

four days unlimited bill requests would be accepted by the bill drafter and then between the fourth and the eighth day one more request per senator and per committee. This is a little change from before because since we have unlimited bill introductions now we were afraid we might get into the situation where the bill drafter just would not be able to handle the volume of requests. So I call that to your attention and hope that you can get your requests in today and if you have an emergency then you have the prerogative of another request between the fourth legislative day and the eighth legislative day. Thank you.

PRESIDENT: Any questions of Senator Lamb? Or any other comments? Okay, at this time the Chair takes pleasure to introduce some visitors from Senator Marsh's district up here in the north balcony, some 25 seniors from Southeast High School, their instructor Mr. Douglas. They're up in the north balcony. Would you welcome the Southeast seniors up here in the balcony. Welcome to your Legislature. All right we'll... The Clerk will just read some bills in until...it's getting close enough to the time of the Governor's arrival. We will proceed with the reading of some bills, Mr. Clerk.

CLERK: (Read by title for the first time, LBs 746-748 as found on page 190 of the Legislative Journal.)

PRESIDENT: Does anyone else have any bills to introduce before the Governor's arrival? We just as well get in the bills if you have any there. The Clerk would like to read them in.

CLERK: (Read by title for the first time, LBs 749-752 as found on page 191 of the Legislative Journal.)

PRESIDENT: The Chair recognizes Speaker Marvel for purpose of a motion.

SPEAKER MARVEL: The motion that I make is that a committee of five be appointed to escort the Governor to the Chamber to deliver the State of the State and the Budget Message. I so move.

PRESIDENT: The motion is to appoint a committee of five to escort the Governor. All those in favor signify by saying aye, opposed nay. The committee the Chair will appoint will be as follows to escort the Governor: Senator Carsten, Senator Newell, Senator Barrett, Senator Lowell Johnson and Senator Remmers. That committee of five will proceed to escort the Governor into the Chamber for the delivery of his State of the State address and the Legislature will be at ease until the Governor arrives.

LB 708, 751

PRESIDENT: Okay, so the motion is the adoption of the committee amendments which as you said are the bill. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on adoption of the committee amendments.

PRESIDENT: All right, now we're on the bill itself. Senator DeCamp, do you have anything further? Senator Vickers, do you want to speak to the bill? No. Senator Schmit, anything? Senator Schmit, you don't wish to speak any further on the bill, do you? All right, Senator DeCamp, I guess we're ready for a vote then on the advance of LB 708. All those in favor of advancing LB 708 to E & R initial vote aye, opposed nay. Record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion carries. LB 708 is advanced to E & R initial. The next bill is LB 751, Mr. Clerk.

CLERK: Mr. President, LB 751 offered by Senator Goodrich. (Read title.) The bill was read on January 11, referred to Banking, Commerce and Insurance. The bill was advanced to General File, Mr. President. There are committee amendments pending by the Banking Committee.

PRESIDENT: Senator DeCamp, the Chair recognizes you for purposes of discussing the committee amendments to LB 751.

SENATOR DeCAMP: Oh, Mr. President, as I recall this is the loan broker thing which we've had more than a little trouble in this state on, people saying they're going to find somebody money and charging them piles of dollars. We had one scandal after another that the Attorney General has been dealing with. We think we've got legislation put together to correct it. The Wesely amendment on this bill simply says that it would fall under the Consumer Protection Act which we've got an Attorney General's opinion #208 saying unless we put this amendment, unless we specifically say it, it won't fall under that so the amendment makes it specifically fall under the Consumer Protection Act. I urge you to adopt it.

PRESIDENT: Any further discussion? Senator Schmit? Senator Wesely first and then Senator Schmit. Senator Wesely, on the committee amendments.

SENATOR WESELY: Yes. Mr. President, members of the Legislature, the Attorney General's office was contacted. They did

provide an opinion which was dated February 26 where they called for the need to expand the Consumer Protection Act to cover loan brokers. They had been involved and then we did want to continue to involve the Attorney General's office in this serious problem but we found that there was some language in the bill we passed last year that there was some doubt as to whether or not they could still be involved in loan broker regulation. This would clarify the Consumer Protection Act. It would continue to cover loan brokers and the Attorney General could continue to be involved in that issue. It is an important amendment and is supported by the Attorney General's office.

PRESIDENT: Any further discussion on the committee amendments to LB 751? Senator DeCamp, do you wish to close on the committee amendments? The motion is the adoption of the committee amendments on LB 751. All those in favor vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 25 ayes, 0 nays on adoption of committee amendments, Mr. President.

PRESIDENT: The motion carries. The committee amendments are adopted. The Chair would like to introduce from Senator Landis' district some 46 fourth graders from Hartley Elementary School with Norma Tumblin, Debbie Cone and Linda Greenwald are teachers. They are up here in the North balcony and we welcome you to your unicameral Legislature, Hartley School. The Chair now recognizes Senator Goodrich to present the bill.

SENATOR GOODRICH: The bill itself, now that we have adopted this amendment and it has just been explained to you, I'll explain the original bill itself which is nothing but a way of picking up the subsidiaries of savings and loans and putting them over in the sections where savings and loans are regulated. Originally when savings and loans were given like their special set of statutes, banks were given theirs, the whole thing was...we spelled out in other words, banks, trust companies, savings and loans, that sort of thing should be regulated over here in this section but we forgot to pick up the subsidiaries of savings and loans. So literally the Banking Department doesn't know whether to regulate them under this particular section of statutes, these subsidiaries I mean, under this section of statutes or over in the savings and loan sections where they belong. So all the bill is intended to do is just transfer them over there where they belong so that they will be regulated like savings and loans. I move we advance the bill.

LB 751, 875

PRESIDENT: Any further discussion? All those in favor then of advancing the bill vote aye, opposed nay, the advancement of LB 751 to E & R initial. Record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion carries. LB 751 is advanced to E & R initial. LB 458 has been laid over by the Speaker. We will go on to LB 875, Mr. Clerk.

CLERK: Mr. President, LB 875 offered by Senator Remmers. (Read title.) The bill was read on January 18 of this year, referred to Urban Affairs for public hearing. The bill was advanced to General File, Mr. President. There are committee amendments pending.

PRESIDENT: The Chair recognizes Senator Landis for purposes of the committee amendments. Senator Landis.

SENATOR LANDIS: Mr. Speaker, members of the Legislature, LB 875 was brought to the Urban Affairs Committee by Senator Wiley Remmers and it indicates that in second class cities and villages there shall be the power to take private property for public use for the purpose of electrical distribution facilities and this is simply to make the grant of authority clearer as to when condemnation can be used and for what public purposes. The existing language indicates that water works, gas works, power plants, electric or other light works and such plants are covered but they do not make it explicit that electrical distribution facilities are covered and of course I think we would all intend for those definitions to include that situation. The committee agreed with Senator Remmers as to the need for the bill and also searched the statutes to find that first class cities did not have this kind of explicit language in its provisions. So rather than taking second class cities this year and then perhaps be faced with making the same change a year or two down the road for first class cities, the committee adopted the rule that this should apply for first class cities as well. The committee amendments extend the provision for this act to first class cities as well and that is without objection from any known party. The League of Municipalities at the hearing, when asked about the amendment, the proposed amendment, agreed fully with it and it has the acquiescence of all parties to the bill that I know of.

PRESIDENT: Senator Remmers, do you wish to discuss the committee amendments?

SENATOR REMMERS: Mr. Speaker, members of the Legislature,
