As soon as everyone is at his or her desk we will begin. All right, we will begin, Mr. Clerk. The first bill on Final Reading is LB 76.

CLERK: (Began reading LB 76 on Final Reading.)

PRESIDENT: Yes, for what purpose do you arise, Senator Chambers?

SENATOR CHAMBERS: This bill, Senator DeCamp and I had talked about it. Can we lay it over a day? There are some amendments that are going to be offered and we don't want to try to do it now and the other bills can go ahead and be read?

PRESIDENT: Mr. Speaker, what do you wish to do with...? Under these circumstances? Is that all right? All right, the Speaker says it is all right, Senator Chambers. We will just pass over the LB 76 and commence then with LB 83, Mr. Clerk.

E and R Initial. The next bill on the consent calendar is LB 472.

CLERK: Mr. President, LB 472 offered by Senator Peter Hoagland. (Read title.) The bill was read on January 30, referred to the Education Committee. The bill was advanced to General File, Mr. President. I do have an amendment from Senator Hoagland pending that is found on page 1673 of the Journal.

PRESIDENT: All right. The Chair recognizes Senator Hoagland speaking to the Hoagland amendment.

SENATOR HOAGLAND: Mr. President and colleagues, let me first describe in a sentence what the bill does. The bill continues the authority that the State Board of Education has to purchase liability insurance for the Commissioner of Education and members of the State Board, to protect them in the event that they are sued for actions taken in the official line of business. Now the amendment that I am offering would also permit the judicial branch to purchase liability insurance for judges and court employees so that if they are sued pursuant to an official action taken, why they can be then covered by insurance if the judiciary decides to purchase liability insurance for them. Now the reason for this amendment is that there presently is a court employee, and I believe it is an associate county judge but I am not sure of that, who is currently being sued for actions that that particular person took as part of his or her official responsibilities, and there is currently a question now as to whether that person is going to be defended by the Attorney General's office. Now what this amendment would do is it would authorize the judiciary if it wishes to purchase liability insurance to cover the judges and cover court employees in that kind of a situation. The underlying bill authorizes the Department of Education to purchase liability insurance to protect employees and the Commissioner and members of the State Board of Education. So I would ask your adoption of the amendment and advancement of the bill. Thank you, Mr. President.

PRESIDENT: Any further discussion on the Hoagland amendment to LB 472? Senator Hoagland, that will be your closing and the motion before the House is the adoption of the Hoagland amendment to LB 472. All those in favor vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 26 ayes, 0 nays on adoption of the Hoagland amendment, Mr. President.

PRESIDENT: Motion carries. The Hoagland amendment is adopted.

May 1, 1981

LB 472

Senator Hoagland, are there any further motions?

CLERK: Nothing further on the bill, Mr. President.

PRESIDENT: All right, Senator Hoagland, you may address the bill and then Senator Koch is next.

SENATOR HOAGLAND: The bill as amended now is strictly permissive. It permits the State Department of Education to purchase liability insurance to protect members of the Board and the Commissioner and employees. It also now as amended permits the judicial branch to purchase liability insurance in the event that judges or employees of the judiciary are sued. It is strictly permissive and does not appropriate any funds for any such purchase or anything like that. Thank you, Mr. President.

PRESIDENT: The Chair recognizes Senator Koch. All right, any further discussion then on the advance of LB 472? Senator Hoagland, any further word, any closing? Closing waived. The question before the House is the advance of LB 472 to E & R Initial. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 26 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion carries and LB 472 is advanced to E & R Initial. Before we go to the next bill, just a note for your attention if you will get your consent calendar list on the first page, on the front page, LB 302 and LB 441 have also been deleted. 302 and 441, add those to the deleted bills. The next bill on the consent calendar.... Senator Koch.

SENATOR KOCH: Point of personal privilege, Mr. Chairman.

PRESIDENT: All right, state your point.

SENATOR KOCH: I want to remind all my good friends on this floor who are of German heritage today is May Day and don't forget to deliver your May baskets in remembrance of that particular day. Seldom do the Germans ever get an opportunity on this floor to express the fact that it is probably one of the most proud nations, one of the most forward, progressive and one of the most scientific groups of people I have ever known, great integrity, character and honor, in honor of all of us Germans. Thank you.

