such construction and development;

(13) It is in the public interest, and the purpose of the act, that the state (a) manage the construction and development of the lake in a manner that encourages private donations and investments, including through the use of public-private partnerships, (b) maintain sufficient oversight to protect the state's investment in the lake, and (c) retain ownership of the lake as an asset for Nebraskans; and

(14) It is in the public interest, and the purpose of the act, that the lake, and the land near or adjacent thereto, be developed in a thoughtful and planned manner by the state and be free from control of political subdivisions or municipalities to further the act's purposes of providing flood control, recreational opportunities, and orderly development of the project.

61-403 Department of Natural Resources; powers and duties; legislative intent; contract proposals; selection of land; conflict-of-interest provisions.

(1) The Department of Natural Resources is granted all power necessary to carry out the purposes of the Jobs and Economic Development Initiative Act, including, but not limited to, the power to:

(a) Purchase, sell, or lease land;

(b) Enter into contracts, including, but not limited to, contracts relating to the provision of construction services, management services, legal services, auditor services, and other consulting services or advice as the department may require in the performance of its duties; and

(c) Enter into agreements with natural resources districts to accomplish the purposes of the act. In any such agreement, a natural resources district may use the full powers granted to it by law.

(2) It is the intent of the Legislature that the department engage private parties and entities to construct and develop the lake and enter into contracts or public-private partnerships that the department deems advantageous to the construction and development of the lake, and land adjacent thereto, and to advance the purposes of the act.

(3) Notwithstanding any other provision of law, the department shall give preference to:

(a) Contract proposals relating to the development or management of the lake from a Nebraska nonprofit corporation whose board of directors include at least four directors who are appointed by the Governor with the approval of a majority of the Legislature, one representative of the Game and Parks Commission who is a nonvoting, ex officio member of such board of directors, and one member of the Legislature who is appointed by the Executive Board of the Legislative Council and who is a nonvoting, ex officio member of such board of directors. All such directors must agree to be bound by the conflict-of-interest provisions in sections 49-1493 to 49-14,104. Any such nonprofit corporation shall be bound by the Open Meetings Act and sections 84-712 to 84-712.09 and shall publicly let contracts valued in excess of twenty-five thousand dollars; and

(b) Contract proposals which provide for a public-private partnership with the state in constructing, developing, or managing the lake.

(4) The department is granted authority to select the land upon which the lake will be built. In making such selection, the following shall apply:

(a) The land shall be located in or near a county having a population of at least one hundred thousand but not more than three hundred thousand inhabitants and within the flood plain or floodway of the Platte River;

(b) Preference shall be given to locations that were materially underwater when the Platte River flooded in 2019;

(c) It is the intent of the Legislature that the lake be at least three thousand six hundred surface acres in size;

(d) No dam shall be constructed on the main channel of the Platte River in order to construct the lake; and

(e) No city or village, or any part thereof, shall be flooded in order to construct the lake.

(5) The department is granted authority to designate the land selected for the lake under subsection (4) of this section, and land near or adjacent thereto, as the Lake Development District.

(6) The department may, in the performance of its duties, seek input and advice from any natural resources district that encompasses any of the area included in the Lake Development District.

(7) It is the intent of the Legislature that the department engage local stakeholders as the department carries out its duties under this section.

(8) The land selected for the lake shall be owned by the state, and the department shall ensure that the general public has complete access to the lake. No private entity involved in the constructing, developing, or managing of the lake shall designate any portion of the lake for exclusively private use. Nothing in this subsection shall preclude reasonable limitations on the number of people using the lake, a marina, or any other access point so long as such limitation does not restrict access to a designated class of private parties.

(9) Neither the Director of Natural Resources nor any employee of the Department of Natural Resources shall have a financial interest, either personally or through an immediate family member, in any purchase, sale, or lease of real property relating to the construction or development of the lake or in any contract entered into by the department relating to the construction, development, or management of the lake. For purposes of this subsection, immediate family member means a spouse, child, sibling, parent, grandparent, or grandchild.

61-405 Jobs and Economic Development Initiative Fund; created; use; investment; studies required.

(1) The Jobs and Economic Development Initiative Fund is created. The fund shall be administered by the Department of Natural Resources. The State Treasurer shall credit to the fund any money transferred to the fund by the Legislature and such donations, gifts, bequests, or other money received from any federal or state agency or public or private source. The fund shall be used for water and recreational projects pursuant to the Jobs and Economic Development Initiative Act. Transfers may be made from the fund to the Cash Reserve Fund or the Roads Operations Cash Fund at the direction of the Legislature. Any money in the Jobs and Economic Development Initiative Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Prior to October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the fund. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

(2) An amount, not to exceed twenty million dollars, shall be available for site selection costs, feasibility and public water supply studies, and flood mitigation

costs of the Department of Natural Resources related to any projects pursuant to the Jobs and Economic Development Initiative Act. The Department of Natural Resources shall, in cooperation with impacted communities, including, but not limited to, any city of the primary class and metropolitan utilities district, contract with an independent consultant to conduct a study on the consequences of any lake located in the Lower Platte River Basin to the public water supply of such communities. Such study shall consider all aspects of water quality, water quantity, and water infrastructure, and any other issues necessary to protect the public water supply, including the impact to future water supply opportunities to the impacted communities.

(3) No funds shall be expended for any project, other than those enumerated in subsection (2) of this section, from the Jobs and Economic Development Initiative Fund unless the Director of Natural Resources certifies to the budget administrator of the budget division of the Department of Administrative Services that the Department of Natural Resources has conducted any environmental, hydrological, or other feasibility studies the director deems necessary to establish the feasibility of any projects pursuant to the Jobs and Economic Development Initiative Act and that, based on the results of such studies, the director has deemed the projects feasible.

61-501 Act, how cited.

Sections 61-501 to 61-520 shall be known and may be cited as the Public Water and Natural Resources Project Contracting Act.

Source: Laws 2023, LB565, § 1.

61-502 Terms, defined.

For purposes of the Public Water and Natural Resources Project Contracting Act:

(1) Alternative technical concept means changes suggested by a qualified, eligible, short-listed design-builder to the department's basic configurations, project scope, design, or construction criteria;

(2) Best value-based selection process means a process of selecting a design-builder using price, schedule, and qualifications for evaluation factors;

(3) Construction manager means the legal entity which proposes to enter into a construction manager-general contractor contract pursuant to the act;

(4) Construction manager-general contractor contract means a contract which is subject to a qualification-based selection process between the department and a construction manager to furnish preconstruction services during the design development phase of the project and, if an agreement can be reached which is satisfactory to the department, construction services for the construction phase of the project;

(5) Construction services means activities associated with building the project;

(6) Department means the Department of Natural Resources;

(7) Design-build contract means a contract between the department and a design-builder which is subject to a best value-based selection process to furnish (a) architectural, engineering, and related design services and (b) labor, materials, supplies, equipment, and construction services;

(8) Design-builder means the legal entity which proposes to enter into a design-build contract;

(9) Preconstruction services means all nonconstruction-related services that a construction manager performs in relation to the design of the project before execution of a contract for construction services. Preconstruction services includes, but is not limited to, cost estimating, value engineering studies, constructability reviews, delivery schedule assessments, and life-cycle analysis;

(10) Private partner means any entity that is a partner in a public-private partnership other than the State of Nebraska, any agency of the State of Nebraska, the federal government, any agency of the federal government, any other state government, or any agency of any government at any level;

(11) Progressive design-build means a project-delivery process in which both the design and construction of a project are procured from a single entity that

is selected through a qualification-based selection process at the earliest feasible stage of the project;

(12) Project performance criteria means the performance requirements of the project suitable to allow the design-builder to make a proposal. Performance requirements shall include, but are not limited to, the following, if required by the project: Capacity, durability, standards, ingress and egress requirements, description of the site, surveys, soil and environmental information concerning the site, material quality standards, design and milestone dates, site development requirements, compliance with applicable law, and other criteria for the intended use of the project;

(13) Proposal means an offer in response to a request for proposals (a) by a design-builder to enter into a design-build contract or (b) by a construction manager to enter into a construction manager-general contractor contract;

(14) Public-private partnership means a project delivery method for construction or financing of capital projects or procurement of services under a written public-private partnership agreement entered into pursuant to section 61-520 between at least one private partner and the State of Nebraska or any agency of the state;

(15) Qualification-based selection process means a process of selecting a construction manager or progressive design-builder based on qualifications;

(16) Request for proposals means the documentation by which the department solicits proposals; and

(17) Request for qualifications means the documentation or publication by which the department solicits qualifications.

61-503 Purpose of act.

The purpose of the Public Water and Natural Resources Project Contracting Act is to provide the department alternative methods of contracting for public water and natural resources projects. The alternative methods of contracting shall be available to the department for use on any project regardless of the funding source. Notwithstanding any other provision of state law to the contrary, the Public Water and Natural Resources Project Contracting Act shall govern the design-build, progressive design-build, and construction manager-general contractor procurement processes.

Source: Laws 2023, LB565, § 3.

61-504 Design-build contract; progressive design-build contract; construction manager-general contractor contract; authorized.

The department, in accordance with the Public Water and Natural Resources Project Contracting Act, may solicit and execute a design-build contract, a progressive design-build contract, or a construction manager-general contractor contract for a public surface water or groundwater-related infrastructure project.

Source: Laws 2023, LB565, § 4.

61-505 Engineering or architectural consultant; hiring authorized.

The department may hire an engineering or architectural consultant to assist the department with the development of project performance criteria and requests for proposals, with evaluation of proposals, with evaluation of the construction to determine adherence to the project performance criteria, and with any additional services requested by the department to represent its interests in relation to a project. The procedures used to hire such person or organization shall comply with the Nebraska Consultants' Competitive Negotiation Act. The person or organization hired shall be ineligible to be included as a provider of other services in a proposal for the project for which the person or organization has been hired and shall not be employed by or have a financial or other interest in a design-builder or construction manager who will submit a proposal.

61-506 Guidelines for contracts.

The department shall adopt guidelines for entering into a design-build contract, a progressive design-build contract, or a construction manager-general contractor contract. The department's guidelines shall include the following:

(1) Preparation and content of requests for qualifications;

(2) Preparation and content of requests for proposals;

(3) Qualification and short-listing of design-builders, progressive design-builders, and construction managers. The guidelines shall provide that the department will evaluate prospective design-builders, progressive design-builders, and construction managers based on the information submitted to the department in response to a request for qualifications and will select a short list of design-builders, progressive design-builders, or construction managers who shall be considered qualified and eligible to respond to the request for proposals;

(4) Preparation and submittal of proposals;

(5) Procedures and standards for evaluating proposals;

(6) Procedures for negotiations between the department and the design-builders, progressive design-builders, or construction managers submitting proposals prior to the acceptance of a proposal if any such negotiations are contemplated; and

(7) Procedures for the evaluation of construction under a design-build contract or a progressive design-build contract to determine adherence to the project performance criteria.

Source: Laws 2023, LB565, § 6.

61-507 Process for selecting design-builder or progressive design-builder.

(1) The process for selecting a design-builder and entering into a design-build contract shall be in accordance with sections 61-508 to 61-511.

(2) Except as otherwise specifically provided in the Public Water and Natural Resources Project Contracting Act, the process for selecting a progressive

design-builder and entering into a progressive design-build contract shall be in accordance with sections 61-508 to 61-511.

Source: Laws 2023, LB565, § 7.

61-508 Request for qualifications; prequalify design-builders and progressive design-builders; notice; short list.

(1) The department shall prepare a request for qualifications for design-build and progressive design-build proposals and shall prequalify design-builders and progressive design-builders. The request for qualifications shall describe the project in sufficient detail to permit a design-builder or a progressive design-builder to respond. The request for qualifications shall identify the maximum number of design-builders or progressive design-builders the department will place on a short list as qualified and eligible to receive a request for proposals.

(2) A person or organization hired by the department under section 61-505 shall be ineligible to compete for a design-build contract on the same project for which the person or organization was hired.

(3) The request for qualifications shall be (a) published in a newspaper of statewide circulation at least thirty days prior to the deadline for receiving the request for qualifications and (b) sent by first-class mail to any design-builder or progressive design-builder upon request.

(4) The department shall create a short list of qualified and eligible design-builders or progressive design-builders in accordance with the guidelines adopted pursuant to section 61-506. The department shall select at least two prospective design-builders or progressive design-builders, except that if only one design-builder or progressive design-builder has responded to the request for qualifications, the department may, in its discretion, proceed or cancel the procurement. The request for proposals shall be sent only to the design-builders or progressive design-builders placed on the short list.

Source: Laws 2023, LB565, § 8.

61-509 Design-build or progressive design-build contract; request for proposals; contents.

The department shall prepare a request for proposals for each design-build or progressive design-build contract. The request for proposals shall contain, at a minimum, the following elements:

(1) The guidelines adopted in accordance with section 61-506. The identification of a publicly accessible location of the guidelines, either physical or electronic, shall be considered compliance with this subdivision;

(2) The proposed terms and conditions of the design-build or progressive design-build contract, including any terms and conditions which are subject to further negotiation;

(3) A project statement which contains information about the scope and nature of the project;

(4) If applicable, a statement regarding alternative technical concepts including the process and time period in which such concepts may be submitted, confidentiality of the concepts, and ownership of the rights to the intellectual property contained in such concepts;

(5) Project performance criteria;

(6) Budget parameters for the project;

(7) Any bonding and insurance required by law or as may be additionally required by the department;

(8) The criteria for evaluation of proposals and the relative weight of each criterion. For both design-build and progressive design-build contracts, the criteria shall include, but are not limited to, construction experience, design experience, and the financial, personnel, and equipment resources available for the project. For design-build contracts only, the criteria shall also include the cost of the work. For progressive design-build contracts only, the criteria shall also include consideration of the historic reasonableness of the progressive design-builder's costs and expenses when bidding and completing projects, whether such projects were completed using the progressive design-build process or another bidding and contracting process. The relative weight to apply to any criterion shall be at the discretion of the department based on each project, except that for all design-build contracts, the cost of the work shall be given a relative weight of at least fifty percent;

(9) A requirement that the design-builder or progressive design-builder provide a written statement of the design-builder's or progressive design-builder's proposed approach to the design and construction of the project, which may include graphic materials illustrating the proposed approach to design and construction and shall include price proposals;

(10) A requirement that the design-builder or progressive design-builder agree to the following conditions:

(a) At the time of the design-build or progressive design-build proposal, the design-builder or progressive design-builder must furnish to the department a written statement identifying the architect or engineer who will perform the architectural or engineering work for the project. The architect or engineer engaged by the design-builder or progressive design-builder to perform the architectural or engineering work with respect to the project must have direct supervision of such work and may not be removed by the design-builder or progressive design-builder prior to the completion of the project without the written consent of the department;

(b) At the time of the design-build or progressive design-build proposal, the design-builder or progressive design-builder must furnish to the department a written statement identifying the general contractor who will provide the labor, material, supplies, equipment, and construction services. The general contractor identified by the design-builder or progressive design-builder may not be removed by the design-builder or progressive design-builder prior to completion of the project without the written consent of the department;

(c) A design-builder or progressive design-builder offering design-build or progressive design-build services with its own employees who are design professionals licensed to practice in Nebraska must (i) comply with the Engineers and Architects Regulation Act by procuring a certificate of authorization to practice architecture or engineering and (ii) submit proof of sufficient professional liability insurance in the amount required by the department; and

(d) The rendering of architectural or engineering services by a licensed architect or engineer employed by the design-builder or progressive design-builder must conform to the Engineers and Architects Regulation Act;

(11) The amount and terms of the stipend required pursuant to section 61-510, if any; and

(12) Other information or requirements which the department, in its discretion, chooses to include in the request for proposals.

61-510 Stipend.

The department shall pay a stipend to qualified design-builders that submit responsive proposals but are not selected. Payment of the stipend shall give the department ownership of the intellectual property contained in the proposals and alternative technical concepts. The amount of the stipend shall be at the discretion of the department as disclosed in the request for proposals.

Source: Laws 2023, LB565, § 10.

61-511 Alternative technical concepts; evaluation of proposals; department; power to negotiate.

(1) Design-builders and progressive design-builders shall submit proposals as required by the request for proposals. The department may meet with individual design-builders and progressive design-builders prior to the time of submitting the proposal and may have discussions concerning alternative technical concepts. If an alternative technical concept provides a solution that is equal to or better than the requirements in the request for proposals and the alternative technical concept is acceptable to the department, it may be incorporated as part of the proposal by the design-builder or progressive design-builder. Notwithstanding any other provision of state law to the contrary, alternative technical concepts shall be confidential and not disclosed to other design-builders, progressive design-builders, or members of the public from the time the proposals are submitted until such proposals are opened by the department.

(2) Proposals shall be sealed and shall not be opened until expiration of the time established for making the proposals as set forth in the request for proposals.

(3) Proposals may be withdrawn at any time prior to the opening of such proposals, in which case no stipend shall be paid. The department shall have the right to reject any and all proposals at no cost to the department other than any stipend for design-builders who have submitted responsive proposals. The department may thereafter solicit new proposals using the same or different project performance criteria or may cancel the design-build or progressive design-build solicitation.

(4) The department shall rank the design-builders or progressive design-builders in order of best value pursuant to the criteria in the request for proposals. The department may meet with design-builders or progressive design-builders prior to ranking.

(5) The department may attempt to negotiate a design-build or progressive design-build contract with the highest ranked design-builder or progressive design-builder selected by the department and may enter into a design-build or progressive design-build contract after negotiations. If the department is unable to negotiate a satisfactory design-build or progressive design-build contract

with the highest ranked design-builder or progressive design-builder, the department may terminate negotiations with that design-builder or progressive design-builder. The department may then undertake negotiations with the second highest ranked design-builder or progressive design-builder and may enter into a design-build or progressive design-build contract after negotiations. If the department is unable to negotiate a satisfactory contract with the second highest ranked design-builder or progressive design-builder, the department may undertake negotiations with the third highest ranked design-builder or progressive design-builder, if any, and may enter into a design-build or progressive design-build contract after negotiations.

(6) If the department is unable to negotiate a satisfactory contract with any of the ranked design-builders or progressive design-builders, the department may either revise the request for proposals and solicit new proposals or cancel the design-build or progressive design-build process under the Public Water and Natural Resources Project Contracting Act.

61-512 Process for selection of construction manager and entering into construction manager-general contractor contract.

(1) The process for selecting a construction manager and entering into a construction manager-general contractor contract shall be in accordance with this section and sections 61-513 to 61-515.

(2) The department shall prepare a request for qualifications for construction manager-general contractor contract proposals and shall prequalify construction managers. The request for qualifications shall describe the project in sufficient detail to permit a construction manager to respond. The request for qualifications shall identify the maximum number of eligible construction managers the department will place on a short list as qualified and eligible to receive a request for proposals.

(3) The request for qualifications shall be (a) published in a newspaper of statewide circulation at least thirty days prior to the deadline for receiving the request for qualifications and (b) sent by first-class mail to any construction manager upon request.

(4) The department shall create a short list of qualified and eligible construction managers in accordance with the guidelines adopted pursuant to section 61-506. The department shall select at least two construction managers, except that if only one construction manager has responded to the request for qualifications, the department may, in its discretion, proceed or cancel the procurement. The request for proposals shall be sent only to the construction managers placed on the short list.

Source: Laws 2023, LB565, § 12.

61-513 Construction manager-general contractor contract; request for proposals; contents.

The department shall prepare a request for proposals for each construction manager-general contractor contract. The request for proposals shall contain, at a minimum, the following elements:

(1) The guidelines adopted by the department in accordance with section 61-506. The identification of a publicly accessible location of the guidelines,

either physical or electronic, shall be considered compliance with this subdivision;

(2) The proposed terms and conditions of the contract, including any terms and conditions which are subject to further negotiation;

(3) Any bonding and insurance required by law or as may be additionally required by the department;

(4) General information about the project which will assist the department in its selection of the construction manager, including a project statement which contains information about the scope and nature of the project, the project site, the schedule, and the estimated budget;

(5) The criteria for evaluation of proposals and the relative weight of each criterion;

(6) A statement that the construction manager shall not be allowed to sublet, assign, or otherwise dispose of any portion of the contract without consent of the department. In no case shall the department allow the construction manager to sublet more than seventy percent of the work, excluding specialty items; and

(7) Other information or requirements which the department, in its discretion, chooses to include in the request for proposals.

Source: Laws 2023, LB565, § 13.

61-514 Submission of proposals; procedure; evaluation of proposals; department; power to negotiate.

(1) Construction managers shall submit proposals as required by the request for proposals.

(2) Proposals shall be sealed and shall not be opened until expiration of the time established for making the proposals as set forth in the request for proposals.

(3) Proposals may be withdrawn at any time prior to signing a contract for preconstruction services. The department shall have the right to reject any and all proposals at no cost to the department. The department may thereafter solicit new proposals or may cancel the construction manager-general contractor procurement process.

(4) The department shall rank the construction managers in accordance with the qualification-based selection process and pursuant to the criteria in the request for proposals. The department may meet with construction managers prior to the ranking.

(5) The department may attempt to negotiate a contract for preconstruction services with the highest ranked construction manager and may enter into a contract for preconstruction services after negotiations. If the department is unable to negotiate a satisfactory contract for preconstruction services with the highest ranked construction manager, the department may terminate negotiations with that construction manager. The department may then undertake negotiations with the second highest ranked construction manager and may enter into a contract for preconstruction services after negotiations. If the department is unable to negotiate a satisfactory contract with the second highest ranked construction manager, the department may undertake negotia-

tions with the third highest ranked construction manager, if any, and may enter into a contract for preconstruction services after negotiations.

(6) If the department is unable to negotiate a satisfactory contract for preconstruction services with any of the ranked construction managers, the department may either revise the request for proposals and solicit new proposals or cancel the construction manager-general contractor contract process under the Public Water and Natural Resources Project Contracting Act.

Source: Laws 2023, LB565, § 14.

61-515 Department; duties; powers.

(1) Before the construction manager begins any construction services, the department shall:

(a) Conduct an independent cost estimate for the project; and

(b) Conduct contract negotiations with the construction manager to develop a construction manager-general contractor contract for construction services.

(2) If the construction manager and the department are unable to negotiate a contract, the department may use other contract procurement processes. Persons or organizations who submitted proposals but were unable to negotiate a contract with the department shall be eligible to compete in the other contract procurement processes.

Source: Laws 2023, LB565, § 15.

61-516 Contract changes authorized.

A design-build contract, a progressive design-build contract, and a construction manager-general contractor contract may be conditioned upon later refinements in scope and price and may permit the department in agreement with the design-builder, progressive design-builder, or construction manager to make changes in the project without invalidating the contract.

Source: Laws 2023, LB565, § 16.

61-517 Projects for political subdivisions; department; powers; applicability of act.

The department may enter into agreements under the Public Water and Natural Resources Project Contracting Act to let, design, and construct projects for political subdivisions when any of the funding for such projects is provided by or through the department. In such instances, the department may enter into contracts with the design-builder, progressive design-builder, or construction manager. The Political Subdivisions Construction Alternatives Act shall not apply to projects let, designed, and constructed under the supervision of the department pursuant to agreements with political subdivisions under the Public Water and Natural Resources Project Contracting Act.

61-520 Public-private partnership delivery method; authorized.

(1) A public-private partnership delivery method may be used for projects under the Public Water and Natural Resources Project Contracting Act as provided in this section and rules and regulations adopted and promulgated pursuant to this section only to the extent allowed under the Constitution of Nebraska. State contracts using this method shall be awarded by competitive negotiation.

(2) The department utilizing a public-private partnership shall continue to be responsible for oversight of any function that is delegated to or otherwise performed by a private partner.

(3) On or before July 1, 2024, the Director of Natural Resources shall adopt and promulgate rules and regulations setting forth criteria to be used in determining when a public-private partnership is to be used for a particular project. The rules and regulations shall reflect the intent of the Legislature to promote and encourage the use of public-private partnerships in the State of Nebraska. The Director of Natural Resources shall consult with design-builders, progressive design-builders, construction managers, other contractors and design professionals, including engineers and architects, and other appropriate professionals during the development of the rules and regulations.

(4) A request for proposals for a project utilizing a public-private partnership shall include at a minimum:

(a) The parameters of the proposed public-private partnership agreement;

(b) The duties and responsibilities to be performed by the private partner or private partners;

(c) The methods of oversight to be employed by the department;

(d) The duties and responsibilities that are to be performed by the department and any other parties to the contract;

(e) The evaluation factors and the relative weight of each factor to be used in the scoring of awards;

(f) Plans for financing and operating the project and the revenue, service payments, bond financings, and appropriations of public funds needed for the qualifying project;

(g) Comprehensive documentation of the experience, capabilities, capitalization and financial condition, and other relevant qualifications of the private entity submitting the proposal;

(h) The ability of a private partner or private partners to quickly respond to the needs presented in the request for proposals and the importance of economic development opportunities represented by the project. In evaluating proposals, preference shall be given to a plan that includes the involvement of

small businesses as subcontractors, to the extent that small businesses can provide services in a competitive manner, unless any preference interferes with the qualification for federal or other funds; and

(i) Other information required by the department to evaluate the proposals submitted and the overall proposed public-private partnership.

(5) A private entity desiring to be a private partner shall demonstrate to the satisfaction of the department that it is capable of performing any duty, responsibility, or function it may be authorized or directed to perform as a term or condition of the public-private partnership agreement.

(6) A request for proposals may be canceled, or all proposals may be rejected, if it is determined in writing that such action is taken in the best interest of the State of Nebraska and approved by the purchasing officer.

(7) Upon execution of a public-private partnership agreement, the department shall ensure that the contract clearly identifies that a public-private partnership is being utilized.

(8) The department shall:

(a) Adhere to the rules and regulations adopted and promulgated under this section when utilizing a public-private partnership for financing capital projects; and

(b) Electronically report annually to the Natural Resources Committee of the Legislature regarding private-public partnerships which have been considered or are approved pursuant to this section.

CHAPTER 62
NEGOTIABLE INSTRUMENTS

ARTICLE 3
MISCELLANEOUS PROVISIONS

62-301 Holidays, enumerated; federal holiday schedule observed; exceptions; bank holidays.

(1) For the purposes of the Uniform Commercial Code and section 62-301.01, the following days shall be holidays: New Year's Day, January 1; Birthday of Martin Luther King, Jr., the third Monday in January; President's Day, the third Monday in February; Arbor Day, the last Friday in April; Memorial Day, the last Monday in May; Juneteenth National Independence Day, June 19; Independence Day, July 4; Labor Day, the first Monday in September; Indigenous Peoples' Day and Columbus Day, the second Monday in October; Veterans Day, November 11, and the federally recognized holiday therefor, or either of them; Thanksgiving Day, the fourth Thursday in November; the day after Thanksgiving; and Christmas Day, December 25. If any such holiday falls on Sunday, the following Monday shall be a holiday. If the date designated by the state for observance of any legal holiday enumerated in this section, except Veterans Day, is different from the date of observance of such holiday pursuant to a federal holiday schedule, the federal holiday schedule shall be observed.

(2) Any bank doing business in this state may, by a brief written notice at, on, or near its front door, fully dispense with or restrict, to such extent as it may determine, the hours within which it will be open for business.

(3) Any bank may close on Saturday if it states such fact by a brief written notice at, on, or near its front door. When such bank will, in observance of such a notice, not be open for general business, such day shall, with respect to the particular bank, be the equivalent of a holiday as fully as if such day were listed in subsection (1) of this section, and any act authorized, required, or permitted to be performed at, by, or with respect to such bank which will, in observance of such notice, not be open for general business, acting in its own behalf or in any capacity whatever, may be performed on the next succeeding business day and no liability or loss of rights on the part of any person shall result from such delay.

(4) Any bank which, by the notice provided for by subsection (3) of this section, has created the holiday for such bank may, without destroying the legal effect of the holiday for it and solely for the convenience of its customers, remain open all or part of such day in a limited fashion by treating every transaction with its customers on such day as though the transaction had taken

place immediately upon the opening of such bank on the first following business day.

(5) Whenever the word bank is used in this section it includes building and loan association, savings and loan association, credit union, savings bank, trust company, investment company, and any other type of financial institution.

ARTICLE 1
GENERAL PROVISIONS

(a) APPOINTMENT AND POWERS

Section
64-105. Notarial acts prohibited; when.
64-113. Removal; grounds; procedure; penalty.

(a) APPOINTMENT AND POWERS

64-105 Notarial acts prohibited; when.

(1) A notary public shall not perform any notarial act as authorized by Chapter 64, articles 1, 2, and 3 if the principal:

(a) Is not in the presence of the notary public at the time of the notarial act; and

(b) Is not personally known to the notary public or identified by the notary public through satisfactory evidence.

(2) For purposes of this section:

(a) Identified by the notary public through satisfactory evidence means identification of an individual based on:

(i) At least one document issued by a government agency that is current and that bears the photographic image of the individual's face and signature and a physical description of the individual, except that a properly stamped passport without a physical description is satisfactory evidence; or

(ii) The oath or affirmation of one credible witness unaffected by the document or transaction to be notarized who is personally known to the notary public and who personally knows the individual, or the oaths or affirmations of two credible witnesses unaffected by the document or transaction to be notarized who each personally knows the individual and shows to the notary public documentary identification as described in subdivision (a)(i) of this subsection; and

(b) Personal knowledge of identity or personally known means familiarity with an individual resulting from interactions with that individual over a period of time sufficient to dispel any reasonable uncertainty that the individual has the identity claimed.

(3) This section does not apply to online notarial acts under the Online Notary Public Act.

64-113 Removal; grounds; procedure; penalty.

(1) Whenever charges of malfeasance in office are preferred to the Secretary of State against any notary public in this state, or whenever the Secretary of State has reasonable cause to believe any notary public in this state is guilty of acts of malfeasance in office, the Secretary of State may appoint any disinterested person, not related by consanguinity to either the notary public or person preferring the charges, and authorized by law to take testimony of witnesses by deposition, to notify such notary public to appear before him or her on a day and at an hour certain, after at least ten days from the day of service of such notice. At such appearance, the notary public may show cause as to why his or her commission should not be canceled or temporarily revoked. The appointee may issue subpoenas to require the attendance and testimony of witnesses and the production of any pertinent records, papers, or documents, may administer oaths, and may accept any evidence he or she deems pertinent to a proper determination of the charge. The notary public may appear, at such time and place, and cross-examine witnesses and produce witnesses in his or her behalf. Upon the receipt of such examination, duly certified in the manner prescribed for taking depositions to be used in suits in the district courts of this state, the Secretary of State shall examine the same, and if therefrom he or she finds that the notary public is guilty of acts of malfeasance in office, he or she may remove the person charged from the office of notary public or temporarily revoke such person's commission. Within fifteen days after such removal or revocation and notice thereof, such notary public shall deposit, with the Secretary of State, the commission as notary public and notarial seal. The commission shall be canceled or temporarily revoked by the Secretary of State. A person so removed from office shall be forever disqualified from holding the office of notary public. A person whose commission is temporarily revoked shall be returned his or her commission and seal upon completion of the revocation period and passing the examination described in section 64-101.01. The fees for taking such testimony shall be paid by the state at the same rate as fees for taking depositions by notaries public. The failure of the notary public to deposit his or her commission and seal with the Secretary of State as required by this section shall subject him or her to a penalty of one thousand dollars, to be recovered in the name of the state.

(2) For purposes of this section, malfeasance in office means, while serving as a notary public, (a) failure to follow the requirements and procedures for notarial acts provided for in Chapter 64, (b) violating the confidentiality provisions of section 71-6911, or (c) being convicted of a felony or other crime involving fraud or dishonesty.

64-402 Terms, defined.

For purposes of the Online Notary Public Act:

(1) Communication technology means an electronic device or process that allows an online notary public and an individual who is not in the physical presence of the online notary public to communicate with each other simultaneously by sight and sound;

(2) Credential analysis means a process or service operating according to criteria approved by the Secretary of State through which a third person affirms the validity of a government-issued identification credential through review of public and proprietary data sources;

(3) Electronic means relating to technology having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities;

(4) Electronic document means information that is created, generated, sent, communicated, received, or stored by electronic means;

(5) Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic document and executed or adopted by a person with the intent to sign the electronic document;

(6) Identity proofing means a process or service operating according to criteria approved by the Secretary of State through which a third person

affirms the identity of an individual through review of personal information from public or proprietary data sources;

(7) Online notarial act means the performance by an online notary public of a function authorized under section 64-408 that is performed by means of communication technology that meets the standards developed under section 64-407;

(8) Online notarial certificate means the portion of a notarized electronic document that is completed by an online notary public and that contains the following:

(a) The online notary public's electronic signature, online notary seal, title, and commission expiration date;

(b) Other required information concerning the date and place of the online notarial act; and

(c) The completed wording of one of the following notarial certificates: (i) Acknowledgment, (ii) jurat, (iii) verification of proof, or (iv) oath or affirmation;

(9) Online notary public means a notary public registered with the Secretary of State who has the authority to perform online notarial acts under the Online Notary Public Act;

(10) Online notary seal means information within a notarized electronic document that confirms the online notary public's name, jurisdiction, identifying number, and commission expiration date and generally corresponds to the data in notary seals used on paper documents;

(11) Online notary solution provider means a provider of any credential analysis, identity proofing, online notary seals, electronic signatures, or communication technology;

(12) Personal knowledge or personally known means familiarity with an individual resulting from interactions with that individual over a period of time sufficient to dispel any reasonable uncertainty that the individual has the identity claimed;

(13) Principal means an individual:

(a) Whose electronic signature is notarized in an online notarial act; or

(b) Taking an oath or affirmation from the online notary public other than in the capacity of a witness for the online notarial act; and

(14) Remote presentation means transmission to the online notary public through communication technology of an image of a government-issued identification credential that is of sufficient quality to enable the online notary public to:

(a) Identify the individual seeking the online notary public's services; and

(b) Perform credential analysis.

Source: Laws 2019, LB186, § 2.

64-403 Eligibility to register as online notary public; qualifications.

(1) To be eligible to register as an online notary public, a person shall:

(a) Hold a valid commission as a notary public in the State of Nebraska;

(b) Satisfy the education requirement of section 64-404; and

(c) Pay the fee required under section 64-405.

(2) The Secretary of State shall not accept the registration if the requirements of subsection (1) of this section are not met.

Source: Laws 2019, LB186, § 3.

64-404 Course of instruction; examination.

(1) Before registering as an online notary public, a notary public shall take a course of instruction and pass an examination approved by the Secretary of State. The course of instruction and examination shall be approved by the Secretary of State by July 31, 2020.

(2) The content of the course and the basis for the examination shall include notarial laws, procedures, technology, and the ethics of performing online notarial acts.

Source: Laws 2019, LB186, § 4.

64-405 Fee.

The fee for registering or renewing a registration as an online notary public shall be in addition to the fee required in section 33-102. The Secretary of State shall establish the fee by rule and regulation in an amount sufficient to cover the costs of administering the Online Notary Public Act, but the fee shall not exceed one hundred dollars. The Secretary of State shall remit fees received under this section to the State Treasurer for credit to the Secretary of State Cash Fund for use in administering the Online Notary Public Act.

64-406 Registration with Secretary of State; contents; renewal.

(1) Before performing an online notarial act, a notary public shall register with the Secretary of State in a manner prescribed by the Secretary of State.

(2) In addition to any additional information prescribed by the Secretary of State, the registration shall include:

(a) The technology the notary public intends to use to perform an online notarial act. Such technology shall be provided by an online notary solution provider approved by the Secretary of State;

(b) A certification by the notary that he or she will comply with the standards developed under section 64-407; and

(c) An email address for the notary.

(3) The term of registration as an online notary public shall coincide with the term of the commission of the notary public.

(4) An application to renew registration as an online notary public shall specify any change in the technology the online notary public intends to use to perform online notarial acts. Such technology shall be provided by an online notary solution provider approved by the Secretary of State.

(5) A person registered as an online notary public may renew his or her online notary public registration at the same time he or she renews his or her notary public commission.

Source: Laws 2019, LB186, § 6.

64-407 Rules and regulations.

(1) The Secretary of State shall adopt and promulgate rules and regulations:

(a) Creating standards for online notarial acts in accordance with the Online Notary Public Act, including standards for credential analysis, identity proofing, and communication technology used for online notarial acts; and

(b) To ensure the integrity, security, and authenticity of online notarial acts in accordance with the Online Notary Public Act. Such rules and regulations shall include procedures for the approval of online notary solution providers by the Secretary of State.

(2) The Secretary of State may adopt and promulgate rules and regulations to facilitate the utilization of online notarial acts.

64-408 Types of online notarial acts.

The following types of online notarial acts may be performed by an online notary public:

(1) Acknowledgments;

(2) Jurats;

(3) Verifications or proofs; and

(4) Oaths or affirmations.

Source: Laws 2019, LB186, § 8.

64-409 Electronic record; contents; online notary public; duties; retention period.

(1) An online notary public shall keep a secure electronic record of electronic documents notarized by the online notary public. For each online notarial act, the electronic record shall contain:

(a) The date and time of the online notarial act;

(b) The type of online notarial act;

(c) The type, title, or description of the electronic document or proceeding;

(d) The printed name and address of each principal involved in the transaction or proceeding;

(e) Evidence of identity of each principal involved in the transaction or proceeding in the form of:

(i) A statement that the principal is personally known to the online notary public;

(ii) A notation of the type of identification document provided to the online notary public;

(iii) A record of the identity verification made under section 64-411; or

(iv) The following:

(A) The printed name and address of each credible witness swearing to or affirming the principal's identity; and

(B) For each credible witness not personally known to the online notary public, a description of the type of identification documents provided to the online notary public;

(f) A recording of any video and audio conference of the performance of the online notarial act, which shall not contain images of the documents that were notarized; and

(g) The fee, if any, charged for the online notarial act.

(2) The online notary public shall take reasonable steps to:

(a) Ensure the integrity, security, and authenticity of online notarial acts;

(b) Maintain a backup for the secure electronic record required by this section; and

(c) Protect the secure electronic record and backup record from unauthorized use.

(3) The electronic record and backup record required by this section shall be maintained for at least ten years after the date of the transaction or proceeding. The online notary public shall not surrender or destroy the record except as required by a court order or as allowed under rules and regulations adopted and promulgated by the Secretary of State.

64-410 Electronic signature and online notary seal; use; registered device; report of theft or vandalism.

(1) An online notary public's electronic signature in combination with the online notary seal shall be used only for the purpose of performing online notarial acts.

(2) An online notary public shall take reasonable steps to ensure that any registered device used to create an electronic signature is current and has not been revoked or terminated by the device's issuing or registering authority.

(3) An online notary public shall keep secure and under his or her exclusive control: The online notary public's electronic signature, online notary seal, and the electronic record and backup record required under section 64-409. The online notary public shall not allow another person to use the online notary public's electronic signature, online notary seal, or electronic record or backup record.

(4) An online notary public shall immediately notify an appropriate law enforcement agency and the Secretary of State of the theft or vandalism of the online notary public's electronic signature, online notary seal, or the electronic record or backup record required under section 64-409. An online notary public shall immediately notify the Secretary of State of the loss or use by another person of the online notary public's electronic signature, online notary seal, or the electronic record or backup record required under section 64-409.

Source: Laws 2019, LB186, § 10.

64-411 Physical location of principal; verification of identity; manner; security of communication technology; online notarial certificate; notation required.

(1) An online notary public may perform an online notarial act authorized under section 64-408 that meets the requirements of the Online Notary Public Act and the rules and regulations adopted and promulgated thereunder regardless of whether the principal is physically located in this state at the time of the online notarial act.

(2) In performing an online notarial act, an online notary public shall verify the identity of an individual creating an electronic signature. Identity shall be verified by:

(a) The online notary public's personal knowledge of the individual creating the electronic signature;

(b) All of the following:

(i) Remote presentation by the individual creating the electronic signature of a government-issued identification credential that is current and that bears the photographic image of the individual's face and signature and a physical description of the individual, except that a properly stamped passport without a physical description is satisfactory evidence;

(ii) Credential analysis of such credential; and

(iii) Identity proofing of the individual creating the electronic signature; or

(c) Oath or affirmation of a credible witness who is in the physical presence of either the online notary public or the individual and who has personal knowledge of the individual if:

(i) The credible witness is personally known to the online notary public; or

(ii) The online notary public has verified the identity of the credible witness under subdivision (2)(b) of this section.

(3) The online notary public shall take reasonable steps to ensure that the communication technology used in an online notarial act is secure from unauthorized interception.

(4) An online notary public shall attach the online notary public's electronic signature and online notary seal to the online notarial certificate of an electronic document in a manner that is capable of independent verification and that renders evident any subsequent change or modification to the electronic document.

(5) The online notarial certificate for an online notarial act must include a notation that the notarial act is an online notarial act.

NEBRASKA CLEAN-BURNING MOTOR FUEL DEVELOPMENT ACT

Section
66-203. Rebate for qualified clean-burning motor vehicle fuel property.
66-204. Clean-burning Motor Fuel Development Fund; created; use; investment.

66-203 Rebate for qualified clean-burning motor vehicle fuel property.

(1) The Department of Environment and Energy shall offer a rebate for qualified clean-burning motor vehicle fuel property.

(2)(a) The rebate for qualified clean-burning motor vehicle fuel property as defined in subdivisions (4)(a) and (b) of section 66-202 is the lesser of fifty percent of the cost of the qualified clean-burning motor vehicle fuel property or four thousand five hundred dollars for each motor vehicle.

(b) A qualified clean-burning motor vehicle fuel property is not eligible for a rebate under this section if the person or entity applying for the rebate has claimed another rebate or grant for the same motor vehicle under any other state rebate or grant program.

(3) The rebate for qualified clean-burning motor vehicle fuel property as defined in subdivision (4)(c) of section 66-202 is the lesser of fifty percent of the cost of the qualified clean-burning motor vehicle fuel property or two thousand five hundred dollars for each qualified clean-burning motor vehicle fuel property.

(4) No qualified clean-burning motor vehicle fuel property shall qualify for more than one rebate under this section.

66-204 Clean-burning Motor Fuel Development Fund; created; use; investment.

(1) The Clean-burning Motor Fuel Development Fund is created. The fund shall consist of grants, private contributions, and all other sources.

(2) The fund shall be used by the Department of Environment and Energy to provide rebates under the Nebraska Clean-burning Motor Fuel Development Act up to the amount transferred under subsection (3) of this section. No more than thirty-five percent of the money in the fund annually shall be used as rebates for flex-fuel dispensers. The department may use the fund for necessary costs in the administration of the act up to an amount not exceeding ten percent of the fund annually.

(3) Within five days after August 30, 2015, the State Treasurer shall transfer five hundred thousand dollars from the General Fund to the Clean-burning Motor Fuel Development Fund to carry out the Nebraska Clean-burning Motor Fuel Development Act.

(4) Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(5) The State Treasurer shall transfer two hundred thousand dollars from the Clean-burning Motor Fuel Development Fund to the General Fund on or before June 30, 2018, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services.

CARBON DIOXIDE EMISSIONS

Section
66-301. Terms, defined.
66-302. Department of Environment and Energy; state plan for regulating carbon dioxide emissions; duties.
66-303. Department of Environment and Energy; duties; report; contents; legislative vote.
66-304. State plan; submit to Legislature.

66-301 Terms, defined.

For purposes of sections 66-301 to 66-304:

(1) Covered electric generating unit means a fossil fuel-fired electric generating unit existing within the state prior to August 30, 2015, that is subject to regulation under the federal emission guidelines;

(2) Federal emission guidelines means any final rules, regulations, guidelines, or other requirements that the United States Environmental Protection Agency may adopt for regulating carbon dioxide emissions from covered electric generating units under section 111(d) of the federal Clean Air Act, 42 U.S.C. 7411(d);

(3) State means the State of Nebraska; and

(4) State plan means any plan to establish and enforce carbon dioxide emission control measures that the Department of Environment and Energy may adopt to implement the obligations of the state under the federal emission guidelines.

66-302 Department of Environment and Energy; state plan for regulating carbon dioxide emissions; duties.

The Department of Environment and Energy shall not submit a state plan for regulating carbon dioxide emissions from covered electric generating units to the United States Environmental Protection Agency until the department has prepared a report as required in section 66-303. Nothing in this section shall prevent the department from complying with federally prescribed deadlines.

Source: Laws 2015, LB469, § 2; Laws 2019, LB302, § 72.

66-303 Department of Environment and Energy; duties; report; contents; legislative vote.

(1) The Department of Environment and Energy shall also prepare a report that assesses the effects of the state plan for regulating carbon dioxide emissions from covered electric generating units on:

(a) The electric power sector, including:

(i) The type and amount of electric generating capacity within the state that is likely to retire or switch to another fuel;

(ii) The stranded investment in electric generating capacity and other infrastructure;

(iii) The amount of investment necessary to offset retirements of electric generating capacity and maintain generation reserve margins;

(iv) Potential risks to electric reliability, including resource adequacy risks and transmission constraints; and

(v) The amount by which retail electricity prices within the state are forecast to increase or decrease; and

(b) Employment within the state, including direct and indirect employment effects within affected sectors of the state's economy.

(2) The department shall complete the report required under this section at least thirty days prior to submitting the state plan prepared pursuant to section 66-302 and shall electronically submit to the Legislature a copy of such report.

(3) If the Legislature is in session when it receives the report, the Legislature may vote on a nonbinding legislative resolution endorsing or disapproving the state plan based on the findings of the report.

ARTICLE 4
MOTOR VEHICLE FUEL TAX

66-482 Terms, defined.

For purposes of sections 66-482 to 66-4,149:

(1) Agricultural ethyl alcohol means ethyl alcohol produced from cereal grains or agricultural commodities grown within the continental United States and which is a finished product that is a nominally anhydrous ethyl alcohol meeting American Society for Testing and Materials D4806 standards. For the purpose of sections 66-482 to 66-4,149, the purity of the ethyl alcohol shall be determined excluding denaturant, and the volume of alcohol blended with gasoline for motor vehicle fuel shall include the volume of any denaturant required pursuant to law;

(2) Alcohol blend means a blend of agricultural ethyl alcohol in gasoline or other motor vehicle fuel, such blend to contain not less than five percent by volume of alcohol;

(3) Biodiesel means mono-alkyl esters of long-chain fatty acids derived from vegetable oils or animal fats which conform to American Society for Testing and Materials D6751 specifications for use in diesel engines. Biodiesel refers to the pure fuel before blending with diesel fuel;

(4) Biodiesel facility means a plant which produces biodiesel;

(5) Biomass feedstock means sugar, starch, polysaccharide, glycerin, lignin, fat, grease, or oil derived from plants, animals, or algae or a protein capable of being converted to a building block chemical by means of a biological or chemical conversion process;

(6) Commercial electric vehicle charging station has the same meaning as in section 70-1001.01;

(7) Commercial electric vehicle charging station operator has the same meaning as in section 70-1001.01;

(8) Compressed fuel has the same meaning as in section 66-6,100;

(9) Department means the Department of Revenue;

(10) Diesel fuel means all combustible liquids and biodiesel which are suitable for the generation of power for diesel-powered vehicles, except that diesel fuel does not include kerosene;

(11) Distributor means any person who acquires ownership of motor fuels directly from a producer or supplier at or from a barge, barge line, pipeline terminal, or ethanol or biodiesel facility in this state;

(12) Ethanol facility means a plant which produces agricultural ethyl alcohol;

(13) Exporter means any person who acquires ownership of motor fuels from any licensed producer, supplier, distributor, wholesaler, or importer exclusively for use or resale in another state;

(14) Gross gallons means measured gallons without adjustment or correction for temperature or barometric pressure;

(15) Highway means every way or place generally open to the use of the public for the purpose of vehicular travel, even though such way or place may be temporarily closed or travel thereon restricted for the purpose of construction, maintenance, repair, or reconstruction;

(16) Importer means any person who owns motor fuels at the time such fuels enter the State of Nebraska by any means other than barge, barge line, or pipeline. Importer does not include a person who imports motor fuels in a tank directly connected to the engine of a motor vehicle, train, watercraft, or airplane for purposes of providing fuel to the engine to which the tank is connected;

(17) Kerosene means kerosene meeting the specifications as found in the American Society for Testing and Materials publication D3699 entitled Standard Specification for Kerosene;

(18) Motor fuels means motor vehicle fuel, diesel fuel, aircraft fuel, or compressed fuel;

(19) Motor vehicle has the same meaning as in section 60-339;

(20) Motor vehicle fuel includes all products and fuel commonly or commercially known as gasoline, including casing head or natural gasoline, and includes any other liquid and such other volatile and inflammable liquids as may be produced, compounded, or used for the purpose of operating or propelling motor vehicles, motorboats, or aircraft or as an ingredient in the manufacture of such fuel. Motor vehicle fuel includes agricultural ethyl alcohol produced for use as a motor vehicle fuel. Motor vehicle fuel does not include the products commonly known as methanol, kerosene oil, kerosene distillate, crude petroleum, naphtha, and benzine with a boiling point over two hundred degrees Fahrenheit, residuum gas oil, smudge oil, leaded automotive racing fuel with an American Society of Testing Materials research method octane number in excess of one hundred five, and any petroleum product with an initial boiling point under two hundred degrees Fahrenheit, a ninety-five percent distillation (recovery) temperature in excess of four hundred sixty-four degrees Fahrenheit, an American Society of Testing Materials research method octane number less than seventy, and an end or dry point of distillation of five hundred seventy degrees Fahrenheit maximum;

(21) Person means any individual, firm, partnership, limited liability company, company, agency, association, corporation, state, county, municipality, or other political subdivision. Whenever a fine or imprisonment is prescribed or imposed in sections 66-482 to 66-4,149, the word person as applied to a partnership, a limited liability company, or an association means the partners or members thereof;

(22) Producer means any person who manufactures agricultural ethyl alcohol or biodiesel at an ethanol or biodiesel facility in this state;

(23) Retailer means any person who acquires motor fuels from a producer, supplier, distributor, wholesaler, or importer for resale to consumers of such fuel;

(24) Semiannual period means either the period which begins on January 1 and ends on June 30 of each year or the period which begins on July 1 and ends on December 31 of each year;

(25) Supplier means any person who owns motor fuels imported by barge, barge line, or pipeline and stored at a barge, barge line, or pipeline terminal in this state; and

(26) Wholesaler means any person, other than a producer, supplier, distributor, or importer, who acquires motor fuels for resale.

66-489 Producer, supplier, distributor, wholesaler, or importer; motor fuel tax; excise tax; amount; when payable; exemptions; equalization fee.

(1)(a) At the time of filing the return required by section 66-488, such producer, supplier, distributor, wholesaler, or importer shall, in addition to the tax imposed pursuant to sections 66-489.02, 66-4,140, 66-4,145, and 66-4,146 and in addition to the other taxes provided for by law, pay a tax in an amount set in subdivision (b) of this subsection upon all motor fuels as shown by such return, except that there shall be no tax on the motor fuels reported if (i) the required taxes on the motor fuels have been paid, (ii) the motor fuels have been sold to a licensed exporter exclusively for resale or use in another state, (iii) the motor fuels have been sold from a Nebraska barge line terminal, pipeline terminal, refinery, or ethanol or biodiesel facility, including motor fuels stored offsite in bulk, by a licensed producer or supplier to a licensed distributor, (iv) the motor fuels have been sold by a licensed distributor or licensed importer to a licensed distributor or to a licensed wholesaler and the seller acquired ownership of the motor fuels directly from a licensed producer or supplier at or from a refinery, barge, barge line, pipeline terminal, or ethanol or biodiesel facility, including motor fuels stored offsite in bulk, in this state or was the first importer of such fuel into this state, or (v) as otherwise provided in this section.

Such producer, supplier, distributor, wholesaler, or importer shall remit such tax to the department.

(b) The tax shall be:

(i) Seven and one-half cents per gallon through December 31, 2015;

(ii) Eight cents per gallon beginning on January 1, 2016, through December 31, 2016;

(iii) Eight and one-half cents per gallon beginning on January 1, 2017, through December 31, 2017;

(iv) Nine cents per gallon beginning on January 1, 2018, through December 31, 2018; and

(v) Nine and one-half cents per gallon beginning on January 1, 2019.

(2)(a) As part of filing the return required by section 66-488, each producer of ethanol shall, in addition to other taxes imposed by the motor fuel laws, pay an excise tax of one and one-quarter cents per gallon on:

(i) Gasoline, natural gasoline, or any other gasoline component, including, but not limited to, any gasoline component produced from biomass feedstock, purchased for use as a denaturant by the producer at an ethanol facility; and

(ii) Two percent of agricultural ethyl alcohol sold that is unfit for beverage purposes and does not meet the American Society for Testing and Materials D4806 standards.

(b) All taxes, interest, and penalties collected under this subsection shall be remitted to the State Treasurer for credit to the Agricultural Alcohol Fuel Tax Fund.

(3)(a) Motor fuels, methanol, and all blending agents or fuel expanders shall be exempt from the taxes imposed by this section and sections 66-489.02, 66-4,105, 66-4,140, 66-4,145, and 66-4,146, when the fuels are used for buses equipped to carry more than seven persons for hire and engaged entirely in the transportation of passengers for hire within municipalities or within a radius of six miles thereof.

(b) The owner or agent of any bus equipped to carry more than seven persons for hire and engaged entirely in the transportation of passengers for hire within municipalities, or within a radius of six miles thereof, in lieu of the excise tax provided for in this section, shall pay an equalization fee of a sum equal to twice the amount of the registration fee applicable to such vehicle under the laws of this state. Such equalization fee shall be paid in the same manner as the registration fee and be disbursed and allocated as registration fees.

(c) Nothing in this section shall be construed as permitting motor fuels to be sold tax exempt. The department shall refund tax paid on motor fuels used in buses deemed exempt by this section.

(4) Gasoline, natural gasoline, or any other gasoline component, including, but not limited to, any gasoline component produced from biomass feedstock, purchased for use as a denaturant by a producer at an ethanol facility as defined in section 66-1333 shall be exempt from the motor fuels tax imposed by subsection (1) of this section as well as the tax imposed pursuant to sections 66-489.02, 66-4,140, 66-4,145, and 66-4,146.

(5) Unless otherwise provided by an agreement entered into between the State of Nebraska and the governing body of any federally recognized Indian tribe within the State of Nebraska, motor fuels purchased on a Nebraska Indian

reservation where the purchaser is a Native American who resides on the reservation shall be exempt from the motor fuels tax imposed by this section as well as the tax imposed pursuant to sections 66-489.02, 66-4,140, 66-4,145, and 66-4,146.

(6) Motor fuels purchased for use by the United States Government or its agencies shall be exempt from the motor fuels tax imposed by this section as well as the tax imposed pursuant to sections 66-489.02, 66-4,140, 66-4,145, and 66-4,146.

(7) In the case of diesel fuel, there shall be no tax on the motor fuels reported if (a) the diesel fuel has been indelibly dyed and chemically marked in accordance with regulations issued by the Secretary of the Treasury of the United States under 26 U.S.C. 4082 or (b) the diesel fuel contains a concentration of sulphur in excess of five-hundredths percent by weight or fails to meet a cetane index minimum of forty and has been indelibly dyed in accordance with regulations promulgated by the Administrator of the United States Environmental Protection Agency pursuant to 42 U.S.C. 7545.

Operative date August 1, 2024.

66-489.02 Producer, supplier, distributor, wholesaler, or importer; tax on average wholesale price of gasoline; credit to Highway Trust Fund; use; allocation.

(1) For tax periods beginning on and after July 1, 2009, at the time of filing the return required by section 66-488, the producer, supplier, distributor, wholesaler, or importer shall, in addition to the other taxes provided for by law, pay a tax at the rate of five percent of the average wholesale price of gasoline for the gallons of the motor fuels as shown by the return, except that there shall be no tax on the motor fuels reported if they are otherwise exempted by sections 66-482 to 66-4,149.

(2) The department shall calculate the average wholesale price of gasoline on April 1, 2009, and on each April 1 and October 1 thereafter. The average wholesale price on April 1 shall apply to returns for the tax periods beginning on and after July 1, and the average wholesale price on October 1 shall apply to returns for the tax periods beginning on and after January 1. The average wholesale price shall be determined using data available from the Department of Environment and Energy and shall be an average wholesale price per gallon of gasoline sold in the state over the previous six-month period, excluding any state or federal excise tax or environmental fees. The change in the average wholesale price between two six-month periods shall be adjusted so that the increase or decrease in the tax provided for in this section or section 66-6,109.02 does not exceed one cent per gallon.

(3) All sums of money received under this section shall be credited to the Highway Trust Fund. Credits and refunds of such tax allowed to producers, suppliers, distributors, wholesalers, or importers shall be paid from the Highway Trust Fund. The balance of the amount credited, after credits and refunds, shall be allocated as follows:

(a) Sixty-six percent to the Highway Cash Fund for the Department of Transportation;

(b) Seventeen percent to the Highway Allocation Fund for allocation to the various counties for road purposes; and

(c) Seventeen percent to the Highway Allocation Fund for allocation to the various municipalities for street purposes.

66-4,100 Highway Cash Fund; Roads Operations Cash Fund; created; use; investment.

The Highway Cash Fund and the Roads Operations Cash Fund are hereby created. If bonds are issued pursuant to subsection (2) of section 39-2223, the balance of the share of the Highway Trust Fund allocated to the Department of Transportation and deposited into the Highway Restoration and Improvement Bond Fund as provided in subsection (8) of section 39-2215 and the balance of the money deposited in the Highway Restoration and Improvement Bond Fund as provided in section 39-2215.01 shall be transferred by the State Treasurer, on or before the last day of each month, to the Highway Cash Fund. If no bonds are issued pursuant to subsection (2) of section 39-2223, the share of the Highway Trust Fund allocated to the Department of Transportation shall be transferred by the State Treasurer on or before the last day of each month to the Highway Cash Fund.

The Legislature may direct the State Treasurer to transfer funds from the Highway Cash Fund to the Roads Operations Cash Fund. Both funds shall be expended by the department (1) for acquiring real estate, road materials, equipment, and supplies to be used in the construction, reconstruction, improvement, and maintenance of state highways, (2) for the construction, reconstruction, improvement, and maintenance of state highways, including grading, drainage, structures, surfacing, roadside development, landscaping, and other incidentals necessary for proper completion and protection of state highways as the department shall, after investigation, find and determine shall be for the best interests of the highway system of the state, either independent of or in

conjunction with federal-aid money for highway purposes, (3) for the share of the department of the cost of maintenance of state aid bridges, (4) for planning studies in conjunction with federal highway funds for the purpose of analyzing traffic problems and financial conditions and problems relating to state, county, township, municipal, federal, and all other roads in the state and for incidental costs in connection with the federal-aid grade crossing program for roads not on state highways, (5) for tests and research by the department or proportionate costs of membership, tests, and research of highway organizations when participated in by the highway departments of other states, (6) for the payment of expenses and costs of the Board of Examiners for County Highway and City Street Superintendents as set forth in section 39-2310, (7) for support of the public transportation assistance program established under section 13-1209 and the intercity bus system assistance program established under section 13-1213, (8) for purchasing from political or governmental subdivisions or public corporations, pursuant to section 39-1307, any federal-aid transportation funds available to such entities, (9) for costs related to the administration of the Division of Aeronautics of the Department of Transportation as specified in section 3-107, (10) for furnishing the Nebraska Broadband Office with necessary office space, furniture, equipment, and supplies as well as providing administrative and budgetary support, including salaries for professional, technical, and clerical assistants, as provided in section 81-702, and (11) for the County Bridge Match Program.

The State Treasurer shall transfer four million dollars from the Roads Operations Cash Fund to the Transportation Infrastructure Bank Fund on or before June 30, 2024, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services. The money shall be used for the County Bridge Match Program. The State Treasurer shall transfer four million dollars from the Roads Operations Cash Fund to the Transportation Infrastructure Bank Fund on or before June 30, 2025, on such dates and in such amounts as directed by the budget administrator of the budget division of the Department of Administrative Services. The money shall be used for the County Bridge Match Program.

Any money in the Highway Cash Fund and the Roads Operations Cash Fund not needed for current operations of the department shall, as directed by the Director-State Engineer to the State Treasurer, be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act, subject to approval by the board of each investment. All income received as a result of such investment shall be placed in the Highway Cash Fund.

66-4,105 Motor fuels; electric energy; use; excise tax; amount.

(1)(a) There is hereby levied and imposed an excise tax in an amount set in subdivision (1)(b) of this section, increased by the amounts imposed or determined under sections 66-489.02, 66-4,140, 66-4,145, and 66-4,146, upon the use of all motor fuels used in this state and due the State of Nebraska under section 66-489. Users of motor fuels subject to taxation under this section shall be allowed the same exemptions, deductions, and rights of reimbursement as are authorized and permitted by Chapter 66, article 4, other than any commissions provided under such article.

(b) The excise tax shall be nine and one-half cents per gallon.

(c) For purposes of this subsection and section 66-4,106, use means the purchase or consumption of motor fuels in this state.

(2) Beginning January 1, 2028, there is hereby levied and imposed an excise tax of three cents per kilowatt hour on the electric energy used to charge the battery of a motor vehicle at a commercial electric vehicle charging station.

66-4,143 Materiel administrator; submit report; contents.

(1) The materiel administrator of the Department of Administrative Services shall on or before the tenth day of the fifth calendar month following the end of a semiannual period submit to the Department of Revenue a report providing the total cost and number of gallons of motor fuels purchased by the State of Nebraska during the preceding month. In providing such information, the materiel administrator shall total only those purchases which were fifty or more gallons and shall separately identify the amount of any state or federal tax which was included in the price paid.

(2) The Department of Revenue shall provide any assistance the materiel administrator may need in performing his or her duties under this section.

66-4,144 Highway Restoration and Improvement Bond Fund; Highway Cash Fund; maintain adequate balance; setting of excise tax rates; procedure; Department of Transportation; provide information.

(1) In order to insure that an adequate balance in the Highway Restoration and Improvement Bond Fund is maintained to meet the debt service requirements of bonds to be issued by the commission under subsection (2) of section 39-2223, the Director-State Engineer shall certify to the department the excise tax rate to be imposed by sections 66-4,140 and 66-6,108 for each year during which such bonds are outstanding necessary to provide in each such year money equal in amount to not less than one hundred twenty-five percent of such year's bond principal and interest payment requirements. The department shall adjust the rate as certified by the Director-State Engineer. Such rate shall be in addition to the rate of excise tax set pursuant to subsection (2) of this section. Each such rate shall be effective from July 1 of a stated year through June 30 of the succeeding year or during such other period not longer than one year as the Director-State Engineer certifies to be consistent with the principal and interest requirements of such bonds. Such excise tax rates set pursuant to this subsection may be increased, but such excise tax rates shall not be subject to reduction or elimination unless the Director-State Engineer has received from the State Highway Commission notice of reduced principal and interest requirements for such bonds, in which event the Director-State Engineer shall certify the new rate or rates to the department. The new rate or rates, if any, shall become effective on the first day of the following semiannual period.

(2) In order to insure that there is maintained an adequate Highway Cash Fund balance to meet expenditures from such fund as appropriated by the Legislature, by June 15 or five days after the adjournment of the regular legislative session each year, whichever is later, the Director-State Engineer shall certify to the department the excise tax rate to be imposed by sections 66-4,140 and 66-6,108. The department shall adjust the rate as certified by the Director-State Engineer to be effective from July 1 through June 30 of the succeeding year. The rate of excise tax for a given July 1 through June 30 period set pursuant to this subsection shall be in addition to and independent of the rate or rates of excise tax set pursuant to subsection (1) of this section for such period. The Director-State Engineer shall determine the cash and investment balances of the Highway Cash Fund at the beginning of each fiscal year under consideration and the estimated receipts to the Highway Cash Fund from each source which provides at least one million dollars annually to such fund. The rate of excise tax shall be an amount sufficient to meet the appropriations made from the Highway Cash Fund by the Legislature. Such rate shall be set in increments of one-hundredth of one percent.

(3) The Department of Transportation shall provide to the Legislative Fiscal Analyst an electronic copy of the information that is submitted to the Department of Revenue and used to set or adjust the excise tax rate.

(4) If the actual receipts received to date added to any projections or modified projections of deposits to the Highway Cash Fund for the current fiscal year are less than ninety-nine percent or greater than one hundred two percent of the appropriation for the current fiscal year, the Director-State Engineer shall certify to the department the adjustment in rate necessary to meet the appropriations made from the Highway Cash Fund by the Legislature. The department shall adjust the rate as certified by the Director-State Engineer to be effective on the first day of the following semiannual period.

(5) Nothing in this section shall be construed to abrogate the duties of the Department of Transportation or attempt to change any highway improvement program schedule.

SOLAR ENERGY AND WIND ENERGY

(b) WIND ENERGY CONVERSION SYSTEMS

Section
66-915. Wind energy conversion system; light-mitigating technology system; required, when.

(b) WIND ENERGY CONVERSION SYSTEMS

66-915 Wind energy conversion system; light-mitigating technology system; required, when.

(1) For purposes of this section:

(a) FAA approval means approval by the Federal Aviation Administration that meets the requirements set forth in Chapter 10 of the Federal Aviation Administration's 2020 Advisory Circular AC 70/7460-1M, Obstruction Marking and Lighting;

(b) Light-mitigating technology system means aircraft detection lighting or any other comparable system capable of reducing the impact of facility obstruction lighting while maintaining conspicuity sufficient to assist aircraft in identifying and avoiding collision with a wind energy conversion system;

(c) Repower means a substantial physical modification of at least seventy-five percent of the wind turbines in a wind energy conversion system that results in an increase of ten percent or more in nameplate capacity; and

(d) Wind energy conversion system means an electric generation facility consisting of ten or more wind turbines that are two hundred fifty feet or more in height and any accessory or appurtenant structures and buildings including substations, meteorological towers, electrical infrastructure, and transmission lines.

(2) Beginning July 1, 2025:

(a)(i) A developer, owner, or operator of a wind energy conversion system shall make application to the Federal Aviation Administration for FAA approval to install and operate a light-mitigating technology system on such wind energy conversion system as follows:

(A) Before a wind energy conversion system commences commercial operation in this state, if such system did not exist prior to July 1, 2025;

(B) Within thirty days after a wind energy conversion system existing prior to July 1, 2025, commences a repower; or

(C) If on July 1, 2025, such developer, owner, or operator has five years or less remaining on a power purchase agreement with an electric supplier for a wind energy conversion system, within thirty days after the existing power purchase agreement is extended or renewed or a new power purchase agreement is executed; and

(ii) Within twenty-four months after receiving FAA approval, the developer, owner, or operator of the wind energy conversion system shall install a light-mitigating technology system on wind turbines covered under such FAA approval; and

(b) Any developer, owner, or operator of a wind energy conversion system existing prior to July 1, 2025, that does not commence a repower shall on or before July 1, 2035, install a light-mitigating technology system on the wind turbines in such wind energy conversion system that meets Federal Aviation Administration requirements.

(3) Any application made pursuant to subsection (2) of this section shall be submitted in good faith and reasonably intended to obtain FAA approval. If FAA approval is not granted after application is made pursuant to such subsection, the wind energy conversion system may commence or continue, as applicable, commercial operation without a light-mitigating technology system.

(4) Any costs associated with the installation, implementation, operation, and maintenance of a light-mitigating technology system shall be the responsibility of the developer, owner, or operator of the wind energy conversion system.

(5) Nothing in this section shall be construed to require mitigation of light pollution to be carried out in a manner that conflicts with federal law or requirements, including requirements of the Federal Aviation Administration or the United States Department of Defense.

(6) Nothing in this section shall be construed to require any new or separate approval from any state or local governmental agency.

ENERGY CONSERVATION

(a) UTILITY LOANS

Section
66-1004. Energy conservation measure, defined.
66-1009. Loan; repayment plan; default; use; lien; limitation; Director of Environment and Energy; duties.

(a) UTILITY LOANS

66-1004 Energy conservation measure, defined.

Energy conservation measure shall mean installing or using any:

(1) Caulking or weatherstripping of doors or windows;

(2) Furnace efficiency modifications involving electric service;

(3) Clock thermostats;

(4) Water heater insulation or modification;

(5) Ceiling, attic, wall, or floor insulation;

(6) Storm windows or doors, multiglazed windows or doors, or heat absorbing or reflective glazed window and door material;

(7) Devices which control demand of appliances and aid load management;

(8) Devices to utilize solar energy, biomass, or wind power for any energy conservation purpose, including heating of water and space heating or cooling, which have been identified by the Department of Environment and Energy as an energy conservation measure for the purposes of sections 66-1001 to 66-1011;

(9) High-efficiency lighting and motors;

(10) Devices which are designed to increase energy efficiency, the utilization of renewable resources, or both; and

(11) Such other conservation measures as the department shall identify.

66-1009 Loan; repayment plan; default; use; lien; limitation; Director of Environment and Energy; duties.

(1) A customer borrowing from a utility under a plan adopted pursuant to sections 66-1001 to 66-1011 shall be allowed to contract with the utility for a repayment plan and shall be offered a repayment period of not less than three years and not more than twenty years.

(2) Upon default on a loan by a customer, after expending reasonable efforts to collect, a utility may treat the entire unpaid contract amount as due, but services to a residential, agricultural, or commercial customer may not be terminated as a result of such default. Default occurs when any amount due a utility under a plan adopted pursuant to sections 66-1001 to 66-1011, 70-625, 70-704, 81-1606 to 81-1626, and 84-162 to 84-167 is not paid within sixty days of the due date.

(3) Any customer obtaining a loan pursuant to section 66-1007 shall only use the funds to accomplish the purposes agreed upon at the time of the loan. If the borrower of any funds obtained pursuant to sections 66-1001 to 66-1011 uses such funds in a manner or for a purpose not authorized by this section, the total amount of the loan shall immediately become due and payable.

(4) Any amount due a utility on a loan pursuant to sections 66-1001 to 66-1011 which is not paid in full within sixty days of the due date shall become a lien as provided in this section on the real property concerned as to the full unpaid balance. No lien under this section shall be valid unless (a) the loan was signed by the party or parties shown on the indexes of the register of deeds to be the owners of record of such real property on the date of the loan and (b) the lien is filed not more than four months after the date of default, in the same office and in the same manner as mortgages in the county in which the real property is located. Such lien shall take effect and be in force from and after the time of delivering the same to the register of deeds for recording, and not before, as to all creditors and subsequent purchasers in good faith without notice, and such lien shall be adjudged void as to all such creditors and subsequent purchasers without notice whose deeds, mortgages, or other instru-

ments shall be first recorded, except that such lien shall be valid between the parties. A publicly owned utility shall not maintain possession of any property which it may acquire pursuant to a lien authorized by this section for a period of time longer than is reasonably necessary to dispose of such property.

(5) Any loan made under a plan adopted pursuant to sections 66-1001 to 66-1011 shall not exceed fifteen thousand dollars, subject to any existing limitations under federal law. Any loan to be made by a utility which exceeds ten thousand dollars shall only be made in participation with a bank pursuant to a contract. The utility and the participating bank shall determine the terms and conditions of the contract.

(6) The Director of Environment and Energy may adopt and promulgate rules and regulations to carry out sections 66-1001 to 66-1011.

66-1105 Geothermal resource development; conditions; permit; Department of Natural Resources; adopt rules and regulations.

Any person who desires to withdraw ground water within the State of Nebraska for geothermal resource development shall, prior to commencing construction of any wells, obtain from the Director of Natural Resources a permit to authorize the withdrawal, transfer, and further use or reinjection of such ground water. The Department of Natural Resources shall adopt and promulgate rules and regulations governing the issuance of such permits, consistent with sections 66-1101 to 66-1106 and with Chapter 46, article 6. Such rules and regulations shall provide for consultation with the Department of Environment and Energy pursuant to the issuance of such permits and shall be compatible with rules and regulations adopted and promulgated by the Department of Environment and Energy under the Environmental Protection Act. Any geothermal fluids produced incident to the development and production of geothermal resources shall be reinjected into the same geologic formation from which they were extracted in substantially the same volume and substantially the same or higher quality as when extracted unless the permit issued in accordance with this section authorizes further uses or processing other than those incident to reinjection.

66-1334 Agricultural Alcohol Fuel Tax Fund; created; use; investment.

(1) The Agricultural Alcohol Fuel Tax Fund is hereby created. The fund shall be administered by the board. The fund shall contain (a) transfers made pursuant to section 66-726, (b) all sums of money received from fees resulting from any conference or event held by the board, (c) gifts, grants, and contributions made by public or private entities, and (d) transfers as authorized by the Legislature. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) The fund shall be used for the following purposes:

(a) Establishment, with cooperation of private industry, of procedures and processes necessary to the manufacture and marketing of fuel containing agricultural ethyl alcohol;

(b) Establishment of procedures for entering blended fuel into the marketplace by private enterprise;

(c) Analysis of the marketing process and testing of marketing procedures to assure acceptance in the private marketplace of blended fuel and byproducts resulting from the manufacturing process;

(d) Cooperation with private industry to establish privately owned agricultural ethyl alcohol manufacturing plants in Nebraska to supply demand for blended fuel;

(e) Sponsoring research and development of industrial and commercial uses for agricultural ethyl alcohol and for byproducts resulting from the manufacturing process;

(f) Promotion of state and national air quality improvement programs and influencing federal legislation that requires or encourages the use of fuels oxygenated by the inclusion of agricultural ethyl alcohol or its derivatives;

(g) Promotion of the use of renewable agricultural ethyl alcohol as a partial replacement for imported oil and for the energy and economic security of the nation;

(h) Participation in development and passage of national legislation dealing with research, development, and promotion of United States production of fuels oxygenated by the inclusion of agricultural ethyl alcohol or its derivatives, access to potential markets, tax incentives, imports of foreign-produced fuel, and related concerns that may develop in the future; and

(i) As the board may otherwise direct to fulfill the goals set forth under the Ethanol Development Act, including monitoring contracts for ethanol program commitments and solicitation of federal funds.

66-1335 Nebraska Ethanol Board; established; terms; vacancy; meetings; expenses.

(1) The Nebraska Ethanol Board is hereby established. The board shall consist of seven members to be appointed by the Governor with the approval of a majority of the Legislature. The Governor shall make the initial appointments within thirty days after September 1, 1993. Four members shall be actually engaged in farming in this state, one in general farming and one each in the production of corn, wheat, and sorghum. One member shall be actively engaged in business in this state. One member shall represent labor interests in this state. One member shall represent Nebraska petroleum marketers in this state.

(2) Members shall be appointed for terms of four years, except that of the initial appointees the terms of the member representing labor interests and the member engaged in general farming shall expire on August 31, 1994, the terms of the member engaged in sorghum production and the member engaged in wheat production shall expire on August 31, 1995, the term of the member representing petroleum marketers shall expire on August 31, 1996, and the terms of the member engaged in business and the member engaged in corn production shall expire on August 31, 1997. A member shall serve until a successor is appointed and qualified. Not more than four members shall be members of the same political party.

(3) A vacancy on the board shall exist in the event of death, disability, resignation, or removal for cause of a member. Any vacancy on the board arising other than from the expiration of a term shall be filled by appointment for the unexpired portion of the term. An appointment to fill a vacancy shall be made by the Governor with the approval of a majority of the Legislature, and any person so appointed shall have the same qualifications as the person whom he or she succeeds.

(4) The board shall meet at least once annually.

(5) The members shall be reimbursed for expenses as provided in sections 81-1174 to 81-1177. The members shall receive twenty-five dollars for each day while engaged in the performance of board duties.

66-1344 Ethanol tax credits; conditions; limitations; Department of Revenue; powers and duties.

(1) Beginning June 1, 2000, during such period as funds remain in the Ethanol Production Incentive Cash Fund, any ethanol facility shall receive a credit of seven and one-half cents per gallon of ethanol, before denaturing, for new production for a period not to exceed thirty-six consecutive months. For purposes of this subsection, new production means production which results from the expansion of an existing facility's capacity by at least two million gallons first placed into service after June 1, 1999, as certified by the facility's design engineer to the Department of Revenue. For expansion of an existing facility's capacity, new production means production in excess of the average of the highest three months of ethanol production at an ethanol facility during the twenty-four-month period immediately preceding certification of the facility by the design engineer. No credits shall be allowed under this subsection for expansion of an existing facility's capacity until production is in excess of twelve times the three-month average amount determined under this subsection during any twelve-consecutive-month period beginning no sooner than June 1, 2000. New production shall be approved by the Department of Revenue based on such ethanol production records as may be necessary to reasonably determine new production. This credit must be earned on or before December 31, 2003.

(2)(a) Beginning January 1, 2002, any new ethanol facility which is in production at the minimum rate of one hundred thousand gallons annually for the production of ethanol, before denaturing, and which has provided to the Department of Revenue written evidence substantiating that the ethanol facility has received the requisite authority from the Department of Environment and Energy and from the United States Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives, on or before June 30, 2004, shall receive a credit of eighteen cents per gallon of ethanol produced for ninety-six consecutive months beginning with the first calendar month for which it is eligible to receive such credit and ending not later than June 30, 2012, if the facility is defined by subdivision (b)(i) of this subsection, and for forty-eight consecutive months beginning with the first calendar month for which it is eligible to receive such credit and ending not later than June 30, 2008, if the facility is defined by subdivision (b)(ii) of this subsection. The new ethanol facility shall provide an analysis to the Department of Revenue of samples of the product collected according to procedures specified by the department no later than July 30, 2004, and at least annually thereafter. The analysis shall be prepared by an independent laboratory meeting the International Organization for Standardization standard ISO/IEC 17025:1999. Prior to collecting the samples, the new ethanol facility shall notify the department which may observe the sampling procedures utilized by the new ethanol facility to obtain the samples to be submitted for independent analysis. The minimum rate shall be established for a period of at least thirty days. In this regard, the new ethanol facility must produce at least eight thousand two hundred nineteen gallons of ethanol within a thirty-day period. The ethanol must be finished product which is ready for sale to customers.

(b) For purposes of this subsection, new ethanol facility means a facility for the conversion of grain or other raw feedstock into ethanol and other byproducts of ethanol production which (i) is not in production on or before September 1, 2001, or (ii) has not received credits prior to June 1, 1999. A new ethanol

facility does not mean an expansion of an existing ethanol plant that does not result in the physical construction of an entire ethanol processing facility or which shares or uses in a significant manner any existing plant's systems or processes and does not include the expansion of production capacity constructed after June 30, 2004, of a plant qualifying for credits under this subsection. This definition applies to contracts entered into after April 16, 2004.

(c) Not more than fifteen million six hundred twenty-five thousand gallons of ethanol produced annually at an ethanol facility shall be eligible for credits under this subsection. Not more than one hundred twenty-five million gallons of ethanol produced at an ethanol facility by the end of the ninety-six-consecutive-month period or forty-eight-consecutive-month period set forth in this subsection shall be eligible for credits under this subsection.

(3) The credits described in this section shall be given only for ethanol produced at a plant in Nebraska at which all fermentation, distillation, and dehydration takes place. No credit shall be given on ethanol produced for or sold for use in the production of beverage alcohol. Not more than ten million gallons of ethanol produced during any twelve-consecutive-month period at an ethanol facility shall be eligible for the credit described in subsection (1) of this section. The credits described in this section shall be in the form of a nonrefundable, transferable motor vehicle fuel tax credit certificate. No transfer of credits will be allowed between the ethanol producer and motor vehicle fuel licensees who are related parties.

(4) Ethanol production eligible for credits under this section shall be measured by a device approved by the Division of Weights and Measures of the Department of Agriculture. Confirmation of approval by the division shall be provided by the ethanol facility at the time the initial claim for credits provided under this section is submitted to the Department of Revenue and annually thereafter. Claims submitted by the ethanol producer shall be based on the total number of gallons of ethanol produced, before denaturing, during the reporting period measured in gross gallons.

(5) The Department of Revenue shall prescribe an application form and procedures for claiming credits under this section. In order for a claim for credits to be accepted, it must be filed by the ethanol producer within three years of the date the ethanol was produced or by September 30, 2012, whichever occurs first.

(6) Every producer of ethanol shall maintain records similar to those required by section 66-487. The ethanol producer must maintain invoices, meter readings, load-out sheets or documents, inventory records, including work-in-progress, finished goods, and denaturant, and other memoranda requested by the Department of Revenue relevant to the production of ethanol. On an annual basis, the ethanol producer shall also be required to furnish the department with copies of the reports filed with the United States Department of Justice, Bureau of Alcohol, Tobacco, Firearms and Explosives. The maintenance of all of this information in a provable computer format or on microfilm is acceptable in lieu of retention of the original documents. The records must be retained for a period of not less than three years after the claim for ethanol credits is filed.

(7) For purposes of ascertaining the correctness of any application for claiming a credit provided in this section, the Tax Commissioner (a) may examine or cause to have examined, by any agent or representative designated by him or her for that purpose, any books, papers, records, or memoranda

bearing upon such matters, (b) may by summons require the attendance of the person responsible for rendering the application or other document or any officer or employee of such person or the attendance of any other person having knowledge in the premises, and (c) may take testimony and require proof material for his or her information, with power to administer oaths or affirmations to such person or persons. The time and place of examination pursuant to this subsection shall be such time and place as may be fixed by the Tax Commissioner and as are reasonable under the circumstances. In the case of a summons, the date fixed for appearance before the Tax Commissioner shall not be less than twenty days from the time of service of the summons. No taxpayer shall be subjected to unreasonable or unnecessary examinations or investigations. All records obtained pursuant to this subsection shall be subject to the confidentiality requirements and exceptions thereto as provided in section 77-27,119.

