This resolution is offered to congratulate the Creighton Prep basketball team for their splendid season and victory in the State Class A Championship game last Saturday night. This marks the ninth time that Prep has won the State Class A Basketball Championship. I believe it has been seventeen years since Prep has finished first in both football and basketball. In addition to being a perennial power in high school athletics, Creighton Prep also has a fine tradition of academic excellence and I want to especially congratulate Bernie and Bill on my staff who are two alumni of Creighton Prep. Thank you.

you do. You see Grant, Nebraska is the smallest Class C school in the state. They are the only undefeated Class C or undefeated basketball team in the state. They won the Class C championship. Sidney won the Class B championship but it seems like Grant beat Sidney during the season. I am sorry about that, Senator Clark. Grant also won the Class C II football championship so I feel that the smallest Class C school in the state that goes undefeated in basketball and wins the Class C championship, beats the Class B champion, and also wins the Class C II football championship should have a resolution passed with a big vote and thank you very much.

SPEAKER MARVEL: The motion is the adoption of LR 39. All those in favor vote aye, opposed vote no. Record the vote.
