SENATOR BARRETT: Thank you, Mr. President and members, I simply wanted to thank the body for the vote of confidence placed in me today. I will certainly attempt to represent the office and this body with integrity and a certain amount of dignity. Thank you very much.

Record the vote.

CLERK: 25 ayes, 1 nay, Mr. President.

PRESIDENT: Motion carries and LB 664 is advanced to E & R initial. The Chair recognizes Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the body, at this time I would move that the engrossing of LB 664 be expedited. As Senator Lamb pointed out the Nebraska School for the Deaf intends to honor Mr. Peterson this Saturday and for that reason I need to move this bill through as quickly as I can.

PRESIDENT: We can get unanimous consent. You don't have to move. Do you want to ask for that first?

SENATOR V. JOHNSON: I would ask for unanimous consent, Mr. Speaker.

PRESIDENT: All right, a request for unanimous consent. Is there any objection? Hearing none, so ordered.

SENATOR V. JOHNSON: Thank you.

PRESIDENT: We are now ready for agenda item #7 on motions. We begin with LB 570. Senator Vickers.

CLERK: Mr. President, Senator Vickers moves that LB 570 be rereferred from the Revenue Committee to the Education Committee pursuant to Rule 6, Section 2(a).

PRESIDENT: The Chair recognizes Senator Vickers.

SENATOR VICKERS: Mr. President and members, LB 570 and LB 572 both deal with a situation which came about as a result of a bill we passed in this body I think a couple of years ago, one that changed the valuation proceedings for real estate from 35% to 50% or from 35% to 100% and at the same time we neglected, it was just an oversight on our part, to change the amount of in lieu of tax payments that the Board of Educational Lands and Funds pay on the school lands from 50% up to an appropriate figure that would have included more than the 100% probably because that's what the determination had been made in the past. So as a result there are several school districts in this state that have school lands within their boundaries that are facing a very severe financial situation right now because they had budgeted those monies but are now not getting them. Now the reason these two bills were introduced as I say was to rectify the mistake that this body had made.

LB 570, 572

CLERK: Senator Higgins, do you want to vote? Senator Higgins voting yes.

SPEAKER MARVEL: The Clerk will announce the vote.

CLERK: 25 ayes, 11 nays, Mr. President, on the motion to rerefer the bill.

SPEAKER MARVEL: The motion is carried. The bill is re-referred. As we go to 572, is Mayor Boyle still here? Yes, we welcome you, Mike, to the Unicameral Legislature. Okay, Senator Vickers, do you have a motion?

SENATOR VICKERS: This is just the same song, second verse, the same exact arguments, the same exact subject, these two bills, both 570 and 572 as I indicated earlier deal with the same subject so same song, second verse. I urge the body's approval of rereferring 572 also.

SPEAKER MARVEL: Is there any further discussion to the Vickers motion known as LB 572? Senator Newell, your light is on. Do you wish to be recognized? Okay. We now vote on the Vickers motion. All those in favor of the rereferral as indicated under LB 572 vote aye, opposed vote no. Have you all voted? Record the vote.

CLERK: 25 ayes, 11 nays on the motion to rerefer the bill, Mr. President.

SPEAKER MARVEL: The motion is carried. The bill is re-referred. The Chair feels that at this time we would break for lunch and then come back at one-thirty. Is there any objection to that? All those in favor of recessing vote aye or say aye, all those opposed to recessing say no. The motion carried. We are recessed until one-thirty.

eliminated and they are now not able to....

SENATOR CLARK: You have 30 seconds left.

SENATOR WESELY: Thank you, Mr. President...not presently able to function at least for another couple of months. So it seems to me that this appeal board has not served its function well. It should be eliminated, should speed up the process and when we talk about the delays that Senator Schmit did, this would cut down on some of those delays and I think do a better job of dealing with the issues at hand on CON.

SENATOR CLARK: The question before the House is the adoption of the Wesely amendments. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting no.

SENATOR CLARK: Have you all voted? Once more, have you all voted?

SENATOR WESELY: Record vote again, please.

SENATOR CLARK: Pardon?

SENATOR WESELY: Record vote, please.

SENATOR CLARK: A record vote has been requested. Record the vote.

CLERK: (Read the record vote as found on page 401 of the Legislative Journal). 15 ayes, 25 nays, Mr. President.

SENATOR CLARK: The motion lost. Are there any other amendments? The Clerk would like to read in.

CLERK: Mr. President, your committee on Education reports LB 572 to General File with committee amendments attached. (See page 401 of the Journal).

Mr. President, Urban Affairs reports LB 698 as indefinitely postponed.