(8) To qualify for credits under this section, an ethanol producer shall provide public notice for bids before entering into any contract for the construction of a new ethanol facility. Preference shall be given to a bidder residing in Nebraska when awarding any contract for construction of a new ethanol facility if comparable bids are submitted. For purposes of this subsection, bidder residing in Nebraska means any person, partnership, foreign or domestic limited liability company, association, or corporation authorized to engage in business in the state with employees permanently located in Nebraska. If an ethanol producer enters into a contract for the construction of a new ethanol facility with a bidder who is not a bidder residing in Nebraska, such producer shall demonstrate to the satisfaction of the Department of Revenue in its application for credits that no comparable bid was submitted by a responsible bidder residing in Nebraska. The department shall deny an application for credits if it is determined that the contract was denied to a responsible bidder residing in Nebraska without cause.

(9) The pertinent provisions of Chapter 66, article 7, relating to the administration and imposition of motor fuel taxes shall apply to the administration and imposition of assessments made by the Department of Revenue relating to excess credits claimed by ethanol producers under the Ethanol Development Act. These provisions include, but are not limited to, issuance of a deficiency following an examination of records, an assessment becoming final after sixty days absent a written protest, presumptions regarding the burden of proof, issuance of deficiency within three years of original filing, issuance of notice by registered or certified mail, issuance of penalties and waiver thereof, issuance of interest and waiver thereof, and issuance of corporate officer or employee or limited liability company manager or member assessments. For purposes of determining interest and penalties, the due date will be considered to be the date on which the credits were used by the licensees to whom the credits were transferred.

(10) If a written protest is filed by the ethanol producer with the department within the sixty-day period in subsection (9) of this section, the protest shall: (a) Identify the ethanol producer; (b) identify the proposed assessment which is being protested; (c) set forth each ground under which a redetermination of the department's position is requested together with facts sufficient to acquaint the department with the exact basis thereof; (d) demand the relief to which the ethanol producer considers itself entitled; and (e) request that an evidentiary

hearing be held to determine any issues raised by the protest if the ethanol producer desires such a hearing.

(11) For applications received after April 16, 2004, an ethanol facility receiving benefits under the Ethanol Development Act shall not be eligible for benefits under the Employment and Investment Growth Act, the Invest Nebraska Act, the Nebraska Advantage Act, or the ImagiNE Nebraska Act.

INTERNATIONAL FUEL TAX AGREEMENT ACT

Section

66-1401 Act, how cited.

Sections 66-1401 to 66-1428 shall be known and may be cited as the International Fuel Tax Agreement Act.

Source: Laws 1988, LB 836, § 1; Laws 1996, LB 1218, § 22; Laws 1998, LB 1056, § 3; Laws 2004, LB 983, § 60; Laws 2018, LB177, § 4; Laws 2022, LB750, § 75.

66-1406.02 License; director; powers.

(1) The director may suspend, revoke, cancel, or refuse to issue or renew a license under the International Fuel Tax Agreement Act:

(a) If the applicant's or licensee's registration certificate issued pursuant to the International Registration Plan Act has been suspended, revoked, or canceled or the director refused to issue or renew such certificate;

(b) If the applicant or licensee is in violation of sections 75-392 to 75-3,100;

(c) If the applicant's or licensee's security has been canceled;

(d) If the applicant or licensee failed to provide additional security as required;

(e) If the applicant or licensee failed to file any report or return required by the motor fuel laws, filed an incomplete report or return required by the motor fuel laws, did not file any report or return required by the motor fuel laws electronically, or did not file a report or return required by the motor fuel laws on time;

(f) If the applicant or licensee failed to pay taxes required by the motor fuel laws due within the time provided;

(g) If the applicant or licensee filed any false report, return, statement, or affidavit, required by the motor fuel laws, knowing it to be false;

(h) If the applicant or licensee would no longer be eligible to obtain a license; or

(i) If the applicant or licensee committed any other violation of the International Fuel Tax Agreement Act or the rules and regulations adopted and promulgated under the act.

(2) Prior to taking any action pursuant to subsection (1) of this section, the director shall notify and advise the applicant or licensee of the proposed action and the reasons for such action in writing, by regular United States mail, to his or her last-known business address as shown on the application or license. The notice shall also include an advisement of the procedures in subsection (3) of this section.

(3) The applicant or licensee may, within thirty days after the mailing of the notice, petition the director in writing for a hearing to contest the proposed action. The hearing shall be commenced in accordance with the rules and regulations adopted and promulgated by the Department of Motor Vehicles. If a petition is filed, the director shall, within twenty days after receipt of the petition, set a hearing date at which the applicant or licensee may show cause why the proposed action should not be taken. The director shall give the applicant or licensee reasonable notice of the time and place of the hearing. If the director's decision is adverse to the applicant or licensee, the applicant or licensee may appeal the decision in accordance with the Administrative Procedure Act.

(4) Except as provided in subsection (2) of section 60-3,205 and subsection (8) of this section, the filing of the petition shall stay any action by the director until a hearing is held and a final decision and order is issued.

(5) Except as provided in subsection (2) of section 60-3,205 and subsection (8) of this section, if no petition is filed at the expiration of thirty days after the date on which the notification was mailed, the director may take the proposed action described in the notice.

(6) Except as provided in subsection (2) of section 60-3,205 and subsection (8) of this section, if, in the judgment of the director, the applicant or licensee has complied with or is no longer in violation of the provisions for which the director took action under this section, the director may reinstate the license without delay. An applicant for reinstatement, issuance, or renewal of a license within three years after the date of suspension, revocation, cancellation, or refusal to issue or renew shall submit a fee of one hundred dollars to the director. The director shall remit the fee to the State Treasurer for credit to the Highway Cash Fund.

(7) Suspension of, revocation of, cancellation of, or refusal to issue or renew a license by the director shall not relieve any person from making or filing the reports or returns required by the motor fuel laws in the manner or within the time required.

(8) Any person who receives notice from the director of action taken pursuant to subsection (1) of this section shall, within three business days, return such registration certificate and license plates issued pursuant to section 60-3,198 to the department. If any person fails to return the registration certificate and license plates to the department, the department shall notify the Nebraska State Patrol that any such person is in violation of this section.

66-1421 Filing of amended return; interest; waiver of penalty; waiver of interest.

(1)(a) No penalty shall be imposed upon any person who voluntarily reports an underpayment of tax by filing an amended return if the original return is filed on time.

(b) Except as provided in subsection (3) of this section, interest shall not be waived on any additional tax due as reported on any amended return, and such interest shall be computed from the date such tax was due.

(2) The department may in its discretion waive all or any portion of the penalties incurred upon sufficient showing by the taxpayer that the failure to file or pay is not due to negligence, intentional disregard of the law, rules, or regulations, intentional evasion of the tax, or fraud committed with intent to evade the tax or that such penalties should otherwise be waived.

(3) The department may in its discretion waive any and all interest incurred upon sufficient showing by the taxpayer that such interest should be waived.

66-1424 Department; examine return; deficiency; final assessment; challenge; extension.

(1) As soon as practical after a return is filed, the department shall examine it to determine the correct amount of tax. If the department finds that the amount of tax shown on the return is less than the correct amount, it shall notify the taxpayer of the amount of the deficiency determined.

(2) If any person fails to file a return or has improperly purchased motor fuel without the payment of tax, the department may estimate the person's liability from any available information and notify the person of the amount of the deficiency determined.

(3) The amount of the deficiency determined shall constitute a final assessment together with interest and penalties thirty days after the date on which notice was mailed to the taxpayer at his or her last-known address unless a written protest is filed with the department within such thirty-day period.

(4) The final assessment provisions of this section shall constitute a final decision of the agency for purposes of the Administrative Procedure Act.

(5) An assessment made by the department shall be presumed to be correct. In any case when the validity of the assessment is questioned, the burden shall be on the person who challenges the assessment to establish by a preponderance of the evidence that the assessment is erroneous or excessive.

(6)(a) Except in the case of a fraudulent return or of neglect or refusal to make a return, the notice of a proposed deficiency determination shall be mailed within three years after the last day of the month following the end of the period for which the amount proposed is to be determined or within three years after the return is filed, whichever period expires later.

(b) The taxpayer and the department may agree, prior to the expiration of the period in subdivision (a) of this subsection, to extend the period during which the notice of a deficiency determination can be mailed. The extension of the period for the mailing of a deficiency determination shall also extend the period during which a refund can be claimed.

PETROLEUM RELEASE REMEDIAL ACTION

Section
66-1504. Department, defined.
66-1509. Owner, defined.
66-1518. Rules and regulations; schedule of rates; use.
66-1519. Petroleum Release Remedial Action Cash Fund; created; use; investment.

66-1504 Department, defined.

Department shall mean the Department of Environment and Energy.

Source: Laws 1989, LB 289, § 4; Laws 1993, LB 3, § 38; Laws 2019, LB302, § 80.

66-1509 Owner, defined.

(1) Owner shall mean:

(a) In the case of a tank in use on or after November 8, 1984, or brought into use after such date, any person who owns a tank used for the storage, use, or dispensing of petroleum; and

(b) In the case of a tank in use before November 8, 1984, but no longer in use on such date, any person who owned such tank immediately before the discontinuation of its use.

(2) Owner shall not include a person who, without participating in the management of a tank and otherwise not engaged in petroleum production, refining, and marketing:

(a) Holds indicia of ownership primarily to protect his or her security interest in a tank or a lienhold interest in the property on or within which a tank is or was located; or

(b) Acquires ownership of a tank or the property on or within which a tank is or was located:

(i) Pursuant to a foreclosure of a security interest in the tank or of a lienhold interest in the property; or

(ii) If the tank or the property was security for an extension of credit previously contracted, pursuant to a sale under judgment or decree, pursuant to a conveyance under a power of sale contained within a trust deed or from a trustee, or pursuant to an assignment or deed in lieu of foreclosure.

(3) Ownership of a tank or the property on or within which a tank is or was located shall not be acquired by a voidable transfer, as provided in the Uniform Voidable Transactions Act.

66-1518 Rules and regulations; schedule of rates; use.

(1) The Environmental Quality Council shall adopt and promulgate rules and regulations governing reimbursements authorized under the Petroleum Release Remedial Action Act. Such rules and regulations shall include:

(a) Procedures regarding the form and procedure for application for payment or reimbursement from the fund, including the requirement for timely filing of applications;

(b) Procedures for the requirement of submitting cost estimates for phases or stages of remedial actions, procurement requirements to be followed by responsible persons, and requirements for reuse of fixtures and tangible personal property by responsible persons during a remedial action;

(c) Procedures for investigation of claims for payment or reimbursement;

(d) Procedures for determining the amount and type of costs that are eligible for payment or reimbursement from the fund;

(e) Procedures for auditing persons who have received payments from the fund;

(f) Procedures for reducing reimbursements made for a remedial action for failure by the responsible person to comply with applicable statutory or regulatory requirements. Reimbursement may be reduced as much as one hundred percent; and

(g) Other procedures necessary to carry out the act.

(2) The Director of Environment and Energy shall (a) estimate the cost to complete remedial action at each petroleum contaminated site where the responsible party has been ordered by the department to begin remedial action, and, based on such estimates, determine the total cost that would be incurred in completing all remedial actions ordered; (b) determine the total estimated cost of all approved remedial actions; (c) determine the total dollar amount of all pending claims for payment or reimbursement; (d) determine the total of all funds available for reimbursement of pending claims; and (e) include the determinations made pursuant to this subsection in the department's annual report to the Legislature.

(3) The Department of Environment and Energy shall make available to the public a current schedule of reasonable rates for equipment, services, material, and personnel commonly used for remedial action. The department shall consider the schedule of reasonable rates in reviewing all costs for the remedial action which are submitted in a plan. The rates shall be used to determine the amount of reimbursement for the eligible and reasonable costs of the remedial action, except that (a) the reimbursement for the costs of the remedial action shall not exceed the actual eligible and reasonable costs incurred by the responsible person or his or her designated representative and (b) reimbursement may be made for costs which exceed or are not included on the schedule of reasonable rates if the application for such reimbursement is accompanied by sufficient evidence for the department to determine and the department does determine that such costs are reasonable.

66-1519 Petroleum Release Remedial Action Cash Fund; created; use; investment.

(1) There is hereby created the Petroleum Release Remedial Action Cash Fund to be administered by the department. Revenue from the following sources shall be remitted to the State Treasurer for credit to the fund:

(a) The fees imposed by sections 66-1520 and 66-1521;

(b) Money paid under an agreement, stipulation, cost-recovery award under section 66-1529.02, or settlement; and

(c) Money received by the department in the form of gifts, grants, reimbursements, property liquidations, or appropriations from any source intended to be used for the purposes of the fund.

(2) Money in the fund may be spent for: (a) Reimbursement for the costs of remedial action by a responsible person or his or her designated representative and costs of remedial action undertaken by the department in response to a release first reported after July 17, 1983, and on or before June 30, 2028, including reimbursement for damages caused by the department or a person acting at the department's direction while investigating or inspecting or during remedial action on property other than property on which a release or suspected release has occurred; (b) payment of any amount due from a third-party claim; (c) fee collection expenses incurred by the State Fire Marshal; (d) direct expenses incurred by the department in carrying out the Petroleum Release Remedial Action Act; (e) other costs related to fixtures and tangible personal property as provided in section 66-1529.01; (f) interest payments as allowed by section 66-1524; (g) claims approved by the State Claims Board authorized under section 66-1531; (h) the direct and indirect costs incurred by the department in responding to spills and other environmental emergencies related to petroleum or petroleum products; and (i) up to one million five hundred thousand dollars each fiscal year of the department's cost-share obligations and operation and maintenance obligations under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. 9601 et seq.

(3) Transfers may be made from the Petroleum Release Remedial Action Cash Fund to the Superfund Cost Share Cash Fund at the direction of the Legislature.

(4) Any money in the Petroleum Release Remedial Action Cash Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Investment earnings on and after April 16, 2024, shall be credited to the fund.

66-1521 Petroleum release remedial action fee; amount; license required; filing; violation; penalty; Department of Revenue; powers and duties; Petroleum Release Remedial Action Collection Fund; created; use; investment.

(1) A petroleum release remedial action fee is hereby imposed upon the producer, refiner, importer, distributor, wholesaler, or supplier who engages in the sale, distribution, delivery, and use of petroleum within this state, except that the fee shall not be imposed on petroleum that is exported. The fee shall also be imposed on diesel fuel which is indelibly dyed. The amount of the fee shall be nine-tenths of one cent per gallon on motor vehicle fuel as defined in section 66-482 and three-tenths of one cent per gallon on diesel fuel as defined in section 66-482. The amount of the fee shall be used first for payment of claims approved by the State Claims Board pursuant to section 66-1531; second, up to three million dollars of the fee per year shall be used for reimbursement of owners and operators under the Petroleum Release Remedial Action Act for investigations of releases ordered pursuant to section 81-15,124; and third, the remainder of the fee shall be used for any other purpose authorized by section 66-1519. The fee shall be paid by all producers, refiners, importers, distributors, wholesalers, and suppliers subject to the fee by filing a monthly return on or before the twentieth day of the calendar month following the monthly period to which it relates. The pertinent provisions, specifically including penalty provisions, of the motor fuel laws as defined in section 66-712 shall apply to the administration and collection of the fee except for the treatment given refunds. There shall be a refund allowed on any fee paid on petroleum which was taxed and then exported, destroyed, or purchased for use by the United States Government or its agencies. The department may also adjust for all errors in the payment of the fee. In each calendar year, no claim for refund related to the fee can be for an amount less than ten dollars.

(2) No producer, refiner, importer, distributor, wholesaler, or supplier shall engage in the sale, distribution, delivery, or use of petroleum in this state without having first obtained a petroleum release remedial action license. Application for a license shall be made to the Department of Revenue upon a form prepared and furnished by the Department of Revenue. If the applicant is an individual, the application shall include the applicant's social security number. Failure to obtain a license prior to engaging in the sale, distribution, delivery, or use of petroleum shall be a Class IV misdemeanor. The Department of Revenue may suspend or cancel the license of any producer, refiner, importer, distributor, wholesaler, or supplier who fails to pay the fee imposed by subsection (1) of this section in the same manner as licenses are suspended or canceled pursuant to section 66-720.

(3) The Department of Revenue may adopt and promulgate rules and regulations necessary to carry out this section.

(4) The Department of Revenue shall deduct and withhold from the petroleum release remedial action fee collected pursuant to this section an amount sufficient to reimburse the direct costs of collecting and administering the petroleum release remedial action fee. Such costs shall not exceed one hundred fifty thousand dollars for each fiscal year. The one hundred fifty thousand dollars shall be prorated, based on the number of months the fee is collected,

whenever the fee is collected for only a portion of a year. The amount deducted and withheld for costs shall be deposited in the Petroleum Release Remedial Action Collection Fund which is hereby created. The Petroleum Release Remedial Action Collection Fund shall be appropriated to the Department of Revenue, except that transfers may be made from the fund to the General Fund at the direction of the Legislature. Any money in the Petroleum Release Remedial Action Collection Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(5) The Department of Revenue shall collect the fee imposed by subsection (1) of this section.

66-1523 Reimbursement; amount; limitations; Prompt Payment Act applicable.

(1) Except as provided in subsection (2) of this section, the department shall provide reimbursement from the fund in accordance with section 66-1525 to eligible responsible persons for the cost of remedial action for releases reported after July 17, 1983, and on or before June 30, 2028, and for the cost of paying third-party claims. The reimbursement for the cost of remedial action shall not exceed nine hundred seventy-five thousand dollars per occurrence. The total of the claims paid under section 66-1531 and the reimbursement for third-party claims shall not exceed one million dollars per occurrence. The responsible person shall pay the first ten thousand dollars of the cost of the remedial action or third-party claim, twenty-five percent of the remaining cost of the remedial action or third-party claim not to exceed fifteen thousand dollars, and the amount of any reduction authorized under subsection (5) of section 66-1525. If the department determines that a responsible person was ordered to take remedial action for a release which was later found to be from a tank not owned or operated by such person, (a) such person shall be fully reimbursed and shall not be required to pay the first cost or percent of the remaining cost as provided in this subsection and (b) the first cost and percent of the remaining cost not required to be paid by the person ordered to take remedial action shall be paid to the fund as a cost of remedial action by the owner or operator of the tank found to be the cause of the release. In no event shall reimbursements or payments from the fund exceed the annual aggregate of one million nine hundred seventy-five thousand dollars per responsible person. Reimbursement of a cost incurred as a result of a suspension ordered by the department shall not be limited by this subsection if the suspension was caused by insufficiency in the fund to provide reimbursement.

(2) Upon the determination by the department that the responsible person sold no less than two thousand gallons of petroleum and no more than two

hundred fifty thousand gallons of petroleum during the calendar year immediately preceding the first report of the release or stored less than ten thousand gallons of petroleum in the calendar year immediately preceding the first report of the release, the department shall provide reimbursement from the fund in accordance with section 66-1525 to such an eligible person for the cost of remedial action for releases reported after July 17, 1983, and on or before June 30, 2028, and for the cost of paying third-party claims. The reimbursement for the cost of remedial action shall not exceed nine hundred eighty-five thousand dollars per occurrence. The total of the claims paid under section 66-1531 and the reimbursement for third-party claims shall not exceed one million dollars per occurrence. The responsible person shall pay the first five thousand dollars of the cost of the remedial action or third-party claim, twenty-five percent of the remaining cost of the remedial action or third-party claim not to exceed ten thousand dollars, and the amount of any reduction authorized under subsection (5) of section 66-1525. If the department determines that a responsible person was ordered to take remedial action for a release which was later found to be from a tank not owned or operated by such person, (a) such person shall be fully reimbursed and shall not be required to pay the first cost or percent of the remaining cost as provided in this subsection and (b) the first cost and percent of the remaining cost not required to be paid by the person ordered to take remedial action shall be paid to the fund as a cost of remedial action by the owner or operator of the tank found to be the cause of the release. In no event shall reimbursements or payments from the fund exceed the annual aggregate of one million nine hundred eighty-five thousand dollars per responsible person. Reimbursement of a cost incurred as a result of a suspension ordered by the department shall not be limited by this subsection if the suspension was caused by insufficiency in the fund to provide reimbursement.

(3) The department may make partial reimbursement during the time that remedial action is being taken if the department is satisfied that the remedial action being taken is as required by the department.

(4) If the fund is insufficient for any reason to reimburse the amount set forth in this section, the maximum amount that the fund shall be required to reimburse is the amount in the fund. If reimbursements approved by the department exceed the amount in the fund, reimbursements with interest shall be made when the fund is sufficiently replenished in the order in which the applications for them were received by the department, except that an application pending before the department on January 1, 1996, submitted by a local government as defined in section 13-2202 shall, after July 1, 1996, be reimbursed first when funds are available. This exception applies only to local government applications pending on and not submitted after January 1, 1996.

(5) Applications for reimbursement properly made before, on, or after April 16, 1996, shall be considered bills for goods or services provided for third parties for purposes of the Prompt Payment Act.

(6) There shall be no reimbursement from the fund for the cost of remedial action or for the cost of paying third-party claims for any releases reported on or after July 1, 2028.

(7) For purposes of this section, occurrence shall mean an accident, including continuous or repeated exposure to conditions, which results in a release from a tank.

66-1525 Reimbursement; application; procedure; State Fire Marshal; duties; reduction of reimbursement; notification required.

(1) Any responsible person or his or her designated representative who has taken remedial action in response to a release first reported after July 17, 1983, and on or before June 30, 2028, or against whom there is a third-party claim may apply to the department under the rules and regulations adopted and promulgated pursuant to section 66-1518 for reimbursement for the costs of the remedial action or third-party claim. Partial payment of such reimbursement to the responsible person may be authorized by the department at the approved stages prior to the completion of remedial action when a remedial action plan has been approved. If any stage is projected to take more than ninety days to complete partial payments may be requested every sixty days. Such partial payment may include the eligible and reasonable costs of such plan or pilot projects conducted during the remedial action.

(2) No reimbursement may be made unless the department makes the following eligibility determinations:

(a) The tank was in substantial compliance with any rules and regulations of the United States Environmental Protection Agency, the State Fire Marshal, and the department which were applicable to the tank. Substantial compliance shall be determined by the department taking into consideration the purposes of the Petroleum Release Remedial Action Act and the adverse effect that any violation of the rules and regulations may have had on the tank thereby causing or contributing to the release and the extent of the remedial action thereby required;

(b) Either the State Fire Marshal or the department was given notice of the release in substantial compliance with the rules and regulations adopted and promulgated pursuant to the Environmental Protection Act and the Petroleum Products and Hazardous Substances Storage and Handling Act. Substantial compliance shall be determined by the department taking into consideration the purposes of the Petroleum Release Remedial Action Act and the adverse effect that any violation of the notice provisions of the rules and regulations may have had on the remedial action being taken in a prompt, effective, and efficient manner;

(c) The responsible person reasonably cooperated with the department and the State Fire Marshal in responding to the release;

(d) The department has approved the plan submitted by the responsible person for the remedial action in accordance with rules and regulations adopted and promulgated by the department pursuant to the Environmental Protection Act or the Petroleum Products and Hazardous Substances Storage and Handling Act or that portion of the plan for which payment or reimbursement is requested. However, responsible persons may undertake remedial action prior to approval of a plan by the department or during the time that

remedial action at a site was suspended at any time after April 1995 because the fund was insufficient to pay reimbursements and be eligible for reimbursement at a later time if the responsible person complies with procedures provided to the responsible party by the department or set out in rules and regulations adopted and promulgated by the Environmental Quality Council;

(e) The costs for the remedial action were actually incurred by the responsible person or his or her designated representative after May 27, 1989, and were eligible and reasonable;

(f) If reimbursement for a third-party claim is involved, the cause of action for the third-party claim accrued after April 26, 1991, and the Attorney General was notified by any person of the service of summons for the action within ten days of such service; and

(g) The responsible person or his or her designated representative has paid the amount specified in subsection (1) or (2) of section 66-1523.

(3) The State Fire Marshal shall review each application prior to consideration by the department and provide to the department any information the State Fire Marshal deems relevant to subdivisions (2)(a) through (g) of this section. The State Fire Marshal shall issue a determination with respect to an applicant's compliance with rules and regulations adopted and promulgated by the State Fire Marshal. The State Fire Marshal shall issue a compliance determination to the department within thirty days after receiving an application from the department.

(4) The department may withhold taking action on an application during the pendency of an enforcement action by the state or federal government related to the tank or a release from the tank.

(5) Reimbursements made for a remedial action may be reduced as much as one hundred percent for failure by the responsible person to comply with applicable statutory or regulatory requirements. In determining the amount of the reimbursement reduction, the department shall consider:

(a) The extent of and reasons for noncompliance;

(b) The likely environmental impact of the noncompliance; and

(c) Whether noncompliance was negligent, knowing, or willful.

(6) Except as provided in subsection (4) of this section, the department shall notify the responsible person of its approval or denial of the remedial action plan within one hundred twenty days after receipt of a remedial action plan which contains all the required information. If after one hundred twenty days the department fails to either deny, approve, or amend the remedial action plan submitted, the proposed plan shall be deemed approved. If the remedial action plan is denied, the department shall provide the reasons for such denial.

66-1529.02 Remedial actions by department; third-party claims; recovery of expenses.

(1) The department may undertake remedial actions in response to a release first reported after July 17, 1983, and on or before June 30, 2028, with money available in the fund if:

(a) The responsible person cannot be identified or located;

(b) An identified responsible person cannot or will not comply with the remedial action requirements; or

(c) Immediate remedial action is necessary, as determined by the Director of Environment and Energy, to protect human health or the environment.

(2) The department may pay the costs of a third-party claim meeting the requirements of subdivision (2)(f) of section 66-1525 with money available in the fund if the responsible person cannot or will not pay the third-party claim.

(3) Reimbursement for any damages caused by the department or a person acting at the department's direction while investigating or inspecting or during remedial action on property other than property on which a release or suspected release has occurred shall be considered as part of the cost of remedial action involving the site where the release or suspected release occurred. The costs shall be reimbursed from money available in the fund. If such reimbursement is deemed inadequate by the party claiming the damages, the party's claim for damages caused by the department shall be filed as provided in section 76-705.

(4) All expenses paid from the fund under this section, court costs, and attorney's fees may be recovered in a civil action in the district court of Lancaster County. The action may be brought by the county attorney or Attorney General at the request of the director against the responsible person. All recovered expenses shall be deposited into the fund.

NATURAL GAS FUEL BOARD

Section
66-2001. Natural Gas Fuel Board; established; members; terms; vacancy; meetings; duties; Department of Environment and Energy; administrative support.

66-2001 Natural Gas Fuel Board; established; members; terms; vacancy; meetings; duties; Department of Environment and Energy; administrative support.

(1) The Natural Gas Fuel Board is hereby established to advise the Department of Environment and Energy regarding the promotion of natural gas as a

motor vehicle fuel in Nebraska. The board shall provide recommendations relating to:

(a) Distribution, infrastructure, and workforce development for natural gas to be used as a motor vehicle fuel;

(b) Loans, grants, and tax incentives to encourage the use of natural gas as a motor vehicle fuel for individuals and public and private fleets; and

(c) Such other matters as it deems appropriate.

(2) The board shall consist of eight members appointed by the Governor. The Governor shall make the initial appointments by October 1, 2012. The board shall include:

(a) One member representing a jurisdictional utility as defined in section 66-1802;

(b) One member representing a metropolitan utilities district;

(c) One member representing the interests of the transportation industry in the state;

(d) One member representing the interests of the business community in the state, specifically fueling station owners or operators;

(e) One member representing natural gas marketers or pipelines in the state;

(f) One member representing automobile dealerships or repair businesses in the state;

(g) One member representing labor interests in the state; and

(h) One member representing environmental interests in the state, specifically air quality.

(3) All appointments shall be subject to the approval of a majority of the members of the Legislature if the Legislature is in session, and if the Legislature is not in session, any appointment to fill a vacancy shall be temporary until the next session of the Legislature, at which time a majority of the members of the Legislature may approve or disapprove such appointment.

(4) Members shall be appointed for terms of four years, except that of the initial appointees the terms of the members representing a jurisdictional utility and a metropolitan utilities district shall expire on September 30, 2015, the terms of the members representing the transportation industry, the business community, natural gas marketers or pipelines, and automobile dealerships or repair businesses shall expire on September 30, 2014, and the terms of the members representing labor and environmental interests shall expire on September 30, 2013. Members may be reappointed. A member shall serve until a successor is appointed and qualified.

(5) A vacancy on the board shall exist in the event of death, disability, resignation, or removal for cause of a member. Any vacancy on the board arising other than from the expiration of a term shall be filled by appointment for the unexpired portion of the term. An appointment to fill a vacancy shall be made by the Governor with the approval of a majority of the Legislature, and any person so appointed shall have the same qualifications as the person whom he or she succeeds.

(6) The board shall meet at least once annually.

(7) The members shall not be reimbursed for expenses associated with carrying out their duties as members.

(8) The department shall provide administrative support to the board as necessary so that the board may carry out its duties.

(a) RENEWABLE FUEL INFRASTRUCTURE PROGRAM

66-2201 Terms, defined.

For purposes of sections 66-2201 to 66-2207:

(1) Department means the Department of Environment and Energy;

(2) E-15 means a blend of ethanol and gasoline in which ethanol comprises fifteen percent of the blend by volume;

(3) E-85 means a blend of ethanol and gasoline in which ethanol comprises seventy percent or more of the blend by volume;

(4) Motor fuel pump means a meter or similar commercial weighing and measuring device used to measure and dispense motor fuel originating from a motor fuel storage tank;

(5) Program means the Renewable Fuel Infrastructure Program created in section 66-2202;

(6) Retail dealer means a person engaged in the business of storing and dispensing motor fuel from a motor fuel pump for sale on a retail basis; and

(7) Retail motor fuel site means a geographic location in this state where a retail dealer sells and dispenses motor fuel from a motor fuel pump on a retail basis.

Source: Laws 2019, LB585, § 1.

66-2202 Renewable Fuel Infrastructure Program; created.

The Renewable Fuel Infrastructure Program is created. The purpose of the program is to improve retail motor fuel sites by installing, replacing, or converting ethanol infrastructure to be used to store, blend, or dispense renewable fuel. The program shall function as a grant program administered by the department. Grant applications shall be made on a form prescribed by the department. Grant funds shall be distributed to eligible persons for eligible ethanol infrastructure projects under the requirements in section 66-2203.

Source: Laws 2019, LB585, § 2.

66-2203 Grant; application; ethanol infrastructure project; eligibility for grant.

(1) A person shall be eligible to apply for a grant under the program if the person is an owner or operator of a retail motor fuel site.

(2) An ethanol infrastructure project shall be eligible for a grant under the program if such project is:

(a) Designed and used exclusively to store and dispense E-15 gasoline or E-85 gasoline or a blend of ethanol and gasoline from a motor fuel pump designed to blend such motor fuels together in blends higher than E-15. Such E-15 gasoline shall be a registered fuel recognized by the United States Environmental Protection Agency;

(b) On the premises of a retail motor fuel site; and

(c) Subject to a cost-share agreement as described in section 66-2205.

(3) An ethanol infrastructure project shall not be eligible for a grant under the program if such infrastructure includes a tank vehicle.

Source: Laws 2019, LB585, § 3.

66-2204 Application; contents.

Any eligible person applying for a grant under the program shall include the following information in the application:

(1) The name of the person and the address of the retail motor fuel site to be improved;

(2) A detailed description of the infrastructure to be installed, replaced, or converted, including, but not limited to, the model number of each motor fuel storage tank to be installed, replaced, or converted, if available;

(3) A statement describing how the retail motor fuel site is to be improved, the estimated cost of the planned improvement, and the date when the infrastructure will be first used; and

(4) A statement certifying the infrastructure project complies with section 66-2203 and will comply with a cost-share agreement entered into with the department pursuant to section 66-2205 unless granted a waiver by the department.

Source: Laws 2019, LB585, § 4.

66-2205 Department; determine amount of grants; cost-share agreement; award; limitation.

(1) The department shall determine the amount of the grants to be awarded under the program. The department shall award grants to the maximum number of qualified applicants and may approve up to one million dollars in grants in any calendar year.

(2) The department shall approve and execute a cost-share agreement according to terms and conditions set by the department with an eligible person whose application is approved by the department for such grant. Such cost-share agreement shall state the total costs related to improving a retail motor fuel site, the amount of the grant, and whether the agreement is for a three-year or five-year period.

(3) In awarding grants under the program, an award shall not exceed (a) fifty percent of the estimated cost of the improvement or thirty thousand dollars, whichever is less, for a three-year cost-share agreement, or (b) seventy percent of the estimated costs of making the improvement or fifty thousand dollars, whichever is less, for a five-year cost-share agreement. The department may approve multiple improvements to the same retail motor fuel site so long as the total amount of the grants does not exceed the limitations in this subsection.

Source: Laws 2019, LB585, § 5.

66-2206 Retail motor fuel site; requirements.

A retail motor fuel site that is improved using grants under the program shall comply with federal and state standards governing new or upgraded motor fuel storage tanks used to store and dispense renewable fuels. A retail motor fuel site that is improved using grants under the program shall not use such infrastructure to store and dispense motor fuel other than the type of renewable fuel approved by the department in the cost-share agreement, unless granted a waiver by the department.

Source: Laws 2019, LB585, § 6.

66-2207 Renewable Fuel Infrastructure Fund; created; use; investment.

The Renewable Fuel Infrastructure Fund is created. The fund shall consist of appropriations made by the Legislature, transfers authorized by the Legislature, grants, and any contributions designated for the purpose of the fund. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. The fund shall be administered by the department and used to award grants under the program. No more than ten percent of the fund shall be used for administration of the program.

(1) Department means the Department of Agriculture;

(2) Director means the Director of Agriculture;

(3) E-15 access standard means the requirements described in subsections (1) and (2) of section 66-2211;

(4) E-15 gasoline means a classification of ethanol blended gasoline formulated with a percentage of more than ten percent but no more than fifteen percent by volume of ethanol;

(5) Ethanol has the same meaning as agricultural ethyl alcohol as defined in section 66-482;

(6) Motor fuel means all products and fuel commonly or commercially known as gasoline, including ethanol and the various ethanol and gasoline blends;

(7) Motor fuel dispenser means equipment that is the part of motor fuel storage and dispensing infrastructure that includes mechanical or electrical systems that operate a motor fuel pump dispensing motor fuel from a motor fuel storage tank to the end point of the equipment's nozzle;

(8) Motor fuel pump means the part of motor fuel storage and dispensing infrastructure that is a meter or similar commercial weighing and measuring device used to measure and dispense motor fuel originating from a motor fuel storage tank, on a retail basis;

(9)(a) Motor fuel storage and dispensing infrastructure means equipment used to:

(i) Store and dispense motor fuel; or

(ii) Store, blend, and dispense motor fuel.

(b) Motor fuel storage and dispensing infrastructure includes, but is not limited to, motor fuel storage tanks, motor fuel pumps, and motor fuel dispensers. Motor fuel storage and dispensing infrastructure does not include signage not located on the motor fuel dispenser or motor fuel pump;

(10) Motor fuel storage tank means the part of motor fuel storage and dispensing infrastructure that includes an aboveground or belowground container constituting a fixture used to store an accumulation of motor fuel;

(11) Nonqualifying motor fuel dispenser means:

(a) A dispenser that exclusively dispenses any of the following:

(i) Aviation fuel;

(ii) Diesel fuel;

(iii) Kerosene; or

(iv) Diesel exhaust fluid;

(b) A dispenser that is part of a tank vehicle as defined in section 60-4,131 that is not used to dispense motor fuel on the premises of the retail motor fuel site; or

(c) A dispenser that is part of a commercial marina;

(12) Qualifying motor fuel dispenser means a motor fuel dispenser that is capable of dispensing motor fuel at all times that it is in operation. The term does not include nonqualifying motor fuel dispensers;

(13) Retail dealer means a person engaged in the business of storing and dispensing motor fuel from a motor fuel pump for sale on a retail basis; and

(14) Retail motor fuel site means a geographic location in this state where a retail dealer sells and dispenses motor fuel on a retail basis.

Effective date July 19, 2024.

66-2211 Retail motor fuel site; motor fuel storage and dispensing infrastructure; new or replacement; retail dealer; requirements.

(1) Beginning January 1, 2024, if a retail dealer constructs a new retail motor fuel site or cumulatively from such date replaces more than eighty percent of the motor fuel storage and dispensing infrastructure located at an existing retail motor fuel site, the retail dealer shall advertise for sale and sell E-15 gasoline from at least fifty percent of all qualifying motor fuel dispensers located at such retail motor fuel site unless the retail dealer has filed a statement with the department under section 66-2215 in which the retail dealer swears or affirms that the retail motor fuel site qualifies as a small retail motor fuel site.

(2) If the statewide ethanol blend rate for 2027 is below fourteen percent as determined pursuant to section 66-2216 and the retail motor fuel site is not a retail motor fuel site described in subsection (1) of this section, then beginning January 1, 2028, the retail dealer shall advertise for sale and sell E-15 gasoline from at least one qualifying motor fuel dispenser located at such retail motor fuel site unless:

(a) A waiver has been issued under section 66-2213 because the motor fuel storage and dispensing infrastructure located at the retail motor fuel site is not compatible with the use of E-15 gasoline;

(b) The retail motor fuel site is exempt under section 66-2214 because all of the motor fuel storage tanks located at such site are listed with the State Fire Marshal as described in section 66-2214; or

(c) The retail dealer has filed a statement with the department under section 66-2215 in which the retail dealer swears or affirms that the retail motor fuel site qualifies as a small retail motor fuel site.

(3) A retail dealer owning or operating a retail motor fuel site is not prohibited from advertising for sale and selling motor fuel from any number of nonqualifying motor fuel dispensers.

(4) It is not a violation of this section if a retail dealer is out of compliance with this section while (a) temporarily maintaining, repairing, or reconditioning motor fuel storage and dispensing infrastructure or (b) temporarily installing, expanding, replacing, or converting motor fuel storage and dispensing infrastructure. The department may require that a retail dealer notify the

department in advance of such actions, and the department may inspect the retail motor fuel site to determine if a violation occurred.

Effective date July 19, 2024.

66-2212 Governor; executive order suspending E-15 access standard, when.

The Governor may issue or renew an executive order that temporarily suspends the E-15 access standard if there is an inadequate supply of E-15 gasoline or the market price of E-15 gasoline may cause consumers to suffer economic hardship.

Source: Laws 2023, LB562, § 5.

66-2213 Waiver; application; administrative order; issuance; termination.

(1) The director shall issue an administrative order that waives the requirement that a retail dealer comply with subsection (2) of section 66-2211 at a retail motor fuel site owned or operated by the retail dealer if the retail motor fuel site qualifies under this section based on the fact that the motor fuel storage and dispensing infrastructure located at such site is not compatible with the use of E-15 gasoline.

(2) A retail dealer may apply for a waiver under this section by submitting an application to the department in a manner prescribed by the department.

(3) The application shall be supported by credible evidence that the retail dealer is unable to comply with subsection (2) of section 66-2211 because the motor fuel storage and dispensing infrastructure located at the retail motor fuel site is not compatible with the use of E-15 gasoline and the cost to replace the motor fuel storage and dispensing infrastructure would exceed fifteen thousand dollars as determined by a person certified by the department as a professional retail motor fuel site installer. For purposes of this section, motor fuel storage and dispensing infrastructure is compatible with E-15 gasoline if the equipment is included in a list published by an independent testing laboratory for use with E-15 gasoline or the manufacturer of the equipment has issued a written statement of compatibility with E-15 gasoline.

(4) The application shall include an inventory and description of the motor fuel storage and dispensing infrastructure located at the retail motor fuel site.

(5) The department may require a retail dealer to attach any supporting documentation to the application, which may include an inspection report completed by a person certified by the department as a professional retail motor fuel site installer. The certified professional retail motor fuel site installer may be a licensed engineer or other person who the department determines is qualified by education, testing, or experience to oversee a project involving the installation, replacement, or conversion of motor fuel storage and dispensing infrastructure.

(6) The department, in consultation with the State Fire Marshal, shall review and evaluate an application to determine whether it is supported by credible evidence sufficient for the director to issue an order granting a waiver under this section. The department shall approve or disapprove a completed application within one hundred twenty days following the date that the application was submitted to the department.

(7) The retail dealer shall sign the application, which shall include a statement that the retail dealer swears or affirms that all information in the application completed by the retail dealer is true and correct. If a certified professional retail motor fuel site installer completes an inspection report to support an application, the installer shall sign a statement that the installer swears or affirms that all information in the inspection report completed by the installer is true and correct.

(8) The department may inspect the premises of a retail motor fuel site during normal business hours to administer and enforce the provisions of this section.

(9) The department shall publish a copy of each administrative order granting a waiver under this section on the department's website within ten days after the issuance of the order. The order shall take effect on its date of publication, unless the order specifies a later date.

(10)(a) The director shall terminate an administrative order issued under this section if a terminable event has occurred. A terminable event includes any of the following:

(i) The failure of a retail dealer to maintain a valid permit as required under section 89-187.01;

(ii) The cessation of the retail dealer's business of advertising for sale or selling motor fuel at the retail motor fuel site; or

(iii) The installation, replacement, or conversion of a motor fuel storage tank located at the retail motor fuel site.

(b) The department may require that a retail dealer notify the department that a terminable event as described in subdivision (10)(a) of this section is planned to occur, is occurring, or has occurred.

66-2214 Motor fuel storage tanks; requirements; not applicable, when.

Subsection (2) of section 66-2211 shall not apply to a retail motor fuel site if all of the motor fuel storage tanks located at such site are listed with the State Fire Marshal as falling within one of the following categories:

(1) Each motor fuel storage tank not constructed of fiberglass was installed during or prior to 1985; or

(2) Each motor fuel storage tank constructed of fiberglass was installed during or prior to:

(a) For a double-wall fiberglass underground motor fuel storage tank, 1991; or

(b) For a single-wall fiberglass underground motor fuel storage tank, 1996.

Source: Laws 2023, LB562, § 7.

66-2215 Small retail motor fuel site; E-15 access standard; not applicable, when.

(1) The E-15 access standard shall not apply to a retail motor fuel site if the retail dealer provides a statement to the Department of Agriculture in which the retail dealer swears or affirms that the retail motor fuel site qualifies under this section as a small retail motor fuel site. A retail dealer may include multiple retail motor fuel sites in one statement.

(2) For purposes of this section, a retail motor fuel site shall qualify as a small retail motor fuel site if:

(a) The retail motor fuel site has only one qualifying motor fuel dispenser; or

(b) The retail motor fuel site's average annual gasoline gallonage was three hundred thousand gallons or less for the most recent three-year period.

(3) Upon request by the Department of Agriculture, the Department of Revenue shall determine whether or not a particular retail motor fuel site met the average annual gasoline gallonage requirement described in subdivision (2)(b) of this section and shall inform the Department of Agriculture of such determination. The determination shall be based on information for the retail motor fuel site in motor fuel tax returns required to be filed by the retail dealer with the Department of Revenue.

(4) The information received by the Department of Agriculture from the Department of Revenue under subsection (3) of this section shall be confidential and shall be used by the Department of Agriculture for the limited purposes of evaluating a retail dealer's compliance with this section.

(5) The Department of Revenue may adopt and promulgate rules and regulations as needed to carry out this section.

(6) The Department of Agriculture shall publish on its website the number of statements filed with the department under this section and the total number of retail motor fuel sites qualifying as small retail motor fuel sites.

(7) The Department of Agriculture may inspect the premises of a retail motor fuel site during normal business hours to administer and enforce the provisions of this section.

66-2216 Statewide ethanol blend rate; Department of Revenue; Department of Environment and Energy; retail dealers; duties.

Beginning in 2025, the Department of Revenue and the Department of Environment and Energy shall annually issue a joint report that identifies the statewide ethanol blend rate. The statewide ethanol blend rate shall be equal to the average percentage of ethanol contained in each gallon of motor fuel sold in this state. Retail dealers shall provide a quarterly report of the number of gallons of each type of motor fuel sold and the percentage of ethanol in each gallon to the Department of Revenue. Reports to the Department of Revenue shall be submitted on a form and in the manner prescribed by the Department of Revenue.

(a) HYDROGEN HUBS

66-2301 Clean hydrogen hub; legislative findings; Nebraska Hydrogen Hub Industry Work Group; members; duties; appropriations; legislative intent.

(1) The Legislature finds that there is a unique benefit for the state to compete for designation by the United States Department of Energy as a location for a regional clean hydrogen hub. The development of a clean hydrogen hub in the state would provide the potential for significant investments in clean energy production, new infrastructure, and high-paying careers. The Legislature further finds that Nebraska is in a unique position to compete due to its central location, existing clean hydrogen-producing industry, synthetic and biofuels industry, demand for fertilizer used by its large agricultural industry, and railroad and trucking transportation network.

(2)(a) The Department of Economic Development shall create the Nebraska Hydrogen Hub Industry Work Group. The Governor shall appoint members to the work group that include, but are not limited to, representatives from the following sectors: (i) Manufacturing or industry, (ii) agriculture, (iii) transportation, and (iv) energy. The work group may include a representative of a clean hydrogen manufacturer.

(b) The purpose of the work group is to develop and draft a competitive proposal which may be submitted to the United States Department of Energy to be selected as one of the regional clean hydrogen hubs authorized under the federal Infrastructure Investment and Jobs Act, Public Law 117-58.

(c) The Department of Economic Development may contract with private consultants to create the competitive proposal. Specifically, the work group

shall determine how to maximize the state's geographic location to connect a nationwide hydrogen network. Additionally, the work group shall build a plan to make the case for an agricultural-based clean hydrogen hub, expanding the existing eligible purposes.

(3) It is the intent of the Legislature to appropriate two hundred fifty thousand dollars from the General Fund for FY2023-24 and two hundred fifty thousand dollars from the General Fund for FY2024-25 to the Department of Economic Development for the purpose of providing grants to any public power district that serves a majority of the counties in the state to be used for engineering and modeling work to prepare and support the state in competing for one of the United States Department of Energy's regional clean hydrogen hub designations and associated federal funding.

(4) The Department of Economic Development may adopt and promulgate rules and regulations to carry out the grant program described in subsection (3) of this section.

66-2305 Nuclear and Hydrogen Industry Work Group; created; members; per diems; expenses.

(1) The department shall create the Nuclear and Hydrogen Industry Work Group.

(2) The work group shall consist of the following twelve members:

(a) One representative of the Nebraska community college system;

(b) One representative of the Nebraska state college system;

(c) Two representatives of the nuclear industry;

(d) Two representatives of the hydrogen industry;

(e) One representative of a public power district;

(f) Two at-large members;

(g) The Director of Economic Development or a designee of the director;

(h) The chairperson of the Natural Resources Committee of the Legislature or a designee of the chairperson; and

(i) The chairperson of the Government, Military and Veterans Affairs Committee of the Legislature or a designee of the chairperson.

(3) The work group members described in subdivisions (2)(a) through (f) of this section shall be appointed by the Governor. The work group members described in subdivisions (2)(h) and (i) of this section shall serve as ex officio, nonvoting members.

(4)(a) Each work group member described in subdivisions (2)(a) through (f) of this section may receive a per diem of sixty dollars for each day such member attends a meeting of the work group or is engaged in matters concerning the work group, except that no work group member shall receive more than one thousand dollars in per diems per year under this subdivision.

(b) Each such work group member shall be reimbursed for travel and lodging expenses for the performance of such member's duties while carrying out the Nuclear and Hydrogen Development Act as provided in sections 81-1174 to 81-1177 to be paid out of the Nuclear and Hydrogen Development Fund.

66-2307 Education training courses; grants to community colleges and state colleges.

The department shall establish procedures and criteria for awarding grants to community colleges and state colleges that implement education training courses designed to alleviate the workforce training needs of the nuclear and hydrogen industries based on the recommendations of the work group. The grants awarded by the department shall be used for equipment, curriculum, programming, or marketing needed to provide such education training courses.

66-2308 Nuclear and Hydrogen Development Fund; created; use.

(1) The Nuclear and Hydrogen Development Fund is created. The department shall administer the fund to provide per diems and travel and lodging reimbursement to members of the work group as provided under section 66-2305. The fund shall consist of money transferred by the Legislature. The State Treasurer shall transfer two hundred thousand dollars to the fund from the General Fund as soon as administratively possible after May 27, 2023.

(2) The Nuclear and Hydrogen Development Fund terminates on July 31, 2028, and the State Treasurer shall transfer any money in the fund on such date to the General Fund.

SOCIAL SECURITY

Section
68-621. Terms, defined.

68-621 Terms, defined.

For purposes of sections 68-621 to 68-630:

(1) Referendum group means the employees of the state, a single political subdivision of this state, or any instrumentality jointly created by this state and any other state or states, the employees of which are or may be members of a retirement system covering such employees, except that: (a) The employees of the University of Nebraska shall constitute a referendum group; (b) the employees of a Class V school district shall constitute a referendum group; (c) all employees of the State of Nebraska who are or may be members of the School Employees Retirement System of the State of Nebraska, including employees of institutions operated by the Board of Trustees of the Nebraska State Colleges, employees of institutions operated by the Department of Correctional Services and the Department of Health and Human Services, and employees subordinate to the State Board of Education, shall constitute a referendum group; and (d) all employees of school districts of the State of Nebraska, county superintendents, and county school administrators, who are or may be members of the School Employees Retirement System of the State of Nebraska, shall constitute a single referendum group.

(2) Managing authority means the board, committee, or council having general authority over a political subdivision, university, college, or school district whose employees constitute or are included in a referendum group; the managing authority of the state shall be the Governor; and insofar as sections 68-601 to 68-631 may be applicable to county superintendents and county

school administrators, managing authority means the board of county commissioners or county supervisors of the county in which the county superintendent was elected or with which the county school administrator contracted.

(3) Eligible employees means employees of the state or any political subdivision of the state who at or during the time of voting in a referendum are in positions covered by a retirement system, are members of such retirement system, and were in such positions at the time of giving of the notice of such referendum, as required by sections 68-621 to 68-630, except that no such employee shall be considered an eligible employee if at the time of such voting such employee is in a position to which the state agreement applies.

(4) State agreement means the agreement between the State of Nebraska and the designated officer of the United States of America entered into pursuant to section 68-603.

68-908 Department; powers and duties.

(1) The department shall administer the medical assistance program.

(2) The department may (a) enter into contracts and interagency agreements, (b) adopt and promulgate rules and regulations, (c) adopt fee schedules, (d) apply for and implement waivers and managed care plans for services for eligible recipients, including services under the Nebraska Behavioral Health Services Act, and (e) perform such other activities as necessary and appropriate to carry out its duties under the Medical Assistance Act. A covered item or service as described in section 68-911 that is furnished through a school-based health center, furnished by a provider, and furnished under a managed care

plan pursuant to a waiver does not require prior consultation or referral by a patient's primary care physician to be covered. Any federally qualified health center providing services as a sponsoring facility of a school-based health center shall be reimbursed for such services provided at a school-based health center at the federally qualified health center reimbursement rate.

(3) The department shall maintain the confidentiality of information regarding applicants for or recipients of medical assistance and such information shall only be used for purposes related to administration of the medical assistance program and the provision of such assistance or as otherwise permitted by federal law.

(4) The department shall prepare an annual summary and analysis of the medical assistance program for legislative and public review. The department shall submit a report of such summary and analysis to the Governor and the Legislature electronically no later than December 1 of each year. The annual summary shall include, but not be limited to:

(a) The number and percentage of applications approved and denied;

(b) The number of eligibility determinations, including the number and percentage of those individuals remaining enrolled, terminations, and other determinations;

(c) The number of case closures in the medical assistance program and the Children's Health Insurance Program and the specific reason for the closure broken down by (i) eligibility category, including program type, (ii) local public health district or other geographic area, and (iii) race or ethnicity, if available;

(d) The number of medical assistance program and Children's Health Insurance Program enrollees broken down by (i) eligibility category, including program type, (ii) local public health district or other geographic area, and (iii) race or ethnicity, if available;

(p) Hospice services;

(q) Mental health and substance abuse services;

(r) Hearing screening services for newborn and infant children; and

(s) Administrative expenses related to administrative activities, including outreach services, provided by school districts and educational service units to students who are eligible or potentially eligible for medical assistance.

(3) No later than July 1, 2009, the department shall submit a state plan amendment or waiver to the federal Centers for Medicare and Medicaid Services to provide coverage under the medical assistance program for community-based secure residential and subacute behavioral health services for all eligible recipients, without regard to whether the recipient has been ordered by a mental health board under the Nebraska Mental Health Commitment Act to receive such services.

(4) On or before October 1, 2014, the department, after consultation with the State Department of Education, shall submit a state plan amendment to the federal Centers for Medicare and Medicaid Services, as necessary, to provide that the following are direct reimbursable services when provided by school districts as part of an individualized education program or an individualized family service plan: Early and periodic screening, diagnosis, and treatment services for children; medical transportation services; mental health services; nursing services; occupational therapy services; personal care services; physical therapy services; rehabilitation services; speech therapy and other services for individuals with speech, hearing, or language disorders; and vision-related services.

(5)(a) No later than January 1, 2023, the department shall provide coverage for continuous glucose monitors under the medical assistance program for all eligible recipients who have a prescription for such device.

(b) Effective August 1, 2024, eligible recipients shall include all individuals who meet local coverage determinations, as defined in section 1869(f)(2)(B) of the federal Social Security Act, as amended, as such act existed on January 1, 2024, and shall include individuals with gestational diabetes.

(c) It is the intent of the Legislature that no more than six hundred thousand dollars be appropriated annually from the Medicaid Managed Care Excess Profit Fund, as described in section 68-996, for the purpose of implementing subdivision (5)(b) of this section. Any amount in excess of six hundred thousand dollars shall be funded by the Medicaid Managed Care Excess Profit Fund.

(6) On or before October 1, 2023, the department shall seek federal approval for federal matching funds from the federal Centers for Medicare and Medicaid Services through a state plan amendment or waiver to extend postpartum coverage for beneficiaries from sixty days to at least six months. Nothing in this subsection shall preclude the department from submitting a state plan amendment for twelve months.

(7)(a) No later than October 1, 2025, the department shall submit a medicaid waiver or state plan amendment to the federal Centers for Medicare and Medicaid Services to designate two medical respite facilities to reimburse for services provided to an individual who is:

(i) Homeless; and

(ii) An adult in the expansion population.

(b) For purposes of this subsection:

(i) Adult in the expansion population means an adult (A) described in 42 U.S.C. 1396a(a)(10)(A)(i)(VIII) as such section existed on January 1, 2024, and (B) not otherwise eligible for medicaid as a mandatory categorically needy individual;

(ii) Homeless has the same meaning as provided in 42 U.S.C. 11302 as such section existed on January 1, 2024;

(iii) Medical respite care means short-term housing with supportive medical services; and

(iv) Medical respite facility means a residential facility that provides medical respite care to homeless individuals.

(c) The department shall choose two medical respite facilities, one in a city of the metropolitan class and one in a city of the primary class, best able to serve homeless individuals who are adults in the expansion population.

(d) Once such waiver or state plan amendment is approved, the department shall submit a report to the Health and Human Services Committee of the Legislature on or before November 30 each year, which provides the (i) number of homeless individuals served at each facility, (ii) cost of the program, and (iii) amount of reduction in health care costs due to the program's implementation.

(e) The department may adopt and promulgate rules and regulations to carry out this subsection.

(f) The services described in subdivision (7)(a) of this section shall be funded by the Medicaid Managed Care Excess Profit Fund as described in section 68-996.

(8)(a) No later than January 1, 2025, the department shall provide coverage for an electric personal-use breast pump for every pregnant woman covered under the medical assistance program, or child covered under the medical assistance program if the pregnant woman is not covered, beginning at thirty-six weeks gestation or the child's date of birth, whichever is earlier. The electric personal-use breast pump shall be capable of (i) sufficiently supporting milk supply, (ii) double and single side pumping, and (iii) suction power ranging

from zero mmHg to two hundred fifty mmHg. No later than January 1, 2025, the department shall provide coverage for a minimum of ten lactation consultation visits for every mother covered under the medical assistance program or child covered under the medical assistance program, if the mother is not covered under such program.

(b) It is the intent of the Legislature that the appropriation for lactation consultation visits shall be equal to an amount that is a one hundred forty-five percent rate increase over the current lactation consultation rate paid by the department.

(9)(a) No later than January 1, 2024, the department shall provide coverage, and reimbursement to providers, for all necessary translation and interpretation services for eligible recipients utilizing a medical assistance program service. The department shall take all actions necessary to maximize federal funding to carry out this subsection.

(b) The services described in subdivision (9)(a) of this section shall be funded by the Medicaid Managed Care Excess Profit Fund as described in section 68-996.

68-914 Application for medical assistance; form; department; decision; notice; requirements; appeal.

(1) An applicant for medical assistance shall file an application with the department in a manner and form prescribed by the department. The department shall process each application to determine whether the applicant is eligible for medical assistance. The department shall provide a determination of eligibility for medical assistance in a timely manner in compliance with 42 C.F.R. 435.911, including, but not limited to, a timely determination of eligibility for coverage of an emergency medical condition, such as labor and delivery.

(2) The department shall notify an applicant for or recipient of medical assistance of any decision of the department to deny or discontinue eligibility or to deny or modify medical assistance. Except in the case of an emergency, the notice shall be mailed on the same day as or the day after the decision is made. In addition to mailing the notice, the department may also deliver the notice by any form of electronic communication if the department has the agreement of the recipient to receive such notice by means of such form of electronic communication. Decisions of the department, including the failure of the

department to act with reasonable promptness, may be appealed, and the appeal shall be in accordance with the Administrative Procedure Act.

(3) Notice of a decision to discontinue eligibility or to modify medical assistance shall include an explanation of the proposed action, the reason for the proposed action, the information used to make the decision including specific regulations or laws requiring such action, contact information for personnel of the department to address questions regarding the action, information on the right to appeal, and an explanation of the availability of continued benefits pending such appeal.

68-915 Eligibility.

The following persons shall be eligible for medical assistance:

(1) Dependent children as defined in section 43-504;

(2) Aged, blind, and disabled persons as defined in sections 68-1002 to 68-1005;

(3) Children under nineteen years of age who are eligible under section 1905(a)(i) of the federal Social Security Act;

(4) Persons who are presumptively eligible as allowed under sections 1920 and 1920B of the federal Social Security Act;

(5) Children under nineteen years of age with a family income equal to or less than two hundred percent of the Office of Management and Budget income poverty guideline, as allowed under Title XIX and Title XXI of the federal Social Security Act, without regard to resources, and pregnant women with a family income equal to or less than one hundred eighty-five percent of the Office of Management and Budget income poverty guideline, as allowed under Title XIX and Title XXI of the federal Social Security Act, without regard to resources. Children described in this subdivision and subdivision (6) of this section shall remain eligible for six consecutive months from the date of initial eligibility prior to redetermination of eligibility. The department may review eligibility monthly thereafter pursuant to rules and regulations adopted and promulgated by the department. The department may determine upon such review that a child is ineligible for medical assistance if such child no longer meets eligibility standards established by the department;

(6) For purposes of Title XIX of the federal Social Security Act as provided in subdivision (5) of this section, children with a family income as follows:

(a) Equal to or less than one hundred fifty percent of the Office of Management and Budget income poverty guideline with eligible children one year of age or younger;

(b) Equal to or less than one hundred thirty-three percent of the Office of Management and Budget income poverty guideline with eligible children over one year of age and under six years of age; or

(c) Equal to or less than one hundred percent of the Office of Management and Budget income poverty guideline with eligible children six years of age or older and less than nineteen years of age;

(7) Persons who are medically needy caretaker relatives as allowed under 42 U.S.C. 1396d(a)(ii);

(8) As allowed under 42 U.S.C. 1396a(a)(10)(A)(ii)(XV) and (XVI), disabled persons who have a family income of less than two hundred fifty percent of the Office of Management and Budget income poverty guideline. Such persons shall be subject to payment of premiums as a percentage of family income beginning at not less than two hundred percent of the Office of Management and Budget income poverty guideline. Such premiums shall be graduated based on family income and shall not exceed seven and one-half percent of family income;

(9) As allowed under 42 U.S.C. 1396a(a)(10)(A)(ii), persons who:

(a) Have been screened for breast and cervical cancer under the Centers for Disease Control and Prevention breast and cervical cancer early detection program established under Title XV of the federal Public Health Service Act, 42 U.S.C. 300k et seq., in accordance with the requirements of section 1504 of such act, 42 U.S.C. 300n, and who need treatment for breast or cervical cancer, including precancerous and cancerous conditions of the breast or cervix;

(b) Are not otherwise covered under creditable coverage as defined in section 2701(c) of the federal Public Health Service Act, 42 U.S.C. 300gg-3(c);

(c) Have not attained sixty-five years of age; and

(d) Are not eligible for medical assistance under any mandatory categorically needy eligibility group;

(10) Persons eligible for services described in subsection (3) of section 68-972; and

(11) Persons eligible pursuant to section 68-992.

Except as provided in subdivision (8) of this section and section 68-972, eligibility shall be determined under this section using an income budgetary methodology that determines children's eligibility at no greater than two hundred percent of the Office of Management and Budget income poverty guideline and adult eligibility using adult income standards no greater than the applicable categorical eligibility standards established pursuant to state or federal law. Except as otherwise provided in subdivision (8) of this section, the department shall determine eligibility under this section pursuant to such income budgetary methodology and subdivision (1)(q) of section 68-1713.

68-919 Medical assistance recipient; liability; when; claim; procedure; department; powers; recovery of medical assistance reimbursement; procedure.

(1) The recipient of medical assistance under the medical assistance program shall be indebted to the department for the total amount paid for medical assistance on behalf of the recipient if:

(a) The recipient was fifty-five years of age or older at the time the medical assistance was provided; or

(b) The recipient resided in a medical institution and, at the time of institutionalization or application for medical assistance, whichever is later, the department determines that the recipient could not have reasonably been expected to be discharged and resume living at home. For purposes of this section, medical institution means a nursing facility, an intermediate care facility for persons with developmental disabilities, or an inpatient hospital.

(2) The debt accruing under subsection (1) of this section arises during the life of the recipient but shall be held in abeyance until the death of the recipient. Any such debt to the department that exists when the recipient dies shall be recovered only after the death of the recipient's spouse, if any, and only after the recipient is not survived by a child who either is under twenty-one years of age or is blind or totally and permanently disabled as defined by the Supplemental Security Income criteria. In recovering such debt, the department shall not foreclose on a lien on the home of the recipient (a) if a sibling of the recipient with an equity interest in the home has lawfully resided in the home for at least one year before the recipient's admission and has lived there continuously since the date of the recipient's admission or (b) while the home is the residence of an adult child who has lived in the recipient's home for at least two years immediately before the recipient was institutionalized, has lived there continuously since that time, and can establish to the satisfaction of the department that he or she provided care that delayed the recipient's admission.

(3) The debt shall include the total amount of medical assistance provided when the recipient was fifty-five years of age or older or during a period of institutionalization as described in subsection (1) of this section and shall not include interest.

(4)(a) It is the intent of the Legislature that the debt specified in subsection (1) of this section be collected by the department before any portion of the estate of a recipient of medical assistance is enjoyed by or transferred to a person not specified in subsection (2) of this section as a result of the death of such recipient. The debt may be recovered from the estate of a recipient of medical assistance. The department shall undertake all reasonable and cost-effective measures to enforce recovery under the Medical Assistance Act. All persons specified in subsections (2) and (4) of this section shall cooperate with the department in the enforcement of recovery under the act.

(b) For purposes of this section:

(i) Estate of a recipient of medical assistance means any real estate, personal property, or other asset in which the recipient had any legal title or interest at or immediately preceding the time of the recipient's death, to the extent of such interests. In furtherance and not in limitation of the foregoing, the estate of a recipient of medical assistance also includes:

(A) Assets to be transferred to a beneficiary described in section 77-2004 or 77-2005 in relation to the recipient through a revocable trust or other similar arrangement which has become irrevocable by reason of the recipient's death; and

(B) Notwithstanding anything to the contrary in subdivision (3) or (4) of section 68-923, assets conveyed or otherwise transferred to a survivor, an heir, an assignee, a beneficiary, or a devisee of the recipient of medical assistance through joint tenancy, tenancy in common, transfer on death deed, survivor-

ship, conveyance of a remainder interest, retention of a life estate or of an estate for a period of time, living trust, or other arrangement by which value or possession is transferred to or realized by the beneficiary of the conveyance or transfer at or as a result of the recipient's death. Such other arrangements include insurance policies or annuities in which the recipient of medical assistance had at the time of death any incidents of ownership of the policy or annuity or the power to designate beneficiaries and any pension rights or completed retirement plans or accounts of the recipient. A completed retirement plan or account is one which because of the death of the recipient of medical assistance ceases to have elements of retirement relating to such recipient and under which one or more beneficiaries exist after such recipient's death; and

(ii) Notwithstanding anything to the contrary in subdivision (4)(b) of this section, estate of a recipient of medical assistance does not include:

(A) Insurance proceeds, any trust account subject to the Burial Pre-Need Sale Act, or any limited lines funeral insurance policy to the extent used to pay for funeral, burial, or cremation expenses of the recipient of medical assistance;

(B) Conveyances of real estate made prior to August 24, 2017, that are subject to the grantor's retention of a life estate or an estate for a period of time;

(C) Life estate interests in real estate after sixty months from the date of recording a deed with retention of a life estate by the recipient of medical assistance; and

(D) Any pension rights or completed retirement plans to the extent that such rights or plans are exempt from claims for reimbursement of medical assistance under federal law.

(c) The department, upon application of the personal representative of an estate, any person or entity otherwise authorized under the Nebraska Probate Code to act on behalf of a decedent, any person or entity having an interest in assets of the decedent which are subject to this subsection, a successor trustee of a revocable trust or other similar arrangement which has become irrevocable by reason of the decedent's death, or any other person or entity holding assets of the decedent described in this subsection, shall timely certify to the applicant, that as of a designated date, whether medical assistance reimbursement is due or an application for medical assistance was pending that may result in medical assistance reimbursement due. An application for a certificate under this subdivision shall be provided to the department in a delivery manner and at an address designated by the department, which manner may include email. The department shall post the acceptable manner of delivery on its website. Any application that fails to conform with such manner is void. Notwithstanding the lack of an order by a court designating the applicant as a person or entity who may receive information protected by applicable privacy laws, the applicant shall have the authority of a personal representative for the limited purpose of seeking and obtaining from the department this certification. If, in response to a certification request, the department certifies that reimbursement for medical assistance is due, the department may release some or all of the property of a decedent from the provisions of this subsection.

(d) An action for recovery of the debt created under subsection (1) of this section may be brought by the department against the estate of a recipient of medical assistance as defined in subdivision (4)(b) of this section at any time before five years after the last of the following events:

(i) The death of the recipient of medical assistance;

(ii) The death of the recipient's spouse, if applicable;

(iii) The attainment of the age of twenty-one years by the youngest of the recipient's minor children, if applicable; or

(iv) A determination that any adult child of the recipient is no longer blind or totally and permanently disabled as defined by the Supplemental Security Income criteria, if applicable.

(5) In any probate proceedings in which the department has filed a claim under this section, no additional evidence of foundation shall be required for the admission of the department's payment record supporting its claim if the payment record bears the seal of the department, is certified as a true copy, and bears the signature of an authorized representative of the department.

(6) The department may waive or compromise its claim, in whole or in part, if the department determines that enforcement of the claim would not be in the best interests of the state or would result in undue hardship as provided in rules and regulations of the department.

(7)(a) Whenever the department has provided medical assistance because of sickness or injury to any person resulting from a third party's wrongful act or negligence and the person has recovered damages from such third party, the department shall have the right to recover the medical assistance it paid from any amounts that the person has received as follows:

(i) In those cases in which the person is fully compensated by the recovery, the department shall be fully reimbursed subject to its contribution to attorney's fees and costs as provided in subdivision (b) of this subsection; or

(ii) In those cases in which the person is not fully compensated by the recovery, the department shall be reimbursed that portion of the recovery that represents the same proportionate reduction of medical expenses paid that the recovery amount bears to full compensation of the person subject to its contributions to attorney's fees and costs as provided in subdivision (b) of this subsection.

(b) When an action or claim is brought by the person and the person incurs or will incur a personal liability to pay attorney's fees and costs of litigation or costs incurred in pursuit of a claim, the department's claim for reimbursement of the medical assistance provided to the person shall be reduced by an amount that represents the department's reasonable pro rata share of attorney's fees and costs of litigation or the costs incurred in pursuit of a claim.

(8) The department may adopt and promulgate rules and regulations to carry out this section.

(9) The changes made to this section by Laws 2019, LB593, shall apply retroactively to August 30, 2015.

68-945 Attorney General; powers and duties.

In carrying out the duties and responsibilities under the False Medicaid Claims Act, the Attorney General may:

(1) Enter upon the premises of any provider participating in the medical assistance program (a) to examine all accounts and records that are relevant in determining the existence of fraud in the medical assistance program, (b) to investigate alleged abuse or neglect of patients and residents, or (c) to investigate alleged misappropriation of patients' or residents' private funds;

(2) Subpoena witnesses or materials, including medical records relating to recipients, within or outside the state and, through any duly designated employee, administer oaths and affirmations and collect evidence for possible use in either civil or criminal judicial proceedings;

(3) Request and receive the assistance of any prosecutor or law enforcement agency in the investigation and prosecution of any violation of this section; and

(4) Refer to the department for collection each instance of overpayment to a provider under the medical assistance program which is discovered during the course of an investigation.

68-946 Attorney General; access to records.

(1) Notwithstanding any other provision of law, the Attorney General, upon reasonable request, shall have full access to all records held by a provider, or by any other person on the provider's behalf, that are relevant to the determination of (a) the existence of civil violations or criminal offenses under the False Medicaid Claims Act or related offenses, (b) the existence of patient or resident abuse, mistreatment, or neglect, or (c) the theft of patient or resident funds.

(2) In examining such records, the Attorney General shall safeguard the privacy rights of recipients, avoiding unnecessary disclosure of personal information concerning named recipients. The Attorney General may transmit such

information as he or she deems appropriate to the department and to other agencies concerned with the regulation of health care facilities or health professionals.

(3) No person holding such records may refuse to provide the Attorney General access to such records for the purposes described in the act on the basis that release would violate (a) a recipient's right of privacy, (b) a recipient's privilege against disclosure or use, or (c) any professional or other privilege or right.

68-949 Medical assistance program; legislative intent; department; duties; medicaid nursing facility rates; appropriations; reports.

(1) It is the intent of the Legislature that the department implement reforms to the medical assistance program such as those contained in the Medicaid Reform Plan, including (a) an incremental expansion of home and community-based services for aged persons and persons with disabilities consistent with such plan, (b) an increase in care coordination or disease management initiatives to better manage medical assistance expenditures on behalf of high-cost recipients with multiple or chronic medical conditions, and (c) other reforms as deemed necessary and appropriate by the department, in consultation with the committee.

(2) The department shall develop recommendations based on a comprehensive analysis of various options available to the state under applicable federal law for the provision of medical assistance to persons with disabilities who are employed, including persons with a medically improved disability, to enhance and replace current eligibility provisions contained in subdivision (8) of section 68-915.

(3) The department shall develop recommendations for further modification or replacement of the defined benefit structure of the medical assistance program. Such recommendations shall be consistent with the public policy in section 68-905 and shall consider the needs and resources of low-income Nebraska residents who are eligible or may become eligible for medical assistance, the experience and outcomes of other states that have developed and implemented such changes, and other relevant factors as determined by the department.

(4)(a) It is the intent of the Legislature that the total amount appropriated to the department for medicaid nursing facility rates be used in the medicaid nursing facility rate calculation, including the calculation of the annual inflation factor. The total amount appropriated for medicaid nursing facility rates shall include amounts for rate enhancement and any other purpose related to medicaid nursing facility services and shall be used as the base for funding for the following fiscal year.

(b) The department shall file a report electronically with the Legislative Fiscal Analyst and the Clerk of the Legislature no later than August 1 of each year identifying how the inflation factor was calculated for that year's medicaid nursing facility rates.

(c) The department shall file a report electronically with the Legislative Fiscal Analyst and the Clerk of the Legislature between December 15 and December 31 of each year identifying the amount of any remaining unobligated appropriation from the prior appropriations earmarked for medicaid nursing facility payments. The report shall include an identification of encumbrances and retroactive payments.

68-953 Preferred drug list; department; establish and maintain; pharmaceutical and therapeutics committee; members; expenses.

(1) No later than July 1, 2010, the department shall establish and maintain a preferred drug list for the medical assistance program. The department shall establish a pharmaceutical and therapeutics committee to advise the department on all matters relating to the establishment and maintenance of such list.

(2) The pharmaceutical and therapeutics committee shall include at least fifteen but no more than twenty members. The committee shall consist of at least (a) eight physicians, (b) four pharmacists, (c) a university professor of pharmacy or a person with a doctoral degree in pharmacology, and (d) two public members. No more than twenty-five percent of the committee shall be state employees.

(3) The physician members of the committee, so far as practicable, shall include physicians practicing in the areas of (a) family medicine, (b) internal medicine, (c) pediatrics, (d) cardiology, (e) psychiatry or neurology, (f) obstetrics or gynecology, (g) endocrinology, and (h) oncology.

(4) Members of the committee shall submit conflict of interest disclosure statements to the department and shall have an ongoing duty to disclose conflicts of interest not included in the original disclosure.

(5) The committee shall elect a chairperson and a vice-chairperson from among its members. Members of the committee shall be reimbursed for expenses as provided in sections 81-1174 to 81-1177.

(6) The department, in consultation with the committee, shall adopt and publish policies and procedures relating to the preferred drug list, including (a) guidelines for the presentation and review of drugs for inclusion on the preferred drug list, (b) the manner and frequency of audits of the preferred drug list for appropriateness of patient care and cost effectiveness, (c) an appeals process for the resolution of disputes, and (d) such other policies and procedures as the department deems necessary and appropriate.

68-955 Prescription of drug not on preferred drug list; conditions; antidepressant, antipsychotic, or anticonvulsant prescription drug; prior authorization; not required, when.

(1) Except as otherwise provided in subsection (3) of this section, a health care provider may prescribe a prescription drug not on the preferred drug list to a medicaid recipient if (a) the prescription drug is medically necessary, (b)(i) the provider certifies that the preferred drug has not been therapeutically

effective, or with reasonable certainty is not expected to be therapeutically effective, in treating the recipient's condition or (ii) the preferred drug causes or is reasonably expected to cause adverse or harmful reactions in the recipient, and (c) the department authorizes coverage for the prescription drug prior to the dispensing of the drug. The department shall respond to a prior authorization request no later than twenty-four hours after receiving such request.

(2) A health care provider may prescribe a prescription drug not on the preferred drug list to a medicaid recipient without prior authorization by the department or a managed care organization if the provider certifies that (a) the recipient is achieving therapeutic success with a course of antidepressant, antipsychotic, or anticonvulsant medication or medication for human immunodeficiency virus, multiple sclerosis, epilepsy, cancer, or immunosuppressant therapy or (b) the recipient has experienced a prior therapeutic failure with a medication.

(3) Neither the department nor a managed care organization shall require prior authorization for coverage for an antidepressant, antipsychotic, or anticonvulsant prescription drug that is deemed medically necessary by a patient's health care provider for a new or existing medicaid recipient if the medicaid recipient has prior prescription history for the antidepressant, antipsychotic, or anticonvulsant prescription drug within the immediately preceding ninety-day period. A prospective drug utilization review as described in section 38-2869 and applicable federal law for a prescription for an antidepressant, antipsychotic, or anticonvulsant prescription drug for a medicaid recipient with prior prescription history within the immediately preceding ninety-day period shall occur in order to ensure that the prescription for a medicaid recipient is appropriate and is not likely to result in adverse medical results. Use of a pharmaceutical sample is not considered prior prescription history.

68-956 Department; duties; contract; pharmacy benefit manager; comply with Pharmacy Benefit Manager Licensure and Regulation Act.

(1) The department shall (a) enter into a multistate purchasing pool, (b) negotiate directly with manufacturers or labelers, or (c) contract with a pharmacy benefit manager for negotiated discounts or rebates for all prescription drugs under the medical assistance program in order to achieve the lowest available price for such drugs under such program.

(2) Any contract under the Medicaid Prescription Drug Act with a pharmacy benefit manager or a managed care organization using a pharmacy benefit manager shall require any pharmacy benefit manager that is a party or otherwise subject to the contract to comply with the Pharmacy Benefit Manager Licensure and Regulation Act.

68-973 Medical assistance programs; improper payments; postpayment reimbursement; legislative findings; integrity procedures and guidelines; legislative intent.

(1) The Legislature finds that the medical assistance program would benefit from increased efforts to (a) prevent improper payments to service providers,

including, but not limited to, enforcement of eligibility criteria for recipients of benefits, enforcement of enrollment criteria for providers of benefits, determination of third-party liability for benefits, review of claims for benefits prior to payment, and identification of the extent and cause of improper payment, (b) identify and recoup improper payments, including, but not limited to, identification and investigation of questionable payments for benefits, administrative recoupment of payments for benefits, and referral of cases of fraud to the state medicaid fraud control unit for prosecution, and (c) collect postpayment reimbursement, including, but not limited to, maximizing prescribed drug rebates and maximizing recoveries from estates for paid benefits.

(2) The Legislature further finds that (a) the medical assistance program was established under Title XIX of the federal Social Security Act and is a joint federal-state-funded health insurance program that is the primary source of medical assistance for low-income, disabled, and elderly Nebraskans and (b) the federal government establishes minimum requirements for the medical assistance program and the state designs, implements, administers, and oversees the medical assistance program.

(3) It is the intent of the Legislature to establish and maintain integrity procedures and guidelines for the medical assistance program that meet minimum federal requirements and that coordinate with federal program integrity efforts in order to provide a system that encourages efficient and effective provision of services by Nebraska providers for the medical assistance program.

68-974 Program integrity contractors; contracts; contents; audit procedures; powers; health insurance premium assistance payment program; contract; department; powers and duties; form of records authorized; appeal; report.

(1) One or more program integrity contractors may be used to promote the integrity of the medical assistance program, to assist with investigations and audits, or to investigate the occurrence of fraud, waste, or abuse. The contract or contracts may include services for (a) cost-avoidance through identification of third-party liability, (b) cost recovery of third-party liability through postpayment reimbursement, (c) casualty recovery of payments by identifying and recovering costs for claims that were the result of an accident or neglect and payable by a casualty insurer, and (d) reviews of claims submitted by providers of services or other individuals furnishing items and services for which payment has been made to determine whether providers have been underpaid or overpaid, and to take actions to recover any overpayments identified or make payment for any underpayment identified.

(2) Notwithstanding any other provision of law, all program integrity contractors when conducting a program integrity audit, investigation, or review shall:

(a) Review claims within four years from the date of the payment;

(b) Send a determination letter concluding an audit within one hundred eighty days after receipt of all requested material from a provider;

(c) In any records request to a provider, furnish information sufficient for the provider to identify the patient, procedure, or location;

(d) Develop and implement with the department a procedure in which an improper payment identified by an audit may be resubmitted as a claims adjustment, including (i) the resubmission of claims denied as a result of an

interpretation of scope of services not previously held by the department, (ii) the resubmission of documentation when the document provided is incomplete, illegible, or unclear, and (iii) the resubmission of documentation when clerical errors resulted in a denial of claims for services actually provided. If a service was provided and sufficiently documented but denied because it was determined by the department or the contractor that a different service should have been provided, the department or the contractor shall disallow the difference between the payment for the service that was provided and the payment for the service that should have been provided;

(e) Utilize a licensed health care professional from the specialty area of practice being audited to establish relevant audit methodology consistent with (i) state-issued medicaid provider handbooks and (ii) established clinical practice guidelines and acceptable standards of care established by professional or specialty organizations responsible for setting such standards of care;

(f) Provide a written notification and explanation of an adverse determination that includes the reason for the adverse determination, the medical criteria on which the adverse determination was based, an explanation of the provider's appeal rights, and, if applicable, the appropriate procedure to submit a claims adjustment in accordance with subdivision (2)(d) of this section; and

(g) Schedule any onsite audits with advance notice of not less than ten business days and make a good faith effort to establish a mutually agreed-upon time and date for the onsite audit.

(3) A program integrity contractor retained by the department or the federal Centers for Medicare and Medicaid Services shall work with the department at the start of a recovery audit to review this section and section 68-973 and any other relevant state policies, procedures, regulations, and guidelines regarding program integrity audits. The program integrity contractor shall comply with this section regarding audit procedures. A copy of the statutes, policies, and procedures shall be specifically maintained in the audit records to support the audit findings.