PRESIDENT: We will go on to the next....I also might say, it's not only May Day, it's 18 days until sine die, so we

for the day I wanted to remind all my fellow colleagues that this coming Sunday is Mother's Day and that we all remember our wives and mothers on Mother's Day. And I also want to thank those of you who for the past year who have been calling me Mother, and for the beautiful roses. I was teasing Tom Fitzgerald that all year long he calls me Mother, but two days before Mother's Day he started calling me something else. So I do want to thank you for the roses and thank you for honoring me and calling me Mother.

SPEAKER MARVEL: Senator Cullan, are you in the room? Senator Koch, your light is on.

SENATOR KOCH: Yes. I want the body to know that the nickname we have given to Senator Labeledz, Mother, is appropriate now since she is carrying an amendment dealing with machine guns. So we call her Ma Barker now.

SPEAKER MARVEL: Okay, we will try 472 first and see how we do. Go ahead, Mr. Clerk.

CLERK: Mr. President, LB 472, there are E & R amendments.

SPEAKER MARVEL: Senator Kilgarin.

SENATOR KILGARIN: I move the E & R amendments to LB 472.

CLERK: Mr. President, Senator Hoagland moves to amend the bill. (Read the Hoagland amendment.)

SENATOR HOAGLAND: Mr. Speaker and colleagues, this amendment is purely of a technical nature. It simply corrects a drafting error in line 9 of an amendment we attached on General File, to change the word "court" to the word "state", and I would ask your adoption of that amendment. Thank you.

SPEAKER MARVEL: Okay....the first order of business is the adoption of the Hoagland amendment to 472. All those in favor vote aye, opposed vote no. Record the vote.

As I understand it's a drafting error, this section of the bill is contained in one section and it should have been in there twice or something, but I guess this amendment and the next one are both technical and don't change the intent of the bill at all. CLERK: Mr. President, Senator Wesely would move to return LB 389A to Select File for a specific amendment.

SENATOR WESELY: Mr. Speaker, members of the Legislature, with the amendment we just placed on 389 yesterday which put the delayed date back to July 1 of next year, there is no need for an appropriation to fund the services which are provided under that bill and so we are deleting that part of the A bill and we are also reducing the administrative costs involved from about \$27,000 down to \$15,000 and so the motion is to return and we will cut the A bill from two hundred and fifty-two thousand some dollars to about fifteen thousand dollars. I think you can all support that.

SPEAKER MARVEL: The motion is to return to Select File for the specific amendment. (Gavel) Can't hear up here. Senator Wesely, do you wish to speak to your motion?

SENATOR WESELY: I already did.

SPEAKER MARVEL: Record your presence please. Some of you haven't recorded your presence. Would you please record so we can proceed? Senator Schmit, do you want to record your presence please? Senator Burrows, do you want to record your presence? Okay, record.

CLERK: There is a quorum present, Mr. President.

SPEAKER MARVEL: Okay, Mr. Clerk. (Gavel.) We are ready for the Haberman amendment to 243. While the Legislature is in session and capable of transacting business, I am about to sign and do sign reengrossed LB 316; engrossed LB 506; engrossed LB 506A; engrossed LB 472. Okay, ready.

CLERK: Mr. President, Senator Haberman has an amendment to LB 243.

SPEAKER MARVEL: The Chair recognizes Senator Haberman.

SENATOR HABERMAN: Mr. President and members of the Legislature, although there seems to be some Senators who are not listening, I will go ahead and explain the amendment anyway. This amendment says that the bill, 243, shall not apply to any project where construction bids were let prior to the effective date of this act which is to be funded in whole or in part from contributions by private individuals or organizations. That is all it says, any projects that have been started that are funded in whole or in part from contributions by private individuals or organizations. Now you may wonder why I am offering another amendment similar to the other one when I was beaten. The reason I am doing this is to see if some of those Senators who promised me to vote for the other one and changed their minds and/or didn't vote would like to change their ways and support the amendment. So there is no need arguing or trying to explain it. It pertains to the same thing but it just says where private or individual funds have been contributed. Thank you, Mr. President.

SPEAKER MARVEL: Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, I was going to ask if this wasn't a reconsideration but Senator Haberman has just conceded that it is the same thing, it is a reconsideration, so I believe the motion is out of order and should be so ruled. He admitted it was a
