Senator Stoney, will you escort Mr. Monen for the inaugural ceremonies and yours is in item number four. Item number five, the Chief Justice will be escorted by Senator Fowler. We picked the people in the various districts for this. Justice Boslaugh comes from that infamous city, Hastings, and he will be escorted by me. Senator (sic) McCowan comes from Beatrice and he will be escorted by Senator Burrows. Justice Clinton will be escorted by Senator Clark. Justice Brodkey will be escorted by Senator Fitzgerald. Justice White will be escorted by Senator Dworak and Justice Hastings will be escorted by Senator Marsh. Now, Mr. President, do we have others? Does that complete the list?

PRESIDENT: I think that completes the list. We were going to have Senators Vickers and Hefner accompany Senator Stoney on the escort committee on the Workmen's Compensation Judges.

SPEAKER MARVEL: Sorry.

PRESIDENT: I believe that completes it, Mr. Speaker.

SPEAKER MARVEL: Anybody have any questions?

PRESIDENT: Any questions? This will be at two o'clock and we will come back at one-thirty, a little prior thereto. Go ahead, Mr. Speaker.

SPEAKER MARVEL: Mr. President, it has been pointed out that Martin Kahle is also in the district represented by Senator Payne so why don't we add Martin Kahle's name. Any other comments or suggestions? Is that all right? Yes. Any others? Okay.

CLERK: We've got about a half a dozen bills, Senator. Mr. President, if I may?

PRESIDENT: Proceed, Mr. Clerk.

CLERK: Read LB 31-33 by title for the first time as found on pages 83-84 of the Legislative Journal.

PRESIDENT: The Chair would like to take this opportunity to introduce a guest, Mr. Bill Snell, the city manager of the City of Sidney. Would Bill come out here and be recognized? Senator Clark is sitting with him. Welcome to the Legislature, Bill. Go ahead, Mr. Clerk.

CLERK: Continued to read LB 34, 35 by title for the first time.

Mr. President, I have a lobby registration report for the interim period covered by April 19, 1980, through January 6, 1981. That will be inserted in the Legislative Journal. (See page 94 of the Journal.)

Mr. President, I have a reference report from the Executive Board referring legislative bills 1-36. That is signed by Senator Lamb as Chairman. (See pages 94-95 of the Legislative Journal.)

Mr. President, I have in my possession proposed lease renewals as supplied us by the State Building Division. Those will be on file in my office. I also have a report from the Nemaha Natural Resources Districts regarding payment of attorney fees. (See page 95 of the Journal.)

Mr. President, Senator Hefner would like to announce that Senator Barrett has been elected as vice chairman of the Miscellaneous Subjects Committee.

Mr. President, Senator Labedz would like to announce that Senator Pirsch has been elected vice chairman of the Constitutional Revision and Recreation Committee.

Mr. President, Senator Marvel would once again like to announce a meeting or a chairperson's caucus for Monday, January 12 at 9:00 a.m. in Room 1520. It is a chairperson's caucus for Monday, January 12 at 9:00 a.m. in Room 1520.

PRESIDENT: The Chair will recognize Speaker Marvel once more for additional announcement concerning procedure.

SPEAKER MARVEL: I think, Mr. President, the first thing we need to note is the fact that we are using valuable time that we may wish we had at the end of this session. I guess I am going to repeat this every day for a while and so would you please put on the Clerk's desk whatever legislation you have so that we can once again begin processing this legislation which means that the Exec Board needs to meet and refer the bills as soon as they have been processed by the Clerk and, therefore, I remind you first of all, get the bills in and, secondly, that the Exec Board then will have to meet to refer the bills. Now this process has to go on even if we may only meet until noon. Now, Mr. President, is that the... Pat, is there anything else to say about the reference of bills?

CLERK: No, sir, not that I am aware of. I think Senator Lamb might want to make a...

PRESIDENT: Any further discussion on LB 336A? If not, that will constitute the opening and the closing. All those in favor signify by saying aye, opposed nay. Record the vote.

CLERK: 32 ayes, 0 nays, Mr. President, on the motion to advance the A bill.

PRESIDENT: Motion carries. LB 336A is advanced to E & R Initial. The next bill is LB 33.

CLERK: Mr. President, LB 33 is offered by Senator Vickers. (Read title.) The bill was read on January 8 and referred to Urban Affairs. It was advanced to General File. There are no committee amendments pending, Mr. President. I do have one from Senator Beutler, however.

PRESIDENT: Senator Vickers, you may explain the bill at this time.

SENATOR VICKERS: Mr. President and members, first of all, on the agenda there is a slight mistake. In order to clarify it in anybody's mind, this is to allow villages and cities of the second class to sell public property at public auction, not rural property at public auction as it says in the agenda. I was afraid that somebody might think that our towns would start selling our farms or something and that was a mistake in printing. The intention of LB 33 is to clarify the statutes that the villages and cities of the second class operate right now under as far as disposing of public property is concerned. It sets up a system whereby they can dispose of their property at public auction rather than at a conveyance. The problem that the present system has is that even though the city board might operate in very good fashion, they think they have the top offer from an individual and agree to sell at that price, and then along comes somebody later on and says, you know, I would have paid you a little bit more and it opens up a lot of questions as to perhaps favoritism within the city fathers, and even though it probably is not the case. It just seems to me that this is a more reasonable way of doing it, allowing them to sell it at a public auction. You will notice that the village or city does still have the option of setting a minimum price so that there will be not a system set up where they would actually wind up practically giving away some property if the auction was held on a nice, sunshiny day like today, perhaps. I think you will notice there wasn't any opposition to this. As I say, it clarifies the language in the statutes and makes it what would seem to me to be a more reasonable approach to allowing these small communities to dispose of

public property.

