SENATOR GOLL: Mr. Chairman, members of the Legislature, the hour is late. I have no prepared minutes but I just want to say as one who has been involved with an NRD development very closely, very personally, that I would stand in opposition to Senator Sieck's motion. I know people that are on the NRD boards, know them personally. They are fine people. They are elected by us. They do a job. They do it to the best of their ability, and though it is no time to become dramatical, when you say "eminent domain" to me, it is like running in front of that big red bull out in the pasture and no fence within a good three wood shot, and as far as I am concerned, Senator Schmit, the ratio should have been fifty percent instead of seventy-five, and I think we have got to look at this question with a lot of sincerity and purpose in our views. I am for the bill. I am against the proposed kill amendment. Eminent domain is bad. Thank you, Mr. Chairman. It is 11:58 a.m.

SENATOR CLARK: I think we are going to stop right here and we are going to continue this afternoon with priority bills on General File so we will continue with this bill, after the Clerk reads some things in, at one-thirty.

CLERK: Mr. President, Senator DeCamp would like to print amendments to LB 483; Senator Kremer to LB 326.

SENATOR CLARK: Senator Cope, would you like to recess us until one-thirty this afternoon?

SENATOR COPE: Mr. President, members, I move we recess until one-thirty.

SENATOR CLARK: You heard the motion. All those in favor say aye, opposed nay. We are recessed until one-thirty at which time we will take up General File priority bills.

CLERK: Mr. President, LB 243 was a bill introduced by Senator Schmit. (Read title.) The bill was first read on January 16, referred to Ag and Environment. The bill was considered by the body on April 10, Mr. President. At that time the committee amendments were adopted. There was an amendment from Senator Schmit that was adopted. The bill failed to advance on that date, Mr. President. I have nothing further on the bill.

SENATOR CLARK: Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, I am going to ask you once again to consider LB 243. The bill was heard and discussed and debated at length. The previous time it was up it received 23 votes to advance on a Friday afternoon with about 27 or 8 people on the floor. I think that the fact that we have discussed the bill should perhaps wipe out any reason for a lot of lengthy debate. I know there are a lot of other bills that you want to get to today. I just want to say in reply to a piece of material that is lying on your desk, two and a half pages in length, which casts serious doubts about the problems that LB 243 can cause, I want to say this. You will recall that Senator Kremer and myself and along with several...at least 23 others in this body successfully added about \$2 million to the water development fund. There are rumors now that they may want to cut that back in the Executive Office to \$3 million from 4. That means that we will have about an additional \$800,000 in the water development fund, 50 cents per capita. Not exactly an overwhelming amount of public support I would guess for water development. My concern as I have indicated many times on this floor is this, if we are going to use funds that have been generated by a subdivision of government for

SENATOR NICHOL: Senator Labedz, would you like to speak to the bill?

SENATOR LABEDZ: Thank you, Mr. President. I move for the advancement of LB 466 to E & R engrossing, and unless there is going to be some debate, I will offer further comments on my closing.

SENATOR NICHOL: Senator Cullan.

SENATOR CULLAN: Mr. President, just one thing for the record and that is I want to state for the record that I voted against the Marsh amendment, not because I believe that the concept of hospitalization is a bad one, but because we did not have adequate chance to review that amendment thoroughly and sufficiently at this point in time. We may very well sponsor some similar legislation in future years. Thank you.

SENATOR NICHOL: We are now voting on the advancement of LB 466. All those in favor signify by voting aye, opposed nay. Record, Mr. Clerk.