(4) The department shall exclude from the scope of review of recovery audit contractors any claim processed or paid through a capitated medicaid managed care program. The department shall exclude from the scope of review of program integrity contractors any claims that are currently being audited or that have been audited by a program integrity contractor, by the department, or by another entity. Claims processed or paid through a capitated medicaid managed care program shall be coordinated between the department, the contractor, and the managed care organization. All such audits shall be coordinated as to scope, method, and timing. The contractor and the department shall avoid duplication or simultaneous audits. No payment shall be recovered in a medical necessity review in which the provider has obtained prior authorization for the service and the service was performed as authorized.

(5) Extrapolated overpayments are not allowed under the Medical Assistance Act without evidence of a sustained pattern of error, an excessively high error rate, or the agreement of the provider.

(6) The department may contract with one or more persons to support a health insurance premium assistance payment program.

(7) The department may enter into any other contracts deemed to increase the efforts to promote the integrity of the medical assistance program.

(8) Contracts entered into under the authority of this section may be on a contingent fee basis. Contracts entered into on a contingent fee basis shall provide that contingent fee payments are based upon amounts recovered, not amounts identified. Whether the contract is a contingent fee contract or otherwise, the contractor shall not recover overpayments by the department until all appeals have been completed unless there is a credible allegation of fraudulent activity by the provider, the contractor has referred the claims to the department for investigation, and an investigation has commenced. In that event, the contractor may recover overpayment prior to the conclusion of the appeals process. In any contract between the department and a program integrity contractor, the payment or fee provided for identification of overpayments shall be the same provided for identification of underpayments. Contracts shall be in compliance with federal law and regulations when pertinent, including a limit on contingent fees of no more than twelve and one-half percent of amounts recovered, and initial contracts shall be entered into as soon as practicable under such federal law and regulations.

(9) All amounts recovered and savings generated as a result of this section shall be returned to the medical assistance program.

(10) Records requests made by a program integrity contractor in any one-hundred-eighty-day period shall be limited to not more than two hundred records for the specific service being reviewed. The contractor shall allow a provider no less than forty-five days to respond to and comply with a records request. If the contractor can demonstrate a significant provider error rate relative to an audit of records, the contractor may make a request to the department to initiate an additional records request regarding the subject under review for the purpose of further review and validation. The contractor shall not make the request until the time period for the appeals process has expired.

(11) On an annual basis, the department shall require the recovery audit contractor to compile and publish on the department's Internet website metrics related to the performance of each recovery audit contractor. Such metrics shall include: (a) The number and type of issues reviewed; (b) the number of medical records requested; (c) the number of overpayments and the aggregate dollar amounts associated with the overpayments identified by the contractor; (d) the number of underpayments and the aggregate dollar amounts associated with the identified underpayments; (e) the duration of audits from initiation to time of completion; (f) the number of adverse determinations and the overturn rating of those determinations in the appeal process; (g) the number of appeals filed by providers and the disposition status of such appeals; (h) the contractor's compensation structure and dollar amount of compensation; and (i) a copy of the department's contract with the recovery audit contractor.

(12) The program integrity contractor, in conjunction with the department, shall perform educational and training programs for providers that encompass a summary of audit results, a description of common issues, problems, and mistakes identified through audits and reviews, and opportunities for improvement.

(13) Providers shall be allowed to submit records requested as a result of an audit in electronic format, including compact disc, digital versatile disc, or other electronic format deemed appropriate by the department or via facsimile transmission, at the request of the provider.

(14)(a) A provider shall have the right to appeal a determination made by the program integrity contractor.

(b) The contractor shall establish an informal consultation process to be utilized prior to the issuance of a final determination. Within thirty days after receipt of notification of a preliminary finding from the contractor, the provider may request an informal consultation with the contractor to discuss and attempt to resolve the findings or portion of such findings in the preliminary findings letter. The request shall be made to the contractor. The consultation shall occur within thirty days after the provider's request for informal consultation, unless otherwise agreed to by both parties.

(c) Within thirty days after notification of an adverse determination, a provider may request an administrative appeal of the adverse determination as set forth in the Administrative Procedure Act.

(15) The department shall by December 1 of each year report to the Legislature the status of the contracts, including the parties, the programs and issues addressed, the estimated cost recovery, and the savings accrued as a result of the contracts. Such report shall be filed electronically.

(16) For purposes of this section:

(a) Adverse determination means any decision rendered by a program integrity contractor or recovery audit contractor that results in a payment to a provider for a claim for service being reduced or rescinded;

(b) Extrapolated overpayment means an overpayment amount obtained by calculating claims denials and reductions from a medical records review based on a statistical sampling of a claims universe;

(c) Person means bodies politic and corporate, societies, communities, the public generally, individuals, partnerships, limited liability companies, joint-stock companies, and associations;

(d) Program integrity audit means an audit conducted by the federal Centers for Medicare and Medicaid Services, the department, or the federal Centers for Medicare and Medicaid Services with the coordination and cooperation of the department;

(e) Program integrity contractor means private entities with which the department or the federal Centers for Medicare and Medicaid Services contracts to carry out integrity responsibilities under the medical assistance program, including, but not limited to, recovery audits, integrity audits, and unified program integrity audits, in order to identify underpayments and overpayments and recoup overpayments; and

(f) Recovery audit contractor means private entities with which the department contracts to audit claims for medical assistance, identify underpayments and overpayments, and recoup overpayments.

68-989 Disclosure by applicant; income and assets; action for recovery of medical assistance authorized.

(1) This section shall apply to the fullest extent permitted by federal law and understandings entered into between the state and the federal government. An applicant for medical assistance, or a person acting on behalf of the applicant, shall disclose at the time of application and, to the extent not owned at the time of application, at the time of any subsequent review of the applicant's eligibility for medical assistance all of his or her interests in any assets, including, but not limited to, any security, bank account, intellectual property right, contractual or lease right, real estate, trust, corporation, limited liability company, or other entity, whether such interest is direct or indirect or vested or contingent. The applicant or a person acting on behalf of the applicant shall also disclose any income derived from such interests and the source of the income.

(2) If the applicant or a person acting on behalf of the applicant willfully fails to make the disclosures required in this section, any medical assistance obtained as a result of such failure is deemed unlawfully obtained and the department shall seek recovery of such medical assistance from the applicant or the estate of the recipient of medical assistance as defined in subdivision (4)(b) of section 68-919.

(3)(a) If income is derived from a related party as described in subdivision (3)(c) of this section, the department shall determine whether the income is or, in the case of a written lease, whether the terms of the lease at the time it was entered into were commercially reasonable and consistent with income or lease terms derived in the relevant market area and negotiated at arms length between parties who are not related.

(b) If the department determines that the income or lease fails to meet these requirements, such income or lease shall be considered a transfer of the applicant's assets for less than full consideration and the department shall consider the resulting shortfall, to the fullest extent permitted by federal law, when determining eligibility for medical assistance or any share of cost or as otherwise required by law. The burden of proof of commercial reasonableness rests with the applicant. The department's determination on commercial reasonableness may be appealed, and the appeal shall be in accordance with the Administrative Procedure Act.

(c) A related party is (i) the applicant's spouse or an individual who is related to the applicant as described in section 77-2004 or 77-2005 or (ii) an entity controlled by one or more individuals described in subdivision (1)(c)(i) of this section. For purposes of this subdivision, control means individuals listed in subdivision (1)(c)(i) of this section who together own or have the option to acquire more than fifty percent of the entity.

(4) An action for recovery of medical assistance obtained in violation of this section may be brought by the department against the applicant or against the estate of the recipient of medical assistance as defined in subdivision (4)(b) of section 68-919 at any time before five years after the death of both the applicant and the applicant's spouse, if any.

(5) The department may adopt and promulgate rules and regulations to carry out this section. The rules and regulations may include guidance on the commercial reasonableness of lease terms.

68-990 Medical assistance; transfers; security for recovery of indebtedness to department; lien; notice; filing; department; duties; section null and void.

(1) For purposes of this section:

(a) Related transferee means:

(i) An individual who is related to the transferor as described in section 77-2004 or 77-2005;

(ii) An entity controlled by one or more individuals described in subdivision (1)(a)(i) of this section. For purposes of this subdivision, control means individuals described in subdivision (1)(a)(i) of this section together own or have the option to acquire more than fifty percent of the entity; or

(iii) An irrevocable trust in which an individual described in subdivision (1)(a)(i) of this section is a beneficiary; and

(b) Related transferee does not include the recipient's spouse, if any, or a child who either is under twenty-one years of age or is blind or totally and permanently disabled as defined by Supplemental Security Income criteria.

(2) This section shall apply to the fullest extent permitted by federal law and understandings entered into between the state and the federal government. This section provides security for the recovery of the indebtedness to the department for medical assistance as provided in section 68-919. This section applies to transfers of real estate made on or after August 24, 2017. If, during the transferor's lifetime, an interest in real estate is irrevocably transferred to a related transferee for less than full consideration and the real estate transferred to the related transferee is subject to rights, actual or constructive possession, or powers retained by the transferor in a deed or other instrument, the interest in the real estate when acquired by the related transferee is subject to a lien in favor of the State of Nebraska for medical assistance reimbursement pursuant to section 68-919 to the extent necessary to secure payment in full of any claim remaining unpaid after application of the assets of the transferor's probate estate, not to exceed the amount determined under subsection (6) of this section. The lien does not attach to any interest retained by the transferor. Except as provided in this section, the lien applies to medical assistance provided before, at the same time as, or after the filing of the notice of lien under subsection (4) of this section.

(3) Within fifteen days after receipt of a statement required by section 76-214 indicating that the underlying real estate transfer was between relatives or, if to a trustee, where the trustor or settlor and the beneficiary are relatives, the register of deeds shall send a copy of such statement, together with the parcel identification number, if ascertainable, to the department. The copy shall be provided to the department in a delivery manner and at an address designated by the department, which manner may include email. The department shall post the acceptable manner of delivering the copy on its website or otherwise communicate the manner of delivery to the registers of deeds.

(4) The lien imposed by subsection (2) of this section becomes effective upon the filing of a notice of lien in accordance with this subsection. The department may file a notice of the lien imposed by subsection (2) of this section only after the department receives an application for medical assistance on behalf of a transferor. The notice must be filed in the office of the register of deeds of the county or counties in which the real estate subject to the lien is located. The notice must provide the legal description of the real estate subject to the lien,

specify the amount then secured by the lien, and indicate that the lien also covers any future medical assistance provided to the transferor. The department shall provide the register of deeds with a self-addressed return envelope bearing sufficient postage for purposes of returning to the department a file-stamped copy of the notice of lien, which the register of deeds shall mail to the department. The lien is not valid against the owner of an interest in real estate received by a grantee who is not a related transferee pursuant to a deed or other instrument if such deed or other instrument is filed prior to the notice of lien. A lien that is not valid under this subsection shall be released by the department upon notice thereof from such grantee or a subsequent bona fide purchaser. A lien is valid against any subsequent creditor only if notice of such lien has been filed by the department in accordance with this subsection. Any mortgage or trust deed recorded prior to the filing of a notice of lien shall have priority over such lien. Except as provided in subsection (5) of this section, any optional future advance or advance necessary to protect the security secured by the mortgage or trust deed shall have the same priority as the mortgage or trust deed.

(5) Any optional future advance made pursuant to a mortgage or trust deed on real estate recorded prior to the filing of a notice of lien under subsection (4) of this section shall be junior to such lien only if the optional future advance is made after:

(a) A notice of lien has been filed by the department in accordance with subsection (4) of this section; and

(b) Written notice of the filing for record of such notice of lien has been received by the mortgagee or beneficiary at the address of the mortgagee or beneficiary set forth in the mortgage or trust deed or, if the mortgage or trust deed has been assigned, by the assignee at the address of the most recent assignee reflected in a recorded assignment of the mortgage or trust deed. The notice under this subdivision shall be sent by the department by certified mail to the applicable mortgagee, beneficiary, or assignee.

(6)(a) The lien authorized in this section is limited to the lesser of (i) the amount necessary to fully satisfy any reimbursement obligations remaining unpaid after application of any assets from the transferor's probate estate or (ii) the actual value of the real estate at the time that the lien is enforced minus the consideration adjustment and minus the cost of the improvements made to the real estate by or on behalf of the related transferee, if any.

(b) For purposes of this subsection:

(i) Actual value has the same meaning as in section 77-112;

(ii) Consideration adjustment means the amount of consideration paid by the related transferee to the transferor for the real estate multiplied by the growth factor; and

(iii) Growth factor means the actual value of the real estate at the time the lien is enforced divided by the actual value of the real estate at the time the consideration was paid.

(c) The burden of proof for showing the consideration paid for the real estate, the cost of any improvements to the real estate, and the actual value of the real estate rests with the related transferee or his or her successor in interest.

(7) If a deed or other instrument transferring an interest in real estate contains a recital acknowledged by the grantor stating that the grantee is not a

related transferee, the real estate being transferred shall not be subject to the lien imposed by this section. A related transferee who takes possession or otherwise enjoys the benefits of the transfer knowing the recital is false becomes personally liable for medical assistance reimbursement to the extent necessary to discharge any claim remaining unpaid after application of the assets of the transferor's probate estate, not to exceed the amount determined under subsection (6) of this section.

(8) The department shall release or subordinate the lien authorized in this section upon application by the related transferee in which the related transferee agrees to indemnify the department for medical assistance reimbursement pursuant to section 68-919 to the extent necessary to discharge any such claim remaining unpaid after application of the assets of the transferor's probate estate, not to exceed the amount determined under subsection (6) of this section. The department may require the application submitted pursuant to this subsection to be accompanied by good and sufficient sureties or other evidence determined by the department to be sufficient to secure the liability. The department shall also release the lien upon a satisfactory showing of undue hardship or a showing that the interest subject to the lien is not one from which medical assistance reimbursement may be had.

(9)(a) Any indemnity and any lien shall be released upon:

(i) Notice delivered to the department, by certified mail, return receipt requested, of (A) the death and identification, including the social security number, of the transferor, (B) the legal description of the real estate subject to the indemnity or lien, and (C) the names and addresses of the owners of record of the real estate; and

(ii) The department either (A) filing a release of lien with the register of deeds of the county or counties in which the real estate subject to the lien is located or (B) not filing an action to foreclose the lien or collect on the indemnity within one year after delivery of the notice required under subdivision (9)(a)(i) of this section.

(b) Proof of delivery of such notice shall be made by filing a copy of the notice and a copy of the certified mail return receipt with the register of deeds of the county or counties in which the real estate subject to the lien is located.

(10) The department may adopt and promulgate rules and regulations to carry out this section.

(11) This section is null and void as of August 24, 2017.

68-992 Eligibility for medical assistance; expanded population; Department of Health and Human Services; duties.

(1) Eligibility for medical assistance shall be expanded to include certain adults ages nineteen through sixty-four whose income is equal to or less than one hundred thirty-eight percent of the federal poverty level, as authorized and using the income methodology defined by 42 U.S.C. 1396a(a)(10)(A)(i)(VIII) and related federal regulations and guidance, as such statute, regulations, and guidance existed on January l, 2018.

(2) On or before April 1, 2019, in order to ensure that eligibility for medical assistance is expanded as required by this section, the Department of Health and Human Services shall submit a state plan amendment and all other

necessary documents seeking required approvals or waivers to the federal Centers for Medicare and Medicaid Services.

(3) The Department of Health and Human Services shall take all actions necessary to maximize federal financial participation in funding medical assistance pursuant to this section.

(4) No greater or additional burdens or restrictions on eligibility, enrollment, benefits, or access to health care services shall be imposed on persons eligible for medical assistance pursuant to this section than on any other population eligible for medical assistance.

(5) This section shall apply notwithstanding any other provision of law or federal waiver.

68-995 Contracts and agreements; department; duties.

All contracts and agreements relating to the medical assistance program governing at-risk managed care service delivery for health services entered into by the department and existing on or after August 11, 2020, shall:

(1) Provide a definition and cap on administrative spending such that (a) administrative expenditures do not include profit greater than the contracted amount, (b) any administrative spending is necessary to improve the health status of the population to be served, and (c) administrative expenditures do not include contractor incentives. Administrative spending shall not under any circumstances exceed twelve percent. Such spending shall be tracked by the contractor and reported quarterly to the department and electronically to the Clerk of the Legislature;

(2) Provide a definition of annual contractor profits and losses and restrict such profits and losses under the contract so that profit shall not exceed a percentage specified by the department but not more than three percent per year as a percentage of the aggregate of all income and revenue earned by the contractor and related parties, including parent and subsidiary companies and risk-bearing partners, under the contract;

(3) Provide for return of (a) any remittance if the contractor does not meet the minimum medical loss ratio, (b) any unearned incentive funds, and (c) any other funds in excess of the contractor limitations identified in state or federal statute or contract to the State Treasurer for credit to the Medicaid Managed Care Excess Profit Fund;

(4) Provide for a minimum medical loss ratio of eighty-five percent of the aggregate of all income and revenue earned by the contractor and related parties under the contract;

(5) Provide that contractor incentives, in addition to potential profit, be up to two percent of the aggregate of all income and revenue earned by the contractor and related parties under the contract; and

(6) Be reviewed and awarded competitively and in full compliance with the procurement requirements of the State of Nebraska.

68-996 Medicaid Managed Care Excess Profit Fund; created; use; investment.

(1) The Medicaid Managed Care Excess Profit Fund is created. The fund shall contain money returned to the State Treasurer pursuant to subdivision (3) of section 68-995.

(2) The fund shall first be used to offset any losses under subdivision (2) of section 68-995 and then to provide for services addressing the health needs of adults and children under the Medical Assistance Act, including filling service gaps, providing system improvements, providing evidence-based early intervention home visitation programs, providing medical respite services, translation and interpretation services, providing coverage for continuous glucose monitors as described in section 68-911, providing other services sustaining access to care, the Nebraska Prenatal Plus Program, and providing grants pursuant to the Intergenerational Care Facility Incentive Grant Program as determined by the Legislature. The fund shall only be used for the purposes described in this section.

(3) Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Beginning October 1, 2024, any investment earnings from investment of money in the fund shall be credited to the General Fund.

68-997 Job-skills programs; voluntary; departments; powers and duties.

(1) Beginning October 1, 2020, the Department of Health and Human Services shall inform each adult applicant for medical assistance about job-skills programs within the Department of Health and Human Services, the Department of Labor, or other skill-based programs that could assist the applicant for medical assistance in obtaining job skills or training, employment, higher-paying jobs, or related skills. The Department of Health and Human Services shall connect interested applicants to such job-skills programs. The job-skills programs may be utilized on a voluntary basis by applicants for medical assistance or recipients of medical assistance. The job-skills programs do not affect the receipt of services provided under the Medical Assistance Act.

(2) Beginning February 1, 2021, and within thirty days of the expiration of each subsequent calendar quarter within the years 2021 and 2022, the Department of Health and Human Services shall report electronically to the Clerk of the Legislature on the total number of applicants for medical assistance who were referred to job-skills programs under this section and any job-skills services received as a result of this section by applicants for medical assistance.

(3) Beginning January 1, 2021, through December 31, 2022, the Department of Labor shall report quarterly to the Department of Health and Human Services the number of applicants for medical assistance who were referred to job-skills programs under this section, the number of applicants for medical assistance who received help obtaining job skills or training, employment, higher-paying jobs, or related skills under this section, and the types of job-skills services received as a result of this section.

(4) The Department of Health and Human Services and the Department of Labor shall administer this section.

68-998 Managed care organization; provider contract; material change; notice.

(1) For purposes of this section:

(a)(i) Material change means a change to a provider contract, the occurrence and timing of which is not otherwise clearly identified in the provider contract, that decreases the provider's payment or compensation for services to be provided or changes the administrative procedures in a way that may reasonably be expected to significantly increase the provider's administrative expense, including altering an existing prior authorization, precertification, or notification.

(ii) Material change does not include a change implemented as a result of a requirement of state law, rules and regulations adopted and promulgated or policies established by the Department of Health and Human Services, or policies or regulations of the federal Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services; and

(b) Provider means a provider that has entered into a provider contract with a managed care organization to provide health care services under the medical assistance program.

(2) Each managed care organization shall establish procedures for changing an existing provider contract with a provider that include the requirements of this section.

(3) If a managed care organization makes any material change to a provider contract, the managed care organization shall provide the provider with at least sixty days' notice of the material change. The notice of a material change required under this section shall include:

(a) The effective date of the material change;

(b) A description of the material change;

(c) The name, business address, telephone number, and electronic mail address of a representative of the managed care organization to discuss the material change, if requested by the provider;

(d) Notice of the opportunity for a meeting using real-time communication to discuss the proposed changes if requested by the provider, including any mode of telecommunications in which all users can exchange information instantly such as the use of traditional telephone, mobile telephone, teleconferencing, and videoconferencing. If requested by the provider, the opportunity to communicate to discuss the proposed changes may occur via electronic mail instead of real-time communication; and

(e) Notice that upon three material changes in a twelve-month period, the provider may request a copy of the provider contract with material changes consolidated into a single document. The provision of the copy of the provider contract with the material changes incorporated by the managed care organization (i) shall be for informational purposes only, (ii) shall have no effect on the terms and conditions of the provider contract, and (iii) shall not be construed as the creation of a new contract.

(4) Any notice required to be delivered pursuant to this section shall be sent to the provider's point of contact as set forth in the provider contract and shall be clearly and conspicuously marked ''contract change''. If no point of contact is set forth in the provider contract, the insurer shall send the requisite notice to the provider's place of business addressed to the provider.

68-999 Direct care staff; psychiatric facilities caring for juveniles; standards.

The Division of Medicaid and Long-Term Care of the Department of Health and Human Services shall set standards required for direct care staff of inpatient psychiatric units for juveniles and psychiatric residential treatment facilities for juveniles. The standards shall require that each such staff member:

(1) Be twenty years of age or older;

(2) Be at least two years older than the oldest resident in the unit or facility;

(3) Have a high school diploma or its equivalent; and

(4) Have appropriate training for basic interaction care such as supervision, daily living care, and mentoring of residents in the unit or facility.

68-9,111 Pharmacy dispensing fee reimbursement; survey.

(1)(a) Beginning with fiscal year 2024-25, contingent upon implementation of the contractual agreements with medicaid managed care organizations as described in subsection (2) of this section, the department shall establish a fee-for-service pharmacy dispensing fee reimbursement of ten dollars and thirty-eight cents per prescription for any independent pharmacy until a cost-of-dispensing survey is completed. The actual dispensing fee shall be determined by a cost-of-dispensing survey administered by the department and completed by all medical assistance program participating independent pharmacies every two years. The change in the dispensing fee shall become effective following federal approval of the medicaid state plan.

(b) For purposes of this section, independent pharmacy means any pharmacy as defined in section 71-425 that owns six or fewer pharmacies.

(2) The department shall amend all medicaid managed care organization contracts to authorize establishment of a managed care pharmacy dispensing fee reimbursement in accordance with the established fee-for-service pharmacy dispensing fee reimbursement per prescription for independent pharmacies pursuant to subsection (1) of this section.

(3) Any dispensing fee cost information submitted to the department as part of the cost-of-dispensing survey described in subsection (1) of this section that specifically identifies individual costs of a pharmacy or provider shall remain confidential.

(4) No later than December 15, 2024, the department shall electronically submit a report to the Clerk of the Legislature providing recommendations for adjusting pharmacy dispensing fees between completion of surveys to ensure fair and adequate reimbursement for independent pharmacies and all other pharmacies participating in the medical assistance program.

68-1009 Hospital; reimbursement for certain services; conditions.

(1) The state shall provide medicaid reimbursement to a hospital at one hundred percent of the statewide average nursing facility per diem rate for an individual if the individual: (a) Is enrolled in the medical assistance program; (b) has been admitted as an inpatient to such hospital; (c) no longer requires acute inpatient care and discharge planning as described in 42 C.F.R. 482.43; (d) requires nursing facility level of care upon discharge; and (e) is unable to be transferred to a nursing facility due to a lack of available nursing facility beds available to the individual or, in cases where the transfer requires a guardian, has been approved for appointment of a public guardian and the State Court Administrator is unable to appoint a public guardian.

(2) Reimbursement for services shall be subject to federal approval.

Source: Laws 2023, LB227, § 63.

68-1010 Patients with complex health needs; transfer; pilot program.

(1) The Department of Health and Human Services shall contract with, or provide a grant to, an eligible entity to implement a pilot program to facilitate the transfer of patients with complex health needs from eligible acute care hospitals to appropriate post-acute care settings, including facilities that provide skilled nursing or long-term care.

(2) The purposes of the pilot program are to ensure that:

(a) Patients with complex health needs are able to access timely transition from an acute care hospital to a post-acute care setting;

(b) Patients receive the appropriate type of care at the appropriate time to best meet their needs; and

(c) Acute-care hospitals have available capacity to meet the needs of patients.

(3) For purposes of this section:

(a) Eligible acute care hospital means a facility that is not designated as a critical access hospital by the federal Centers for Medicare and Medicaid Services and must satisfactorily demonstrate to the eligible entity that it has reached or exceeded eighty percent of available staffed capacity for adult intensive-care-unit beds and acute care inpatient medical-surgical beds;

(b) Eligible entity means a nonprofit statewide association whose members include eligible acute care hospitals; and

(c) Patient means a person who is medically stable and who the provider believes, with a reasonable medical probability and in accordance with recognized medical standards, is safe to be discharged or transferred and is not expected to have his or her condition negatively impacted during, or as a result of, the discharge or transfer.

(4) The eligible entity responsible for developing the pilot program shall:

(a) Determine criteria to define patients with complex health needs;

(b) Develop a process for eligible acute care hospitals to determine capacity and the manner and frequency of reporting changes in capacity;

(c) Develop a process to ensure funding is utilized for the purposes described in this section and in compliance with all applicable state and federal laws;

(d) Include regular consultation with the department and representatives of acute care hospitals, skilled nursing facilities, and nursing facilities; and

(e) Include quarterly updates to the department.

(5) The pilot program may include direct payments to post-acute care facilities that support care to patients with complex health needs.

(6) Funding utilized under the pilot program shall comply with all medicaid and medicare reimbursement policies for skilled nursing facilities, nursing facilities, and swing-bed hospitals.

(7) It is the intent of the Legislature to appropriate one million dollars from the General Fund to carry out this section. No more than two and one-half percent of the contracted amount shall be used to administer the pilot program.

(b) PROCEDURE AND PENALTIES

68-1017.02 Supplemental Nutrition Assistance Program; department; duties; state outreach plan; report; contents; categorical eligibility; legislative intent; increased benefits, when; person ineligible, when.

(1)(a) The Department of Health and Human Services shall apply for and utilize to the maximum extent possible, within limits established by the Legislature, any and all appropriate options available to the state under the federal Supplemental Nutrition Assistance Program and regulations adopted under such program to maximize the number of Nebraska residents being served under such program within such limits. The department shall seek to maximize federal funding for such program and minimize the utilization of General Funds for such program and shall employ the personnel necessary to determine the options available to the state and issue the report to the Legislature required by subdivision (b) of this subsection.

(b) The department shall submit electronically an annual report to the Health and Human Services Committee of the Legislature by December 1 on efforts by the department to carry out the provisions of this subsection. Such report shall provide the committee with all necessary and appropriate information to enable the committee to conduct a meaningful evaluation of such efforts. Such information shall include, but not be limited to, a clear description of various options available to the state under the federal Supplemental Nutrition Assistance Program, the department's evaluation of and any action taken by the department with respect to such options, the number of persons being served under such program, and any and all costs and expenditures associated with such program.

(c) The Health and Human Services Committee of the Legislature, after receipt and evaluation of the report required in subdivision (b) of this subsection, shall issue recommendations to the department on any further action necessary by the department to meet the requirements of this section.

(2)(a) The department shall develop a state outreach plan to promote access by eligible persons to benefits of the Supplemental Nutrition Assistance Program. The plan shall meet the criteria established by the Food and Nutrition Service of the United States Department of Agriculture for approval of state outreach plans. The Department of Health and Human Services may apply for and accept gifts, grants, and donations to develop and implement the state outreach plan.

(b) For purposes of developing and implementing the state outreach plan, the department shall partner with one or more counties or nonprofit organizations. If the department enters into a contract with a nonprofit organization relating to the state outreach plan, the contract may specify that the nonprofit organization is responsible for seeking sufficient gifts, grants, or donations necessary for the development and implementation of the state outreach plan and may additionally specify that any costs to the department associated with the award and management of the contract or the implementation or administration of the state outreach plan shall be paid out of private or federal funds received for development and implementation of the state outreach plan.

(c) The department shall submit the state outreach plan to the Food and Nutrition Service of the United States Department of Agriculture for approval on or before August 1, 2011, and shall request any federal matching funds that may be available upon approval of the state outreach plan. It is the intent of the Legislature that the State of Nebraska and the Department of Health and Human Services use any additional public or private funds to offset costs associated with increased caseload resulting from the implementation of the state outreach plan.

(d) The department shall be exempt from implementing or administering a state outreach plan under this subsection, but not from developing such a plan, if it does not receive private or federal funds sufficient to cover the department's costs associated with the implementation and administration of the plan, including any costs associated with increased caseload resulting from the implementation of the plan.

(3)(a) It is the intent of the Legislature that:

(i) Hard work be rewarded and no disincentives to work exist for Supplemental Nutrition Assistance Program participants;

(ii) Supplemental Nutrition Assistance Program participants be enabled to advance in employment, through greater earnings or new, better-paying employment;

(iii) Participants in employment and training pilot programs be able to maintain Supplemental Nutrition Assistance Program benefits while seeking employment with higher wages that allow them to reduce or terminate such program benefits; and

(iv) Nebraska better utilize options under the Supplemental Nutrition Assistance Program that other states have implemented to encourage work and employment.

(b)(i) The department shall create a TANF-funded program or policy that, in compliance with federal law, establishes categorical eligibility for federal food assistance benefits pursuant to the Supplemental Nutrition Assistance Program to maximize the number of Nebraska residents being served under such program in a manner that does not increase the current gross income eligibility limit except as otherwise provided in subdivision (3)(b)(ii) of this section.

(ii) Except as otherwise provided in this subdivision, such TANF-funded program or policy shall increase the gross income eligibility limit to one hundred sixty-five percent of the federal Office of Management and Budget income poverty guidelines as allowed under federal law and under 7 C.F.R. 273.2(j)(2), as such law and regulation existed on April 1, 2021, but shall not increase the net income eligibility limit. Beginning October 1, 2025, the gross income eligibility limit shall return to the amount used prior to the increase required by this subdivision. The department shall evaluate the TANF-funded program or policy created pursuant to this subsection and provide a report electronically to the Health and Human Services Committee of the Legislature and the Legislative Fiscal Analyst on or before December 15 of each year regarding the gross income eligibility limit and whether it maximizes the number of Nebraska residents being served under the program or policy. The evaluation shall include an identification and determination of additional administrative costs resulting from the increase to the gross income eligibility limit, a recommendation regarding the gross income eligibility limit, and a determination of the availability of federal funds for the program or policy.

(iii) To the extent federal funds are available to the Department of Labor for the SNAP Next Step Program, until September 30, 2023, any recipient of Supplemental Nutrition Assistance Program benefits whose household income is between one hundred thirty-one and one hundred sixty-five percent of the federal Office of Management and Budget income poverty guidelines and who is not exempt from work participation requirements shall be encouraged to participate in the SNAP Next Step Program administered by the Department of Labor if the recipient is eligible to participate in the program and the program's services are available in the county in which such household is located. It is the intent of the Legislature that no General Funds be utilized by the Department of Labor for the processes outlined in this subdivision (iii). For purposes of this section, SNAP Next Step Program means a partnership program between the Department of Health and Human Services and the Department of Labor to assist under-employed and unemployed recipients of Supplemental Nutrition Assistance Program benefits in finding self-sufficient employment.

(iv) Such TANF-funded program or policy shall eliminate all asset limits for eligibility for federal food assistance benefits, except that the total of liquid assets which includes cash on hand and funds in personal checking and savings accounts, money market accounts, and share accounts shall not exceed twenty-five thousand dollars pursuant to the Supplemental Nutrition Assistance Program, as allowed under federal law and under 7 C.F.R. 273.2(j)(2).

(v) This subsection becomes effective only if the department receives funds pursuant to federal participation that may be used to implement this subsection.

(c) For purposes of this subsection:

(i) Federal law means the federal Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq., and regulations adopted under the act; and

(ii) TANF means the federal Temporary Assistance for Needy Families program established in 42 U.S.C. 601 et seq.

(4)(a) Within the limits specified in this subsection, the State of Nebraska opts out of the provision of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as such act existed on January 1, 2009, that eliminates eligibility for the Supplemental Nutrition Assistance Program for any person convicted of a felony involving the possession, use, or distribution of a controlled substance.

(b) A person shall be ineligible for Supplemental Nutrition Assistance Program benefits under this subsection if he or she (i) has had three or more felony convictions for the possession or use of a controlled substance or (ii) has been convicted of a felony involving the sale or distribution of a controlled substance or the intent to sell or distribute a controlled substance. A person with one or two felony convictions for the possession or use of a controlled substance shall only be eligible to receive Supplemental Nutrition Assistance Program benefits under this subsection if he or she is participating in or has completed a state-licensed or nationally accredited substance abuse treatment program since the date of conviction. The determination of such participation or completion shall be made by the treatment provider administering the program.

68-1117 Area agency on aging or partnering organization; powers and duties.

(1) An area agency on aging or partnering organization receiving funding pursuant to section 68-1115, may work in partnership with one or more partnering organizations that specialize in serving persons with congenital and acquired disabilities to provide services as described in subsection (2) of section 68-1116, including, but not limited to, centers for independent living and the University Center for Excellence in Developmental Disability Education, Research and Service, for the purpose of developing an aging and disability resource center plan. After consultation with a collaboration of organizations providing advocacy, protection, and safety for aging persons and persons with congenital and acquired disabilities, the partnership may submit to the department an aging and disability resource center plan. The plan shall specify how organizations currently serving eligible individuals will be engaged in the process of delivery of services through the aging and disability resource center. The plan shall indicate how resources will be utilized by the collaborating organizations to fulfill the responsibilities of an aging and disability resource center.

(2) Two or more area agencies on aging or partnering organizations may develop a joint aging and disability resource center plan to serve all or a portion of their planning-and-service areas. A joint plan shall provide information on how the services described in section 68-1116 will be provided in the counties to be served by the aging and disability resource center.

(3) A partnering organization may: (a) Contract with an area agency on aging for the purpose of providing services pursuant to this section; or (b) contract with the department for the purpose of providing services pursuant to this section.

SOCIAL SERVICES

Section

68-1201 Eligibility determination; exclusion of certain assets and income.

(1) In determining eligibility for the program for aid to dependent children pursuant to section 43-512 as administered by the State of Nebraska pursuant to the federal Temporary Assistance for Needy Families program, 42 U.S.C. 601 et seq., for the low-income home energy assistance program administered by the State of Nebraska pursuant to the federal Energy Policy Act of 2005, 42 U.S.C. 8621 to 8630, for the Supplemental Nutrition Assistance Program administered by the State of Nebraska pursuant to the federal Food and Nutrition Act of 2008, 7 U.S.C. 2011 et seq., and for the child care subsidy program established pursuant to section 68-1202, the following shall not be included in determining assets or income:

(a) Assets in or income from an educational savings account, a Coverdell educational savings account described in 26 U.S.C. 530, a qualified tuition program established pursuant to 26 U.S.C. 529, or any similar savings account or plan established to save for qualified higher education expenses as defined in section 85-1802;

(b) Income from scholarships or grants related to postsecondary education, whether merit-based, need-based, or a combination thereof;

(c) Income from postsecondary educational work-study programs, whether federally funded, funded by a postsecondary educational institution, or funded from any other source;

(d) Assets in or income from an account under a qualified program as provided in section 77-1402;

(e) Income received for participation in grant-funded research on the impact that income has on the development of children in low-income families, except that such exclusion of income must not exceed four thousand dollars per year for a maximum of eight years and such exclusion shall only be made if the exclusion is permissible under federal law for each program referenced in this section. No such exclusion shall be made for such income on or after December 31, 2026; and

(f) Income from any tax credits received pursuant to the School Readiness Tax Credit Act.

(2) In determining eligibility for the program for aid to dependent children pursuant to section 43-512 as administered by the State of Nebraska pursuant to the federal Temporary Assistance for Needy Families program, 42 U.S.C. 601 et seq., passed-through child support as described in section 43-512.07, shall not be included in determining assets or income.

68-1206 Social services; administration; contracts; payments; duties; federal Child Care Subsidy program; participation; requirements; funding; evaluation.

(1) The Department of Health and Human Services shall administer the program of social services in this state. The department may contract with other social agencies for the purchase of social services at rates not to exceed those prevailing in the state or the cost at which the department could provide those services. The statutory maximum payments for the separate program of aid to dependent children shall apply only to public assistance grants and shall not apply to payments for social services.

(2)(a) As part of the provision of social services authorized by section 68-1202, the department shall participate in the federal child care assistance program under 42 U.S.C. 9857 et seq., as such sections existed on January 1, 2023, and provide child care assistance to families with incomes up to (i) one hundred eighty-five percent of the federal poverty level prior to October 1, 2026, or (ii) one hundred thirty percent of the federal poverty level on and after October 1, 2026.

(b)(i) As part of the provision of social services authorized by this section and section 68-1202, the department shall participate in the federal Child Care Subsidy program. A child care provider seeking to participate in the federal Child Care Subsidy program shall comply with the criminal history record information check requirements of the Child Care Licensing Act. In determining ongoing eligibility for this program, ten percent of a household's gross earned income shall be disregarded after twelve continuous months on the program and at each subsequent redetermination. In determining ongoing eligibility, if a family's income exceeds one hundred eighty-five percent of the federal poverty level prior to October 1, 2026, or one hundred thirty percent of the federal poverty level on and after October 1, 2026, the family shall receive transitional child care assistance through the remainder of the family's eligibility period or until the family's income exceeds eighty-five percent of the state median income for a family of the same size as reported by the United States Bureau of the Census, whichever occurs first. When the family's eligibility period ends, the family shall continue to be eligible for transitional child care assistance if the family's income is below two hundred percent of the federal poverty level prior to October 1, 2026, or one hundred eighty-five percent of the federal poverty level on and after October 1, 2026. The family shall receive transitional child care assistance through the remainder of the transitional eligibility period or until the family's income exceeds eighty-five percent of the state median income for a family of the same size as reported by the United

States Bureau of the Census, whichever occurs first. The amount of such child care assistance shall be based on a cost-shared plan between the recipient family and the state and shall be based on a sliding-scale methodology. A recipient family may be required to contribute a percentage of such family's gross income for child care that is no more than the cost-sharing rates in the transitional child care assistance program as of January 1, 2015, for those no longer eligible for cash assistance as provided in section 68-1724.

(ii) A licensed child care program that employs a member of an eligible household shall make reasonable accommodations so that the eligible applicant or adult household member is not a primary caregiver to such applicant's or adult household member's child. If reasonable accommodation cannot be made, the department shall allow the applicant or adult household member to receive child care assistance for the applicant's or adult household member's child including when the applicant or adult household member is the primary caregiver for such child.

(iii) A licensed child care provider eligible for the child care subsidy may enroll the household member's child in a child care program other than the household member's child care program to receive child care assistance.

(iv) Subdivisions (2)(b)(ii) and (2)(b)(iii) of this section shall become operative on July 1, 2025. The department shall promulgate rules and regulations consistent with these subdivisions.

(c) For the period beginning July 1, 2021, through September 30, 2026, funds provided to the State of Nebraska pursuant to the Child Care and Development Block Grant Act of 1990, 42 U.S.C. 9857 et seq., as such act and sections existed on January 1, 2023, shall be used to pay the costs to the state resulting from the income eligibility changes made in subdivisions (2)(a) and (b) of this section by Laws 2021, LB485. If the available amount of such funds is insufficient to pay such costs, then funds provided to the state for the Temporary Assistance for Needy Families program established in 42 U.S.C. 601 et seq. may also be used. No General Funds shall be used to pay the costs to the state, other than administration costs, resulting from the income eligibility changes made in subdivisions (2)(a) and (b) of this section by Laws 2021, LB485, for the period beginning July 1, 2021, through September 30, 2026.

(d) The Department of Health and Human Services shall collaborate with a private nonprofit organization with expertise in early childhood care and education for an independent evaluation of the income eligibility changes made in subdivisions (2)(a) and (b) of this section by Laws 2021, LB485, if private funding is made available for such purpose. The evaluation shall be completed by July 1, 2024, and shall be submitted electronically to the department and to the Health and Human Services Committee of the Legislature.

(3) In determining the rate or rates to be paid by the department for child care as defined in section 43-2605, the department shall adopt a fixed-rate schedule for the state or a fixed-rate schedule for an area of the state applicable to each child care program category of provider as defined in section 71-1910 which may claim reimbursement for services provided by the federal Child Care Subsidy program, except that the department shall not pay a rate higher than that charged by an individual provider to that provider's private clients. The schedule may provide separate rates for care for infants, for children with special needs, including disabilities or technological dependence, or for other individual categories of children. The schedule may also provide tiered rates

based upon a quality scale rating of step three or higher under the Step Up to Quality Child Care Act. The schedule shall be effective on October 1 of every year and shall be revised annually by the department.

68-1207 Department of Health and Human Services; public child welfare services; supervise; department; caseload requirements; case plan developed.

(1) The Department of Health and Human Services shall supervise all public child welfare services as described by law. The department shall maintain caseloads to carry out child welfare services which provide for adequate, timely, and indepth investigations and services to children and families. Caseloads shall range between twelve and seventeen cases as determined pursuant to subsection (2) of this section. In establishing the specific caseloads within such range, the department shall (a) include the workload factors that may differ due to geographic responsibilities, office location, and the travel required to provide a timely response in the investigation of abuse and neglect, the protection of children, and the provision of services to children and families in a uniform and consistent statewide manner and (b) utilize the workload criteria of the standards established as of January 1, 2012, by the Child Welfare League of America. The average caseload shall be reduced by the department in all service areas as designated pursuant to section 81-3116 to comply with the caseload range described in this subsection by September 1, 2012. Beginning September 15, 2012, the department shall include in its annual report required pursuant to section 68-1207.01 a report on the attainment of the decrease according to such caseload standards. The department's annual report shall also include changes in the standards of the Child Welfare League of America or its successor.

(2) Caseload size shall be determined in the following manner: (a) If children are placed in the home, the family shall count as one case regardless of how many children are placed in the home; (b) if a child is placed out of the home, the child shall count as one case; (c) if, within one family, one or more children are placed in the home and one or more children are placed out of the home, the children placed in the home shall count as one case and each child placed out of the home shall count as one case; and (d) any child receiving services from the department or a private entity under contract with the department shall be counted as provided in subdivisions (a) through (c) of this subsection whether or not such child is a ward of the state. For purposes of this subsection, a child is considered to be placed in the home if the child is placed with his or her biological or adoptive parent or a legal guardian and a child is considered to be placed out of the home if the child is placed in a foster family home as defined in section 71-1901, a residential child-caring agency as defined

in section 71-1926, or any other setting which is not the child's planned permanent home.

(3) To insure appropriate oversight of noncourt and voluntary cases when any child welfare services are provided by the department as a result of a child safety assessment, the department shall develop a case plan that specifies the services to be provided and the actions to be taken by the department and the family in each such case. Such case plan shall clearly indicate, when appropriate, that children are receiving services to prevent out-of-home placement and that, absent preventive services, foster care is the planned arrangement for the child.

(4) To carry out the provisions of this section, the Legislature shall provide funds for additional staff.

68-1210 Department of Health and Human Services; certain foster care children; payment rates; family care services; plan; implementation.

(1) Notwithstanding any other provision of law, the Department of Health and Human Services shall have the authority through rule or regulation to establish payment rates for children with special needs who are in foster care and in the custody of the department.

(2)(a) On or before October 1, 2022, the Division of Medicaid and Long-Term Care and the Division of Children and Family Services of the Department of Health and Human Services shall develop a plan to implement treatment family care services. The plan shall be submitted to the Health and Human Services Committee of the Legislature and the Nebraska Children's Commission.

(b) On or before October 1, 2023, the Division of Medicaid and Long-Term Care shall implement treatment family care services as allowed by federal law. The department shall seek to maximize federal funding for such program prior to utilizing state medicaid funds for eligible children.

68-1212 Department of Health and Human Services; cases; case manager; employee of department; duties.

For all cases in which a court has awarded a juvenile to the care of the Department of Health and Human Services according to subsection (1) of section 43-285 and for any noncourt and voluntary cases, the case manager shall be an employee of the department. Such case manager shall be responsible for and shall directly oversee: Case planning; service authorization; investigation of compliance; monitoring and evaluation of the care and services provided to children and families; and decisionmaking regarding the determination of visitation and the care, placement, medical services, psychiatric services, training, and expenditures on behalf of each juvenile under subsection (1) of section 43-285. Such case manager shall be responsible for decisionmaking and direct preparation regarding the proposed plan for the care, placement, services, and permanency of the juvenile filed with the court required under

subsection (2) of section 43-285. The health and safety of the juvenile shall be the paramount concern in the proposed plan.

To facilitate consistency in training all case managers and allow for Title IV-E reimbursement for case manager training under Title IV-E of the federal Social Security Act, as amended, the same program for initial training of case managers shall be utilized for all case managers. The initial training of all case managers shall be provided by the department or one or more organizations under contract with the department. The department shall create a formal system for measuring and evaluating the quality of such training. All case managers shall complete a formal assessment process after initial training to demonstrate competency prior to assuming responsibilities as a case manager. The training curriculum for case managers shall include, but not be limited to: (1) An understanding of the benefits of utilizing evidence-based and promising casework practices; (2) the importance of guaranteeing service providers' fidelity to evidence-based and promising casework practices; and (3) a commitment to evidence-based and promising family-centered casework practices that utilize a least restrictive approach for children and families.

DISABLED PERSONS AND FAMILY SUPPORT

(a) DISABLED PERSONS AND FAMILY SUPPORT ACT

68-1512 Support; maximum allowance; limitations; appropriations; legislative intent.

(1) The maximum support allowable under sections 68-1501 to 68-1519 shall be (a) four hundred dollars per month per disabled person averaged over any one-year period or (b) four hundred dollars per month per family averaged over

any one-year period for the first disabled family member plus two hundred dollars per month averaged over any one-year period for each additional disabled family member. The department shall not provide support, pursuant to sections 68-1501 to 68-1519, to any family or disabled person whose gross income less the cost of medical or other care specifically related to the disability exceeds the median family income for a family of four in Nebraska, except that the department shall make adjustments for the actual size of the family.

(2) It is the intent of the Legislature that any appropriation relating to this section be increased accordingly so that each person who received support prior to September 2, 2023, will continue to receive support.

(c) FAMILY SUPPORT PROGRAM

68-1529 Legislative findings and declarations.

The Legislature finds and declares that:

(1) The family is vital to the fundamental development of each person in the State of Nebraska;

(2) A growing number of families are searching for ways to provide supports for disabled family members in the home rather than placing them in state or private institutional or residential facilities;

(3) The informal support of family caregivers is the backbone of the system of long-term care services, and the assistance provided to a person with a disability is critical to the financial well-being of the state, particularly when such assistance helps to defer a more costly institutional or residential placement;

(4) Necessary services should be available to families caring for a disabled family member so that disabled persons may remain in the home;

(5) The State of Nebraska should make every effort to preserve each family unit having a child with a disability, to ensure that decisions regarding a child with a disability are based on the best interests of the child and the family, and to ensure that services are provided that promote independent living, family-centered care, and individual choices;

(6) The State of Nebraska should promote cost-effective health care alternatives for disabled persons and should maximize state, federal, and private funding to ensure adequate health care supports and services are available for children with disabilities and their families;

(7) Early intervention (a) has been shown to help a child with a developmental delay, or at risk of a developmental delay, to acquire skills during the most critical period of growth, (b) is a recognized public health approach that helps to ensure that a child has access to services and supports to help the child acquire living skills and increase the likelihood that the child will be self-sufficient or have less dependency on state services, and (c) is a less costly approach for the use of limited state and federal resources;

(8) A child with a disability often needs support after school and during the evening, weekend, and summertime or other school breaks in order to maximize the opportunities for socialization and community integration and to allow

family caregivers the ability to work, focus on self-care, socialize, and participate in community integration;

(9) A family support waiver as proposed under section 68-1530 will supplement the continuum of developmental disability services and other state programming for children with disabilities, remediate current program gaps, and offer a pathway for children with disabilities to gain access to the medical assistance program and capped long-term services and supports; and

(10) Providing support to family caregivers allows them to remain in the workforce which in turn allows the state to benefit from the family caregivers' private health insurance as a first payer.

68-1530 Family support program; Department of Health and Human Services; Advisory Committee on Developmental Disabilities; duties; funding; legislative intent; family support program; services and support; rules and regulations; report.

(1) The Department of Health and Human Services shall apply for a three-year medicaid waiver under section 1915(c) of the federal Social Security Act to administer a family support program which is a home and community-based services program as provided in this section.

(2)(a) The Advisory Committee on Developmental Disabilities created in section 83-1212.01 shall assist in the development and guide the implementation of the family support program. The family support program shall be administered by the Division of Developmental Disabilities of the Department of Health and Human Services.

(b) It is the intent of the Legislature that any funds distributed to Nebraska pursuant to section 9817 of the federal American Rescue Plan Act of 2021, Public Law 117-2, be used to eliminate unmet needs relating to home and community-based services for persons with developmental disabilities as much as is possible.

(c) If funds are distributed to Nebraska pursuant to section 9817 of the federal American Rescue Plan Act of 2021, it is the intent of the Legislature that such funds distributed to Nebraska should at least partially fund the family support program if doing so is in accordance with federal law, rules, regulations, or guidance.

(3) The family support program shall:

(a) Offer an annual capped budget for long-term services and supports of ten thousand dollars for each eligible applicant;

(b) Offer a pathway for medicaid eligibility for disabled children by disregarding parental income and establishing eligibility based on a child's income and assets;

(c) Allow a family to self-direct services, including contracting for services and supports approved by the division; and

(d) Not exceed eight hundred fifty participants.

(4) The department, in consultation with the advisory committee, shall adopt and promulgate rules and regulations for the implementation of the family support program to be set at an intermediate care facility institutional level of

care to support children with intellectual and developmental disabilities and their families. Such rules and regulations shall include, but not be limited to:

(a) Criteria for and types of long-term services and supports to be provided by the family support program;

(b) The method, as provided in section 68-1532, for allocating resources to family units participating in the family support program;

(c) Eligibility determination, including, but not limited to, a child's maximum income and assets;

(d) The enrollment process;

(e) Limits on benefits; and

(f) Processes to establish quality assurance, including, but not limited to, measures of family satisfaction.

(5) The division shall administer the family support program within the limits of the appropriations by the Legislature for such program.

(6) The division shall submit an annual report electronically to the Legislature on the family support program. The report shall include:

(a) The distribution of available funds, the total number of children and families served, and the status of the waiting list for the comprehensive waiver and other applicable waivers;

(b) A summary of any grievances filed by family units pertaining to the family support program, including any appeals and a description of how such grievances were resolved;

(c) The number and demographics of children with disabilities and their families who applied under the family support program but who were not found eligible and the reason such children and their families were not found eligible;

(d) Quality assurance activities and the results of annual measures of family satisfaction; and

(e) Recommendations to innovate the family support program, improve current programming, and maximize limited funding, including, but not limited to, the potential utilization of other medicaid pathways or medicaid waivers that could help increase access to medicaid and long-term services and supports for children with disabilities or special health care needs.

68-1531 Services and support; eligibility.

In order to be eligible for services and support under section 68-1530:

(1) The child shall reside in the State of Nebraska;

(2) The income and assets of the child shall not exceed the maximum established under subsection (4) of section 68-1530;

(3) The child shall have a medically determinable physical or mental impairment or combination of impairments that (a) causes marked and severe functional limitations and (b) can be expected to cause death or has lasted or can be expected to last for a continuous period of not less than twelve months; and

(4) The child shall be determined to meet the intermediate care facility institutional level of care criteria as set forth in subsection (4) of section 68-1530.

68-1532 Family support program; services and support; priorities.

The Department of Health and Human Services shall allocate medicaid waiver benefits under section 68-1530 based on appropriations by the Legislature for such waiver and give priority status in the following order:

(1) First, to disabled children and family units in crisis situations in which the disabled child tends to self-injure or injure siblings and other family members;

(2) Second, to disabled children who are at risk for placement in juvenile detention centers, other institutional settings, or out-of-home placements;

(3) Third, to disabled children whose primary caretakers are grandparents because no other family caregivers are available to provide care;

(4) Fourth, to families who have more than one disabled child residing in the family home; and

(5) Fifth, based on the date of application under the family support program.

WELFARE REFORM

(a) WELFARE REFORM ACT

Section

(a) WELFARE REFORM ACT

68-1713 Department of Health and Human Services; implementation of policies; transitional health care benefits.

(1) The Department of Health and Human Services shall implement the following policies:

(a) Permit Work Experience in Private for-Profit Enterprises;

(b) Permit Job Search;

(c) Permit Employment to be Considered a Program Component;

(d) Make Sanctions More Stringent to Emphasize Participant Obligations;

(e) Alternative Hearing Process;

(f) Permit Adults in Two-Parent Households to Participate in Activities Based on Their Self-Sufficiency Needs;

(g) Eliminate Exemptions for Individuals with Children Between the Ages of 12 Weeks and Age Six;

(h) Providing Poor Working Families with Transitional Child Care to Ease the Transition from Welfare to Self-Sufficiency;

(i) Provide Transitional Health Care for 12 Months After Termination of ADC if funding for such transitional medical assistance is available under Title XIX of the federal Social Security Act, as amended, as described in section 68-906;

(j) Require Adults to Ensure that Children in the Family Unit Attend School;

(k) Encourage Minor Parents to Live with Their Parents;

(l) Establish a Resource Limit of $4,000 for a single individual and $6,000 for two or more individuals for ADC;

(m) Exclude the Value of One Vehicle Per Family When Determining ADC Eligibility;

(n) Exclude the Cash Value of Life Insurance Policies in Calculating Resources for ADC;

(o) Establish the Supplemental Nutrition Assistance Program as a Continuous Benefit with Eligibility Reevaluated with Yearly Redeterminations;

(p) Establish a Budget the Gap Methodology Whereby Countable Earned Income is Subtracted from the Standard of the Need and Payment is Based on the Difference or Maximum Payment Level, Whichever is Less. That this Gap be Established at a Level that Encourages Work but at Least at a Level that Ensures that Those Currently Eligible for ADC do not Lose Eligibility Because of the Adoption of this Methodology;

(q) Adopt an Earned Income Disregard described in section 68-1726 in the ADC Program, One Hundred Dollars in the Related Medical Assistance Program, and Income and Assets Described in section 68-1201;

(r) Disregard Financial Assistance Described in section 68-1201 and Other Financial Assistance Intended for Books, Tuition, or Other Self-Sufficiency Related Use;

(s) Culture: Eliminate the 100-Hour Rule, The Quarter of Work Requirement, and The 30-Day Unemployed/Underemployed Period for ADC-UP Eligibility;

(t) Make ADC a Time-Limited Program;

(u) Adopt an Unearned Income Disregard described in section 68-1201 in the ADC Program, the Supplemental Nutrition Assistance Program, and the Child Care Subsidy Program established pursuant to section 68-1202; and

(v) Adopt a child support disregard described pursuant to section 43-512.07.

(2) The Department of Health and Human Services shall (a) apply for a waiver to allow for a sliding-fee schedule for the population served by the caretaker relative program or (b) pursue other public or private mechanisms, to provide for transitional health care benefits to individuals and families who do not qualify for cash assistance. It is the intent of the Legislature that transitional health care coverage be made available on a sliding-scale basis to individuals and families with incomes up to one hundred eighty-five percent of the federal poverty level if other health care coverage is not available.

Effective date July 19, 2024.

68-1724 Cash assistance; duration; reimbursement of expenses; when; conditions; extension of time limit.

(1) Cash assistance shall be provided for a period or periods of time not to exceed a total of sixty months for recipient families with children subject to the following:

(a) If the state fails to meet the specific terms of the self-sufficiency contract developed under section 68-1719, the sixty-month time limit established in this section shall be extended;

(b) The sixty-month time period for cash assistance shall begin within the first month of eligibility;

(c) When no longer eligible to receive cash assistance, assistance shall be available to reimburse work-related child care expenses even if the recipient family has not achieved economic self-sufficiency. The amount of such assistance shall be based on a cost-shared plan between the recipient family and the state which shall provide assistance up to two hundred percent of the federal poverty level prior to October 1, 2026, or one hundred eighty-five percent of the federal poverty level on and after October 1, 2026. A recipient family may be required to contribute up to twenty percent of such family's gross income for child care. It is the intent of the Legislature that transitional health care coverage be made available on a sliding-scale basis to individuals and families with incomes up to one hundred eighty-five percent of the federal poverty level if other health care coverage is not available; and

(d) The self-sufficiency contract shall be revised and cash assistance extended when there is no job available for adult members of the recipient family. It is the intent of the Legislature that available job shall mean a job which results in an income of at least equal to the amount of cash assistance that would have been available if receiving assistance minus unearned income available to the recipient family.

The department shall develop policy guidelines to allow for cash assistance to persons who have received the maximum cash assistance provided by this section and who face extreme hardship without additional assistance. For purposes of this section, extreme hardship means a recipient family does not have adequate cash resources to meet the costs of the basic needs of food, clothing, and housing without continuing assistance or the child or children are at risk of losing care by and residence with their parent or parents.

(2) Cash assistance conditions under the Welfare Reform Act shall be as follows:

(a) Adults in recipient families shall mean individuals at least nineteen years of age living with and related to a child eighteen years of age or younger and shall include parents, siblings, uncles, aunts, cousins, or grandparents, whether the relationship is biological, adoptive, or step;

(b) The payment standard shall be based upon family size;

(c) The adults in the recipient family shall ensure that the minor children regularly attend school. Education is a valuable personal resource. The cash assistance provided to the recipient family may be reduced when the parent or parents have failed to take reasonable action to encourage the minor children of the recipient family ages sixteen and under to regularly attend school. No reduction of assistance shall be such as may result in extreme hardship. It is the intent of the Legislature that a process be developed to insure communication between the case manager, the parent or parents, and the school to address issues relating to school attendance;

(d) Two-parent families which would otherwise be eligible under section 43-504 or a federally approved waiver shall receive cash assistance under this section;

(e) For minor parents, the assistance payment shall be based on the minor parent's income. If the minor parent lives with at least one parent, the family's income shall be considered in determining eligibility and cash assistance payment levels for the minor parent. If the minor parent lives independently, support shall be pursued from the parents of the minor parent. If the absent parent of the minor's child is a minor, support from his or her parents shall be pursued. Support from parents as allowed under this subdivision shall not be pursued when the family income is less than three hundred percent of the federal poverty guidelines; and

(f) For adults who are not biological or adoptive parents or stepparents of the child or children in the family, if assistance is requested for the entire family, including the adults, a self-sufficiency contract shall be entered into as provided in section 68-1719. If assistance is requested for only the child or children in such a family, such children shall be eligible after consideration of the family's income and if (i) the family cooperates in pursuing child support and (ii) the minor children of the family regularly attend school.

68-2103 Hospital inpatient and outpatient services; assessments and directed-payment programs; establish; department; powers and duties.

(1) The department shall amend the medicaid state plan or file other federal authorizing documents to establish assessments and directed-payment programs for hospital inpatient and outpatient services.

(2) Upon approval by the federal Centers for Medicare and Medicaid Services of a hospital assessment and a directed-payment program, the department shall impose an assessment on hospitals to assure quality and access in the medical assistance program.

(3) The department may establish different assessment rates based on categories of hospital or hospital services as allowed by federal law.

(4) The department shall consult with a statewide association representing a majority of hospitals and health systems in Nebraska regarding the development, implementation, and annual renewal of the assessments and the directed-payment programs.

(5) The department shall partner with a statewide association representing a majority of hospitals and health systems in Nebraska to:

(a) Aggregate inpatient, outpatient, and clinic claims data in order to establish quality improvement metrics and track progress on identified metrics; and

(b) Design and implement quality initiatives to improve children's mental health, adult mental health, maternity care, and senior care.

(6) The department shall adopt and promulgate rules and regulations that are necessary to implement the Hospital Quality Assurance and Access Assessment Act.

Effective date March 28, 2024.

68-2104 Assessments; collection and remittance.

(1) Except as provided in section 68-2106, the department shall collect assessments from hospitals and remit the assessments to the State Treasurer for credit to the Hospital Quality Assurance and Access Assessment Fund. It is the intent of the Legislature that no proceeds from the fund, including the federal match, shall be credited directly to the General Fund except as provided in subdivision (3)(a) of section 68-2106.

(2) The first quarterly payment of each fiscal year made by the department shall be transferred from the General Fund. All remaining quarterly payments shall be paid as provided in section 68-2106.

Source: Laws 2024, LB1087, § 4.
Effective date March 28, 2024.

68-2105 Assessment; statewide aggregate assessment; amounts, how determined; payment; procedure.

(1) Each hospital shall pay an assessment based on net patient revenue for the purpose of improving the quality of, and access to, hospital care in the state. The statewide aggregate assessment shall equal (a) the state share of the payments authorized by the federal Centers for Medicare and Medicaid Services and (b) funds for expenditures as provided in subsection (3) of section 68-2106. The statewide aggregate assessment total shall not exceed six percent of the net patient revenue of all assessed hospitals.

(2)(a) A hospital shall pay its quarterly assessment within thirty days after receipt of its quarterly directed payments. Failure of a hospital to remit the assessments may result in penalties, interest, or legal action.

(b) A new hospital shall begin paying an assessment and receiving directed payments at the start of the first full fiscal year after the hospital is eligible for medicaid reimbursement for inpatient or outpatient services. A hospital that has merged with another hospital shall have its assessment and directed payments revised at the start of the first full fiscal year after the merger is recognized by the department. A closed hospital shall be retroactively responsible for assessments owed and shall receive directed payments for services provided.

(3) If the department determines that a hospital has underpaid or overpaid assessments, the department shall notify the hospital of the unpaid assessments or of any refund due. Such payment or refund shall be due or refunded within thirty days after the date of the notice.

68-2106 Hospital Quality Assurance and Access Assessment Fund; created; use; investment; department; duties; medicaid managed care organizations; hospitals; prohibited acts.

(1) The Hospital Quality Assurance and Access Assessment Fund is created. Interest earned on the fund shall be credited to the fund. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) The department shall use the Hospital Quality Assurance and Access Assessment Fund, including the matching federal financial participation, for the purpose of enhancing rates paid to hospitals under the medical assistance program except as allowed by subsection (3) of this section. Money in the fund shall not be used to replace or offset existing state funds paid to hospitals for providing services under the medical assistance program.

(3) The Hospital Quality Assurance and Access Assessment Fund shall also be used to:

(a) Reimburse the General Fund the amount of the first quarterly payment on or before June 30 of each fiscal year;

(b) Reimburse the department an administrative fee of three percent of the assessment, not to exceed fifteen million dollars per year, to collect assessments and administer directed-payment programs established by the Hospital Quality Assurance and Access Assessment Act;

(c) Provide the Nebraska Center for Nursing Board one-half of one percent of the assessment, not to exceed two million five hundred thousand dollars per year, for the expansion of clinical nursing training sites as authorized in subsection (3) of section 71-1798; and

(d) Provide funding of three and one-half percent of the assessment, not to exceed seventeen million five hundred thousand dollars per year, for rates for nonhospital providers in the medical assistance program, continuous eligibility for children, or the designated health information exchange authorized in section 81-6,125.

(4) In calculating rates, the proceeds from assessments and federal match not utilized under subsection (3) of this section shall be used to enhance rates for hospital inpatient and outpatient services in addition to any funds appropriated by the Legislature.

(5) The department shall collect data for revenue, discharge, and inpatient days from a hospital that does not file an annual medicare cost report. At the request of the department, a hospital that does not file an annual medicare cost report shall submit such requested data to the department.

(6) The department shall prohibit a medicaid managed care organization from (a) setting, establishing, or negotiating reimbursement rates with a hospital in a manner that takes into account, directly or indirectly, a directed payment that a hospital receives under the Hospital Quality Assurance and Access Assessment Act, (b) unnecessarily delaying a directed payment to a hospital, or (c) recouping or offsetting a directed payment for any reason.

(7)(a) A hospital shall not:

(i) Set, establish, or negotiate reimbursement rates with a managed care organization in a manner that directly or indirectly takes into account a directed payment that a hospital receives under the Hospital Quality Assurance and Access Assessment Act; or

(ii) Directly pass on the cost of an assessment to patients or nonmedicaid payors, including as a fee or rate increase.

(b) A hospital that violates this subsection shall not receive a directed payment for the remainder of the rate year. This subsection shall not be construed to prohibit a hospital from negotiating with a payor for a rate increase.

69-1204 License; application; fees; bond; expiration; copy of contract.

(1) Any person desiring to obtain a license to engage in the debt management business in this state shall file with the secretary an application in writing, under oath, setting forth the person's business name, the person's social security number if the applicant is an individual, the exact location of the person's office, the names and addresses of all officers and directors if an association or a corporation, if a partnership, the partnership name and the names and addresses of all partners, and if a limited liability company, the company name and the names and addresses of all members, and a copy of the certificate of registration of trade name, certificate of partnership, articles of organization, or articles of incorporation.

(2) At the time of filing the application, the applicant shall pay to the secretary a license fee of two hundred dollars for the main office within each county and one hundred dollars for each additional office. An initial investigation fee of two hundred dollars shall also be paid to the secretary at the time of filing the application.

(3) At the time of filing the application, the applicant shall furnish a bond to the people of the state in the sum of ten thousand dollars, conditioned upon the faithful accounting of all money collected upon accounts entrusted to such person engaged in debt management, and the person's employees and agents. The aggregate liability of the surety to all claimants doing business with the office for which the bond is filed shall in no event exceed the amount of such bond. The bond or bonds shall be approved by the secretary and filed in the office of the Secretary of State. No person, firm, limited liability company, or corporation shall engage in the business of debt management until a good and sufficient bond is filed in accordance with sections 69-1201 to 69-1217.

(4) Each licensee shall furnish with the application a blank copy of the contract that the licensee intends to use between the licensee and the debtor and shall notify the secretary of all changes and amendments thereto within thirty days after such changes and amendments.

(5) The license issued under sections 69-1201 to 69-1217 shall expire on December 31 next following its issuance unless sooner surrendered, revoked, or suspended, but may be renewed as provided in such sections.

(6) The secretary shall remit the fees received pursuant to this section to the State Treasurer for credit to the Secretary of State Cash Fund.

DISPOSITION OF UNCLAIMED PROPERTY

(a) UNIFORM DISPOSITION OF UNCLAIMED PROPERTY ACT

(a) UNIFORM DISPOSITION OF UNCLAIMED PROPERTY ACT

69-1302 Property held or owing by a banking or financial organization or business association; presumed abandoned; when.

The following property held or owing by a banking or financial organization or by a business association is presumed abandoned:

(a) Any demand, savings, or matured time deposit that is not automatically renewable made in this state with a banking organization, together with any interest or dividends thereon, excluding any charges that may lawfully be withheld, unless the owner has, within five years:

(1) Increased or decreased the amount of the deposit, or presented the passbook or other similar evidence of the deposit for the crediting of interest or dividends; or

(2) Corresponded in writing with the banking organization concerning the deposit; or

(3) Otherwise indicated an interest in the deposit as evidenced by a memorandum or other record on file with the banking organization; or

(4) Owned other property to which subdivision (a)(1), (2), or (3) applies and if the banking organization corresponds in writing with the owner with regard to the property that would otherwise be presumed abandoned under subdivision (a) of this section at the address to which correspondence regarding the other property regularly is sent; or

(5) Had another relationship with the banking organization concerning which the owner has:

(i) Corresponded in writing with the banking organization; or

(ii) Otherwise indicated an interest as evidenced by a memorandum or other record on file with the banking organization and if the banking organization corresponds in writing with the owner with regard to the property that would otherwise be abandoned under subdivision (a) of this section at the address to which correspondence regarding the other relationship regularly is sent.

(b) Any funds paid in this state toward the purchase of shares or other interest in a financial organization or any deposit that is not automatically renewable, including a certificate of indebtedness that is not automatically renewable, made therewith in this state, and any interest or dividends thereon, excluding any charges that may lawfully be withheld, unless the owner has within five years:

(1) Increased or decreased the amount of the funds or deposit, or presented an appropriate record for the crediting of interest or dividends; or

(2) Corresponded in writing with the financial organization concerning the funds or deposit; or

(3) Otherwise indicated an interest in the funds or deposit as evidenced by a memorandum or other record on file with the financial organization; or

(4) Owned other property to which subdivision (b)(1), (2), or (3) applies and if the financial organization corresponds in writing with the owner with regard to the property that would otherwise be presumed abandoned under subdivision (b) of this section at the address to which correspondence regarding the other property regularly is sent; or

(5) Had another relationship with the financial organization concerning which the owner has:

(i) Corresponded in writing with the financial organization; or

(ii) Otherwise indicated an interest as evidenced by a memorandum or other record on file with the financial organization and if the financial organization corresponds in writing with the owner with regard to the property that would otherwise be abandoned under this subdivision (b) of this section at the address to which correspondence regarding the other relationship regularly is sent.

(c) A holder may not, with respect to property described in subdivision (a) or (b) of this section, impose any charges solely due to dormancy or cease payment of interest solely due to dormancy unless there is a written contract

between the holder and the owner of the property pursuant to which the holder may impose reasonable charges or cease payment of interest or modify the imposition of such charges and the conditions under which such payment may be ceased. A holder of such property who imposes charges solely due to dormancy may not increase such charges with respect to such property during the period of dormancy. The contract required by this subdivision may be in the form of a signature card, deposit agreement, or similar agreement which contains or incorporates by reference (1) the holder's schedule of charges and the conditions, if any, under which the payment of interest may be ceased or (2) the holder's rules and regulations setting forth the holder's schedule of charges and the conditions, if any, under which the payment of interest may be ceased.

(d)(1) Any time deposit that is automatically renewable, including a certificate of indebtedness that is automatically renewable, made in this state with a banking or financial organization, together with any interest thereon, seven years after the expiration of the initial time period or any renewal time period unless the owner has, during such initial time period or renewal time period:

(i) Increased or decreased the amount of the deposit, or presented an appropriate record or other similar evidence of the deposit for the crediting of interest;

(ii) Corresponded in writing with the banking or financial organization concerning the deposit;

(iii) Otherwise indicated an interest in the deposit as evidenced by a memorandum or other record on file with the banking or financial organization;

(iv) Owned other property to which subdivision (d)(1)(i), (ii), or (iii) of this section applies and if the banking or financial organization corresponds in writing with the owner with regard to the property that would otherwise be presumed abandoned under subdivision (d) of this section at the address to which correspondence regarding the other property regularly is sent; or

(v) Had another relationship with the banking or financial organization concerning which the owner has:

(A) Corresponded in writing with the banking or financial organization; or

(B) Otherwise indicated an interest as evidenced by a memorandum or other record on file with the banking or financial organization and if the banking or financial organization corresponds in writing with the owner with regard to the property that would otherwise be abandoned under subdivision (d) of this section at the address to which correspondence regarding the other relationship regularly is sent.

(2) If, at the time provided for delivery in section 69-1310, a penalty or forfeiture in the payment of interest would result from the delivery of a time deposit subject to subdivision (d) of this section, the time for delivery shall be extended until the time when no penalty or forfeiture would result.

(e) Any sum payable on checks certified in this state or on written instruments issued in this state on which a banking or financial organization or business association is directly liable, including, by way of illustration but not of limitation, certificates of deposit that are not automatically renewable, drafts, money orders, and traveler's checks, that, with the exception of money orders and traveler's checks, has been outstanding for more than five years from the date it was payable, or from the date of its issuance if payable on demand, or, in the case of (i) money orders, that has been outstanding for more than seven

years from the date of issuance and (ii) traveler's checks, that has been outstanding for more than fifteen years from the date of issuance, unless the owner has within five years, or within seven years in the case of money orders and within fifteen years in the case of traveler's checks, corresponded in writing with the banking or financial organization or business association concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the banking or financial organization or business association.

(f) Any funds or other personal property, tangible or intangible, removed from a safe deposit box or any other safekeeping repository or agency or collateral deposit box in this state on which the lease or rental period has expired due to nonpayment of rental charges or other reason, or any surplus amounts arising from the sale thereof pursuant to law, that have been unclaimed by the owner for more than three years from the date on which the lease or rental period expired. If the State Treasurer or his or her designee determines after investigation that any delivered property has insubstantial commercial value, the State Treasurer or his or her designee may destroy or otherwise dispose of the property at any time. No action or proceeding may be maintained against the state or any officer or against the banking or financial organization for or on account of any action taken by the State Treasurer pursuant to this subdivision.

(g) For the purposes of this section failure of the United States mails to return a letter, duly deposited therein, first-class postage prepaid, to the last-known address of an owner of tangible or intangible property shall be deemed correspondence in writing and shall be sufficient to overcome the presumption of abandonment created herein. A memorandum or writing on file with such banking or financial organization shall be sufficient to evidence such failure.

69-1310 Property presumed abandoned; reports to State Treasurer; contents; filing date; property accompany report; prevent abandonment, when; verification.

(a) Every person holding funds or other property, tangible or intangible, presumed abandoned under the Uniform Disposition of Unclaimed Property Act shall report to the State Treasurer with respect to the property as hereinafter provided.

(b) The report shall be verified and shall include:

(1) Except with respect to traveler's checks and money orders, the name, if known, and last-known address, if any, of each person appearing from the records of the holder to be the owner of any property presumed abandoned under the act;

(2) In case of unclaimed funds of life insurance corporations, the full name of the insured or annuitant and his or her last-known address according to the life insurance corporation's records;

(3) The nature and identifying number, if any, or description of the property and the amount appearing from the records to be due;

(4) The date when the property became payable, demandable, or returnable, and the date of the last transaction with the owner with respect to the property; and

(5) Other information which the State Treasurer may prescribe by rule as necessary for the administration of the act.

(c) If the person holding property presumed abandoned is a successor to other persons who previously held the property for the owner, or if the holder has changed his or her name while holding the property, he or she shall file with his or her report all prior known names and addresses of each holder of the property.

(d) The report shall be filed before November 1 of each year as of June 30 next preceding, but the report of life insurance corporations shall be filed before May 1 of each year as of December 31 next preceding. A one-time supplemental report shall be filed by life insurance corporations with regard to property subject to section 69-1307.05 before November 1, 2003, as of December 31, 2002, as if section 69-1307.05 had been in effect before January 1, 2003. The property must accompany the report unless excused by the State Treasurer for good cause. The State Treasurer may postpone the reporting date upon written request by any person required to file a report. Any person holding intangible property presumed abandoned due to be reported with a cumulative value of fifty dollars or less in a single reporting year shall not be required to report the property in that year but shall report the property in any year when the property value or total report value exceeds fifty dollars.

(e) If the holder of property presumed abandoned under the act knows the whereabouts of the owner and if the owner's claim has not been barred by the statute of limitations, the holder shall, before filing the annual report, communicate with the owner and take necessary steps to prevent abandonment from being presumed. The holder shall exercise due diligence to ascertain the whereabouts of the owner.

(f) Verification, if made by a partnership, shall be executed by a partner; if made by a limited liability company, by a member; if made by an unincorporated association or private corporation, by an officer; and if made by a public corporation, by its chief fiscal officer.

69-1311 Report of property presumed abandoned; notices; time; contents; exceptions.

(a) Between March 1 and March 10 of each year the State Treasurer shall cause notice to be published once in an English language legal newspaper of general circulation in the county in this state in which is located the last-known address of any person to be named in the notice. If no address is known, then the notice shall be published in a legal newspaper having statewide circulation.

(b) The published notice shall be entitled Notice to Owners of Abandoned Property, and shall contain:

(1) The names in alphabetical order and counties of last-known addresses, if any, of persons listed in the report and entitled to notice as provided in subsection (a) of this section.

(2) A statement that information concerning the amount or description of the property and the name and address of the holder may be obtained by any person possessing an interest in the property by addressing an inquiry to the State Treasurer.

(c) The State Treasurer is not required to publish in such notice any item of less than fifty dollars unless he or she deems such publication to be in the public interest.

(d) Within one hundred twenty days from the receipt of the report required by section 69-1310, the State Treasurer shall mail a notice to each person having an address listed therein who appears to be entitled to property of the value of fifty dollars or more presumed abandoned under the Uniform Disposition of Unclaimed Property Act.

(e) The mailed notice shall contain:

(1) A statement that, according to a report filed with the State Treasurer, property is being held to which the addressee appears entitled.

(2) The name and address of the person holding the property and any necessary information regarding changes of name and address of the holder.

(3) A statement that, if satisfactory proof of claim is presented by the owner to the State Treasurer, arrangements will be made to transfer the property to the owner as provided by law.

(f) This section is not applicable to sums payable on traveler's checks or money orders presumed abandoned under section 69-1302.

69-1317 Abandoned property; Unclaimed Property Trust Fund; record; professional finder's fee; information withheld; when; transfers; Unclaimed Property Cash Fund; created; investment.

(a)(1) Except as otherwise provided in this subdivision, all funds received under the Uniform Disposition of Unclaimed Property Act, including the proceeds from the sale of abandoned property under section 69-1316, shall be deposited by the State Treasurer into the Unclaimed Property Trust Fund from which he or she shall make prompt payment of claims allowed pursuant to the act and payment of any expenses related to unclaimed property. All funds received under section 69-1307.05 shall be deposited by the State Treasurer into the Unclaimed Property Trust Fund from which he or she shall make prompt payment of claims regarding such funds allowed pursuant to the act. Transfers from the Unclaimed Property Trust Fund to the General Fund may be made at the direction of the Legislature. Before making the deposit he or she shall record the name and last-known address of each person appearing from the holders' reports to be entitled to the abandoned property, the name and last-known address of each insured person or annuitant, and with respect to each policy or contract listed in the report of a life insurance corporation, its number, the name of the corporation, and the amount due. The record shall be available for public inspection during business hours. The separate life insur-

ance corporation demutualization trust fund terminates on March 13, 2019, and the State Treasurer shall transfer any money in the fund on such date to the Unclaimed Property Trust Fund.

The record shall not be subject to public inspection or available for copying, reproduction, or scrutiny by commercial or professional locators of property presumed abandoned who charge any service or finders' fee until twenty-four months after the names from the holders' reports have been published or officially disclosed. Records concerning the social security number, date of birth, and last-known address of an owner shall be treated as confidential and subject to the same confidentiality as tax return information held by the Department of Revenue, except that the Auditor of Public Accounts shall have unrestricted access to such records.

A professional finders' fee shall be limited to ten percent of the total dollar amount of the property presumed abandoned. To claim any such fee, the finder shall disclose to the owner the nature, location, and value of the property, provide notice of when such property was reported to the State Treasurer, and provide notice that the property may be claimed by the owner from the State Treasurer free of charge. To claim any such fee if the property has not yet been abandoned, the finder shall disclose to the owner the nature, location, and value of the property, provide notice of when such property will be reported to the State Treasurer, if known, and provide notice that, upon receipt of the property by the State Treasurer, such property may be claimed by the owner from the State Treasurer free of charge.

(2) The unclaimed property records of the State Treasurer, the unclaimed property reports of holders, and the information derived by an unclaimed property examination or audit of the records of a person or otherwise obtained by or communicated to the State Treasurer may be withheld from the public. Any record or information that may be withheld under the laws of this state or of the United States when in the possession of such a person may be withheld when revealed or delivered to the State Treasurer. Any record or information that is withheld under any law of another state when in the possession of that other state may be withheld when revealed or delivered by the other state to the State Treasurer.

Information withheld from the general public concerning any aspect of unclaimed property shall only be disclosed to an apparent owner of the property or to the escheat, unclaimed, or abandoned property administrators or officials of another state if that other state accords substantially reciprocal privileges to the State Treasurer.

(b) On or before November 1 of each year, the State Treasurer shall distribute any balance in excess of one million dollars from the Unclaimed Property Trust Fund to the permanent school fund.

(c) Before making any deposit to the credit of the permanent school fund or the General Fund, the State Treasurer may deduct any costs related to unclaimed property and place such funds in the Unclaimed Property Cash Fund which is hereby created. Transfers from the fund to the General Fund may be made at the direction of the Legislature. Any money in the Unclaimed Property Cash Fund available for investment shall be invested by the state investment

officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

69-1321 Abandoned property; State Treasurer; decline to accept; when; other payments or delivery authorized.

(a) The State Treasurer or his or her designee, after receiving reports of property deemed abandoned pursuant to the Uniform Disposition of Unclaimed Property Act, may decline to receive any property reported which he or she deems to have a value less than the cost of giving notice and holding sale, or he or she may, if he or she deems it desirable because of the small sum involved, postpone taking possession until a sufficient sum accumulates. Unless the holder of the property is notified to the contrary within one hundred twenty days after filing the report required under section 69-1310, the State Treasurer or his or her designee shall be deemed to have elected to receive the custody of the property.

