LR 304, 313

name of a newspaper in the United States with the name of "Quiz". The Quiz was started over a hundred years ago and it is their centennial year. It was started by Mr. Haskell and he started it with a twenty dollar gold piece. Like I say it is a unique paper, three generations have owned that paper and I urge your adoption of the resolution.

SENATOR CLARK: The question before the House is the adoption of the Resolution. All those in favor vote aye, opposed vote nay. Have you all voted? We only have five more after this one, if we can get a vote on this one. Probably have to have a Call of the House to get that many people here, I don't know. Record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SENATOR CLARK: The resolution is adopted. LR 313, Senator Marsh, is she excused?

CLERK: No.

SENATOR CLARK: LR 313.

CLERK: Mr. President, the first item I have on 313 is a request from Senator Vickers to add his name as co-introducer.

SENATOR CLARK: No objection, so ordered.

CLERK: Mr. President, 313 offered by Senators Marsh and Vickers, it is on page 1644 of the Journal.

SENATOR CLARK: Senator Marsh. Senator Vickers, do you want to take the resolution?

SENATOR VICKERS: Mr. President and members, the resolution that Senator Marsh and I have before you is one to honor the University of Nebraska-Lincoln Lady Track Team for being the national champions in indoor track this year. I think that is quite an honor when you consider the ladies program at the University of Nebraska has not been in existence that many years, but yet they have got some world class sprinters. They have got a young lady that holds the world's record and continually keeps breaking her own record in the 300 meter dash and they have obviously performed very well to take the national championships and this resolution is designed to honor them for those efforts. I urge the body's adoption of it.

LR 313, 316, 331

SENATOR CLARK: The question before the House is the adoption of the Resolution. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted? Record the vote.

CLERK: 26 ayes, 0 nays, on adoption of the resolution, Mr. President.

SENATOR CLARK: The resolution is adopted. LR 316.

CLERK: Mr. President, 316 offered by Senators Kilgarin, Wesely, Koch, is found on page 1669.

SENATOR CLARK: Who wants to. . . Senator Koch.

SENATOR KOCH: Mr. Chairman, this resolution is a resolution that honors the University of Nebraska gymnastic team. I don't think I need to spend any deal of time talking to you about it. Coach Allen and his group of athletes have brought considerable fame to us not only to this nation but internationally. I think it is appropriate that this legislature honors the accomplishments of that team, not only Big 8 champs for several years but three straight years as National Champions and it looks as though they could do it the fourth time. So I move for the adoption of the resolution.

SENATOR CLARK: The question is the adoption of the resolution. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Record the vote.

CLERK: 27 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SENATOR CLARK: Is Senator Beyer excused? Okay, we will take 359. All right 331, Senator Fenger will take it.

CLERK: Mr. President, 331 is found on page 1693 of the Journal.

SENATOR CLARK: Senator Fenger.

SENATOR FENGER: Thank you, Mr. President, fellow members, LR 331 is a resolution recognizing National Transportation Week. I offered to handle this this afternoon in Senator
