SPEAKER MARVEL: We are ready for LB 264 on General File.

CLERK: Mr. President, LB 264 offered by the Public Health and Welfare Committee and signed by its members. (Read title). The bill was first read on January 16 of this year, or last year, excuse me. It was referred to the Public Health and Welfare Committee for hearing. At that time it was advanced to General File, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator Wesely.

SENATOR WESELY: Mr. Speaker and members of the Legislature, this bill was brought to the committee by the Department of Welfare in terms of trying to make a conformity with the present age of majority statutes. It is a rather small technical change. All it would do basically at this time lower it from the age of 20 to the age of 19 the age at which a guardian would be appointed for a mentally retarded individual and then the possibility of placing them in a Department of Welfare local mental retardation facility would take place. I don't see much of a problem with it. There was very little testimony as you can see from the committee statement, and basically it is a technical change.

LB 705, 718, 719

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on the advancement of 705? Record the vote.

CLERK: 27 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The Chair declares 705 advanced to E & R. 718.

CLERK: LB 718 (read title). The bill was read on January 8 of this year, referred to the Judiciary Committee for public hearing, and advanced to General File. Mr. President, I have no amendments to the bill.

SENATOR CLARK: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, LB 718 eliminates two current provisions of law which relate to the terms and quorum requirements of the Nebraska Supreme Court. The bill was introduced on behalf of the Supreme Court and repeals the requirement that the Supreme Court meet on the first Monday of January and the third Monday of September. If this section is removed, the Court has told the committee it will allow them to increase the days they are able to hear cases, and if they want to work, I am all for that. Secondly, the bill repeals obsolete procedure regarding the quorums of the Court. The Supreme Court used to have terms and now they ignore these terms anyway and this procedure would simply delete that obsolete language.

SENATOR CLARK: You want to leave the absolute language out, right. The question is the advancement of 718. Is there any discussion? All those in favor of advancement vote aye, opposed vote nay. Voting aye, Mr. Clerk.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Record the vote.

CLERK: 30 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The bill is advanced. LB 719.

CLERK: LB 719 (read title). The bill was read on January 8 of this year, referred to the Judiciary Committee. The bill was advanced to General File. I have no amendments to the bill, Mr. President.

February 8, 1982

LB 719, 724

SENATOR CLARK: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, LB 719 was introduced on behalf of the Nebraska Supreme Court and provides for a change in the method of payment for docket fees in cases filed in the Supreme Court and also increases that fee. Currently when a matter is filed in the Supreme Court, the party making the filing pays a docket fee of \$20. The opposing party when making their first appearance in the action is required to pay an additional docket of \$5. Incidentally, this \$5 usually never gets paid. In order to ease the administration of docket fee collection, the bill provides the entire docket fee is to be paid by the party originally filing the action and the docket fee is increased from \$25 to \$50. Generally, the losing party gets stuck for these fees anyway and it takes about \$1500 minimum to take a case to the Supreme Court so \$50 isn't going to keep them out. I move for the advancement of the bill.

SENATOR CLARK: Is there any discussion on the advancement of LB 719? If not, all those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Record the vote.

CLERK: 29 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SENATOR CLARK: 719 is advanced. We go to 724.

CLERK: Mr. President, LB 724 introduced by the Law Enforcement Criminal Justice Advisory Committee and signed by its members. (Read title). The bill was read on January 8 of this year, referred to Judiciary, advanced to General File. I have no amendments to the bill, Mr. President.

SENATOR CLARK: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, LB 724 provides for the certification of questions of law in the Nebraska Supreme Court from the federal courts or other State Supreme Courts. Currently when a question arises in these other courts as to the interpretation of Nebraska law, the question is resolved by the foreign court guessing how the Supreme Court would decide the issue if it were before it. The bill will end situations like this by providing a procedure for the foreign court to request

CLERK: Mr. President, Senator Vard Johnson would move to amend the bill. The amendment is found on page 606 of the Legislative Journal.

SENATOR CLARK: Senator Johnson.

SENATOR V. JOHNSON: Mr. Speaker, members of the body, this is a very simple amendment. As you may recall, LB 724 allows the Nebraska Supreme Court to decide whether or not it will receive from another court a question of law and will then decide the question of law. When I read the bill over, the only...I only had two misgivings with the bill and the first misgiving dealt with some kind of time limitations because as a lawyer I know how tough it can be to have a case in the federal district court and the opposing counsel says to the judge in the federal district court that this case involves a state law question and what I would like to do, Mr. Judge or Your Honor, what I would like to do is to have this case certified in the Nebraska Supreme Court so the state law question can be resolved, and as the lawyer for my client, I go to the judge and I say, Judge, you don't have to do this, you shouldn't do this, it is a bad thing to do, and it is going to take a lot of time to get it done. The judge disagrees with me and he certifies the case down to the Nebraska Supreme Court for resolution of the state law question.

SPEAKER MARVEL PRESIDING

REV. MORRIS VENDEN: Prayer offered.

SPEAKER MARVEL: If I could have your attention for a moment before we proceed. The chairmen had a meeting today and it was agreed that we would attempt to control debate as we have not done too well in the last few months and that we would try, for instance, with 652 to have the debate and the vote on advancement after one hour and that we try to have the pros and the cons of these issues so it doesn't take forever to get the point across. This time we're in a position where we either try to limit debate or many of the other issues will simply go down the drain. So the Chair would appreciate, the chairmen would appreciate your cooperation in trying to give people an opportunity on both sides and not spend all day in the discussion. Record.