(b) A holder may pay or deliver property before the property is presumed abandoned with written consent of the State Treasurer or his or her designee and upon conditions and terms prescribed by the State Treasurer or his or her designee. Property paid or delivered under this subsection shall be held by the State Treasurer and is not presumed abandoned until such time as it otherwise would be presumed abandoned under the act.

69-2011 Disposable diapers; requirements; Director of Environment and Energy; duties.

On and after October 1, 1993, a person shall not sell or offer for sale at retail any disposable diaper which is constructed of a material which is not biodegradable or photodegradable if the Director of Environment and Energy determines that biodegradable or photodegradable disposable diapers are readily available at a comparable price and quality. The determination of quality shall include a study of the environmental impact and fate of such disposable diapers. The director shall issue his or her determination to the Legislature on or before October 1, 1992. For purposes of this section (1) readily available shall mean available for purchase in sufficient quantities to meet demand through usual retail channels throughout the state and (2) comparable price and quality shall mean at a cost not in excess of five percent above the average price for products of comparable quality which are not biodegradable or photodegradable.

CONSUMER RENTAL PURCHASE AGREEMENTS

Section
69-2103. Terms, defined.
69-2104. Lessor; disclosures required.
69-2112. Advertisement; requirements.
69-2117. Cease and desist order; fine; injunction; procedures; appeal.

69-2103 Terms, defined.

For purposes of the Consumer Rental Purchase Agreement Act:

(1) Advertisement means a commercial message in any medium that aids, promotes, or assists directly or indirectly a consumer rental purchase agreement but does not include in-store merchandising aids such as window signs and ceiling banners;

(2) Cash price means the price at which the lessor would have sold the property to the consumer for cash on the date of the consumer rental purchase agreement for the property;

(3) Consumer means a natural person who rents property under a consumer rental purchase agreement;

(4) Consumer rental purchase agreement means an agreement which is for the use of property by a consumer primarily for personal, family, or household purposes, which is for an initial period of four months or less, whether or not there is any obligation beyond the initial period, which is automatically renewable with each payment, and which permits the consumer to become the owner of the property. A consumer rental purchase agreement in compliance with the

act shall not be construed to be a lease or agreement which constitutes a credit sale as defined in 12 C.F.R. 1026.2(a)(16), as such regulation existed on January 1, 2024, and 15 U.S.C. 1602(h), as such section existed on January 1, 2024, or a lease which constitutes a consumer lease as defined in 12 C.F.R. 1013.2, as such regulation existed on January 1, 2024. Consumer rental purchase agreement does not include:

(a) Any lease for agricultural, business, or commercial purposes;

(b) Any lease made to an organization;

(c) A lease or agreement which constitutes an installment sale or installment contract as defined in section 45-335;

(d) A security interest as defined in subdivision (35) of section 1-201, Uniform Commercial Code; and

(e) A home solicitation sale as defined in section 69-1601;

(5) Consummation means the occurrence of an event which causes a consumer to become contractually obligated on a consumer rental purchase agreement;

(6) Department means the Department of Banking and Finance;

(7) Lease payment means a payment to be made by the consumer for the right of possession and use of the property for a specific lease period but does not include taxes imposed on such payment;

(8) Lease period means a week, month, or other specific period of time, during which the consumer has the right to possess and use the property after paying the lease payment and applicable taxes for such period;

(9) Lessor means a person who in the ordinary course of business operates a commercial outlet which regularly leases, offers to lease, or arranges for the leasing of property under a consumer rental purchase agreement;

(10) Property means any property that is not real property under the laws of this state when made available for a consumer rental purchase agreement; and

(11) Total of payments to acquire ownership means the total of all charges imposed by the lessor and payable by the consumer as a condition of acquiring ownership of the property. Total of payments to acquire ownership includes lease payments and any initial nonrefundable administrative fee or required delivery charge but does not include taxes, late charges, reinstatement fees, or charges for optional products or services.

Operative date April 18, 2024.

69-2104 Lessor; disclosures required.

(1) Before entering into any consumer rental purchase agreement, the lessor shall disclose to the consumer the following items as applicable:

(a) A brief description of the leased property sufficient to identify the property to the consumer and lessor;

(b) The number, amount, and timing of all payments included in the total of payments to acquire ownership;

(c) The total of payments to acquire ownership;

(d) A statement that the consumer will not own the property until the consumer has paid the total of payments to acquire ownership plus applicable taxes;

(e) A statement that the total of payments to acquire ownership does not include other charges such as taxes, late charges, reinstatement fees, or charges for optional products or services the consumer may have elected to purchase and that the consumer should see the rental purchase agreement for an explanation of these charges;

(f) A statement that the consumer is responsible for the fair market value, remaining rent, early purchase option amount, or cost of repair of the property, whichever is less, if it is lost, stolen, damaged, or destroyed;

(g) A statement indicating whether the property is new or used. A statement that indicates that new property is used shall not be a violation of the Consumer Rental Purchase Agreement Act;

(h) A statement of the cash price of the property. When the agreement involves a lease for two or more items, a statement of the aggregate cash price of all items shall satisfy the requirement of this subdivision;

(i) The total amount of the initial payments required to be paid before consummation of the agreement or delivery of the property, whichever occurs later, and an itemization of the components of the initial payment, including any initial nonrefundable administrative fee or delivery charge, lease payment, taxes, or fee or charge for optional products or services;

(j) A statement clearly summarizing the terms of the consumer's options to purchase, including a statement that at any time after the first periodic payment is made the consumer may acquire ownership of the property by tendering an amount which may not exceed fifty-five percent of the difference between the total of payments to acquire ownership and the total of lease payments the consumer has paid on the property at that time;

(k) A statement identifying the party responsible for maintaining or servicing the property while it is being leased, together with a description of that responsibility and a statement that if any part of a manufacturer's warranty covers the leased property at the time the consumer acquires ownership of the property, such warranty shall be transferred to the consumer if allowed by the terms of the warranty; and

(l) The date of the transaction and the names of the lessor and the consumer.

(2) With respect to matters specifically governed by the federal Consumer Credit Protection Act, 15 U.S.C. 1601 et seq., as such act existed on January 1, 2024, compliance with such act shall satisfy the requirements of this section.

(3) Subsection (1) of this section shall not apply to a lessor who complies with the disclosure requirements of the federal Consumer Credit Protection Act, 15 U.S.C. 1667a, as such section existed on January 1, 2024, with respect to a consumer rental purchase agreement entered into with a consumer.

69-2112 Advertisement; requirements.

(1) Any advertisement for a consumer rental purchase agreement which refers to or states the amount of any payment or the right to acquire ownership for any specific item shall also state clearly and conspicuously the following if applicable:

(a) That the transaction advertised is a consumer rental purchase agreement;

(b) The total of payments to acquire ownership; and

(c) That the consumer acquires no ownership rights until the total of payments to acquire ownership is paid.

(2) Any owner or employee of any medium in which an advertisement appears or through which it is disseminated shall not be liable under this section.

(3) Subsection (1) of this section shall not apply to an advertisement which does not refer to a specific item of property, which does not refer to or state the amount of any payment, or which is published in the yellow pages of a telephone directory or any similar directory of business.

(4) With respect to matters specifically governed by the federal Consumer Credit Protection Act, 15 U.S.C. 1601 et seq., as such act existed on January 1, 2024, compliance with such act shall satisfy the requirements of this section.

69-2117 Cease and desist order; fine; injunction; procedures; appeal.

(1) The Director of Banking and Finance may summarily order a lessor to cease and desist from the use of certain forms or practices relating to consumer rental purchase agreements if he or she finds that (a) there has been a substantial failure to comply with any of the provisions of the Consumer Rental Purchase Agreement Act or (b) the continued use of certain forms or practices relating to consumer rental purchase agreements would constitute misrepresentation to or deceit or fraud on the consumer.

(2) If the director believes, whether or not based upon an investigation conducted under section 69-2116, that any person or lessor has engaged in or is about to engage in any act or practice constituting a violation of any provision of the Consumer Rental Purchase Agreement Act or any rule, regulation, or order under the act, the director may:

(a) Issue a cease and desist order;

(b) Impose a fine of not to exceed one thousand dollars per violation, in addition to costs of the investigation; or

(c) Initiate an action in any court of competent jurisdiction to enjoin such acts or practices and to enforce compliance with the act or any order under the act.

(3) Upon a proper showing a permanent or temporary injunction, restraining order, or writ of mandamus shall be granted. The director shall not be required to post a bond.

(4) The fines and costs imposed pursuant to this section shall be in addition to all other penalties imposed by the laws of this state. The director shall collect the fines and costs and remit them to the State Treasurer. The State Treasurer shall credit the costs to the Securities Act Cash Fund and distribute the fines in accordance with Article VII, section 5, of the Constitution of Nebraska. If a person fails to pay the fine or costs of the investigation referred to in this subsection, a lien in the amount of the fine and costs shall be imposed upon all of the assets and property of such person in this state and may be recovered by suit by the director. Failure of the person to pay a fine and costs shall constitute a separate violation of the act.

(5) Upon entry of an order pursuant to this section, the director shall promptly notify all persons to whom such order is directed that it has been entered and of the reasons for such order and that any person to whom the order is directed may request a hearing in writing within fifteen business days of the issuance of the order. Upon a receipt of a written request, the matter shall be set down for hearing to commence within thirty business days after the receipt unless the parties consent to a later date or the hearing officer sets a later date for good cause. If a hearing is not requested within fifteen business days and none is ordered by the director, the order shall automatically become final and shall remain in effect until it is modified or vacated by the director. If a hearing is requested or ordered, the director after notice and hearing shall enter his or her written findings of fact and conclusions of law and may affirm, modify, or vacate the order.

(6) The director may vacate or modify a cease and desist order if he or she finds that the conditions which caused its entry have changed or that it is otherwise in the public interest to do so.

(7) Any person aggrieved by a final order of the director may appeal the order. The appeal shall be in accordance with the Administrative Procedure Act.

DISPOSITION OF PERSONAL PROPERTY LANDLORD AND TENANT ACT

Section
69-2302. Terms, defined.

69-2302 Terms, defined.

For purposes of the Disposition of Personal Property Landlord and Tenant Act:

(1) Landlord means the owner, lessor, or sublessor of furnished or unfurnished premises, including self-service storage units or facilities, for rent or his or her agent or successor in interest;

(2) Owner means one or more persons, jointly or severally, in whom is vested (a) all or part of the legal title to property or (b) all or part of the beneficial ownership and a right to present use and enjoyment of premises and shall include a mortgagee in possession;

(3) Premises means (a) a dwelling unit as defined in section 76-1410 or a distinct portion of a dwelling unit, the facilities and appurtenances in such dwelling unit, and the grounds, areas, and facilities held out for the use of tenants generally or the use of which is promised to the tenants or (b) self-service storage units or facilities;

(4) Reasonable belief means the knowledge or belief a prudent person should have without making an investigation, including any investigation of public records, except that when the landlord has specific information indicating that such an investigation would more probably than not reveal pertinent information and the cost of such an investigation would be reasonable in relation to the probable value of the personal property involved, reasonable belief shall include the actual knowledge or belief a prudent person would have if such investigation were made;

(5) Reasonable costs of storage includes:

(a) Reasonable costs actually incurred, the reasonable value of labor actually provided, or both in removing personal property from its original location on the vacated premises to the place of storage, including disassembly and transportation; and

(b) Reasonable storage costs actually incurred which shall not exceed the fair rental value of the space reasonably required for the storage of the personal property; and

(6) Tenant means a person entitled under a rental agreement to occupy any premises for rent or storage uses to the exclusion of others whether such premises are used as a dwelling unit or self-service storage unit or facility or not.

(a) HANDGUNS

69-2404 Certificate; application; fee.

Any person desiring to purchase, lease, rent, or receive transfer of a handgun shall apply with the chief of police or sheriff of the applicant's place of residence for a certificate. The application may be made in person or by mail. The application form and certificate shall be made on forms approved by the Superintendent of Law Enforcement and Public Safety. The application shall include the applicant's full name, address, date of birth, and country of citizenship. If the applicant is not a United States citizen, the application shall include the applicant's place of birth and his or her alien or admission number. If the application is made in person, the applicant shall also present a current Nebraska motor vehicle operator's license, state identification card, or military identification card, or tribal enrollment card as defined in section 28-1202.03. If the application is made by mail, the application form shall describe the license or card used for identification and be notarized by a notary public who has verified the identification of the applicant through such a license or card. An applicant shall receive a certificate if he or she is twenty-one years of age or older and is not prohibited from purchasing or possessing a handgun by 18 U.S.C. 922. A fee of five dollars shall be charged for each application for a certificate to cover the cost of a criminal history record check.

(b) FIREARM INFORMATION

69-2426 Firearm dealer; distribution of information; Firearm Information Fund; created.

(1) Any firearm dealer licensed pursuant to 18 U.S.C. 923 shall distribute to all firearm purchasers:

(a) Information developed by the Department of Health and Human Services regarding the dangers of leaving loaded firearms unattended around children; and

(b) Information on suicide prevention, including materials that provide evidence-based information aligned with best practices in suicide prevention. Such materials shall include information on the 988 Suicide and Crisis Lifeline or other similar resources. The Nebraska State Patrol shall maintain and publish a list of materials that may be used to comply with this subdivision.

(2) There is hereby created the Firearm Information Fund. Private contributions shall be credited by the State Treasurer to such fund for the implementation of the provisions of this section.

(c) CONCEALED HANDGUN PERMIT ACT

69-2429 Terms, defined.

For purposes of the Concealed Handgun Permit Act:

(1) Concealed handgun means a handgun that is entirely obscured from view. If any part of the handgun is capable of being seen or observed by another person, it is not a concealed handgun;

(2) Handgun means any firearm with a barrel less than sixteen inches in length or any firearm designed to be held and fired by the use of a single hand;

(3) Peace officer means any town marshal, chief of police or local police officer, sheriff or deputy sheriff, the Superintendent of Law Enforcement and Public Safety, any officer of the Nebraska State Patrol, any member of the National Guard on active service by direction of the Governor during periods of emergency or civil disorder, any Game and Parks Commission conservation officer, and all other persons with similar authority to make arrests;

(4) Permitholder means an individual holding a current and valid permit to carry a concealed handgun issued pursuant to the Concealed Handgun Permit Act; and

(5) Proof of training means an original document or certified copy of a document, supplied by an applicant, that certifies that he or she either:

(a) Within the previous three years, has successfully completed a handgun training and safety course approved by the Nebraska State Patrol pursuant to section 69-2432; or

(b) Is a member of the active or reserve armed forces of the United States or a member of the National Guard and has had handgun training within the previous three years which meets the minimum safety and training requirements of section 69-2432.

69-2430 Application; form; contents; prohibited acts; penalty; permit issuance; denial; appeal.

(1) Application for a permit to carry a concealed handgun shall be made in person at any Nebraska State Patrol Troop Headquarters or office provided by the patrol for purposes of accepting such an application. The applicant shall present a current Nebraska motor vehicle operator's license, Nebraska-issued state identification card, military identification card, or tribal enrollment card as defined in section 28-1202.03 and shall submit two legible sets of fingerprints for a criminal history record information check pursuant to section 69-2431. The application shall be made on a form prescribed by the Superintendent of Law Enforcement and Public Safety. The application shall state the applicant's full name; motor vehicle operator's license number, state identification card number, or tribal enrollment card number; address; and date of birth and contain the applicant's signature and shall include space for the applicant to affirm that he or she meets each and every one of the requirements set forth in section 69-2433. The applicant shall attach to the application proof of training and proof of vision as required in subdivision (3) of section 69-2433.

(2) A person applying for a permit to carry a concealed handgun who gives false information or offers false evidence of his or her identity is guilty of a Class IV felony.

(3) The permit to carry a concealed handgun shall be issued by the Nebraska State Patrol within forty-five days after the date an application for the permit has been made by the applicant if the applicant has complied with this section and has met all the requirements of section 69-2433.

(4) An applicant denied a permit to carry a concealed handgun may appeal to the district court of the judicial district of the county in which he or she resides or the county in which he or she applied for the permit pursuant to the Administrative Procedure Act.

69-2432 Nebraska State Patrol; handgun training and safety courses and instructors; duties; certificate of completion of course; fee.

(1) The Nebraska State Patrol shall prepare and publish minimum training and safety requirements for and adopt and promulgate rules and regulations governing handgun training and safety courses and handgun training and safety course instructors. Minimum safety and training requirements for a handgun training and safety course shall include, but not be limited to:

(a) Knowledge and safe handling of a handgun;

(b) Knowledge and safe handling of handgun ammunition;

(c) Safe handgun shooting fundamentals;

(d) A demonstration of competency with a handgun with respect to the minimum safety and training requirements;

(e) Knowledge of federal, state, and local laws pertaining to the purchase, ownership, transportation, and possession of handguns;

(f) Knowledge of federal, state, and local laws pertaining to the use of a handgun, including, but not limited to, use of a handgun for self-defense and laws relating to justifiable homicide and the various degrees of assault;

(g) Knowledge of ways to avoid a criminal attack and to defuse or control a violent confrontation;

(h) Knowledge of proper storage practices for handguns and ammunition, including storage practices which would reduce the possibility of accidental injury to a child; and

(i) Suicide prevention training. Such training shall consist of evidence-based information aligned with best practices in suicide prevention.

(2) A person or entity conducting a handgun training and safety course and the course instructors shall be approved by the patrol before operation. The patrol shall issue a certificate evidencing its approval.

(3) A certificate of completion of a handgun training and safety course shall be issued by the person or entity conducting a handgun training and safety course to persons successfully completing the course. The certificate of comple-

tion shall also include certification from the instructor that the person completing the course does not suffer from a readily discernible physical infirmity that prevents the person from safely handling a handgun.

(4) Any fee for participation in a handgun training and safety course is the responsibility of the applicant.

69-2436 Permit; period valid; fee; renewal; fee; notice of expiration.

(1) A permit to carry a concealed handgun is valid throughout the state for a period of five years after the date of issuance. The fee for issuing a permit is one hundred dollars.

(2) The Nebraska State Patrol shall renew a permitholder's permit to carry a concealed handgun for a renewal period of five years, subject to continuing compliance with the requirements of section 69-2433, except as provided in subsection (2) of section 69-2443. The renewal fee is fifty dollars, and renewal may be applied for no earlier than four months before expiration of the permit and no later than thirty business days after the date of expiration of the permit. At least four months before expiration of a permit to carry a concealed handgun, the Nebraska State Patrol shall send to the permitholder by United States mail or electronically notice of expiration of the permit.

(3) The applicant shall submit the fee with the application to the Nebraska State Patrol. The fee shall be remitted to the State Treasurer for credit to the Nebraska State Patrol Cash Fund.

69-2439 Permit; application for revocation; prosecution; fine; costs.

(1) Any peace officer having probable cause to believe that a permitholder is no longer in compliance with one or more requirements of section 69-2433, except as provided in subsection (2) of section 69-2443, shall bring an application for revocation of the permit to be prosecuted as provided in subsection (2) of this section.

(2) It is the duty of the county attorney or his or her deputy of the county in which such permitholder resides to prosecute a case for the revocation of a permit to carry a concealed handgun brought pursuant to subsection (1) of this section. In case the county attorney refuses or is unable to prosecute the case, the duty to prosecute shall be upon the Attorney General or his or her assistant.

(3) The case shall be prosecuted as a civil case, and the permit shall be revoked upon a showing by a preponderance of the evidence that the permitholder does not meet one or more of the requirements of section 69-2433, except as provided in subsection (2) of section 69-2443.

(4) A person who has his or her permit revoked under this section may be fined up to one thousand dollars and shall be charged with the costs of the prosecution. The money collected under this subsection as an administrative fine shall be remitted to the State Treasurer for distribution in accordance with Article VII, section 5, of the Constitution of Nebraska.

TOBACCO

Section
69-2703.02. Tobacco product manufacturer; qualified escrow fund; irrevocable assignment; form; amounts withdrawn; distribution.
69-2705. Terms, defined.
69-2706. Tobacco product manufacturer; certification; contents; Tax Commissioner; powers and duties; directory; prohibited acts.
69-2707. Nonresident or foreign nonparticipating manufacturer; agent for service of process.
69-2707.01. Nonparticipating manufacturers; bond or cash equivalent; amount; provide evidence to Attorney General and Tax Commissioner; failure to make escrow deposits; execution upon bond.
69-2709. Revocation or suspension of stamping agent license; civil penalty; termination of license; grounds; violations; penalties; effect of termination; eligibility for reinstatement; directory license; termination; procedure; contraband; actions to enjoin; criminal penalty; remedies cumulative.
69-2710. Removal from directory; procedure.
69-2710.01. Report; contents.
69-2710.03. Rules and regulations.

69-2703.02 Tobacco product manufacturer; qualified escrow fund; irrevocable assignment; form; amounts withdrawn; distribution.

(1) Notwithstanding subdivision (2)(b) of section 69-2703, a tobacco product manufacturer that elects to place funds into a qualified escrow fund pursuant to subdivision (2)(a) of section 69-2703 may make an irrevocable assignment of its interest in the fund to the benefit of the State of Nebraska. Such assignment shall be permanent and apply to all monetary amounts in the subject qualified escrow fund or that may subsequently come into the fund, including those deposited into the qualified escrow fund prior to the assignment being executed, those deposited into the qualified escrow fund after the assignment is executed, and interest or other appreciation on the amounts. The tobacco product manufacturer, the Attorney General, and the financial institution where the qualified escrow fund is maintained may make such amendments to the qualified escrow fund agreement, the title to the account, and the account itself as may be necessary to effectuate an assignment of rights executed pursuant to this subsection (1) or a withdrawal of amounts from the qualified escrow fund pursuant to subsection (2) of this section. An assignment of rights executed pursuant to this section shall be in writing, shall have received prior approval issued in writing by the Attorney General, shall be signed by the tobacco product manufacturer or a duly authorized representative of the tobacco product manufacturer making the assignment, and shall become effective upon delivery of the assignment to the Attorney General and the financial institution where the qualified escrow fund is maintained.

(2) Notwithstanding subdivision (2)(b) of section 69-2703, any escrow amounts assigned to the State of Nebraska pursuant to subsection (1) of this section shall be withdrawn by the state upon request by the State Treasurer and approval by the Attorney General. Any amounts withdrawn pursuant to this subsection shall be remitted to the State Treasurer for distribution in accordance with Article VII, section 5, of the Constitution of Nebraska, and shall be calculated on a dollar-for-dollar basis as a credit against any judgment or settlement described in subdivision (2)(b) of section 69-2703 which may be obtained against the tobacco product manufacturer who has assigned the amounts in the subject qualified escrow fund. Nothing in this section shall be construed to relieve a tobacco product manufacturer from any past, current, or future obligations the manufacturer may have pursuant to sections 69-2701 to 69-2711.

69-2706 Tobacco product manufacturer; certification; contents; Tax Commissioner; powers and duties; directory; prohibited acts.

(1)(a) Every tobacco product manufacturer whose cigarettes are sold in this state, whether directly or through a distributor, retailer, or similar intermediary or intermediaries, shall execute and deliver on a form prescribed by the Tax Commissioner a certification to the Tax Commissioner and the Attorney General no later than the thirtieth day of April each year, certifying under penalty of perjury that, as of the date of such certification, such tobacco product manufacturer either is a participating manufacturer in compliance with subdivision (1) of section 69-2703 or is a nonparticipating manufacturer in full compliance with subdivision (2) of section 69-2703.

(b) A participating manufacturer shall include in its certification a list of its brand families. The participating manufacturer shall update such list thirty calendar days prior to any addition to or modification of its brand families by executing and delivering a supplemental certification to the Tax Commissioner and the Attorney General.

(c) A nonparticipating manufacturer shall include in its certification (i) a list of all of its brand families and the number of units sold for each brand family that were sold in the state during the preceding calendar year and (ii) a list of all of its brand families that have been sold in the state at any time during the current calendar year (A) indicating by an asterisk any brand family sold in the state during the preceding or current calendar year that is no longer being sold in the state as of the date of such certification and (B) identifying by name and address any other manufacturer of such brand families in the preceding calendar year. The nonparticipating manufacturer shall update such list thirty calendar days prior to any addition to or modification of its brand families by

executing and delivering a supplemental certification to the Tax Commissioner and the Attorney General.

(d) In the case of a nonparticipating manufacturer, such certification shall further certify:

(i) That such nonparticipating manufacturer is registered to do business in the state or has appointed an agent for service of process in Nebraska and provided notice thereof as required by section 69-2707;

(ii) That such nonparticipating manufacturer has established and continues to maintain a qualified escrow fund pursuant to a qualified escrow agreement that has been reviewed and approved by the Attorney General or has been submitted for review by the Attorney General;

(iii) That such nonparticipating manufacturer is in full compliance with subdivision (2) of section 69-2703 and this section and any rules and regulations adopted and promulgated pursuant thereto;

(iv)(A) The name, address, and telephone number of the financial institution where the nonparticipating manufacturer has established such qualified escrow fund required pursuant to subdivision (2) of section 69-2703 and all rules and regulations adopted and promulgated pursuant thereto; (B) the account number of such qualified escrow fund and any subaccount number for the State of Nebraska; (C) the amount such nonparticipating manufacturer placed in such fund for cigarettes sold in the state during the preceding calendar year, the dates and amount of each such deposit, and such evidence or verification as may be deemed necessary by the Attorney General to confirm the foregoing; and (D) the amounts and dates of any withdrawal or transfer of funds the nonparticipating manufacturer made at any time from such fund or from any other qualified escrow fund into which it ever made escrow payments pursuant to subdivision (2) of section 69-2703 and all rules and regulations adopted and promulgated pursuant thereto;

(v) That such nonparticipating manufacturer consents to be sued in the district courts of the State of Nebraska for purposes of the state (A) enforcing any provision of sections 69-2703 to 69-2711 and any rules and regulations adopted and promulgated thereunder or (B) bringing a released claim as defined in section 69-2702; and

(vi) The information required to establish that such nonparticipating manufacturer has posted the appropriate bond or cash equivalent required under section 69-2707.01.

(e) A tobacco product manufacturer shall not include a brand family in its certification unless (i) in the case of a participating manufacturer, the participating manufacturer affirms that the brand family is to be deemed to be its cigarettes for purposes of calculating its payments under the Master Settlement Agreement for the relevant year in the volume and shares determined pursuant to the Master Settlement Agreement and (ii) in the case of a nonparticipating manufacturer, the nonparticipating manufacturer affirms that the brand family is to be deemed to be its cigarettes for purposes of subdivision (2) of section 69-2703. Nothing in this section shall be construed as limiting or otherwise affecting the state's right to maintain that a brand family constitutes cigarettes of a different tobacco product manufacturer for purposes of calculating payments under the Master Settlement Agreement or for purposes of section 69-2703.

(f) Tobacco product manufacturers shall maintain all invoices and documentation of sales and other such information relied upon for such certification for a period of five years unless otherwise required by law to maintain them for a greater period of time.

(2) The Tax Commissioner shall develop, maintain, and make available for public inspection or publish on its website a directory listing all tobacco product manufacturers that have provided current and accurate certifications conforming to the requirements of subsection (1) of this section and all brand families that are listed in such certifications, and:

(a) The Tax Commissioner shall not include or retain in such directory the name or brand families of any tobacco product manufacturer that has failed to provide the required certification or whose certification the commissioner determines is not in compliance with subsection (1) of this section unless the Tax Commissioner has determined that such violation has been cured to his or her satisfaction;

(b) Neither a tobacco product manufacturer nor brand family shall be included or retained in the directory if the Attorney General recommends and notifies the Tax Commissioner who concludes, in the case of a nonparticipating manufacturer, that (i) any escrow payment required pursuant to subdivision (2) of section 69-2703 for any period for any brand family, whether or not listed by such nonparticipating manufacturer, has not been fully paid into a qualified escrow fund governed by a qualified escrow agreement that has been approved by the Attorney General or (ii) any outstanding final judgment, including interest thereon, for violations of section 69-2703 has not been fully satisfied for such brand family and such manufacturer;

(c) As a condition to being listed and having its brand families listed in the directory, a tobacco product manufacturer shall also (i) certify annually that such manufacturer or its importer holds a valid permit under 26 U.S.C. 5713 and provide a copy of such permit to the Tax Commissioner and the Attorney General, (ii) upon request of the Tax Commissioner or Attorney General, provide documentary proof that it is not in violation of subdivision (1) of section 59-1520, and (iii) certify that it is in compliance with all reporting and registration requirements of 15 U.S.C. 376 and 376a;

(d) The Tax Commissioner shall update the directory no later than May 15 of each year to reflect certifications made on or before April 30 as required in subsection (1) of this section. The Tax Commissioner shall continuously update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand family to keep the directory in conformity with the requirements of sections 69-2704 to 69-2711;

(e) The Tax Commissioner shall transmit by email or other practicable means to each stamping agent notice of any removal from the directory of any tobacco product manufacturer or brand family. Unless otherwise provided by agreement between the stamping agent and a tobacco product manufacturer, the stamping agent shall be entitled to a refund from a tobacco product manufacturer for any money paid by the stamping agent to the tobacco product manufacturer for any cigarettes of the tobacco product manufacturer still held by the stamping agent on the date of notice by the Tax Commissioner of the removal from the directory of that tobacco product manufacturer or the brand family or for any cigarettes returned to the stamping agent by its customers under subsection (8) of section 69-2709. The Tax Commissioner shall not

restore to the directory the tobacco product manufacturer or the brand family until the tobacco product manufacturer has paid the stamping agent any refund due; and

(f) Every stamping agent shall provide and update as necessary an electronic mail address to the Tax Commissioner for the purpose of receiving any notifications as may be required by sections 69-2704 to 69-2711.

(3) The failure of the Tax Commissioner to provide notice of any intended removal from the directory as required under subdivision (2)(e) of this section or the failure of a stamping agent to receive such notice shall not relieve the stamping agent of its obligations under sections 69-2704 to 69-2711.

(4) It shall be unlawful for any person (a) to affix a Nebraska stamp pursuant to section 77-2603 to a package or other container of cigarettes of a tobacco product manufacturer or brand family not included in the directory, (b) to affix a tribal stamp to a package or other container of cigarettes of a tobacco product manufacturer or brand family not included in the directory except as authorized by an agreement pursuant to section 77-2602.06, or (c) to sell, offer, or possess for sale in this state cigarettes of a tobacco product manufacturer or brand family in this state not included in the directory.

69-2707 Nonresident or foreign nonparticipating manufacturer; agent for service of process.

(1) Any nonresident or foreign nonparticipating manufacturer that has not registered to do business in the state as a foreign corporation or business entity shall, as a condition precedent to having its brand families included or retained in the directory created in subsection (2) of section 69-2706, appoint and continually engage without interruption the services of an agent in Nebraska to act as agent for the service of process on whom all process, and any action or proceeding against it concerning or arising out of the enforcement of sections 69-2703 to 69-2711, may be served in any manner authorized by law. Such service shall constitute legal and valid service of process on the nonparticipating manufacturer. The nonparticipating manufacturer shall provide the name, address, telephone number, and proof of the appointment and availability of such agent to the Tax Commissioner and Attorney General.

(2) The nonparticipating manufacturer shall provide notice to the Tax Commissioner and Attorney General thirty calendar days prior to termination of the authority of an agent and shall further provide proof to the satisfaction of the Attorney General of the appointment of a new agent no less than five calendar days prior to the termination of an existing agent appointment. In the event an agent terminates an agency appointment, the nonparticipating manufacturer shall notify the Tax Commissioner and Attorney General of the termination within five calendar days and shall include proof to the satisfaction of the Attorney General of the appointment of a new agent.

(3) Any nonparticipating manufacturer whose products are sold in this state who has not appointed and engaged the services of an agent as required by this section shall be deemed to have appointed the Secretary of State as its agent for service of process. The appointment of the Secretary of State as agent shall not satisfy the condition precedent required in subsection (1) of this section to have

the nonparticipating manufacturer's brand families included or retained in the directory.

69-2707.01 Nonparticipating manufacturers; bond or cash equivalent; amount; provide evidence to Attorney General and Tax Commissioner; failure to make escrow deposits; execution upon bond.

(1) All nonparticipating manufacturers subject to the certification requirements of section 69-2706, or whose sales are authorized pursuant to an agreement under section 77-2602.06, shall post a bond, or its cash equivalent, for the benefit of the state, which is subject to execution under subsection (5) of this section. The bond shall be posted by corporate surety located within the United States. The cash equivalent of the bond shall be posted by the nonparticipating manufacturer in an account approved by the Attorney General.

(2) The amount of the bond, or its cash equivalent, shall be the greater of:

(a) One hundred thousand dollars;

(b) The greatest required escrow amount due from the nonparticipating manufacturer, or its predecessors, successors, affiliates, importers, or stamping agents, as such terms may be defined and liabilities may be established within sections 69-2701 to 69-2711, for any of the preceding twenty calendar quarters; or

(c) The greatest required annual total of quarterly escrow amounts due from the nonparticipating manufacturer, or its predecessors, successors, affiliates, importers, or stamping agents, as such terms may be defined and liabilities may be established within sections 69-2701 to 69-2711, for any of the preceding five calendar years, if the Attorney General deems the nonparticipating manufacturer to pose an elevated risk for noncompliance.

(3) The Attorney General may deem a nonparticipating manufacturer to pose an elevated risk for noncompliance if:

(a) The nonparticipating manufacturer or its brands or brand families, or any predecessor, successor, affiliate, or importer or any of their brands or brand families, has failed to deposit fully the amount due on an escrow obligation with respect to any state at any time during the calendar year or within the preceding five calendar years unless either:

(i) The nonparticipating manufacturer did not underdeposit knowingly or recklessly and promptly cured the underdeposit within one hundred eighty days of notice of the underdeposit; or

(ii) The underdeposit or lack of deposit is the subject of a good faith dispute in the form of ongoing litigation that has not reached a final order as reasonably documented to the Attorney General and the underdeposit is cured within one hundred eighty days of entry of a final order establishing the amount of the required escrow deposit;

(b) Any state has removed the nonparticipating manufacturer or its brands or brand families, or any predecessor, successor, affiliate, or importer or any of their brands or brand families, from the state's tobacco directory for noncompliance with the state's escrow deposit or tobacco tax laws at any time during the calendar year or within the preceding five calendar years, unless such removal is subject to a good faith dispute in the form of an ongoing challenge

under administrative procedure or litigation that has not reached a final order as reasonably documented to the Attorney General;

(c) Any state has an unsatisfied final judgment against the nonparticipating manufacturer or its brands or brand families, or any predecessor, successor, affiliate, or importer or any of their brands or brand families, for escrow or for penalties, fees, costs, refunds, or attorney's fees related to noncompliance with state escrow laws;

(d) The nonparticipating manufacturer, or any predecessor, successor, or affiliate, sells its cigarettes or tobacco products directly to consumers via remote or other non-face-to-face means;

(e) A state or federal court determines that the nonparticipating manufacturer, or any predecessor, successor, or affiliate, has violated any tobacco tax or tobacco control law or engaged in unfair business practices or unfair competition;

(f) Any state has suspended or revoked a license granted to the nonparticipating manufacturer, or any predecessor, successor, or affiliate, to engage in any aspect of tobacco business, unless the suspension or revocation is subject to a good faith dispute in the form of an ongoing challenge under administrative procedure or litigation that has not reached a final order as reasonably documented to the Attorney General;

(g) Any state or federal court has determined that the nonparticipating manufacturer, or any predecessor, successor, or affiliate, failed to comply with state or federal law imposing marking, labeling, and stamping requirements or requiring information to be affixed to, or contained in, the labels, markings, or packaging; or

(h) The nonparticipating manufacturer fails to submit or complete any required forms, documents, certification, or notices, in a timely manner or to the satisfaction of the Attorney General or Tax Commissioner, unless such failure is subject to a good faith dispute in the form of an ongoing challenge under administrative procedure or litigation that has not reached a final order as reasonably documented to the Attorney General.

(4) A nonparticipating manufacturer shall post the bond or its cash equivalent and shall provide evidence of such posting to the Attorney General and Tax Commissioner both annually, as required by section 69-2706, and at least ten days in advance of each calendar quarter as a condition to the nonparticipating manufacturer and its brands or brand families being included in the directory.

(5) If a nonparticipating manufacturer that posted a bond pursuant to this section has failed to make, or have made on its behalf by an entity with joint and several liability, escrow deposits equal to the full amount owed for a quarter within fifteen days following the due date for the quarter under section 69-2703, the state may execute upon the bond, first to recover delinquent escrow, which amount shall be deposited into a qualified escrow account under section 69-2703, and then to recover civil penalties and costs authorized under such section. Escrow obligations above the amount collected on the bond remain due from that nonparticipating manufacturer and, as provided in subdivision (2)(d) of section 69-2703 and section 69-2708.01, from the importers and stamping agents that sold its cigarettes during that calendar quarter.

69-2709 Revocation or suspension of stamping agent license; civil penalty; termination of license; grounds; violations; penalties; effect of termination; eligibility for reinstatement; directory license; termination; procedure; contraband; actions to enjoin; criminal penalty; remedies cumulative.

(1) In addition to or in lieu of any other civil or criminal remedy provided by law, upon a determination that a stamping agent has violated subsection (4) of section 69-2706 or any rule or regulation adopted and promulgated pursuant thereto, the Tax Commissioner may revoke or suspend the license of any stamping agent in the manner provided by section 77-2615.01. For each violation of subsection (4) of section 69-2706 or the rules and regulations, the Tax Commissioner may also impose a civil penalty in an amount not to exceed the greater of five hundred percent of the retail value of the cigarettes or five thousand dollars upon a determination of violation of subsection (4) of section 69-2706 or any rules or regulations adopted and promulgated pursuant thereto. Such penalty shall be imposed in the manner provided by section 77-2615.01.

(2) The license of a stamping agent shall be subject to termination if the stamping agent:

(a) Fails to provide a report required under section 69-2708, 69-2710.01, or 77-2604.01;

(b) Files an incomplete or inaccurate report required under section 69-2708, 69-2710.01, or 77-2604.01 or files an inaccurate certification required under section 69-2708, subsection (2) of section 77-2603, or section 69-2710.01;

(c) Fails to pay taxes as provided in section 77-2602 or deposit escrow as provided in section 69-2708.01;

(d) Sells cigarettes in or into the state in a package that bears a stamp required under section 77-2603 or 77-2603.01 that is not the correct stamp and provides for a lower level of tax than the correct stamp;

(e) Sells unstamped cigarettes in, into, or from the state or possesses unstamped cigarettes in the state except as provided in section 77-2607;

(f) Purchases, sells in or into the state, or affixes a stamp to a package containing cigarettes of a manufacturer or brand family that is not at the time listed in the directory, or possesses such cigarettes more than ten days after receiving notice that the manufacturer or brand family is not in the directory, unless such stamping agent possesses a directory license under section 77-2603 or unless expressly permitted under sections 69-2701 to 69-2711 or sections 77-2601 to 77-2622; or

(g) Purchases or sells cigarettes in violation of subsection (5) of this section or section 69-2710.02.

(3) In the case of a violation under subdivision (2)(a), (b), (c), or (d) of this section that was not knowing or intentional, the stamping agent shall be entitled to cure the violation within ten days after receipt of notice of such violation. The license of a stamping agent that fully cures the violation during that period shall not be terminated on account of that violation.

(4) In the case of a knowing or intentional violation under subdivision (2)(a), (b), (c), or (d) of this section, or of any violation described in subdivision (2)(e) or (f) of this section, the stamping agent shall for a first violation be subject to a civil penalty of up to one thousand dollars and be guilty of a Class IV misdemeanor and for a second or subsequent violation be subject to a civil penalty of up to five thousand dollars per violation and be guilty of a Class II

misdemeanor. In the case of violations described in subdivision (2)(d), (e), or (f) of this section, each sale constitutes a separate offense.

(5) The Tax Commissioner shall promptly remove any stamping agent whose license is terminated from the list required by subsection (4) of section 77-2603 and shall publish a notice of the termination on the Tax Commissioner's website and send notice of the termination to all stamping agents and to all persons listed in the directory. Beginning ten days following the publication and sending of such notice, no person may sell cigarettes to, or purchase cigarettes from, the stamping agent whose license has been terminated.

(6) If a stamping agent whose license has been terminated is a tobacco product manufacturer, the tobacco product manufacturer and its brand families shall be removed from the directory.

(7) A stamping agent whose license is terminated shall be eligible for reinstatement:

(a) Ninety days following the termination, in the case of a first failure under subdivision (2)(a), (b), (c), or (d) of this section that was not knowing or intentional;

(b) One hundred eighty days following the termination, in the case of a second failure under subdivision (2)(a), (b), (c), or (d) of this section that was not knowing or intentional;

(c) One year following the termination, in the case of a third or subsequent failure under subdivision (2)(a), (b), (c), or (d) of this section that was not knowing or intentional;

(d) One year following the termination, in the case of a first knowing or intentional failure under subdivision (2)(a), (b), (c), or (d) of this section or a first violation described in subdivision (2)(e), (f), or (g) of this section; and

(e) Three years following the termination, in the case of a second or subsequent knowing or intentional failure under subdivision (2)(a), (b), (c), or (d) of this section or a second or subsequent violation described in subdivision (2)(e), (f), or (g) of this section.

(8) Any cigarettes that have been sold, offered for sale, or possessed for sale in this state in violation of subsection (4) of section 69-2706 shall be deemed contraband under section 77-2620 and such cigarettes shall be subject to seizure and forfeiture as provided in section 77-2620, except that all such cigarettes so seized and forfeited shall be destroyed and not resold. The stamping agent shall notify its customers for a brand family with regard to any notice of removal of a tobacco product manufacturer or a brand family from the directory and give its customers a seven-day period for the return of cigarettes that become contraband.

(9) The Attorney General, on behalf of the Tax Commissioner, may seek an injunction to restrain a threatened or actual violation of subsection (4) of section 69-2706 or section 69-2708 by a stamping agent and to compel the stamping agent to comply with subsection (4) of section 69-2706 or section 69-2708. In any action brought pursuant to this section, the state shall be entitled to recover the costs of investigation, costs of the action, and reasonable attorney's fees. This subsection shall not apply to a stamping agent purchasing cigarettes which are not in violation of subsection (4) of section 69-2706 or section 69-2708.

(10) It is unlawful for a person to (a) sell or distribute cigarettes for sale in this state or (b) acquire, hold, own, possess, transport, import, or cause to be imported cigarettes that the person knows or should know are intended for distribution or sale in the state in violation of subsection (4) of section 69-2706. A violation of this subsection is a Class III misdemeanor.

(11) If a court determines that a person has violated any portion of sections 69-2704 to 69-2711, the court shall order the payment of any profits, gains, gross receipts, or other benefits from the violation to be remitted to the State Treasurer for distribution in accordance with Article VII, section 5, of the Constitution of Nebraska. Unless otherwise expressly provided, the remedies or penalties provided by sections 69-2704 to 69-2711 are cumulative to each other and to the remedies or penalties available under all applicable laws of this state.

(12) It is unlawful for any manufacturer, importer, or stamping agent to knowingly submit any false information required pursuant to sections 69-2703 to 69-2711. A violation of this subsection is a Class IV felony. Knowing submission of false information shall also be grounds for removal of a tobacco product manufacturer from the directory.

(13) A tobacco product manufacturer that knowingly or intentionally sells cigarettes in violation of subsection (5) of this section or section 69-2710.01 and its brand families shall be removed from the directory.

(14) A nonparticipating manufacturer whose total nationwide reported sales on which federal excise tax is paid exceed the sum of its nationwide reports under 15 U.S.C. 375 et seq. and any intrastate sales reports under 15 U.S.C. 375 et seq. by more than five percent of its total sales or one million cigarettes, whichever is less, shall be subject to removal from the directory unless it cures or satisfactorily explains the discrepancy within ten days after receipt of notice of the discrepancy from the Attorney General pursuant to section 69-2708.01.

(15) Any person that is not a stamping agent or tobacco product manufacturer that fails to file a complete and accurate report required under section 69-2708, 69-2710.01, 77-2604, or 77-2604.01 shall be entitled to cure the failure within ten days after receipt of notice of the discrepancy from the Attorney General pursuant to section 69-2708.01. If the person fails to fully cure the failure within such period, it shall be subject to a civil penalty of up to one thousand dollars per violation and shall be ineligible to hold any license of the state regarding cigarette sales until the date specified by subsection (7) of this section for violations of subdivision (2)(a) of this section.

(16) A directory license shall be subject to termination if the licensee acts inconsistently with its certification under subsection (2) of section 77-2603 or violates sections 69-2701 to 69-2711.

(17) Any person that knowingly or intentionally purchases or sells cigarettes in violation of subsection (5) of this section or section 69-2710.01 or that knowingly or intentionally sells cigarettes in or into the state in a package that bears a stamp required under section 77-2603 or 77-2603.01 that is not the correct stamp and provides for a lower level of tax than the correct stamp shall for a first violation be subject to a civil penalty of up to one thousand dollars and be guilty of a Class IV misdemeanor and for a second or subsequent violation be subject to a civil penalty of up to five thousand dollars per violation

and be guilty of a Class II misdemeanor. Each sale constitutes a separate violation.

69-2710 Removal from directory; procedure.

(1) Before any tobacco product manufacturer may be removed from the directory, the Tax Commissioner shall provide the tobacco product manufacturer thirty days' notice of the intended action and shall post the notice in the directory. The tobacco product manufacturer shall have thirty days to come into compliance with sections 69-2703 to 69-2711 or, in the alternative, secure a temporary injunction against removal in the district court of Lancaster County. For purposes of the temporary injunction sought pursuant to this subsection, loss of the ability to sell tobacco products as a result of removal from the directory shall constitute irreparable harm. If after thirty days the tobacco product manufacturer remains in noncompliance and has not obtained a temporary injunction pursuant to this subsection, the tobacco product manufacturer shall be removed from the directory.

(2) If the Tax Commissioner determines that a tobacco product manufacturer shall not be included in the directory, such manufacturer may request a contested case before the Tax Commissioner under the Administrative Procedure Act. The Tax Commissioner shall notify the tobacco product manufacturer in writing of the determination not to include it in the directory. A request for hearing shall be made within thirty calendar days after the date of the determination that the manufacturer shall not be included in the directory and shall contain the evidence supporting the manufacturer's compliance with sections 69-2703 to 69-2711. The hearing shall be held within sixty days after the request. At the hearing, the Tax Commissioner shall determine whether the tobacco product manufacturer is in compliance with sections 69-2703 to 69-2711 and whether the manufacturer should be listed in the directory. A final decision shall be rendered within thirty days after the hearing. Any decision of the Tax Commissioner may be appealed. The appeal shall be in accordance with the Administrative Procedure Act.

69-2710.01 Report; contents.

(1) Any person that during a month acquired, purchased, sold, possessed, transferred, transported, or caused to be transported in or into this state cigarettes of a tobacco product manufacturer or brand family that was not in the directory at the time shall, within fifteen days following the end of that month, file a report in the manner prescribed by the Tax Commissioner and certify to the state that the report is complete and accurate. The report shall contain, in addition to any further information that the Tax Commissioner may reasonably require to assist the Tax Commissioner in enforcing sections 69-2701 to 69-2711 and 77-2601 to 77-2622 and the Tobacco Products Tax Act, the following information:

(a) The total number of those cigarettes, in each case identifying by name and number of cigarettes (i) the manufacturers of those cigarettes, (ii) the brand families of those cigarettes, (iii) in the case of a sale or transfer, the name and address of the recipient of those cigarettes, (iv) in the case of an acquisition or purchase, the name and address of the seller or sender of those cigarettes, and (v) the other states in whose directory the manufacturer and brand family of those cigarettes were listed at the time and whose stamps the person is authorized to affix; and

(b) In the case of acquisition, purchase, or possession, the details of the person's subsequent sale or transfer of those cigarettes, identifying by name and number of cigarettes (i) the brand families of those cigarettes, (ii) the date of the sale or transfer, (iii) the name and address of the recipient, (iv) the number of stamps of each other state that the person affixed to the packages containing those cigarettes during that month, (v) the total number of cigarettes contained in the packages to which it affixed each respective other state's stamp, (vi) the manufacturers and brand families of the packages to which it affixed each respective other state's stamp, and (vii) a certification that it reported each sale or transfer to the taxing authority of the other state by fifteen days following the end of the month in which the sale or transfer was made and attaching a copy of all such reports. If the subsequent sale or transfer is from this state into another state in packages not bearing a stamp of the other state, the report shall also contain the information described in subdivision (2)(c) of section 77-2604.01.

(2) Reports under this section shall be in addition to reports under sections 69-2708, 77-2604, and 77-2604.01.

70-624.02 Board of directors; expenses; compensation; prohibitions; exceptions.

The members of the board of directors shall be paid their actual expenses, while engaged in the business of the district under the authority of the board of directors, and, for their services, such compensation as shall be fixed by the board of directors.

The boards of directors of those districts with gross revenue of less than five hundred million dollars may fix compensation at not to exceed thirteen thousand four hundred forty dollars per year as to all members except the president and not exceeding fifteen thousand one hundred twenty dollars a year as to the president.

The boards of directors of those districts with gross revenue of five hundred million dollars or more may fix compensation at not to exceed twenty-six thousand eight hundred eighty dollars per year as to all members except the president or chairperson of the board and not exceeding thirty thousand two hundred forty dollars per year as to the president or chairperson of the board. All salaries and compensation shall be obligations against and be paid solely from the revenue of the district.

No director shall receive any other compensation from the district, except as provided in this section, during the term for which he or she was elected or appointed or in the year following the expiration of his or her term, and resignation from such board of directors shall not be construed as the termination of the term of office for which he or she was elected or appointed.

A member of the board of directors of a public power district organized under the laws of this state shall not be limited to service on the board of directors in the district in which he or she has been elected so as to preclude service in similar positions of trust on a state, regional, or national level which are the result of his or her membership as a director on such board. For time expended in his or her duties in such position of trust, the director shall not be limited to any existing provisions of law of this state relating to payment of per diem for services as a member of such board of directors, but shall be entitled to receive such additional compensation as may be provided for such service, regardless of the fact that such compensation may be paid from funds to which his or her district has made contributions in the form of dues or otherwise.

70-624.04 Directors and employees; hold other elective office; interest in certain agreements; contract or agreement not void or voidable; when.

(1) Directors and employees of public power districts, public power and irrigation districts, and public utility companies shall be permitted to hold other elective office as provided in section 32-604. No contracts of any such public power district, public power and irrigation district, or public utility company shall be void or voidable by reason of such service by its directors or employees.

(2) A director of a public power and irrigation district may have an interest in a residential lease agreement or a water service agreement with such district. Such director may participate in any discussion or vote on such agreements. No agreement of such public power and irrigation district shall be void or voidable by reason of such interest by such director.

70-625 Public power district; powers; restrictions.

(1) Subject to the limitations of the petition for its creation and all amendments to such petition, a public power district has all the usual powers of a corporation for public purposes and may purchase, hold, sell, and lease personal property and real property reasonably necessary for the conduct of its business. No district may sell household appliances at retail if the retail price of

any such appliance exceeds fifty dollars, except that newly developed electrical appliances may be merchandised and sold during the period of time in which any such appliances are being introduced to the public. New models of existing appliances shall not be deemed to be newly developed appliances. An electrical appliance shall be considered to be in such introductory period of time until the particular type of appliance is used by twenty-five percent of all the electrical customers served by such district, but such period shall in no event exceed five years from the date of introduction by the manufacturer of the new appliance to the local market.

(2) In addition to its powers authorized by Chapter 70 and specified in its petition for creation, as amended, a public power district may sell, lease, and service satellite television signal descrambling or decoding devices, satellite television programming, and equipment and services associated with such devices and programming, except that this section does not authorize public power districts (a) to provide signal descrambling or decoding devices or satellite programming to any location (i) being furnished such devices or programming on April 24, 1987, or (ii) where community antenna television service is available from any person, firm, or corporation holding a franchise pursuant to sections 18-2201 to 18-2206 or a permit pursuant to sections 23-383 to 23-388 on April 24, 1987, or (b) to sell, service, or lease C-band satellite dish systems or repair parts.

(3) In addition to the powers authorized by Chapter 70 and specified in its petition for creation as amended, the board of directors of a public power district may apply for and use funds available from the United States Department of Agriculture or other federal agencies for grants or loans to promote economic development and job creation projects in rural areas as permitted under the rules and regulations of the federal agency from which the funds are received. Any loan to be made by a district shall only be made in participation with a bank pursuant to a contract. The district and the participating bank shall determine the terms and conditions of the contract. In addition, in rural areas of the district, the board of directors of such district may provide technical or management assistance to prospective, new, or expanding businesses, including home-based businesses, provide assistance to a local or regional industrial or economic development corporation or foundation located within or contiguous to the district's service area, and provide youth and adult community leadership training.

(4) In addition to the powers authorized by Chapter 70 and specified in its petition for creation as amended, a public power district may sell, lease, or license its dark fiber pursuant to sections 86-574 to 86-578.

(5) In addition to the powers authorized by Chapter 70 and specified in its petition for creation as amended, a public power district may develop, manufacture, use, purchase, or sell at wholesale advanced biofuels and biofuel byproducts and other fuels and fuel byproducts so long as the development, manufacture, use, purchase, or sale of such biofuels and biofuel byproducts and other fuels and fuel byproducts is done to help offset greenhouse gas emissions.

(6) Notwithstanding any law, ordinance, resolution, or regulation of any political subdivision to the contrary, each public power district may receive funds and extend loans pursuant to the Nebraska Investment Finance Authority Act or pursuant to this section. In addition to the powers authorized by Chapter 70 and specified in its petition for creation, as amended, and without the need

for further amendment thereto, a public power district may own and operate, contract to operate, or lease energy equipment and provide billing, meter reading, surveys, or evaluations and other administrative services, but not to include natural gas services, of public utility systems within a district's service territory.

70-637 Construction, repairs, and improvements; contracts; sealed bids; exceptions; notice; when.

(1) A district shall cause estimates of the costs to be made by some competent engineer or engineers before the district enters into any contract for:

(a) The construction, reconstruction, remodeling, building, alteration, maintenance, repair, extension, or improvement, for the use of the district, of any:

(i) Power plant or system;

(ii) Hydrogen production, storage, or distribution system;

(iii) Ethanol production or distribution system;

(iv) Irrigation works; or

(v) Part or section of a system or works described in subdivisions (i) through (iv) of this subdivision; or

(b) The purchase of any materials, machinery, or apparatus to be used in the projects described in subdivision (1)(a) of this section.

(2) If the estimated cost exceeds the sum of seven hundred fifty thousand dollars, for those districts with a gross revenue of less than five hundred million dollars, or one million five hundred thousand dollars, for those districts with a gross revenue of five hundred million dollars or more, no such contract shall be entered into without advertising for sealed bids.

(3) Notwithstanding the provisions of subsection (2) of this section and sections 70-638 and 70-639, the board of directors of the district may negotiate directly with sheltered workshops pursuant to section 48-1503.

(4)(a) The provisions of subsection (2) of this section and sections 70-638 and 70-639 relating to sealed bids shall not apply to contracts entered into by a district in the exercise of its rights and powers relating to (i) radioactive material or the energy therefrom, (ii) any technologically complex or unique equipment, (iii) equipment or supplemental labor procurement from an electric utility or from or through an electric utility alliance, or (iv) any maintenance or repair, if the requirements of subdivisions (b) and (c) of this subsection are met.

(b) A contract described in subdivision (a) of this subsection need not comply with subsection (2) of this section or section 70-638 or 70-639 if:

(i) The engineer or engineers certify that, by reason of the nature of the subject matter of the contract, compliance with subsection (2) of this section would be impractical or not in the public interest;

(ii) The engineer's certification is approved by a two-thirds vote of the board; and

(iii) The district advertises notice of its intention to enter into such contract, the general nature of the proposed work, and the name of the person to be contacted for additional information by anyone interested in contracting for such work.

(c) Any contract for which the board has approved an engineer's certificate described in subdivision (b) of this subsection shall be advertised in three issues not less than seven days between issues in one or more newspapers of general circulation in the district and in such additional newspapers or trade or technical periodicals as may be selected by the board in order to give proper notice of its intention to enter into such contract, and any such contract shall not be entered into prior to twenty days after the last advertisement.

(5) The provisions of subsection (2) of this section and sections 70-638 and 70-639 shall not apply to contracts in excess of seven hundred fifty thousand dollars, for those districts with a gross revenue of less than five hundred million dollars, or one million five hundred thousand dollars, for those districts with a gross revenue of five hundred million dollars or more, entered into for the purchase of any materials, machinery, or apparatus to be used in projects described in subdivision (1)(a) of this section if, after advertising for sealed bids:

(a) No responsive bids are received; or

(b) The board of directors of such district determines that all bids received are in excess of the fair market value of the subject matter of such bids.

(6) Notwithstanding any other provision of subsection (2) of this section or sections 70-638 and 70-639, a district may, without advertising or sealed bidding, purchase replacement parts or services relating to such replacement parts for any generating unit, transformer, or other transmission and distribution equipment from the original manufacturer of such equipment upon certification by an engineer or engineers that such manufacturer is the only available source of supply for such replacement parts or services and that such purchase is in compliance with standards established by the board. A written statement containing such certification and a description of the resulting purchase of replacement parts or services from the original manufacturer shall be submitted to the board by the engineer or engineers certifying the purchase for the board's approval. After such certification, but not necessarily before the board review, notice of any such purchase shall be published once a week for at least three consecutive weeks in one or more newspapers of general circulation in the district and published in such additional newspapers or trade or technical periodicals as may be selected by the board in order to give proper notice of such purchase.

(7) Notwithstanding any other provision of subsection (2) of this section or sections 70-638 and 70-639, a district may, without advertising or sealed bidding, purchase used equipment and materials on a negotiated basis upon certification by an engineer that such equipment is or such materials are in compliance with standards established by the board. A written statement

containing such certification shall be submitted to the board by the engineer for the board's approval.

70-642.02 Repealed. Laws 2020, LB1055, § 22.

70-663 Amendment; approval procedure.

Upon authorization as provided in section 70-662, the proposed amendment shall thereupon be submitted to the Nebraska Power Review Board, together with a petition setting forth the reasons for the adoption of such amendment, and requesting that the same be approved. The Nebraska Power Review Board shall then cause notice to be given by publication for three consecutive weeks in two legal newspapers of general circulation within such district. Such notice shall set forth in full the proposed amendment and set a date, not sooner than three weeks after the last date of publication of the notice, for protests, complaints, or objections to be filed with the Nebraska Power Review Board in opposition to the adoption of such amendment. The cost of such publication shall be paid by such district. If any person residing in such district, or affected by the proposed amendment, shall, within the time provided, file a protest, complaint, or objection, the Nebraska Power Review Board shall schedule a hearing and give due notice thereof to the district, the district's representative, and the person who filed such protest, complaint, or objection. Any person filing a protest, complaint, or objection may appear at such hearing and contest the approval by the Nebraska Power Review Board of such proposed amendment. After all protests, complaints, or objections have been heard, the Nebraska Power Review Board shall act upon the petition and either approve or disapprove the amendment. If no protests, complaints, or objections are properly filed, the board shall either approve the amendment without a hearing or schedule a hearing to determine whether or not the amendment should be approved. If a hearing is scheduled, due notice shall be provided to the district and the district representative.

70-719 Directors; alternate directors; election; compensation; expenses.

The directors, other than those named in the certificate of incorporation to serve until the first annual meeting of members, shall be elected annually, or as otherwise provided in the bylaws, by the members. The directors shall be members of the corporation and shall be entitled to such compensation and reimbursement for expenses incurred by them as provided in sections 81-1174 to 81-1177. The bylaws may provide for the election of alternate directors, who shall be elected and serve in the same manner as members elected to the board of directors. Such alternate directors shall serve in the event of the absence, disability, disqualification, or death of an elected director.

ARTICLE 10

NEBRASKA POWER REVIEW BOARD

Section

70-1001 Declaration of policy.

(1) In order to provide the citizens of the state with adequate and reliable electric service at as low overall cost as possible, consistent with sound business practices, it is the policy of this state to avoid and eliminate conflict and competition between public power districts, public power and irrigation districts, individual municipalities, registered groups of municipalities, electric membership associations, and cooperatives in furnishing electric energy to retail and wholesale customers, to avoid and eliminate the duplication of facilities and resources which result therefrom, and to facilitate the settlement of rate disputes between suppliers of electricity.

(2) It is also the policy of the state to prepare for an evolving retail electricity market if certain conditions are met which indicate that retail competition is in the best interests of the citizens of the state. The determination on the timing and form of competitive markets is a matter properly left to the states as each state must evaluate the costs and benefits of a competitive retail market based on its own unique conditions. Consequently, there is a need for the state to monitor whether the conditions necessary for its citizens to benefit from retail competition exist.

(3) It is also the policy of the state to encourage and allow opportunities for private developers to develop, own, and operate renewable energy facilities intended for sale at wholesale under a statutory framework which protects the ratepayers of consumer-owned utility systems operating in the state from subsidizing the costs of such export facilities through their rates.

70-1001.01 Terms, defined.

For purposes of sections 70-1001 to 70-1028.02, unless the context otherwise requires:

(1) Board means the Nebraska Power Review Board;

(2) Commercial electric vehicle charging station means equipment designed to provide electricity for a fee for the charging of an electric vehicle or a plug-in hybrid electric vehicle, including an electric vehicle direct-current charger or a super-fast charger, any successor technology, and all components thereof. Commercial electric vehicle charging station does not include the residence of a person where an electric vehicle or a plug-in hybrid electric vehicle is charged if no customer usage fee is charged;

(3) Commercial electric vehicle charging station operator means a person, partnership, corporation, or other business entity or political subdivision that operates a commercial electric vehicle charging station;

(4) Direct-current, fast-charging station means a publicly available charging system capable of delivering at least fifty kilowatts of direct-current electrical power to an electric vehicle's rechargeable battery at a voltage of two hundred volts or greater;

(5) Direct-current, fast-charging station operator means a person, partnership, corporation, or other business entity that operates a direct-current, fast-charging station open to the public. The term does not include an electric supplier or a political subdivision;

(6) Electric supplier or supplier of electricity means any legal entity supplying, producing, or distributing electricity within the state for sale at wholesale or retail. Electric supplier does not include a commercial electric vehicle charging station operator that is a private person or privately owned partnership, privately owned corporation, or other privately owned business;

(7) Military installation means a military base other than a National Guard base where fixed-wing aircraft or strategic weapon assets are on a permanent or temporary basis assigned, stored, operated from, or otherwise located;

(8) Plug-in hybrid electric vehicle has the same meaning as in section 60-345.01;

(9) Private electric supplier means an electric supplier producing electricity from a privately developed renewable energy generation facility that is not a public power district, a public power and irrigation district, a municipality, a registered group of municipalities, an electric cooperative, an electric membership association, any other governmental entity, or any combination thereof. A private electric supplier is limited to the development of those facilities as provided in subdivision (10) of this section;

(10) Privately developed renewable energy generation facility means and is limited to a facility that (a) generates electricity using solar, wind, geothermal, biomass, landfill gas, or biogas, including all electrically connected equipment used to produce, collect, and store the facility output up to and including the transformer that steps up the voltage to sixty thousand volts or greater, and including supporting structures, buildings, and roads, unless otherwise agreed to in a joint transmission development agreement, (b) is developed, constructed, and owned, in whole or in part, by one or more private electric suppliers, and (c) is not wholly owned by a public power district, a public power and irrigation district, a municipality, a registered group of municipalities, an electric cooperative, an electric membership association, any other governmental entity, or any combination thereof;

(11) Regional transmission organization means an entity independent from those entities generating or marketing electricity at wholesale or retail, which has operational control over the electric transmission lines in a designated geographic area in order to reduce constraints in the flow of electricity and ensure that all power suppliers have open access to transmission lines for the transmission of electricity;

(12) Reliable or reliability means the ability of an electric supplier to supply the aggregate electric power and energy requirements of its electricity consumers in Nebraska at all times under normal operating conditions, taking into account scheduled and unscheduled outages, including sudden disturbances or unanticipated loss of system components that are to be reasonably expected for any electric utility following prudent utility practices, recognizing certain weather conditions and other contingencies may cause outages at the distribution, transmission, and generation level;

(13) Representative organization means an organization designated by the board and organized for the purpose of providing joint planning and encouraging maximum cooperation and coordination among electric suppliers. Such organization shall represent electric suppliers owning a combined electric generation plant accredited capacity of at least ninety percent of the total electric generation plant accredited capacity constructed and in operation within the state;

(14) State means the State of Nebraska; and

(15) Unbundled retail rates means the separation of utility bills into the individual price components for which an electric supplier charges its retail customers, including, but not limited to, the separate charges for the generation, transmission, and distribution of electricity.

Note: The Revisor of Statutes has pursuant to section 49-769 correlated LB399, section 1, with LB1317, section 65, and LB1370, section 5, to reflect all amendments.

Note: Changes made by LB399 became effective July 19, 2024. Changes made by LB1317 became operative April 24, 2024. Changes made by LB1370 became operative April 16, 2024.

70-1002.02 Suppliers of electricity; sale in violation of approved agreement; prohibited; commercial electric vehicle charging station operator; powers and duties.

(1) No supplier shall offer, provide, or sell electric energy at wholesale in areas, or to customers, in violation of any agreement entered into and approved by the Nebraska Power Review Board pursuant to section 70-1002.01.

(2) A commercial electric vehicle charging station operator may receive electric energy solely from an electric supplier with the right to serve the location of the commercial electric vehicle charging station and shall not offer, provide, sell, or resell electric energy at wholesale or retail for any purpose or use other than the charging of electric vehicles at the location of the commercial electric vehicle charging station. A commercial electric vehicle charging station operator may charge electric vehicle charging customers on the basis of kilowatt-hours consumed. A commercial electric vehicle charging station is subject to the interconnection requirements, electric rates, and service regulations of the electric supplier in whose certified service area the commercial electric vehicle charging station is located. Nothing in sections 70-1001 to 70-1028 shall prohibit an electric supplier from owning and operating an electric vehicle charging station or recovering its costs to provide electric service to a commercial electric vehicle charging station.

(3) A commercial electric vehicle charging station funded in whole or part by state or federal funds shall only be installed by an installer who has obtained certification from the Electric Vehicle Infrastructure Training Program.

(4) Nothing in this section shall be construed to prohibit the use of batteries with a commercial electric vehicle charging station if such battery is charged with electric energy received solely from an electric supplier.

70-1003 Nebraska Power Review Board; establishment; composition; appointment; term; vacancy; qualifications; compensation; expenses; jurisdiction; officers; executive director; staff; reports.

(1)(a) There is hereby established an independent board to be known as the Nebraska Power Review Board. The board shall consist of five members, including at least one engineer, at least one attorney, and three additional

persons. No more than one person who is or who has within four years preceding such person's appointment been either a director, an officer, or an employee of any electric utility or an elective state officer shall serve on the board at the same time. Any board member who previously was either a director, an officer, or an employee of any electric utility within four years preceding such board member's appointment shall refrain from taking any action or making any decision in any proceeding before the board that involves such electric utility for a period of four years after the date such board member ceased being a director, an officer, or an employee of such electric utility.

(b) Members of the board shall be appointed by the Governor subject to the approval of the Legislature. Upon expiration of the terms of the members first appointed, the successors shall be appointed for terms of four years. No member of the board shall serve more than three consecutive terms. Any vacancy on the board arising other than from the expiration of a term shall be filled by appointment for the unexpired portion of the term, and any person appointed to fill a vacancy on the board shall be eligible for reappointment for two more consecutive terms. No more than three members of the board shall be registered members of that political party represented by the Governor.

(2) Each member of the board shall receive one hundred dollars per day for each day actually and necessarily engaged in the performance of his or her duties, but not to exceed seven thousand dollars in any one year, except for the member designated to represent the board on the Southwest Power Pool Regional State Committee or its equivalent successor, who shall receive two hundred fifty dollars for each day actually and necessarily engaged in the performance of his or her duties, not to exceed thirty-five thousand dollars in any one year. If the member designated to represent the board on the Southwest Power Pool Regional State Committee should for any reason no longer serve in that capacity during a year, the pay received while serving in such capacity shall not be used for purposes of calculating the seven-thousand-dollar limitation for board members not serving in that capacity. When another board member acts as the proxy for the designated Southwest Power Pool Regional State Committee member, he or she shall receive the same pay as the designated member would have for that activity. Pay received while serving as proxy for such designated member shall not be used for purposes of determining whether the seven-thousand-dollar limitation has been met for board members not serving as such designated member. Total pay to board members for activities related to the Southwest Power Pool shall not exceed an aggregate total of forty thousand dollars in any one year. Each member shall be reimbursed for expenses while so engaged as provided in sections 81-1174 to 81-1177. The board shall have jurisdiction as provided in Chapter 70, article 10.

(3) The board shall elect from their members a chairperson and a vice-chairperson. Decisions of the board shall require the approval of a majority of the members of the board.

(4) The board shall employ an executive director and may employ such other staff necessary to carry out the duties pursuant to Chapter 70, article 10. The executive director shall serve at the pleasure of the board and shall be solely responsible to the board. The executive director shall be responsible for the administrative operations of the board and shall perform such other duties as may be delegated or assigned to him or her by the board. The board may obtain the services of experts and consultants necessary to carry out the board's duties pursuant to Chapter 70, article 10.

(5) The board shall publish and submit a biennial report with annual data to the Governor, with copies to be filed with the Clerk of the Legislature and with the Department of Environment and Energy. The report submitted to the Clerk of the Legislature shall be submitted electronically. The department shall consider the information in the Nebraska Power Review Board's report when the department prepares its own reports pursuant to sections 81-1606 and 81-1607. The report of the board shall include:

(a) The assessments for the fiscal year imposed pursuant to section 70-1020;

(b) The gross income totals for each category of the industry and the industry total;

(c) The number of suppliers against whom the assessment is levied, by category and in total;

(d) The projected dollar costs of generation, transmission, and microwave applications, approved and denied;

(e) The actual dollar costs of approved applications upon completion, and a summary of an informational hearing concerning any significant divergence between the projected and actual costs;

(f) A description of Nebraska's current electric system and information on additions to and retirements from the system during the fiscal year, including microwave facilities;

(g) A statistical summary of board activities and an expenditure summary;

(h) A roster of power suppliers in Nebraska and the assessment each paid; and

(i) Appropriately detailed historical and projected electric supply and demand statistics, including information on the total generating capacity owned by Nebraska suppliers and the total peak load demand of the previous year, along with an indication of how the industry will respond to the projected situation.

(6) The board may, in its discretion, hold public hearings concerning the conditions that may indicate that retail competition in the electric industry would benefit Nebraska's citizens and what steps, if any, should be taken to prepare for retail competition in Nebraska's electricity market. In determining whether to hold such hearings, the board shall consider the sufficiency of public interest.

(7) The board may, at any time deemed beneficial by the board, submit a report to the Governor with copies to be filed with the Clerk of the Legislature and the Natural Resources Committee of the Legislature. The report filed with the Clerk of the Legislature and the committee shall be filed electronically. The report may include:

(a) Whether or not a viable regional transmission organization and adequate transmission exist in Nebraska or in a region which includes Nebraska;

(b) Whether or not a viable wholesale electricity market exists in a region which includes Nebraska;

(c) To what extent retail rates have been unbundled in Nebraska;

(d) A comparison of Nebraska's wholesale electricity prices to the prices in the region; and

(e) Any other information the board believes to be beneficial to the Governor, the Legislature, and Nebraska's citizens when considering whether retail electric competition would be beneficial, such as, but not limited to, an update on

deregulation activities in other states and an update on federal deregulation legislation.

(8) The board may establish working groups of interested parties to assist the board in carrying out the powers set forth in subsections (6) and (7) of this section.

70-1012 Electric generation facilities and transmission lines; construction or acquisition; application; approval; when not required; proximity to military installation; notice required, when.

(1) Before any electric generation facilities or any transmission lines or related facilities carrying more than seven hundred volts are constructed or acquired by any supplier, an application, filed with the board and containing such information as the board shall prescribe, shall be approved by the board, except that such approval shall not be required (a) for the construction or acquisition of a transmission line extension or related facilities within a supplier's own service area or for the construction or acquisition of a line not exceeding one-half mile outside its own service area when all owners of electric lines located within one-half mile of the extension consent thereto in writing and such consents are filed with the board, (b) for any generation facility when the board finds that (i) such facility is being constructed or acquired to replace a generating plant owned by an individual municipality or registered group of municipalities with a capacity not greater than that of the plant being replaced, (ii) such facility will generate less than twenty-five thousand kilowatts of electric energy at rated capacity, and (iii) the applicant will not use the plant or transmission capacity to supply wholesale power to customers outside the applicant's existing retail service area or chartered territory, (c) for acquisition of transmission lines or related facilities, within the state, carrying one hundred fifteen thousand volts or less, if the current owner of the transmission lines or related facilities notifies the board of the lines or facilities involved in the transaction and the parties to the transaction, or (d) for the construction of a qualified facility as defined in section 70-2002.

(2)(a) Before any electric supplier commences construction of or acquires an electric generation facility or transmission lines or related facilities carrying more than seven hundred volts that will be located within a ten-mile radius of a military installation, the owner of such proposed facility, transmission lines, or related facilities shall provide written notice certifying to the board that such facility or facilities contain no materials, electronics, or other components manufactured by any foreign government or foreign nongovernment person determined to be a foreign adversary pursuant to 15 C.F.R. 7.4.

(b) Any electric supplier supplying, producing, or distributing electricity within the state for sale at retail is exempt from subdivision (a) of this subsection if it is in compliance with the critical infrastructure protection requirements issued by the North American Electric Reliability Corporation. To receive such exemption, the electric supplier shall submit written notice to the

board certifying that it is in such compliance. The electric supplier shall also submit written notice to the board at any time such supplier is no longer in such compliance.

(3) A privately developed renewable energy generation facility is exempt from this section if it complies with section 70-1014.02.

Operative date April 16, 2024.

70-1014 Electric generation facilities and transmission lines; approval or denial of application; findings required; regional line or facilities; additional consideration.

(1) After hearing, the board shall have authority to approve or deny the application. Except as provided in section 70-1014.01 for special generation applications, before approval of an application, the board shall find that:

(a) The application will serve the public convenience and necessity, and that the applicant can most economically and feasibly supply the electric service resulting from the proposed construction or acquisition without unnecessary duplication of facilities or operations; and

(b)(i) For any proposed electric generation facility that has a generating capacity that is greater than ten megawatts, the applicant has held at least one public meeting with advanced publicized notice in one of the counties in which the proposed facility will be located at which (A) at least fifty percent of the governing body of the electric supplier attends either in person or by videoconference, but with not less than one member of the governing body physically present, (B) the applicant explains the need for the proposed facility and the type of facility, and (C) real property owners in any of the counties in which the proposed facility will be located are provided an opportunity to comment on the proposed facility. The applicant shall provide a report to the board containing the minutes of any such meeting and how many people commented on the proposed facility. Documentation received at any such meeting shall be made available to the board upon its request. A meeting described in this subdivision is not subject to the requirements described in subdivision (3)(b)(iv) of section 84-1411.

(ii) This subdivision (b) shall not apply if the proposed facility will be located on real property owned by the applicant at the time of application.

(2) If the application involves a transmission line or related facilities planned and approved by a regional transmission organization and the regional transmission organization has issued a notice to construct or similar notice or order to a utility to construct the line or related facilities, the board shall also consider information from the regional transmission organization's planning process and may consider the benefits to the region, which shall include Nebraska, provided by the proposed line or related facilities as part of the board's process in determining whether to approve or deny the application.

(3) A privately developed renewable energy generation facility is exempt from this section if it complies with section 70-1014.02.

Effective date July 19, 2024.

70-1014.02 Legislative findings; privately developed renewable energy generation facility; owner; duties; certification; decommissioning plan; bond; joint transmission development agreement; contents; property not subject to eminent domain.

(1) The Legislature finds that:

(a) Nebraska has the authority as a sovereign state to protect its land, natural resources, and cultural resources for economic and aesthetic purposes for the benefit of its residents and future generations by regulation of energy generation projects;

(b) The unique terrain and ecology of the Nebraska Sandhills provide an irreplaceable habitat for millions of migratory birds and other wildlife every year and serve as the home to numerous ranchers and farmers;

(c) The grasslands of the Nebraska Sandhills and other natural resources in Nebraska will become increasingly valuable, both economically and strategically, as the demand for food and energy increases; and

(d) The Nebraska Sandhills are home to priceless archaeological sites of historical and cultural significance to American Indians.

(2)(a) A privately developed renewable energy generation facility that meets the requirements of this section is exempt from sections 70-1012 to 70-1014.01 if, no less than thirty days prior to the commencement of construction, the owner of the facility:

(i) Notifies the board in writing of its intent to commence construction of a privately developed renewable energy generation facility;

(ii) Certifies to the board that the facility will meet the requirements for a privately developed renewable energy generation facility;

(iii) Certifies to the board that the private electric supplier will (A) comply with any decommissioning requirements adopted by the local governmental entities having jurisdiction over the privately developed renewable energy generation facility and (B) except as otherwise provided in subdivision (b) of this subsection, submit a decommissioning plan to the board obligating the private electric supplier to bear all costs of decommissioning the privately developed renewable energy generation facility and requiring that the private electric supplier post a security bond or other instrument, no later than the sixth year following commercial operation, securing the costs of decommissioning the facility and provide a copy of the bond or instrument to the board;

(iv) Certifies to the board that the private electric supplier has entered into or prior to commencing construction will enter into a joint transmission development agreement pursuant to subdivision (c) of this subsection with the electric supplier owning the transmission facilities of sixty thousand volts or greater to which the privately developed renewable energy generation facility will interconnect;

(v) Certifies to the board that the private electric supplier has consulted with the Game and Parks Commission to identify potential measures to avoid, minimize, and mitigate impacts to species identified under subsection (1) or (2) of section 37-806 during the project planning and design phases, if possible, but in no event later than the commencement of construction;

(vi) Certifies in writing to the board that the facility, if located within a ten-mile radius of a military installation:

(A) Contains no materials, electronics, or other components manufactured by any foreign government or foreign nongovernment person determined to be a foreign adversary pursuant to 15 C.F.R. 7.4; or

(B) Is in compliance with the critical infrastructure protection requirements issued by the North American Electric Reliability Corporation if connected to the transmission grid at one hundred kilovolts or higher voltage and has to have a nameplate rating of twenty megavolt amperes for a single generation unit or injecting at an aggregate of seventy-five megavolt amperes or greater. The private electric supplier shall also submit written notice to the board at any time such private electric supplier is no longer in such compliance; and

(vii) For a proposed privately developed renewable energy generation facility that has a generating capacity that is greater than ten megawatts, certifies to the board that the private electric supplier has held at least one public meeting with advanced publicized notice in one of the counties in which the proposed facility will be located at which (A) the private electric supplier explains the need for the proposed facility and the type of facility and (B) real property owners in any of the counties in which the proposed facility will be located are provided an opportunity to comment on the proposed facility. The private electric supplier shall provide a report to the board containing the minutes of any such meeting and how many people commented on the proposed facility. Documentation received at any such meeting shall be made available to the board upon its request. A meeting described in this subdivision is not subject to the requirements described in subdivision (3)(b)(iv) of section 84-1411.

(b) The board may bring an action in the name of the State of Nebraska for failure to comply with subdivision (a)(iii)(B) of this subsection, except that such subdivision does not apply if a local government entity with the authority to create requirements for decommissioning has enacted decommissioning requirements for the applicable jurisdiction.

(c) A joint transmission development agreement shall be entered into to address construction, ownership, operation, and maintenance of such additions or upgrades to the transmission facilities as required for the privately developed renewable energy generation facility. The joint transmission development agreement shall be negotiated and executed contemporaneously with the generator interconnection agreement or other directives of the applicable regional transmission organization with jurisdiction over the addition or upgrade of transmission, upon terms consistent with prudent electric utility practices for the interconnection of renewable generation facilities, the electric supplier's reasonable transmission interconnection requirements, and applicable transmission design and construction standards. The electric supplier shall have the right to purchase and own transmission facilities as set forth in the joint transmission development agreement. The private electric supplier of the privately developed renewable energy generation facility shall have the right to construct any necessary facilities or improvements set forth in the joint transmission development agreement pursuant to the standards set forth in the agreement at the private electric supplier's cost.

(3) Within ten days after receipt of a written notice complying with subsection (2) of this section, the executive director of the board shall issue a written acknowledgment that the privately developed renewable energy generation facility is exempt from sections 70-1012 to 70-1014.01 if such facility remains in compliance with the requirements of this section.

(4) The exemption allowed under this section for a privately developed renewable energy generation facility shall extend to and exempt all private electric suppliers owning any interest in the facility, including any successor private electric supplier which subsequently acquires any interest in the facility.

(5) No property owned, used, or operated as part of a privately developed renewable energy generation facility shall be subject to eminent domain by a consumer-owned electric supplier operating in the State of Nebraska. Nothing in this section shall be construed to grant the power of eminent domain to a private electric supplier or limit the rights of any entity to acquire any public, municipal, or utility right-of-way across property owned, used, or operated as part of a privately developed renewable energy generation facility as long as the right-of-way does not prevent the operation of or access to the privately developed renewable energy generation facility.

