LB 176-184

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I feel guilty about offering this amendment, and it won't offend me at all if you reject it. In the most serious setting there should be a bit of humor to show that human beings are involved and not mere automatons. The sentence now says, "those individuals and groups not included, introduced, may be inserted in the Journal by request", and since the Journal is composed of pages it would be difficult to insert an individual let alone a group in the Journal. So my amendment was to say "recognition of those individuals and groups" could be inserted in the Journal, or the word could be "acknowledgement" whichever seems more appropriate, but maybe I ought to just leave this like it is, so I ask unanimous consent to withdraw this amendment.

SPEAKER MARVEL: Senator Newell, your light is on. Hearing no objection, so ordered. Senator Beutler, do you have an amendment?

SENATOR BEUTLER: I am sorry, I have lost track here. Senator Chambers had one more amendment, or....

SPEAKER MARVEL: No, it has been completed.
