not sure what hearing is provided for in this act, but if there is a legal proceeding provided for, it would seem to me that the perjury provisions that are applicable that are presently in our statute and applicable to someone who puts himself under oath would be equally applicable here. But it seems to me, and I guess I am really repeating in part what Senator Chambers has said, that the bill is extremely broad and overdrawn and a very serious set of amendments should be added to it before it advances any further in this Legislature I would think. Thank you.

SPEAKER MARVEL: Unless there is objections, since it is after twelve, we will stop and everything will be left as it is and then we will take it up the next time we reach General File which will probably be tomorrow. Any objections? Okay, are there any items that the Clerk needs to read into the record?

your request that it be passed over. 176 on General File.

SENATOR NEWELL: Is it....what's happening? It's not being laid over, or what?

PRESIDENT: Well, no, your request to pass over 176 is before us. We just wanted you to...if you want to speak to it.

SENATOR NEWELL: Okay, pass it over. Isn't that automatic? I thought that was automatic that it was passed over.

PRESIDENT: Well, just so we have it in the record that it is passed over, that's all.

SENATOR NEWELL: Oh, yes, I am asking...I put a motion up on the desk, in fact.

PRESIDENT: The point is, Senator Newell, we don't have to vote on it. It is just to make it of record so we have it. Okay, LB 176 is passed over then. LB 169.

CLERK: Mr. President, Senator Hefner had made a motion this morning that LB 169 be withdrawn and pursuant to Rule 5, Section 12, that motion would be required to lay over for at least one day.

PRESIDENT: It will lay over. We are really making progress quickly. We are to the fourth bill on General File, LB 198.

CLERK: Mr. President, 198 was a bill introduced by the Government, Military and Veterans Affairs Committee. (Read title). The bill was read on January 15 of last year. It was referred to the Public Works Committee for public hearing. The Public Works Committee reported the bill to General File. There are committee amendments attached, Mr. President, from the Public Works Committee.

PRESIDENT: The Chair recognizes Senator Kahle.

SENATOR KAHLE: Mr. President and members, I don't know if Senator Kremer is here or not, and I assume the amendments that they have presented have not been adopted. Is this correct?

CLERK: That's right.

SENATOR KAHLE: I can't explain the amendments but I would move for their adoption.

PRESIDENT: The motion is to adopt the amendments. Any

discussion now? There is Senator Kremer.

SENATOR KAHLE: Senator Kremer is here now. Maybe he would want to add to the comments about the committee amendment. We are talking about the bill just to refresh everybody's mind while we are getting ready here that it has to do with the election of officials that manage the REA districts power companies that we have and it seems that somewhere along the line we got our boundaries mixed up and people that are rate payers in the district are not always allowed to vote in the district for those officers, and this bill would take care of that. It would make the boundaries compatible with the district. I think generally that is what it is. Senator Kremer, do you have any more to add?

PRESIDENT: Senator Kremer.

SENATOR KREMER: Mr. Chairman and members, I have nothing to add. I noticed just now that according to my report they are technical in nature only and I recommend that they be adopted, or I move they be adopted.

PRESIDENT: Anything further then on the Kahle amendment, the amendment to LB 198? Senator Kahle, anything else? I guess that does it. Yes. Motion then is to adopt the amendments. All those in favor vote aye, opposed nay. This is on LB 198. Record the vote.

CLERK: 27 ayes, 0 nays on adoption of the committee amendments, Mr. President.

PRESIDENT: The motion carries, the amendments are adopted. Senator Kahle.

SENATOR KAHLE: Mr. Chairman, I move then that LB 198 as amended be advanced to E & R Initial.

PRESIDENT: Any further discussion on the motion to advance?

CLERK: Mr. President, that is just to clear up the record, Senator Warner had printed some amendments to LB 86....to the bill in the Journal, but I understand he wishes to withdraw those.

PRESIDENT: Senator Warner. Is Senator Warner here? Here he is. Here comes Senator Warner.

CLERK: You had amendments to this bill, Senator, and we are just going to withdraw. Is that....?

PRESIDENT: The Chair recognizes Senator Warner on the subject of the withdrawal of the amendments.

SENATOR WARNER: Mr. President, I would withdraw it. I have a substitute amendment that I will offer on Select File.

