LR 49
LB 313, 17

CLERK: (Read LB 313 on Final Reading.)

PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall LB 313 pass? All those in favor vote aye, opposed nay. Record the vote.

CLERK: (Record vote read. See page 1209, Legislative Journal.) 48 ayes, 0 nays, 1 excused and not voting, Mr. President.

PRESIDENT: LB 313 passes and that will conclude Final Reading today. Mr. Clerk, do you have some things to read in?

CLERK: Yes, very quickly, Mr. President, a new resolution, LR 49 offered by Senator Sieck. (Read. See page 1209, Legislative Journal.) That will be laid over, Mr. President.

Senator Koch would like to print amendments to LB 17 in the Journal, Mr. President.

SPEAKER MARVEL: Do you have any other items? We have two Resolutions to consider this morning. The first one is LR 48.

CLERK: (Read LR 48.) It is offered by Senator Koch, Mr. President.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Mr. Speaker and members, first of all I want to correct the Journal. Barbara Shields is really from LaVista not from Omaha. Sometimes we think that Omaha is everything and I would like to have that correction in the Journal. Most of all I think it is important that this body does recognize this young lady. She is the first student to ever receive a Fulbright scholarship to Switzerland. Not only that you might notice that she is concentrating in the area of genetic engineering. She is working in the area of sorghum and cereal grains. The president of that university in Switzerland, you might have observed this article in the World Herald, is very proud to have her coming there and she will receive I think \$5,000 for this study for one year. Often times we look at our public schools and we feel that they are not producing outstanding individuals but I think here is one more example of an outstanding young lady who will represent Nebraska well. I would hope that this body would think as much of this accomplishment as I do and I ask for the adoption of the amendment.

SPEAKER MARVEL: The motion is the adoption of LR 48. All those in favor vote aye, opposed vote no. Have you all voted? We are voting on LR 48. Have you all voted? Record the vote.

CLERK: 37 ayes, 0 nays on the adoption of LR 48, Mr. President.

SPEAKER MARVEL: Motion is carried. Resolution is adopted. The next one is LR 49.

CLERK: Mr. President, LR 49 offered by Senator Sieck and found on page 1209. (Read LR 49.)

SENATOR SIECK: Mr. President, members of the body, I'm very proud to have the beauty contest winner of the state from Seward, Nebraska. This is Miss Donna LaHill (sic) from Seward. She is the daughter of Mrs. H. W. Hill of Seward. She is a 1978 graduate of Seward High School and

a junior at Kearney State College majoring in public relations with a minor in advertising and speech communications. She didn't have no idea that she was going to be picked as a winner. Out of 38 contestants she was the winner because of her scholastic ability and of her beauty. I'm very proud to have her come from Seward and to compete in the national contest at Biloxi, Mississippi. With this, I would ask everyone to support her and hear her when she is on CBS in the national beauty contest. I ask for your support of this Resolution.

SPEAKER MARVEL: Motion is the adoption of LR 49. All those in favor.....Senator Cope, your light is on.

SENATOR COPE: Mr. President, members, anybody from Kearney State has to be good. I certainly support.

SPEAKER MARVEL: All those in favor of the adoption of LR 49 vote aye. Opposed vote no. LR 49. Have you all voted? Record the vote.

CLERK: Mr. President, 41 ayes, 0 nays on the adoption of LR 49.

SPEAKER MARVEL: The motion is carried, the Resolution is adopted. Okay we are ready for Final Reading. All Legislators please be in your seats and unauthorized personnel please leave the floor. The first bill is LB 290.

CLERK: Mr. President, I have a motion on the desk.

SPEAKER MARVEL: Read the motion.

CLERK: Mr. President, Senator Maresh moves to return LB 290 to Select File for specific amendment. That amendment being to strike the "HABERMAN AMENDMENT" previously adopted. It is offered by Senator Maresh.

SENATOR MARESH: Mr. Speaker, members of the Legislature, I think we made a mistake when we adopted the Haberman amendment to save some money and we won't help the police to be able to identify cars and trucks. I think we should reconsider our action on this and bring this back and strike the Haberman amendment which we will be going only to one license plate on all of our vehicles. I move that this amendment be adopted.....the bill be returned first.

SENATOR CULLAN: Mr. President and members of the Legislature, I believe this is the Committee on Committee reports from the Public Health and Welfare Committee. I would ask you to adopt the nomination to...in this particular case these are individuals from the Rural Health Manpower Commission, and one individual from the Board of Health that the committee heard. The committee sent these recommendations to you and asked for your approval.