(6) Only a consumer-owned electric supplier operating in the State of Nebraska may exercise eminent domain authority to acquire the land rights necessary for the construction of transmission lines and related facilities. There is a rebuttable presumption that the exercise of eminent domain to provide needed transmission lines and related facilities for a privately developed renewable energy generation facility is a public use.

(7) Nothing in this section shall be construed to authorize a private electric supplier to sell or deliver electricity at retail in Nebraska.

(8) Nothing in this section shall be construed to limit the authority of or require a consumer-owned electric supplier operating in the State of Nebraska to enter into a joint agreement with a private electric supplier to develop, construct, and jointly own a privately developed renewable energy generation facility.

Note: The Revisor of Statutes has pursuant to section 49-769 correlated LB399, section 3, with LB1370, section 7, to reflect all amendments.

Note: Changes made by LB399 became effective July 19, 2024. Changes made by LB1370 became operative April 16, 2024.

70-1015 Suppliers; electric generation facilities and transmission lines; unauthorized construction, acquisition, or service; injunction; violation; actions authorized; private electric supplier; commencement of construction prior to providing notice; violation; fine; executive director; powers and duties; dispute; hearing; procedure; decision; costs.

(1) If any supplier violates Chapter 70, article 10, by either (a) commencing the construction or finalizing or attempting to finalize the acquisition of any generation facilities, any transmission lines, or any related facilities without first providing notice or obtaining board approval, whichever is required, or (b) serving or attempting to serve at retail any customers located in Nebraska or any wholesale customers in violation of section 70-1002.02, such construction, acquisition, or service of such customers shall be enjoined in an action brought in the name of the State of Nebraska until such supplier has complied with Chapter 70, article 10.

(2) If the executive director of the board determines that a private electric supplier commenced construction of a privately developed renewable energy generation facility less than thirty days prior to providing the notice required in

subdivision (2)(a) of section 70-1014.02, the executive director shall send notice via certified mail to the private electric supplier, informing it of the determination that the private electric supplier is in violation of such subdivision and is subject to a fine in the amount of five hundred dollars. The private electric supplier shall have twenty days from the date on which the notice is received in which to submit the notice described in such subdivision and to pay the fine. Within ten days after the private electric supplier submits a notice compliant with subsection (2) of section 70-1014.02 and payment of the fine, the executive director of the board shall issue the written acknowledgment described in subsection (3) of section 70-1014.02. If the private electric supplier fails to submit a notice compliant with subsection (2) of section 70-1014.02 and pay the fine within twenty days after the date on which the private electric supplier receives the notice from the executive director of the board, the private electric supplier shall immediately cease construction or operation of the privately developed renewable energy generation facility.

(3) If the private electric supplier disputes that construction was commenced less than thirty days prior to submitting the written notice required by subdivision (2)(a) of section 70-1014.02, the private electric supplier may request a hearing before the board. Such request shall be submitted within twenty days after the private electric supplier receives the notice sent by the executive director pursuant to subsection (2) of this section. If the private electric supplier does not accept the certified mail sent pursuant to such subsection, the executive director shall send a second notice to the private electric supplier by first-class United States mail. The private electric supplier may submit a request for hearing within twenty days after the date on which the second notice was mailed.

(4) Upon receipt of a request for hearing, the board shall set a hearing date. Such hearing shall be held within sixty days after such receipt. The board shall provide to the private electric supplier written notice of the hearing at least twenty days prior to the date of the hearing. The board or its hearing officer may grant continuances upon good cause shown or upon the request of the private electric supplier. Timely filing of a request for hearing by a private electric supplier shall stay any further enforcement under this section until the board issues an order pursuant to subsection (5) of this section or the request for hearing is withdrawn.

(5) The board shall issue a written decision within sixty days after conclusion of the hearing. All costs of the hearing shall be paid by the private electric supplier if (a) the board determines that the private electric supplier commenced construction of the privately developed renewable energy generation facility less than thirty days prior to submitting the written notice required pursuant to subsection (2) of section 70-1014.02 or (b) the private electric supplier withdraws its request for hearing prior to the board issuing its decision.

(6) A private electric supplier which the board finds to be in violation of the requirements of subsection (2) of section 70-1014.02 shall either (a) pay the fine described in this section and submit a notice compliant with subsection (2) of section 70-1014.02 or (b) immediately cease construction or operation of the privately developed renewable energy generation facility.

70-1025 Power supply plan; contents; filing; annual report.

(1) The representative organization shall file with the board a coordinated long-range power supply plan containing the following information:

(a) The identification of all electric generation plants operating or authorized for construction within the state that have a rated capacity of at least twenty-five thousand kilowatts;

(b) The identification of all transmission lines located or authorized for construction within the state that have a rated capacity of at least two hundred thirty kilovolts; and

(c) The identification of all additional planned electric generation and transmission requirements needed to serve estimated power supply demands within the state for a period of twenty years.

(2) The representative organization shall file with the board the coordinated long-range power supply plan specified in subsection (1) of this section, and the board shall determine the date on which such report is to be filed, except that such report shall not be required to be filed more often than biennially.

(3) An annual load and capability report shall be filed with the board by the representative organization. The report shall include:

(a) Statewide utility load forecasts and the resources available to satisfy the loads over a twenty-year period; and

(b) Such other information as the board requests if such request is submitted in writing to the representative organization, is consistent with the board's statutory responsibilities, and can be performed at a reasonable cost.

(4) The annual load and capability report shall be filed on dates specified by the board.

70-1028.01 Electric supplier; operation of direct-current, fast-charging station; conditions; section; termination.

(1) An electric supplier shall have the authority to own, maintain, and operate a direct-current, fast-charging station for retail services only under all of the following conditions:

(a) An electric supplier shall only develop, own, maintain, or operate a direct-current, fast-charging station at a location which is at least fifteen miles from a privately owned direct-current, fast-charging station that is already existing or under construction and at least one mile from an alternative fuel corridor designated by the Federal Highway Administration; and

(b) Before beginning construction of a direct-current, fast-charging station that is developed, owned, maintained, or operated by such electric supplier, the electric supplier shall conduct a right of first refusal process as follows:

(i) At least ninety days prior to beginning construction of a direct-current, fast-charging station, the electric supplier shall publish notice in a newspaper in or of general circulation in the county where the direct-current, fast-charging station will be located as well as on its website. Such notice shall contain the beginning construction date, the construction location, the electric supplier's mailing address and email address, and the method by which a direct-current, fast-charging station operator may notify the electric supplier that such direct-

current, fast-charging station operator plans to provide a direct-current, fast-charging station within fifteen miles of the proposed construction location;

(ii) If during such ninety-day period one or more direct-current, fast-charging station operators assert their right of first refusal by providing notification as described under subdivision (1)(b)(i) of this section, the electric supplier shall not construct the direct-current, fast-charging station; and

(iii) If after the ninety-day period no direct-current, fast-charging station operator has asserted a right of first refusal to provide a direct-current, fast-charging station within fifteen miles of the location proposed by an electric supplier, or if after notification is received under subdivision (1)(b)(i) of this section no direct-current, fast-charging station service is provided within eighteen months by a direct-current, fast-charging station operator, the electric supplier may proceed with construction of a direct-current, fast-charging station at the proposed location.

(2) An electric supplier that provides a direct-current, fast-charging station pursuant to this section shall do so under rates, tolls, rents, and charges that shall be fair, reasonable, nondiscriminatory, and available to all direct-current, fast-charging station operators in the electric supplier's service territory for the purposes of operating direct-current, fast-charging stations.

(3) This section shall terminate on December 31, 2027.

70-1028.02 Electric supplier; operation of direct-current, fast-charging station; requirements.

(1) Effective on January 1, 2028, an electric supplier shall not develop, own, maintain, or operate a direct-current, fast-charging station within ten miles of a privately owned direct-current fast-charging station that is already in commercial operation or has a pending building permit and interconnection request to the electric supplier, on January 1, 2028.

(2) An electric supplier that operates a direct-current, fast-charging station shall provide electric vehicle charging under rates, tolls, rents, and charges that are fair, reasonable, and nondiscriminatory, and available to all direct-current, fast-charging station operators in the electric supplier's service territory for the purpose of operating direct-current, fast-charging stations.

70-1034 Dispatchable electric generation facility; closure or decommissioning; notice; contents; hearing; recommendations; confidentiality.

(1) For purposes of this section, dispatchable electric generation facility means a facility that, under normal operating conditions, can increase or decrease its output on demand to provide electricity onto the electric power transmission grid on an ongoing basis.

(2)(a) If a public power district, a public power and irrigation district, an electric membership association, an electric cooperative company, a municipality having a generation and distribution system, or a registered group of municipalities decides that a dispatchable electric generation facility with a generation capacity in excess of one hundred megawatts owned by any such entity should be closed or decommissioned, such entity shall provide written notice to the Nebraska Power Review Board prior to a final decision to close or decommission such facility. Such written notice shall include recommendations on necessary transition activities to avoid economic harm to workers at such facility or to an affected community. Transition activities include, but are not necessarily limited to:

(i) Educating workers regarding the availability of various assistance programs, including what options are available to maintain employment with such entity;

(ii) Explaining what severance pay will be available to workers;

(iii) Services for workers including education and job training, career counseling, skills-matching, and financial planning assistance; and

(iv) Promoting economic development opportunities in the affected community, including the creation of comparable jobs.

(b) The board, in its discretion, may set a time and place for hearing on the matter and provide at least twenty days' prior notice to such entity. The hearing shall be held within sixty days after such notice unless such entity requests in writing that the hearing not be scheduled until a later time. Any such hearing shall be closed to the public due to the proprietary and commercial information discussed. If the board determines that no hearing is necessary, the board shall provide written notice of such determination to such entity within thirty days after receipt of the written notice described in subdivision (2)(a) of this section.

(3) Within sixty days after the hearing or the determination that no hearing is necessary as described in subsection (2) of this section, the board shall make recommendations in writing on the basis of the record before the board as to whether closing or decommissioning the dispatchable electric generation facility is in the best interests of the entity deciding to close or decommission the dispatchable electric generation facility and its customers. Such recommendations shall be advisory only. Such entity shall consider the board's recommendations before making its final decision regarding the closing or decommissioning of the electric generation facility.

(4) The notices, the scheduling decisions concerning the hearing and purpose of the hearing, the record of the hearing, the board's recommendations, and any response by the entity deciding to close or decommission the dispatchable

electric generation facility shall all be treated as confidential records that are not subject to public disclosure pursuant to sections 84-712 to 84-712.09 until such time as such entity publicly announces any decision to close or decommission the dispatchable electric generation facility. Nothing in this subsection shall be construed to require public disclosure of any information that may be withheld as provided in section 70-673 or 84-712.05.

(5) This section shall not apply to any decision by a public power district, a public power and irrigation district, an electric membership association, an electric cooperative company, a municipality having a generation and distribution system, or a registered group of municipalities to close or decommission a dispatchable electric generation facility made prior to April 16, 2024.

JOINT PUBLIC POWER AUTHORITY ACT

Section
70-1409. Joint authority; rights and powers; enumerated.

70-1409 Joint authority; rights and powers; enumerated.

Each joint authority shall have all the rights and powers necessary or convenient to carry out and effectuate the purposes and provisions of the Joint Public Power Authority Act including, but not limited to, the right and power:

(1) To adopt bylaws for the regulation of the affairs and the conduct of its business and to prescribe rules, regulations, and policies in connection with the performance of its functions and duties;

(2) To adopt an official seal and alter the same at pleasure;

(3) To maintain an office at such place or places as it may determine;

(4) To sue and be sued in its own name and to plead and be impleaded;

(5) To receive, administer, and comply with the conditions and requirements respecting any gift, grant, or donation of any property or money;

(6) To acquire by purchase, lease, gift, or otherwise, or to obtain options for the acquisition of, any property, real or personal, improved or unimproved, including an interest in land less than an interest in fee;

(7) To sell, lease, exchange, transfer, or otherwise dispose of, or to grant options for any such purposes with respect to, any real or personal property or interest in such property;

(8) To pledge or assign any money, rents, charges, or other revenue and any proceeds derived by the joint authority from the sales of property, insurance, or condemnation awards;

(9) To issue bonds of the joint authority for the purpose of providing funds for any of its corporate purposes;

(10) To authorize the construction, operation, or maintenance of any project or projects by any person, firm, or corporation, including political subdivisions and agencies of any state or of the United States;

(11) To acquire by negotiated purchase or lease an existing project, a project under construction, or other property, either individually or jointly, with one or more public power districts in this state or with any political subdivisions or

agencies of this state or any other state or with other joint authorities created pursuant to the Joint Public Power Authority Act;

(12) To dispose of by negotiated sale or lease an existing project, a project under construction, or other property, either individually or jointly, with one or more public power districts in this state, with any political subdivisions or agencies of this state or any other state or, with other joint authorities created pursuant to the Joint Public Power Authority Act, except that no such sale or lease of any project located in this state shall be made to any private person, firm, or corporation engaged in the business of generating, transmitting, or distributing electricity for profit;

(13) To fix, charge, and collect rents, rates, fees, and charges for electric power or energy, hydrogen, or ethanol and other services, facilities, and commodities sold, furnished, or supplied through any project;

(14) To generate, produce, transmit, deliver, exchange, purchase, or sell for resale only electric power or energy, to produce, store, deliver, or distribute hydrogen for use in fuel processes, or to produce, deliver, or distribute ethanol and to enter into contracts for any or all such purposes, subject to sections 70-1410 and 70-1413;

(15) To negotiate and enter into contracts for the purchase, exchange, interchange, wheeling, pooling, or transmission of electric power and energy with any public power district, any other joint authority, any political subdivision or agency of this state or any other state, any electric cooperative, or any municipal agency which owns electric generation, transmission, or distribution facilities in this state or any other state;

(16) To negotiate and enter into contracts for the sale or use of electric power and energy, hydrogen, or ethanol with any joint authority, electric cooperative, any political subdivision or agency or any public or private electric utility of this state or any other state, any joint agency, electric cooperative, municipality, public or private electric utility, or any state or federal agency or political subdivision, subject to sections 70-1410 and 70-1413;

(17) To make and execute contracts and other instruments necessary or convenient in the exercise of the powers and functions of the joint authority under the Joint Public Power Authority Act, including contracts with persons, firms, corporations, and others;

(18) To apply to the appropriate agencies of the state, the United States, or any other state and to any other proper agency for such permits, licenses, certificates, or approvals as may be necessary to construct, maintain, and operate projects in accordance with such licenses, permits, certificates, or approvals, and to obtain, hold, and use the same rights granted in any licenses, permits, certificates, or approvals as any other person or operating unit would have under such documents;

(19) To employ engineers, architects, attorneys, appraisers, financial advisors, and such other consultants and employees as may be required in the judgment of the joint authority and to fix and pay their compensation from funds available to the joint authority. The joint authority may employ technical experts and such other officers, agents, and employees as it may require and shall assess their qualifications, duties, compensation, and term of office. The board may delegate to one or more of the joint authority's employees or agents such powers and duties as the board may deem proper;

(20) To make loans or advances for long-term, supplemental, short-term, and interim financing for both capital projects and operational purposes to those member districts on such terms and conditions as the board of directors of the joint authority may deem necessary and to secure such loans or advances by assignment of revenue, receivables, or other sums of the member district and such other security as the board of directors of the joint authority may determine; and

(21) To sell, lease, or license its dark fiber pursuant to sections 86-574 to 86-578.

Any joint authority shall have the same power of eminent domain as the public power districts have under section 70-670.

DENIAL OR DISCONTINUANCE OF UTILITY SERVICE

Section
70-1605. Discontinuance of service; notice; procedure; limitation on fees.
70-1606. Discontinuance of service; notice; contents; accessible to public.

70-1605 Discontinuance of service; notice; procedure; limitation on fees.

No public or private utility company, other than a municipal utility owned and operated by a village, furnishing water, natural gas, or electricity at retail in this state shall discontinue service to any domestic subscriber for nonpayment of any past-due account unless the utility company first gives notice to any subscriber whose service is proposed to be terminated. Such notice shall be given in person, by first-class mail, or by electronic delivery, except that electronic delivery shall only be used if the subscriber has specifically elected to receive such notices by electronic delivery. If notice is given by first-class mail or electronic delivery, such notice shall be conspicuously marked as to its importance. Service shall not be discontinued for at least seven days after notice is sent or given. Holidays and weekends shall be excluded from the seven days. A public or private utility company shall not charge a fee for the discontinuance or reconnection of utility service that exceeds the reasonable costs of providing such service.

70-1606 Discontinuance of service; notice; contents; accessible to public.

(1) The notice required by section 70-1605 shall contain the following information:

(a) The reason for the proposed disconnection;

(b) A statement of intention to disconnect unless the domestic subscriber either pays the bill or reaches an agreement with the utility regarding payment of the bill;

(c) The date upon which service will be disconnected if the domestic subscriber does not take appropriate action;

(d) The name, address, and telephone number of the utility's employee or department to whom the domestic subscriber may address any inquiry or complaint;

(e) The domestic subscriber's right, prior to the disconnection date, to request a conference regarding any dispute over such proposed disconnection;

(f) A statement that the utility may not disconnect service pending the conclusion of the conference;

(g) A statement to the effect that disconnection shall be postponed or prevented upon presentation of a duly licensed physician's, physician assistant's, or advanced practice registered nurse's certificate, which shall certify that a domestic subscriber or resident within such subscriber's household has an existing illness or handicap which would cause such subscriber or resident to suffer an immediate and serious health hazard by the disconnection of the utility's service to that household. Such certificate shall be filed with the utility within five days of receiving notice under this section, excluding holidays and weekends, and will prevent the disconnection of the utility's service for a period of at least thirty days from such filing. Only one postponement of disconnection shall be required under this subdivision for each incidence of nonpayment of any past-due account;

(h) The cost that will be borne by the domestic subscriber for restoration of service;

(i) A statement that the domestic subscriber may arrange with the utility for an installment payment plan;

(j) A statement to the effect that those domestic subscribers who are welfare recipients may qualify for assistance in payment of their utility bill and that they should contact their caseworker in that regard; and

(k) Any additional information not inconsistent with this section which has received prior approval from the board of directors or administrative board of any utility.

(2) A public or private utility company, other than a municipal utility owned and operated by a village, shall make the service termination information required under subdivisions (d), (e), (f), (g), (i), (j), and (k) of subsection (1) of this section readily accessible to the public on the website of the utility company and available by mail upon request.

ARTICLE 2
PRACTICE OF BARBERING

71-201 Practice of barbering; barber shop; barber school; license required; renewal; disciplinary actions; prohibited acts.

(1) No person shall practice or attempt to practice barbering without a license issued pursuant to the Barber Act by the board. It shall be unlawful to operate a barber shop unless it is at all times under the direct supervision and management of a licensed barber.

(2)(a) No person, partnership, limited liability company, or corporation shall operate a barber shop or barber school until a license has been obtained for that purpose from the board. If the applicant is an individual, the application shall include the applicant's social security number. All barber shop licenses shall be issued on or before June 30 of each even-numbered year, shall be effective as of July 1 of each even-numbered year, shall be valid for two years, and shall expire on June 30 of the next succeeding even-numbered year.

(b) No booth rental permits shall be required after April 19, 2022.

(3) Any barber shop which fails to renew its license on or before the expiration date may renew such license by payment of the renewal fee and a late renewal fee established by the board within sixty days after such date or such other time period as the board establishes.

(4) Any barber shop or barber school license may be suspended, revoked, or denied renewal by the board for violation of any provision of the statutes or any rule or regulation of the board pertaining to the operation or sanitation of barber shops or barber schools after due notice and hearing before the board.

(5) No person, partnership, limited liability company, or corporation shall use the title of barber or barber shop or indicate in any way that such person or entity offers barbering services unless such person or entity is licensed pursuant

to the act. No person, partnership, limited liability company, or corporation shall hold itself out as a barber shop or indicate in any way that such person or entity offers barbering services unless such person or entity and the personnel who purport to offer barbering services in association with such person or entity are licensed pursuant to the act.

(6) No person, partnership, limited liability company, or corporation shall display a barber pole or use a barber pole or the image of a barber pole in its advertising unless such person or entity is licensed to provide barbering services pursuant to the act and the display or use of such barber pole or barber pole image is to indicate that the person or entity is offering barbering services.

71-202.01 Terms, defined.

For purposes of the Barber Act, unless the context otherwise requires:

(1) Barber shall mean any person who engages in the practice of any act of barbering;

(2) Barber pole shall mean a cylinder or pole with alternating stripes of red, white, and blue or any combination of them which run diagonally along the length of the cylinder or pole;

(3) Barber shop shall mean (a) an establishment or place of business properly licensed as required by the act where one or more persons properly licensed are engaged in the practice of barbering or (b) a mobile barber shop. Barber shop shall not include barber schools or colleges;

(4) Barber school or college shall mean an establishment properly licensed and operated for the teaching and training of barber students;

(5) Board shall mean the Board of Barber Examiners;

(6) Manager shall mean a licensed barber having control of the barber shop and of the persons working at or employed by the barber shop;

(7) License shall mean a certificate of registration issued by the board;

(8) Barber instructor shall mean a teacher of the barber trade as provided in the act;

(9) Assistant barber instructor shall mean a teacher of the barbering trade registered as an assistant barber instructor as required by the act;

(10) Mobile barber shop shall mean a self-contained, self-supporting, enclosed mobile unit licensed under the act as a mobile site for the performance of the practice of barbering by persons licensed under the act;

(11) Registered or licensed barber shall mean a person who has completed the requirements to receive a certificate as a barber and to whom a certificate has been issued;

(12) Secretary of the board shall mean the director appointed by the board who shall keep a record of the proceedings of the board;

(13) Student shall mean a person attending an approved, licensed barber school or college, duly registered with the board as a student engaged in learning and acquiring any and all of the practices of barbering, and who, while learning, performs and assists any of the practices of barbering in a barber school or college; and

(14) Postsecondary barber school or college shall mean an establishment properly licensed and operated for the teaching and training of barber students who have successfully completed high school or its equivalent as determined by successfully passing a general educational development test prior to admittance.

71-208.02 Barber school; registered instructors and assistants; qualifications.

(1) All instruction in barber schools shall be conducted by registered barber instructors or registered assistant barber instructors.

(2) A person shall be eligible for registration as a barber instructor if:

(a) He or she has completed at least eighteen hours of college credit at or above the postsecondary level, including at least three credit hours each in (i) methods of teaching, (ii) curriculum development, (iii) special vocational needs, (iv) educational psychology, (v) speech communications, and (vi) introduction to business;

(b) He or she has been a licensed and actively practicing barber for the one year immediately preceding application, except that for good cause the board may waive the requirement that the applicant be an actively practicing barber for one year or that such year immediately precede application;

(c) He or she has served as a registered assistant barber instructor under the supervision of an active, full-time, registered barber instructor, as provided in subsection (5) of this section, for nine months immediately preceding application for registration, except that for good cause the board may waive the requirement that such nine-month period immediately precede application;

(d) He or she has passed an examination prescribed by the board; and

(e) He or she has paid the fees prescribed by section 71-219.

(3) One registered barber instructor or assistant barber instructor shall be employed for each fifteen students, or fraction thereof, enrolled in a barber school, except that each barber school shall have not less than two instructors, one of whom shall be a registered barber instructor, regardless of the number of students. Additional assistant barber instructors shall be permitted on a working ratio of two assistant barber instructors for every registered barber instructor. A barber school operated by a nonprofit organization which neither charges any tuition to its students nor makes any charge to the persons upon whom work is performed shall not be required to have more than one instructor, regardless of the number of students, which instructor shall be a registered barber instructor.

(4) No student at a barber school shall be permitted to do any practical work upon any person unless a registered barber instructor or registered assistant barber instructor is on the premises and supervising the practical work being performed.

(5)(a) A person shall be eligible for registration as an assistant barber instructor if he or she has paid the fee prescribed by section 71-219, has been a licensed and actively practicing barber for one year, and is currently enrolled or will enroll at the first regular college enrollment date after registration under this section in an educational program leading to completion of the hours required under subsection (2) of this section.

(b) A person registered pursuant to subdivision (a) of this subsection shall serve as an assistant barber instructor under direct supervision, except that he or she may serve as an assistant barber instructor under indirect supervision if:

(i) He or she has completed nine college credit hours, including three credit hours each in methods of teaching, curriculum development, and special vocational needs; and

(ii) He or she has completed nine months of instructor training under the direct inhouse supervision of an active, full-time, registered barber instructor or in lieu thereof has completed the requirements of a barber instructor course developed or approved by the board. The board may develop such courses or approve courses developed by educational institutions or other entities which meet requirements established by the board in rules and regulations.

(c) A report of college credits earned pursuant to subsection (2) of this section shall be submitted to the board at the end of each academic year. Registration as an assistant barber instructor shall be renewed in each even-numbered year and shall be valid for three years from the date of registration if the registrant pursues without interruption the educational program described in subsection (2) of this section. A registrant who fails to so maintain such program shall have his or her registration revoked. Any such registration that has been revoked shall be reinstated if all renewal fees have been paid and other registration requirements of this subsection are met.

(6) A person who is a registered barber instructor before September 9, 1993, may continue to practice as a registered barber instructor on and after such date without meeting the changes in the registration requirements of this section imposed by Laws 1993, LB 226. 71-257 Home barber services permit; requirements.

In order to maintain in good standing or renew its home barber services permit, a barber shop shall at all times operate in accordance with the requirements for operation, maintain its license in good standing, and ensure that the home barber services comply with the following requirements:

(1)(a) Clients receiving home barber services shall be in emergency or persistent circumstances which shall generally be defined as any condition sufficiently immobilizing to prevent the client from leaving the client's residence regularly to conduct routine affairs of daily living such as grocery shopping, visiting friends and relatives, attending social events, attending worship services, and other similar activities.

(b) Emergency or persistent circumstances may include such conditions or situations as:

(i) Chronic illness or injury leaving the client bedridden or with severely restricted mobility;

(ii) Extreme general infirmity such as that associated with the aging process;

(iii) Temporary conditions, including, but not limited to, immobilizing injury and recuperation from serious illness or surgery;

(iv) Having sole responsibility for the care of an invalid dependent or a mentally disabled person requiring constant attention;

(v) Mental disability that significantly limits the client in areas of functioning described in subdivision (1)(a) of this section; or

(vi) Any other condition that, in the opinion of the board, meets the general definition of emergency or persistent circumstances;

(2) The barber shop shall determine that each person receiving home barber services meets the requirements of subdivision (1) of this section and shall:

(a) Complete a client information form supplied by the board before home barber services may be provided to any client; and

(b) Keep on file the client information forms of all clients it is currently providing with home barber services or to whom it has provided such services within the past two years;

(3) The barber shop shall employ or contract with barbers licensed under the Barber Act to provide home barber services and shall not permit any person to perform any home barber services under its authority for which the person is not licensed;

(4) No client shall be left unattended while any chemical service is in progress or while any electrical appliance is in use; and

(5) Each barber shop providing home barber services shall post a daily itinerary for each barber providing home barber services. The kit used by each barber to provide home barber services shall be available for inspection at the barber shop or at the home of the client receiving the home barber services.

71-428.01 Rural emergency hospital, defined.

Rural emergency hospital means a facility that:

(1) Meets the eligibility requirements described in section 71-477;

(2) Provides rural emergency hospital services;

(3) Maintains an emergency department to provide rural emergency hospital services in the facility twenty-four hours per day that is staffed twenty-four hours per day and seven days per week, with a physician, nurse practitioner, clinical nurse specialist, or physician assistant;

(4) Has a transfer agreement in effect with a comprehensive level trauma center or an advanced level trauma center as defined in the Statewide Trauma System Act and any other transfer agreement necessary for patient care; and

(5) Meets such other requirements as the department finds necessary in the interest of the health and safety of individuals who are provided rural emergency hospital services and to implement licensure under the Health Care Facility Licensure Act that satisfies requirements for reimbursement by federal health care programs as a rural emergency hospital.

71-434 License fees.

(1) Licensure activities under the Health Care Facility Licensure Act shall be funded by license fees. An applicant for an initial or renewal license under section 71-433 shall pay a license fee as provided in this section.

(2) License fees shall include a base fee of fifty dollars and an additional fee based on:

(a) Variable costs to the department of inspections, architectural plan reviews, and receiving and investigating complaints, including staff salaries, travel, and other similar direct and indirect costs;

(b) The number of beds available to persons residing at the health care facility;

(c) The program capacity of the health care facility or health care service; or

(d) Other relevant factors as determined by the department.

Such additional fee shall be no more than two thousand six hundred dollars for a hospital or a health clinic operating as an ambulatory surgical center, no more than two thousand dollars for an assisted-living facility, a health clinic providing hemodialysis or labor and delivery services, an intermediate care facility, an intermediate care facility for persons with developmental disabilities, a nursing facility, or a skilled nursing facility, no more than one thousand dollars for home health agencies, hospice services, and centers for the developmentally disabled, and no more than seven hundred dollars for all other health care facilities and health care services.

(3) If the licensure application is denied, the license fee shall be returned to the applicant, except that the department may retain up to twenty-five dollars

as an administrative fee and may retain the entire license fee if an inspection has been completed prior to such denial.

(4) The department shall also collect the fee provided in subsection (1) of this section for reinstatement of a license that has lapsed or has been suspended or revoked. The department shall collect a fee of ten dollars for a duplicate original license.

(5) The department shall adopt and promulgate rules and regulations for the establishment of license fees under this section.

(6) The department shall remit all license fees collected under this section to the State Treasurer for credit to the Health and Human Services Cash Fund. License fees collected under this section shall only be used for activities related to the licensure of health care facilities and health care services.

71-436 License; multiple services or locations; effect.

(1) Except as otherwise provided in section 71-470, an applicant for licensure under the Health Care Facility Licensure Act shall obtain a separate license for each type of health care facility or health care service that the applicant seeks to operate. A single license may be issued for (a) a facility or service operating in separate buildings or structures on the same premises under one management, (b) an inpatient facility that provides services on an outpatient basis at multiple locations, or (c) a health clinic operating satellite clinics on an intermittent basis within a portion of the total geographic area served by such health clinic and sharing administration with such clinics. A single license shall be issued for a PACE center which meets the requirements for licensure established by the department pursuant to section 71-457.

(2) The department may issue one license document that indicates the various types of health care facilities or health care services for which the entity is licensed. The department may inspect any of the locations that are covered by the license. If an entity is licensed in multiple types of licensure for one location, the department shall conduct all required inspections simultaneously for all types of licensure when requested by the entity.

71-439 Design standards for health care facilities; adoption by Legislature; waiver of rule, regulation, or standard; when; procedure.

(1)(a) For purposes of construction relating to ambulatory surgical centers, critical access hospitals, general acute hospitals, and hospitals, the Legislature adopts the 2018 Guidelines for Design and Construction of Hospitals, the 2018 Guidelines for Design and Construction of Outpatient Facilities, and the 2018 Guidelines for Design and Construction of Residential Health, Care, and Support Facilities published by the Facility Guidelines Institute.

(b) For new construction of assisted-living facilities, long-term care hospitals, nursing facilities, and skilled nursing facilities on or after September 1, 2019,

the Legislature adopts the 2018 Guidelines for Design and Construction of Hospitals, the 2018 Guidelines for Design and Construction of Outpatient Facilities, and the 2018 Guidelines for Design and Construction of Residential Health, Care, and Support Facilities published by the Facility Guidelines Institute, except that the Legislature adopts only the definition of new construction found in section 1.1-2.1 and excludes the part of the definition found in sections 1.1-2.2 and 1.1-2.3 and any related provisions of such guidelines.

(2) The department may waive any rule, regulation, or standard adopted and promulgated by the department relating to construction or physical plant requirements of a licensed health care facility or health care service upon proof by the licensee satisfactory to the department (a) that such waiver would not unduly jeopardize the health, safety, or welfare of the persons residing in or served by the facility or service, (b) that such rule, regulation, or standard would create an unreasonable hardship for the facility or service, and (c) that such waiver would not cause the State of Nebraska to fail to comply with any applicable requirements of medicare or medicaid so as to make the state ineligible for the receipt of all funds to which it might otherwise be entitled.

(3) In evaluating the issue of unreasonable hardship, the department shall consider the following:

(a) The estimated cost of the modification or installation;

(b) The extent and duration of the disruption of the normal use of areas used by persons residing in or served by the facility or service resulting from construction work;

(c) The estimated period over which the cost would be recovered through reduced insurance premiums and increased reimbursement related to cost;

(d) The availability of financing; and

(e) The remaining useful life of the building.

(4) Any such waiver may be granted under such terms and conditions and for such period of time as provided in rules and regulations adopted and promulgated by the department.

71-475 Drug or medication; provided to patient upon discharge; records; label; documentation.

(1)(a) When administration of a drug occurs in a hospital pursuant to a chart order, hospital personnel may provide the unused portion of the drug to the patient upon discharge from the hospital for continued use in treatment of the patient if:

(i) The drug has been opened and used for treatment of the patient at the hospital and is necessary for the continued treatment of the patient and would be wasted if not used by the patient; and

(ii) The drug is:

(A) In a multidose device or a multidose container; or

(B) In the form of a liquid reconstituted from a dry stable state to a liquid resulting in a limited stability.

(b) A drug provided to a patient in accordance with this subsection shall be labeled with the name of the patient, the name of the drug including the

quantity if appropriate, the date the drug was provided, and the directions for use.

(2)(a) A licensed health care practitioner authorized to prescribe controlled substances may provide to his or her patients being discharged from a hospital a sufficient quantity of drugs adequate, in the judgment of the practitioner, to continue treatment, which began in the hospital, until the patient is reasonably able to access a pharmacy.

(b) The pharmacist-in-charge at the hospital shall maintain records of the drugs provided to patients in accordance with this subsection which shall include the name of the patient, the name of the drug including the quantity if appropriate, the date the drug was provided, and the directions for use.

(3) If a drug is provided to a patient in accordance with subsection (1) or (2) of this section:

(a) The drug shall be kept in a locked cabinet or automated medication system with access only by a licensed health care practitioner authorized to prescribe, dispense, or administer controlled substances;

(b) Prior to providing the drug to the patient, a written or electronic order shall be in the patient's record;

(c) The process at the hospital shall be under the direct supervision of the prescriber;

(d) If the label is prepared by a nurse, the prescriber shall verify the drug and the directions for the patient;

(e) When possible, the directions for the patient shall be preprinted on the label by the pharmacist;

(f) The label shall include the name of the patient, the name of the drug including the quantity if appropriate, the date the drug was provided, and the directions for use;

(g) A written information sheet shall be given to the patient for each drug provided; and

(h) Documentation in a readily retrievable format shall be maintained each time a drug is provided to a patient from the hospital pharmacy's inventory which shall include the date, the patient, the drug, and the prescriber.

(4)(a) When a hospital, an ambulatory surgical center, or a health care practitioner facility provides medication that is ordered at least twenty-four hours in advance for surgical procedures and is administered to a patient at the hospital, ambulatory surgical center, or health care practitioner facility, any unused portion of the medication shall be offered to the patient upon discharge when it is required for continuing treatment. The unused portion of any such medication accepted by the patient upon discharge shall be labeled by the prescriber or a pharmacist consistent with labeling requirements in section 71-2479.

(b) For purposes of this subsection, medication means any topical antibiotic, anti-inflammatory, dilation, or glaucoma drop or ointment that a hospital, ambulatory surgical center, or health care practitioner facility has on stand-by or is retrieved from a dispensing system for a specified patient for use during a procedure or visit.

(c) If the medication is used in an operating room or emergency department setting, the prescriber is responsible for counseling the patient on its proper use

and administration and no other patient counseling is required under section 38-2869.

71-476 Drugs and devices; labeling requirements.

(1) In an assisted-living facility, a nursing facility, or a skilled nursing facility, all drugs and devices shall be labeled in accordance with currently accepted professional standards of care, including the appropriate accessory and cautionary instructions and the expiration date when applicable.

(2) If the dosage or directions for a specific drug or device to be used in an assisted-living facility, a nursing facility, or a skilled nursing facility are changed by a health care practitioner authorized to prescribe controlled substances and credentialed under the Uniform Credentialing Act, a pharmacist shall apply a new label as soon as practicable with the correct dosage or directions to the drug or device package or reissue the drug or device with the correct label. To protect the safety of the resident of such a facility receiving the drug or device until the drug or device can be correctly labeled, the drug or device package shall be temporarily flagged with a sticker indicating dose change, drug change, or MAR, to alert nursing staff or an unlicensed person responsible for providing the drug or device to a resident that the dosage or directions have changed and the drug or device is to be provided according to the corrected information contained in the resident's MAR, if one exists.

71-477 Rural emergency hospital; license; eligibility; application; operation; requirements; original license; inactive.

(1) A facility shall be eligible to apply for a license as a rural emergency hospital if such facility is:

(a) Licensed as a critical access hospital;

(b) Licensed as a general hospital with not more than fifty licensed beds located in a county in a rural area as defined in section 1886(d)(2)(D) of the federal Social Security Act; or

(c) Licensed as a general hospital with not more than fifty licensed beds that is deemed as being located in a rural area pursuant to section 1886(d)(8)(E) of the federal Social Security Act.

(2) A facility applying for licensure as a rural emergency hospital shall include with the application:

(a) An action plan for initiating rural emergency hospital services, including a detailed transition plan that lists the specific services that the facility will retain, modify, add, and discontinue;

(b) A description of services that the facility intends to provide on an outpatient basis; and

(c) Such other information as required by rules and regulations adopted and promulgated by the department.

(3) A rural emergency hospital shall not have inpatient beds, except that such hospital may have a unit that is a distinct part of such hospital and that is

licensed as a skilled nursing facility to provide post-hospital extended care services.

(4) A rural emergency hospital may own and operate an entity that provides ambulance services.

(5) A licensed general hospital or critical access hospital that applies for and receives licensure as a rural emergency hospital and elects to operate as a rural emergency hospital shall retain its original license as a general hospital or critical access hospital. Such original license shall remain inactive while the rural emergency hospital license is in effect.

71-507 Terms, defined.

For purposes of sections 71-507 to 71-513:

(1) Alternate facility means a facility other than a health care facility that receives a patient transported to the facility by an emergency services provider;

(2) Department means the Department of Health and Human Services;

(3) Designated physician means the physician representing the emergency services provider as identified by name, address, and telephone number on the significant exposure report form. The designated physician shall serve as the contact for notification in the event an emergency services provider believes he or she has had significant exposure to an infectious disease or condition. Each emergency services provider shall designate a physician as provided in subsection (2) of section 71-509;

(4) Emergency services provider means an emergency care provider licensed pursuant to the Emergency Medical Services Practice Act or authorized pursuant to the EMS Personnel Licensure Interstate Compact, a sheriff, a deputy sheriff, a police officer, a state highway patrol officer, a funeral director, a paid or volunteer firefighter, a school district employee, and a person rendering emergency care gratuitously as described in section 25-21,186;

(5) Funeral director means a person licensed under section 38-1414 or an employee of such a person with responsibility for transport or handling of a deceased human;

(6) Funeral establishment means a business licensed under section 38-1419;

(7) Health care facility has the meaning found in sections 71-419, 71-420, 71-424, and 71-429 or any facility that receives patients of emergencies who are transported to the facility by emergency services providers;

(8) Infectious disease or condition means hepatitis B, hepatitis C, meningococcal meningitis, active pulmonary tuberculosis, human immunodeficiency virus, diphtheria, plague, hemorrhagic fevers, rabies, and such other diseases as the department may by rule and regulation specify;

(9) Patient means an individual who is sick, injured, wounded, deceased, or otherwise helpless or incapacitated;

(10) Patient's attending physician means the physician having the primary responsibility for the patient as indicated on the records of a health care facility;

(11) Provider agency means any law enforcement agency, fire department, emergency medical service, funeral establishment, or other entity which employs or directs emergency services providers or public safety officials;

(12) Public safety official means a sheriff, a deputy sheriff, a police officer, a state highway patrol officer, a paid or volunteer firefighter, a school district employee, and any civilian law enforcement employee or volunteer performing his or her duties, other than those as an emergency services provider;

(13) Responsible person means an individual who has been designated by an alternate facility to carry out the facility's responsibilities under sections 71-507 to 71-513. A responsible person may be designated on a case-by-case basis;

(14) Significant exposure means a situation in which the body fluids, including blood, saliva, urine, respiratory secretions, or feces, of a patient or individual have entered the body of an emergency services provider or public safety official through a body opening including the mouth or nose, a mucous membrane, or a break in skin from cuts or abrasions, from a contaminated needlestick or scalpel, from intimate respiratory contact, or through any other situation when the patient's or individual's body fluids may have entered the emergency services provider's or public safety official's body or when an airborne pathogen may have been transmitted from the patient or individual to the emergency services provider or public safety official; and

(15) Significant exposure report form means the form used by the emergency services provider to document information necessary for notification of significant exposure to an infectious disease or condition.

71-509 Health care facility or alternate facility; emergency services provider; significant exposure; completion of form; reports required; tests; notification; costs.

(1) If a health care facility or alternate facility determines that a patient treated or transported by an emergency services provider has been diagnosed or detected with an infectious airborne disease, the health care facility or alternate facility shall notify the department as soon as practical but not later than forty-eight hours after the determination has been made. The department shall investigate all notifications from health care facilities and alternate facilities and notify as soon as practical the physician medical director of each emergency medical service with an affected emergency medical care provider employed by or associated with the service, the fire chief of each fire department with an affected firefighter employed by or associated with the department, the head of each law enforcement agency with an affected peace officer employed by or associated with the agency, the funeral director of each funeral establishment with an affected individual employed by or associated with the funeral establishment, and any emergency services provider known to the department with a significant exposure who is not employed by or associated with an emergency medical service, a fire department, a law enforcement agency, or a funeral establishment. Notification of affected individuals shall be made as soon as practical.

(2) Whenever an emergency services provider believes he or she has had a significant exposure while acting as an emergency services provider, he or she may complete a significant exposure report form. A copy of the completed form shall be given by the emergency services provider to the health care facility or alternate facility, to the emergency services provider's supervisor, and to the designated physician.

(3) Upon receipt of the significant exposure form, if a patient has been diagnosed during the normal course of treatment as having an infectious disease or condition or information is received from which it may be concluded that a patient has an infectious disease or condition, the health care facility or alternate facility receiving the form shall notify the designated physician pursuant to subsection (5) of this section. If the patient has not been diagnosed as having an infectious disease or condition and upon the request of the designated physician, the health care facility or alternate facility shall request the patient's attending physician or other responsible person to order the necessary diagnostic testing of the patient to determine the presence of an infectious disease or condition. Upon such request, the patient's attending physician or other responsible person shall order the necessary diagnostic testing subject to section 71-510. Each health care facility shall develop a policy or protocol to administer such testing and assure confidentiality of such testing.

(4) Results of tests conducted under this section and section 71-510 shall be reported by the health care facility or alternate facility that conducted the test to the designated physician and to the patient's attending physician, if any.

(5) Notification of the patient's diagnosis of infectious disease or condition, including the results of any tests, shall be made orally to the designated physician within forty-eight hours of confirmed diagnosis. A written report shall

be forwarded to the designated physician within seventy-two hours of confirmed diagnosis.

(6) Upon receipt of notification under subsection (5) of this section, the designated physician shall notify the emergency services provider of the exposure to infectious disease or condition and the results of any tests conducted under this section and section 71-510.

(7) The notification to the emergency services provider shall include the name of the infectious disease or condition diagnosed but shall not contain the patient's name or any other identifying information. Any person receiving such notification shall treat the information received as confidential and shall not disclose the information except as provided in sections 71-507 to 71-513.

(8) The provider agency shall be responsible for the costs of diagnostic testing required under this section and section 71-510, except that if a person renders emergency care gratuitously as described in section 25-21,186, such person shall be responsible for the costs.

(9) The patient's attending physician shall inform the patient of test results for all tests conducted under such sections.

(c) INHERITED OR CONGENITAL INFANT OR CHILDHOOD-ONSET DISEASES

71-519 Screening test; duties; disease management; duties; fees authorized; immunity from liability.

(1) All infants born in the State of Nebraska shall be screened for phenylketonuria, congenital primary hypothyroidism, biotinidase deficiency, galactosemia, hemoglobinopathies, medium-chain acyl co-a dehydrogenase (MCAD) deficiency, X-linked adrenoleukodystrophy (X-ALD), mucopolysaccharidoses type 1 (MPS-1), Pompe disease, spinal muscular atrophy, and such other inherited or congenital infant or childhood-onset diseases as the Department of Health and Human Services may from time to time specify. Confirmatory tests shall be performed if a presumptive positive result on the screening test is obtained.

(2) The attending physician shall collect or cause to be collected the prescribed blood specimen or specimens and shall submit or cause to be submitted the same to the laboratory designated by the department for the performance of such tests within the period and in the manner prescribed by the department. If a birth is not attended by a physician and the infant does not have a physician, the person registering the birth shall cause such tests to be performed within the period and in the manner prescribed by the department. The laboratory shall within the period and in the manner prescribed by the department perform such tests as are prescribed by the department on the specimen or specimens submitted and report the results of these tests to the physician, if any, the hospital or other birthing facility or other submitter, and the department. The laboratory shall report to the department the results of such tests that are presumptive positive or confirmed positive within the period and in the manner prescribed by the department.

(3) The hospital or other birthing facility shall record the collection of specimens for tests for metabolic diseases and the report of the results of such tests or the absence of such report. For purposes of tracking, monitoring, and

referral, the hospital or other birthing facility shall provide from its records, upon the department's request, information about the infant's and mother's location and contact information, and care and treatment of the infant.

(4)(a) The department shall have authority over the use, retention, and disposal of blood specimens and all related information collected in connection with disease testing conducted under subsection (1) of this section.

(b) The department shall adopt and promulgate rules and regulations relating to the retention and disposal of such specimens. The rules and regulations shall: (i) Be consistent with nationally recognized standards for laboratory accreditation and shall comply with all applicable provisions of federal law; (ii) require that the disposal be conducted in the presence of a witness who may be an individual involved in the disposal or any other individual; and (iii) provide for maintenance of a written or electronic record of the disposal, verified by such witness.

(c) The department shall adopt and promulgate rules and regulations relating to the use of such specimens and related information. Such use shall only be made for public health purposes and shall comply with all applicable provisions of federal law. The department may charge a reasonable fee for evaluating proposals relating to the use of such specimens for public health research and for preparing and supplying specimens for research proposals approved by the department.

(5) The department shall prepare written materials explaining the requirements of this section. The department shall include the following information in the pamphlet:

(a) The nature and purpose of the testing program required under this section, including, but not limited to, a brief description of each condition or disorder listed in subsection (1) of this section;

(b) The purpose and value of the infant's parent, guardian, or person in loco parentis retaining a blood specimen obtained under subsection (6) of this section in a safe place;

(c) The department's procedures for retaining and disposing of blood specimens developed under subsection (4) of this section; and

(d) That the blood specimens taken for purposes of conducting the tests required under subsection (1) of this section may be used for research pursuant to subsection (4) of this section.

(6) In addition to the requirements of subsection (1) of this section, the attending physician or person registering the birth may offer to draw an additional blood specimen from the infant. If such an offer is made, it shall be made to the infant's parent, guardian, or person in loco parentis at the time the blood specimens are drawn for purposes of subsection (1) of this section. If the infant's parent, guardian, or person in loco parentis accepts the offer of an additional blood specimen, the blood specimen shall be preserved in a manner that does not require special storage conditions or techniques. The attending physician or person making the offer shall explain to the parent, guardian, or person in loco parentis at the time the offer is made that the additional blood specimen can be used for future identification purposes and should be kept in a safe place. The attending physician or person making the offer may charge a fee that is not more than the actual cost of obtaining and preserving the additional blood specimen.

(7) The person responsible for causing the tests to be performed under subsection (2) of this section shall inform the parent or legal guardian of the infant of the tests and of the results of the tests and provide, upon any request for further information, at least a copy of the written materials prepared under subsection (5) of this section.

(8) Dietary and therapeutic management of the infant with phenylketonuria, primary hypothyroidism, biotinidase deficiency, galactosemia, hemoglobinopathies, MCAD deficiency, X-linked adrenoleukodystrophy (X-ALD), mucopolysaccharidoses type 1 (MPS-1), Pompe disease, spinal muscular atrophy, or such other inherited or congenital infant or childhood-onset diseases as the department may from time to time specify shall be the responsibility of the child's parent, guardian, or custodian with the aid of a physician selected by such person.

(9) Except for acts of gross negligence or willful or wanton conduct, any physician, hospital or other birthing facility, laboratory, or other submitter making reports or notifications under sections 71-519 to 71-524 shall be immune from criminal or civil liability of any kind or character based on any statements contained in such reports or notifications.

71-563 Terms, defined.

For purposes of the Alzheimer's Disease and Other Dementia Support Act:

(1) Council means the Alzheimer's Disease and Other Dementia Advisory Council; and

(2) Department means the Department of Health and Human Services.

Source: Laws 2022, LB752, § 32.

71-564 Alzheimer's Disease and Other Dementia Advisory Council; members; terms; duties; expenses.

(1) The Alzheimer's Disease and Other Dementia Advisory Council is created and shall include:

(a) Twelve voting members appointed by the Governor. The voting members shall consist of: (i) An individual living with Alzheimer's disease or another dementia or a family member of such an individual; (ii) an individual who is

the family caregiver of an individual living with Alzheimer's disease or another dementia; (iii) an individual who represents nursing homes; (iv) an individual who represents assisted-living facilities; (v) an individual who represents providers of adult day care services; (vi) an individual who represents home care providers; (vii) a medical professional who has experience diagnosing and treating Alzheimer's disease; (viii) an individual who conducts research regarding Alzheimer's disease or other dementia; (ix) an individual who represents a leading, nationwide organization that advocates on behalf of individuals living with Alzheimer's disease or other dementia; (x) an individual who represents an area agency on aging; (xi) an individual representing an organization that advocates for older adults; and (xii) an individual with experience or expertise in the area of the specific needs of individuals with intellectual and developmental disabilities and Alzheimer's disease or other dementia; and

(b) Five nonvoting members. The nonvoting members shall consist of: (i) The Director of Public Health or the director's designee; (ii) the Director of Medicaid and Long-Term Care or the director's designee; (iii) a representative of the State Unit on Aging of the Division of Medicaid and Long-Term Care designated by the Director of Medicaid and Long-Term Care; (iv) a representative of the Nebraska Workforce Development Board designated by the board; and (v) the state long-term care ombudsman or the ombudsman's designee.

(2) The terms of the initial members shall begin on the date of the first meeting as called by the Director of Public Health and (a) one-third shall serve for two-year terms, (b) one-third shall serve for three-year terms, and (c) one-third shall serve for four-year terms, including the chairperson and vice-chairperson. Thereafter all members shall serve four-year terms. Members may not serve more than two consecutive four-year terms. Vacancies shall be appointed by the Governor in the same manner as described in subdivision (1)(a) of this section.

(3) Members of the council shall select the chairperson and vice-chairperson who shall not be employees of the state and may serve in such role for up to four consecutive years. The Director of Public Health or the director's designee shall call and preside over the first meeting until a chairperson is selected. Thereafter, the council shall meet at least quarterly at the call of the chairperson. A majority of the voting members shall constitute a quorum for the conduct of meetings.

(4) The council shall hold meetings at least once every calendar quarter.

(5) Members shall serve on the council without compensation but shall be compensated for expenses incurred for such service.

(6) The department shall provide staff and support to the council as necessary to assist the council in the performance of its duties.

Effective date July 19, 2024.

71-565 Council; purpose; collaboration.

(1) The purpose of the council shall be to examine (a) the needs of individuals living with Alzheimer's disease or other dementia, (b) the services available in the state for those individuals and their family caregivers, and (c) the ability of health care providers and facilities to meet the current and future needs of such individuals.

(2) The council shall collaborate with the department and other state departments as needed to gather input on issues and strategies that pertain to Alzheimer's disease and other dementia and identify proactive approaches on public health, workforce, caregiver support, and care delivery. The council shall monitor analysis, policy development, and program implementation related to Alzheimer's disease and other dementia.

Source: Laws 2022, LB752, § 34.

71-566 Council; considerations; findings and recommendations.

The council shall consider and make findings and recommendations on the following topics:

(1) Trends in the state's Alzheimer's disease and other dementia populations and service needs, including:

(a) The state's role in providing or facilitating long-term care, family caregiver support, and assistance to those with early-stage or early-onset Alzheimer's disease or other dementia;

(b) The state's policies regarding individuals with Alzheimer's disease or other dementia;

(c) The fiscal impact of Alzheimer's disease and other dementia on publicly funded health care programs; and

(d) The establishment of a surveillance system to better determine the number of individuals diagnosed with Alzheimer's disease or other dementia and to monitor changes to such numbers;

(2) Existing resources, services, and capacity relating to the diagnosis and care of individuals living with Alzheimer's disease or other dementia, including:

(a) The type, cost, and availability of dementia care services;

(b) The availability of health care workers who can serve people with dementia, including, but not limited to, neurologists, geriatricians, and direct care workers;

(c) Dementia-specific training requirements for public and private employees who interact with people living with Alzheimer's disease or other dementia which shall include, but not be limited to, long-term care workers, case managers, adult protective services, law enforcement, and first responders;

(d) Home and community-based services, including respite care for individuals exhibiting symptoms of Alzheimer's disease or other dementia and their families;

(e) Quality care measures for home and community-based services and residential care facilities; and

(f) State-supported Alzheimer's disease and other dementia research conducted at universities located in this state; and

(3) Policies and strategies that address the following:

(a) Increasing public awareness of Alzheimer's disease and other dementia;

(b) Educating providers to increase early detection and diagnosis of Alzheimer's disease and other dementia;

(c) Improving the health care received by individuals diagnosed with Alzheimer's disease or other dementia;

(d) Evaluating the capacity of the health care system in meeting the growing number and needs of those with Alzheimer's disease and other dementia;

(e) Increasing the number of health care professionals necessary to treat the growing aging and Alzheimer's disease and dementia populations;

(f) Improving services provided in the home and community to delay and decrease the need for institutionalized care for individuals with Alzheimer's disease or other dementia;

(g) Improving long-term care, including assisted living, for those with Alzheimer's disease or other dementia;

(h) Assisting unpaid Alzheimer's disease or dementia caregivers;

(i) Increasing and improving research on Alzheimer's disease and other dementia;

(j) Promoting activities to maintain and improve brain health;

(k) Improving the collection of data and information related to Alzheimer's disease and other dementia and the resulting public health burdens;

(l) Improving public safety and addressing the safety-related needs of those with Alzheimer's disease or other dementia;

(m) Addressing legal protections for, and legal issues faced by, individuals with Alzheimer's disease or other dementia; and

(n) Improving the ways in which the government evaluates and adopts policies to assist individuals diagnosed with Alzheimer's disease or other dementia and their families.

71-604.02 Acknowledgment of maternity; biological mother not the birth mother; forms; effect on birth certificate; rebuttable presumption; spouse; paternity; affidavits; department; powers and duties.

(1) For purposes of this section:

(a) Biological mother means a person who is related to a child as the source of the egg that resulted in the conception of the child; and

(b) Birth mother means the person who gave birth to the child.

(2) During the period immediately before or after the in-hospital birth of a child whose biological mother is not the same as the birth mother, the person in charge of such hospital or such person's designated representative shall provide to the child's biological mother and birth mother the documents and written instructions for such biological mother and birth mother to complete a notarized acknowledgment of maternity. Such acknowledgment, if signed by both parties and notarized, shall be filed with the department at the same time at which the certificate of live birth is filed.

(3) Nothing in this section shall be deemed to require the person in charge of such hospital or such person's designee to seek out or otherwise locate an alleged mother who is not readily identifiable or available.

(4) The acknowledgment shall be executed on a form prepared by the department. Such form shall be in essentially the same form provided by the department. The acknowledgment shall include, but not be limited to, (a) a statement by the birth mother consenting to the acknowledgment of maternity and a statement that the biological mother is the legal mother of the child, (b) a statement by the biological mother that she is the biological mother of the child, (c) written information regarding parental rights and responsibilities, and (d) the social security numbers of the mothers.

(5) The form provided for in subsection (4) of this section shall also contain instructions for completion and filing with the department if it is not completed and filed with a birth certificate as provided in subsection (2) of this section.

(6) The department shall accept completed acknowledgment forms. The department may prepare photographic, electronic, or other reproductions of acknowledgments. Such reproductions, when certified and approved by the department, shall be accepted as the original records, and the documents from which permanent reproductions have been made may be disposed of as provided by rules and regulations of the department.

(7) The department shall enter on the birth certificate of any child described in subsection (2) of this section the name of the biological mother of the child upon receipt of an acknowledgment of maternity as provided in this section signed by the biological mother of the child and the birth mother of the child. The name of the birth mother shall not be entered on the birth certificate. If the birth mother is married, the name of the birth mother's spouse shall not be entered on the birth certificate unless paternity for such spouse is otherwise established by law.

(8)(a) The signing of a notarized acknowledgment of maternity, whether under this section or otherwise, by the biological mother shall create a rebuttable presumption of maternity as against the biological mother. The signed, notarized acknowledgment is subject to the right of any signatory to rescind the acknowledgment at any time prior to the earlier of:

(i) Sixty days after the acknowledgment; or

(ii) The date of an administrative or judicial proceeding relating to the child, including a proceeding to establish a support order in which the signatory is a party.

(b) After the rescission period provided for in subdivision (8)(a) of this section, a signed, notarized acknowledgment is considered a legal finding which may be challenged only on the basis of fraud, duress, or material mistake of fact with the burden of proof upon the challenger, and the legal responsibilities, including the child support obligation, of any signatory arising from the acknowledgment shall not be suspended during the challenge, except for good cause shown. Such a signed and notarized acknowledgment or a certified copy or certified reproduction thereof shall be admissible in evidence in any proceeding to establish support.

(9)(a) If the biological mother was married at the time of either conception or birth or at any time between conception and birth of a child described in subsection (2) of this section, the name of the biological mother's spouse shall be entered on the certificate as the other parent of the child unless:

(i) Paternity has been determined otherwise by a court of competent jurisdiction;

(ii) The biological mother and the biological mother's spouse execute affidavits attesting that the biological mother's spouse is not the biological parent of the child, in which case information about the other parent shall be omitted from the certificate; or

(iii) The biological mother executes an affidavit attesting that her spouse is not the biological father and naming the biological father; the biological father executes an affidavit attesting that he is the biological father; and the biological mother's spouse executes an affidavit attesting that such spouse is not the biological parent of the child. In such case the biological father shall be shown as the other parent on the certificate.

(b) For affidavits executed under subdivision (8)(a)(ii) or (iii) of this section, each signature shall be individually notarized.

(10) If the biological mother was not married at the time of either conception or birth or at any time between conception and birth, the name of the biological father shall not be entered on the certificate as the other parent without the written consent of the biological mother and the person named as the biological father.

(11) In any case in which paternity of a child is determined by a court of competent jurisdiction, the name of the adjudicated father shall be entered on the certificate as the other parent in accordance with the finding of the court.

(12) If the other parent is not named on the certificate, no other information about the other parent shall be entered thereon.

(13) The identification of the father as provided in this section shall not be deemed to affect the legitimacy of the child or the duty to support as set forth in sections 42-377 and 43-1401 to 43-1418.

(14) The department may adopt and promulgate rules and regulations as necessary and proper to assist it in the implementation and administration of this section and to establish a nominal payment and procedure for payment for each acknowledgment filed with the department.

71-605 Death certificate; cause of death; sudden infant death syndrome; how treated; cremation, disinterment, or transit permits; how executed; filing; requirements.

(1) The funeral director and embalmer in charge of the funeral of any person dying in the State of Nebraska shall cause a certificate of death to be filled out with all the particulars contained in the standard form adopted and promulgated by the department. Such standard form shall include a space for veteran status in the armed forces of the United States and a statement of the cause of death made by a person holding a valid license as a physician, physician assistant, or nurse practitioner who last attended the deceased. The standard form shall also include the deceased's social security number and a notice that, pursuant to section 30-2413, demands for notice which may affect the estate of the deceased are filed with the county court in the county where the decedent resided at the time of death. Death and fetal death certificates shall be completed by the funeral directors and embalmers and physicians, physician assistants, or nurse practitioners for the purpose of filing with the department and providing child support enforcement information pursuant to section 43-3340.

(2) The physician, physician assistant, or nurse practitioner shall have the responsibility and duty to complete and sign by electronic means pursuant to section 71-603.01, within twenty-four hours from the time of death, that part of the certificate of death entitled medical certificate of death. In the case of a death when no person licensed as a physician, physician assistant, or nurse practitioner was in attendance, the funeral director and embalmer shall refer the case to the county attorney who shall have the responsibility and duty to complete and sign the death certificate by electronic means pursuant to section 71-603.01.

No cause of death shall be certified in the case of the sudden and unexpected death of a child between the ages of one week and three years until an autopsy is performed at county expense by a qualified pathologist pursuant to section 23-1824. The parents or guardian shall be notified of the results of the autopsy by their physician, physician assistant, nurse practitioner, community health official, or county coroner within forty-eight hours. The term sudden infant death syndrome shall be entered on the death certificate as the principal cause of death when the term is appropriately descriptive of the pathology findings and circumstances surrounding the death of a child.

If the circumstances show it possible that death was caused by neglect, violence, or any unlawful means, the case shall be referred to the county attorney for investigation and certification. The county attorney shall, within twenty-four hours after taking charge of the case, state the cause of death as ascertained, giving as far as possible the means or instrument which produced the death. All death certificates shall show clearly the cause, disease, or sequence of causes ending in death. If the cause of death cannot be determined within the period of time stated above, the death certificate shall be filed to establish the fact of death. As soon as possible thereafter, and not more than six weeks later, supplemental information as to the cause, disease, or sequence of causes ending in death shall be filed with the department to complete the record. For all certificates stated in terms that are indefinite, insufficient, or unsatisfactory for classification, inquiry shall be made to the person completing the certificate to secure the necessary information to correct or complete the record.

(3) A completed death certificate shall be filed with the department within five business days after the date of death. If it is impossible to complete the certificate of death within five business days, the funeral director and embalmer

shall notify the department of the reason for the delay and file the certificate as soon as possible.

(4) Before any dead human body may be cremated, a cremation permit shall first be signed electronically by the county attorney, or by his or her authorized representative as designated by the county attorney in writing, of the county in which the death occurred on an electronic form prescribed and furnished by the department.

(5) A permit for disinterment shall be required prior to disinterment of a dead human body. The permit shall be issued by the department to a licensed funeral director and embalmer upon proper application. The request for disinterment shall be made by the person listed in section 30-2223 or a county attorney on a form furnished by the department. The application shall be signed by the funeral director and embalmer who will be directly supervising the disinterment. When the disinterment occurs, the funeral director and embalmer shall sign the permit giving the date of disinterment and file the permit with the department within ten days of the disinterment.

(6) When a request is made under subsection (5) of this section for the disinterment of more than one dead human body, an order from a court of competent jurisdiction shall be submitted to the department prior to the issuance of a permit for disinterment. The order shall include, but not be limited to, the number of bodies to be disinterred if that number can be ascertained, the method and details of transportation of the disinterred bodies, the place of reinterment, and the reason for disinterment. No sexton or other person in charge of a cemetery shall allow the disinterment of a body without first receiving from the department a disinterment permit properly completed.

(7) No dead human body shall be removed from the state for final disposition without a transit permit issued by the funeral director and embalmer having charge of the body in Nebraska, except that when the death is subject to investigation, the transit permit shall not be issued by the funeral director and embalmer without authorization of the county attorney of the county in which the death occurred. No agent of any transportation company shall allow the shipment of any body without the properly completed transit permit prepared in duplicate.

(8) The interment, disinterment, or reinterment of a dead human body shall be performed under the direct supervision of a licensed funeral director and embalmer, except that hospital disposition may be made of the remains of a child born dead pursuant to section 71-20,121.

(9) All transit permits issued in accordance with the law of the place where the death occurred in a state other than Nebraska shall be signed by the funeral director and embalmer in charge of burial and forwarded to the department within five business days after the interment takes place.

(10) The changes made to this section by Laws 2019, LB593, shall apply retroactively to August 24, 2017.

The department shall supply to any applicant for any proper purpose, as defined by rules and regulations of the department, a certified copy of the record of any birth, death, marriage, annulment, or dissolution of marriage or an abstract of marriage or abstract of death. The department shall supply a copy of a public vital record for viewing purposes at its office upon an application signed by the applicant and upon proof of the identity of the applicant. The application may include the name, address, and telephone number of the applicant, purpose for viewing each record, and other information as may be prescribed by the department by rules and regulations to protect the integrity of vital records and prevent their fraudulent use. Except as provided in subsections (2), (3), (5), (6), (7), and (9) of this section, the department shall be entitled to charge and collect in advance a fee of sixteen dollars to be paid by the applicant for each certified copy, abstract of marriage, or abstract of death supplied to the applicant or for any search made at the applicant's request for access to or a certified copy of any record, abstract of marriage, or abstract of death whether or not the record or abstract is found on file with the department.

(2) The department shall, free of charge, search for and furnish a certified copy of any record, abstract of marriage, or abstract of death on file with the department upon the request of (a) the United States Department of Veterans Affairs or any lawful service organization empowered to represent veterans if the copy of the record or abstract of marriage is to be issued, for the welfare of any member or veteran of the armed forces of the United States or in the interests of any member of his or her family, in connection with a claim growing out of service in the armed forces of the nation or (b) the Military Department.

(3) The department may, free of charge, search for and furnish a certified copy of any record or an abstract of marriage or abstract of death on file with the department when in the opinion of the department it would be a hardship for the claimant of old age, survivors, or disability benefits under the federal Social Security Act to pay the fee provided in this section.

(4) A strict account shall be kept of all funds received by the department. Funds received pursuant to subsections (1), (5), (6), and (8) of this section shall be remitted to the State Treasurer for credit to the Health and Human Services Cash Fund. Money credited to the fund pursuant to this section shall be used for the purpose of administering the laws relating to vital statistics and may be used to create a petty cash fund administered by the department to facilitate the payment of refunds to individuals who apply for copies or abstracts of records. The petty cash fund shall be subject to section 81-104.01, except that the amount in the petty cash fund shall not be less than twenty-five dollars nor more than one thousand dollars.

(5) The department shall, upon request, conduct a search of death certificates or abstracts of death for stated individuals for the Nebraska Medical Association or any of its allied medical societies or any inhospital staff committee pursuant to sections 71-3401 to 71-3403. If such death certificate is found, the department shall provide a noncertified copy. The department shall charge a fee for each search or copy sufficient to cover its actual direct costs, except that the fee shall not exceed three dollars per individual search or copy requested.

(6) The department may permit use of data from vital records for statistical or research purposes under section 71-602 or disclose data from certificates or records to federal, state, county, or municipal agencies of government for use in administration of their official duties for the limited purposes of preventing, identifying, or halting fraudulent activity or waste of government funding. The department shall charge and collect a fee that will recover the department's cost of production of the data. The department may provide access to public vital records for viewing purposes by electronic means, if available, under security provisions which shall assure the integrity and security of the records and database and shall charge and collect a fee that shall recover the department's costs.

(7) In addition to the fees charged under subsection (1) of this section, the department shall charge and collect an additional fee of one dollar for any certified copy of the record of any birth or for any search made at the applicant's request for access to or a certified copy of any such record, whether or not the record is found on file with the department. Any county containing a city of the metropolitan class which has an established city-county or county health department pursuant to sections 71-1626 to 71-1636 which has an established system of registering births and deaths shall charge and collect in

advance a fee of one dollar for any certified copy of the record of any birth or for any search made at the applicant's request for such record, whether or not the record is found on file with the county. All fees collected under this subsection shall be remitted to the State Treasurer for credit to the Nebraska Child Abuse Prevention Fund.

(8) The department shall not charge other state agencies the fees authorized under subsections (1) and (7) of this section for automated review of any certificates, abstracts of marriage, or abstracts of death. The department shall charge and collect a fee from other state agencies for such automated review that will recover the department's cost.

(9) The department shall not charge any fee for a certified copy of a birth record if the applicant does not have a current Nebraska driver's license or state identification card and indicates in the application that the applicant needs a certified copy of the birth record to apply for a state identification card for voting purposes.

71-702. Women's Health Initiative Advisory Council; created; members; terms; duties; expenses.

71-702 Women's Health Initiative Advisory Council; created; members; terms; duties; expenses.

(1) The Women's Health Initiative Advisory Council is created and shall consist of not more than thirty members, at least three-fourths of whom are women. At least one member shall be appointed from the following disciplines: (a) An obstetrician/gynecologist; (b) a nurse practitioner or physician's assistant from a rural community; (c) a geriatrics physician or nurse; (d) a pediatrician; (e) a community public health representative from each congressional district; (f) a health educator; (g) an insurance industry representative; (h) a mental health professional; (i) a representative from a statewide health volunteer agency; (j) a private health care industry representative; (k) an epidemiologist or a health statistician; (l) a foundation representative; and (m) a woman who is a health care consumer from each of the following age categories: Eighteen to thirty; thirty-one to forty; forty-one to sixty-five; and sixty-six and older. The membership shall also include a representative of the University of Nebraska Medical Center, a representative from Creighton University Medical Center, the chief medical officer if one is appointed under section 81-3115, and the Title V Administrator of the Department of Health and Human Services.

(2) The Governor shall appoint advisory council members and shall consider and attempt to balance representation based on political party affiliation, race, and different geographical areas of Nebraska when making appointments. The Governor shall appoint the first chairperson and vice-chairperson of the advisory council. There shall be two ex officio, nonvoting members from the Legislature, one of which shall be the chairperson of the Health and Human Services Committee.

(3) The terms of the initial members shall be as follows: One-third shall serve for one-year terms, one-third shall serve for two-year terms, and one-third shall serve for three-year terms including the members designated chairperson and vice-chairperson. Thereafter members shall serve for three-year terms. Members may not serve more than two consecutive three-year terms.

(4) The Governor shall make the appointments within three months after July 13, 2000.

(5) The advisory council shall meet quarterly the first two years. After this time the advisory council shall meet at least every six months or upon the call of the chairperson or a majority of the voting members. A quorum shall be one-half of the voting members.

(6) The members of the advisory council shall be reimbursed for expenses as provided in sections 81-1174 to 81-1177 and pursuant to policies of the advisory council. Funds for reimbursement for expenses shall be from the Women's Health Initiative Fund.

(7) The advisory council shall advise the Women's Health Initiative of Nebraska in carrying out its duties under section 71-701 and may solicit private funds to support the initiative.

71-808 Regional behavioral health authority; established; regional governing board; matching funds; requirements.

(1) A regional behavioral health authority shall be established in each behavioral health region by counties acting under provisions of the Interlocal Cooperation Act. Each regional behavioral health authority shall be governed by a regional governing board consisting of one county board member from each county in the region. Board members shall serve for staggered terms of three years and until their successors are appointed and qualified. Board

members shall serve without compensation but shall be reimbursed for expenses as provided in sections 81-1174 to 81-1177.

(2) The regional governing board shall appoint a regional administrator who shall be responsible for the administration and management of the regional behavioral health authority. Each regional behavioral health authority shall encourage and facilitate the involvement of consumers in all aspects of service planning and delivery within the region and shall coordinate such activities with the office of consumer affairs within the division. Each regional behavioral health authority shall establish and utilize a regional advisory committee consisting of consumers, providers, and other interested parties and may establish and utilize such other task forces, subcommittees, or other committees as it deems necessary and appropriate to carry out its duties under this section.

(3) Each county in a behavioral health region shall provide funding for the operation of the behavioral health authority and for the provision of behavioral health services in the region. The total amount of funding provided by counties under this subsection shall be equal to one dollar for every three dollars from the General Fund. The division shall annually certify the total amount of county matching funds to be provided. At least forty percent of such amount shall consist of local and county tax revenue, and the remainder shall consist of other nonfederal sources. The regional governing board of each behavioral health authority, in consultation with all counties in the region, shall determine the amount of funding to be provided by each county under this subsection. For purposes of calculating the amount of county matching funds under this subsection, the amount of General Funds shall exclude:

(a) An amount equal to two million five hundred ninety-nine thousand six hundred sixty dollars from the General Fund each year, beginning on July 1, 2021;

(b) Any General Funds transferred from regional centers for the provision of community-based behavioral health services after July 1, 2004; and

(c) Funds received by a regional behavioral health authority for the provision of behavioral health services to children under section 71-826.

71-812 Behavioral Health Services Fund; created; use; investment.

(1) The Behavioral Health Services Fund is created. The fund shall be administered by the division and shall contain cash funds appropriated by the Legislature or otherwise received by the department for the provision of behavioral health services from any other public or private source and directed by the Legislature for credit to the fund. Transfers may be made from the fund to the General Fund at the direction of the Legislature.

(2) The Behavioral Health Services Fund shall be used to encourage and facilitate the statewide development and provision of community-based behavioral health services, including, but not limited to, (a) the provision of grants, loans, and other assistance for such purpose and (b) reimbursement to providers of such services.

(3)(a) Money transferred to the fund under section 76-903 shall be used for housing-related assistance for very low-income adults with serious mental illness, except that if the division determines that all housing-related assistance obligations under this subsection have been fully satisfied, the division may distribute any excess, up to twenty percent of such money, to regional behavioral health authorities for acquisition or rehabilitation of housing to assist such persons. The division shall manage and distribute such funds based upon a formula established by the division, in consultation with regional behavioral health authorities and the department, in a manner consistent with and reasonably calculated to promote the purposes of the public behavioral health system enumerated in section 71-803. The division shall contract with each regional behavioral health authority for the provision of such assistance. Each regional behavioral health authority may contract with qualifying public, private, or nonprofit entities for the provision of such assistance.

(b) For purposes of this subsection:

(i) Adult with serious mental illness means a person eighteen years of age or older who has, or at any time during the immediately preceding twelve months has had, a diagnosable mental, behavioral, or emotional disorder of sufficient duration to meet diagnostic criteria identified in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders and which has resulted in functional impairment that substantially interferes with or limits one or more major life functions. Serious mental illness does not include DSM V codes, substance abuse disorders, or developmental disabilities unless such conditions exist concurrently with a diagnosable serious mental illness;

(ii) Housing-related assistance includes rental payments, utility payments, security and utility deposits, landlord risk mitigation payments, and other related costs and payments;

(iii) Landlord risk mitigation payment means a payment provided to a landlord who leases or rents property to a very low-income adult with serious mental illness which may be used to pay for excessive damage to the rental property, any lost rent, any legal fees incurred by the landlord in excess of the security deposit, or any other expenses incurred by the landlord as a result of leasing or renting the property to such individual; and

(iv) Very low-income means a household income of fifty percent or less of the applicable median family income estimate as established by the United States Department of Housing and Urban Development.

(4) Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

71-829 Legislative findings and declarations.

The Legislature hereby finds and declares that:

(1) Ninety-five percent of counties in Nebraska are classified as behavioral health profession shortage areas by the federal Health Resources and Services Administration and the Nebraska Department of Health and Human Services;

(2) There are severe behavioral health workforce shortages in rural and underserved areas of the state which negatively impact access to appropriate behavioral health services for Nebraska residents; and

(3) Nebraska must act to address immediate needs and implement long-term strategies to alleviate education, recruitment, and retention challenges in the behavioral health field.

71-830 Behavioral Health Education Center; created; administration; duties; report.

(1) The Behavioral Health Education Center is created and shall be administered by the University of Nebraska Medical Center.

(2) The center shall:

(a)(i) Provide funds for up to ten additional medical residents, physician assistants, or psychiatric nurse practitioners in a Nebraska-based psychiatry program each year. The center shall provide psychiatric training experiences that serve rural Nebraska and other underserved areas. As part of the training experience, each center-funded resident, physician assistant, or psychiatric nurse practitioner shall participate in the rural training for a minimum of three months. A minimum of three of the ten center-funded residents, physician assistants, or psychiatric nurse practitioners shall be active in the rural training each year;

(ii) Provide funds for up to twelve one-year doctoral-level psychology internships in Nebraska. The interns shall be placed in communities so as to increase access to behavioral health services for patients residing in rural and underserved areas of Nebraska; and

(iii) Provide funds for up to ten one-year mental health therapist internships or practicums in Nebraska. The trainees shall be placed in rural and underserved communities in order to increase access to behavioral health services for patients residing in such areas of Nebraska;

(b) Focus on the training of behavioral health professionals in telehealth techniques, including taking advantage of a telehealth network that exists, and other innovative means of care delivery in order to increase access to behavioral health services for all Nebraskans;

(c) Analyze the geographic and demographic availability of Nebraska behavioral health professionals, including psychiatrists, social workers, community rehabilitation workers, psychologists, substance abuse counselors, licensed mental health practitioners, behavioral analysts, peer support providers, primary care physicians, nurses, nurse practitioners, pharmacists, and physician assistants;

(d) Prioritize the need for additional professionals by type and location;

(e) Establish learning collaborative partnerships with other higher education institutions in the state, hospitals, law enforcement, community-based agencies, school districts, and consumers and their families in order to develop evidence-based, recovery-focused, interdisciplinary curricula and training for behavioral

health professionals delivering behavioral health services in community-based agencies, hospitals, and law enforcement. Development and dissemination of such curricula and training shall address the identified priority needs for behavioral health professionals;

(f) Establish and operate six interdisciplinary behavioral health training sites. Four of the six sites shall be in counties with a population of fewer than fifty thousand inhabitants. Each site shall provide annual interdisciplinary training opportunities for a minimum of six behavioral health professionals; and

(g) Educate behavioral health providers and facilities to integrate behavioral health care into primary care practice and licensed health care facilities in order to place well-trained behavioral health providers into primary care practices, behavioral health practices, and rural hospitals for the purpose of increasing access to behavioral health services.

(3) No later than December 1 of every odd-numbered year, the center shall prepare a report of its activities under the Behavioral Health Workforce Act. The report shall be filed electronically with the Clerk of the Legislature and shall be provided electronically to any member of the Legislature upon request.

71-834 Terms, defined.

For purposes of the Certified Community Behavioral Health Clinic Act:

(1) Certified community behavioral health clinic means a nonprofit organization, a unit of the local behavioral health authority, an entity operated under authority of the Indian Health Service, an Indian tribe, or tribal organization pursuant to a contract, grant, cooperative agreement, or compact with the Indian Health Service pursuant to the Indian Self-Determination and Education Assistance Act of 1975, or an entity that is an urban Indian organization pursuant to a grant or contract with the Indian Health Service under Title V of the Indian Health Care Improvement Act, Public Law 94-437, providing com-

munity-based mental health and substance use health services that are nationally accredited that:

(a) Meet the federal certification criteria of the federal Protecting Access to Medicare Act of 2014 or a state certification system for certified community behavioral health clinics to be established by the department and which shall be substantially equivalent to the federal Protecting Access to Medicare Act of 2014; and

(b) Provide, at a minimum, the following community-based services either directly or indirectly through formal referral relationships with other providers:

(i) Outpatient mental health and substance use services;

(ii) Crisis mental health services;

(iii) Screening, assessment, and diagnosis, including risk assessments;

(iv) Person-centered treatment planning;

(v) Outpatient clinic primary care screening and monitoring of key health indicators and health risks;

(vi) Targeted case management;

(vii) Psychiatric rehabilitation services;

(viii) Peer support and counselor services and family supports; and

(ix) Community-based mental health care for members of the armed forces and veterans consistent with minimum clinical mental health guidelines promulgated by the Veterans Health Administration; and

(2) Prospective payment system means a daily or monthly medicaid payment methodology that allows providers to be reimbursed based on anticipated costs of providing required services to persons enrolled in medicaid.

Source: Laws 2023, LB276, § 4.

71-835 Prospective payment system; medicaid state plan amendment; development and implementation.

(1) The department shall develop a prospective payment system under the medical assistance program for funding certified community behavioral health clinics. Such system shall permit either daily or monthly payment rates.

(2) The department shall submit to the federal Centers for Medicare and Medicaid Services any approval request necessary for a medicaid state plan amendment to implement this section.

(3) Subject to such approval, such prospective payment system shall be implemented before January 1, 2026.

(4) The department shall solicit input from current certified community behavioral health clinics during the development of the medicaid state plan amendment.

Source: Laws 2023, LB276, § 5.

71-836 Rules and regulations.

The department shall adopt and promulgate rules and regulations to implement sections 71-833 to 71-836.

71-919 Mentally ill and dangerous person; dangerous sex offender; emergency protective custody; evaluation by mental health professional.

(1)(a) A law enforcement officer may take a person into emergency protective custody, cause him or her to be taken into emergency protective custody, or continue his or her custody if he or she is already in custody if the officer has probable cause to believe:

(i) Such person is mentally ill and dangerous or a dangerous sex offender and that the harm described in section 71-908 or subdivision (1) of section 83-174.01 is likely to occur before mental health board proceedings under the Nebraska Mental Health Commitment Act or the Sex Offender Commitment Act may be initiated to obtain custody of the person; or

(ii) For a person domiciled within Indian country in Nebraska, that such person is mentally ill and dangerous or a dangerous sex offender under tribal law and that harm comparable to that described in section 71-908 or subdivision (1) of section 83-174.01 or the equivalent under tribal law is likely to occur before mental health proceedings under tribal law may be initiated to obtain custody of the person.

