SPEAKER MARVEL: We are ready for LB 264 on General File.

CLERK: Mr. President, LB 264 offered by the Public Health and Welfare Committee and signed by its members. (Read title). The bill was first read on January 16 of this year, or last year, excuse me. It was referred to the Public Health and Welfare Committee for hearing. At that time it was advanced to General File, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator Wesely.

SENATOR WESELY: Mr. Speaker and members of the Legislature, this bill was brought to the committee by the Department of Welfare in terms of trying to make a conformity with the present age of majority statutes. It is a rather small technical change. All it would do basically at this time lower it from the age of 20 to the age of 19 the age at which a guardian would be appointed for a mentally retarded individual and then the possibility of placing them in a Department of Welfare local mental retardation facility would take place. I don't see much of a problem with it. There was very little testimony as you can see from the committee statement, and basically it is a technical change.