PRESIDENT: All right, the Warner amendments are withdrawn. Thank you, Senator Warner. We will proceed then, Senator Kahle, with the advance. No further discussion so the question before the House is the advance of LB 198 to E & R Initial. All those in favor vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: Motion carries and LB 198 is advanced to E & R Initial. The next bill is LB 274.

CLERK: Mr. President, LB 274 introduced by the Banking, Commerce and Insurance Committee and signed by its members. (Read title). The bill was read on January 16 of last year, referred to the Banking Committee for public hearing. The bill was advanced to General File, Mr. President. There are committee amendments pending by the Banking Committee.

PRESIDENT: Committee amendments. Senator DeCamp.

SENATOR DeCAMP: Mr. President and members of the Legislature, we are ready to go ahead and I have asked Senator Landis, a member of the committee that has worked somewhat on this bill and has an interest in it, to go ahead and handle the bill.

PRESIDENT: Senator Landis, on the amendments.

SENATOR LANDIS: Mr. Speaker and members of the Legislature, the committee amendments are essentially technical in nature although they affect how the bill is applied, and there are essentially two changes, one adds people to the bill, one deletes people to the bill. Those who are added, and I should say that is premised on their suggestion that they be added to the bill, include people involved with agents and brokers writing life insurance, annuities and variable annuities, agents, brokers and consultants. These people are added to the bill by the committee amendments. Secondly, we changed the term in the exclusion clause which is Section 3, subsection (2), to include credit, accident and health. This is a technical amendment on behalf of the Insurance

LB 689 offered by the Miscellaneous Subjects Committee and signed by its members. (Read title). (See page 144 of the Legislative Journal).

SPEAKER MARVEL: Next take up LB 359.

CLERK: Mr. President, LB 359 was a bill introduced by Senator Newell. (Read title). The bill was introduced on January 19 of last year. At that time it was referred to the Urban Affairs Committee for public hearing. The bill was advanced to General File. There are committee amendments pending by the Urban Affairs Committee, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator Landis.

SENATOR LANDIS: Mr. Speaker and members of the Legislature, I am not sure how to proceed procedurally and would ask the opinion of the Chair. There is before the Clerk a substitute amendment which would, in effect, gut all of 359, at least as it is written, and rewrites much of the same provisions placing all responsibility for elections rather than with the SID as it is now currently with the Election Commissioner. Much of what was to be accomplished by the committee amendments and the terms of LB 359 would be accomplished under this substitute amendment but ultimate responsibility would be shifted, and I think since that is what the introducers want to approach now, I would ask that we not handle the committee amendments at this time but proceed to the substitute amendment and since that is in effect the LB 259 incarnation that the introducers want to talk about perhaps we should pass over the committee amendments at this time.

SPEAKER MARVEL: Senator Nichol, for what purpose do you arise?

SENATOR NICHOL: Mr. Chairman, I was going to suggest to Senator Landis that perhaps since they have changed the bill considerably they might wish to take it back for another hearing. I notice it changes it substantially, whatever that means and I wonder if you would consider that,

SENATOR CLARK: Is there any objection to Senator Johnson withdrawing the amendment as amended? If not, so ordered. Now we are back to the original bill. Do you have any further amendments on the original bill?

SENATOR CLARK: Senator Kilgarin, do you want to move 347? Maybe we will get one bill off of here before noon.

SENATOR KILGARIN: I move to advance LB 347.

by Senator Warner. It is found on page 143 of the Legislative Journal, Senator.

SENATOR CLARK: Senator Warner.

SENATOR WARNER: Mr. President, I withdraw that and I have a substitute one, I believe.

SENATOR CLARK: You withdraw that one and use a substitute amendment?

SENATOR WARNER: Yes, they are virtually the same though.

CLERK: Mr. President, Senator Warner's second amendment is on page 441 in the Journal.

SENATOR CLARK: Senator Warner.

CLERK: Okay, Senator, I don't think that is the one. There was one on 441 but that is not the one you gave me this morning.

SENATOR WARNER: Yes, I withdraw that one.

CLERK: Withdraw that one, too. Okay. In that case, Mr. President, Senator Warner would move to amend. It is Request #2588.

