LB 70, 71

CLERK: Two more, Mr. President. Read LB 71 (sic) and 71 by title for the first time as found on pages 101-102 of the Legislative Journal. Mr. President, that is all I have.

PRESIDENT: The Chair recognizes Speaker Marvel.

SPEAKER MARVEL: Are there any other announcements on the Clerk's desk?

CLERK: Nothing, sir.

SPEAKER MARVEL: I think I would only say this in closing and that is that we can't really afford too many more days like this or June first will find us in about the middle of the session instead of the end. I move that we adjourn until Monday (interruption) I'm sorry.

PRESIDENT: Mr. Speaker, we have a few more bills that we can get in here if you want to just hold up.

CLERK: I just received about a half dozen here, Senator.

SPEAKER MARVEL: That is fine.

PRESIDENT: We will read those bills in and while we are doing that the Chair recognizes Senator Koch.

SENATOR KOCH: Mr. President, a question of the Speaker.

PRESIDENT: Mr. Speaker, would you respond to a question from Senator Koch.

SENATOR KOCH: Senator Marvel, I've heard the bill drafting department is overwhelmed with bills. Is that true as far as you know? If it is true I was going to make a suggestion. If possible we ought to take Monday off and let them get it done so when we come back we will have enough bills here so we can start processing things. Do you know, Pat?

SPEAKER MARVEL: Well,.....go ahead.

CLERK: Senator, if I may. It would be better, Senator, rather than Monday if...we will be in a better position to determine what kind of shape they are in later in the week as opposed to earlier in the week. So a Thursday or a Friday or even a week from Monday we would be in a much better position to determine where we are than this coming Monday.

SENATOR KOCH: All right, thank you.

are any other questions, I would be glad to answer them but that is the principal purpose and I think we have all been familiar with the history of the Home Mortgage Act. I think we know that it has provided some valuable assistance at a time when the construction industry and the financial industry was unable to meet the demand for housing. We know that those interest rates are continuing to be abnormally high. We can expect I think a continued period of time when this will continue to exist. It denies many people the opportunity to own their own home or even to remodel or even to provide or have access to rental housing. It was felt by the Directors of the Home Mortgage Act that this would be a substantial improvement to the act. I concur and I, therefore, offer the bill and hope that it will be advanced.

SPEAKER MARVEL: The motion is the advancement of the bill to E & R for review. Any further discussion? All those in favor of that motion vote aye, opposed vote no. We are voting on LB 543 and its advancement. Record.

ASSISTANT CLERK: 25 ayes, 0 nays on the motion to advance the bill.

SPEAKER MARVEL: The motion is carried. The bill is advanced. The next bill is LB 70.

ASSISTANT CLERK: Mr. President, LB 70 (read title). It was read for the first time on January 9th. It was referred to the Government, Military and Veterans Affairs Committee. There are committee amendments from that committee.

SPEAKER MARVEL: Senator Kahle.

SENATOR KAHLE: Mr. Speaker and members, as introduced, LB 70 would repeal all provisions in the statutes pertaining to polling place accessibility for physically handicapped. Currently the statutes require that no more than fifty percent of the polling places in the counties can be inaccessible now, and by January 1, 1984, all polling places will have to be accessible. The Secretary of State is authorized to issue waivers of the percentage requirement but no waivers will be allowed after January 1, 1984. Now rather than do away with the current statutes, the committee basically accepted the compromise offered by the various handicapped groups who testified at the hearing. The committee amendments reinstate the current language in the statutes so that by 1984 all polling places will have to be accessible. However, the Secretary of State will be able to continue granting waivers in 1984 and beyond. To

LB 70, 1981

assist him in granting waivers, the Secretary of State may wish to appoint an advisory committee made up of interested people and experts to serve without remuneration or expenses. The committee amendments are a compromise reorganizing the need to grant handicap access and the problem of finding suitable polling places in sparsely populated areas. I might say that as we progressed with the hearing, of course a great number of people that were handicapped or represent the handicapped became before the committee. We also knew from experience in outstate Nebraska that many of the polling places had been moved, for instance, to a central location causing voters to have to travel many more miles where there were not any handicapped people at all in the community. So this is sort of a compromise. If there are no handicapped, if there is no need for the accessibility that was required, it can be waived. There can be a waiver granted and that is what the committee amendments do. I move adoption of the committee amendments.

SPEAKER MARVEL: Motion is the adoption of the committee amendments to LB 70 as explained by Senator Kahle. All those in favor vote aye, opposed vote no. Have you all voted? Record.

ASSISTANT CLERK: 26 ayes, 1 nay on adoption of the committee amendments.

SPEAKER MARVEL: Motion is carried. The committee amendments are adopted. The motion is to advance LB 70 to E & R for review. All those in favor vote aye, opposed vote no. Record the vote.

ASSISTANT CLERK: 26 ayes, 1 nay, on the motion to advance.

SPEAKER MARVEL: The motion is carried. The bill is advanced. Next bill, LB 285, Senator Clark, 285.

ASSISTANT CLERK: Mr. President, LB 285 (read title). The bill was read for the first time on January 19. It was referred to the Public Works Committee and there are committee amendments.

SENATOR CLARK: I will take the committee amendments, too.

SPEAKER MARVEL: Senator Clark.

SENATOR CLARK: All the committee amendments do is that they had the bill originally that if it was a hard surfaced road, they could not give it back to the counties until after a three year period and we removed that three year

CLERK: Mr. President, I have a letter addressed to the membership from Senator Warner who is Chairman of the Appropriations Committee. (Read. See pages 2052 and 2053, Legislative Journal. Re: Line item vetoes of LB 561.)

SPEAKER MARVEL: Senator Warner, you are recognized to comment on the letter just read.

SENATOR WARNER: All right, Mr. President, again under the provision of the rule, the Appropriations Committee is to make such report, and as the report indicates, there was one item which the majority of the committee did support to offer a motion for override which at the time which will be designated by the Senator representing the majority of the committee's position on that issue. The other portion I might just go through briefly with you is the second and third page which is to give you for your information. Page two that is an analysis of the Governor's line item vetoes points out those vetoes that occurred relative to committee recommendations and it shows what the collective floor amendments were, and the last group indicates the vetoes that were relative to the floor amendments and shows the total dollar amount then of \$728 million to \$74,747 that would remain under the Governor's veto as the legislation now stands. If you look at page 3, headed Financial Status Summary, it is similar to what is on the back of the agenda but in a slightly different form. Above the line at the top it shows again the original committee level of recommendation in those bills. The next shows the allocation for A bills that was originally recommended, that subtotal, and then it shows the amount that was