Mr. President, new resolution, LR 208. (Read LR 208 as found on page 402 of the Legislative Journal). That will be laid over, Mr. President. LR 209 signed by Senator Haberman and several members. (Read LR 209 as found on pages 402 and 403 of the Journal). Mr. President, that too will be laid over.

to start getting too greedy.

SPEAKER MARVEL: The bill automatically lays over. Now the Clerk has some items on the desk.

CLERK: Mr. President, I have a designation of LB 572 as a priority bill by the Speaker.

Mr. President, reminder that the Judiciary and Banking Committees will be switching hearing rooms today for public hearing.

I have an Attorney General's Opinion addressed to Senator Pirsch, one to Senator Schmit. Both will be inserted in the Journal. (See pages 422 through 427 regarding LBs 948 and 816).

I have public hearing notices from the Urban Affairs Committee for February 10 and 17, and one from Retirement for February 3, and one from Retirement for February 9.

Banking reports LB 623 advanced to General File with amendments, Mr. President.

Mr. President, in addition to that I have a notice of hearing offered by the Ag and Environment Committee. In addition, the Ag and Environment Committee would like to cancel the hearing scheduled for Friday, this coming Friday, January 29. In order to do that, Mr. President, Senator Schmit needs to suspend Rule 3, Section 12, so as to permit the cancellation of the public hearing.

SPEAKER MARVEL: The Chair recognizes Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, I would like to move to suspend the rules and cancel that hearing because it is similar to another bill which we have scheduled for a later date, and it will be much more convenient for the individuals who will testify if we hear both bills on the same date. So I would ask you to vote for the rule suspension.

SPEAKER MARVEL: The motion is to suspend the rules to cancel the hearing. Is there any further discussion? All those in favor of Senator Schmit's motion vote aye, opposed vote no. We are talking about 30 votes. Have you all voted? Okay, record the vote.

CLERK: 33 ayes, 0 nays on the motion to suspend the rules and cancel the hearing, Mr. President.

SPEAKER MARVEL: The motion is carried. Other items?

CLERK: No, sir, I am through.

PRESIDENT LUEDTKE PRESIDING

PRESIDENT: Prayer this morning by the Reverend William Koeber, Resurrection Evangelical Lutheran Church, Gretna.

REVEREND WILLIAM KOEBER: (Prayer offered.)

PRESIDENT: Roll call. Have you all registered your presence? Record the presence, Mr. Clerk.

CLERK: A quorum present, Mr. President.

PRESIDENT: A quorum being present, are there any corrections to the Journal?

CLERK: Mr. President, (read corrections for the Journal found on page 434, Legislative Journal.)

PRESIDENT: The Journal will stand as corrected. Any messages, reports or announcements?

CLERK: I have a series. I have notice of hearings from the Government, Military and Veterans Affairs Committee for February 4, 5, 11, 18, 19, 25. Those are all signed by Senator Kahle as Chairman.

Mr. Chairman, your committee on Public Works whose Chairman is Senator Kremer reports LB 579 as advanced to General File with committee amendments attached.

PRESIDENT: Ready then for General File, the Speaker set a priority bill, LB 572. Proceed with LB 572, Mr. Clerk.

CLERK: Mr. President, LB 572 offered by the Education Committee and signed by its members. (Read title.) The bill was first read on January 6 of this year. It was referred to the Revenue Committee for public hearing. The bill was advanced to General File. Mr. President, there are committee amendments attached to the bill.

PRESIDENT: The Chair recognizes Senator Koch for the purpose of the committee amendments.

SENATOR KOCH: Thank you, Mr. Chairman. A year ago this body passed legislation which changed mills to cents and dollars on values, and when we took that action...

PRESIDENT: (Gavel) Would you give the Chairman a little bit of attention. It is awful hard to hear in here.

January 27, 1982

LB 572

SENATOR KOCH: You don't want to hit that gavel too hard this morning, do you, Mr. Speaker?

PRESIDENT: Did it wake you up? I am sorry.

SENATOR KOCH: Because I don't even know if I want these people to know what I am trying to do here.

PRESIDENT: Boy, I think you just did it, but go ahead.

SENATOR KOCH: A year ago, very seriously, we passed legislation which was major which converted our taxation from mills to dollar and cents on one hundred dollar values and in that process we forgot to make some changes for school land and funds dollars. It was brought to our attention that in doing that we have seriously impaired some school districts which have large amounts of school lands in their districts with serious loss of funds and so 572 attempts to be equitable and provide those dollars to those systems and the amendment says we will sunset it in two years. There will be two payments made, one in February and one a year from now. In the meantime the Education Committee will look at the whole business of distribution of funds for school lands money and possibly bring back a formula to this body for their consideration a year from this time. I think in all fairness to those schools who have budgeted for it, who expect it, and we deserve to give this our careful scrutiny and allow them the privilege of collecting that money in February so I ask for the adoption of the committee amendments and the advancement of 572 to E & R Initial. Thank you.