SENATOR WARNER: There we go. Essentially we are dealing with a similar thing, the bill and the amendment was dealing with the ability of the people to vote on, generally whose residence was on the fringe area of a service area of a power district, and the problem has been for some years there were a few people who were not eligible to vote the way the system was. What the amendment proposes, and as far as I know is acceptable to power districts, a number of Senators who had a similar problems as my district, I believe it is acceptable, and what it would require is that the power district would certify to the appropriate election officials, the county clerk or the election commissioner, those people who were served by that power district outside of their charter area so that for election purposes these people could both run for a board as well as vote on the election of the board. The process that the amendment requires is that the power district would by mail notify those people who they believe to be in those service areas and are customers that they needed to by return mail certify their desire to file, to vote and then the power district would submit that list to the appropriate election officials, so when those individuals came into vote,

they would receive the appropriate ballot. Now the reason for the mail going back and forth, there are instances, not in my district but further out in the state, where there may be temporary residences that are served but do not live there full time, full year around registered perhaps somewhere else but the electricity is on the year around. In order to not have duplication or simplify some indication from the individual being served by the power district should be made as well as the power district having the responsibility. So what the amendment does, it will clear up an area that has existed for some years. It will provide a method for all people served by a particular power district to vote on the election of those individuals, that is if it is a power district, this does not affect municipal systems. Also it affects NPPD. The amendment also has the emergency clause so that for REA Districts they will be able to vote this year, individuals will be able to vote for primary this year, but the emergency clause will not affect NPPD in their election. They are subject to the same provisions but it would not take effect until the general election in that case, and again, it is because of a time element that would have to be completed and there would not be time to notify that many people that their time frame requires but it will correct the problem that has existed for a great many years and I think will provide everyone an opportunity to vote that is being served by a power district where now some of them have not been able to.

SENATOR CLARK: Senator Kahle.

SENATOR KAHLE: Mr. President, members, I might ask Senator Warner a question just for clarification. I believe it also states that they are part of the district as far as being able to run for director. I don't believe you mentioned that. I think this is an excellent idea. I don't believe any of us want to deny people the right to vote for the people that govern them, either in a Legislature, in a power district, or what have you, and sometimes we have had some hard feelings over this so I think this is a good amendment and it will be a good bill and will help the situation over the State of Nebraska. So I support the amendment.

SENATOR WARNER: I need to make one (interruption).

SENATOR KAHLE: Senator Warner wants to make another statement.

SENATOR WARNER: If I could, I think I stated NPPD would not be affected in the primary. They would not be affected this

January 29, 1982

LB 198

whole election year because they do have people running in the primary and other areas do not have the similar situations. But anyway it straightens that one out for the next election.

SENATOR CLARK: Senator Vickers.

SENATOR VICKERS: Mr. President, I wonder if Senator Warner would respond to a question please.

SENATOR CLARK: Senator Warner.

SENATOR VICKERS: Senator Warner, I apologize. I wasn't listening. I was working on some other things when Senator Kahle asked me a question and maybe you already answered this. You are attempting to add the emergency clause you said with your amendment...well, maybe first I should ask you, is your amendment printed in the Journal that we are discussing right now?

SENATOR WARNER: In substance it is...

SENATOR VICKERS: It is somewhat different than the one on page (interruption).

SENATOR WARNER: ...on page, what, 441. The significant difference dealt with how the mailing notice was handled. Senator Wagner and I think maybe...had expressed the concern because it was all required billings to be sent first class mail and the effect of it would have been, and this was altered slightly because some power districts, I understand, may use bulk mailing at some point. They would still have to use first class to notify about the voter but they wouldn't be compelled to send billings first class should they change.

SENATOR VICKERS: Okay, but I guess the question I was wondering, you mentioned the emergency clause in order to help those rural districts in the primary this year, but with the requirements in the amendment as I read it in the Journal, they have to have the notices mailed sixty days in advance. Is that going to cause a problem?

SENATOR WARNER: Yes, there is in that NPPD is the only one that I understand that is affected by the primary and they could not meet that sixty day notice.

SENATOR VICKERS: So you took the sixty days out?

SENATOR WARNER: No, it is in there but I understood the REAs didn't have that same problem.

LB 198

SENATOR VICKERS: In other words, the section of the statutes that refers to that sixty days applies only to NPPD, is that correct?

