The Chair would like to meet in the Speaker's office with Senator Chambers, Senator Beutler, Senator Kremer and Senator Goodrich immediately upon adjournment and see if we can settle this without taking all this extra time. Now what is before the House? Okay, the Clerk has some items to read in. I would like to meet with Senator Chambers, Beutler, Kremer and Goodrich as soon as we adjourn.

CLERK: Mr. President, your committee on Public Works gives notice of hearing in Room 1517. Your Committee on Education gives notice of public hearing in Room 1517.

Mr. President, a second notice from the committee on Education regarding scheduling of public hearings.

Mr. President, new bills. (Read LB 188A; LB 234 A. See page 478 of the Legislative Journal.)

Mr. President, I have an Attorney General's opinion addressed to Senator Maresh regarding LB 518 from the 1977 legislative session.

Senator Burrows would like to have amendments printed in the Legislative Journal. (See page 479 regarding amendments to LB 167.)

I have notice of hearing from the Public Works Committee.

Mr. President, your committee on Ag and Environment whose chairman is Senator Schmit to whom is referred LB 80 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; 104 General File with amendments; 236 General File with amendments, (Signed) Senator Schmit. (See page 480 of the Journal.)

Your committee on Government, Military and Veterans Affairs whose chairman is Senator Kahle to whom is referred LB 221 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; 21 General File with amendments; 186 General File with amendments, (Signed) Senator Kahle. (See page 481 of the Journal.)

Mr. President, your committee on Miscellaneous Subjects whose chairman is Senator Hefner to whom is referred LB 124 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File; 206 General File; 67 General File with amendments; 77 General File with amendments.

and this bill includes livestock instead of just cattle. Currently, the maximum for charging brand inspection is 35 cents per head and they are recommending a maximum of 65 cents per head. They always have not jumped to the maximum immediately but will go up in price as it requires to meet their demands. So the maximum would be 65 cents per head. A few other things that are brought up in the bill, one is that a mark can no longer be used but it must be a brand which is actually performed by heat or freezing. The recording fee for a brand would be raised from \$15 to \$25 and this is paid every four years. It also includes partnerships that may have a brand and if you want to change the ownership the fee will go from \$15 to \$25. They are changing the name of the committee secretary from secretary to director. And then also the fee having to deal with large stockgrowers or feeders is also raised accordingly as the others but they pay it only once a year. There is also two other small things in the bill that you should know about. One is that when somebody takes a critter to a livestock sale and no-sales it, in other words does not sell it, they still must prove ownership of that animal before they can take it. They may provide a bond or cash, but they still must provide ownership. The other thing that is in the bill is that when someone takes a branded animal to be slaughtered and they cannot prove the brand on it, they must do so before the meat can be taken from the slaughtering place, thereby they must prove ownership and they are not allowed to kill branded animals that cannot be proved before taking the meat away. Mr. Chairman, I move for the advancement of LB 236.

PRESIDENT: The Chair recognizes Senator Lamb. Senator Lamb waives. Is there anything further, Senator Nichol? If not, there are no other speakers, so the motion is the advance of LB 236. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 34 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion carries and LB 236 is advanced to E & R Initial. We now have the last bill on the agenda for the day, LB 221 on General File. Read the bill, Mr. Clerk.

CLERK: Mr. President, LB 221, offered by Senators Wagner, Fitzgerald, Chronister, VonMinden and Hefner. (Read title.) It was read the first time on January 15. It was referred to Government, Military and Veterans Affairs. It

was advanced to General File. I have no amendments on the bill, Mr. President.

PRESIDENT: Senator Fitzgerald, are you handling this?