PRESIDENT: The Chair recognizes Senator Beutler.

SENATOR BEUTLER: Mr. Speaker, members of the Legislature, I just want to speak very, very briefly to the issue. This is a matter of fairness in tax equity and there really shouldn't be any debate about it whatsoever. Senator Lamb is certainly right on this issue and I don't think there is any real argument. I just wanted to remind Senator Lamb that Lancaster County will have a couple of tax equity issues coming up later in the session and I hope your memory is as long as the average elephant's, Senator Lamb.

PRESIDENT: The Chair recognizes Senator Vickers.

SENATOR VICKERS: I would just like to, Mr. President, members, I would just like to echo the remarks made by Senator Koch. I am not sure I am going to echo all the remarks made by Senator Beutler but at least part of them.

This is a matter of tax equity. It is a matter of erasing a mistake that this Legislature made a couple of years ago and that I would hope the body would adopt the amendment and support the bill to provide those funds for those school districts that through no fault of their own find themselves in a very perilous economic situation. Thank you, Mr. President.

PRESIDENT: The Chair recognizes Senator Kahle, speaking to the committee amendments now.

SENATOR KAHLE: Mr. President, members, I also support the issue. I think that was not the intention when the bill was passed a couple of years ago. I personally believe that probably not enough of that school land money is staying out in those school districts anyhow so I certainly do support the amendment.

PRESIDENT: The Chair recognizes Senator Clark.

SENATOR CLARK: I would like to ask Senator Koch a question.

PRESIDENT: Senator Koch, will you respond to a question from Senator Clark?

SENATOR CLARK: Doesn't this payment have to be made by the 15th of...?

SENATOR KOCH: 15th of February is when they will distribute the funds.

SENATOR CLARK: Would you consider expediting the bill?

SENATOR KOCH: Yes, I would, Senator Clark. Thank you.

SENATOR CLARK: Thank you.

PRESIDENT: The Chair recognizes Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, Senator Koch, could I ask you a question.

PRESIDENT: Senator Koch, will you respond?

SENATOR NICHOL: How come this happened in the first place is the question I have been asked in my area since my area is one that took it in the shorts? Why did this happen in the first place and why didn't somebody think of it?

SENATOR KOCH: Well, we had a massive tax bill where we converted from mills to dollars and cents and it was an

oversight on our part and the Revisor of Bills and all those people and that is how it happened, and all we are trying to do now is be equitable and get the money to where it belongs in all fairness to people.

SENATOR NICHOL: Thank you. I appreciate that and I am not being critical of you. I know with the speed that things go through here sometime we overlook something.

SENATOR KOCH: It wasn't my bill.

SENATOR NICHOL: I appreciate whoever overlooked it are glad to admit that they overlooked it.

SENATOR KOCH: Well, I was, too, because we all voted for that bill.

PRESIDENT: Senator Koch, you may close on the committee amendment. The motion is the adoption of the committee amendment. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 31 ayes, 0 nays on adoption of the committee amendments, Mr. President.

PRESIDENT: Motion carries. The committee amendments are adopted. Senator Koch on the bill.

SENATOR KOCH: Mr. Chairman, this may be the last time you see the Education Committee under a unit rule all voting in favor of something so we had better move it in a hurry.

PRESIDENT: Seeing no further attempt to discuss this matter, Senator Koch, that will be your closing, I guess. The motion is the advance of LB 572. All those in favor vote aye, opposed vote nay. We are slaves to the electronic age, here we are back, we are back at it again. Now we can proceed. Record the vote on this matter.

CLERK: 33 ayes, 0 nays, Mr. President, on the motion to advance the bill.

PRESIDENT: All right, LB 572 is advanced to E & R Initial.

CLERK: Mr. President, I have a request from Senator Koch to expedite LB 572.

PRESIDENT: It shall be expedited. We will go on with General File, agenda item #5, LB 270. That was pending, was it not?

SENATOR CLARK: Senator DeCamp.

SENATOR DeCAMP: Mr. President, I am not going to spend a lot of time on this. The Hoagland amendment eliminated the requirement for visual observation in conjunction with the use of radar and I think Senator Chambers has amply documented that law enforcement and the courts themselves are the strongest insisters upon this requirement. So I guess I happen to believe that you are doing law enforcement a favor and the courts a favor keeping in law very clearly what they have insisted upon. That is all.

SENATOR CLARK: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I agree with what Senator DeCamp has stated, and having given you the handouts that I have done, I don't believe that anything I said could elaborate or be more effective in presenting the need for this amendment so I support what Senator DeCamp is offering.
