LB 563-566, 592, 664

SENATOR LAMB: Yes, Mr. President.

PRESIDENT: The Chairman recognizes Senator Lamb.

SENATOR LAMB: Mr. President, members of the Legislature, I would move to advance five bills directly to General File, LB 563, LB 564, LB 565, LB 566 and LB 592. These bills, I will describe each one of them...

PRESIDENT: A motion then, Senator Lamb, is to suspend the rules first. That is your first motion then is to suspend the rules and we'll take that up and then we will proceed from there. Any discussion on the motion to suspend the rules?

SENATOR LAMB: Could I add 664 to it? I do not have that on my list.

PRESIDENT: Yes. Now we will take a separate vote on each bill so we will take them up one by one. All right, if there is no further discussion, Senator Lamb, we will take a vote on all of them for purposes of suspension and then we will take them up individually for the attention to each bill. All right, the motion then before the House is suspension of the rules to take up these six bills. All those in favor vote aye, opposed nay. This will require 30 votes. Have you all voted on the motion to suspend the rules to take up these bills, revisors bills and one other, six bills, agenda item #6 if you want to refer to the bills. Have you voted? Senator Lamb, I guess maybe the only way we are going to get these people in here to vote is to have a Call of the House if they don't come in pretty soon. You really need one more vote, huh? Record the vote.

CLERK: 31 ayes, 0 nays, Mr. President, on the motion to suspend the rules.

PRESIDENT: The motion carries. The rules are suspended. The Chair recognizes Senator Lamb.

SENATOR LAMB: The first bill is LB 563 which is recommended by the bill drafter that this be reported directly to General File. LB 272 passed in 1981 adopted a new limited partnership act. The act became operative January 1, 1982. Existing partnerships have until January 1, 1983, to file with the Secretary of State to continue their existence. The change of the date in LB 563 merely harmonizes the first sentence of this section with the second sentence of the section and provides what law is to apply to the partnership that were in existence on January 1, 1982.

LB 566, 592, 664

SENATOR LAMB: Mr. President, I move LB 566 be advanced to E & R initial. LB 249 in 1981 put the Department of Health under the direct control of the Governor rather than under the State Board of Health. The revisors statutes was to substitute "Department of Health" for "State Board of Health" where such term appeared in the statutes. Some of these changes did not fit or make sense so the bill shows some additional changes.

PRESIDENT: Any discussion on the advancement of LB 566? The question then before the House is the advancement of LB 566 to E & R initial. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 27 ayes, 0 nays on the motion to advance LB 566, Mr. President.

PRESIDENT: Motion carries and LB 566 is advanced to E & R initial. LB 592. Senator Lamb.

SENATOR LAMB: Mr. President, I move that LB 592 be advanced to E & R initial. In 1980 this body passed a bill which requires the revisor's statute to ferret out the obsolete statutes so that this body can delete them from the statutes. This bill contains those obsolete statutes and I move that it be advanced.

PRESIDENT: Any further discussion on LB 592? Hearing none, the question before the House is the advancement of LB 592 to E & R initial. All those in favor vote aye, opposed nay. Have you all voted? Record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: The motion carries and LB 592 is advanced to E & R initial. Senator Lamb, are you going to take LB 664, too? LB 664. The Chair recognizes Senator Lamb.

SENATOR LAMB: Mr. President, I move that LB 664 be advanced to E & R initial. This is a bill that was brought to the Reference Committee by Senator Vard Johnson. It's a bill which would name a gymnasium over at the Nebraska School for the Deaf after Mr. Nick Peterson. The people over there would like to have this done immediately because they would like to honor Mr. Peterson on January 16 and I believe it is a noncontroversial bill. I would ask that it be advanced.

PRESIDENT: Any discussion on LB 664? Hearing none, the question before the House then is the advancement of LB 664 to E & R initial. All those in favor vote aye, opposed nay.

CLERK: (Read record vote. See pages 526 and 527, Legislative Journal.) 49 ayes, Mr. President.

SPEAKER MARVEL: The bill is declared passed on Final Reading. Before we begin with the next bill, it is my privilege to introduce in the North balcony, 11 high school seniors from Marquette, Nebraska, Genie Solt, teacher. I might say to the guests that we appreciate your being here. We want you to know that when the Clerk reads rapidly, as has happened while you have been here, that simply indicates that we have in effect a law, a constitutional provision, which states that every bill must be read in full and that is what you heard, and there are people that are confused with this and it simply indicates that if we want to change this, the people of the state have to vote in a different provision. This goes back to several years after the Nebraska Territory was founded. Now while we are changing the guard, so to speak, Senator Clark, while we are changing the guard and I have cleaned up a mess or two up here and one of these has to do with LB 376, and I thought we had done something with that, Senator DeCamp. Is it still around?

SENATOR DeCAMP: Mr. President, I would have no objection if you just want to take it up now.

SPEAKER MARVEL: I am not taking it up. I am putting it in the wastebasket.

SENATOR DeCAMP: No, no, don't do that. It is my understanding it is back on Final Reading so whenever you want to take it up.
