

the authority to make those determinations. If Senator Schmit and Senator DeCamp want different mechanisms within their area then let them go to their natural resources districts and make that plea to them. It's the same as I should have the right to do with my NRD but you're taking that right away from me and I think that is wrong. I think that is fundamentally wrong. Why don't we just do away with the NRDs and make all the decisions right here? We'll draw the lines, we'll do the whole works. We'll be the Natural Resources Board for the whole state. That is really what we are doing. Is that what we want to do?

SENATOR CLARK: The question before the House is the adoption of the Vickers amendment to the Kremer amendment on Section two. All those in favor vote aye, opposed vote nay. This also takes a simple majority. A record vote has been requested. Once again, have you all voted? Record the vote.

CLERK: (Read record vote as found on page 353 of the Legislative Journal.) 12 ayes, 21 nays, Mr. President, on adoption of the amendment.

SENATOR CLARK: The motion lost. Senator DeCamp, would you like to adjourn us until nine o'clock tomorrow morning after the Clerk reads in the rest of the bills.

SENATOR DeCAMP: Marvel was saying something about coming back at four-thirty or something. Is that out?

SENATOR CLARK: No, I don't think we need to.

SENATOR DeCAMP: Okay, we're going until nine o'clock tomorrow then.

SENATOR CLARK: No, let's wait until he reads the bills in.

SENATOR DeCAMP: Oh, okay.

SENATOR CLARK: He still has some bills to read in.

CLERK: Mr. President, new bills. (Read by title for the first time, LBs 915-955 as found on pages 354-366 of the Legislative Journal.)

Mr. President, Senator Marsh would like to print amendments to LB 69 in the Legislative Journal. (See page 369 of the Legislative Journal.)

Banking gives notice of cancellation and rescheduling of a hearing. (See page 369.)

March 9, 1982

LB 587, 652, 750, 752,
816, 895, 915

RECESS

SPEAKER MARVEL PRESIDING

CLERK: A quorum present, Mr. President.

SPEAKER MARVEL: Okay, the Clerk has some items to read into the record.

CLERK: Mr. President, your committee on Public Works whose Chairman is Senator Kremer instructs me to report LB 750 as indefinitely postponed; LB 752 indefinitely postponed; LB 915 indefinitely postponed. All signed by Senator Kremer as Chair.

Mr. President, I have an Attorney General's opinion addressed to Senator Carsten regarding LB 816. That will be inserted in the Legislative Journal. (See pages 1068-1070.)

Mr. President, I have a motion from Senator Kremer to place LB 587 on General File notwithstanding the action of the committee. That will be laid over.

Mr. President, Senator Kremer would like to print amendments to LB 895 in the Legislative Journal.

SPEAKER MARVEL: Okay, we will return to item #5, LB 652.

CLERK: Mr. President, when we left 652 this morning there was pending a motion from Senator Hoagland to indefinitely postpone the bill.

SPEAKER MARVEL: The Chair recognizes Senator Hefner.

SENATOR HEFNER: Mr. President and colleagues, I rise to oppose the kill motion and the reason I do is because I feel that we have made a fair compromise. I think that we found a fair and just solution to the problem that we have been toying with over the past year and a half. I don't think that just because a teacher is certified that this means she or he is good. I think we can write other things into the law that would help our school system in Nebraska. We were able to get some amendments to the bill this morning that I feel are a compromise and one of those is the sunset provision. If it isn't working by the end of four years, we can take another look at it and make some adjustments then. We are also striking the section in the Peterson-DeCamp amendment that waives some of the requirements of the school. I think that Senator DeCamp and Peterson have been very fair and I want to commend Senator
