LB 134 - 139

CLERK: Mr. President, quickly, new bills: (Read title to LB 134 through LB 139. See pages 140 and 141, Legislative Journal.)

Mr. President, Senator Fitzgerald would like to have a meeting of the Transportation Advisory Committee in his office upon adjournment. That is the Transportation Advisory Committee meeting in Senator Fitzgerald's office upon adjournment.

Mr. President, your committee on Public Works whose Chairman is Senator Kremer gives notice of public hearing for January 28, 29 and 30.

SPEAKER MARVEL: The Chair recognizes Senator Wesely.

SENATOR WESELY: Thank you, Mr. Speaker. I would like to call the attention of the Legislature to one final rule change and when we are done with this we will be left with only a handful of rule changes that are pending by Senator Chambers and then we will be able to complete that activity tomorrow. So if we can just take care of this one last rule change, we can adjourn for the day and deal with the final few rule changes tomorrow. The rule change that I am calling to your attention now and which I move at this point for adoption concerns Section...Rule 3, Section 15 of the Rule Book. That is on page 19. This is an amendment brought to you by myself. It was worked out with members of the media of Nebraska and also Senator Beutler and other interested Senators. This was a concern that there was some uncertainty as to the language in the present executive session section of the rules as to what the media could or could not cover. The concern was that in the past when you have an executive session the media could be present and could report on discussion and action taken by the committee. Unfortunately there was a rule change last session that deleted the discussion part of the coverage option for the media and it was felt that that was important to reinsert. Now that is one of the rule changes that is incorporated here. The other is when you close an executive session to everybody including the media, I add the word "rare" to the

Appropriation Committee to this committee. Therefore I move the advancement of this bill to E & R Initial.

SENATOR CLARK: The question before the House is the advancement of 457 to Initial. All those in favor vote aye, opposed no.

CLERK: Senator Clark voting aye.

SENATOR CLARK: Record the vote.

CLERK: 31 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The motion carried. The bill is advanced. We will now take up 136.

CLERK: Mr. President, LB 136 was offered by Senator Howard Peterson. (Read title.) The bill was read on January 13. It was referred to the Miscellaneous Subjects Committee for public hearing. The bill was advanced to General File. There are committee amendments pending by the Miscellaneous Subjects Committee, Mr. President.

SENATOR CLARK: Senator Hefner, do you want to take the committee amendments?

SENATOR HEFNER: Mr. President, members of the body, I move the adoption of the committee amendments. But to explain the committee amendments, I think I should give you a little background on the bill and the original purpose of LB 136 as was introduced by Senator Peterson is to eliminate a statute which provides that the voters within a city, village or county may vote for or against allowing horse racing on Sundays within that community, if, if the State Racing Commission were to permit it. LB 136 establishes instead that the Racing Commission would approve an application for Sunday racing after it has considered certain criteria and, of course, what this would do is take away local control. And so the committee amended this bill and I will try to explain the committee amendment to you now. This amendment would provide for a countywide referendum vote and this could be held at any general state election to allow Sunday horse racing. The committee felt that since the local people voted to discontinue horse racing in Grand Island at Fonner Park, it would be only right to have the local people vote again at the general election whether to allow horse racing or whether not to allow horse racing. This amendment changes it to a countywide vote instead of just a city vote and I believe this brings the law into conformity with the rest of the

state. At the hearing, testimony was presented that Fonner Park in Grand Island provides much more service to the whole county than just horse racing in the city. It provides such things as the Hall County Fair and many other countywide activities. Now with the committee amendment, it gives all interested people a voice in saying whether Sunday horse racing should be allowed. I think it is fair. I think it is just and I think it is logical and so I, therefore, urge you to support the committee amendment and I move for its adoption.

SENATOR DWORAK: Mr. President and colleagues, I would like to ask Senator Hefner several questions so that I am totally sure that I understand the committee amendments. Since Senator Schmit, Senator Fowler and myself are probably largely responsible for the legislation that you are attempting to change this year, I want to make sure that my original intent is being preserved. As I understand the amendments, Senator Hefner, the major change is that...there are two major changes. Number one, instead of the city voting, the county residents now vote as to whether or not there will or will not be Sunday racing, is that correct?

SENATOR HEFNER: Senator Dworak, this is correct. At the present time, if the horse racing facility is located within the city limits, why then it is up to the city or village to vote.

SENATOR DWORAK: The second change is instead of a vote every four years, it now in effect will be every two years if they wish...the people either wish to put it on the ballot by petition or the Racing Commission wishes to put it on the ballot?

SENATOR HEFNER: This is correct. We are amending that statute that says "every general election" and so that would be every two years and I think the statute says now "every four years".

