SPEAKER MARVEL: We are ready for LB 264 on General File.

CLERK: Mr. President, LB 264 offered by the Public Health and Welfare Committee and signed by its members. (Read title). The bill was first read on January 16 of this year, or last year, excuse me. It was referred to the Public Health and Welfare Committee for hearing. At that time it was advanced to General File, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator Wesely.

SENATOR WESELY: Mr. Speaker and members of the Legislature, this bill was brought to the committee by the Department of Welfare in terms of trying to make a conformity with the present age of majority statutes. It is a rather small technical change. All it would do basically at this time lower it from the age of 20 to the age of 19 the age at which a guardian would be appointed for a mentally retarded individual and then the possibility of placing them in a Department of Welfare local mental retardation facility would take place. I don't see much of a problem with it. There was very little testimony as you can see from the committee statement, and basically it is a technical change.

LB 705, 718, 719

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on the advancement of 705? Record the vote.

CLERK: 27 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The Chair declares 705 advanced to E & R. 718.

CLERK: LB 718 (read title). The bill was read on January 8 of this year, referred to the Judiciary Committee for public hearing, and advanced to General File. Mr. President, I have no amendments to the bill.

SENATOR CLARK: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, LB 718 eliminates two current provisions of law which relate to the terms and quorum requirements of the Nebraska Supreme Court. The bill was introduced on behalf of the Supreme Court and repeals the requirement that the Supreme Court meet on the first Monday of January and the third Monday of September. If this section is removed, the Court has told the committee it will allow them to increase the days they are able to hear cases, and if they want to work, I am all for that. Secondly, the bill repeals obsolete procedure regarding the quorums of the Court. The Supreme Court used to have terms and now they ignore these terms anyway and this procedure would simply delete that obsolete language.

SENATOR CLARK: You want to leave the absolute language out, right. The question is the advancement of 718. Is there any discussion? All those in favor of advancement vote aye, opposed vote nay. Voting aye, Mr. Clerk.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Record the vote.

CLERK: 30 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The bill is advanced. LB 719.

CLERK: LB 719 (read title). The bill was read on January 8 of this year, referred to the Judiciary Committee. The bill was advanced to General File. I have no amendments to the bill, Mr. President.

on the awards made by condemnation and the amendment that I have does three things. First of all, it includes the emergency clause. Secondly, it says that the condemnnee must agree to the stipulation offered by the condemner. Otherwise there would be an unequal burden and that all the condemner would have to do would be to offer such a stipulation and the condemnnee would have no recourse. Then, in addition to that, the amendment makes the act applicable to an appeal whether it is taken by a condemnnee or a condemner so it is equal both ways. Presently it is applicable only if the appeal is taken by the condemner with regard to the stipulation. I move for the adoption of amendment.

SENATOR CLARK: Is that the legatee or the legator?

SENATOR NICHOL: Something like that.

SENATOR CLARK: Thank you. We have no lights on up here so the question before the House is the adoption of the Nichol amendment. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SPEAKER MARVEL PRESIDING

REV. MORRIS VENDEN: Prayer offered.

SPEAKER MARVEL: If I could have your attention for a moment before we proceed. The chairmen had a meeting today and it was agreed that we would attempt to control debate as we have not done too well in the last few months and that we would try, for instance, with 652 to have the debate and the vote on advancement after one hour and that we try to have the pros and the cons of these issues so it doesn't take forever to get the point across. This time we're in a position where we either try to limit debate or many of the other issues will simply go down the drain. So the Chair would appreciate, the chairmen would appreciate your cooperation in trying to give people an opportunity on both sides and not spend all day in the discussion. Record.

CLERK: There is a quorum present, Mr. President. Yes, sir, I do have some items to read in. CLERK: Mr. President, Senator Pirsch moves to return LB 677 to Select File for a specific amendment. (Read amendment).

SENATOR CLARK: Senator Pirsch.

SENATOR PIRSCH: Thank you Senator Clark and members of the body. I apologize for not putting this on on Select File, it was called to my attention because it is a money saving bill that it perhaps would behoove us to put it on as soon as possible. This is as you know the mailing requirement that can be changed to First Class instead of Registered only permissive, but in Douglas County they feel that this will save them quite a bit of money and I know that we have talked to some of the smallest counties to the largest who also agree that they could save a few extra dollars this way. I would like your concurrence in putting on the emergency clause. Thank you.

SENATOR CLARK: The question before the House is the return of 677 to Select File for a specific amendment. All those in favor vote aye, opposed vote nay. Record your vote.
