

four days unlimited bill requests would be accepted by the bill drafter and then between the fourth and the eighth day one more request per senator and per committee. This is a little change from before because since we have unlimited bill introductions now we were afraid we might get into the situation where the bill drafter just would not be able to handle the volume of requests. So I call that to your attention and hope that you can get your requests in today and if you have an emergency then you have the prerogative of another request between the fourth legislative day and the eighth legislative day. Thank you.

PRESIDENT: Any questions of Senator Lamb? Or any other comments? Okay, at this time the Chair takes pleasure to introduce some visitors from Senator Marsh's district up here in the north balcony, some 25 seniors from Southeast High School, their instructor Mr. Douglas. They're up in the north balcony. Would you welcome the Southeast seniors up here in the balcony. Welcome to your Legislature. All right we'll... The Clerk will just read some bills in until...it's getting close enough to the time of the Governor's arrival. We will proceed with the reading of some bills, Mr. Clerk.

CLERK: (Read by title for the first time, LBs 746-748 as found on page 190 of the Legislative Journal.)

PRESIDENT: Does anyone else have any bills to introduce before the Governor's arrival? We just as well get in the bills if you have any there. The Clerk would like to read them in.

CLERK: (Read by title for the first time, LBs 749-752 as found on page 191 of the Legislative Journal.)

PRESIDENT: The Chair recognizes Speaker Marvel for purpose of a motion.

SPEAKER MARVEL: The motion that I make is that a committee of five be appointed to escort the Governor to the Chamber to deliver the State of the State and the Budget Message. I so move.

PRESIDENT: The motion is to appoint a committee of five to escort the Governor. All those in favor signify by saying aye, opposed nay. The committee the Chair will appoint will be as follows to escort the Governor: Senator Carsten, Senator Newell, Senator Barrett, Senator Lowell Johnson and Senator Remmers. That committee of five will proceed to escort the Governor into the Chamber for the delivery of his State of the State address and the Legislature will be at ease until the Governor arrives.

RECESS

SPEAKER MARVEL PRESIDING

CLERK: A quorum present, Mr. President.

SPEAKER MARVEL: Okay, the Clerk has some items to read into the record.

CLERK: Mr. President, your committee on Public Works whose Chairman is Senator Kremer instructs me to report LB 750 as indefinitely postponed; LB 752 indefinitely postponed; LB 915 indefinitely postponed. All signed by Senator Kremer as Chair.

Mr. President, I have an Attorney General's opinion addressed to Senator Carsten regarding LB 816. That will be inserted in the Legislative Journal. (See pages 1068-1070.)

Mr. President, I have a motion from Senator Kremer to place LB 587 on General File notwithstanding the action of the committee. That will be laid over.

Mr. President, Senator Kremer would like to print amendments to LB 895 in the Legislative Journal.

SPEAKER MARVEL: Okay, we will return to item #5, LB 652.

CLERK: Mr. President, when we left 652 this morning there was pending a motion from Senator Hoagland to indefinitely postpone the bill.

SPEAKER MARVEL: The Chair recognizes Senator Hefner.

SENATOR HEFNER: Mr. President and colleagues, I rise to oppose the kill motion and the reason I do is because I feel that we have made a fair compromise. I think that we found a fair and just solution to the problem that we have been toying with over the past year and a half. I don't think that just because a teacher is certified that this means she or he is good. I think we can write other things into the law that would help our school system in Nebraska. We were able to get some amendments to the bill this morning that I feel are a compromise and one of those is the sunset provision. If it isn't working by the end of four years, we can take another look at it and make some adjustments then. We are also striking the section in the Peterson-DeCamp amendment that waives some of the requirements of the school. I think that Senator DeCamp and Peterson have been very fair and I want to commend Senator