(b) Such person shall be admitted to an appropriate and available medical facility, jail, or Department of Correctional Services facility as provided in subsection (2) of this section.

(c)(i) Except as provided in subdivision (1)(c)(ii) of this section, each county shall make arrangements with appropriate facilities inside or outside the county for such purpose and shall pay the cost of the emergency protective custody of persons from such county in such facilities.

(ii) For a subject domiciled within Indian country in Nebraska for whom emergency protective custody is initiated under tribal law, the tribe shall make arrangements with appropriate facilities inside or outside the tribe for such purpose and shall make arrangements for payment of the cost of the emergency protective custody of persons from such tribe in such facilities.

(d) A mental health professional who has probable cause to believe that a person is mentally ill and dangerous or a dangerous sex offender may cause such person to be taken into custody and shall have a limited privilege to hold such person until a law enforcement officer or other authorized person arrives to take custody of such person.

(2)(a) A person taken into emergency protective custody under this section shall be admitted to an appropriate and available medical facility unless such person has a prior conviction for a sex offense listed in section 29-4003.

(b) A person taken into emergency protective custody under this section who has a prior conviction for a sex offense listed in section 29-4003 shall be admitted to a jail or Department of Correctional Services facility unless a medical or psychiatric emergency exists for which treatment at a medical facility is required. The person in emergency protective custody shall remain at the medical facility until the medical or psychiatric emergency has passed and it is safe to transport such person, at which time the person shall be transferred to an available jail or Department of Correctional Services facility.

(3)(a) Except as provided in subdivision (3)(b) of this section, upon admission to a facility of a person taken into emergency protective custody by a law enforcement officer under this section, such officer shall execute a written certificate prescribed and provided by the Department of Health and Human Services. The certificate shall allege the officer's belief that the person in custody is mentally ill and dangerous or a dangerous sex offender and shall contain a summary of the person's behavior supporting such allegations. A copy of such certificate shall be immediately forwarded to the county attorney.

(b) In the case of a subject domiciled within Indian country who is taken into emergency protective custody by a law enforcement officer under tribal law, upon admission to a facility, such officer shall execute written documentation in a format provided by the tribe. At a minimum, such documentation shall clearly identify the subject, identify the relevant tribe, allege the officer's belief that the person in custody is mentally ill and dangerous or a dangerous sex offender under tribal law, and contain a summary of the subject's behavior supporting such allegations. A copy of such documentation shall be immediately forwarded to the appropriate tribal prosecutor or tribal official.

(4) The administrator of the facility shall have such person evaluated by a mental health professional as soon as reasonably possible but not later than thirty-six hours after admission. The mental health professional shall not be the mental health professional who causes such person to be taken into custody under this section and shall not be a member or alternate member of the mental health board that will preside over any hearing under the Nebraska Mental Health Commitment Act or the Sex Offender Commitment Act with respect to such person. A person shall be released from emergency protective custody after completion of such evaluation unless the mental health professional determines, in his or her clinical opinion, that such person is mentally ill and dangerous or a dangerous sex offender. In the case of a subject domiciled within Indian country who is taken into emergency protective custody under tribal law, the mental health professional shall notify an appropriate tribal prosecutor or official of such release.

71-920 Mentally ill and dangerous person; certificate of mental health professional; contents.

(1) Except as provided in subsection (3) of this section, a mental health professional who, upon evaluation of a person admitted for emergency protective custody under section 71-919, determines that such person is mentally ill and dangerous shall execute a written certificate as provided in subsection (2) of this section not later than twenty-four hours after the completion of such evaluation. A copy of such certificate shall be immediately forwarded to the county attorney.

(2) The certificate shall be in writing and shall include the following information:

(a) The subject's name and address, if known;

(b) The name and address of the subject's spouse, legal counsel, guardian or conservator, and next-of-kin, if known;

(c) The name and address of anyone providing psychiatric or other care or treatment to the subject, if known;

(d) The name and address of any other person who may have knowledge of the subject's mental illness or substance dependence who may be called as a witness at a mental health board hearing with respect to the subject, if known;

(e) The name and address of the medical facility in which the subject is being held for emergency protective custody and evaluation;

(f) The name and work address of the certifying mental health professional;

(g) A statement by the certifying mental health professional that he or she has evaluated the subject since the subject was admitted for emergency protective custody and evaluation; and

(h) A statement by the certifying mental health professional that, in his or her clinical opinion, the subject is mentally ill and dangerous and the clinical basis for such opinion.

(3) In the case of a subject domiciled within Indian country who is taken into emergency protective custody by a law enforcement officer under tribal law, a mental health professional who, upon evaluation of such person, determines that such person is mentally ill and dangerous shall execute appropriate written documentation in a format provided by the tribe not later than twenty-four hours after the completion of such evaluation. A copy of such certificate shall be immediately forwarded to the person designated by the tribe.

71-926 Subject; custody pending entry of treatment order.

(1) At the conclusion of a mental health board hearing under section 71-924 and prior to the entry of a treatment order by the board under section 71-925, the board may (a) order that the subject be retained in custody until the entry of such order and the subject may be admitted for treatment pursuant to such order or (b) order the subject released from custody under such conditions as the board deems necessary and appropriate to prevent the harm described in section 71-908 and to assure the subject's appearance at a later disposition hearing by the board. A subject shall be retained in custody under this section at the nearest appropriate and available medical facility and shall not be placed

in a jail. Each county shall make arrangements with appropriate medical facilities inside or outside the county for such purpose and shall pay the cost of the emergency protective custody of persons from such county in such facilities.

(2) A subject who has been ordered to receive inpatient or outpatient treatment by a mental health board may be provided treatment while being retained in emergency protective custody and pending admission of the subject for treatment pursuant to such order.

(3)(a) In the case of a subject domiciled within Indian country who is taken into emergency protective custody by a law enforcement officer under tribal law, at the conclusion of a mental health hearing under tribal law and prior to entry of a treatment order by the tribal court, the tribal court may order that the subject be:

(i) Retained in custody until entry of such order and the subject may be admitted for treatment pursuant to such order; or

(ii) Released from custody under such conditions as the tribal court deems necessary and appropriate to prevent harm comparable to that described in section 71-908 or the equivalent under tribal law and to assure the subject's appearance at a later disposition hearing. A subject shall be retained in custody under this section at the nearest appropriate and available medical facility and shall not be placed in a jail.

(b) Each tribe shall make arrangements with appropriate medical facilities inside or outside the tribe for such purpose and shall make arrangements for payment of the cost of the emergency protective custody of persons from such tribe in such facilities.

(c) A subject who has been ordered to receive inpatient or outpatient treatment pursuant to tribal law may be provided treatment while being retained in emergency protective custody and pending admission of the subject for treatment pursuant to such order.

71-929 Mental health board; execution of warrants; costs; procedure; subject domiciled in Indian country; transportation to treatment facility; reimbursement.

(1) If a mental health board issues a warrant for the admission or return of a subject to a treatment facility and funds to pay the expenses thereof are needed in advance, the board shall estimate the probable expense of conveying the subject to the treatment facility, including the cost of any assistance that might be required, and shall submit such estimate to the county clerk of the county in which such person is located. The county clerk shall certify the estimate and shall issue an order on the county treasurer in favor of the sheriff or other person entrusted with the execution of the warrant.

(2) The sheriff or other person executing the warrant shall include in his or her return a statement of expenses actually incurred, including any excess or deficiency. Any excess from the amount advanced for such expenses under subsection (1) of this section shall be paid to the county treasurer, taking his or

her receipt therefor, and any deficiency shall be obtained by filing a claim with the county board. If no funds are advanced, the expenses shall be certified on the warrant and paid when returned.

(3) The sheriff shall be reimbursed for mileage at the rate provided in section 33-117 for conveying a subject to a treatment facility under this section. For other services performed under the Nebraska Mental Health Commitment Act, the sheriff shall receive the same fees as for like services in other cases.

(4) Except as provided in subsection (5) of this section, all compensation and expenses provided for in this section shall be allowed and paid out of the treasury of the county by the county board.

(5)(a) In the case of a subject domiciled within Indian country who is taken into emergency protective custody under tribal law, sheriffs and other law enforcement officers of the State of Nebraska and its political subdivisions may transport such a subject to a treatment facility, whether inside or outside of Indian country.

(b) The sheriff or other law enforcement agency may enter into a contract with a tribe for reimbursement for:

(i) Reasonable costs incurred in conveying a subject to a treatment facility under this subsection; and

(ii) Other services performed for a tribe under the Nebraska Mental Health Commitment Act or under the equivalent law of the tribe at a rate comparable to the rate for such services in other cases.

71-937 Notice of release; mental health board; hearing; tribal court.

(1) A mental health board shall be notified in writing of the release by the treatment facility of any individual committed by the mental health board. Such notice shall immediately be forwarded to the county attorney. The mental health board shall, upon the motion of the county attorney, or may upon its own motion, conduct a hearing to determine whether the individual is mentally ill and dangerous and consequently not a proper subject for release. Such hearing shall be conducted in accordance with the procedures established for

hearings under the Nebraska Mental Health Commitment Act. The subject of such hearing shall be accorded all rights guaranteed to the subject of a petition under the act.

(2) In the case of a subject who is domiciled in Indian country and committed for treatment as provided in section 71-964, the tribal court shall be notified in writing of the release by the treatment facility of any such subject committed by the tribal court.

71-939 Escape from treatment facility or program; notification required; warrant; execution; peace officer; powers.

(1)(a) When any person receiving treatment at a treatment facility or program for persons with mental illness or substance dependence pursuant to an order of a court or mental health board is absent without authorization from such treatment facility or program, the administrator or program director of such treatment facility or program shall immediately notify the Nebraska State Patrol and the court or clerk of the mental health board of the judicial district from which such person was committed.

(b) The clerk shall issue the warrant of the board directed to the sheriff of the county for the arrest and detention of such person. Such warrant may be executed by the sheriff or any other peace officer.

(2)(a) When any person receiving treatment at a treatment facility or program for persons with mental illness or substance dependence pursuant to an order of a tribal court as provided in section 71-964 is absent without authorization from such treatment facility or program, the administrator or program director of such treatment facility or program shall immediately notify the Nebraska State Patrol and the appropriate tribal prosecutor or official.

(b) The appropriate tribal official may issue a warrant directed to a peace officer or sheriff of any county for the arrest and detention of such person. Such warrant may be executed by the sheriff or any other peace officer.

(3) The notification required by subdivision (1)(a) or (2)(a) of this section shall include the person's name and description and a determination by a psychiatrist, clinical director, administrator, or program director as to whether the person is believed to be currently dangerous to others.

(4) Pending the issuance of such warrant, any peace officer may seize and detain such person when the peace officer has probable cause to believe that the person is reported to be absent without authorization as described in this section. Such person shall be returned to the treatment facility or program or shall be taken to a facility as described in section 71-919 until he or she can be returned to such treatment facility or program.

71-964 Subject domiciled in Indian country; state recognition of tribal orders; commitment to treatment facility; procedure.

(1) With respect to a subject domiciled in Indian country, the State of Nebraska recognizes tribal hold orders, commitment orders, and emergency protective custody orders to the same extent as those initiated by any county in the state or as otherwise provided in the Nebraska Mental Health Commitment Act. This recognition applies only for purposes of treatment of the subject's mental illness or substance dependence, including, but not limited to, commitment to and acceptance for treatment at a regional center or any other treatment facility.

(2) If a tribal court finds that a subject domiciled within Indian country is mentally ill and dangerous pursuant to tribal law, such tribal court may order the subject committed to a treatment facility. Such order shall conform to subsection (3) of this section.

(3) The tribal court shall issue a warrant authorizing the administrator of such treatment facility to receive and keep the subject as a patient. The warrant shall state the findings of the tribal court and the legal settlement of the subject, if known, or any available information relating thereto. Such warrant shall shield every official and employee of the treatment facility against all liability to prosecution of any kind on account of the reception and detention of the subject if the detention is otherwise in accordance with law and policies of the treatment facility.

(4) In the case of a subject domiciled within Indian country in Nebraska who is committed for treatment under tribal law as provided in this section, the tribe shall make arrangements for payment of the cost of such treatment services.

(5) This section and the changes made to the Nebraska Mental Health Commitment Act by Laws 2024, LB1288, shall not be construed to affect the jurisdiction of tribal courts or to regulate internal proceedings of tribes or matters of tribal law. The purpose of this section and such changes is to facilitate the treatment and placement of subjects domiciled in Indian country in treatment facilities not operated by tribes.

Operative date October 1, 2024.

71-1203 Terms, defined.

For purposes of the Sex Offender Commitment Act:

(1) The definitions found in sections 71-904.02, 71-905, 71-906, 71-907, 71-910, 71-911, 71-914.01, 71-914.02, and 83-174.01 apply;

(2) Administrator means the administrator or other chief administrative officer of a treatment facility or his or her designee;

(3) Outpatient treatment means treatment ordered by a mental health board directing a subject to comply with specified outpatient treatment requirements, including, but not limited to, (a) taking prescribed medication, (b) reporting to a mental health professional or treatment facility for treatment or for monitoring of the subject's condition, or (c) participating in individual or group therapy or educational, rehabilitation, residential, or vocational programs;

(4)(a) Subject means any person concerning whom (i) a certificate has been filed under section 71-1204, (ii) a certificate has been filed under section 71-919 and such person is held pursuant to subdivision (2)(b) of section 71-919, or (iii) a petition has been filed under the Sex Offender Commitment Act.

(b) Subject also includes a person who is a member of a tribe or eligible for membership in a tribe, who is domiciled within Indian country in Nebraska, and concerning whom sex offender involuntary commitment or emergency protective custody proceedings have been initiated under tribal law. Subject does not include any person under eighteen years of age unless such person is an emancipated minor; and

(5) Treatment facility means a facility which provides services for persons who are dangerous sex offenders.

Operative date October 1, 2024.

71-1204 Emergency protective custody; dangerous sex offender determination; written certificate; contents.

(1) Except as provided in subsection (3) of this section, a mental health professional who, upon evaluation of a person admitted for emergency protective custody under section 71-919, determines that such person is a dangerous sex offender shall execute a written certificate as provided in subsection (2) of

this section not later than twenty-four hours after the completion of such evaluation. A copy of such certificate shall be immediately forwarded to the county attorney.

(2) The certificate shall be in writing and shall include the following information:

(a) The subject's name and address, if known;

(b) The name and address of the subject's spouse, legal counsel, guardian or conservator, and next of kin, if known;

(c) The name and address of anyone providing psychiatric or other care or treatment to the subject, if known;

(d) The name and address of any other person who may have knowledge of the subject's mental illness or personality disorder who may be called as a witness at a mental health board hearing with respect to the subject, if known;

(e) The name and address of the medical facility in which the subject is being held for emergency protective custody and evaluation;

(f) The name and work address of the certifying mental health professional;

(g) A statement by the certifying mental health professional that he or she has evaluated the subject since the subject was admitted for emergency protective custody and evaluation; and

(h) A statement by the certifying mental health professional that, in his or her clinical opinion, the subject is a dangerous sex offender and the clinical basis for such opinion.

(3) In the case of a subject domiciled within Indian country who is taken into emergency protective custody by a law enforcement officer under tribal law, a mental health professional who, upon evaluation of such person, determines that such person is a dangerous sex offender shall execute appropriate written documentation in a format provided by the tribe not later than twenty-four hours after the completion of such evaluation. A copy of such certificate shall be immediately forwarded to the person designated by the tribe.

Operative date October 1, 2024.

71-1206 Mental health board proceedings; commencement; petition; custody of subject; conditions; dismissal; when.

(1) Mental health board proceedings shall be deemed to have commenced upon the earlier of (a) the filing of a petition under section 71-1205 or (b) notification by the county attorney to the law enforcement officer who took the subject into emergency protective custody under section 71-919 or the administrator of the treatment facility having charge of the subject of the intention of the county attorney to file such petition. The county attorney shall file such petition as soon as reasonably practicable after such notification.

(2) A petition filed by the county attorney under section 71-1205 may contain a request for the emergency protective custody and evaluation of the subject prior to commencement of a mental health board hearing pursuant to such petition with respect to the subject. Upon receipt of such request and upon a finding of probable cause to believe that the subject is a dangerous sex offender as alleged in the petition, the court or chairperson of the mental health board may issue a warrant directing the sheriff to take custody of the subject. If the

subject is already in emergency protective custody under a certificate filed under section 71-919, a copy of such certificate shall be filed with the petition. The subject in such custody, including pursuant to tribal law as provided in section 71-1226.01, shall be held in an appropriate and available medical facility, jail, or Department of Correctional Services facility. A dangerous sex offender shall not be admitted to a medical facility for emergency protective custody unless a medical or psychiatric emergency exists requiring treatment not available at a jail or correctional facility.

(3)(a) Except as provided in subdivision (3)(b) of this section, each county shall make arrangements with appropriate facilities inside or outside the county for such purpose and shall pay the cost of the emergency protective custody of persons from such county in such facilities.

(b) For a subject domiciled within Indian country in Nebraska for whom emergency protective custody is initiated under tribal law, the tribe shall make arrangements with appropriate facilities inside or outside the tribe for such purpose and shall make arrangements for the payment of the cost of the emergency protective custody of persons from such tribe in such facilities.

(4) The petition and all subsequent pleadings and filings in the case shall be entitled In the Interest of _____, Alleged to be a Dangerous Sex Offender. The county attorney may dismiss the petition at any time prior to the commencement of the hearing of the mental health board under section 71-1208, and upon such motion by the county attorney, the mental health board shall dismiss the petition.

71-1210 Subject; custody pending entry of treatment order.

(1) At the conclusion of a mental health board hearing under section 71-1208 and prior to the entry of a treatment order by the board under section 71-1209, the board may (a) order that the subject be retained in custody until the entry of such order and the subject may be admitted for treatment pursuant to such order or (b) order the subject released from custody under such conditions as the board deems necessary and appropriate to prevent the harm described in subdivision (1) of section 83-174.01 and to assure the subject's appearance at a later disposition hearing by the board. A subject shall be retained in custody under this section at an appropriate and available medical facility, jail, or Department of Correctional Services facility. A dangerous sex offender shall not be admitted to a medical facility for emergency protective custody unless a medical or psychiatric emergency exists requiring treatment not available at a jail or correctional facility. Each county shall make arrangements with appropriate facilities inside or outside the county for such purpose and shall pay the cost of the emergency protective custody of persons from such county in such facilities.

(2) A subject who has been ordered to receive inpatient or outpatient treatment by a mental health board may be provided treatment while being retained in emergency protective custody and pending admission of the subject for treatment pursuant to such order.

(3)(a) In the case of a subject domiciled within Indian country who is taken into emergency protective custody by a law enforcement officer under tribal law, at the conclusion of a mental health hearing under tribal law and prior to

entry of a treatment order by the tribal court, the tribal court may order that the subject be:

(i) Retained in custody until entry of such order and the subject may be admitted for treatment pursuant to such order; or

(ii) Released from custody under such conditions as the tribal court deems necessary and appropriate to prevent harm comparable to that described in subdivision (1) of section 83-174.01 or the equivalent under tribal law and to assure the subject's appearance at a later disposition hearing. A subject shall be retained in custody under this section at an appropriate and available medical facility, jail, or Department of Correctional Services facility. A dangerous sex offender shall not be admitted to a medical facility for emergency protective custody unless a medical or psychiatric emergency exists requiring treatment not available at a jail or correctional facility.

(b) Each tribe shall make arrangements with appropriate medical facilities inside or outside the tribe for such purpose and shall pay the cost of the emergency protective custody of persons from such tribe in such facilities.

(c) A subject who has been ordered to receive inpatient or outpatient treatment pursuant to tribal law may be provided treatment while being retained in emergency protective custody and pending admission of the subject for treatment pursuant to such order.

71-1213 Mental health board; execution of warrants; costs; procedure; subject domiciled in Indian country; transportation to treatment facility; reimbursement.

(1) If a mental health board issues a warrant for the admission or return of a subject to a treatment facility and funds to pay the expenses thereof are needed in advance, the board shall estimate the probable expense of conveying the subject to the treatment facility, including the cost of any assistance that might be required, and shall submit such estimate to the county clerk of the county in which such person is located. The county clerk shall certify the estimate and shall issue an order on the county treasurer in favor of the sheriff or other person entrusted with the execution of the warrant.

(2) The sheriff or other person executing the warrant shall include in his or her return a statement of expenses actually incurred, including any excess or deficiency. Any excess from the amount advanced for such expenses under subsection (1) of this section shall be paid to the county treasurer, taking his or her receipt therefor, and any deficiency shall be obtained by filing a claim with the county board. If no funds are advanced, the expenses shall be certified on the warrant and paid when returned.

(3) The sheriff shall be reimbursed for mileage at the rate provided in section 33-117 for conveying a subject to a treatment facility under this section. For other services performed under the Sex Offender Commitment Act, the sheriff shall receive the same fees as for like services in other cases.

(4) Except as provided in subsection (5) of this section, all compensation and expenses provided for in this section shall be allowed and paid out of the treasury of the county by the county board.

(5)(a) In the case of a subject domiciled within Indian country who is taken into emergency protective custody under tribal law, sheriffs and other law enforcement officers of the State of Nebraska and its political subdivisions may transport such a subject to a treatment facility, whether inside or outside of Indian country.

(b) The sheriff or other law enforcement agency may enter into a contract with a tribe for reimbursement for:

(i) Reasonable costs incurred in conveying a subject to a treatment facility under this subsection; and

(ii) Other services performed for a tribe under the Sex Offender Commitment Act or under the equivalent law of the tribe at a rate comparable to the rate for such services in other cases.

71-1220 Regional center or treatment facility; administrator; discharge of involuntary patient; notice.

When the administrator of any regional center or treatment facility for the treatment of dangerous sex offenders determines that any involuntary patient in such facility may be safely and properly discharged or placed on convalescent leave, the administrator of such regional center or treatment facility shall immediately notify the mental health board of the judicial district from which such patient was committed. In the case of a subject who is domiciled in Indian country and committed for treatment as provided in section 71-1226.01, such administrator shall immediately notify the tribal court from which such patient was committed.

71-1221 Notice of release; mental health board; hearing; tribal court.

(1) A mental health board shall be notified in writing of the release by the treatment facility of any individual committed by the mental health board. Such notice shall immediately be forwarded to the county attorney. The mental health board shall, upon the motion of the county attorney, or may upon its own motion, conduct a hearing to determine whether the individual is a dangerous sex offender and consequently not a proper subject for release. Such hearing shall be conducted in accordance with the procedures established for hearings under the Sex Offender Commitment Act. The subject of such hearing shall be accorded all rights guaranteed to the subject of a petition under the act.

(2) In the case of a subject who is domiciled in Indian country and committed for treatment as provided in section 71-1226.01, the tribal court shall be notified in writing of the release by the treatment facility of any such subject committed by the tribal court.

71-1223 Escape from treatment facility or program; notification required; warrant; execution; peace officer; powers.

(1)(a) When any person receiving treatment at a treatment facility or program for dangerous sex offenders pursuant to an order of a court or mental health board is absent without authorization from such treatment facility or program, the administrator or program director of such treatment facility or program shall immediately notify the Nebraska State Patrol and the court or clerk of the mental health board of the judicial district from which such person was committed.

(b) The clerk shall issue the warrant of the board directed to the sheriff of the county for the arrest and detention of such person. Such warrant may be executed by the sheriff or any other peace officer.

(2)(a) When any person receiving treatment at a treatment facility or program for persons with mental illness pursuant to an order of a tribal court as provided in section 71-1226.01 is absent without authorization from such treatment facility or program, the administrator or program director of such treatment facility or program shall immediately notify the Nebraska State Patrol and the appropriate tribal prosecutor or official.

(b) The appropriate tribal official may issue a warrant directed to a peace officer or sheriff of any county for the arrest and detention of such person. Such warrant may be executed by the sheriff or any other peace officer.

(3) The notification required by subdivision (1)(a) or (2)(a) of this section shall include the person's name and description and a determination by a psychiatrist, clinical director, administrator, or program director as to whether the person is believed to be currently dangerous to others.

(4) Pending the issuance of such warrant, any peace officer may seize and detain such person when the peace officer has probable cause to believe that the person is reported to be absent without authorization as described in this section. Such person shall be returned to the treatment facility or program or shall be taken to a facility as described in section 71-919 until he or she can be returned to such treatment facility or program.

71-1226.01 Subject domiciled in Indian country; state recognition of tribal orders; rights of subject; commitment to treatment facility; procedure.

(1) With respect to a subject domiciled in Indian country, the State of Nebraska recognizes tribal hold orders, commitment orders, and emergency protective custody orders to the same extent as those initiated by any county in the state or as otherwise provided in the Sex Offender Commitment Act. This recognition applies only for purposes of treatment of the subject's mental illness, including, but not limited to, commitment to and acceptance for treatment at a regional center or any other treatment facility.

(2) A subject admitted to a state-operated treatment facility pursuant to this section has all the rights accorded by sections 71-943 to 71-960.

(3) For a subject admitted to a state-operated treatment facility pursuant to this section:

(a) The treatment facility shall file treatment reports with the Indian Health Service or the placing tribe within sixty days after commencement of the subject's stay at the treatment facility; and

(b) The treatment facility shall file a subsequent treatment report with the Indian Health Service or the placing tribe within six months after the subject's admission to the facility or prior to discharge, whichever comes first.

(4) If the tribal court finds a subject living within Indian country to be a dangerous sex offender and the tribal court orders the subject committed to receive inpatient treatment at a treatment facility, the tribal court shall issue a warrant authorizing the administrator of such treatment facility to receive and keep the subject as a patient. The warrant shall state the findings of the tribal court and the legal settlement of the subject, if known, or any available information relating thereto. Such warrant shall shield every official and employee of the treatment facility against all liability to prosecution of any kind on account of the reception and detention of the subject if the detention is otherwise in accordance with law and policies of the treatment facility.

(5) In the case of a subject domiciled within Indian country in Nebraska who is committed for treatment under tribal law as provided in this section, the tribe shall make arrangements for payment of the cost of such treatment services.

(6) This section and the changes made to the Sex Offender Commitment Act by Laws 2024, LB1288, shall not be construed to affect the jurisdiction of tribal courts or to regulate internal proceedings of tribes or matters of tribal law. The purpose of this section and such changes is to facilitate the treatment and placement of subjects domiciled in Indian country in treatment facilities not operated by tribes.

HOUSING

(e) NEBRASKA HOUSING AGENCY ACT

Section

(e) NEBRASKA HOUSING AGENCY ACT

71-1572 Act, how cited.

Sections 71-1572 to 71-15,170 shall be known and may be cited as the Nebraska Housing Agency Act.

Source: Laws 1999, LB 105, § 1; Laws 2024, LB840, § 6.
Operative date July 19, 2024.

71-1590 Taxation of property; Indian housing authorities; payments in lieu of taxes.

(1) The real and personal property of a local housing agency and any controlled affiliate thereof used solely (a) for the administrative offices of the housing agency or controlled affiliate thereof, (b) to provide housing for persons of eligible income and qualifying tenants, and (c) for appurtenances related to such housing shall be exempt from all taxes and special assessments of any city, any county, the state, or any public agency thereof, including without limitation any special taxing district or similar political subdivision. All other real and personal property of the housing agency or controlled affiliate thereof shall be deemed to not be used for a public purpose for purposes of section 77-202 and shall be taxable as provided in sections 77-201 and 77-202.11. Property owned jointly by a housing agency or its controlled affiliates with other nongovernmental persons or entities shall be exempt from such taxes and assessments to the extent the property is used solely to provide housing for persons of eligible income and qualifying tenants. Such housing agency or controlled affiliate shall provide notice of the exemption to the county assessor of the county in which the property is located on or before December 31 of the year preceding the year for which the exemption is first sought. Nothing in this section shall be deemed to preclude a housing agency and its controlled affiliates from entering into an agreement for the payment of all or any portion of any special assessments which might otherwise be assessed except for the exemption created by this section.

(2) A housing agency may agree to make payments in lieu of all taxes or special assessments to the county within whose territorial jurisdiction any development of such housing agency or its controlled affiliates is located, for improvements, services, and facilities furnished by the city, county, or other public agencies, for the benefit of such development. Nothing contained in this section shall be deemed to require such an agreement by a local housing agency, and in no event shall the amounts payable by the housing agency exceed the amounts which, except for the exemption provided in this section, would otherwise be payable under regular taxes and special assessments for similar properties referred to in subsection (1) of this section. All payments in lieu of taxes made by any such housing agency shall be distributed by the county to all public agencies in such proportion that each public agency shall receive from the total payment the same proportion as its property tax rate bears to the total property tax which would be levied by each public agency against property of the housing agency if the same were not exempt from taxation.

(3) The property of Indian housing authorities created under Indian law shall be exempt from all taxes and special assessments of the state or any city, village, or public agency thereof. In lieu of such taxes or special assessments, an Indian housing authority may agree to make payments to any city, village, or public agency for improvements, services, or facilities furnished by such city, village, or public agency for the benefit of a housing project owned by the housing authority, but in no event shall such payments exceed the estimated cost to such city, village, or public agency of the improvements, services, or facilities to be so furnished. All payments made by any such housing authority in lieu of taxes, whether such payments are contractually stipulated or gratuitous voluntary payments, shall be distributed among the cities, villages, or public agencies within which the housing project is located, in such proportion

that each city, village, or public agency shall receive from the total payment the same proportion as its ad valorem tax rate bears to the total ad valorem tax rate which would be levied by each city, village, or public agency against the properties of the Indian housing authority if the same were not exempt from taxation. For purposes of this section, (a) Indian housing authority means an entity that is authorized by federal law to engage or assist in the development or operation of low-income housing for Indians and which is established by the exercise of the power of self-government of an Indian tribe and (b) Indian law means the code of an Indian tribe recognized as eligible for services provided to Indians by the United States Secretary of the Interior.

71-1594 Local housing agency; commissioners; appointment.

(1) When the governing body of any city or county, as the case may be, has determined by resolution or ordinance as set forth in section 71-1578 that it is expedient to establish a local housing agency:

(a) In the case of cities other than cities of the metropolitan class, the chief elected official of such city shall appoint at least five and not more than seven adult persons;

(b) In the case of cities of the metropolitan class, the chief elected official of such city shall appoint nine adult persons; and

(c) In the case of counties, the county board shall appoint at least five and not more than seven adult persons.

(2) All such persons shall be residents of the area of operation of the agency. If the selection of one or more resident commissioners is required under section 71-15,104, any such persons shall be resident commissioners selected as provided in such section. Such persons so appointed shall constitute the governing body of the local housing agency and shall be called commissioners.

71-1598 Commissioners; terms.

(1) In the case of local housing agencies, the commissioners who are first appointed shall be designated to serve for terms of one, two, three, four, and five years, respectively, from the date of their appointment, but thereafter commissioners shall be appointed for terms of five years; and

(2) In the case of housing agencies when the appointing authority has elected to have more than five commissioners as provided in section 71-1594 or has elected to add one or two commissioners to a presently existing housing agency, the sixth commissioner who is first appointed shall be designated to serve for a term of four years and the additional commissioners who are first appointed shall be designated to serve for terms of five years from the date of appointment. Thereafter the commissioners shall be appointed for terms of five years.

71-1599 Commissioners; vacancies.

All vacancies shall be filled for the unexpired terms. A vacancy shall be filled not later than six months after the date of such vacancy by the same authority and in the same manner as the previous commissioner whose position has become vacant was appointed.

Source: Laws 1999, LB 105, § 28; Laws 2020, LB1003, § 185.

71-15,104 Resident commissioner; selection; procedure.

(1)(a) Except as provided in subsection (4) of this section, each housing agency created under the Nebraska Housing Agency Act shall include among the commissioners constituting the governing body of such local housing agency at least one commissioner who shall be known as a resident commissioner.

(b) For purposes of this section, resident commissioner means a member of the governing board of a local housing agency whose eligibility for membership is based upon such person's status as a recipient of direct assistance from the agency except as otherwise provided in this section.

(2) No later than thirty days after any vacancy in the office of a resident commissioner, the local housing agency shall notify any resident advisory board or other resident organization and all adult persons directly assisted by such agency that the position of resident commissioner is open and that if any such person is interested in being considered as a candidate for the position, such person should notify the local housing agency within thirty days after such notice of the person's willingness to be considered and to serve in the position.

(3) For a housing agency other than a housing agency established by a city of the metropolitan class, the resident commissioner shall be selected, either by an election or by appointment, as follows:

(a) The housing agency may hold an election, allowing each adult direct recipient of its assistance to vote by secret written ballot, at such time and place, or through the mail, as such agency may choose, all to be conducted within thirty days after the receipt of names of candidates as provided in subsection (2) of this section. The candidate receiving the most votes shall serve as resident commissioner;

(b) If the housing agency decides not to hold an election, the names of all persons interested who have notified the housing agency as provided in subsection (2) of this section shall be forwarded to the mayor or to the county board, as the case may be, and the resident commissioner shall be appointed from the list of names, as provided in section 71-1594, subject to confirmation as provided in section 71-1596. In the case of a regional housing agency, the regional board of commissioners shall make such an appointment from among the persons interested in such position; and

(c) If no qualified person has submitted to the local housing agency his or her name as a candidate for the position, then the mayor, county board, or regional housing agency, as the case may be, shall fill the position from among all adult persons receiving direct assistance from the agency subject to confirmation, in the case of cities and counties, pursuant to section 71-1596. If a local housing agency owns fewer than three hundred low-income housing units which, for purposes of this subdivision, does not include units of housing occupied by persons assisted under any rental assistance program and the housing agency

has received no notification of interest in serving as a resident commissioner as provided in this section, no resident commissioner shall be required to be selected.

(4)(a) For a housing agency established by a city of the metropolitan class, three resident commissioners shall be selected by appointment. The mayor shall fill the positions from among all adult persons receiving direct assistance from the agency subject to confirmation pursuant to section 71-1596. At least one of the persons appointed pursuant to this subsection shall be a resident of a public housing facility that has at least fifty units. If the local housing agency owns fewer than three hundred low-income housing units which, for purposes of this subdivision, does not include units of housing occupied by persons assisted under any rental assistance program, and if the housing agency has received no notification of interest in serving as a resident commissioner, no resident commissioner shall be required to be selected.

(b) A resident commissioner of the housing authority who is required by this section to be a recipient of direct assistance of the housing agency:

(i) Shall not be construed to have a direct or indirect interest in (A) any housing agency project, (B) any property that is or will be included in any such project, or (C) any housing agency contract for materials or services; and

(ii) Who ceases to meet such requirement may continue to serve until the expiration of his or her current term but shall not be reappointed.

71-15,106 Officers; executive director; employees; city of the metropolitan class; information; meetings; requirements.

(1)(a) The commissioners of each housing agency shall elect a chairperson and vice-chairperson from among the commissioners and shall have power to employ an executive director who shall serve as ex officio secretary of the local housing agency.

(b) Each agency may employ legal counsel or engage the attorney of the city or county served by the agency for such legal services as the agency may require unless such employment or engagement will result in an ethical or legal violation. Each agency may employ accountants, appraisers, technical experts, and such other officers, agents, and employees as the agency may require and shall determine their qualifications, duties, compensation, and terms of office. A local housing agency may delegate to one or more of its agents or employees such powers and duties as it deems proper.

(2) A housing agency for a city of the metropolitan class shall make all contact information for senior leadership and commissioners publicly available at the agency's offices and on the agency's website. Such contact information shall include telephone numbers and email addresses for each person covered under this subsection.

(3) Prior to any agency board meeting, a housing agency for a city of the metropolitan class shall post all meeting notices and agendas in common spaces at all agency public locations. Such notices and agendas may be posted as printed material or by means of video display on a television or video monitor located in such common spaces. Prior notice of any board meeting

shall also be made available at the agency's offices and on the agency's website. Opportunity for public comment shall be made at all board meetings, and such public comment shall not be limited only to agenda items.

(4) All commissioners of a housing agency in a city of the metropolitan class shall hold one regular board meeting at least once every ninety days at a public housing facility that has at least one hundred units.

71-15,139 Termination of tenancy; procedure; recovery of possession of premises; when.

(1) A housing agency may adopt and promulgate rules and regulations consistent with federal and state laws, rules, and regulations and the purposes of the Nebraska Housing Agency Act concerning the termination of tenancy.

(2)(a) If a housing agency seeks to terminate a resident's tenancy, the housing agency shall serve a written notice of termination on such resident setting out the reasons for such termination.

(b) If the premises is located in a city of the metropolitan class, the notice shall contain a statement in substantially the following form: ''You have the right to representation by an attorney. This right applies to eviction proceedings before a court and in any hearing to contest termination of your tenancy before the [name of housing agency]. An attorney will be appointed to represent you, at no cost to you, at the beginning of such proceedings or hearing.''.

(c) The resident shall be given the opportunity to contest the termination in an appropriate hearing by the housing agency. A resident may contest the termination in any suit filed by the housing agency in any court for recovery of possession of the premises.

(3) Such notice may provide that if the resident fails to (a) pay his or her rent or comply with any covenant or condition of his or her lease or the rules and regulations of such housing agency, (b) cure a violation or default thereof as specified in such notice, or (c) follow the procedure for a hearing as set forth in the notice, all within the time or times set forth in such notice, the tenancy shall be automatically terminated and no other notice or notices are required for such termination or the intent to terminate the tenancy, and upon such termination, and without any notice other than as provided for in this section, a housing agency may file suit against any resident for recovery of possession of the premises and may recover the same as provided by law.

(4) A housing agency may, after three days' written notice of termination and without an administrative hearing, file suit and have judgment against any resident for recovery of possession of the premises if the resident, any member of the resident's household, any guest, or any other person who is under the resident's control or who is present upon the premises with the resident's consent, engages in any drug-related or violent criminal activity on the premises, or engages in any activity that threatens the health, safety, or peaceful enjoyment of other residents or housing agency employees. Such activity shall include, but not be limited to, any of the following activities of the resident, or the activities of any other person on the premises with the consent of the resident: (a) Physical assault or the threat of physical assault; (b) illegal use of a firearm or other weapon or the threat to use an illegal firearm or other

weapon; or (c) possession of a controlled substance by the resident or any other person on the premises with the consent of the resident, if the resident knew or should have known of the possession of such controlled substance by such other person, unless such controlled substance was obtained directly from, or pursuant to, a medical order issued by a practitioner authorized to prescribe, as defined in section 28-401, while acting in the course of his or her professional practice.

(5)(a) This subsection only applies if the premises is located in a city of the metropolitan class.

(b) If the resident requests a hearing by the housing agency to contest the termination, counsel shall be appointed for the resident prior to such hearing unless the resident is already represented by counsel. The housing agency shall file an application with the county court or district court of the county in which the premises is located. The court shall appoint counsel to represent the resident in the hearing and in any related action for recovery of possession of the premises.

(c) If the resident does not request a hearing by the housing agency to contest the termination and the housing agency files an action for recovery of possession of the premises, the court shall appoint counsel for the resident unless the resident is already represented by counsel.

(d) The resident may waive court-appointed counsel or retain the resident's own counsel. The cost of any court-appointed counsel shall be paid by the housing agency.

(e) Counsel appointed pursuant to this section shall apply to the court before which the proceedings were had for fees for services performed.

(f) In the case of a hearing to contest a termination for which there are no related court proceedings, counsel shall apply to the county court or district court of the county in which the premises is located.

(g) The court, upon hearing the application, shall fix reasonable fees. The housing agency shall allow the account, bill, or claim presented by any attorney for such services in the amount determined by the court. No such account, bill, or claim shall be allowed by the housing agency until the amount has been determined by the court.

(h) A housing agency shall not assess a fee against any resident for legal services provided under this subsection or otherwise attempt to recoup such costs from such resident.

71-15,150 Conflict of interest; prohibited acts.

(1) Except as otherwise permitted under the provisions of sections 71-15,149 to 71-15,157, no housing agency official shall own or hold an interest in any contract or property or engage in any business, transaction, or professional or personal activity that would:

(a) Be or appear to be in conflict with such official's duties relating to the housing agency served by or subject to the authority of such official;

(b) Secure or appear to secure unwarranted privileges or advantages for such official or others; or

(c) Prejudice or appear to prejudice such official's independence of judgment in the exercise of his or her official duties relating to the housing agency served by or subject to the authority of such official.

(2) No housing agency official shall act in an official capacity in any matter in which such official has a direct or indirect financial or personal involvement. No housing agency official shall use his or her public office or employment to secure financial gain to such official.

(3) Except as otherwise permitted by the provisions of sections 71-15,149 to 71-15,157, a housing agency shall not, with respect to any housing agency official, during his or her tenure or for a period of one year thereafter, either:

(a) Award or agree to award any contract to such housing agency official or other local government official;

(b) Purchase or agree to purchase any real property from such housing agency official or other local government official, or sell or agree to sell any real property to such housing agency official or other local government official;

(c) Permit any housing agency official to represent, appear, or negotiate on behalf of any other party before the housing agency's board of commissioners or with its other officials or employees;

(d) Employ any commissioner for compensation or otherwise;

(e) Employ any local government official, or any member of such official's immediate family, if such official's duties involve the exercise of authority relating to the housing agency; or

(f) Employ for compensation any member of the immediate family of a housing agency official, if such employment creates the relationship of direct supervisor or subordinate between family members or otherwise creates a real or apparent conflict of interest.

(4) No commissioner of a housing agency for a city of the metropolitan class shall have an ownership interest in, or be employed by, any entity doing business with such housing agency.

(5) The ownership of less than five percent of the outstanding shares of a corporation shall not constitute an interest within the meaning of this section.

71-15,169 Complaint process; city of the metropolitan class.

(1) A housing agency for a city of the metropolitan class shall establish a complaint process. Any resident of an agency property may file a complaint by any of the following means:

(a) A complaint form filled out online on the housing agency's website;

(b) A telephone call made to a housing agency; or

(c) A complaint form filled out in person. Such complaint form shall be made available at designated offices.

(2) The complaint form, whether completed by the complainant online, in-person, or by a housing agency employee answering a telephone call complaint, shall include the following information:

(a) The name of the complainant;

(b) Contact information including the telephone number, email address, and mailing address of the complainant;

(c) The nature of the complaint, including, but not limited to, whether a maintenance issue, a discrimination claim, or a rent dispute; and

(d) Relevant dates.

(3) Notice of the right to file a complaint up until the time of an eviction shall be included on both the online and printed complaint form.

(4) The complainant may provide any supporting documentation with the complaint, including, but not limited to, photographs or digital images, receipts, and correspondence.

(5) Upon receipt of the complaint, the agency shall send an acknowledgment to the complainant by email or regular first-class mail within five business days. Each complaint shall be assigned a unique case number for tracking purposes.

(6) The agency shall conduct a thorough investigation of the complaint, including, but not limited to, interviewing relevant parties, inspecting property and relevant documents, and reviewing applicable laws and regulations.

(7) The housing authority shall resolve the complaint within fourteen days after receipt of the complaint. If additional time is required, the complainant shall be notified and provided with an updated timeline. Throughout the investigation, the agency shall provide the complainant with regular updates on the status of the complaint by email, telephone, or regular first-class mail.

(8) The agency shall notify the complainant of the resolution of the complaint in writing within five business days after such resolution. The notice shall include (a) a summary of the investigation findings, (b) the action taken to address the complaint, (c) any remedies or compensation provided, (d) information on how to file a complaint with the political subdivision responsible for code enforcement, if applicable, and (e) information about the city's complaint process if the complainant is not satisfied with the resolution of the complaint.

(9) The agency shall invite the complainant to provide feedback on the complainant's experience with the complaint process, including suggestions for improvement.

(10) The agency shall monitor complaint trends, analyze root causes, and report on complaint resolution statistics regularly to identify areas for improvement. The agency shall submit a report to the commissioners at every board meeting detailing (a) the number of complaints filed, (b) the nature of such complaints, (c) the status of completed and pending inspections, and (d) the number of unfilled inspector positions within the housing agency. The report shall also be made available to the public on the agency's website and at the agency's office.

(11) The agency shall inform persons applying for housing about the complaint process during the resident application process and inform residents about the complaint process (a) annually, (b) at the time a complaint is filed, and (c) by posting on the agency's website and on any public boards in any common housing spaces.

(h) NEBRASKA CENTER FOR NURSING ACT

71-1797 Legislative findings and intent.

The Legislature finds that it is imperative that the State of Nebraska protect its investment and the progress made in its efforts to alleviate the nursing shortage which exists. The Legislature also finds that the Nebraska Center for Nursing will provide the appropriate means to do so. It is the intent of the Legislature to appropriate funds necessary for the center to carry out the Nebraska Center for Nursing Act, including, but not limited to, (1) administrative costs incurred by the Department of Health and Human Services to expand clinical training sites as provided in subsection (3) of section 71-1798 and (2)

funds for such expansion of clinical training sites in the amount of three million dollars from the General Fund for fiscal year 2023-24 and three million dollars from the General Fund for fiscal year 2024-25.

71-1798 Nebraska Center for Nursing; established; goals; expansion of clinical training sites; workforce development.

(1) The Nebraska Center for Nursing is established. The center shall address issues of supply and demand for nurses, including issues of recruitment, retention, and utilization of nurses. The Legislature finds that the center will repay the state's investment by providing an ongoing strategy for the allocation of the state's resources directed towards nursing.

(2) The primary goals for the center are:

(a) To develop a strategic statewide plan to alleviate the nursing shortage in Nebraska by:

(i) Establishing and maintaining a database on nursing supply and demand in Nebraska, including current supply and demand and future projections; and

(ii) Selecting priorities from the plan to be addressed;

(b) To convene various groups representative of nurses, other health care providers, business and industry, consumers, legislators, and educators to:

(i) Review and comment on data analysis prepared for the center;

(ii) Recommend systemic changes, including strategies for implementation of recommended changes; and

(iii) Evaluate and report the results of these efforts to the Legislature and the public; and

(c) To enhance and promote recognition, reward, and renewal activities for nurses by:

(i) Proposing and creating recognition, reward, and renewal activities; and

(ii) Promoting media and positive image-building efforts for nursing.

(3) After consultation with a statewide association representing hospitals and health systems that provide clinical nursing opportunities, the Nebraska Center for Nursing Board shall provide for the expansion of clinical training sites for nurses throughout the state, giving preference to areas that have lower numbers of registered nurses per capita compared to the state average, and shall provide for the development of programs that:

(a) Incentivize clinical nurses to become clinical nurse faculty;

(b) Incentivize nurse faculty to partner with staff nurses in the development of clinical nurse faculty;

(c) Expand simulation training for nurse clinical education; and

(d) Incentivize hospital facilities to support the center in carrying out this subsection.

(4) The Nebraska Center for Nursing shall partner with a statewide association representing a majority of hospitals and health systems in Nebraska to increase the workforce development of nurses and other health professionals by

providing at least fifty million dollars per year in private investments for statewide health care workforce development.

71-1799 Nebraska Center for Nursing Board; created; members; terms; powers and duties; expenses.

(1) The Nebraska Center for Nursing Board is created. The board shall be a policy-setting board for the Nebraska Center for Nursing. The board shall be appointed by the Governor as follows:

(a) Ten members, at least three of whom shall be registered nurses, one of whom shall be a licensed practical nurse, one of whom shall be a representative of the hospital industry, and one of whom shall be a representative of the long-term care industry;

(b) One nurse educator recommended by the Board of Regents of the University of Nebraska;

(c) One nurse educator recommended by the Nebraska Community College Association;

(d) One nurse educator recommended by the Nebraska Association of Independent Colleges and Universities; and

(e) Three members recommended by the State Board of Health.

(2) The initial terms of the members of the Nebraska Center for Nursing Board shall be:

(a) Five of the ten members appointed under subdivision (1)(a) of this section shall serve for one year and five shall serve for two years;

(b) The member recommended by the Board of Regents shall serve for three years;

(c) The member recommended by the Nebraska Community College Association shall serve for two years;

(d) The member recommended by the Nebraska Association of Independent Colleges and Universities shall serve for one year; and

(e) The members recommended by the State Board of Health shall serve for three years.

The initial appointments shall be made within sixty days after July 13, 2000. After the initial terms expire, the terms of all of the members shall be three years with no member serving more than two consecutive terms.

(3) The Nebraska Center for Nursing Board shall have the following powers and duties:

(a) To determine operational policy;

(b) To elect a chairperson and officers to serve two-year terms. The chairperson and officers may not succeed themselves;

(c) To establish committees of the board as needed;

(d) To appoint a multidisciplinary advisory council for input and advice on policy matters;

(e) To implement the major functions of the Nebraska Center for Nursing; and

(f) To seek and accept nonstate funds for carrying out center policy.

(4) The board members shall be reimbursed for expenses as provided in sections 81-1174 to 81-1177.

(5) The Department of Health and Human Services shall provide administrative support for the board. The board may contract for additional support not provided by the department.

CARE OF CHILDREN

(a) FOSTER CARE LICENSURE

Section

(b) CHILD CARE LICENSURE

(c) CHILDREN'S RESIDENTIAL FACILITIES AND PLACING LICENSURE ACT

(d) STEP UP TO QUALITY CHILD CARE ACT

(a) FOSTER CARE LICENSURE

71-1902 Foster care; license required; license renewal; kinship homes and relative homes; department and child-placing agencies; duties; placement in

nonlicensed relative home or kinship home; approval by department; when; license revocation; procedure.

(1) The department shall adopt and promulgate rules and regulations on requirements for licenses, waivers, variances, and approval of foster family homes taking into consideration the health, safety, well-being, and best interests of the child. An initial assessment of a foster family home shall be completed and shall focus on the safety, protection, and immediate health, educational, developmental, and emotional needs of the child and the willingness and ability of the foster home, relative home, or kinship home to provide a safe, stable, and nurturing environment for a child for whom the department or child-placing agency has assumed responsibility.

(2)(a) Except as otherwise provided in this section, no person shall furnish or offer to furnish foster care for one or more children without having in full force and effect a written license issued by the department upon such terms and conditions as may be prescribed by general rules and regulations adopted and promulgated by the department. The terms and conditions for licensure may allow foster family homes to meet licensing standards through variances equivalent to the established standards.

(b) The department may issue a time-limited, nonrenewable provisional license to an applicant who is unable to comply with all licensure requirements and standards, is making a good faith effort to comply, and is capable of compliance within the time period stated in the license. The department may issue a time-limited, nonrenewable probationary license to a licensee who agrees to establish compliance with rules and regulations that, when violated, do not present an unreasonable risk to the health, safety, or well-being of the foster children in the care of the applicant.

(3) Kinship homes and relative homes are exempt from licensure, however, such homes should make efforts to be licensed if such license will facilitate the permanency plan of the child. The department and child-placing agencies shall, when requested or as part of the child's permanency plan, provide resources for and assistance with licensure, including, but not limited to, information on licensure, waivers for relative homes, kinship-specific and relative-specific foster care training, referral to local service providers and support groups, and funding and resources available to address home safety or other barriers to licensure.

(4) Prior to placement in a nonlicensed relative home or kinship home, approval shall be obtained from the department. Requirements for initial approval shall include, but not be limited to, the initial assessment provided for in subsection (1) of this section, a home visit to assure adequate and safe housing, and a criminal background check of all adult residents. Final approval shall include, but not be limited to, requirements as appropriate under section 71-1903. The department or child-placing agency shall provide assistance to an approved relative home or kinship home to support the care, protection, and nurturing of the child. Support may include, but not be limited to, information on licensure, waivers, and variances, kinship-specific and relative-specific foster care training, mental and physical health care, options for funding for needs of the child, and service providers and support groups to address the needs of relative and kinship parents, families, and children.

(5) All nonprovisional and nonprobationary licenses issued under sections 71-1901 to 71-1906.01 shall expire two years from the date of issuance and

shall be subject to renewal under the same terms and conditions as the original license, except that if a licensee submits a completed renewal application thirty days or more before the license's expiration date, the license shall remain in effect until the department either renews the license or denies the renewal application. No license issued pursuant to this section shall be renewed unless the licensee has completed the required hours of training in foster care in the preceding twelve months as prescribed by the department. A license may be revoked for cause, after notice and hearing, in accordance with rules and regulations adopted and promulgated by the department.

(6) A young adult continuing to reside in a foster family home as provided in subdivision (3) of section 43-4505 does not constitute an unrelated adult for the purpose of determining eligibility of the family to be licensed as a foster family home.

(b) CHILD CARE LICENSURE

71-1908 Child Care Licensing Act; act, how cited; legislative findings.

(1) Sections 71-1908 to 71-1923.03 shall be known and may be cited as the Child Care Licensing Act.

(2) The Legislature finds that there is a present and growing need for quality child care programs and facilities. There is a need to establish and maintain licensure of persons providing such programs to ensure that such persons are competent and are using safe and adequate facilities. The Legislature further finds and declares that the development and supervision of programs are a matter of statewide concern and should be dealt with uniformly on the state and local levels. There is a need for cooperation among the various state and local agencies which impose standards on licensees, and there should be one agency which coordinates the enforcement of such standards and informs the Legislature about cooperation among the various agencies.

71-1910 Terms, defined.

For purposes of the Child Care Licensing Act, unless the context otherwise requires:

(1) Department means the Department of Health and Human Services; and

(2)(a) Program means the provision of services in lieu of parental supervision for children under thirteen years of age for compensation, either directly or

indirectly, on the average of less than twelve hours per day, but more than two hours per week, and includes any employer-sponsored child care, family child care home, child care center, school-age child care program, school-age services pursuant to section 79-1104, or preschool or nursery school.

(b) Program does not include casual care at irregular intervals, a recreation camp as defined in section 81-15,271, a recreation facility, center, or program operated by a political or governmental subdivision pursuant to the authority provided in section 13-304, classes or services provided by a religious organization other than child care or a preschool or nursery school, a preschool program conducted in a school approved pursuant to section 79-318, services provided only to school-age children during the summer and other extended breaks in the school year, or foster care as defined in section 71-1901.

71-1911 Licenses; when required; issuance; corrective action status; display of license; dual license.

(1) A person may operate child care for three or fewer children without having a license issued by the department. A person who is not required to be licensed may choose to apply for a license and, upon obtaining a license, shall be subject to the Child Care Licensing Act. A person who has had a license issued pursuant to this section and has had such license suspended or revoked other than for nonpayment of fees shall not operate or offer to operate a program for or provide care to any number of children until the person is licensed pursuant to this section.

(2) No person shall operate or offer to operate a program for four or more children under his or her direct supervision, care, and control at any one time from families other than that of such person without having in full force and effect a written license issued by the department upon such terms as may be prescribed by the rules and regulations adopted and promulgated by the department. The license may be a provisional license or an operating license. A city, village, or county which has rules, regulations, or ordinances in effect on July 10, 1984, which apply to programs operating for two or three children from different families may continue to license persons providing such programs. If the license of a person is suspended or revoked other than for nonpayment of fees, such person shall not be licensed by any city, village, or county rules, regulations, or ordinances until the person is licensed pursuant to this section.

(3) A provisional license shall be issued to all applicants following the completion of preservice orientation training approved or delivered by the department for the first year of operation. At the end of one year of operation, the department shall either issue an operating license, extend the provisional license, or deny the operating license. The provisional license may be extended once for a period of no more than six months. The decision regarding extension

of the provisional license is not appealable. The provisional license may be extended if:

(a) A licensee is unable to comply with all licensure requirements and standards, is making a good faith effort to comply, and is capable of compliance within the next six months;

(b) The effect of the current inability to comply with a rule or regulation does not present an unreasonable risk to the health, safety, or well-being of children or staff; and

(c) The licensee has a written plan of correction that has been approved by the department which is to be completed within the renewal period.

(4) The department may place a provisional or operating license on corrective action status. Corrective action status is voluntary and may be in effect for up to six months. The decision regarding placement on corrective action status is not a disciplinary action and is not appealable. If the written plan of correction is not approved by the department, the department may discipline the license. A probationary license may be issued for the licensee to operate under corrective action status if the department determines that:

(a) The licensee is unable to comply with all licensure requirements and standards or has had a history of noncompliance;

(b) The effect of noncompliance with any rule or regulation does not present an unreasonable risk to the health, safety, or well-being of children or staff; and

(c) The licensee has a written plan of correction that has been approved by the department.

(5) No child care licensee shall be prohibited from obtaining a dual license for the purpose of complying with attendance requirements.

(6) Operating licenses issued under the Child Care Licensing Act shall remain in full force and effect subject to annual inspections and fees. The department may amend a license upon change of ownership or location. Amending a license requires a site inspection by the department at the time of amendment. When a program is to be permanently closed, the licensee shall return the license to the department within one week after the closing.

(7) The license, including any applicable status or amendment, shall be displayed by the licensee in a prominent place so that it is clearly visible to parents and others. License record information and inspection reports shall be made available by the licensee for public inspection upon request.

71-1911.03 Applicant; liability insurance.

An applicant for a license under the Child Care Licensing Act shall provide to the department written proof of liability insurance coverage for the hours such applicant is operating and a child is in the applicant's care of at least one hundred thousand dollars per occurrence prior to issuance of the license. A

licensee subject to the Child Care Licensing Act on July 1, 2014, shall obtain such liability insurance coverage and provide written proof to the department within thirty days after July 1, 2014. Failure by a licensee to maintain the required level of liability insurance coverage shall be deemed noncompliance with the Child Care Licensing Act. If the licensee is the State of Nebraska or a political subdivision, the licensee may utilize a risk retention group or a risk management pool for purposes of providing such liability insurance coverage or may self-insure all or part of such coverage.

71-1912 Department; investigation; inspections; national criminal history record information check; procedure; cost; background checks; person ineligible for employment; when.

(1) Before issuance of a license, the department shall investigate or cause an investigation to be made, when it deems necessary, to determine if the applicant or person in charge of the program meets or is capable of meeting the physical well-being, safety, and protection standards and the other rules and regulations of the department adopted and promulgated under the Child Care Licensing Act. The department may investigate the character of applicants and licensees, any member of the applicant's or licensee's household, and the staff and employees of programs. The department may at any time inspect or cause an inspection to be made of any place where a program is operating to determine if such program is being properly conducted.

(2) All inspections by the department shall be unannounced except for initial licensure visits and consultation visits. Initial licensure visits are announced visits necessary for a provisional license to be issued to a family child care home I, family child care home II, child care center, or school-age-only or preschool program. Consultation visits are announced visits made at the request of a licensee for the purpose of consulting with a department specialist on ways of improving the program.

(3) An unannounced inspection of any place where a program is operating shall be conducted by the department or the city, village, or county pursuant to subsection (2) of section 71-1914 at least annually for a program licensed to provide child care for fewer than thirty children and at least twice every year for a program licensed to provide child care for thirty or more children.

(4) Whenever an inspection is made, the findings shall be recorded in a report designated by the department. The public shall have access to the results of these inspections upon a written or oral request to the department. The request must include the name and address of the program. Additional unannounced inspections shall be performed as often as is necessary for the efficient and effective enforcement of the Child Care Licensing Act.

(5)(a) A person applying for a license as a child care provider or a licensed child care provider under the Child Care Licensing Act shall submit a request for a national criminal history record information check for each child care staff member, including a prospective child care staff member of the child care provider, at the applicant's or licensee's expense, as set forth in this section.

(b) A prospective child care staff member shall submit to a national criminal history record information check (i) prior to employment, except as otherwise

permitted under 45 C.F.R. 98.43, as such regulation existed on January 1, 2019, or (ii) prior to residing in a family child care home.

(c) The department shall provide documentation of national criminal history record information checks which proves eligibility for employment. Such documentation shall be made available to each child care staff member or prospective child care staff member by the applicant or licensee for at least one hundred eighty days after the last day of employment or date the documentation was provided by the department, whichever is later.

(d) A child care staff member shall be required to undergo a national criminal history record information check not less than once during each five-year period. A child care staff member shall submit a complete set of his or her fingerprints to the Nebraska State Patrol. The Nebraska State Patrol shall transmit a copy of the child care staff member's fingerprints to the Federal Bureau of Investigation for a national criminal history record information check. The national criminal history record information check shall include information concerning child care staff members from federal repositories of such information and repositories of such information in other states, if authorized by federal law for use by the Nebraska State Patrol. The Nebraska State Patrol shall issue a report to the department that includes the information collected from the national criminal history record information check concerning child care staff members. The department shall seek federal funds, if available, to assist child care providers and child care staff members with the costs of the fingerprinting and national criminal history record information check. If the department does not receive sufficient federal funds to assist child care providers and staff members with such costs, then the child care staff member being screened, applicant for a license, or licensee shall pay the actual cost of the fingerprinting and national criminal history record information check, except that the department may pay all or part of the cost if funding becomes available. The department and the Nebraska State Patrol may adopt and promulgate rules and regulations concerning the costs associated with the fingerprinting and the national criminal history record information check. The department may adopt and promulgate rules and regulations implementing national criminal history record information check requirements for child care providers and child care staff members.

(e) A child care staff member shall also submit to the following background checks at his or her expense not less than once during each five-year period:

(i) A search of the National Crime Information Center's National Sex Offender Registry; and

(ii) A search of the following registries, repositories, or databases in the state where the child care provider is located or where the child care staff member resides and each state where the child care provider was located or where the child care staff member resided during the preceding five years:

(A) State criminal registries or repositories;

(B) State sex offender registries or repositories; and

(C) State-based child abuse and neglect registries and databases.

(f) Background checks shall be portable between child care providers.

(g) Any individual shall be ineligible for employment by a child care provider if such individual:

(i) Refuses to consent to the national criminal history record information check or a background check described in this subsection;

(ii) Knowingly makes a materially false statement in connection with the national criminal history record information check or a background check described in this subsection;

(iii) Is registered, or required to be registered, on a state sex offender registry or repository or the National Sex Offender Registry; or

(iv) Has been convicted of a crime of violence, a crime of moral turpitude, or a crime of dishonesty.

(h) The department may adopt and promulgate rules and regulations for purposes of this section.

(i) A child care provider shall be ineligible for a license under the Child Care Licensing Act and shall be ineligible to participate in the child care subsidy program if the provider employs a child care staff member who is ineligible for employment under subdivisions (g) or (h) of this subsection.

(j) National criminal history record information and information from background checks described in this subsection subject to state or federal confidentiality requirements may only be used for purposes of granting a child care license or approving a child care provider for participation in the child care subsidy program.

(k) For purposes of this subsection:

(i) Child care provider means a child care program required to be licensed under the Child Care Licensing Act; and

(ii) Child care staff member means an individual who is not related to all of the children for whom child care services are provided and:

(A) Who is employed by a child care provider for compensation, including contract employees or self-employed individuals;

(B) Whose activities involve the care or supervision of children for a child care provider or unsupervised access to children who are cared for or supervised by a child care provider; or

(C) Who is residing in a family child care home and who is eighteen years of age or older.

Effective date July 19, 2024.

71-1912.01 Child care staff member; national criminal history record information check; required, when; federal Child Care Subsidy program; eligibility to participate.

(1) For purposes of this section, child care staff member means an individual who is not related to all of the children for whom child care services are provided and:

(a) Who is employed for compensation by a child care provider not required to be licensed under the Child Care Licensing Act, including contract employees or self-employed individuals;

(b) Whose activities involve the care or supervision of children for a child care provider or unsupervised access to children who are cared for or supervised by a child care provider; or

(c) Who is residing in a family child care home and who is eighteen years of age or older.

(2) Beginning on November 14, 2020, an individual who is not required to be licensed under the Child Care Licensing Act but seeks to participate as a provider in the federal Child Care Subsidy program shall submit a request for a national criminal history record information check for each child care staff member, including a prospective child care staff member of the child care provider, (a) prior to the child care provider being approved to participate as a child care provider in the federal Child Care Subsidy program, except as otherwise permitted under 45 C.F.R. 98.43, as such regulation existed on January 1, 2020, or (b) prior to residing in a family child care home. A child care staff member who was a provider in the federal Child Care Subsidy program prior to November 14, 2020, or who resided in a family child care home prior to November 14, 2020, shall submit to a national criminal history record information check by October 1, 2021, unless the child care staff member ceases to be a child care staff member prior to such date. The child care staff member or the child care provider seeking to participate in the subsidy program shall pay the cost of such national criminal history record information check. A person who undergoes a national criminal history record information check to obtain a license under the Child Care Licensing Act or work as a child care staff member and is in good standing with the department shall not be required to undergo an additional national criminal history record information check to become a child care provider in the federal Child Care Subsidy program if the person has not been separated from employment from a child care provider within the state for a period of not more than one hundred eighty consecutive days.

(3) Any individual, entity, or provider shall be ineligible to participate in the federal Child Care Subsidy program if such individual, entity, or provider:

(a) Refuses to consent to the national criminal history record information check described in this section;

(b) Knowingly makes a materially false statement in connection with the national criminal history record information check described in this section;

(c) Is registered, or required to be registered, on a state sex offender registry or repository or the National Sex Offender Registry; or

(d) Has been convicted of a crime of violence, a crime of moral turpitude, or a crime of dishonesty.

71-1928.01 National criminal history record information check; procedure; cost; background checks.

(1) Any individual eighteen years of age or older working in a residential child-caring agency shall be required to undergo a national criminal history record information check not less than once during each five-year period that he or she is working in such an agency. The individual shall submit a complete set of his or her fingerprints to the Nebraska State Patrol. The Nebraska State Patrol shall transmit a copy of the individual's fingerprints to the Federal Bureau of Investigation for a national criminal history record information check. The national criminal history record information check shall include information concerning the individual from federal repositories of such information and repositories of such information in other states, if authorized by federal law for use by the Nebraska State Patrol. The Nebraska State Patrol shall issue a report to the department that includes the information collected from the national criminal history record information check concerning the individual. The department shall seek federal funds, if available, to assist residential child-caring agencies and individuals working in a residential child-

caring agency with the costs of the fingerprinting and national criminal history record information check. If the department does not receive sufficient federal funds to assist residential child-caring agencies and individuals working in a residential child-caring agency with such costs, then the individual being screened or the residential child-caring agency shall pay the actual cost of the fingerprinting and national criminal history record information check, except that the department may pay all or part of the cost if funding becomes available. The department and the Nebraska State Patrol may adopt and promulgate rules and regulations concerning the costs associated with the fingerprinting and the national criminal history record information check. The department may adopt and promulgate rules and regulations implementing national criminal history record information check requirements for residential child-caring agencies.

(2) An individual eighteen years of age or older working in a residential child-caring agency shall also submit to the following background checks not less than once during each five-year period: A search of the following registries, repositories, or databases in the state where the individual resides and each state where the individual resided during the preceding five years:

(a) State criminal registries or repositories;

(b) State sex offender registries or repositories; and

(c) State-based child abuse and neglect registries and databases.

71-1936 Alleged violation of act; complaint; investigation; department; duties; confidentiality; immunity; report.

(1) Any person may submit a complaint to the department and request investigation of an alleged violation of the Children's Residential Facilities and Placing Licensure Act or rules and regulations adopted and promulgated under the act. The department shall review all complaints, including complaints of such violations received pursuant to section 28-711, and determine whether to conduct an investigation within five working days after receiving the complaint. In making such determination, the department may consider factors such as:

(a) Whether the complaint pertains to a matter within the authority of the department to enforce;

(b) Whether the circumstances indicate that a complaint is made in good faith;

(c) Whether the complaint is timely or has been delayed too long to justify present evaluation of its merit;

(d) Whether the complainant may be a necessary witness if action is taken and is willing to identify himself or herself and come forward to testify if action is taken; or

(e) Whether the information provided or within the knowledge of the complainant is sufficient to provide a reasonable basis to believe that a violation has occurred or to secure necessary evidence from other sources.

(2) A complaint submitted to the department shall be confidential. An individual submitting a complaint shall be immune from criminal or civil liability of any nature, whether direct or derivative, for submitting a complaint

or for disclosure of documents, records, or other information to the department.

(3) If an investigation is conducted under this section, an investigation report shall be issued within sixty days after the determination is made to conduct the investigation, except that the final investigation report may be issued within ninety days after such determination if an interim report is issued within sixty days after such determination.

(d) STEP UP TO QUALITY CHILD CARE ACT

71-1958 Quality scale rating; application; assignment of rating.

(1) Quality rating criteria shall be used as provided in this section to assign a quality scale rating to each applicable child care or early childhood education program if the program applies under section 71-1957 to participate in the quality rating and improvement system developed pursuant to section 71-1955.

(2) Licensure under the Child Care Licensing Act for a program which serves children from birth to kindergarten-entrance age shall be sufficient criteria to be rated at step one.

(3) Meeting criteria established by the State Department of Education for a prekindergarten service or prekindergarten program established pursuant to section 79-1104 and reporting to the Nebraska Early Childhood Professional Record System created under section 71-1962 shall be sufficient criteria to be rated at step three.

(4) Meeting performance standards required by the federal government for a federal Head Start program or Early Head Start program and reporting to the Nebraska Early Childhood Professional Record System created under section 71-1962 shall be sufficient criteria to be rated at step three.

(5) Accreditation by a nationally recognized accrediting body approved by the State Department of Education and reporting to the Nebraska Early Childhood Professional Record System created under section 71-1962 shall be sufficient criteria to be rated at step three.

(6) A participating applicable child care or early childhood education program operating under a provisional license shall have a quality scale rating at step one even if it meets other quality rating criteria. A participating applicable child care or early childhood education program in good standing operating under a provisional license due to a change in license type may be rated above step one. If a participating applicable child care or early childhood education program is at a quality scale rating higher than step one and the program's license is placed on disciplinary limitation, probation, or suspension, such program shall have its quality scale rating changed to step one. If an applicable child care or early childhood education program's license is revoked, the program is not eligible to participate in or receive a quality scale rating under the quality rating and improvement system until the program has an operating license which is in full force and effect.

71-1962 Nebraska Early Childhood Professional Record System; creation and operation; State Department of Education; duties; develop classification system for eligible staff members; use.

(1) Not later than March 1, 2014, the State Department of Education shall create and operate the Nebraska Early Childhood Professional Record System. The system shall be designed in order to:

(a) Establish a database of Nebraska's early childhood education workforce;

(b) Verify educational degrees and professional credentials held and relevant training completed by employees of participating applicable child care and early childhood education programs; and

(c) Provide such information to the Department of Health and Human Services for use in evaluating applications to be rated at a step above step one under section 71-1959.

(2) When an applicable child care or early childhood education program participating in the quality rating and improvement system developed pursuant to section 71-1955 applies under section 71-1959 to be rated at a step above step one, the child care or early childhood education program shall report the educational degrees and professional credentials held and relevant training completed by its child care and early childhood education employees to the Nebraska Early Childhood Professional Record System for the program to be eligible for a quality scale rating above step one.

(3) Any child care or early childhood education provider residing or working in Nebraska may report his or her educational degrees and professional credentials held, relevant training completed, and work history to the Nebraska Early Childhood Professional Record System.

(4) The State Department of Education shall develop a classification system for all eligible staff members as defined in section 77-3603 who are employees of or who are self-employed individuals providing services for applicable child care and early childhood education programs listed in the Nebraska Early Childhood Professional Record System. The classification system shall be based on the eligible staff members' educational attainment, relevant training completed, and work history and shall be made up of five levels, with level one being the least qualified and level five being the most qualified. In order to meet the minimum qualification for classification as level one, an eligible staff member must be employed with, or be a self-employed individual providing services for, an eligible program as defined in section 77-3603 and complete at least twelve hours of in-service training at a licensed child care facility. The classification system shall be used for purposes of the tax credit granted in section 77-3605 under the School Readiness Tax Credit Act.

71-2085 Appointment of receiver; conditions.

The department may petition the district court of Lancaster County or the county where the health care facility is located for appointment of a receiver for a health care facility when any of the following conditions exist:

(1) If the department determines that the health, safety, or welfare of the residents or patients is in immediate danger;

(2) The health care facility is operating without a license;

(3) The department has suspended, revoked, or refused to renew the existing license of the health care facility;

(4) The health care facility is closing, or has informed the department that it intends to close, and adequate arrangements for the relocation of the residents or patients of such health care facility have not been made at least thirty days prior to closure; or

(5) The department determines that an emergency exists, whether or not it has initiated revocation or nonrenewal procedures, and because of the unwillingness or inability of the licensee, owner, or operator to remedy the emergency, the department believes a receiver is necessary.

Source: Laws 1983, LB 274, § 2; R.S.1943, (1990), § 71-6002; Laws 1995, LB 406, § 61; Laws 2020, LB1053, § 14.

71-2086 Appointment of receiver; procedure; temporary receiver; purpose of receivership.

(1) The department shall file the petition for the appointment of a receiver provided for in section 71-2085 in the district court of Lancaster County or the county where the health care facility is located and shall request that a receiver be appointed for the health care facility. Unless otherwise approved by the court, no person shall be appointed as a receiver for more than six health care facilities at the same time.

(2) The court shall expeditiously hold a hearing on the petition within seven days after the filing of the petition. The department shall present evidence at the hearing in support of the petition. The licensee, owner, or operator may also present evidence, and both parties may subpoena witnesses. The court may appoint a temporary receiver for the health care facility ex parte if the department, by affidavit, states that an emergency exists which presents an imminent danger of death or physical harm to the residents or patients of the health care facility. If a temporary receiver is appointed, notice of the petition and order shall be served on the licensee, owner, operator, or administrator of the health care facility within seventy-two hours after the entry of the order. The petition and order may be served by any method specified in section 25-505.01 or the court may permit substitute or constructive service as provided in section 25-517.02 when service cannot be made with reasonable diligence by any of the methods specified in section 25-505.01. A hearing on the petition and temporary order shall be held within seventy-two hours after notice has been served unless the licensee, owner, or operator consents to a later date. After the hearing the court may terminate, continue, or modify the temporary order. If the court determines that the department did not have probable cause to submit the affidavit in support of the appointment of the temporary receiver, the court shall have the jurisdiction to determine and award compensatory damages against the state to the owner or operator. If the licensee, owner, or operator informs the court at or before the time set for hearing that the licensee, owner, or operator does not object to the petition, the court shall waive the hearing and at once appoint a receiver for the health care facility.

(3) The purpose of a receivership created under this section is to safeguard the health, safety, and continuity of care of residents and patients and to protect them from adverse health effects. A receiver shall not take any actions or assume any responsibilities inconsistent with this purpose. No person shall impede the operation of a receivership created under this section. After the appointment of a receiver, there shall be an automatic stay of any action that would interfere with the functioning of the health care facility, including, but not limited to, cancellation of insurance policies executed by the licensee, owner, or operator, termination of utility services, attachments or setoffs of resident trust funds or working capital accounts, and repossession of equipment used in the health care facility. The stay shall not apply to any licensure, certification, or injunctive action taken by the department.

71-2087 Receiver; appointment; effect; duties.

When a receiver is appointed under section 71-2086, the licensee, owner, or operator shall be divested of possession and control of the health care facility in favor of the receiver. The appointment of the receiver shall not affect the rights of the owner or operator to defend against any claim, suit, or action against such owner or operator or the health care facility, including, but not limited to, any licensure, certification, or injunctive action taken by the department. A receiver shall:

(1) Take such action as is reasonably necessary to protect and conserve the assets or property of which the receiver takes possession or the proceeds of any

transfer of the assets or property and may use them only in the performance of the powers and duties set forth in this section and section 71-2088 or by order of the court;

(2) Apply the current revenue and current assets of the health care facility to current operating expenses and to debts incurred by the licensee, owner, or operator prior to the appointment of the receiver. The receiver may apply to the court for approval for payment of debts incurred prior to appointment if the debts appear extraordinary, of questionable validity, or unrelated to the normal and expected maintenance and operation of the health care facility or if the payment of the debts will interfere with the purposes of the receivership. The receiver shall give priority to expenditures for current, direct resident care, including nursing care, social services, dietary services, and housekeeping;

(3) Be responsible for the payment of taxes against the health care facility which become due during the receivership, including property taxes, sales and use taxes, withholding, taxes imposed pursuant to the Federal Insurance Contributions Act, and other payroll taxes, but not including state and federal taxes which are the liability of the owner or operator;

(4) Be entitled to and take possession of all property or assets of residents or patients which are in the possession of the licensee, owner, operator, or administrator of the health care facility. The receiver shall preserve all property, assets, and records of residents or patients of which the receiver takes possession and shall provide for the prompt transfer of the property, assets, and necessary and appropriate records to the alternative placement of any transferred or discharged resident;

(5) Upon order of the court, provide for the orderly transfer of all residents or patients in the health care facility to other suitable facilities if correction of violations of federal and state laws and regulations is not possible or cannot be completed in a timely manner or there are reasonable grounds to believe the health care facility cannot be operated on a sound financial basis and in compliance with all applicable federal or state laws and regulations or make other provisions for the continued health, safety, and welfare of the residents or patients;

(6) Conduct a thorough analysis of the financial records of the health care facility within the first thirty days of the receivership, perform ongoing accountings throughout the remainder of the receivership, and provide monthly reports of the financial status of the health care facility to the court and the department; and

(7) Make monthly reports to the court and the department related to plans for continued operation or sale of the health care facility.

71-2092 Receivership; termination; procedure; failure to terminate; effect.

(1) A receivership established under section 71-2086 may be terminated by the district court which established it after a hearing upon an application for termination. The application may be filed:

(a) Jointly by the receiver and the current licensee of the health care facility which is in receivership, stating that the deficiencies in the operation, maintenance, or other circumstances which were the grounds for establishment of the receivership have been corrected and that there are reasonable grounds to

believe that the health care facility will be operated in compliance with all applicable statutes and the rules and regulations adopted and promulgated pursuant thereto;

(b) By the current licensee of the health care facility, alleging that termination of the receivership is merited for the reasons set forth in subdivision (a) of this subsection, but that the receiver has declined to join in the petition for termination of the receivership;

(c) By the receiver, stating that all residents or patients of the health care facility have been relocated elsewhere and that there are reasonable grounds to believe it will not be feasible to again operate the health care facility on a sound financial basis and in compliance with federal and state laws and regulations and asking that the court approve the surrender of the license of the health care facility to the department and the subsequent return of the control of the premises of the health care facility to the owner of the premises; or

(d) By the department (i) stating that the deficiencies in the operation, maintenance, or other circumstances which were the grounds for establishment of the receivership have been corrected and that there are reasonable grounds to believe that the health care facility will be operated in compliance with all applicable statutes and the rules and regulations adopted and promulgated pursuant thereto or (ii) stating that there are reasonable grounds to believe that the health care facility cannot be operated in compliance with federal or state law and regulations and asking that the court order the removal of the residents or patients to appropriate alternative placements, the closure of the facility, and the license, if any, surrendered to the department or that the health care facility be sold under reasonable terms approved by the court to a new owner meeting the requirements for licensure by the department.

(2) If the receivership has not been terminated within six months after the appointment of the receiver, the court shall, after hearing, order either that the health care facility be closed after an orderly transfer of the residents or patients to appropriate alternative placements or that the health care facility be sold under reasonable terms approved by the court to a new owner meeting the requirements for licensure by the department. The closure or sale shall occur within sixty days after the court order, unless ordered otherwise, to protect the health, safety, and welfare of the residents or patients.

71-2093 Receivership; payment of expenses.

The health care facility for which a receiver is appointed shall be responsible for payment of the expenses of a receivership established under section 71-2086 unless the court directs otherwise. The expenses include, but are not limited to:

(1) Compensation for the receiver and any related receivership expenses approved by the court;

(2) Expenses incurred by the health care facility for the continuing care of the residents or patients of the health care facility;

(3) Expenses incurred by the health care facility for the maintenance of buildings and grounds of the health care facility; and

(4) Expenses incurred by the health care facility in the ordinary course of business, such as employees' salaries and accounts payable.

71-2094 Action against receiver; requirements; Attorney General; defense or representation; conditions; costs.

(1) No person shall bring an action against a receiver appointed under section 71-2086 without first securing leave of the court. The receiver and the members and officers of the receiver are liable in their individual capacity for intentional wrongdoing or gross negligence.

(2) In all other cases, the receiver is liable in the receiver's official capacity only, and any judgment rendered shall be satisfied out of the receivership assets. The receiver is not liable in the receiver's individual capacity for the expenses of the health care facility during the receivership. The receiver is an employee of the state only for the purpose of defending a claim filed against the receiver in the receiver's official capacity. If an action is brought against a receiver in the receiver's official capacity, the receiver may file a written request for counsel with the Attorney General asserting that such civil action is based in fact upon an alleged act or omission in the course and scope of the receiver's duties. The Attorney General shall thereupon appear and defend the receiver unless after investigation the Attorney General finds that the claim or demand does not arise out of an alleged act or omission occurring in the course and scope of the receiver's duties or the act or omission complained of amounted to intentional wrongdoing or gross negligence, in which case the Attorney General shall give the receiver written notice that defense of the claim or representation before the court has been rejected.

(3) A receiver against whom a claim is made, which is not rejected by the Attorney General pursuant to subsection (2) of this section, shall cooperate fully with the Attorney General in the defense of such claim. If the Attorney General determines that such receiver has not cooperated or has otherwise acted to prejudice the defense of the claim or the appearance, the Attorney General may at any time reject the defense of the claim before the court.

