LB 245, 452-467

Senator Schmit, I have to close with this, you mentioned surplus of teachers. You had better look at the record today. There is not a surplus, only in a very few fields. In fact, there are shortages developing and by mid 1980's there are going to be very severe shortages for a number of reasons, and the Education Committee does not control the number of people who matriculate in a standing college. That is only controlled by the Regents and you know that. If you want to talk about surpluses, my figures show there are eight hundred and some veterinarians in this state and the veterinarians tell me that is a surplus. So let's get down to the issue. Is it Education or isn't it, and I request that the bill be rereferenced to the Education Committee. Thank you.

CLERK: Mr. President, the motion is that LB 245 be rereferred from the Agriculture and Environment Committee to the Education Committee.

SPEAKER MARVEL: All those in favor of that motion vote aye, opposed vote no. Call the roll, Mr. Clerk.
