LR 5

Taiwan, and to answer Senator Wesely's question, is it going to make Red China unhappy? Are they going to call me or Senator Remmers naughty names for voting for it? I don't think so but they are going to be aware of the fact, they are going to be aware of the fact that this particular state which they have to rely on for agricultural products, too, isn't going to play the game of, we want to be your friend so we stab our old friend in the back. We will export grain to any of them and food, but not on terms of tit for tat, stab old friends for new friends. I urge you to support the resolution.

It is going to be lost, number one, if you don't pass the bill. And, number two, get it simplified in this usury rates to where at least we can kind of understand it from year to year.
