LR 140 - 142

statutory provisions for teacher and administrator evaluations. LR 140 offered by Senator Koch on behalf of the committee. It calls for a study to evaluate the effectiveness of the Nebraska Coordinating Commission for Postsecondary Education. LR 141 by Senator Koch. The purpose of the resolution is to study legal provisions regarding tenure of teachers and administrators in public schools, Educational Service Units, and Technical Community Colleges. And LR 142 offered by Senator Wiitala. The purpose of the resolution is to authorize the study of the Workmen's Compensation Act with the special emphasis on the adequacy of reimbursement to injured employees, the minimum and maximum allowable weekly benefits and the appropriateness of the amounts. All of those will be referred to the Executive Board for reference. (See pages 1843-1848, Legislative Journal.)

PRESIDENT: Before we commence on agenda item #4, the Chair recognizes Speaker Marvel for some comments. Speaker Marvel.

SPEAKER MARVEL: About 11:45 a.m. we would propose to take the bills that we have now on Select File and bills which have no amendments and pass them or attempt to pass them, first of all the E & R and then the bill itself. We alert you now so that if you want to look at the bills ahead of time, fine. The Clerk has gone through the bills so that we will know in a short time which bills have amendments and which don't, and if we don't do something like this, then we are going to be stove-up again. Now I am not sure I made myself clear. We have...

PRESIDENT: Any questions of the Speaker.

SPEAKER MARVEL: I think Senator Lamb has a question.

PRESIDENT: Senator Lamb.

SENATOR LAMB: (Mike not turned on.)

SPEAKER MARVEL: Oh, about three o'clock, something like that.

PRESIDENT: Any other questions of the Speaker? Mr. Clerk, when will you have that list ready? A little later this morning? All right, Speaker Marvel, the Clerk has that list ready now if you want to have him just go over those. All right, the Clerk has a good point, Mr. Speaker, that if we wait a little longer there may be some amendments on some of these that right now do not have any amendments and then we will know closer to noon what the true situation is.