PRESIDENT: Any further discussion? A motion on the desk, I believe, Mr. Clerk.

CLERK: Mr. President, Senator Beutler moves to amend the bill. (Read Beutler amendment found on page 485, Legislative Journal.)

PRESIDENT: The Chair recognizes Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, very quickly, this is a small technical amendment which has Senator Vickers' approval. The notice requirement in the bill says that the notice has to be published three consecutive weeks in a legal newspaper, published, et cetera, et cetera. I am putting in published once each week for three consecutive weeks because it is not Senator Vickers' intent, for example, if you have a daily paper that you publish it twenty-one times. So this just clarifies that we are doing it once each week for three consecutive weeks which is the general provision with regard to notices on a lot of items in our law. Thank you.

PRESIDENT: The Chair recognizes Senator Vickers on speaking to the Beutler amendment.

SENATOR VICKERS: Yes, Mr. President, members, I thoroughly agree with Senator Beutler in this amendment. It is a very good amendment and it does clarify, as Senator Beutler indicated, that exactly what we are talking about. I might also point out for the body's general information that the rest of the language stricken, from my observation, at least, I think most all those small cities and villages are well aware of what newspaper is published in their area and that stricken language seemed to be very unnecessary. I would urge the body's adoption of Senator Beutler's amendment.

PRESIDENT: Any further discussion of the Beutler amendment? Senator Beutler, anything further on your amendment? The question then is the adoption of the Beutler amendment to LB 33. All those in favor signify by voting aye, opposed nay. Record the vote.

CLERK: 31 ayes, 2 nays, Mr. President.

PRESIDENT: Motion carries. The Beutler amendment is adopted. Senator Vickers, anything further on LB 33?

SENATOR VICKERS: Mr. President, I'd just move that LB 33 be

advanced to E & R Initial.

PRESIDENT: No further discussion, so the question is the advance of LB 33 to E & R Initial. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 27 ayes, 1 nay, Mr. President.

PRESIDENT: Motion carries and LB 33 is advanced to E & R Initial. We will go on then to LB 96, Mr. Clerk.

CLERK: LB 96 is offered by Senator Bill Barrett. (Read title.) The bill was read on January 12th and referred to the Judiciary Committee. It was advanced to General File. I have no amendments pending, Mr. President.

PRESIDENT: The Chair recognizes Senator Barrett.

SENATOR BARRETT: Mr. Speaker and members, I move that LB 96 be moved to E & R Initial. LB 96 is a curative bill. It is designed to cure certain defects in real estate titles where persons attempt to take title as for example, John Smith or Mary Smith, using the disjunctive "or" as opposed to the conjunctive "and". Common law dictates that real estate conveyances should use the word "and" between the names of the two grantors, and because of the times in which we live I presume, people are so accustomed to taking title to personal property using the word "or" and this sometimes extends over to real estate conveyances which is improper, it renders the title ineffective, renders the instrument ineffective and can create some problems down the line. The bill itself as you will read in your bill book is very short, very much to the point, only five lines. It simply creates the presumption that deeds using the word "or" between the names of the grantees are presumed to have the same effect as deeds which use the word "and" between the names of the grantees. Therefore, the obvious intent of the people to the conveyances will not be disregarded simply because of a technicality in the law. That is it in a nutshell and I would urge your support for LB 96, and if the passing of the cake around to the body, the cake being supplied by Senator Pirsch, is not intimidation enough, I don't know what is. I urge the support.

PRESIDENT: Any further discussion on LB 96? Hearing none, Senator Barrett, I guess that is your opening and your closing because there is no one else who wants to discuss it. So the question is the advance of LB 96 to E & R Initial. All those in favor vote aye, opposed nay. Record the vote.

Mr. President, your committee on Ag will have an Executive Session at 8:50 a.m., tomorrow morning underneath the North balcony. Your committee on Ag tomorrow morning at 8:50 a.m.

Mr. President, some bills are ready for your signature.

SPEAKER MARVEL: While the Legislature is in session and capable of transacting business, I am about to sign and do sign LB 31, LB 33, LB 85, LB 96, LB 120. It is my privilege to present underneath the North balcony four guests of Senator Cope, Mr. and Mrs. Melvin Thiemann of Pawnee City; Mrs. Rollie Ayres, Wilma Klein and Mrs. Art Schrepel. I am only reading what is written here. Senator Cope, "Happy Birthday" to you. Underneath the North balcony, it is my privilege to present the former Senator Arnold Ruhnke and Mrs. Ruhnke. Where are you folks? We now proceed to item #6, Select File, LB 178. Mr. Clerk.

CLERK: Mr. President, LB 178 was considered by the body on February 17. At that time the E & R amendments were adopted. There was an amendment by Senator Beutler that was adopted. Pursuant or subsequent to that, Senator Beutler made a motion to indefinitely postpone the bill. I understand, Mr. President, he wishes to temporarily withdraw that motion and offer instead amendments that I believe have been distributed or are being distributed right now, the amendments by Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, again LB 178 is the bill that was submitted by the Department of Revenue having to do with collection procedures. It was amended once on General File or Select File, and subsequent to that time the staff of the Revenue Committee got together with the Department of Revenue and also with representatives from commerce and industry and the banking association to take care of an additional series of technical problems and there were a couple of substantive changes but all the changes, as I understand it, had to do with making the provisions applicable to all different types of taxes, that is, making them uniform, making the notice provisions uniform, for example, and also to require the state prior to selling property at a sale to give notice to other lien holders that the property is about to get sold so that other lien holders would have knowledge of the sale and have an opportunity to protect their rights. There is some cleanup language and some inconsistencies cleared up and I think that is about the sum and substance of what is in the committee's. Basically these are Department of Revenue suggestions. Thank you.