SENATOR FITZGERALD: Mr. President and members, it is getting late and this bill won't take too long. LB 221, current Nebraska law defines a Vietnam person who served on active duty other than for training purpose. This is the point I want to emphasize, "other than for training purposes for 30 days or more unless discharged for service incurred disability" in the Armed Forces of the United States between August 5, 1964, and May 7, 1975. LB 221 takes out the wording of "other than for training purposes for 30 days or more unless discharged for a service incurred disability". By this wording change the bill will define a Vietnam veteran in the same term as any other veteran from World War I, World War II, or the Korean War. This is what the bill does. It gives the Vietnam veteran the same privilege as another veteran in the United States has.

PRESIDENT: Any further discussion on LB 221? Senator Fitzgerald, I guess your opening is your closing and the question is the advance of LB 221 to E & R Initial. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 35 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion carries and LB 221 is advanced to E & R Initial. I congratulate you all for sticking to it and getting the agenda completed for this day. Are there messages on the desk, Mr. Clerk?

CLERK: Mr. President, your Committee on Miscellaneous Subjects gives notice of public hearing for March 12. Senator Hoagland would like to print amendments to LB 167 in the Journal. (See page 553 of the Legislative Journal.) Again, Mr. President, Senator Maresh would like to have a meeting of the Business and Labor Committee underneath the north balcony upon adjournment.

PRESIDENT: The Chair recognizes Speaker Marvel.

SPEAKER MARVEL: The motion is to adjourn until nine o'clock tomorrow morning.

CLERK: Mr. President, I have an amendment by Senator Lamb. The amendment reads as follows: (Read Lamb amendment found on page 631, Legislative Journal.) That is offered by Senator Lamb.

SPEAKER MARVEL: Senator Lamb.

SENATOR LAMB: Mr. President and members, this amendment was brought to me by a judge in my district and I think he has a good point, the point being that the determination as to whether or not the county attorney is a full time county attorney should be made by the county board prior to the time that the county attorney files for office. In other words, all the candidates for county attorneys should know whether or not the county board is going to elect to have a full time county attorney before their filing date. Otherwise, they would not know what their situation would be. It would probably cause some misunderstanding. I move the amendment be adopted.

SPEAKER MARVEL: Do you have some items to read in?

CLERK: Yes, sir, I do. Mr. President, Senator Warner would like to print amendments to LB 144 in the Journal. (See pages 659 and 660 of the Legislative Journal.) New resolution, LR 23 by Senator Maresh and Senator Beutler. (Read LR 23 as found on page 660 of the Legislative Journal.) Mr. President that will be laid over. Your committee on Enrollment and Review respectfully reports they have carefully examined and engrossed LB 21 and find the same correctly engrossed, 38, 67, 77, 80, 104, 109, 126, 206, 206A, 221, 236, and 260 all correctly engrossed. CLERK: Mr. President, LB 205 was considered by the body yesterday. There was a motion to adopt the committee amendments which prevailed. There was some discussion and I now have a motion to indefinitely postpone the bill as offered by Senator Chambers.

SPEAKER MARVEL: The Chair recognizes Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, the first thing I have to do is apologize to Senator Pirsch because yesterday I said this bill emerged from committee without a single dissenting vote, but she did vote against it. It is kind of interesting that she being from Omaha and I being from Omaha, she being notoriously law and order, I being notoriously whatever the contrary is, both agree that this bill is not a very good thing. So what I am asking that you do is consider what the purpose and role of an arson investigator is. The bill states it's to study the cause, origin and circumstances of fires. Nothing in this bill enhances that responsibility or that function. We don't want to create quasi law enforcement people when their job is not law enforcement. They have the team concept in Omaha right

SENATOR FOWLER: Mr. President, this bill changes the
contribution rates with regards to certain aspects of
retirement. In working with the legislative fiscal staff
we felt that rather than have the bill take effect on what-
ever day, ninety days after the session which may be in the
middle of a pay period, that we would try and pick a date
for it to take effect so as to ease implementation. So
this is for October 1. This really is an amendment to
help with the mechanical aspects of adjusting the payroll
to reflect the new contribution rates for the retirement
plan. I would move for its adoption.