(4) If the Attorney General rejects the defense of a claim pursuant to subsection (2) of this section or if it is established by the judgment ultimately rendered on the claim that the act or omission complained of was not in the course or scope of the receiver's duties or amounted to intentional wrongdoing or gross negligence, no public money shall be paid in settlement of such claim or in payment of any judgment against such receiver. Such action by the Attorney General shall not prejudice the right of the receiver to assert and establish as a defense that the claim arose out of an alleged act or omission occurring in the course and scope of the receiver's duties or that the act or omission complained of did not amount to intentional wrongdoing or gross negligence. If the receiver is successful in asserting such defense, the receiver shall be indemnified for the reasonable costs of defending the claim.

(5) If the receiver has been defended by the Attorney General and it is established by the judgment ultimately rendered on the claim that the act or omission complained of amounted to intentional wrongdoing or gross negli-

gence, the judgment against the receiver shall provide for payment to the state of the state's costs, including a reasonable attorney's fee.

(k) MEDICAID PROGRAM VIOLATIONS

71-2097 Terms, defined.

For purposes of sections 71-2097 to 71-20,101:

(1) Civil penalty includes any remedy required under federal law and includes the imposition of a civil money penalty;

(2) Department means the Department of Health and Human Services;

(3) Federal regulations for participation in the medicaid program means the regulations found in 42 C.F.R. parts 442 and 483, as amended, for participation in the medicaid program under Title XIX of the federal Social Security Act, as amended; and

(4) Nursing facility means any intermediate care facility or nursing facility, as defined in sections 71-420 and 71-424, which receives federal and state funds under Title XIX of the federal Social Security Act, as amended.

Source: Laws 1996, LB 1155, § 72; Laws 1997, LB 307, § 180; Laws 2000, LB 819, § 103; Laws 2007, LB296, § 523; Laws 2019, LB22, § 1.

71-2098 Civil penalties; department; powers.

(1) The department may assess, enforce, and collect civil penalties against a nursing facility which the department has found in violation of federal regulations for participation in the medicaid program pursuant to the authority granted to the department under section 81-604.03.

(2) If the department finds that a violation is life threatening to one or more residents or creates a direct threat of serious adverse harm to one or more residents, a civil penalty shall be imposed for each day the deficiencies which constitute the violation exist. The department may assess an appropriate civil penalty for other violations based on the nature of the violation. Any civil money penalty assessed shall not be less than fifty dollars nor more than ten thousand dollars for each day the facility is found to be in violation of such federal regulations. Any civil money penalty assessed shall include interest at the rate specified in section 45-104.02, as such rate may from time to time be adjusted.

71-20,100 Nursing Facility Penalty Cash Fund; created; use; investment.

(1) The Nursing Facility Penalty Cash Fund is created. Any civil money penalty collected by the department as part of any civil penalty imposed pursuant to section 71-2098 or in accordance with the federal Social Security Act, as amended, and imposed by the Centers for Medicare and Medicaid Services pursuant to 42 C.F.R. 488.431 and disbursed to the department in accordance with 42 C.F.R. 488.433 or imposed by the department pursuant to 42 C.F.R. 488.432 shall be remitted to the State Treasurer for credit to such fund. The state investment officer shall invest any money in the fund available

for investment pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(2) The department shall adopt and promulgate rules and regulations which establish circumstances under which the department may distribute funds from the Nursing Facility Penalty Cash Fund. Funds collected as part of a civil money penalty imposed by the Centers for Medicare and Medicaid Services of the United States Department of Health and Human Services as described in subsection (1) of this section shall be distributed in accordance with the federal Social Security Act, as amended, and the federal regulations for participation in the medicaid program, to support activities that benefit nursing home residents as provided in 42 C.F.R. 488.433.

(q) NATIONAL PROVIDER IDENTIFIER

71-20,122 Off-campus location; claims; use National Provider Identifier.

(1) For purposes of this section:

(a) National Provider Identifier means the standard, unique health identifier number for a health care provider that is issued by the National Provider System in accordance with 45 C.F.R. part 162, as such regulations existed on January 1, 2023; and

(b) Off-campus location means a facility:

(i) With operations that are directly or indirectly owned or controlled by, in whole or in part, a hospital, or that is affiliated with a hospital, regardless of whether such off-campus location is operated by the same governing body as the hospital;

(ii) That is located in its entirety, including all real estate, structures, and permanent fixtures, more than one mile from the main campus of the hospital as measured from the closest real estate, structure, or permanent fixture of the main campus;

(iii) That provides services which are organizationally and functionally integrated with the hospital; and

(iv) That is an outpatient facility providing ambulatory surgery, urgent care, or emergency room services.

(2) An off-campus location of a hospital shall obtain a National Provider Identifier that is distinct from the National Provider Identifier used by the main campus of the affiliated hospital and any other off-campus location of such hospital and shall use such identifier on all claims for reimbursement or payment for health care services provided at such location.

INFANTS

Section
71-2102. Abusive head trauma; legislative findings.
71-2103. Information for parents of newborn child; requirements.
71-2104. Public awareness activities; duties.

71-2102 Abusive head trauma; legislative findings.

The Legislature finds that abusive head trauma may occur when an infant or child is violently shaken as part of a pattern of abuse or because an adult has momentarily succumbed to the frustration of responding to a crying infant or child. The Legislature further finds that the injuries sustained by the infant or child can include brain swelling and damage, subdural hemorrhage, intellectual disability, or death. The Legislature further finds and declares that there is a present and growing need to provide programs aimed at reducing the number of cases of abusive head trauma in infants and children in Nebraska.

71-2103 Information for parents of newborn child; requirements.

Every hospital, birth center, or other medical facility that discharges a newborn child shall request that each maternity patient and father of a newborn child, if available, view a video presentation and read printed materials, approved by the Department of Health and Human Services, on the dangers of shaking infants and children, the symptoms of abusive head trauma in infants and children, the dangers associated with rough handling or the striking of an infant, safety measures which can be taken to prevent sudden infant death and abusive head trauma in infants and children, including crying plans, and the dangers associated with infants sleeping on the same surface with other children or adults. After viewing the presentation and reading the materials or upon a refusal to do so, the hospital, birth center, or other medical facility shall request that the mother and father, if available, sign a form stating that he or she has viewed and read or refused to view and read the presentation and materials. Such presentation, materials, and forms may be provided by the department.

71-2412 Long-term care facility; emergency boxes; use; conditions.

(1) Drugs may be administered to residents of a long-term care facility by authorized personnel of the long-term care facility from the contents of emergency boxes located within such long-term care facility if such drugs and boxes meet the requirements of this section.

(2) When electronic or automated emergency boxes are in use in a long-term care facility, the supplying pharmacy shall have policies and procedures to ensure proper utilization of the drugs in the emergency boxes. Policies and procedures shall include who is allowed to retrieve drugs from the emergency boxes, security for the location of the emergency boxes within the long-term care facility, and other necessary provisions as determined by the pharmacist-in-charge of the supplying pharmacy.

(3) For emergency boxes that are not electronic or automated:

(a) All emergency box drugs shall be provided by and all emergency boxes containing such drugs shall be sealed by a supplying pharmacy with the seal on such emergency box to be of such a nature that it can be easily identified if it has been broken;

(b) Emergency boxes shall be stored in a medication room or other secured area within the long-term care facility. Only authorized personnel of the long-term care facility or the supplying pharmacy shall obtain access to such room or secured area, by key or combination, in order to prevent unauthorized access and to ensure a proper environment for preservation of the emergency box drugs;

(c) The exterior of each emergency box shall be labeled so as to clearly indicate that it is an emergency box for use in emergencies only. The label shall contain a listing of the drugs contained in the box, including the name, strength, route of administration, quantity, and expiration date of each drug, and the name, address, and telephone number of the supplying pharmacy; and

(d) Emergency boxes shall be inspected by a pharmacist designated by the supplying pharmacy at least once a month or after a reported usage of any drug to determine the expiration date and quantity of the drugs in the box. Every inspection shall be documented and the record retained by the long-term care facility for a period of five years.

(4) All drugs in emergency boxes shall be in the original manufacturer's or distributor's containers or shall be repackaged by the supplying pharmacy in a tight, light-resistant container and shall include the manufacturer's or distributor's name, lot number, drug name, strength, dosage form, NDC number, route of administration, and expiration date on a typewritten label. Any drug which is repackaged shall contain on the label the calculated expiration date.

71-2413 Drugs to be included in emergency boxes; requirements; removal; conditions; notification of supplying pharmacy; expired drugs; treatment; examination of emergency boxes; written procedures; establishment.

(1) The supplying pharmacy and the medical director and quality assurance committee of the long-term care facility shall jointly determine the drugs, by identity and quantity, to be included in the emergency boxes. The supplying pharmacy shall maintain a list of emergency box drugs which is identical to the list on the exterior of the emergency box or the electronic inventory record of the emergency box and shall make such list available to the department upon request. The supplying pharmacy shall obtain a receipt upon delivery of the emergency box to the long-term care facility signed by the director of nursing of the long-term care facility or his or her designee which acknowledges that the drugs initially placed in the emergency box are identical to the initial list on the exterior of the emergency box or the electronic inventory record of the emergency box. The receipt shall be retained by the supplying pharmacy for a period of five years.

(2) Except for the removal of expired drugs as provided in subsection (4) of this section, drugs shall be removed from emergency boxes only pursuant to a prescription. Whenever access to the emergency box occurs, the prescription and proof of use shall be provided to the supplying pharmacy and shall be recorded on the resident's medical record by authorized personnel of the long-term care facility. Removal of any drug from an emergency box by authorized personnel of the long-term care facility shall be recorded on a form showing the name of the resident who received the drug, his or her room number, the name of the drug, the strength of the drug, the quantity used, the dose administered, the route of administration, the date the drug was used, the time of usage, the disposal of waste, if any, and the signature or signatures of authorized personnel. The form shall be maintained at the long-term care facility for a period of five years from the date of removal with a copy of the form to be provided to the supplying pharmacy.

(3) Whenever an emergency box is opened or otherwise accessed, the supplying pharmacy shall be notified by the charge nurse or the director of nursing of the long-term care facility within twenty-four hours and a pharmacist designated by the supplying pharmacy shall restock and refill the box, reseal the box if it is not an electronic or automated emergency box, and update the drug listing on the exterior of the emergency box or update the electronic inventory record of the emergency box as outlined in the policies and procedures of the supplying pharmacy required by section 71-2412 for an electronic or automated emergency box.

(4) Upon the expiration of any drug in the emergency box, the supplying pharmacy shall replace the expired drug, reseal the box if it is not an electronic or automated emergency box, and update the drug listing on the exterior of the emergency box or update the electronic inventory record of the emergency box as outlined in the policies and procedures of the supplying pharmacy required by section 71-2412 for an electronic or automated emergency box. Emergency box drugs shall be considered inventory of the supplying pharmacy until such time as they are removed for administration.

(5) Authorized personnel of the long-term care facility shall examine the emergency boxes once every twenty-four hours and shall immediately notify the supplying pharmacy upon discovering evidence of tampering with any emergency box. Proof of examination by authorized personnel of the long-term care facility shall be recorded and maintained at the long-term care facility for a period of five years from the date of examination.

(6) The supplying pharmacy and the medical director and quality assurance committee of the long-term care facility shall jointly establish written procedures for the safe and efficient distribution of emergency box drugs.

(h) CLANDESTINE DRUG LABS

71-2433 Property owner; law enforcement agency; Nebraska State Patrol; duties.

A property owner with knowledge of a clandestine drug lab on his or her property shall report such knowledge and location as soon as practicable to the local law enforcement agency or to the Nebraska State Patrol. A law enforcement agency that discovers a clandestine drug lab in the State of Nebraska shall report the location of such lab to the Nebraska State Patrol within thirty days after making such discovery. Such report shall include the date of discovery of such lab, the county where the property containing such lab is located, and a legal description of the property or other description or address of such property sufficient to clearly establish its location. As soon as practicable after such discovery, the appropriate law enforcement agency shall provide the Nebraska State Patrol with a complete list of the chemicals, including methamphetamine, its precursors, solvents, and related reagents, found at or removed from the location of such lab. Upon receipt, the Nebraska State Patrol shall promptly forward a copy of such report and list to the department, the Department of Environment and Energy, the municipality or county where the lab is located, the director of the local public health department serving such municipality or county, and the property owner or owners.

(j) AUTOMATED MEDICATION SYSTEMS ACT

71-2449 Automated medication distribution machine; requirements; drugs; limitations; inventory; how treated.

(1) An automated medication distribution machine:

(a) Is subject to the requirements of section 71-2447 and, if it is in a long-term care automated pharmacy, is subject to section 71-2451; and

(b) Subject to section 71-2451, may be operated or used in a hospital, long-term care facility, or assisted-living facility for medication administration pursuant to a chart order or prescription by a licensed health care professional.

(2) Drugs placed in an automated medication distribution machine shall be in the manufacturer's original packaging or in containers repackaged in compliance with state and federal laws, rules, and regulations relating to repackaging, labeling, and record keeping.

(3) The inventory which is transferred to an automated medication distribution machine in a hospital shall be excluded from the percent of total prescription drug sales revenue described in section 71-7454.

Source: Laws 2008, LB308, § 6; Laws 2009, LB195, § 77; Laws 2013, LB326, § 8; Laws 2022, LB592, § 1.

71-2451 Long-term care facility; annual license; application; contents; inspection; pharmacist; duties; dispensing of drugs; labeling requirements; assisted-living facility; permitted use, when.

(1) In order for an automated medication system to be operated in a long-term care facility, a pharmacist in charge of a pharmacy licensed under the Health Care Facility Licensure Act and located in Nebraska shall annually license the long-term care automated pharmacy in which the automated medication system is located.

(2) The pharmacist in charge of a licensed pharmacy shall submit an application for licensure or renewal of licensure to the Division of Public Health of the Department of Health and Human Services with a fee in the amount of the fee the pharmacy pays for licensure or renewal. The application shall include:

(a) The name and location of the licensed pharmacy;

(b) If controlled substances are stored in the automated medication system, the federal Drug Enforcement Administration registration number of the licensed pharmacy. After the long-term care automated pharmacy is registered with the federal Drug Enforcement Administration, the pharmacist in charge of the licensed pharmacy shall provide the federal Drug Enforcement Administration registration number of the long-term care automated pharmacy to the division and any application for renewal shall include such registration number;

(c) The location of the long-term care automated pharmacy; and

(d) The name of the pharmacist in charge of the licensed pharmacy.

(3) As part of the application process, the division shall conduct an inspection by a pharmacy inspector as provided in section 38-28,101 of the long-term care automated pharmacy. The division shall also conduct inspections of the operation of the long-term care automated pharmacy as necessary.

(4) The division shall license a long-term care automated pharmacy which meets the licensure requirements of the Automated Medication Systems Act.

(5) A pharmacist in charge of a licensed pharmacy shall apply for a separate license for each location at which it operates one or more long-term care automated pharmacies. The licensed pharmacy shall be the provider pharmacy for the long-term care automated pharmacy.

(6) The pharmacist in charge of the licensed pharmacy operating a long-term care automated pharmacy shall:

(a) Identify a pharmacist responsible for the operation, supervision, policies, and procedures of the long-term care automated pharmacy;

(b) Implement the policies and procedures developed to comply with section 71-2447;

(c) Assure compliance with the drug storage and record-keeping requirements of the Pharmacy Practice Act;

(d) Assure compliance with the labeling requirements of subsection (8) of this section;

(e) Develop and implement policies for the verification of drugs by a pharmacist prior to being loaded into the automated medication system or for the verification of drugs by a pharmacist prior to being released for administration to a resident;

(f) Develop and implement policies for inventory, security, and accountability for controlled substances; and

(g) Assure that each medical order is reviewed by a pharmacist prior to the release of the drugs by the automated medication system. Emergency doses may be taken from an automated medication system prior to review by a pharmacist if the licensed pharmacy develops and implements policies for emergency doses. Emergency doses may not be taken from an automated medication system prior to review by a pharmacist for residents of an assisted-living facility co-located with a long-term care facility.

(7) Supervision by a pharmacist is sufficient for compliance with the requirement of subdivision (6)(a) of this section if the pharmacist in the licensed pharmacy monitors the automated medication system electronically and keeps records of compliance with such requirement for five years.

(8) Each drug dispensed from a long-term care automated pharmacy shall be in a package with a label containing the following information:

(a) The name and address of the long-term care automated pharmacy;

(b) The prescription number;

(c) The name, strength, and dosage form of the drug;

(d) The name of the resident;

(e) The name of the practitioner who prescribed the drug;

(f) The date of filling; and

(g) Directions for use.

(9) A prescription is required for any controlled substance dispensed from a long-term care automated pharmacy and for any medication dispensed for a resident of an assisted-living facility co-located with a long-term care facility.

(10) An assisted-living facility co-located with a long-term care facility which has a long-term care automated pharmacy may obtain drugs dispensed from an automated medication distribution machine by the long-term care automated pharmacy for residents of the assisted-living facility as long as the procedures of the Automated Medication Systems Act are followed with regard to dispensing the drugs.

(11) The inventory which is transferred to a long-term care automated pharmacy shall be excluded from the percent of total prescription drug sales revenue described in section 71-7454.

(l) PRESCRIPTION DRUG MONITORING PROGRAM

71-2454 Prescription drug monitoring; system established; provisions included; not public records.

(1) An entity described in section 71-2455 shall establish a system of prescription drug monitoring for the purposes of (a) preventing the misuse of controlled substances that are prescribed, (b) allowing prescribers and dispensers to monitor the care and treatment of patients for whom such a prescription drug

is prescribed to ensure that such prescription drugs are used for medically appropriate purposes, (c) providing information to improve the health and safety of patients, and (d) ensuring that the State of Nebraska remains on the cutting edge of medical information technology.

(2) Such system of prescription drug monitoring shall be implemented as follows: Except as provided in subsection (4) of this section, all prescription drug information shall be reported to the prescription drug monitoring system. The prescription drug monitoring system shall include, but not be limited to, provisions that:

(a) Prohibit any patient from opting out of the prescription drug monitoring system;

(b) Require any prescription drug that is dispensed in this state or to an address in this state to be entered into the system by the dispenser or his or her delegate no less frequently than daily after such prescription drug is sold, including prescription drugs for patients paying cash or otherwise not relying on a third-party payor for payment, except that prescriptions labeled ''for emergency use'' or ''for use in immunizations'' are not required to be reported;

(c) Allow all prescribers or dispensers of prescription drugs to access the system at no cost to such prescriber or dispenser;

(d) Ensure that such system includes information relating to all payors, including, but not limited to, the medical assistance program established pursuant to the Medical Assistance Act; and

(e) Make the prescription drug information available to the statewide health information exchange described in section 71-2455 for access by its participants if such access is in compliance with the privacy and security protections set forth in the provisions of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder, except that if a patient opts out of the statewide health information exchange, the prescription drug information regarding that patient shall not be accessible by the participants in the statewide health information exchange.

(3) Except as provided in subsection (4) of this section, prescription drug information that shall be submitted electronically to the prescription drug monitoring system shall be determined by the entity described in section 71-2455 and shall include, but not be limited to:

(a) The patient's name, address, telephone number, if a telephone number is available, gender, and date of birth;

(b) A patient identifier such as a military identification number, driver's license number, state identification card number, or other valid government-issued identification number, insurance identification number, pharmacy software-generated patient-specific identifier, or other identifier associated specifically with the patient;

(c) The name and address of the pharmacy dispensing the prescription drug;

(d) The date the prescription is issued;

(e) The date the prescription is filled;

(f) The date the prescription is sold to the patient;

(g) The number of refills authorized;

(h) The prescription number of the prescription drug;

(i) The National Drug Code number as published by the federal Food and Drug Administration of the prescription drug;

(j) The strength of the prescription drug prescribed;

(k) The quantity of the prescription drug prescribed and the number of days' supply;

(l) The prescriber's name and National Provider Identifier number or Drug Enforcement Administration number when reporting a controlled substance; and

(m) Additional information as determined by the Health Information Technology Board and as published in the submitter guide for the prescription drug monitoring system.

(4) Beginning July 1, 2018, a veterinarian licensed under the Veterinary Medicine and Surgery Practice Act shall be required to report the dispensing of prescription drugs which are controlled substances listed on Schedule II, Schedule III, Schedule IV, or Schedule V pursuant to section 28-405. Each such veterinarian shall indicate that the prescription is an animal prescription and shall include the following information in such report:

(a) The first and last name and address, including city, state, and zip code, of the individual to whom the prescription drug is dispensed in accordance with a valid veterinarian-client-patient relationship;

(b) Reporting status;

(c) The first and last name of the prescribing veterinarian and his or her federal Drug Enforcement Administration number;

(d) The National Drug Code number as published by the federal Food and Drug Administration of the prescription drug and the prescription number;

(e) The date the prescription is written and the date the prescription is filled;

(f) The number of refills authorized, if any; and

(g) The quantity of the prescription drug and the number of days' supply.

(5)(a) All prescription drug information submitted pursuant to this section, all data contained in the prescription drug monitoring system, and any report obtained from data contained in the prescription drug monitoring system are confidential, are privileged, are not public records, and may be withheld pursuant to section 84-712.05 except for information released as provided in subsection (9) or (10) of this section.

(b) No patient-identifying data as defined in section 81-664, including the data collected under subsection (3) of this section, shall be disclosed, made public, or released to any public or private person or entity except to the statewide health information exchange described in section 71-2455 and its participants, to prescribers and dispensers as provided in subsection (2) of this section, or as provided in subsection (7), (9), or (10) of this section.

(c) All other data is for the confidential use of the department and the statewide health information exchange described in section 71-2455 and its participants. The department, or the statewide health information exchange in accordance with policies adopted by the Health Information Technology Board and in collaboration with the department, may release such information in accordance with the privacy and security provisions set forth in the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder, as Class I, Class II, or Class

IV data in accordance with section 81-667, except for purposes in accordance with subsection (9) or (10) of this section, to the private or public persons or entities that the department or the statewide health information exchange, in accordance with policies adopted by the Health Information Technology Board, determines may view such records as provided in sections 81-663 to 81-675. In addition, the department, or the statewide health information exchange in accordance with policies adopted by the Health Information Technology Board and in collaboration with the department, may release such information as provided in subsection (9) or (10) of this section.

(6) The statewide health information exchange described in section 71-2455, in accordance with policies adopted by the Health Information Technology Board and in collaboration with the department, shall establish the minimum administrative, physical, and technical safeguards necessary to protect the confidentiality, integrity, and availability of prescription drug information.

(7) If the entity receiving the prescription drug information has privacy protections at least as restrictive as those set forth in this section and has implemented and maintains the minimum safeguards required by subsection (6) of this section, the statewide health information exchange described in section 71-2455, in accordance with policies adopted by the Health Information Technology Board and in collaboration with the department, may release the prescription drug information and any other data collected pursuant to this section to:

(a) Other state prescription drug monitoring programs;

(b) State and regional health information exchanges;

(c) The medical director and pharmacy director of the Division of Medicaid and Long-Term Care of the department, or their designees;

(d) The medical directors and pharmacy directors of medicaid-managed care entities, the state's medicaid drug utilization review board, and any other state-administered health insurance program or its designee if any such entities have a current data-sharing agreement with the statewide health information exchange described in section 71-2455, and if such release is in accordance with the privacy and security provisions of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and all regulations promulgated thereunder;

(e) Organizations which facilitate the interoperability and mutual exchange of information among state prescription drug monitoring programs or state or regional health information exchanges; or

(f) Electronic health record systems or pharmacy-dispensing software systems for the purpose of integrating prescription drug information into a patient's medical record.

(8) The department, or the statewide health information exchange described in section 71-2455, in accordance with policies adopted by the Health Information Technology Board and in collaboration with the department, may release to patients their prescription drug information collected pursuant to this section. Upon request of the patient, such information may be released directly to the patient or a personal health record system designated by the patient which has privacy protections at least as restrictive as those set forth in this section and that has implemented and maintains the minimum safeguards required by subsection (6) of this section.

(9) In accordance with the privacy and security provisions set forth in the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder, the department, or the statewide health information exchange described in section 71-2455 under policies adopted by the Health Information Technology Board, may release data collected pursuant to this section for statistical, public policy, or educational purposes after removing information which identifies or could reasonably be used to identify the patient, prescriber, dispenser, or other person who is the subject of the information, except as otherwise provided in subsection (10) of this section.

(10) In accordance with the privacy and security provisions set forth in the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder, the department, or statewide health information exchange described in section 71-2455 under policies adopted by the Health Information Technology Board, may release data collected pursuant to this section for quality measures as approved or regulated by state or federal agencies or for patient quality improvement or research initiatives approved by the Health Information Technology Board.

(11) The statewide health information exchange described in section 71-2455, entities described in subsection (7) of this section, or the department may request and receive program information from other prescription drug monitoring programs for use in the prescription drug monitoring system in this state in accordance with the privacy and security provisions set forth in the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder.

(12) The statewide health information exchange described in section 71-2455, in collaboration with the department, shall implement technological improvements to facilitate the secure collection of, and access to, prescription drug information in accordance with this section.

(13) Before accessing the prescription drug monitoring system, any user shall undergo training on the purpose of the system, access to and proper usage of the system, and the law relating to the system, including confidentiality and security of the prescription drug monitoring system. Such training shall be administered by the statewide health information exchange described in section 71-2455 or the department. The statewide health information exchange described in section 71-2455 shall have access to the prescription drug monitoring system for training operations, maintenance, and administrative purposes. Users who have been trained prior to May 10, 2017, or who are granted access by an entity receiving prescription drug information pursuant to subsection (7) of this section, are deemed to be in compliance with the training requirement of this subsection.

(14) For purposes of this section:

(a) Deliver or delivery means to actually, constructively, or attempt to transfer a drug or device from one person to another, whether or not for consideration;

(b) Department means the Department of Health and Human Services;

(c) Delegate means any licensed or registered health care professional credentialed under the Uniform Credentialing Act designated by a prescriber or dispenser to act as an agent of the prescriber or dispenser for purposes of

submitting or accessing data in the prescription drug monitoring system and who is supervised by such prescriber or dispenser;

(d) Prescription drug or drugs means a prescription drug or drugs dispensed by delivery to the ultimate user or caregiver by or pursuant to the lawful order of a prescriber but does not include (i) the delivery of such prescription drug for immediate use for purposes of inpatient hospital care or emergency department care, (ii) the administration of a prescription drug by an authorized person upon the lawful order of a prescriber, (iii) a wholesale distributor of a prescription drug monitored by the prescription drug monitoring system, or (iv) the dispensing to a nonhuman patient of a prescription drug which is not a controlled substance listed in Schedule II, Schedule III, Schedule IV, or Schedule V of section 28-405;

(e) Dispenser means a person authorized in the jurisdiction in which he or she is practicing to deliver a prescription drug to the ultimate user or caregiver by or pursuant to the lawful order of a prescriber;

(f) Participant means an individual or entity that has entered into a participation agreement with the statewide health information exchange described in section 71-2455 which requires the individual or entity to comply with the privacy and security protections set forth in the provisions of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder; and

(g) Prescriber means a health care professional authorized to prescribe in the profession which he or she practices.

71-2455 Prescription drug monitoring; Department of Health and Human Services; powers and duties; Health Information Technology Board; administration.

Subject to sections 81-6,127 and 81-6,128, the Department of Health and Human Services, in collaboration with the Nebraska Health Information Initiative or any successor public-private statewide health information exchange, shall enhance or establish technology for prescription drug monitoring to carry out the purposes of section 71-2454. The department may use state funds and accept grants, gifts, or other funds in order to implement and operate the technology. The department may adopt and promulgate rules and regulations to authorize use of electronic health information, if necessary to carry out the purposes of sections 71-2454 and 71-2455. The department shall contract with the statewide health information exchange for the administration of the Health Information Technology Board, and such contract shall specify that the health information exchange is responsible for the administration of the Health Information Technology Board, including, but not limited to, providing meeting notices, recording and distributing meeting minutes, administrative tasks relat-

ed to the same, and funding such activities. The contract shall also include provisions for the statewide health information exchange to reimburse the expenses of the members of the board pursuant to subsection (5) of section 81-6,127. Such reimbursement shall be paid using a process essentially similar to sections 81-1174 to 81-1177. No state funds, including General Funds, cash funds, and federal funds, shall be used to carry out the administrative duties of the Health Information Technology Board nor for reimbursement of the expenses of the board members.

71-2468 Labeling, defined.

Labeling means the process of preparing and affixing a label to any drug container or device container, exclusive of the labeling by a manufacturer, packager, or distributor of a nonprescription drug or commercially packaged legend drug or device. Any such label shall include all information required by section 71-2479 and federal law or regulation. Compliance with labeling requirements under federal law for devices described in subsection (2) of section 38-2841, medical gases, and medical gas devices constitutes compliance with state law and regulations for purposes of this section. Labeling does not include affixing an auxiliary sticker or other such notation to a container after a drug has been dispensed when the sticker or notation is affixed by a person credentialed under the Uniform Credentialing Act in a facility licensed under the Health Care Facility Licensure Act.

71-2478 Legend drug not a controlled substance; written, oral, or electronic prescription; information required; controlled substance; requirements; pharmacist; authority to adapt prescription; duties; prohibited acts.

(1) Except as otherwise provided in this section or the Uniform Controlled Substances Act or except when administered directly by a practitioner to an ultimate user, a legend drug which is not a controlled substance shall not be dispensed without a written, oral, or electronic prescription. Such prescription shall be valid for twelve months after the date of issuance.

(2) A prescription for a legend drug which is not a controlled substance shall contain the following information prior to being filled by a pharmacist or practitioner who holds a pharmacy license under subdivision (1) of section 38-2850: (a) Patient's name, or if not issued for a specific patient, the words, ''for emergency use'' or ''for use in immunizations'', (b) name of the drug, device, or biological, (c) strength of the drug or biological, if applicable, (d) dosage form of the drug or biological, (e) quantity of the drug, device, or biological prescribed, (f) directions for use, (g) date of issuance, (h) number of authorized refills, including pro re nata or PRN refills, (i) prescribing practitioner's name, and (j) if the prescription is written, prescribing practitioner's signature. Prescriptions for controlled substances must meet the requirements of sections 28-414 and 28-414.01.

(3)(a) A pharmacist who is exercising reasonable care and who has obtained patient consent may do the following:

(i) Change the quantity of a drug prescribed if:

(A) The prescribed quantity or package size is not commercially available; or

(B) The change in quantity is related to a change in dosage form;

(ii) Change the dosage form of the prescription if it is in the best interest of the patient and if the directions for use are also modified to equate to an equivalent amount of drug dispensed as prescribed;

(iii) Dispense multiple months' supply of a drug if a prescription is written with sufficient refills; and

(iv) Substitute any chemically equivalent drug product for a prescribed drug to comply with a drug formulary which is covered by the patient's health insurance plan unless the prescribing practitioner specifies ''no substitution'', ''dispense as written'', or ''D.A.W.'' to indicate that substitution is not permitted. If a pharmacist substitutes any chemically equivalent drug product as permitted under this subdivision, the pharmacist shall provide notice to the prescribing practitioner or the prescribing practitioner's designee. If drug product selection occurs involving a generic substitution, the drug product selection shall comply with section 38-28,111.

(b) A pharmacist who adapts a prescription in accordance with this subsection shall document the adaptation in the patient's pharmacy record.

(4) A written, signed paper prescription may be transmitted to the pharmacy via facsimile which shall serve as the original written prescription. An electronic prescription may be electronically or digitally signed and transmitted to the pharmacy and may serve as the original prescription.

(5) It shall be unlawful for any person knowingly or intentionally to possess or to acquire or obtain or to attempt to acquire or obtain, by means of misrepresentation, fraud, forgery, deception, or subterfuge, possession of any drug substance not classified as a controlled substance under the Uniform Controlled Substances Act which can only be lawfully dispensed, under federal statutes in effect on January 1, 2015, upon the written or oral prescription of a practitioner authorized to prescribe such substances.

71-2479 Legend drug not a controlled substance; prescription; retention; label; contents.

(1) Any prescription for a legend drug which is not a controlled substance shall be kept by the pharmacy or the practitioner who holds a pharmacy license in a readily retrievable format and shall be maintained for a minimum of five years. The pharmacy or practitioner shall make all such files readily available to the department and law enforcement for inspection without a search warrant.

(2) Before dispensing a legend drug which is not a controlled substance pursuant to a written, oral, or electronic prescription, a label shall be affixed to the container in which the drug is dispensed. Such label shall bear (a) the name, address, and telephone number of the pharmacy or practitioner and the name and address of the central fill pharmacy if central fill is used, (b) the name of the patient, or if not issued for a specific patient, the words ''for emergency use'' or ''for use in immunizations'', (c) the date of filling, (d) the serial number of the prescription under which it is recorded in the practitioner's prescription records, (e) the name of the prescribing practitioner, (f) the directions for use, (g) the name of the drug, device, or biological unless instructed to omit by the prescribing practitioner, (h) the strength of the drug or biological, if applicable, (i) the quantity of the drug, device, or biological in the container, except unit-dose containers, (j) the dosage form of the drug or biological, and (k) any cautionary statements contained in the prescription.

(3) For multidrug containers, more than one drug, device, or biological may be dispensed in the same container when (a) such container is prepackaged by the manufacturer, packager, or distributor and shipped directly to the pharmacy in this manner or (b) the container does not accommodate greater than a thirty-one-day supply of compatible dosage units and is labeled to identify each drug or biological in the container in addition to all other information required by law.

71-2487 Legislative findings.

The Legislature finds that:

(1) There is an opioid epidemic occurring in the United States, and Nebraska has been impacted;

(2) The opioid epidemic in Nebraska is a serious public health crisis stemming from the rapid increase in the use of prescription and nonprescription opioid drugs;

(3) Many states are recovering funds for the management of opioid addiction within their borders;

(4) Coordination surrounding and managing opioid addiction and related disorders is critical to the health and safety of all Nebraskans;

(5) Funding for prevention and treatment of opioid addiction and related disorders, including those that are co-occurring with other mental health and substance use disorders, is needed in Nebraska;

(6) Law enforcement agencies in the State of Nebraska are dealing with the effects of the opioid epidemic daily and are in need of resources for training, education, and interdiction;

(7) There is a need to enhance the network of professionals who provide treatment for opioid addiction and related disorders, including co-occurring mental health disorders and other co-occurring substance use disorders;

(8) There is a need for education of medical professionals, including training on proper prescription practices and best practices for tapering patients off of prescribed opioids for medical use;

(9) Incarcerated individuals in the Nebraska correctional system and other vulnerable populations with opioid use disorder need access to resources that will help address addiction; and

(10) The health and safety of all Nebraskans will be improved by opioid remediation in the State of Nebraska.

71-2490 Nebraska Opioid Recovery Trust Fund; created; use; investment.

(1) The Nebraska Opioid Recovery Trust Fund is created. The fund shall include all recoveries received on behalf of the state by the Department of Justice pursuant to the Consumer Protection Act or the Uniform Deceptive Trade Practices Act related to the advertising of opioids. The fund shall include any money, payments, or other things of value in the nature of civil damages or other payment, except criminal penalties, whether such recovery is by way of verdict, judgment, compromise, or settlement in or out of court, of any case or controversy pursuant to such acts. The Department of Justice shall remit any such revenue to the State Treasurer for credit to the Nebraska Opioid Recovery Trust Fund.

(2) Any funds appropriated, expended, or distributed from the Nebraska Opioid Recovery Trust Fund shall be spent in accordance with the terms of any verdict, judgment, compromise, or settlement in or out of court, of any case or controversy brought by the Attorney General pursuant to the Consumer Protection Act or the Uniform Deceptive Trade Practices Act.

(3) The Nebraska Opioid Recovery Trust Fund shall exclude funds held in a trust capacity where specific benefits accrue to specific individuals, organizations, political subdivisions, or governments. Such excluded funds shall be deposited in the State Settlement Trust Fund pursuant to section 59-1608.05.

(4)(a) Any money transferred from the Nebraska Opioid Recovery Trust Fund shall be expended in accordance with the terms and conditions of the litigation or settlement from which the money was received.

(b) The State Treasurer shall transfer the following amounts from the Nebraska Opioid Recovery Trust Fund on or after July 1, 2024, but before July 15, 2024, and on or after July 1 but before July 15 of each year thereafter:

(i) One million one hundred twenty-five thousand dollars to the Training Division Cash Fund to connect first responders to behavioral health services, supports, and training and for a statewide wellness learning plan that includes anonymous assessments, education, and awareness to promote resiliency development;

(ii) Four hundred thousand dollars to the Health and Human Services Cash Fund for staff to carry out the Overdose Fatality Review Teams Act;

(iii) Three million dollars to the Opioid Prevention and Treatment Cash Fund for purposes of the Opioid Prevention and Treatment Act; and

(iv) An amount determined by the Legislature to the Opioid Treatment Infrastructure Cash Fund.

(c) It is the intent of the Legislature that, of the total settlement funds received by the State of Nebraska and transferred from the Nebraska Opioid Recovery Trust Fund to the Opioid Prevention and Treatment Cash Fund and to the Opioid Treatment Infrastructure Cash Fund, twenty-five percent of such funds are transferred to the Opioid Prevention and Treatment Cash Fund and seventy-five percent of such funds are transferred to the Opioid Treatment Infrastructure Cash Fund.

(5) Any money in the Nebraska Opioid Recovery Trust Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

71-2491 Opioid Prevention and Treatment Cash Fund; created; use; investment.

(1) The Opioid Prevention and Treatment Cash Fund is created. The fund shall consist of transfers from the Nebraska Opioid Recovery Trust Fund. No more than the amounts specified in this section may be appropriated or transferred from the Opioid Prevention and Treatment Cash Fund in any fiscal year.

(2) Any money in the Opioid Prevention and Treatment Cash Fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(3) It is the intent of the Legislature to annually appropriate from the Opioid Prevention and Treatment Cash Fund beginning in FY2024-25 three million dollars to the Department of Health and Human Services for disbursement by the division to regional behavioral health authorities for behavioral health regions established pursuant to section 71-807 for opioid use prevention and opioid remediation under the Opioid Prevention and Treatment Act as follows:

(a) Five and four-hundred-seventy-six thousandths percent to region 1;

(b) Five and one-hundred-twelve thousandths percent to region 2;

(c) Ten and eight thousand nine hundred eighty-two ten-thousandths percent to region 3;

(d) Eight and five thousand eight hundred thirty-three ten-thousandths percent to region 4;

(e) Twenty-five and seven thousand four hundred twenty-one ten-thousandths percent to region 5; and

(f) Forty-four and one thousand eight hundred sixty-nine ten-thousandths percent to region 6.

(4) The regional behavioral health authorities shall only spend such disbursements for purposes identified in section 71-2494.

71-2493 Local public health department; aid; distribution; use; contracts authorized; report.

(1) The division shall equitably distribute aid as appropriated by the Legislature to local public health departments:

(a) To facilitate prevention efforts, including training on the use of overdose response, syringe access and education, and drug-checking products;

(b) For education and training activities related to opioid use prevention and opioid remediation; and

(c) For data tracking efforts related to the opioid epidemic.

(2) Each local public health department may contract for services with hospitals, law enforcement, and community organizations for purposes of subsection (1) of this section. Each local public health department shall report to the division as provided in section 71-2489.

(3) It is the intent of the Legislature to appropriate at least five hundred thousand dollars from the General Fund to the County Public Health Aid Program for disbursement to local public health departments as provided in section 71-1628.08 for opioid use prevention and opioid remediation under the Opioid Prevention and Treatment Act. It is the intent of the Legislature that

funds appropriated for purposes of this section are offset by a reduction in funds for Behavioral Health Aid for fiscal year 2024-25.

STATE BOARD OF HEALTH

Section
71-2605. Board; members; per diem; expenses.
71-2618. Water samples; analyses; fees; testing; agreements; certification; standards; fees; existing rules, regulations, certifications; agreements, forms of approval, suits, other proceedings; how treated.
71-2619. Laboratory supplies and services; fees; establish; disposition.

Section
71-2621. Fees; laboratory tests and services; credited to Health and Human Services Cash Fund.
71-2622. Transferred to section 81-15,292.

71-2605 Board; members; per diem; expenses.

The members of the State Board of Health shall receive the sum of twenty dollars per diem, while actually engaged in the business of the board, and shall be reimbursed for expenses incurred in the performance of their duties as provided in sections 81-1174 to 81-1177.

Source: Laws 1953, c. 335, § 11, p. 1103; Laws 1981, LB 204, § 123; Laws 2020, LB381, § 63.

71-2618 Water samples; analyses; fees; testing; agreements; certification; standards; fees; existing rules, regulations, certifications; agreements, forms of approval, suits, other proceedings; how treated.

(1) For purposes of the Nebraska Safe Drinking Water Act, the Director of Public Health of the Department of Health and Human Services may establish and collect fees for making laboratory analyses of water samples pursuant to sections 71-2619 to 71-2621, except that subsection (6) of section 71-2619 shall not apply for purposes of the Nebraska Safe Drinking Water Act. Inspection fees for making other laboratory agreements shall be established and collected pursuant to sections 71-2619 to 71-2621.

(2)(a) The Director of Public Health of the Department of Health and Human Services shall certify and enter into authorization agreements with laboratories to perform tests on water that is intended for human consumption, including the tests required by the director for compliance and monitoring purposes. The director shall establish, through rules and regulations, standards for certification. Such standards (i) may include requirements for staffing, equipment, procedures, and methodology for conducting laboratory tests, quality assurance and quality control procedures, and communication of test results, (ii) shall provide for certification of independent laboratories to test samples provided by public water systems for all acute toxins for which the department tests such samples, including, but not limited to, coliform, nitrates, inorganic chemicals, organic chemicals, radionuclides, and any other acute toxins for which the department tests such samples, and (iii) shall be consistent with requirements for performing laboratory tests established by the United States Environmental Protection Agency to the extent such requirements are consistent with state law. The director may accept accreditation by a recognized independent accreditation body, public agency, or federal program which has standards that are at least as stringent as those established pursuant to this section. The director may adopt and promulgate rules and regulations which list accreditation bodies, public agencies, and federal programs that may be accepted as evidence that a laboratory meets the standards for certification. Inspection fees and fees for certifying other laboratories shall be established and collected to defray the cost of the inspections and certification as provided in sections 71-2619 to 71-2621.

(b) Laboratories shall be allowed to test water samples which are not compliance samples by testing methods other than the methods and procedures required to be used on compliance samples by rules and regulations of the department. For purposes of this section, compliance sample means a water

sample required under the Nebraska Safe Drinking Water Act and rules and regulations of the department to determine whether a public water system meets current drinking water standards.

(3) All rules and regulations adopted prior to July 1, 2021, under subdivision (1)(b) or subsection (2) of section 71-5306 shall continue to be effective to the extent not in conflict with the changes made by Laws 2021, LB148, and until amended or repealed by the department.

(4) All certifications, agreements, or other forms of approval issued prior to July 1, 2021, in accordance with subdivision (1)(b) or subsection (2) of section 71-5306 shall remain valid as issued for purposes of the changes made by Laws 2021, LB148, unless revoked or otherwise terminated by law.

(5) Any suit, action, or other proceeding, judicial or administrative, which was lawfully commenced prior to July 1, 2021, under subdivision (1)(b) or subsection (2) of section 71-5306 shall be subject to the provisions of such section as they existed prior to July 1, 2021.

71-2619 Laboratory supplies and services; fees; establish; disposition.

(1) The Department of Health and Human Services may by regulation establish fees to defray the costs of providing specimen containers, shipping outfits, and related supplies and fees to defray the costs of certain laboratory examinations as requested by individuals, firms, corporations, or governmental agencies in the state. Fees for the provision of certain classes of shipping outfits or specimen containers shall be no more than the actual cost of materials, labor, and delivery. Fees for the provision of shipping outfits may be made when no charge is made for service.

(2) Fees may be established by regulation for chemical or microbiological examinations of various categories of water samples. Fees established for examination of water to ascertain qualities for domestic, culinary, and associated uses shall be set to defray no more than the actual cost of the tests in the following categories: (a) Inorganic chemical assays; (b) organic pollutants; and (c) bacteriological examination to indicate sanitary quality as coliform density by membrane filter test or equivalent test.

(3) Fees for examinations of water from lakes, streams, impoundments, or similar sources, from wastewaters, or from ground water for industrial or agricultural purposes may be charged in amounts established by regulation but shall not exceed one and one-half times the limits set by regulation for examination of domestic waters.

(4) Fees may be established by regulation for chemical or microbiological examinations of various categories of samples to defray no more than the actual cost of testing. Such fees may be charged for:

(a) Any specimen submitted for radiochemical analysis or characterization;

(b) Any material submitted for chemical characterization or quantitation; and

(c) Any material submitted for microbiological characterization.

(5) Fees may be established by regulation for the examinations of certain categories of biological and clinical specimens to defray no more than the

actual costs of testing. Such fees may be charged for examinations pursuant to law or regulation of:

(a) Any specimen submitted for chemical examination for assessment of health status or functional impairment;

(b) Any specimen submitted for microbiological examination which is not related to direct human contact with the microbiological agent; and

(c) A specimen submitted for microbiological examination or procedure by an individual, firm, corporation, or governmental unit other than the department.

(6) The department shall not charge fees for tests that include microbiological isolation, identification examination, or other laboratory examination for the following:

(a) A contagious disease when the department is authorized by law or regulation to directly supervise the prevention, control, or surveillance of such contagious disease;

(b) Any emergency when the health of the people of any part of the state is menaced or exposed pursuant to section 71-502; and

(c) When adopting or enforcing special quarantine and sanitary regulations authorized by the department.

(7) Combinations of different tests or groups of tests submitted together may be offered at rates less than those set for individual tests as allowed in this section and shall defray the actual costs.

(8) Fees may be established by regulation to defray no more than the actual costs of certifying laboratories, inspecting laboratories, and making laboratory agreements between the department and laboratories other than the Department of Health and Human Services, Division of Public Health, Environmental Laboratory for the purpose of conducting analyses of drinking water as prescribed in section 71-2618. For each laboratory applying for certification, fees shall include (a) an annual fee not to exceed one thousand eight hundred dollars per laboratory and (b) an inspection fee not to exceed three thousand dollars per certification period for each laboratory located in this state.

(9) All fees collected pursuant to this section shall be remitted to the State Treasurer for credit to the Health and Human Services Cash Fund.

71-3305 Political subdivision; fluoride added to water supply; exception; ordinance to prohibit addition of fluoride; ballot; vote.

(1) Except as otherwise provided in subsection (2) or (3) of this section, any city or village having a population of one thousand or more inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census shall add fluoride to the water supply for human consumption for such city or village as provided in the rules and regulations of the Department of Health and Human Services unless such water supply has sufficient amounts of naturally occurring fluoride as provided in such rules and regulations.

(2) Subsection (1) of this section does not apply if the voters of the city or village adopted an ordinance, after April 18, 2008, but before June 1, 2010, to prohibit the addition of fluoride to such water supply.

(3) If any city or village reaches a population of one thousand or more inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census after June 1, 2010, and is required to add fluoride to its water supply under subsection (1) of this section, the city or village may adopt an ordinance to prohibit the addition of fluoride to such water supply. The ordinance may be placed on the ballot by a majority vote of the governing body of the city or village or by initiative pursuant to the Municipal Initiative and Referendum Act. Such proposed ordinance shall be voted upon at the next statewide general election after the population of the city or village reaches one thousand or more inhabitants as determined by the most recent federal decennial census or the most recent revised certified count by the United States Bureau of the Census.

(4) Any rural water district organized under sections 46-1001 to 46-1020 that supplies water for human consumption to any city or village which is required to add fluoride to such water supply under this section shall not be responsible for any costs, equipment, testing, or maintenance related to such fluoridation unless such district has agreed with the city or village to assume such responsibilities.

REDUCTION IN MORBIDITY AND MORTALITY

(b) CHILD AND MATERNAL DEATHS

Section

(c) DOMESTIC ABUSE DEATHS

(d) OVERDOSE FATALITIES

(b) CHILD AND MATERNAL DEATHS

71-3404 Child and Maternal Death Review Act, how cited; child deaths; stillbirths; maternal deaths and severe maternal morbidity; legislative findings and intent.

(1) Sections 71-3404 to 71-3411 shall be known and may be cited as the Child and Maternal Death Review Act.

(2) The Legislature finds and declares that it is in the best interests of the state, its residents, and especially the children of this state that the number and causes of death of children, including stillbirths, in this state be examined. There is a need for a comprehensive integrated review of all child deaths and stillbirths in Nebraska and a system for statewide retrospective review of existing records relating to each child death and stillbirth.

(3) The Legislature further finds and declares that it is in the best interests of the state and its residents that the number and causes of maternal death and severe maternal morbidity in this state be examined. There is a need for a comprehensive integrated review of all maternal deaths and incidents of severe maternal morbidity in Nebraska and a system for statewide retrospective review of existing records relating to each maternal death and incident of severe maternal morbidity.

(4) It is the intent of the Legislature, by creation of the Child and Maternal Death Review Act, to:

(a) Identify trends from the review of past records to prevent future child deaths, stillbirths, maternal deaths, and incidents of severe maternal morbidity from similar causes when applicable;

(b) Recommend systematic changes for the creation of a cohesive method for responding to certain child deaths, stillbirths, maternal deaths, and incidents of severe maternal morbidity; and

(c) When appropriate, cause referral to be made to those agencies as required in section 28-711 or as otherwise required by state law.

71-3405 Terms, defined.

For purposes of the Child and Maternal Death Review Act:

(1) Child means a person from birth to eighteen years of age;

(2) Investigation of child death means a review of existing records and other information regarding the child or stillbirth from relevant agencies, professionals, and providers of medical, dental, prenatal, and mental health care. The records to be reviewed may include, but not be limited to, medical records, coroner's reports, autopsy reports, social services records, records of alternative response cases under alternative response implemented in accordance with sections 28-710.01, 28-712, and 28-712.01, educational records, emergency and paramedic records, and law enforcement reports;

(3) Investigation of maternal death means a review of existing records and other information regarding the woman from relevant agencies, professionals, and providers of medical, dental, prenatal, and mental health care. The records to be reviewed may include, but not be limited to, medical records, coroner's

reports, autopsy reports, social services records, educational records, emergency and paramedic records, and law enforcement reports;

71-3407 Teams; purposes; duties; powers.

(1) The purpose of the teams shall be to (a) develop an understanding of the causes and incidence of child deaths, stillbirths, maternal deaths, and severe maternal morbidity in this state, (b) develop recommendations for changes within relevant agencies and organizations which may serve to prevent child deaths, stillbirths, maternal deaths, and incidents of severe maternal morbidity and (c) advise the Governor, the Legislature, and the public on changes to law, policy, and practice which will prevent child deaths, stillbirths, maternal deaths, and incidents of severe maternal morbidity.

(2) The teams shall:

(a) Undertake annual statistical studies of the causes and incidence of child or maternal deaths in this state. The studies shall include, but not be limited to, an analysis of the records of community, public, and private agency involvement with the children, the pregnant or postpartum women, and their families prior to and subsequent to the child or maternal deaths;

(b) Develop a protocol for retrospective investigation of child or maternal deaths by the teams;

(c) Develop a protocol for collection of data regarding child or maternal deaths by the teams;

(d) Consider training needs, including cross-agency training, and service gaps;

(e) Include in its annual report recommended changes to any law, rule, regulation, or policy needed to decrease the incidence of preventable child or maternal deaths;

(f) Educate the public regarding the incidence and causes of child or maternal deaths, the public role in preventing child or maternal deaths, and specific steps the public can undertake to prevent child or maternal deaths. The teams may enlist the support of civic, philanthropic, and public service organizations in the performance of educational duties;

(g) Provide the Governor, the Legislature, and the public with annual reports which shall include the teams' findings and recommendations for each of their duties. Each team shall submit an annual report on or before each December 31 to the Legislature electronically; and

(h) When appropriate, make referrals to those agencies as required in section 28-711 or as otherwise required by state law.

(3) The teams may enter into consultation agreements with relevant experts to evaluate the information and records collected. All of the confidentiality provisions of section 71-3411 shall apply to the activities of a consulting expert.

(4) The teams may enter into written agreements with entities to provide for the secure storage of electronic data, including data that contains personal or incident identifiers. Such agreements shall provide for the protection of the security and confidentiality of the content of the information, including access limitations, storage of the information, and destruction of the information. All of the confidentiality provisions of section 71-3411 shall apply to the activities of the data storage entity.

(5) The teams may enter into agreements with a local public health department as defined in section 71-1626 to act as the agent of the teams in conducting all information gathering and investigation necessary for the purposes of the Child and Maternal Death Review Act. All of the confidentiality provisions of section 71-3411 shall apply to the activities of the agent.

(6) For purposes of this section, entity means an organization which provides collection and storage of data from multiple agencies but is not solely controlled by the agencies providing the data.

71-3408 Chairperson; team coordinator; duties; team data abstractor; qualifications; duties.

(1) The chairperson of each team shall:

(a) Chair meetings of the teams; and

(b) Ensure identification of strategies to prevent child or maternal deaths.

(2) The team coordinator of each team provided under subsection (5) of section 71-3406 shall:

(a) Have the necessary information from investigative reports, medical records, coroner's reports, autopsy reports, educational records, and other relevant items made available to the team;

(b) Ensure timely notification of the team members of an upcoming meeting;

(c) Ensure that all team-reporting and data-collection requirements are met;

(d) Oversee adherence to the review process established by the Child and Maternal Death Review Act; and

(e) Perform such other duties as the team deems appropriate.

(3) The team data abstractor provided under subsection (5) of section 71-3406 shall:

(a) Possess qualifying experience, a demonstrated understanding of child and maternal outcomes, strong professional communication skills, data entry and relevant computer skills, experience in medical record review, flexibility and ability to accomplish tasks in short time frames, appreciation of the community, knowledge of confidentiality laws, the ability to serve as an objective unbiased storyteller, and a demonstrated understanding of social determinants of health;

(b) Request records for identified cases from sources described in section 71-3410;

(c) Upon receipt of such records, review all pertinent records to complete fields in child, stillbirth, maternal death, and severe maternal morbidity databases;

(d) Summarize findings in a case summary; and

(e) Report all findings to the team coordinators.

71-3409 Review of child deaths, stillbirths, maternal deaths, and severe maternal morbidity; manner.

(1)(a) The State Child Death Review Team shall review child deaths in the manner provided in this subsection.

(b) The members shall review the death certificate, birth certificate, coroner's report or autopsy report if done, and indicators of child or family involvement with the department. The members shall classify the nature of the death, whether accidental, homicide, suicide, undetermined, or natural causes, determine the completeness of the death certificate, and identify discrepancies and inconsistencies.

(c) A review shall not be conducted on any child death under active investigation by a law enforcement agency or under criminal prosecution. The members may seek records described in section 71-3410. The members shall identify the preventability of death, the possibility of child abuse or neglect, the medical care issues of access and adequacy, and the nature and extent of interagency communication.

(2)(a) The team may review stillbirths in the manner provided in this subsection.

(b) The members may review the death certificates and other documentation which will allow the team to identify preventable causes of stillbirths.

(c) Nothing in this subsection shall be interpreted to require review of any stillbirth death.

(3)(a) The State Maternal Death Review Team shall review all maternal deaths in the manner provided in this subsection.

(b) The members shall review the maternal death records in accordance with evidence-based best practices in order to determine: (i) If the death is pregnancy-related; (ii) the cause of death; (iii) if the death was preventable; (iv) the factors that contributed to the death; (v) recommendations and actions that address those contributing factors; and (vi) the anticipated impact of those actions if implemented.

(c) A review shall not be conducted on any maternal death under active investigation by a law enforcement agency or under criminal prosecution. The members may seek records described in section 71-3410. The members shall identify the preventability of death, the possibility of domestic abuse, the medical care issues of access and adequacy, and the nature and extent of interagency communication.

(4)(a) The team may review incidents of severe maternal morbidity in the manner provided in this subsection and additionally, may use guidelines published by the Centers for Disease Control and Prevention or develop its own guidelines for such review.

(b) The members may review any records or documents which will allow the team to identify preventable causes of severe maternal morbidity.

(c) Nothing in this subsection shall be interpreted to require the review of any incident of severe maternal morbidity.

71-3410 Provision of information and records; subpoenas.

(1) Upon request, the teams shall be immediately provided:

(a) Information and records maintained by a provider of medical, dental, prenatal, and mental health care, including medical reports, autopsy reports, and emergency and paramedic records; and

(b) All information and records maintained by any agency of state, county, or local government, any other political subdivision, any school district, or any public or private educational institution, including, but not limited to, birth and death certificates, law enforcement investigative data and reports, coroner investigative data and reports, educational records, parole and probation information and records, and information and records of any social services agency that provided services to the child, the pregnant or postpartum woman, or the family of the child or woman.

(2) The Department of Health and Human Services shall have the authority to issue subpoenas to compel production of any of the records and information specified in subdivisions (1)(a) and (b) of this section, except records and information on any child death, stillbirth, maternal death, or incident of severe maternal morbidity under active investigation by a law enforcement agency or

which is at the time the subject of a criminal prosecution, and shall provide such records and information to the teams.

71-3411 Information and records; confidentiality; release; conditions; disclosure; limitations.

(1)(a) All information and records acquired by the teams in the exercise of their purposes and duties pursuant to the Child and Maternal Death Review Act shall be confidential and exempt from disclosure and may only be disclosed as provided in this section and as provided in section 71-3407. Statistical compilations of data made by the teams which do not contain any information that would permit the identification of any person to be ascertained shall be public records.

(b) De-identified information and records obtained by the teams may be released to a researcher, upon proof of identity and qualifications of the researcher, if the researcher is employed by a research organization, university, institution, or government agency and is conducting scientific, medical, or public health research and if there is no publication or disclosure of any name or facts that could lead to the identity of any person included in the information or records. Such release shall provide for a written agreement with the Department of Health and Human Services providing protection of the security of the content of the information, including access limitations, storage of the information, destruction of the information, and use of the information. The release of such information pursuant to this subdivision shall not make otherwise confidential information a public record.

(c) De-identified information and records obtained by the teams may be released to the United States Public Health Service or its successor, a government health agency, or a local public health department as defined in section 71-1626 if there is no publication or disclosure of any name or facts that could lead to the identity of any person included in the information or records. Such release shall provide for protection of the security of the content of the information, including access limitations, storage of the information, destruction of the information, and use of the information. The release of such information pursuant to this subdivision shall not make otherwise confidential information a public record.

(2) Except as necessary to carry out the teams' purposes and duties, members of the teams and persons attending team meetings may not disclose what transpired at the meetings and shall not disclose any information the disclosure of which is prohibited by this section.

(3) Members of the teams and persons attending team meetings shall not testify in any civil, administrative, licensure, or criminal proceeding, including depositions, regarding information reviewed in or opinions formed as a result of team meetings. This subsection shall not be construed to prevent a person from testifying to information obtained independently of the teams or which is public information.

(4) Information, documents, and records of the teams shall not be subject to subpoena, discovery, or introduction into evidence in any civil or criminal proceeding, except that information, documents, and records otherwise avail-

able from other sources shall not be immune from subpoena, discovery, or introduction into evidence through those sources solely because they were presented during proceedings of the teams or are maintained by the teams.

71-3417 Team; purpose; duties; powers; confidentiality.

(1) The purpose of the team shall be to prevent future domestic abuse deaths by:

(a) Conducting investigations to understand the contributing factors in domestic abuse deaths;

(b) Examining the incidence, causes, and contributing factors of domestic abuse deaths; and

(c) Developing recommendations for changes within communities, public and private agencies, institutions, and systems, based on an analysis of the causes and contributing factors of domestic abuse deaths.

(2) The team shall:

(a) Develop protocols for investigations and to maintain the confidentiality of information made available to the team;

(b) Meet a minimum of four times per year and upon the call of the team coordinator selected under section 71-3416, the request of a state agency, or as determined by a majority of the team;

(c) Provide the Governor, the Legislature, and the Attorney General with an annual electronic report on or before August 15 each year beginning with the fiscal year ending June 30, 2024. The report shall not contain personal identifying information of any decedent victim, associated victim, or perpetrator. The report shall be available to the public and include the following:

(i) The causes, manner, and contributing factors of domestic abuse deaths in Nebraska, including trends and patterns and an analysis of information obtained through investigations; and

(ii) Recommendations regarding the prevention of future domestic abuse deaths for changes within communities, public and private agencies, institutions, and systems, based on an analysis of such causes and contributing factors. Such recommendations shall include recommended changes to laws, rules and regulations, policies, training needs, or service gaps to prevent future domestic abuse deaths;

(d) When appropriate, advise and consult with relevant agencies and organizations represented on the team or involved in domestic abuse deaths regarding the recommendations to prevent future domestic abuse deaths; and

(e) When appropriate, educate the public regarding the incidence of domestic abuse deaths, the public role in preventing domestic abuse deaths, and specific steps the public can take to prevent domestic abuse deaths. The team may enlist the support of civic, philanthropic, and public service organizations in the performance of its educational duties.

(3) The team may invite other individuals to participate on the team on an ad hoc basis for a particular investigation. Such individuals may include those

with expertise that would aid in the investigation and representatives from organizations or agencies that had contact with, or provided services to, the decedent victim or associated victim. If the domestic abuse death occurred on tribal lands or if the domestic abuse death involves a member of a federally recognized Indian tribe, additional agencies and tribal representatives may be invited to participate.

(4) The team shall require any person appearing before it to sign a confidentiality agreement to ensure that all the confidentiality provisions of section 71-3421 are satisfied.

(5) The team shall enter into confidentiality agreements with social service agencies, nonprofit organizations, and private agencies to obtain otherwise confidential information and to ensure that all confidentiality provisions of section 71-3421 are satisfied.

(6) The team may enter into consultation agreements with relevant experts to evaluate the information and records collected by the team. All of the confidentiality provisions of section 71-3421 shall apply to the activities of a consulting expert.

(7) The team may enter into written agreements with entities to provide for the secure storage of electronic data based on information and records collected by the team as part of an investigation, including data that contains personal or incident identifiers. Such agreements shall provide for the protection of the security and confidentiality of the information, including access limitations, storage, and destruction of the information. The confidentiality provisions of section 71-3421 shall apply to the activities of the data storage entity.

(8) The team may consult and share information with the State Child Death Review Team or the State Maternal Death Review Team when the decedent victim or any associated victim is also the subject of an investigation of a child death or investigation of a maternal death under the Child and Maternal Death Review Act. The confidentiality provisions of sections 71-3411 and 71-3421 shall apply to the sharing of information between these teams.

71-3421 Information and records; confidentiality; release; conditions; disclosure; limitations.

(1) All information and records acquired by the team in the exercise of its duties pursuant to the Domestic Abuse Death Review Act shall be confidential and exempt from disclosure except as provided in this section and section 71-3417. Statistical compilations of data or recommendations made by the

team that do not contain any personal identifying information shall be public records.

(2) De-identified information and records obtained by the team may be released to a researcher, research organization, university, institution, or governmental agency for the purpose of conducting scientific, medical, or public health research upon proof of identity and execution of a confidentiality agreement as provided in this section and section 71-3417. Such release shall provide for a written agreement with the Attorney General providing protection of the security of the information, including access limitations, and the storage, destruction, and use of the information. The release of such information pursuant to this subsection shall not make otherwise confidential information a public record.

(3) Except as necessary to carry out the team's purposes and duties, members of the team and individuals attending a team meeting shall not disclose any discussion among team members at a meeting and shall not disclose any information prohibited from disclosure by this section.

(4) Members of a team and individuals attending a team meeting shall not testify in any civil, administrative, licensure, or criminal proceeding, including depositions, regarding information reviewed in or an opinion formed as a result of a team meeting. This subsection shall not be construed to prevent a person from testifying to information obtained independently of the team or that is public information.

(5) Conclusions, findings, recommendations, information, documents, and records of the team shall not be subject to subpoena, discovery, or introduction into evidence in any civil or criminal proceeding, except that conclusions, findings, recommendations, information, documents, and records otherwise available from other sources shall not be immune from subpoena, discovery, or introduction into evidence through those sources solely because they were presented during proceedings of the team or are maintained by the team.

(d) OVERDOSE FATALITIES

71-3422 Overdose Fatality Review Teams Act, how cited.

Sections 71-3422 to 71-3437 shall be known and may be cited as the Overdose Fatality Review Teams Act.

Source: Laws 2023, LB227, § 79.

71-3423 Legislative findings.

The Legislature finds that:

(1) Substance use disorders and drug overdoses are major health problems that affect the lives of many people and multiple services systems and lead to profound consequences, including permanent injury and death;

(2) Overdoses caused by heroin, fentanyl, other opioids, stimulants, controlled substance analogs, novel psychoactive substances, and other legal and illegal drugs are a public health crisis that stress and strain financial, public health, health care, and public safety resources in Nebraska;

(3) Overdose fatality reviews, which are designed to uncover the who, what, when, where, why, and how of fatal overdoses, allow local authorities to

examine and understand the circumstances leading to a fatal drug overdose; and

(4) Through a comprehensive and multidisciplinary review, overdose fatality review teams can better understand the individual and population factors and characteristics of potential overdose victims. This provides local authorities with a greater sense of the strategies and multiagency coordination needed to prevent future overdoses and results in the more productive allocation of overdose prevention resources and services within Nebraska communities.

71-3424 Purposes of act.

The purposes of the Overdose Fatality Review Teams Act are to:

(1) Create a legislative framework for establishing county-level, multidisciplinary overdose fatality review teams in Nebraska;

(2) Provide overdose fatality review teams with duties and responsibilities to examine and understand the circumstances leading up to overdoses so that the teams can make recommendations on policy changes and resource allocation to prevent future overdoses; and

(3) Allow overdose fatality review teams to obtain and review records and other documentation related to overdoses from relevant agencies, entities, and individuals while remaining compliant with local, state, and federal confidentiality laws and regulations.

71-3425 Terms, defined.

For purposes of the Overdose Fatality Review Teams Act:

(1) De-identified information means information that does not identify an individual and with respect to which there is no reasonable basis to believe that the information can be used to identify an individual;

(2) Department means the Department of Health and Human Services;

(3) Drug means a substance that produces a physiological effect when ingested or otherwise introduced into the body, and includes both legal and illicit substances. Drug does not include alcohol;

(4) Health care provider means any of the following individuals who are licensed, certified, or registered to perform specified health services consistent with state law: A physician, a physician assistant, or an advanced practice registered nurse;

(5) Lead organization means a local public health department as defined in section 71-1626;

(6) Local team means the multidisciplinary and multiagency drug overdose fatality review team established by a lead organization for such organization's jurisdiction or for a group of cities, counties, or districts, pursuant to an agreement between multiple lead organizations;

(7) Mental health provider means:

(a) A psychiatrist licensed to practice under the Medicine and Surgery Practice Act;

(b) A psychologist licensed to engage in the practice of psychology in this state as provided in section 38-3111 or as provided in similar provisions of the Psychology Interjurisdictional Compact;

(c) A person licensed as an independent mental health practitioner under the Mental Health Practice Act; or

(d) A professional counselor who holds a privilege to practice in Nebraska as a professional counselor under the Licensed Professional Counselors Interstate Compact;

(8) Personal identifying information means information that permits the identity of an individual to whom the information applies to be reasonably inferred by either direct or indirect means;

(9) Overdose means injury to the body that happens when one or more drugs are taken in excessive amounts. An overdose can be fatal or nonfatal;

(10) Overdose fatality review means a process in which a local team performs a series of individual overdose fatality reviews to effectively identify system gaps and innovative, community-specific overdose prevention and intervention strategies;

(11) Substance use disorder means a pattern of use of alcohol or other drugs leading to clinical or functional impairment, in accordance with the definition in the Diagnostic and Statistical Manual of Disorders (DSM-5) of the American Psychiatric Association, or a subsequent edition of such manual; and

(12) Substance use disorder treatment provider means any individual or entity who is licensed, registered, or certified within Nebraska to treat substance use disorders or who has a federal Drug Addiction Treatment Act of 2000 waiver from the Substance Abuse and Mental Health Services Administration of the United States Department of Health and Human Services to treat individuals with substance use disorder using medications approved for that indication by the United States Food and Drug Administration.

71-3426 Lead organization; establish a local team; membership; chairperson; duties.

(1) A lead organization may establish a local team for the lead organization's jurisdiction or for a group of cities, counties, or districts, pursuant to an agreement between multiple lead organizations. If multiple lead organizations decide to form a local team, only one shall fulfill the role of lead organization. The lead organization shall select the members of the local team.

(2) A local team shall consist of the core members that may include one or more members from the following backgrounds:

(a) Officials from the lead organization or from another local public health department or such officials' designees;

(b) Behavioral health providers or officials;

(c) Law enforcement personnel;

(d) Representatives of jails or detention centers;

(e) The coroner or the coroner's designee;

(f) Health care providers who specialize in the prevention, diagnosis, and treatment of substance use disorders;

(g) Mental health providers who specialize in substance use disorders;

(h) Representatives of emergency medical services providers in the county;

(i) The Director of Children and Family Services of the Division of Children and Family Services of the Department of Health and Human Services or the director's designee; and

(j) Representatives from the Board of Parole, the Office of Probation Administration, the Division of Parole Supervision, or the Community Corrections Division of the Nebraska Commission on Law Enforcement and Criminal Justice.

(3) A local team may also include, either as permanent or temporary members:

(a) A local school superintendent or the superintendent's designee;

(b) A representative of a local hospital;

(c) A health care provider who specializes in emergency medicine;

(d) A health care provider who specializes in pain management;

(e) A pharmacist with a background in prescription drug misuse and diversion;

(f) A substance use disorder treatment provider from a licensed substance use disorder treatment program;

(g) A poison control center representative;

(h) A mental health provider who is a generalist;

(i) A prescription drug monitoring program administrator or such administrator's designee;

(j) A representative from a harm reduction provider;

(k) A recovery coach, peer support worker, or other representative of the recovery community;

(l) A representative from the local drug court; and

(m) Any other individual necessary for the work of the local team.

(4) The lead organization shall select a chairperson for the local team. The chairperson shall be an official of the lead organization or such official's designee. The chairperson shall:

(a) Solicit and recruit members and appoint replacement members to fill vacancies that may arise on the team. In carrying out this responsibility, the chairperson shall, at a minimum, attempt to appoint at least one member from each of the backgrounds or positions described in subsection (2) of this section;

(b) Facilitate local team meetings and implement the protocols and procedures of the local team;

(c) Request and collect the records and information needed for the local team's case review. The chairperson shall remove all personal identifying information from any records or information prior to providing it to the local team;

(d) Gather, store, and distribute the necessary records and information for reviews conducted by the team. The chairperson shall carry out such duties in

compliance with all local, state, and federal confidentiality laws and regulations;

(e) Ensure that team members receive timely notification of upcoming meetings;

(f) Ensure the team fulfills the requirements of section 71-3427 to publish an annual report, including recommendations to prevent future drug overdose deaths;

(g) Ensure that all members of the local team and all guest observers and participants sign confidentiality forms as required under section 71-3433;

(h) Oversee compliance with the Overdose Fatality Review Teams Act and the protocols developed by the team;

(i) Serve as a liaison for the local team; and

(j) Perform such other duties as the team deems appropriate.

(5) Members of the local team shall not receive compensation for their services as team members.

Source: Laws 2023, LB227, § 83.

71-3427 Local team; duties; limitation; report; department; duties.

(1) A local team shall:

(a) Promote cooperation and coordination among agencies involved in the investigation of drug overdose fatalities;

(b) Examine the incidence, causes, and contributing factors of drug overdose deaths in jurisdictions where the local team operates;

(c) Develop recommendations for changes within communities, public and private agencies, institutions, and systems, based on an analysis of the causes and contributing factors of drug overdose deaths;

(d) Advise local, regional, and state policymakers about potential changes to law, policy, funding, or practices to prevent drug overdoses;

(e) Establish and implement protocols and procedures for overdose investigations and to maintain confidentiality;

(f) Conduct a multidisciplinary review of information received pursuant to section 71-3430 regarding a person who died of a drug overdose. Such review shall be limited to records and information from which the chairperson has removed all personally identifying information. Such review shall include, but not be limited to:

(i) Consideration of the decedent's points of contact with health care systems, social services, educational institutions, child and family services, law enforcement and the criminal justice system, and any other systems with which the decedent had contact prior to death; and

(ii) Identification of the specific factors and social determinants of health that put the decedent at risk for an overdose;

(g) Recommend prevention and intervention strategies to improve coordination of services and investigations among member agencies and providers to reduce overdose deaths; and

(h) Collect, analyze, interpret, and maintain data on local overdose deaths.

(2) A local team shall only review overdose deaths that are not under active investigation by a law enforcement agency or under criminal prosecution.

(3)(a) On or before June 1, 2024, and on or before each June 1 thereafter, each local team shall submit a report to the department. The report shall include at least the following for the preceding year:

(i) The total number of fatal drug overdoses that occurred within the jurisdiction of the local team;

(ii) The number of fatal drug overdoses investigated by the local team;

(iii) The causes, manner, and contributing factors of drug overdose deaths in the team's jurisdiction, including trends;

(iv) Recommendations regarding the prevention of fatal and nonfatal drug overdoses for changes within communities, public and private agencies, institutions, and systems, based on an analysis of such causes and contributing factors. Such recommendations shall include recommended changes to laws, rules and regulations, policies, training needs, or service gaps to prevent future drug overdose deaths; and

(v) Follow-up analysis of the implementation of and results from any recommendations made by the local team, including, but not limited to, changes in local or state law, policy, or funding made as a result of the local team's recommendations.

(b) The report shall include only de-identified information and shall not identify any victim, living or dead, of a drug overdose.

(c) The report is not confidential and shall be made available to the public.

(d) The department may analyze each annual report submitted pursuant to this subsection and create a single report containing an aggregate of the data submitted. The department shall make any such report publicly available and submit it electronically to the Clerk of the Legislature.

71-3428 Local team meetings; participants and attendees; requirements; liability; professional disciplinary action; immunity; limitation.

(1) Members of a local team and other individuals in attendance at a local team meeting, including, but not limited to, experts, health care professionals, or other observers:

(a) Shall sign a confidentiality agreement as provided in section 71-3433;

(b) Are bound by all applicable local, state, and federal laws concerning the confidentiality of matters reviewed by the local team, but may discuss confidential matters and share confidential information during such meeting; and

(c) Except as otherwise permitted by law, shall not disclose confidential information outside of the meeting.

(2) A member of a local team or an individual in attendance at a local team meeting shall not be subject to civil or criminal liability or any professional disciplinary action for the sharing or discussion of any confidential matter with the local team during a local team meeting. This immunity does not apply to a local team member or attendee who intentionally or knowingly discloses

confidential information in violation of the Overdose Fatality Review Teams Act or any state or federal law.

71-3429 Open Meetings Act; local team not considered public body; information and records; confidentiality.

(1) A local team shall not be considered a public body for purposes of the Open Meetings Act.

(2) Except for reports under section 71-3427, information and records acquired or created by a local team are not public records subject to disclosure pursuant to sections 84-712 to 84-712.09, shall be confidential, shall not be subject to subpoena, shall be privileged and inadmissible in evidence in any legal proceeding of any kind or character, and shall not be disclosed to any other department or agency of the State of Nebraska, except the Department of Health and Human Services as specified in the Overdose Fatality Review Teams Act.

71-3430 Lead organization; access to information; subpoena; enforcement.

(1) Except as provided in subsection (4) of this section, on written request of the lead organization, and as necessary to carry out the purpose and duties of the local team, the lead organization shall be provided with the following information:

(a) Nonprivileged information and records regarding the physical health, mental health, and treatment for any substance use disorder maintained by a health care provider, substance use disorder treatment provider, hospital, or health system for an individual whose death is being reviewed by the local team; and

(b) Information and records maintained by a state or local government agency or entity, including, but not limited to, death investigative information, coroner investigative information, law enforcement investigative information, emergency medical services reports, fire department records, prosecutorial records, parole and probation information and records, court records, school records, and information and records of a social services agency, including the department, if the agency or entity provided services to an individual whose death is being reviewed by the local team.

(2) Except as provided in subsection (4) of this section, the following persons shall comply with a records request by the lead organization made pursuant to subsection (1) of this section:

(a) A coroner;

(b) A fire department;

(c) A health system;

(d) A hospital;

(e) A law enforcement agency;

(f) A local or state governmental agency, including, but not limited to, the department, local public health authorities, the Attorney General, county attorneys, public defenders, the Commission on Public Advocacy, the Department of Correctional Services, the Office of Probation Administration, and the Division of Parole Supervision;

(g) A mental health provider;

(h) A health care provider;

(i) A substance use disorder treatment provider;

(j) A school, including a public or private elementary, secondary, or postsecondary institution;

(k) An emergency medical services provider;

(l) A social services provider; and

(m) Any other person who is in possession of records pertinent to the local team's investigation of an overdose fatality.

(3) A person subject to a records request by a lead organization under subsection (1) of this section may charge the lead organization a reasonable fee for the service of duplicating any records requested by the lead organization, not to exceed the actual cost of duplication.

(4)(a) Compliance with any records request under this section is subject to the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder; 42 U.S.C. 290dd-2; 42 C.F.R. part 2; and the Child Protection and Family Safety Act.

(b) The department is not required to comply with a records request under subsection (2) of this section to the extent the information requested:

(i) Was obtained by the prescription drug monitoring program created under section 71-2454;

(ii) Is covered by section 68-313; or

(iii) Is covered by 42 C.F.R. 431.300 et seq.

(c) The disclosure or redisclosure of a medical record developed in connection with the provision of substance abuse treatment services, without the authorization of a person in interest, is subject to any limitations that exist under the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, and regulations promulgated thereunder; 42 U.S.C. 290dd-2; and 42 C.F.R. part 2.

(5) Information requested by the lead organization shall be provided within thirty calendar days after receipt of the written request, unless an extension is granted by the chairperson. Written request includes a request submitted via email or facsimile transmission.

(6)(a) A county attorney or the Attorney General may, upon request by a lead organization, issue subpoenas to compel production of any of the records and information specified in this section.

(b) Any willful failure to comply with such a subpoena may be certified by the county attorney or Attorney General to the district court for enforcement or punishment for contempt of court.

71-3432 Local team meetings; ad hoc participation; confidential information; shared, when; lead organization; powers and duties; local team; consultation agreements.

(1) A chairperson may invite other individuals to participate on the local team on an ad hoc basis for a particular investigation. Such individuals may include those with expertise that would aid in the investigation and representatives from organizations or agencies that had contact with, or provided services to, the overdose victim.

(2) So long as each individual present at a local team meeting has signed the confidentiality form provided for in section 71-3433, any otherwise confidential information received by the local team may be shared at a local team meeting with any nonmember attendees.

(3) Local team meetings in which confidential information is discussed shall be closed to the public.

(4) A lead organization may enter into confidentiality agreements with third-party agencies to obtain otherwise confidential information.

(5) A lead organization shall enter into a data-use agreement with the prescription drug monitoring program created under section 71-2454.

(6) A local team may enter into consultation agreements with relevant experts to evaluate the information and records collected by the team. All of the confidentiality provisions of the Overdose Fatality Review Teams Act shall apply to the activities of a consulting expert.

(7) A lead organization may enter into written agreements with entities to provide for the secure storage of electronic data based on information and records collected in carrying out the local team's duties, including data that contains personal or incident identifiers. Such agreements shall provide for the protection of the security and confidentiality of the information, including access limitations, storage, and destruction of the information. The confidentiality provisions of the Overdose Fatality Review Teams Act shall apply to the activities of the data storage entity.

71-3433 Local team meetings; confidentiality form; participation requirements; disclosures prohibited; information and records; release permitted; limitations; testify at proceedings; prohibited.

(1) Each local team member and any nonmember in attendance at a meeting shall sign a confidentiality form and review the purposes and goals of the local team before they may participate in the meeting or review. The form shall set out the requirements for maintaining the confidentiality of any information

disclosed during the meeting and the penalties associated with failure to maintain such confidentiality.

(2) Except as necessary to carry out the local team's purposes and duties, members of the local team and individuals attending a team meeting shall not disclose any discussion among team members at a meeting and shall not disclose any information prohibited from disclosure by the Overdose Fatality Review Teams Act.

(3) De-identified information and records obtained by a local team may be released to a researcher, research organization, university, institution, or governmental agency for the purpose of conducting scientific, medical, or public health research upon proof of identity and execution of a confidentiality agreement as provided in this section. Such release shall provide for a written agreement with the department providing protection of the security of the information, including access limitations, and the storage, destruction, and use of the information. The release of such information pursuant to this subsection shall not make otherwise confidential information a public record.

(4) Members of a local team and individuals attending a team meeting shall not testify in any civil, administrative, licensure, or criminal proceeding, including depositions, regarding information reviewed in or an opinion formed as a result of a team meeting. This subsection shall not be construed to prevent a person from testifying to information obtained independently of the team or that is public information.

(5) Conclusions, findings, recommendations, information, documents, and records of a local team shall not be subject to subpoena, discovery, or introduction into evidence in any civil or criminal proceeding, except that conclusions, findings, recommendations, information, documents, and records otherwise available from other sources shall not be immune from subpoena, discovery, or introduction into evidence through those sources solely because they were presented during proceedings of a local team or are maintained by a local team.

ARTICLE 35

RADIATION CONTROL AND RADIOACTIVE WASTE

(a) RADIATION CONTROL ACT

(a) RADIATION CONTROL ACT

71-3503 Terms, defined.