SENATOR WARNER: Yes. The specific answer is that NPPD must certify by February 1, the other power districts are July 1 and that is why they couldn't possibly meet...the sixty days is still in there but it is impossible for NPPD to certify by February 1 where the power districts can certify. The other districts would have ample time.

SENATOR VICKERS: In other words, not for the primary though.

SENATOR WARNER: Not for the primary.

SENATOR VICKERS: Oh, I thought you said for the primary in your opening remarks. That is the reason I was asking the questions about the sixty days. Now the directors...

SENATOR WARNER: I understand they don't have primaries.

SENATOR VICKERS: Okay, yes, I didn't think the directors did either, at least in my district, but another question, I was wondering will this address the situation where an individual right now is getting ballots from another district that doesn't serve them, and if they file these notices, they will get the ballot for the district that does serve them, will they also get to vote on the other district's directors at the same time? Will they wind up voting on two different boards of directors?

SENATOR WARNER: Apparently they could vote on two.

SENATOR VICKERS: Is there a way to your knowledge that this could be amended so that they would only vote for those boards of directors that actually serve them, that they ought to vote on?

SENATOR WARNER: I won't say there isn't. As much trouble as there was to arrive at this one, I don't know.

SENATOR VICKERS: Okay. Well, maybe we can look at it between now and Final Reading. Thank you, Senator Warner. I support the Warner amendment. I think Senator Warner... and I support the bill...the intentions of this bill is very noble. As a matter of fact I think I am the one that suggested to the Government Committee that they introduce such a bill. So I am in full support of what Senator Warner is attempting to do and the intentions of LB 198.

SENATOR CLARK: Senator Wagner.

SENATOR WAGNER: Mr. Speaker and members, I had a concern about the Warner amendment that was passed around here a day or so ago and this related to any of the mailings, particularly bulk mailings might have this notice in there. So working with Senator Warner, this has been cleared up and essentially what it says is that any mailing that has this election notice in there will be sent first class mail so I think it is a must and I think the amendment takes care of it and I certainly support the amendment.

SENATOR CLARK: Senator Warner, do you wish to close? No closing. The question before the House is the adoption of the Warner amendment. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on the Warner amendment? Record the vote.

CLERK: 26 ayes, and 1 almost aye, Mr. President, on the motion to adopt Senator Warner's amendment.

SENATOR CLARK: We will call that 26½. The amendment is adopted. Is there any further amendments?

CLERK: I have nothing further on the bill, Mr. President.

SENATOR CLARK: Senator Kilgarin, do you want to move the bill? Senator Kilgarin, do you want to move the bill?

SENATOR KILGARIN: I move we advance LB 198.

SENATOR CLARK: You heard the motion. All those in favor say aye, opposed. The bill is advanced. LB 592.

CLERK: Mr. President, there are no E & R amendments. Senator Lamb had an amendment on 251 I understand he wishes to withdraw.

SENATOR CLARK: They are withdrawn.

CLERK: Did you want to withdraw that one on 592, Senator, or on 251, that amendment that you had had printed? Senator Lamb.

SENATOR LAMB: Mr. President, members, I do have an amendment to LB 592 which merely strikes the statutes which deal with

And now the Chair recognizes the Honorable Senator Nichol from Scottsbluff, Nebraska.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, I want you to know that western Nebraska is still in great shape. Since it is Valentines Day just past and you need a little sweetening up, I heard a few remarks while out west over the weekend and so I thought I would sweeten you up a little today. There is some sugar from the Great Western Sugar Company up in front of the podium and I would ask that you would please take a bag for yourself. I would like to take the credit for buying this but I didn't buy it. It was given to me to give to you, and in spite of what Senator Dick Peterson says, why it is still a good food to eat and if he wants equal time that is fine but I thought I would return good for evil and bring you a little sugar this morning. Thank you.

PRESIDENT: Thank you, Senator Nichol. Did Senator Richard Peterson have something to add or another point? Senator Peterson.

SENATOR R. PETERSON: Yes, Mr. Speaker, fellow colleagues, I would encourage my fellow colleagues to hands off all the sugar that is up there and you know the dentist and that are saying...I don't know, maybe Senator Nichol is being paid off by the dentist because you know this is bad for your teeth, so for gosh sakes go to honey.