SENATOR DWORAK: And in those areas where the people have in fact spoken and have in fact said we do not desire Sunday racing, the only way there will be Sunday racing is for the people themselves to rescind their previous action by ballot?

SENATOR HEFNER: You certainly are correct, Senator Dworak.

SENATOR DWORAK: Thank you.

SPEAKER MARVEL PRESIDING

SPEAKER MARVEL: Senator DeCamp. The question has been called for. Do I see five hands? Shall debate cease? All those in favor vote aye, opposed no. We are voting on whether or not to cease debate. Have you all voted? One more time, shall debate cease? Okay, record.

CLERK: 25 ayes, 14 nays to cease debate, Mr. President.

SPEAKER MARVEL: Debate is ceased. Senator Hefner, can you take the committee amendments to....close on the committee amendments on LB 136?

SENATOR HEFNER: Yes, Mr. President, members of the body, I move the adoption of the committee amendment and what this does is leaves it up to the local people to vote on this on a countywide basis and it would be at a general election which would be every two years. Therefore, I move adoption of the committee amendment.

SPEAKER MARVEL: All those in favor of the adoption of the committee amendments to 136 vote aye, opposed vote no. The committee amendments as explained by Senator Hefner. Record.

CLERK: 25 ayes, 3 nays on the adoption of the committee amendments, Mr. President.

SPEAKER MARVEL: The committee amendment has been adopted. Senator Peterson, do you wish to be recognized to explain the bill?

SENATOR H. PETERSON: Mr. Chairman, I believe the bill as amended has been fairly well explained. What we are doing is two things: Number one, we are changing the opportunity for vote of the people from citywide to countywide and I think Senator Hefner explained the county fair is held at this particular location. In fact, it is the county fair, number one. Number two, Fonner Park is actually owned and operated by the Hall County Livestock Improvement Association which is a Hall Countywide organization. Number three, the rural people who are involved with 4-H Club work for most of the 4-H showing, all this kind of thing, the state dairy show and so forth held at this park, did not have an opportunity to vote. So I think it is rather logical for us to take this amendment and adopt it and adopt the whole bill. The other thing that is provided for in the bill that wasn't provided for before and is a subject of a lawsuit on the part of Fonner Park at the moment is there was no criterion in the bill for the basis on which the Commission

would make a decision and this bill does provide for criterion so that the Racing Commission will have to follow that criterion in determining whether or not Sunday racing should even be voted on. I would move the bill from General File to E & R.

SPEAKER MARVEL: Senator Schmit.

SENATOR SCHMIT: Mr. President, I rise in support of LB 136. I believe that Senator Dworak pointed out that it is important to the entire State of Nebraska that the thoroughbred industry remain active and viable throughout the State of Nebraska. Without this kind of an option, it would be very difficult for the small operations to continue to sustain themselves. I want to support Senator Peterson's bill and ask you to support it also.

SPEAKER MARVEL: Senator Peterson, do you wish to close on the advancement of the bill? Okay. All those in favor of advancing the bill to E & R for Review vote aye, opposed vote no. LB 136. Record.

CLERK: 28 ayes, 6 nays, Mr. President, on the motion to advance the bill.

SPEAKER MARVEL: The motion is carried. The bill is advanced. Before we go to the next bill, underneath the North balcony, I wish to introduce the mother of Ron Schroeder who is the committee counsel for the Miscellaneous Subjects Committee, Darlene Schroeder, who is from Senator Warner's District and also a guest of Senator Hefner. Where are you located, Mrs. Schroeder, so we can wish you "Good Morning". The next bill is LB 128.

PRESIDENT: The Chair recognizes Speaker Marvel for an important announcement. Speaker Marvel. Would the Legislature please pay some attention to the Speaker at this point.

SPEAKER MARVEL: I wish you would get out your paper and pencils because we are talking about deadlines for priority bills. You will find on page 137 of the Journal for the fifth day, January 13, 1981, Rule 5, Section 6 which talks about scheduling of bills and priority bills. Your individual priority selection as well as your committee selection, the deadline is March 13 which is Friday. The deadline for the Speaker is March 17 and the chairmen who met this morning, although the rule does create some misunderstanding, what would happen is that your bills designated by either yourself or the chairman of your committee or committees, those bills would be gathered in by the Speaker's office and we would set them up as priorities on the agenda. Now there is some discussion about a way to maneuver so you can get more priority bills than somebody else and I would assume that no one in this body would operate that way but March 13 is the deadline for priority bills individual and committee and March 17 is the deadline as far as the Speaker's office is concerned and we would implement this through the agenda. If anybody has any questions I will try to answer them, otherwise you can find on your worksheet for this morning the beginnings of a listing of priority bills. There are five listed this morning, 56, 245, 269, 290 and 404.
