SPEAKER MARVEL: We are ready for LB 264 on General File.

CLERK: Mr. President, LB 264 offered by the Public Health and Welfare Committee and signed by its members. (Read title). The bill was first read on January 16 of this year, or last year, excuse me. It was referred to the Public Health and Welfare Committee for hearing. At that time it was advanced to General File, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator Wesely.

SENATOR WESELY: Mr. Speaker and members of the Legislature, this bill was brought to the committee by the Department of Welfare in terms of trying to make a conformity with the present age of majority statutes. It is a rather small technical change. All it would do basically at this time lower it from the age of 20 to the age of 19 the age at which a guardian would be appointed for a mentally retarded individual and then the possibility of placing them in a Department of Welfare local mental retardation facility would take place. I don't see much of a problem with it. There was very little testimony as you can see from the committee statement, and basically it is a technical change.

CLERK: Senator Clark voting yes.

CLERK: 30 ayes, 0 nays, Mr. President, on the motion to return the bill.

SENATOR CLARK: The bill is returned. Senator Marsh.

SENATOR MARSH: I now move for the adoption of the amendment.

SENATOR CLARK: Any further discussion on the amendment? If not, the question before the House is the adoption of the amendment. All those in favor vote aye, opposed vote nay. Record the vote.

CLERK: 28 ayes, 0 nays, Mr. President, on the adoption of the Marsh amendment.

SENATOR CLARK: The amendment is adopted. Senator Marsh, do you want to return the bill to Final Reading?

SENATOR MARSH: I move the bill be advanced to E & R engrossing.

SENATOR CLARK: You have heard the motion. All those in favor say aye, opposed. The bill is returned to E & R final. We will now go to the priority bill list, #6. We have a fifteen minute limit on each bill. The first bill will be LB 720.

CLERK: Mr. President, LB 720 is a bill introduced by Law Enforcement and Criminal Justice Advisory Committee and signed by its members. (Read.) The bill was read on January 8th of this year. It was referred to Judiciary for a public hearing. The bill was advanced to General File, Mr. President, and I have no amendments to the bill.

SENATOR CLARK: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, members of the Legislature, LB 720 came to us because there apparently is a little misunderstanding in current law which provides for certain temporary orders to be entered while a divorce or separation case is pending in front of the reconciliation court. There is no expressed statutory authority for a temporary custody order to be entered during this period and the absence of such statutory authority could make it difficult to enforce

March 5, 1982

LB 720, 767

such orders. The purpose of 720 is to close this jurisdictional loophole. I understand that some of the judges are doing it anyway but they feel that they are on shaky ground by ordering custody of the children while the divorce case is pending. I move for the advancement of LB 720 to E & R initial.

SENATOR CLARK: Is there any discussion? Did you move the advancement of the bill?

SENATOR NICHOL: Yes, I did.

SENATOR CLARK: Alright, the question before the House is the advancement of 720. All those in favor vote aye, opposed vote no. Record the vote.

CLERK: 28 ayes, 0 nays on the motion to advance the bill, Mr. President.

SENATOR CLARK: The bill is declared advanced. Guests of Senator Vickers, Mr. and Mrs. Robert Andrews and son, Keith, and an exchange student from Germany, Stephan Hofmeister, parents of Page Marilyn Andrews. Where are they? They are under the South balcony. Would you stand up and be recognized, please. Welcome to the Legislature. LB 767E.

CLERK: Mr. President, LB 767 was a bill introduced by Senator Schmit. (Read.) The bill was read on January 11 of this year. At that time it was referred to the Government, Military and Veterans Affairs Committee for a hearing. The bill was advanced to General File, Mr. President. I have no amendments to the bill.

SENATOR CLARK: Senator Schmit.

SENATOR SCHMIT: Mr. President and members of the Legislature, the bill simply transfers the surplus property from the Military Department to the Department of Correctional Services. Some of you will recall last year we moved that surplus property from the Department of Roads to the Department of Military Services. The reason for the emergency clause on the bill is that that change has not yet taken place. Most of the surplus property is reconditioned and refurbished with the assistance of the persons at the institutions so it seemed to be a much more logical place for the property to be handled. So for that reason we have introduced the bill. There is of course no objection from the Department of Military Services. The Department of Correctional Institutions are in favor of the bill and I would hope that the body would advance the bill rapidly. Thank you.

SPEAKER MARVEL PRESIDING

REV. MORRIS VENDEN: Prayer offered.

SPEAKER MARVEL: If I could have your attention for a moment before we proceed. The chairmen had a meeting today and it was agreed that we would attempt to control debate as we have not done too well in the last few months and that we would try, for instance, with 652 to have the debate and the vote on advancement after one hour and that we try to have the pros and the cons of these issues so it doesn't take forever to get the point across. This time we're in a position where we either try to limit debate or many of the other issues will simply go down the drain. So the Chair would appreciate, the chairmen would appreciate your cooperation in trying to give people an opportunity on both sides and not spend all day in the discussion. Record.

CLERK: There is a quorum present, Mr. President. Yes, sir, I do have some items to read in. CLERK: Mr. President, I have E & R amendments to LB 720.

PRESIDENT: Senator Kilgarin....oh, there you are over there. Are there any E & R amendments on this?

PRESIDENT: There you are where I normally see you over there, okay.

CLERK: Mr. President, Senator Hoagland would now move to amend the bill, and the Hoagland amendment is on page 1108 of the Journal.

PRESIDENT: Page 1108 of the Journal, the Hoagland amendment. Senator Hoagland.

SENATOR HOAGLAND: Mr. Speaker and colleagues, this is a friendly amendment. Senator Nichol told me before he left that he had no problem with my amending his bill to attach this clarifying language on LB 720. Last year the Legislature decided to change the requirement that motions for a new trial be filed in every case and to make that optional to require the losing party in a law suit to file a motion for a new trial only if he thought it was in his best interest and not be required to as a prerequisite to seeking an appeal. Now the Legislature adopted that principle last year, however the language that we used in implementing that principle was not the best. This particular language which is on page 1108 of the Journal has been worked up by lawyers and others over the summer and the fall and it is intended to clarify that decision we made last year. As I indicated, Senator Nichol has no objection to our using LB 720 for this clarifying language. I would ask you to adopt this amendment. Thank you, Mr. President.

PRESIDENT: Any further discussion on the Hoagland amendment. I guess, Senator Hoagland, that is your opening and your

CLERK: Mr. President, I have an amendment from Senator Landis to the bill that I understand he wishes to withdraw.

PRESIDENT: Senator Landis, what do you wish to do with the amendment?

SENATOR LANDIS: The first of the ones...the one that was published in the Journal I would like to withdraw.

PRESIDENT: Prayer by Chaplain Palmer.

CHAPLAIN PALMER: Oh God, we pray as we look at the calendar and realize how much has been done but how much more needs doing. We ask for your contentment in this day that we may not waste what time is ours, desiring more than is likely but learn to use and enjoy that which is ours. We may not know everything but we do know Thee and Your will. We may not be rich but we can be generous. We do not have to have all wisdom to be understanding. We do not have to win every vote in order to be a good Senator. Our influence may not always be great but it can be good. Our speech may not always be eloquent but it can be truthful. We cannot all have good looks but we can have good conscience, and having that we shall have peace of mind and need fear no one. So this day may we be kind to one another, tenderhearted and forgiving as if each person's heart might be breaking, because it probably is. Amen.