For purposes of the Radiation Control Act, unless the context otherwise requires:

(1) Radiation means ionizing radiation and nonionizing radiation as follows:

(a) Ionizing radiation means gamma rays, X-rays, alpha and beta particles, high-speed electrons, neutrons, protons, and other atomic or nuclear particles or rays but does not include sound or radio waves or visible, infrared, or ultraviolet light; and

(b) Nonionizing radiation means (i) any electromagnetic radiation which can be generated during the operations of electronic products to such energy density levels as to present a biological hazard to occupational and public health and safety and the environment, other than ionizing electromagnetic radiation, and (ii) any sonic, ultrasonic, or infrasonic waves which are emitted from an electronic product as a result of the operation of an electronic circuit in such product and to such energy density levels as to present a biological hazard to occupational and public health and safety and the environment;

(2) Radioactive material means any material, whether solid, liquid, or gas, which emits ionizing radiation spontaneously. Radioactive material includes, but is not limited to, accelerator-produced material, byproduct material, naturally occurring material, source material, and special nuclear material;

(3) Radiation-generating equipment means any manufactured product or device, component part of such a product or device, or machine or system which during operation can generate or emit radiation except devices which emit radiation only from radioactive material;

(4) Sources of radiation means any radioactive material, any radiation-generating equipment, or any device or equipment emitting or capable of emitting radiation or radioactive material;

(5) Undesirable radiation means radiation in such quantity and under such circumstances as determined from time to time by rules and regulations adopted and promulgated by the department;

(6) Person means any individual, corporation, partnership, limited liability company, firm, association, trust, estate, public or private institution, group, agency, political subdivision of this state, any other state or political subdivision or agency thereof, and any legal successor, representative, agent, or agency of the foregoing;

(7) Registration means registration with the department pursuant to the Radiation Control Act;

(8) Department means the Department of Health and Human Services;

(9) Administrator means the administrator of radiation control designated pursuant to section 71-3504;

(10) Electronic product means any manufactured product, device, assembly, or assemblies of such products or devices which, during operation in an electronic circuit, can generate or emit a physical field of radiation;

(11) License means:

(a) A general license issued pursuant to rules and regulations adopted and promulgated by the department without the filing of an application with the department or the issuance of licensing documents to particular persons to transfer, acquire, own, possess, or use quantities of or devices or equipment utilizing radioactive materials;

(b) A specific license, issued to a named person upon application filed with the department pursuant to the Radiation Control Act and rules and regulations adopted and promulgated pursuant to the act, to use, manufacture, produce, transfer, receive, acquire, own, or possess quantities of or devices or equipment utilizing radioactive materials; or

(c) A license issued to a radon measurement specialist, radon mitigation specialist, radon measurement business, or radon mitigation business;

(12) Byproduct material means:

(a) Any radioactive material, except special nuclear material, yielded in or made radioactive by exposure to the radiation incident to the process of producing or utilizing special nuclear material;

(b) The tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its source material content, including discrete surface wastes resulting from uranium or thorium solution extraction processes. Underground ore bodies depleted by such solution extraction operations do not constitute byproduct material;

(c)(i) Any discrete source of radium-226 that is produced, extracted, or converted after extraction for use for a commercial, medical, or research activity; or

(ii) Any material that (A) has been made radioactive by use of a particle accelerator and (B) is produced, extracted, or converted after extraction for use for a commercial, medical, or research activity; and

(d) Any discrete source of naturally occurring radioactive material, other than source material, that:

(i) The United States Nuclear Regulatory Commission, in consultation with the Administrator of the United States Environmental Protection Agency, the

United States Secretary of Energy, the United States Secretary of Homeland Security, and the head of any other appropriate federal agency, determines would pose a threat similar to the threat posed by a discrete source of radium-226 to the public health and safety or the common defense and security; and

(ii) Is extracted or converted after extraction for use in a commercial, medical, or research activity;

(13) Source material means:

(a) Uranium or thorium or any combination thereof in any physical or chemical form; or

(b) Ores which contain by weight one-twentieth of one percent or more of uranium, thorium, or any combination thereof. Source material does not include special nuclear material;

(14) Special nuclear material means:

(a) Plutonium, uranium 233, or uranium enriched in the isotope 233 or in the isotope 235 and any other material that the United States Nuclear Regulatory Commission pursuant to the provisions of section 51 of the federal Atomic Energy Act of 1954, as amended, determines to be special nuclear material but does not include source material; or

(b) Any material artificially enriched by any material listed in subdivision (14)(a) of this section but does not include source material;

(15) Users of sources of radiation means:

(a) Physicians using radioactive material or radiation-generating equipment for human use;

(b) Natural persons using radioactive material or radiation-generating equipment for education, research, or development purposes;

(c) Natural persons using radioactive material or radiation-generating equipment for manufacture or distribution purposes;

(d) Natural persons using radioactive material or radiation-generating equipment for industrial purposes; and

(e) Natural persons using radioactive material or radiation-generating equipment for any other similar purpose;

(16) Civil penalty means any monetary penalty levied on a licensee or registrant because of violations of statutes, rules, regulations, licenses, or registration certificates but does not include criminal penalties;

(17) Closure means all activities performed at a waste handling, processing, management, or disposal site, such as stabilization and contouring, to assure that the site is in a stable condition so that only minor custodial care, surveillance, and monitoring are necessary at the site following termination of licensed operation;

(18) Decommissioning means final operational activities at a facility to dismantle site structures, to decontaminate site surfaces and remaining structures, to stabilize and contain residual radioactive material, and to carry out any other activities to prepare the site for postoperational care;

(19) Disposal means the permanent isolation of low-level radioactive waste pursuant to the Radiation Control Act and rules and regulations adopted and promulgated pursuant to such act;

(20) Generate means to produce low-level radioactive waste when used in relation to low-level radioactive waste;

(21) High-level radioactive waste means:

(a) Irradiated reactor fuel;

(b) Liquid wastes resulting from the operation of the first cycle solvent extraction system or equivalent and the concentrated wastes from subsequent extraction cycles or the equivalent in a facility for reprocessing irradiated reactor fuel; and

(c) Solids into which such liquid wastes have been converted;

(22) Low-level radioactive waste means radioactive waste not defined as high-level radioactive waste, spent nuclear fuel, or byproduct material as defined in subdivision (12)(b) of this section;

(23) Management of low-level radioactive waste means the handling, processing, storage, reduction in volume, disposal, or isolation of such waste from the biosphere in any manner;

(24) Source material mill tailings or mill tailings means the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its source material content, including discrete surface wastes resulting from underground solution extraction processes, but not including underground ore bodies depleted by such solution extraction processes;

(25) Source material milling means any processing of ore, including underground solution extraction of unmined ore, primarily for the purpose of extracting or concentrating uranium or thorium therefrom and which results in the production of source material and source material mill tailings;

(26) Spent nuclear fuel means irradiated nuclear fuel that has undergone at least one year of decay since being used as a source of energy in a power reactor. Spent nuclear fuel includes the special nuclear material, byproduct material, source material, and other radioactive material associated with fuel assemblies;

(27) Transuranic waste means radioactive waste material containing alpha-emitting radioactive elements, with radioactive half-lives greater than five years, having an atomic number greater than 92 in concentrations in excess of one hundred nanocuries per gram;

(28) Licensed practitioner means a person licensed to practice medicine, dentistry, podiatry, chiropractic, osteopathic medicine and surgery, or as an osteopathic physician;

(29) X-ray system means an assemblage of components for the controlled production of X-rays, including, but not limited to, an X-ray high-voltage generator, an X-ray control, a tube housing assembly, a beam-limiting device, and the necessary supporting structures. Additional components which function with the system are considered integral parts of the system;

(30) Licensed facility operator means any person or entity who has obtained a license under the Low-Level Radioactive Waste Disposal Act to operate a facility, including any person or entity to whom an assignment of a license is approved by the Department of Environment and Energy; and

(31) Deliberate misconduct means an intentional act or omission by a person that (a) would intentionally cause a licensee, registrant, or applicant for a

license or registration to be in violation of any rule, regulation, or order of or any term, condition, or limitation of any license or registration issued by the department under the Radiation Control Act or (b) constitutes an intentional violation of a requirement, procedure, instruction, contract, purchase order, or policy under the Radiation Control Act by a licensee, a registrant, an applicant for a license or registration, or a contractor or subcontractor of a licensee, registrant, or applicant for a license or registration.

71-3614 Cost of drugs and patient care; transportation; payment.

(1) When any person who has communicable tuberculosis and who has relatives, friends, or a private or public agency or organization willing to undertake the obligation to support him or her or to aid in supporting him or her in any other state or country, the department may furnish him or her with the cost of transportation to such other state or country if it finds that the interest of the State of Nebraska and the welfare of such person will be promoted thereby. The expense of such transportation shall be paid by the department out of funds appropriated to it for the purpose of carrying out the Tuberculosis Detection and Prevention Act.

(2) No funds appropriated to the department for the purpose of carrying out the act shall be used for meeting the cost of the care, maintenance, or treatment of any person who has communicable tuberculosis, for directed health measures, or for transportation to another state or country, to the extent that such cost is covered by an insurer or other third-party payor or any other entity under obligation to such person by contract, policy, certificate, or any other means whatsoever. The department in no case shall expend any such funds to the extent that any such person is able to bear the cost of such care, maintenance, treatment, or transportation. To protect the health and safety of the public, the department may pay, in part or in whole, the cost of drugs and medical care used to treat any person for or to prevent the spread of communicable tuberculosis and for evaluation and diagnosis of persons who have been identified as contacts of a person with communicable tuberculosis. The department shall determine the ability of a person to pay by consideration of the following factors: (a) The person's age, (b) the number of his or her dependents and their ages and physical condition, (c) the person's length of care, maintenance, or treatment, (d) his or her liabilities, (e) the extent that such cost is covered by an insurer or other third-party payor, and (f) his or her assets. Pursuant to the Administrative Procedure Act, the department shall adopt and promulgate rules and regulations for making the determinations required by this subsection.

71-3705 Brain Injury Assistance Program; created; administration.

(1) The Brain Injury Assistance Program is created. The program shall be administered by the Department of Health and Human Services through a contract with the University of Nebraska Medical Center. The program shall provide assistance for individuals with a brain injury by paying for contracts with outside sources that specialize in the area of brain injury. Such outside sources shall operate, at a minimum, statewide, and also in targeted areas as defined and determined in the contract, with individuals with a brain injury;

work to secure and develop community-based services for individuals with a brain injury; provide support groups and access to pertinent information, medical resources, and service referrals for individuals with a brain injury; and educate professionals who work with individuals with a brain injury.

(2) The program may provide assistance with the following activities, including, but not limited to:

(a) Resource facilitation. Resource facilitation shall be given priority and made available to provide ongoing support for individuals with a brain injury and their families for coping with brain injuries. Resource facilitation may provide a linkage to existing services and increase the capacity of the state's providers of services to individuals with a brain injury by providing brain-injury-specific information, support, and resources and enhancing the usage of support commonly available in a community. Agencies providing resource facilitation shall specialize in providing services to individuals with a brain injury and their families;

(b) Voluntary training for service providers in the appropriate provision of services to individuals with a brain injury;

(c) Followup contact to provide information on brain injuries for individuals on the brain injury registry established in the Brain Injury Registry Act;

(d) Activities to promote public awareness of brain injury and prevention methods;

(e) Supporting research in the field of brain injury;

(f) Providing and monitoring quality improvement processes with standards of care among brain injury service providers; and

(g) Collecting data and evaluating how the needs of individuals with a brain injury and their families are being met in this state.

(3) Administration costs of the program shall not be more than ten percent of the total expenditures of the program.

(4) Data collection and evaluation conducted pursuant to this section shall not be a burden or unnecessary hardship to individuals with a brain injury or service providers.

(5) Nothing in this section shall require a professional, provider, caregiver, or individual to receive training as a condition of receiving or providing nonmedical services to individuals with a brain injury.

MANUFACTURED HOMES, RECREATIONAL VEHICLES, AND MOBILE HOME PARKS

(a) MANUFACTURED HOMES AND RECREATIONAL VEHICLES

(b) MOBILE HOME PARKS

(a) MANUFACTURED HOMES AND RECREATIONAL VEHICLES

71-4603 Terms, defined.

For purposes of the Uniform Standard Code for Manufactured Homes and Recreational Vehicles, unless the context otherwise requires:

(1) Camping trailer means a vehicular portable unit mounted on wheels and constructed with collapsible partial side walls which fold for towing by another vehicle and unfold at the campsite to provide temporary living quarters for recreational, camping, or travel use;

(2) Commission means the Public Service Commission;

(3) Dealer means a person licensed by the state pursuant to the Motor Vehicle Industry Regulation Act as a dealer in manufactured homes or recreational vehicles or any other person, other than a manufacturer, who sells, offers to sell, distributes, or leases manufactured homes or recreational vehicles primarily to persons who in good faith purchase or lease a manufactured home or recreational vehicle for purposes other than resale;

(4) Defect means a failure to conform to an applicable construction standard that renders the manufactured home or recreational vehicle or any component of the manufactured home or recreational vehicle not fit for the ordinary use for which it was intended but does not result in an unreasonable risk of injury or death to occupants;

(5) Distributor means any person engaged in the sale and distribution of manufactured homes or recreational vehicles for resale;

(6) Failure to conform means a defect, a serious defect, noncompliance, or an imminent safety hazard related to the code;

(7) Fifth-wheel trailer means a unit mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, of such size or weight as not to require a special highway movement permit, and designed to be towed by a motorized vehicle that contains a towing mechanism that is mounted above or forward of the tow vehicle's rear axle;

(8) Gross trailer area means the total plan area measured on the exterior to the maximum horizontal projections of exterior wall in the setup mode and includes all siding, corner trims, moldings, storage spaces, expandable room sections regardless of height, and areas enclosed by windows but does not include roof overhangs. Storage lofts contained within the basic unit shall have ceiling heights less than five feet and shall not constitute additional square footage. Appurtenances, as defined in subdivision (2)(k) of section 60-6,288, shall not be considered in calculating the gross trailer area as provided in such subdivision;

(9) Imminent safety hazard means a hazard that presents an imminent and unreasonable risk of death or severe personal injury;

(10) Manufactured home means a structure, transportable in one or more sections, which in the traveling mode is eight body feet or more in width or forty body feet or more in length or when erected on site is three hundred twenty or more square feet and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to the required utilities and includes the plumbing, heating, air conditioning, and electrical systems contained in the structure, except that manufactured home includes any structure that meets all of the requirements of this subdivision other than the size requirements and with respect to which the manufacturer voluntarily files a certification required by the United States Secretary of Housing and Urban Development and complies with the standards established under the National Manufactured Housing Construction and Safety Standards Act of 1974, as such act existed on September 1, 2001, 42 U.S.C. 5401 et seq.;

(11) Manufactured-home construction means all activities relating to the assembly and manufacture of a manufactured home, including, but not limited to, activities relating to durability, quality, and safety;

(12) Manufactured-home safety means the performance of a manufactured home in such a manner that the public is protected against any unreasonable risk of the occurrence of accidents due to the design or construction of such manufactured home or any unreasonable risk of death or injury to the user or to the public if such accidents do occur;

(13) Manufacturer means any person engaged in manufacturing, assembling, or completing manufactured homes or recreational vehicles;

(14) Motor home means a vehicular unit primarily designed to provide temporary living quarters which are built into an integral part of, or permanently attached to, a self-propelled motor vehicle chassis or van, containing permanently installed independent life-support systems that meet the state standard for recreational vehicles and providing at least four of the following facilities: Cooking; refrigeration or ice box; self-contained toilet; heating, air conditioning, or both; a potable water supply system including a faucet and

sink; separate one-hundred-twenty-nominal-volt electrical power supply; or LP gas supply;

(15) Noncompliance means a failure to comply with an applicable construction standard that does not constitute a defect, a serious defect, or an imminent safety hazard;

(16) Park model recreational vehicle means a vehicular unit which meets the following criteria:

(a) Is designed and marketed as temporary living quarters for recreational, camping, travel, or seasonal use;

(b) Is not permanently affixed to real property for use as a permanent dwelling;

(c) Is built on a single chassis mounted on wheels with a gross trailer area not exceeding four hundred square feet in the set up mode; and

(d) Is certified by the manufacturer as complying with the ANSI A119.5 Park Model Recreational Vehicle Standard of the American National Standards Institute, 2020 edition;

(17) Person means any individual, partnership, limited liability company, company, corporation, or association engaged in manufacturing, selling, offering to sell, or leasing manufactured homes or recreational vehicles;

(18) Purchaser means the first person purchasing a manufactured home or recreational vehicle in good faith for purposes other than resale;

(19) Recreational vehicle means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, or travel use, which unit either has its own motive power or is mounted on or towed by another vehicle. Recreational vehicle includes, but is not limited to, travel trailer, park model recreational vehicle, camping trailer, truck camper, motor home, and van conversion;

(20) Seal means a device or insignia issued by the Department of Health and Human Services Regulation and Licensure prior to May 1, 1998, or by the Public Service Commission on or after May 1, 1998, to be displayed on the exterior of a manufactured home or recreational vehicle to evidence compliance with state standards. The federal manufactured-home label shall be recognized as a seal;

(21) Serious defect means a failure to conform to an applicable construction standard that renders the manufactured home or recreational vehicle or any component of the manufactured home or recreational vehicle not fit for the ordinary use for which it was intended and which results in an unreasonable risk of injury or death to the occupants;

(22) Travel trailer means a vehicular unit mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use of such size or weight as not to require special highway movement permits when towed by a motorized vehicle;

(23) Truck camper means a portable unit constructed to provide temporary living quarters for recreational, travel, or camping use, consisting of a roof, floor, and sides and designed to be loaded onto and unloaded from the bed of a pickup truck; and

(24) Van conversion means a completed vehicle permanently altered cosmetically, structurally, or both which has been recertified by the state as a multipur-

pose passenger vehicle but which does not conform to or otherwise meet the definition of a motor home in this section and which contains at least one plumbing, heating, or one-hundred-twenty-nominal-volt electrical component subject to the provisions of the state standard for recreational vehicles. Van conversion does not include any such vehicle that lacks any plumbing, heating, or one-hundred-twenty-nominal-volt electrical system but contains an extension of the low-voltage automotive circuitry.

71-4728.05 Interpreter Review Board; members; duties; expenses.

(1) The commission shall appoint the Interpreter Review Board as required in section 20-156.

(2) Members of the Interpreter Review Board shall be as follows:

(a) A representative of the Department of Health and Human Services and the executive director of the commission or his or her designee, both of whom shall serve continuously and without limitation;

(b) One qualified interpreter, appointed for a term to expire on June 30, 2008;

(c) One representative of local government, appointed for a term to expire on June 30, 2008;

(d) One deaf or hard of hearing person, appointed for a term to expire on June 30, 2009;

(e) One qualified interpreter, appointed for a term to expire on June 30, 2009;

(f) One deaf or hard of hearing person, appointed for a term to expire on June 30, 2010; and

(g) One representative of local government, appointed for a term to expire on June 30, 2010.

(3) Upon the expiration of the terms described in subsection (2) of this section, members other than those identified in subdivision (2)(a) of this section shall be appointed for terms of three years. No such member may serve more than two consecutive three-year terms beginning June 30, 2007, except that members whose terms have expired shall continue to serve until their successors have been appointed and qualified.

(4) The commission may remove a member of the board for inefficiency, neglect of duty, or misconduct in office after delivering to such member a copy of the charges and a public hearing in accordance with the Administrative Procedure Act. If a vacancy occurs on the board, the commission shall appoint another member with the same qualifications as the vacating member to serve the remainder of the term. The members of the board shall receive no compensation but shall be reimbursed for expenses as provided in sections 81-1174 to 81-1177 in attending meetings of the commission and in carrying out their official duties as provided in this section and section 20-156.

(5) The board shall establish policies, standards, and procedures for evaluating and licensing interpreters, including, but not limited to, testing, training, issuance, renewal, and denial of licenses, continuing education and continuing competency assessment, investigation of complaints, and disciplinary actions against a license pursuant to section 20-156.

71-4746 Language assessment program; children from birth through five years of age; scope; report.

(1) The State Department of Education, in collaboration with the Commission for the Deaf and Hard of Hearing, shall establish and coordinate a language

assessment program for children who are deaf or hard of hearing. The program shall assess, monitor, and track the language developmental milestones for children from birth through five years of age who are deaf or hard of hearing. The scope of the program shall include children who use one or more communication modes in American Sign Language, English literacy, and, if applicable, spoken English and visual supplements.

(2) Language assessments shall be given as needed to each child who is deaf or hard of hearing and who is less than six years of age in compliance with the Special Education Act and the federal Individuals with Disabilities Education Act, as such act existed on January 1, 2020. Such language assessments shall be provided in accordance with the provisions of this section and any recommendations adopted pursuant to this section.

(3) On or before December 31, 2022, and on or before each December 31 thereafter, the State Department of Education and the Commission for the Deaf and Hard of Hearing shall publish a joint report that is specific to language and literacy developmental milestones for each age from birth through five years of age of children who are deaf or hard of hearing, including children who are deaf or hard of hearing and have another disability, relative to such children's peers who are not deaf or hard of hearing. Such report shall be based on existing data annually reported by the State Department of Education in compliance with the federally required state performance plan on pupils with disabilities. The State Department of Education and the Commission for the Deaf and Hard of Hearing shall each publish the report on their respective websites. The report shall be electronically submitted to the Education Committee of the Legislature and the Clerk of the Legislature.

71-4747 Advisory committee; members; meetings; quorum; duties; termination.

(1) The Commission for the Deaf and Hard of Hearing shall appoint an advisory committee to advise the commission regarding all aspects of the language assessment program established pursuant to section 71-4746. The advisory committee shall consist of fourteen members as follows:

(a) One member shall be a credentialed teacher of the deaf who uses both American Sign Language and English during instruction;

(b) One member shall be a credentialed teacher of the deaf who uses spoken English, with or without visual supplements, during instruction;

(c) One member shall be a credentialed teacher of the deaf who has expertise in curriculum development and instruction for American Sign Language and English;

(d) One member shall be a credentialed teacher of the deaf who has expertise in assessing language development in both American Sign Language and English;

(e) One member shall be a speech language pathologist who has experience working with children from birth through five years of age;

(f) One member shall be a professional with a linguistic background who conducts research on language outcomes of children who are deaf or hard of hearing and who uses both American Sign Language and English;

(g) One member shall be a parent of a child who is deaf or hard of hearing and who uses both American Sign Language and English;

(h) One member shall be a parent of a child who is deaf or hard of hearing and who uses spoken English with or without visual supplements;

(i) One member shall be knowledgeable about teaching and using both American Sign Language and English in the education of children who are deaf or hard of hearing;

(j) One member shall be a community member representing the deaf community;

(k) One member shall be a community member representing the hard of hearing community;

(l) One member shall be the state liaison for any regional programs for the education of children who are deaf or hard of hearing, coordinated through the State Department of Education, or the state liaison's designee;

(m) One member shall be a member of the Commission for the Deaf and Hard of Hearing; and

(n) One member shall be the coordinator of a network that provides service coordination for children with special needs who are below three years of age or the coordinator's designee.

(2) On or before December 30, 2020, the executive director of the Commission for the Deaf and Hard of Hearing shall call an organizational meeting of the advisory committee. At such organizational meeting, the members shall elect a chairperson and vice-chairperson from the membership of the advisory committee. The advisory committee may meet at any time and at any place within the state on the call of the chairperson. A quorum of the advisory committee shall be six members. All actions of the advisory committee shall be by motion adopted by a majority of those members present when there is a quorum.

(3) On or before July 1, 2022, the advisory committee shall develop specific action plans and make recommendations necessary to fully implement the language assessment program. The advisory committee shall:

(a) Collaborate with the coordinating council for a network that provides service coordination for children with special needs who are below three years of age and an advisory council that provides policy guidance to the State Department of Education;

(b) Solicit input from professionals trained in the language development and education of children who are deaf or hard of hearing on the selection of specific language developmental milestones;

(c) Review and recommend the use of existing and available language assessments for children who are deaf or hard of hearing;

(d) Recommend qualifications for identifying language professionals with knowledge of the use of evidence-based, best practices in English and American Sign Language who can be available to advocate at individualized family service plan or individualized education program team meetings;

(e) Recommend qualifications for identifying language assessment evaluators with knowledge of the use of evidence-based, best practices with children who are deaf or hard of hearing and the resources for locating such evaluators; and

(f) Recommend procedures and methods for communicating information on language acquisition, assessment results, milestones, assessment tools used, and progress of the child to the parent or legal guardian of such child and the teachers and other professionals involved in the early intervention and education of such child.

(4) The specific action plans and recommendations developed by the advisory committee shall include, but are not limited to, the following:

(a) Language assessments that include data collection and timely tracking of the child's development so as to provide information about the child's receptive and expressive language compared to such child's linguistically age-appropriate peers who are not deaf or hard of hearing;

(b) Language assessments conducted in accordance with standardized norms and timelines in order to monitor and track language developmental milestones in receptive, expressive, social, and pragmatic language acquisition and developmental stages to show progress in American Sign Language literacy, English literacy, or both, for all children from birth through five years of age who are deaf or hard of hearing;

(c) Language assessments delivered in the child's mode of communication and which have been validated for the specific purposes for which each assessment is used, and appropriately normed;

(d) Language assessments administered by individuals who are proficient in American Sign Language for American Sign Language assessments and English for English assessments;

(e) Use of assessment results, in addition to the results of the assessment required by federal law, for guidance in the language developmental discussions by individualized family service plan or individualized education program team meetings when assessing the child's progress in language development;

(f) Reporting of assessment results to the parents or legal guardian of the child and any applicable agency;

(g) Reporting of assessment results on an aggregated basis to the Education Committee of the Legislature, the Clerk of the Legislature, and the Governor; and

(h) Reporting of assessment results to the members of the child's individualized family service plan or individualized education program team, which assessment results may be used, in addition to the results of the assessment required by federal law, by the child's individualized family service plan or individualized education program team, as applicable, to track the child's progress, and to establish or modify the individualized family service plan or individualized education program.

(5) The advisory committee appointed pursuant to this section shall terminate on July 1, 2022.

(c) BONE MARROW DONATIONS

(c) BONE MARROW DONATIONS

71-4819 Department of Health and Human Services; education regarding bone marrow donors; powers and duties.

(1) The Department of Health and Human Services shall educate residents of the state about:

(a) The need for bone marrow donors;

(b) Patient populations benefiting from bone marrow donations;

(c) How to acquire a free buccal swab kit from a bone marrow registry;

(d) The procedures required to become registered as a potential bone marrow donor, including the procedures for determining tissue type; and

(e) The medical procedures a donor must undergo to donate bone marrow and the attendant risks of the procedures.

(2) The department shall provide information and educational materials to the public regarding bone marrow donation. The department shall seek assistance from the national marrow donor program to establish a system to distribute materials, ensure that the materials are updated periodically, and fully disclose the risks involved in donating bone marrow. The department shall make special efforts to educate and recruit persons of racial and ethnic minorities to volunteer as potential bone marrow donors.

(3) The department may use the press, radio, and television and may place educational materials in appropriate health care facilities, blood banks, and state and local agencies. The department, in conjunction with the Director of Motor Vehicles, shall make educational materials available at all places where motor vehicle operators' licenses are issued or renewed.

(d) DONOR REGISTRY OF NEBRASKA

71-4822 Donor Registry of Nebraska; establishment; duties; restriction on information.

(1) The federally designated organ procurement organization for Nebraska shall use the information received from the Department of Motor Vehicles under section 60-494 and the Game and Parks Commission under section 37-406.01 to establish and maintain the Donor Registry of Nebraska. A procurement organization located outside of Nebraska may obtain information from the Donor Registry of Nebraska when a Nebraska resident is listed as a donor on the registry and is not located in Nebraska immediately preceding or at the time of his or her death. The federally designated organ procurement organization for Nebraska may receive donor information from sources other than the Department of Motor Vehicles and shall pay all costs associated with creating and maintaining the Donor Registry of Nebraska.

(2) It is the intent of the Legislature that the Donor Registry of Nebraska facilitate organ and tissue donations and not inhibit such donations. A person does not need to be listed on the Donor Registry of Nebraska to be an organ and tissue donor.

(3) No person shall obtain information from the Donor Registry of Nebraska for the purpose of fundraising or other commercial use. Information obtained from the Donor Registry of Nebraska may only be used to facilitate the donation process at the time of the donor's death. General statistical information may be provided upon request to the federally designated organ procurement organization for Nebraska.

(a) NEBRASKA SAFE DRINKING WATER ACT

71-5301 Terms, defined.

For purposes of the Nebraska Safe Drinking Water Act, unless the context otherwise requires:

(1) Council means the Advisory Council on Public Water Supply;

(2) Department means the Department of Environment and Energy;

(3) Director means the Director of Environment and Energy or his or her authorized representative;

(4) Designated agent means any political subdivision or corporate entity having the demonstrated capability and authority to carry out in whole or in part the Nebraska Safe Drinking Water Act and with which the director has consummated a legal and binding contract covering specifically delegated responsibilities;

(5) Major construction, extension, or alteration means those structural changes that affect the source of supply, treatment processes, or transmission of water to service areas but does not include the extension of service mains within established service areas;

(6) Operator means the individual or individuals responsible for the continued performance of the water supply system or any part of such system during assigned duty hours;

(7) Owner means any person owning or operating a public water system;

(8) Person means any individual, corporation, firm, partnership, limited liability company, association, company, trust, estate, public or private institution, group, agency, political subdivision, or other entity or any legal successor, representative, agent, or agency of any of such entities;

(9) Water supply system means all sources of water and their surroundings under the control of one owner and includes all structures, conduits, and appurtenances by means of which such water is collected, treated, stored, or delivered except service pipes between street mains and buildings and the plumbing within or in connection with the buildings served;

(10)(a) Public water system means a system for providing the public with water for human consumption through pipes or other constructed conveyances, if such system has at least fifteen service connections or regularly serves an average of at least twenty-five individuals daily at least sixty days per year. Public water system includes (i) any collection, treatment, storage, and distribution facilities under control of the operator of such system and used primarily in connection with such system and (ii) any collection or pretreatment storage facilities not under such control which are used primarily in connection with

such system. Public water system does not include a special irrigation district. A public water system is either a community water system or a noncommunity water system.

(b) Service connection does not include a connection to a system that delivers water by a constructed conveyance other than a pipe if (i) the water is used exclusively for purposes other than residential uses, consisting of drinking, bathing, cooking, and other similar uses, (ii) the department determines that alternative water to achieve the equivalent level of public health protection provided by the Nebraska Safe Drinking Water Act and rules and regulations under the act is provided for residential or similar uses for drinking and cooking, or (iii) the department determines that the water provided for residential or similar uses for drinking, cooking, and bathing is centrally treated or treated at the point of entry by the provider, a pass-through entity, or the user to achieve the equivalent level of protection provided by the Nebraska Safe Drinking Water Act and the rules and regulations under the act.

(c) Special irrigation district means an irrigation district in existence prior to May 18, 1994, that provides primarily agricultural service through a piped water system with only incidental residential or similar use if the system or the residential or similar users of the system comply with exclusion provisions of subdivision (b)(ii) or (iii) of this subdivision;

(11) Drinking water standards means rules and regulations adopted and promulgated pursuant to section 71-5302 which (a) establish maximum levels for harmful materials which, in the judgment of the director, may have an adverse effect on the health of persons and (b) apply only to public water systems;

(12) Lead free means (a) not containing more than two-tenths percent lead when used with respect to solder and flux and (b) not containing more than a weighted average of twenty-five hundredths percent lead when used with respect to the wetted surfaces of pipes, pipe fittings, plumbing fittings, and fixtures;

(13) Community water system means a public water system that (a) serves at least fifteen service connections used by year-round residents of the area served by the system or (b) regularly serves at least twenty-five year-round residents;

(14) Noncommunity water system means a public water system that is not a community water system;

(15) Nontransient noncommunity water system means a public water system that is not a community water system and that regularly serves at least twenty-five of the same individuals over six months per year; and

(16) Federal Safe Drinking Water Act means the federal Safe Drinking Water Act, 42 U.S.C. 300f et seq., as the act existed on January 1, 2021.

Source: Laws 1976, LB 821, § 1; Laws 1988, LB 383, § 1; Laws 1993, LB 121, § 441; Laws 1996, LB 1044, § 712; Laws 1997, LB 517, § 17; Laws 2001, LB 667, § 28; Laws 2003, LB 31, § 3; Laws 2004, LB 1005, § 98; Laws 2007, LB296, § 608; Laws 2007, LB463, § 1223; Laws 2012, LB723, § 1; Laws 2016, LB899, § 1; Laws 2021, LB148, § 72.

71-5301.01 Use of lead-free materials; rules and regulations.

The director may adopt and promulgate rules and regulations regarding the use of lead-free materials in public water systems in compliance with standards established in accordance with the federal Safe Drinking Water Act.

Source: Laws 1988, LB 383, § 2; Laws 2001, LB 667, § 29; Laws 2016, LB899, § 2; Laws 2021, LB148, § 73.

71-5302 Drinking water and monitoring standards; harmful materials; how determined; applicability; priority system.

(1) The director shall adopt and promulgate necessary minimum drinking water standards, in the form of rules and regulations, to insure that drinking water supplied to consumers through all public water systems shall not contain amounts of chemical, radiological, physical, or bacteriological material determined by the director to be harmful to human health.

(2) The director may adopt and promulgate rules and regulations to require the monitoring of drinking water supplied to consumers through public water systems for chemical, radiological, physical, or bacteriological material determined by the director to be potentially harmful to human health.

(3) In determining what materials are harmful or potentially harmful to human health and in setting maximum levels for such harmful materials, the director shall be guided by:

(a) General knowledge of the medical profession and related scientific fields as to materials and substances which are harmful to humans if ingested through drinking water; and

(b) General knowledge of the medical profession and related scientific fields as to the maximum amounts of such harmful materials which may be ingested by human beings, over varying lengths of time, without resultant adverse effects on health.

(4) Subject to section 71-5310, state drinking water standards shall apply to each public water system in the state, except that such standards shall not apply to a public water system:

(a) Which consists only of distribution and storage facilities and does not have any collection and treatment facilities;

(b) Which obtains all of its water from, but is not owned or operated by, a public water system to which such standards apply;

(c) Which does not sell water to any person; and

(d) Which is not a carrier which conveys passengers in interstate commerce.

(5) The director may adopt alternative monitoring requirements for public water systems in accordance with section 1418 of the federal Safe Drinking Water Act.

(6) The director may adopt a system for the ranking of safe drinking water projects with known needs or for which loan applications have been received by the director. In establishing the ranking system the director shall consider, among other things, the risk to human health, compliance with the federal Safe Drinking Water Act, and assistance to systems most in need based upon

affordability criteria adopted by the director. This priority system shall be reviewed annually by the director.

71-5304 Rules and regulations; construction and operation of system; objectives.

(1) The director shall adopt and promulgate, as necessary, minimum rules and regulations governing the siting, design, construction, alteration, classification, and operation of public water systems to insure that such public water systems shall not contain amounts of chemical, radiological, physical, or bacteriological materials which are determined by the director, pursuant to section 71-5302, to be harmful to the physical health of human beings. In adopting such rules and regulations, the director shall attempt to meet the following objectives:

(a) Insure that facilities are physically separated, to the greatest extent possible, from water or land areas which contain high levels of materials which are harmful to humans;

(b) Insure that such facilities, and all parts thereof, are physically sealed so that leakage of harmful materials into the public water system itself from sources outside the system shall not occur;

(c) Insure that all materials which are used in the construction of a system shall not place harmful materials into the public water system;

(d) Insure that all chemicals or other substances used to treat and purify water are free from harmful materials; and

(e) Insure, to the greatest extent possible, that such rules and regulations will allow uninterrupted and efficient operation of public water systems.

(2) The rules and regulations may contain differences and distinctions based on one or more of the following: Physical size of the facilities, number of persons served, system classification, source of water, treatment technique and purpose, and distribution complexity, so long as the objectives of this section are met.

71-5306 Director; powers and duties; Safe Drinking Water Act Cash Fund; created; use; investment.

(1) To carry out the provisions and purposes of the Nebraska Safe Drinking Water Act, the director may:

(a) Enter into agreements, contracts, or cooperative arrangements, under such terms as are deemed appropriate, with other state, federal, or interstate agencies or with municipalities, educational institutions, local health departments, or other organizations, entities, or individuals;

(b) Require all laboratory analyses to be performed at the Department of Health and Human Services, Division of Public Health, Environmental Labora-

tory, or at any other certified laboratory which has entered into an agreement for such services with the Department of Health and Human Services pursuant to section 71-2618;

(c) Receive financial and technical assistance from an agency of the federal government or from any other public or private agency;

(d) Enter the premises of a public water system at any time for the purpose of conducting monitoring, making inspections, or collecting water samples for analysis;

(e) Delegate those responsibilities and duties as deemed appropriate for the purpose of administering the requirements of the Nebraska Safe Drinking Water Act, including entering into agreements with designated agents which shall perform specifically delegated responsibilities and possess specifically delegated powers;

(f) Require the owner and operator of a public water system to establish and maintain records, make reports, and provide information as the department may reasonably require by regulation to enable it to determine whether such owner or operator has acted or is acting in compliance with the Nebraska Safe Drinking Water Act and rules and regulations adopted pursuant thereto. The department or its designated agent shall have access at all times to such records and reports; and

(g) Assess by regulation a fee for any review of plans and specifications pertaining to a public water system governed by section 71-5305 in order to defray no more than the actual cost of the services provided.

(2) All fees collected by the department pursuant to this section shall be remitted to the State Treasurer for credit to the Safe Drinking Water Act Cash Fund, which is hereby created. Such fund shall be used by the department for the purpose of administering the Nebraska Safe Drinking Water Act. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

71-5308 License; application; fees; renewal.

(1) An applicant shall submit an application and the applicable fees for a license to act as a licensed operator of a public water system to the department.

(2) The director shall adopt and promulgate rules and regulations to establish and collect fees to cover all reasonable and necessary costs of licensing activities, including a reasonable reserve. If an application for a license is denied or withdrawn, the department may retain a portion of the fee to cover the costs of the application process. The fees shall be waived for initial licenses for low-income individuals, military families, and young workers as those terms are defined in the Uniform Credentialing Act.

(3) The director shall remit fees collected under the Nebraska Safe Drinking Water Act to the State Treasurer for credit to the Safe Drinking Water Act Cash Fund.

(4) A license shall expire on December 31 of odd-numbered years. The director may renew a license upon application by the licensee, payment of the applicable fees, and a determination by the director that the licensee has complied with the act and the rules and regulations adopted and promulgated under the act.

71-5309 Qualifications of operators of public water system; licenses; issuance; rules and regulations; expired license; relicensure; department; powers and duties; disciplinary action; grounds.

(1) The director shall adopt and promulgate, as necessary, minimum rules and regulations governing the qualifications of operators of public water systems. In adopting such rules and regulations, the director shall give consideration to the levels of training and experience which are required, in the opinion of the director, to insure to the greatest extent possible that the public water systems shall be operated in such a manner that (a) maximum efficiency can be attained, (b) interruptions in service will not occur, (c) chemical treatment of the water will be adequate to maintain purity and safety, and (d) harmful materials will not enter the public water system.

(2) The director may require, by rule and regulation, that the applicant for a license successfully pass an examination on the subject of operation of a public water system. The rules and regulations, and any tests so administered, may set out different requirements for public water systems based on one or more of the following: Physical size of the facilities, number of persons served, system classification, source of water, treatment technique and purpose, and distribution complexity, so long as the criteria set forth in this section are followed.

(3) An applicant for a license as a public water system operator under the Nebraska Safe Drinking Water Act who previously held a license or certification as a public water system operator under the act and whose license or certification expired two years or more prior to the date of application shall take the examination required to be taken by an applicant for an initial license under the act. The department's review of the application for licensure by an applicant under this subsection shall include the results of such examination and the applicant's experience and training. The department may by rules and regulations establish requirements for relicensure under the act which are more stringent for applicants whose license is expired or has been revoked or suspended than those for applicants for initial licensure.

(4) The director may adopt and promulgate rules and regulations as necessary to establish procedures for licensing, including, but not limited to, issuance of temporary or emergency licenses, reinstatement of licenses, and reciprocal licensure agreements with other states.

(5) The director may deny, revoke, or suspend a license after notice and an opportunity for a hearing. Grounds for denial, revocation, or suspension include, but are not limited to, (a) fraud or deception by the applicant or licensee, (b) failure to use reasonable care in the performance of licensed activities, (c) inability of the applicant or licensee to perform licensed activities properly, (d) failure to maintain the minimum requirements for licensure or operation established by the act or the rules and regulations adopted and promulgated under the act, or (e) any other violation of the act or the rules and regulations adopted and promulgated under the act.

71-5310 Director; authorize variances or exemptions to standards; procedure.

(1) The director, with the approval of the council, may authorize variances or exemptions from the drinking water standards issued pursuant to section 71-5302 under conditions and in such manner as they deem necessary and desirable. Such variances or exemptions shall be permitted under conditions and in a manner which are not less stringent than the conditions under, and the manner in which, variances and exemptions may be granted under the federal Safe Drinking Water Act.

(2) Prior to granting a variance or an exemption, the director shall provide notice, in a newspaper of general circulation serving the area served by the public water system, of the proposed exemption or variance and that interested persons may request a public hearing on the proposed exemption or variance. The director may require the system to provide other appropriate notice necessary to provide adequate notice to persons served by the system.

(3) If a public hearing is requested, the director shall set a time and place for the hearing and such hearing shall be held before the department prior to the variance or exemption being issued. Frivolous and insubstantial requests for a hearing may be denied by the director. An exemption or variance shall be conditioned on monitoring, testing, analyzing, or other requirements to insure the protection of the public health. A variance or an exemption granted shall include a schedule of compliance under which the public water system is required to meet each contaminant level or treatment technique requirement for which a variance or an exemption is granted within a reasonable time as specified by the director with the approval of the council.

71-5312.01 Existing rules, regulations, licenses, certificates, forms of approval, suits, other proceedings; how treated.

(1) All rules and regulations adopted prior to July 1, 2021, under the Nebraska Safe Drinking Water Act shall continue to be effective to the extent not in conflict with the changes made by Laws 2021, LB148.

(2) All licenses, certificates, or other forms of approval issued prior to July 1, 2021, in accordance with the Nebraska Safe Drinking Water Act shall remain

valid as issued for purposes of the changes made by Laws 2021, LB148, unless revoked or otherwise terminated by law.

(3) Any suit, action, or other proceeding, judicial or administrative, which was lawfully commenced prior to July 1, 2021, under the Nebraska Safe Drinking Water Act shall be subject to the provisions of the act as they existed prior to July 1, 2021.

(b) DRINKING WATER STATE REVOLVING FUND ACT

71-5316 Terms, defined.

For purposes of the Drinking Water State Revolving Fund Act, unless the context otherwise requires:

(1) Safe Drinking Water Act means the federal Safe Drinking Water Act, as the act existed on October 23, 2018;

(2) Construction means any of the following: Preliminary planning to determine the feasibility of a safe drinking water project for a public water system; engineering, architectural, legal, fiscal, or economic investigations or studies; surveys, designs, plans, working drawings, specifications, procedures, or other necessary preliminary actions; erection, building, acquisition, alteration, remodeling, improvement, or extension of public water systems; or the inspection or supervision of any of such items;

(3) Council means the Environmental Quality Council;

(4) Department means the Department of Environment and Energy;

(5) Director means the Director of Environment and Energy;

(6) Operate and maintain means all necessary activities, including the normal replacement of equipment or appurtenances, to assure the dependable and economical function of a public water system in accordance with its intended purpose;

(7) Owner means any person owning or operating a public water system;

(8) Public water system has the definition found in section 71-5301; and

(9) Safe drinking water project means the structures, equipment, surroundings, and processes required to establish and operate a public water system.

Source: Laws 1997, LB 517, § 5; Laws 2001, LB 667, § 45; Laws 2019, LB302, § 91; Laws 2019, LB307, § 1.

71-5318 Drinking Water Facilities Loan Fund; Land Acquisition and Source Water Loan Fund; Drinking Water Administration Fund; created; use; investment.

(1) The Drinking Water Facilities Loan Fund is created. The fund shall be held as a trust fund for the purposes and uses described in the Drinking Water State Revolving Fund Act.

The fund shall consist of federal capitalization grants, state matching appropriations, proceeds of state match bond issues credited to the fund, repayments of principal and interest on loans, transfers made pursuant to section 71-5327, and other money designated for the fund. The director may make loans from the fund pursuant to the Drinking Water State Revolving Fund Act and may conduct activities related to financial administration of the fund, administration

or provision of technical assistance through public water system source water assessment programs, and implementation of a source water petition program under the Safe Drinking Water Act. The state investment officer shall invest any money in the fund available for investment pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act, except that any bond proceeds in the fund shall be invested in accordance with the terms of the documents under which the bonds are issued. The state investment officer may direct that the bond proceeds shall be deposited with the bond trustee for investment. Investment earnings shall be credited to the fund.

The department may create or direct the creation of accounts within the fund as the department determines to be appropriate and useful in administering the fund and in providing for the security, investment, and repayment of bonds.

The fund and the assets thereof may be used, to the extent permitted by the Safe Drinking Water Act and the regulations adopted and promulgated pursuant to such act, to (a) pay or to secure the payment of bonds and the interest thereon, except that amounts deposited into the fund from state appropriations and the earnings on such appropriations may not be used to pay or to secure the payment of bonds or the interest thereon, and (b) buy or refinance the debt obligation of any municipality for a public water supply system if the debt was incurred and construction began after July 1, 1993.

The director may transfer any money in the Drinking Water Facilities Loan Fund to the Wastewater Treatment Facilities Construction Loan Fund to meet the purposes of section 71-5327. The director shall identify any such transfer in the intended use plan presented to the council for annual review and adoption pursuant to section 71-5321.

(2) The Land Acquisition and Source Water Loan Fund is created. The fund shall be held as a trust for the purposes and uses described in the Drinking Water State Revolving Fund Act.

The fund shall consist of federal capitalization grants, state matching appropriations, proceeds of state match bond issues credited to the fund, repayments of principal and interest on loans, and other money designated for the fund. The director may make loans from the fund pursuant to the Drinking Water State Revolving Fund Act and may conduct activities other than the making of loans permitted under section 1452(k) of the Safe Drinking Water Act. The state investment officer shall invest any money in the fund available for investment pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act, except that any bond proceeds in the fund shall be invested in accordance with the terms of the documents under which the bonds are issued. The state investment officer may direct that the bond proceeds shall be deposited with the bond trustee for investment. Investment earnings shall be credited to the fund.

The department may create or direct the creation of accounts within the fund as the department determines to be appropriate and useful in administering the fund and in providing for security, investment, and repayment of bonds.

The fund and assets thereof may be used, to the extent permitted by the Safe Drinking Water Act and the regulations adopted and promulgated pursuant to such act, to pay or secure the payment of bonds and the interest thereon, except that amounts credited to the fund from state appropriations and the earnings on such appropriations may not be used to pay or to secure the payment of bonds or the interest thereon.

The director may transfer any money in the Land Acquisition and Source Water Loan Fund to the Drinking Water Facilities Loan Fund.

(3) There is hereby created the Drinking Water Administration Fund. Any funds available for administering loans or fees collected pursuant to the Drinking Water State Revolving Fund Act shall be remitted to the State Treasurer for credit to such fund. The fund shall be administered by the department for the purposes of the act. The state investment officer shall invest any money in the fund available for investment pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act. Investment earnings shall be credited to the fund.

The fund and assets thereof may be used, to the extent permitted by the Safe Drinking Water Act and the regulations adopted and promulgated pursuant to such act, to fund subdivisions (9), (11), and (12) of section 71-5322. The annual obligation of the state pursuant to subdivisions (9) and (12) of section 71-5322 shall not exceed sixty-five percent of the revenue from administrative fees collected pursuant to section 71-5321 in the prior fiscal year.

The director may transfer any money in the Drinking Water Administration Fund to the Drinking Water Facilities Loan Fund to meet the state matching appropriation requirements of any applicable federal capitalization grants or to meet the purposes of subdivision (9) of section 71-5322.

71-5322 Department; powers and duties.

The department shall have the following powers and duties:

(1) The power to establish a program to make loans to owners of public water systems, individually or jointly, for construction or modification of safe drinking water projects in accordance with the Drinking Water State Revolving Fund Act and the rules and regulations of the council adopted and promulgated pursuant to such act;

(2) The power, if so authorized by the council pursuant to section 71-5321, to execute and deliver documents obligating the Drinking Water Facilities Loan Fund or the Land Acquisition and Source Water Loan Fund and the assets thereof to the extent permitted by section 71-5318 to repay, with interest, loans to or credits into such funds and to execute and deliver documents pledging to the extent permitted by section 71-5318 all or part of such funds and assets to secure, directly or indirectly, the loans or credits;

(3) The duty to prepare an annual report for the Governor and the Legislature. The report submitted to the Legislature shall be submitted electronically;

(4) The duty to establish fiscal controls and accounting procedures sufficient to assure proper accounting during appropriate accounting periods, including the following:

(a) Accounting from the Nebraska Investment Finance Authority for the costs associated with the issuance of bonds pursuant to the act;

(b) Accounting for payments or deposits received by the funds;

(c) Accounting for disbursements made by the funds; and

(d) Balancing the funds at the beginning and end of the accounting period;

(5) The duty to establish financial capability requirements that assure sufficient revenue to operate and maintain a facility for its useful life and to repay the loan for such facility;

(6) The power to determine the rate of interest to be charged on a loan in accordance with the rules and regulations adopted and promulgated by the council;

(7) The power to develop an intended use plan for adoption by the council;

(8) The power to enter into required agreements with the United States Environmental Protection Agency pursuant to the Safe Drinking Water Act;

(9) The power to enter into agreements to provide grants and loan forgiveness concurrent with loans to public water systems that provide service to ten thousand persons or less, that are operated by political subdivisions, and that demonstrate serious financial hardships. The department may enter into agreements for up to seventy-five percent of the eligible project cost. Such agreements shall contain a provision that payment of the amount allocated is conditional upon the availability of appropriated funds;

(10) The power to enter into agreements to provide grants and loan forgiveness, for up to seventy-five percent of eligible project costs, concurrent with loans to public water systems for lead service line replacement projects in accordance with all federal regulatory and statutory provisions;

(11) The power to provide emergency funding to public water systems operated by political subdivisions with drinking water facilities which have been damaged or destroyed by natural disaster or other unanticipated actions or circumstances. Such funding shall not be used for routine repair or maintenance of facilities;

(12) The power to provide financial assistance consistent with the intended use plan, described in subdivision (7) of this section, for completion of engineering studies, research projects to investigate low-cost options for achieving compliance with safe drinking water standards, preliminary engineering reports, regional water system planning, source water protection, and other studies for the purpose of enhancing the ability of communities to meet the requirements of the Safe Drinking Water Act, to public water systems that provide service to ten thousand persons or less, that are operated by political subdivisions, and that demonstrate serious financial hardships. The department may enter into agreements for up to ninety percent of the eligible project cost. Such agreements shall contain a provision that payment of the amount obligated is conditional upon the availability of appropriated funds; and

(13) Such other powers as may be necessary and appropriate for the exercise of the duties created under the Drinking Water State Revolving Fund Act.

(c) LEAD SERVICE LINES

71-5328 Lead Service Line Cash Fund; created; use; investment; Department of Environment and Energy; grants; authorized.

(1) For purposes of this section:

(a) Department means the Department of Environment and Energy;

(b) Metropolitan utilities district means a district created pursuant to section 14-2101; and

(c) Qualified labor training organization means any job training service provider headquartered in the State of Nebraska with a demonstrated history of providing workforce training relevant to the skilled labor necessary for the removal and replacement of lead service lines.

(2) The Lead Service Line Cash Fund is created. The fund shall be administered by the department. The fund shall consist of funds transferred by the Legislature. The fund shall be used for grants under subsections (3) and (4) of this section. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(3) The department shall utilize not more than twenty percent of the money in the Lead Service Line Cash Fund for the purpose of providing grants to qualified labor training organizations for the following:

(a) Infrastructure expenditures necessary to establish a lead service line training facility or for any expenditures necessary to establish a lead service line training program; or

(b) Labor training or any educational programming expenditures necessary to provide the proper trade skills necessary for laborers and plumbers to replace lead service lines.

(4) The department shall utilize all remaining money in the Lead Service Line Cash Fund for the purpose of providing grants to metropolitan utilities districts for the following:

(a) Removing and replacing lead service lines;

(b) Repaying debt incurred for any loan received by the metropolitan utilities district for the purpose of replacing lead service lines, including any loan or loans under the federal Drinking Water State Revolving Fund or any other loan incurred specifically for the purpose of removing lead service lines;

(c) Providing information to residents on the benefits of removing lead service lines;

(d) Performing necessary construction, assessment, mapping, or any other labor, management, or contracted services required for and associated with removing and replacing lead service lines; or

(e) Acquiring any equipment, materials, or supplies necessary to replace lead service lines.

(5) The department may adopt and promulgate rules and regulations to carry out this section.

71-5663 Amount of financial assistance; limitation.

(1) The amount of financial assistance provided through student loans pursuant to the Rural Health Systems and Professional Incentive Act shall be limited to thirty thousand dollars for each recipient for each academic year and, except as provided in subdivision (4)(a) of this section, shall not exceed one hundred twenty thousand dollars per medical, dental, or doctorate-level mental health student or thirty thousand dollars per master's level mental health or physician assistant student.

(2) The amount of financial assistance provided through the medical resident incentive program pursuant to the act shall be limited to forty thousand dollars for each recipient for each year of residency and, except as provided in subdivision (4)(b) of this section, shall not exceed one hundred twenty thousand dollars.

(3) The amount of financial assistance provided by the state through loan repayments pursuant to the act (a) for physicians, psychiatrists, dentists, and psychologists shall be limited to thirty thousand dollars per recipient per year of full-time practice in a designated health profession shortage area and, except as provided in subdivision (4)(c) of this section, shall not exceed ninety thousand dollars per recipient and (b) for physician assistants, nurse practitioners, pharmacists, physical therapists, occupational therapists, and mental health practitioners shall be limited to fifteen thousand dollars per recipient per year of full-time practice in a designated health profession shortage area and, except as provided in subdivision (4)(c) of this section, shall not exceed forty-five thousand dollars per recipient.

(4)(a) The total amount of financial assistance provided through student loans for a doctorate-level mental health student or master's level mental health student shall be the full amount of such loans for a person who practices psychiatry, psychology, or mental health practice:

(i) For at least five years in a designated health profession shortage area; and

(ii) If all or a majority of such practice consists of the treatment of members of the community supervision population.

(b) The total amount of financial assistance provided through the medical resident incentive program for a psychiatrist shall be the full amount of such psychiatrist's qualified educational debts if such person practices psychiatry:

(i) For at least five years in a designated health profession shortage area; and

(ii) If all or a majority of such practice consists of the treatment of members of the community supervision population.

(c) The total amount of financial assistance provided through loan repayments pursuant to the act for psychiatrists, psychologists, and mental health practitioners shall be the full amount of such person's qualified educational debts if such person practices psychiatry, psychology, or mental health practice:

(i) For at least five years in a designated health profession shortage area; and

(ii) If all or a majority of such practice consists of the treatment of members of the community supervision population.

(5) For purposes of this section, community supervision population means persons on probation, post-release supervision, and pretrial release.

71-5665 Commission; designate health profession shortage areas; factors.

The commission shall periodically designate health profession shortage areas within the state for the following professions: Medicine and surgery, psychiatry, physician assistants' practice, nurse practitioners' practice, psychology, and mental health practitioners' practice. The commission shall also periodically designate separate health profession shortage areas for each of the following professions: Pharmacy, dentistry, physical therapy, and occupational therapy. In making such designations the commission shall consider, after consultation with other appropriate agencies concerned with health services and with appropriate professional organizations, among other factors:

(1) The latest reliable statistical data available regarding the number of health professionals practicing in an area and the population to be served by such practitioners;

(2) Inaccessibility of health care services to residents of an area;

(3) Particular local health problems;

(4) Age or incapacity of local practitioners rendering services; and

(5) Demographic trends in an area both past and future.

71-5666 Student loan recipient agreement; contents.

Each student loan recipient shall execute an agreement with the state. Such agreement shall be exempt from the requirements of the State Procurement Act and shall include the following terms, as appropriate:

(1) The borrower agrees to practice the equivalent of one year of full-time practice of an approved specialty in a designated health profession shortage area in Nebraska for each year of education for which a loan is received, or a longer period as required in subdivision (4)(a) of section 71-5663, and agrees to accept medicaid patients in his or her practice;

(2) If the borrower practices an approved specialty in a designated health profession shortage area in Nebraska, the loan shall be forgiven as provided in this section and subdivision (4)(a) of section 71-5663. Practice in a designated area shall commence within three months of the completion of formal education, which may include a period not to exceed five years to complete specialty training in an approved specialty. The commission may approve exceptions to any period required for completion of training upon showing good cause. Loan forgiveness shall occur on a quarterly basis, with completion of the equivalent of three months of full-time practice resulting in the cancellation of one-fourth of the annual loan amount. Part-time practice in a shortage area shall result in a prorated reduction in the cancellation of the loan amount;

(3) If the borrower practices an approved specialty in Nebraska but not in a designated health profession shortage area, practices a specialty other than an approved specialty in Nebraska, does not practice the profession for which the loan was given, discontinues practice of the profession for which the loan was given, or practices outside Nebraska, the borrower shall repay one hundred fifty percent of the outstanding loan principal with interest at a rate of eight percent simple interest per year from the date of default. Such repayment shall

commence within six months of the completion of formal education, which may include a period not to exceed five years to complete specialty training in an approved specialty, and shall be completed within a period not to exceed twice the number of years for which loans were awarded;

(4) If a borrower who is a medical, dental, or doctorate-level mental health student determines during the first or second year of medical, dental, or doctorate-level mental health education that his or her commitment to the loan program cannot be honored, the borrower may repay the outstanding loan principal, plus six percent simple interest per year from the date the loan was granted, prior to graduation from medical or dental school or a mental health practice program without further penalty or obligation. Master's level mental health and physician assistant student loan recipients shall not be eligible for this provision;

(5) If the borrower discontinues the course of study for which the loan was granted, the borrower shall repay one hundred percent of the outstanding loan principal. Such repayment shall commence within six months of the date of discontinuation of the course of study and shall be completed within a period of time not to exceed the number of years for which loans were awarded;

(6) Any practice or payment obligation incurred by the student loan recipient under the student loan program is canceled in the event of the student loan recipient's total and permanent disability or death; and

(7) For a borrower seeking benefits under subdivision (4)(a) of section 71-5663, the borrower agrees to such other terms as the department deems appropriate.

71-5667 Agreements under prior law; renegotiation.

Agreements executed prior to July 1, 2007, under the Rural Health Systems and Professional Incentive Act may be renegotiated and new agreements executed to reflect the terms required by section 71-5666. No funds repaid by borrowers under the terms of agreements executed prior to July 1, 2007, shall be refunded. Any repayments being made under the terms of prior agreements may be discontinued upon execution of a new agreement if conditions permit. Any agreement renegotiated pursuant to this section shall be exempt from the requirements of the State Procurement Act.

71-5668 Loan repayment recipient agreement; contents; funding; limitation.

Each loan repayment recipient shall execute an agreement with the department and a local entity. Such agreement shall be exempt from the requirements of the State Procurement Act and shall include, at a minimum, the following terms:

(1) The loan repayment recipient agrees to practice his or her profession, and a physician, psychiatrist, dentist, nurse practitioner, or physician assistant also agrees to practice an approved specialty, in a designated health profession shortage area for at least three years, or the period required by subdivision (4)(c) of section 71-5663, and to accept medicaid patients in his or her practice;

(2) In consideration of the agreement by the recipient, the State of Nebraska and a local entity within the designated health profession shortage area will provide equal funding for the repayment of the recipient's qualified educational debts except as provided in subdivision (5) of this section, in amounts up to thirty thousand dollars per year per recipient for physicians, psychiatrists, dentists, and psychologists and up to fifteen thousand dollars per year per recipient for physician assistants, nurse practitioners, pharmacists, physical therapists, occupational therapists, and mental health practitioners toward qualified educational debts for up to three years or a longer period as required by subdivision (4)(c) of section 71-5663. The department shall make payments directly to the recipient;

(3) If the loan repayment recipient discontinues practice in the shortage area prior to completion of the three-year requirement or the period required by subdivision (4)(c) of section 71-5663, as applicable, the recipient shall repay to the state one hundred fifty percent of the total amount of funds provided to the recipient for loan repayment with interest at a rate of eight percent simple interest per year from the date of default. Upon repayment by the recipient to the department, the department shall reimburse the local entity its share of the funds which shall not be more than the local entity's share paid to the loan repayment recipient;

(4) Any practice or payment obligation incurred by the loan repayment recipient under the loan repayment program is canceled in the event of the loan repayment recipient's total and permanent disability or death;

(5) For a loan repayment recipient seeking benefits under subdivision (4)(c) of section 71-5663, the recipient agrees to such other terms as the department deems appropriate; and

(6) Beginning on July 1, 2022, any agreements entered into by December 31, 2024, shall first use federal funds from the federal American Rescue Plan Act of 2021 for the purposes of repaying qualified educational debts prior to using any state or local funds. Agreements using federal funds from the federal American Rescue Plan Act of 2021 shall not require equal funding from a local entity. Any federal funds from the act committed to agreements during this time period shall be used by December 31, 2026.

71-5669.01 Medical resident incentive recipient; agreement; contents.

Each medical resident incentive recipient shall execute an agreement with the department. Such agreement shall be exempt from the requirements of the State Procurement Act and shall include, at a minimum, the following terms:

(1) The medical resident incentive recipient agrees to practice an approved medical specialty the equivalent of one year of full-time practice in a designated health profession shortage area, or for a longer period as required by subdivision (4)(b) of section 71-5663, and to accept medicaid patients in his or her practice;

(2) In consideration of the agreement by the medical resident incentive recipient, the State of Nebraska will provide funding for the repayment of the recipient's qualified educational debts, in amounts up to forty thousand dollars per year for up to three years while in an approved medical specialty residency program in Nebraska, or for a longer period as required by subdivision (4)(b) of section 71-5663. The department shall make payments directly to the medical resident incentive recipient;

(3) If the medical resident incentive recipient extends his or her residency training but not in an approved specialty, practices an approved specialty in Nebraska but not in a designated health profession shortage area, practices a specialty other than an approved specialty in Nebraska, does not practice the profession for which the loan was given, discontinues practice of the profession for which the loan was given, or practices outside Nebraska, the medical resident incentive recipient shall repay to the state one hundred fifty percent of the outstanding loan principal with interest at a rate of eight percent simple interest per year from the date of default. Such repayment shall commence within six months of the completion or discontinuation of an approved specialty residency training in Nebraska and shall be completed within a period not to exceed twice the number of years for which the medical resident incentive recipient received awards;

(4) Any practice or payment obligation incurred by the medical resident incentive recipient under the medical resident incentive program is canceled in the event of the medical resident incentive recipient's total and permanent disability or death; and

(5) For a medical resident incentive recipient seeking benefits under subdivision (4)(b) of section 71-5663, the recipient agrees to such other terms as the department deems appropriate.

SMOKING AND TOBACCO

(d) NEBRASKA CLEAN INDOOR AIR ACT

(d) NEBRASKA CLEAN INDOOR AIR ACT

71-5716 Act, how cited.

Sections 71-5716 to 71-5735 shall be known and may be cited as the Nebraska Clean Indoor Air Act.

Source: Laws 2008, LB395, § 1; Laws 2015, LB118, § 8; Laws 2020, LB840, § 1.

71-5717 Purpose of act.

The purpose of the Nebraska Clean Indoor Air Act is to protect the public health and welfare by prohibiting smoking in public places and places of employment with limited exceptions for guestrooms and suites, research, tobacco retail outlets, electronic smoking device retail outlets, and cigar shops. The limited exceptions permit smoking in public places where the public would reasonably expect to find persons smoking, including guestrooms and suites which are subject to expectations of privacy like private residences, institutions engaged in research related to smoking, and tobacco retail outlets, electronic smoking device retail outlets, and cigar shops which provide the public legal retail outlets to sample, use, and purchase tobacco products and products related to smoking. The act shall not be construed to prohibit or otherwise restrict smoking in outdoor areas. The act shall not be construed to permit smoking where it is prohibited or otherwise restricted by other applicable law, ordinance, or resolution. The act shall be liberally construed to further its purpose.

71-5718 Definitions, where found.

For purposes of the Nebraska Clean Indoor Air Act, the definitions found in sections 71-5718.01 to 71-5728 apply.

Source: Laws 2008, LB395, § 3; Laws 2020, LB840, § 3.

71-5718.01 Electronic smoking device, defined.

Electronic smoking device means an electronic nicotine delivery system as defined in section 28-1418.01. The term includes any such device regardless of

whether it is manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen or under any other product name or descriptor. The term also includes any substance that is used in an electronic smoking device. The term does not include a diffuser, humidifier, prescription inhaler, or similar device.

Source: Laws 2020, LB840, § 4.

71-5718.02 Electronic smoking device retail outlet, defined; persons allowed to enter; employees; age restrictions.

(1) Electronic smoking device retail outlet means a store that:

(a) Is licensed as provided under sections 28-1421 and 28-1422;

(b) Sells electronic smoking devices and products directly related to electronic smoking devices;

(c) Does not sell alcohol or gasoline;

(d) Derives no more than twenty percent of its revenue from the sale of food and food ingredients as defined in section 77-2704.24; and

(e) Prohibits persons under twenty-one years of age from entering the store in accordance with subsection (2) of this section.

(2)(a) Prior to January 1, 2022, an electronic smoking device retail outlet shall not allow a person under twenty-one years of age to enter the store but may allow an employee who is under twenty-one years of age to work in the store.

(b) On and after January 1, 2022, an electronic smoking device retail outlet shall not allow a person under twenty-one years of age to enter the store and shall not allow an employee who is under twenty-one years of age to work in the store.

Source: Laws 2020, LB840, § 5.

71-5727 Smoke or smoking, defined.

Smoke or smoking means inhaling, exhaling, burning, or carrying any lighted or heated cigar, cigarette, pipe, hookah, or any other lighted or heated tobacco or plant product intended for inhalation, whether natural or synthetic, in any manner or in any form. The term includes the use of an electronic smoking device which creates an aerosol or vapor, in any manner or in any form.

Source: Laws 2008, LB395, § 12; Laws 2020, LB840, § 6.

71-5730 Exemptions; legislative findings; legislative intent.

(1) The following indoor areas are exempt from section 71-5729:

(a) Guestrooms and suites that are rented to guests and that are designated as smoking rooms, except that not more than twenty percent of rooms rented to guests in an establishment may be designated as smoking rooms. All smoking rooms on the same floor shall be contiguous, and smoke from such rooms shall not infiltrate into areas where smoking is prohibited under the Nebraska Clean Indoor Air Act;

(b) Indoor areas used in connection with a research study on the health effects of smoking conducted in a scientific or analytical laboratory under state or federal law or at a college or university approved by the Coordinating Commission for Postsecondary Education;

(c) Tobacco retail outlets; and

(d) Cigar shops as defined in section 53-103.08.

(2) Electronic smoking device retail outlets are exempt from section 71-5729 as it relates to the use of electronic smoking devices only.

(3)(a) The Legislature finds that allowing smoking in tobacco retail outlets as a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke since the general public does not frequent tobacco retail outlets and should reasonably expect that there would be second-hand smoke in tobacco retail outlets and could choose to avoid such exposure. The products that tobacco retail outlets sell are legal for customers who meet the age requirement. Customers should be able to try them within the tobacco retail outlet, especially given the way that tobacco customization may occur in how tobacco is blended and cigars are produced. The Legislature finds that exposure to second-hand smoke is inherent in the selling and sampling of cigars and pipe tobacco and that this exposure is inextricably connected to the nature of selling this legal product, similar to other inherent hazards in other professions and employment.

(b) It is the intent of the Legislature to allow cigar and pipe smoking in tobacco retail outlets that meet specific statutory criteria not inconsistent with the fundamental nature of the business. This exception to the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with the intent of the act to protect public places and places of employment.

(4)(a) The Legislature finds that allowing smoking in cigar shops as a limited exception to the Nebraska Clean Indoor Air Act does not interfere with the original intent that the general public and employees not be unwillingly subjected to second-hand smoke. This exception poses a de minimis restriction on the public and employees given the limited number of cigar shops compared to other businesses that sell alcohol, cigars, and pipe tobacco, and any member of the public should reasonably expect that there would be second-hand smoke in a cigar shop given the nature of the business and could choose to avoid such exposure.

(b) The Legislature finds that (i) cigars and pipe tobacco have different characteristics than other forms of tobacco such as cigarettes, (ii) cigars are customarily paired with various spirits such as cognac, single malt whiskey, bourbon, rum, rye, port, and others, and (iii) unlike cigarette smokers, cigar and pipe smokers may take an hour or longer to enjoy a cigar or pipe while cigarettes simply serve as a mechanism for delivering nicotine. Cigars paired with selected liquor creates a synergy unique to the particular pairing similar to wine paired with particular foods. Cigars are a pure, natural product wrapped in a tobacco leaf that is typically not inhaled in order to enjoy the taste of the smoke, unlike cigarettes that tend to be processed with additives and wrapped in paper and are inhaled. Cigars have a different taste and smell than cigarettes due to the fermentation process cigars go through during production. Cigars tend to cost considerably more than cigarettes, and their quality and characteristics vary depending on the type of tobacco plant, the geography and climate where the tobacco was grown, and the overall quality of the manufacturing process. Not only does the customized blending of the tobacco influence the smoking experience, so does the freshness of the cigars, which is dependent on how the cigars were stored and displayed. These variables are similar to fine

wines, which can also be very expensive to purchase. It is all of these variables that warrant a customer wanting to sample the product before making such a substantial purchase.

(c) The Legislature finds that exposure to second-hand smoke is inherent in the selling and sampling of cigars and pipe tobacco and that this exposure is inextricably connected to the nature of selling this legal product, similar to other inherent hazards in other professions and employment.

(d) It is the intent of the Legislature to allow cigar and pipe smoking in cigar shops that meet specific statutory criteria not inconsistent with the fundamental nature of the business. This exception to the Nebraska Clean Indoor Air Act is narrowly tailored in accordance with the intent of the act to protect public places and places of employment.

71-5735 Tobacco retail outlet; sign required; waiver signed by employee; form; owner; duties.

(1) The owner of a tobacco retail outlet shall post a sign on all entrances to the tobacco retail outlet, on the outside of each door, in a conspicuous location slightly above or next to the door, with the following statement: SMOKING OF CIGARS AND PIPES IS ALLOWED INSIDE THIS BUSINESS. SMOKING OF CIGARETTES AND ELECTRONIC SMOKING DEVICES IS NOT ALLOWED.

(2) Beginning November 1, 2015, the owner shall provide to the Division of Public Health a copy of a waiver signed prior to employment by each employee on a form prescribed by the division. The waiver shall expressly notify the employee that he or she will be exposed to second-hand smoke, and the employee shall acknowledge that he or she understands the risks of exposure to second-hand smoke.

(3) The owner shall not allow cigarette smoking or the use of an electronic smoking device in the tobacco retail outlet.

ASSISTED-LIVING FACILITY ACT

Section
71-5901. Act, how cited.
71-5905. Admission or retention; conditions; services of employees; requirements; written information provided to applicant for admission; resident services agreement; third-party guarantee of payment, conditions.
71-5907. State Fire Code classification.
71-5909. Grievance procedure.

71-5901 Act, how cited.

Sections 71-5901 to 71-5909 shall be known and may be cited as the Assisted-Living Facility Act.

Source: Laws 2004, LB 1005, § 45; Laws 2019, LB571, § 1.

71-5905 Admission or retention; conditions; services of employees; requirements; written information provided to applicant for admission; resident services agreement; third-party guarantee of payment, conditions.

(1) An assisted-living facility shall determine if an applicant for admission to the assisted-living facility is admitted or if a resident of the assisted-living facility is retained based on the care needs of the applicant or resident, the ability to meet those care needs within the assisted-living facility, and the degree to which the admission or retention of the applicant or resident poses a danger to the applicant or resident or others.

(2) Any complex nursing intervention or noncomplex intervention provided by an employee of the assisted-living facility shall be performed in accordance with applicable state law.

(3) Each assisted-living facility shall provide written information about the practices of the assisted-living facility to each applicant for admission to the facility or his or her authorized representative. The information shall include:

(a) A description of the services provided by the assisted-living facility and the staff available to provide the services;

(b) The charges for services provided by the assisted-living facility;

(c) Whether or not the assisted-living facility accepts residents who are eligible for the medical assistance program under the Medical Assistance Act and, if applicable, the policies or limitations on access to services provided by the assisted-living facility for residents who seek care paid by the medical assistance program;

(d) The criteria for admission to and continued residence in the assisted-living facility and the process for addressing issues that may prevent admission to or continued residence in the assisted-living facility;

(e) The process for developing and updating the resident services agreement;

(f) For facilities that have special care units for dementia, the additional services provided to meet the special needs of persons with dementia; and

(g) Whether or not the assisted-living facility provides part-time or intermittent complex nursing interventions.

(4) Each assisted-living facility shall enter into a resident services agreement in consultation with each resident.

(5)(a) A facility shall not request or require a third-party guarantee of payment as a condition of admission, expedited admission, or continued stay in the facility.

(b) A facility may request and require a resident representative who has legal access to a resident's income or resources to sign a contract, without incurring personal financial liability, to provide payment to the facility from such resident's income or resources. For purposes of this subsection, resident representative has the same meaning as defined in 42 C.F.R. 483.5, as such regulation existed on January 31, 2024.

(c) If a person other than the resident informs the assisted-living facility that such person wants to guarantee payment of a resident's expenses, the person shall execute a separate written agreement. No provision in the separate written agreement shall conflict with this subsection. The separate written agreement shall be provided to the guarantor of payment and shall contain the following statements:

(i) ''Do not sign this agreement unless you voluntarily agree to be financially liable for paying the patient's expenses.'';

(ii) ''You may change your mind within forty-eight hours after signing this agreement by notifying the facility that you want to revoke this agreement.''; and

(iii) ''You may call the state long-term care ombudsman for an explanation of your rights.''.

(d) Nothing in this subsection shall permit an individual with legal access to a resident's income or resources to avoid liability for violation of such individual's fiduciary duty.

71-5909 Grievance procedure.

(1) For purposes of this section:

(a) Grievance means a written expression of dissatisfaction that may or may not be the result of an unresolved complaint; and

(b) Grievance procedure means the written policy of an assisted-living facility for addressing a grievance from an individual including an employee or resident.

(2) Each assisted-living facility shall, on or before January 1, 2020, provide to the department the grievance procedure provided to an applicant for admission to the assisted-living facility. When such grievance procedure is modified, updated, or otherwise changed, the new grievance procedure shall be provided to the department within seven business days after such new grievance procedure takes effect. The department shall make such grievance procedure available to the deputy public counsel for institutions.

71-6102 Registered interior designer; regulation; registration; required, when.

In order to safeguard life, health, and property, to promote the public welfare, and to recognize the need for design professionals to obtain government-issued permits or approval that may only be obtained with a construction document stamp, the profession of interior design is declared to be subject to regulation in the public interest. On and after January 1, 2025, it shall be unlawful for any person to hold oneself out to be a registered interior designer unless the person is registered under the Interior Design Voluntary Registration Act.

71-6103 Terms, defined.

For purposes of the Interior Design Voluntary Registration Act:

(1) Design means the preparation of schematics, layouts, plans, drawings, specifications, calculations, and other diagnostic documents which show the features of a registered interior design project;

(2) Direct supervision means having full professional knowledge over work that constitutes the practice of registered interior design;

(3) Good ethical character means such character that will enable a person to discharge the fiduciary duties of a registered interior designer to such person's client and to the public for the protection of the public health, safety, and welfare;

(4) Interior alteration or construction project means a project for an interior space or area within a proposed or existing building or structure, including construction, modification, renovation, rehabilitation, or historic preservation that involves changing or altering:

(a) The design function or layout of rooms; or

(b) The state of permanent fixtures or equipment;

(5) Interior nonstructural element means an element or component of a building that does not require structural bracing, is not load-bearing, and is not essential to the structural or seismic integrity of the building;

(6)(a) Practice of registered interior design means the design of interior spaces as part of an interior alteration or construction project in conformity with public health, safety, and welfare requirements, including the preparation of any document relating to a building code description, any project egress plan that does not require additional exits in the space affected, any space planning, any finish material, any furnishing, any fixture, any equipment, and the preparation of any document and technical submission relating to interior construction; and

(b) Services that are not in the scope of the practice of registered interior design include:

(i) Services that constitute:

(A) The practice of professional engineering; or

(B) The practice of professional architecture, except as specifically provided for within the Engineers and Architects Regulation Act;

(ii) The construction or alteration of:

(A) The structural system of a building, including changing the building's live or dead load on the structural system;

(B) The building envelope, including an exterior wall, wall covering, or wall opening, an exterior window, an exterior door, any architectural trim, a balcony or similar projection, a bay, an oriel window, any roof assembly and rooftop structure, and any glass and glazing for exterior use in both vertical and sloped applications;

(C) Any mechanical, plumbing, heating, air conditioning, ventilation, electrical, vertical transportation, fire sprinkler, or fire alarm system;

(D) An egress system beyond the exit access component of such system; and

(E) Any life safety system such as a fire safety or fire protection of structural elements and smoke evacuation and compartmentalization system or a fire-rated vertical shaft in multistory structures;

(iii) Changes to an occupancy classification of greater hazard as determined by the International Building Code; and

(iv) Changes to the construction classification of the building or structure according to the International Building Code;

(7) Project means one or more related activities that require the practice of registered interior design for completion; and

(8) Registered interior designer or registrant means a person who is listed on the registry of interior designers under the Interior Design Voluntary Registration Act.

71-6105 Interior design registry; created; listing; term; eligibility; examinations.

(1)(a) The interior design registry is created.

(b) The State Treasurer shall list each interior designer registration in the registry. A listing in the registry shall be valid for the term of the registration and upon renewal unless such listing is refused renewal or is removed as provided in the Interior Design Voluntary Registration Act.

(c) The registry shall contain (i) the individual's full name and (ii) any other information as the State Treasurer may require by rules and regulations.

(2) Except as otherwise provided in this section or section 71-6107, the following shall be considered as the minimum evidence satisfactory to the State Treasurer that an applicant is eligible for listing on the interior design registry:

(a) Education eligibility as outlined by the Council for Interior Design Qualification to sit for an examination on technical and professional subjects of interior design as required by the council;

(b) Experience eligibility as outlined by the Council for Interior Design Qualification to sit for an examination on technical and professional subjects of interior design as required by the council;

(c) Successful passage of an examination on technical and professional subjects of interior design as required by the Council for Interior Design Qualification;

(d) Passage of an examination on the statutes, rules and regulations, and other requirements unique to this state regarding the practice of registered interior design; and

(e) Demonstration of good reputation and good ethical character by attestation of references. The names and complete addresses of references acceptable to the State Treasurer shall be included in the application for registration.

(3) An individual holding a credential to practice interior design issued by a proper authority of any jurisdiction, based on credentials that do not conflict with subsection (2) of this section, may, upon application, be listed on the interior design registry after:

(a) Successful passage of an examination on the statutes, rules and regulations, and other requirements unique to this state regarding the practice of registered interior design; and

(b) Demonstration of good reputation and good ethical character by attestation of references. The names and complete addresses of references acceptable to the State Treasurer shall be included in the application for registration.

(4) An individual who holds a current and valid certification issued by the Council for Interior Design Qualification and who submits satisfactory evidence of such certification to the State Treasurer may, upon application, be listed on the interior design registry after:

(a) Successful passage of an examination on the statutes, rules and regulations, and other requirements unique to this state regarding the practice of registered interior design; and

(b) Demonstration of good reputation and good ethical character by attestation of references. The names and complete addresses of references acceptable to the State Treasurer shall be included in the application for registration.

(5) An individual who has been credentialed to practice interior design for fifteen years or more in one or more jurisdictions and who has practiced interior design for fifteen years in compliance with the credentialing laws in the jurisdictions where such individual interior design practice has occurred since initial issuance of the credential may, upon application, be listed on the interior design registry after:

(a) Successful passage of an examination on the statutes, rules and regulations, and other requirements unique to this state regarding the practice of registered interior design; and

(b) Demonstration of good reputation and good ethical character by attestation of references. The names and complete addresses of references acceptable to the State Treasurer shall be included in the application for registration.

(6) None of the examination materials described in this section shall be considered public records.

(7) The State Treasurer or the State Treasurer's agent shall direct the time and place of the interior design examinations referenced in this section.

(8) The State Treasurer may adopt the examinations and grading procedures of the Council for Interior Design Qualification. The State Treasurer may also adopt guidelines published by the council.

(9) Registration shall be effective upon listing in the registry.
