LB 962, 839

SENATOR SCHMIT: Mr. President and members of the Legislature, this bill like many others has been around many, many times. At the present time it has several new wrinkles in it. Section 1 is very simple. It establishes the intent of the bill, and Section 2 has domestic firms, corporations and partnerships as well as individuals. It is a list of entities that would be afforded agistor lien protection. The section also modernizes various provisions regarding foreclosures of liens. Section 2 grants a first agistor's lien to domestic feeders when they feed cattle belonging to nonresidents. In other words, if I live...if I am operating a cattle feedlot and someone from Kansas ships cattle into Nebraska into my feedlot, it gives me a first lien on those cattle for the feed that I provide for them. In the past we have had other versions of the bill which have been opposed by the Bankers Association. This bill is supported by both the Nebraska Bankers Association and the Livestock Feeders Association. I am not familiar whether or not there was opposition at the hearing, but, very frankly, I believe the bill is a good bill, deserves to be advanced to Select File. I ask your support of the bill. In fact, Mr. President, there was no opposition to the bill.

SPEAKER MARVEL: Senator Hefner.

SENATOR HEFNER: Mr. President and members of the Legislature, I rise to support this bill. I am cosponsor of it, and I think it will help the livestock industry in Nebraska. I have tried to get some...I tried to get a bill passed several years ago and ran into problems with the Banking Association and now we have come to an agreement and, in fact, the Bankers Association spoke for the bill, and so, therefore, I would urge you to advance this bill.

SPEAKER MARVEL: The motion is to advance the bill. All those in favor of the Hefner motion vote aye, opposed vote no. The motion before the House is the Hefner amendment. Have you all voted? Do you want to advance the bill? Okay. Record the vote.

CLERK: 36 ayes, 0 nays on the motion to advance LB 962, Mr. President.

SPEAKER MARVEL: The motion is carried and the bill is advanced. The next bill is 839.

CLERK: Mr. President, LB 839 by Senator Beyer. (Read title.) The bill was read on January 14 of this year, referred to Miscellaneous Subjects. The bill was advanced to

General File, Mr. President. I have no amendments to the bill.

SPEAKER MARVEL: The Chair recognizes Senator Beyer.

SENATOR BEYER: Mr. Speaker and members, it is getting late in the day. Everybody is talking about the horsing around here. This particular bill would solve certain statutory and constitutional problems present in the Nebraska Racing Commission's performance of its duties. The problem centers around the Nebraska Thoroughbred Breeders and that organization's maintenance of an official Nebraska thoroughbred registry. The registry is maintained for the Nebraska Racing Commission. There is no statutory or constitutional authority allowing for such a delegation of legislative duties. LB 839 would allow the commission to designate an official registrar and maintain an active oversight function of such a registry. The present registry system would remain essentially the same after the passage of LB 839. It would no longer be illegal, however. They also could do it on their own but the Thoroughbred Breeders have been real active in the Racing Association so this is the reason they have had them do it and they can probably do it cheaper than we can as a state. I move for the advancement of LB 839.

SPEAKER MARVEL: The motion is to advance the bill. Those in favor vote aye, opposed vote no. LB 839. Have you all voted? Record the vote.

CLERK: 38 ayes, 1 nay on the motion to advance LB 839, Mr. President.

SPEAKER MARVEL: Motion carried, the bill is advanced. The last bill of the day, LB 890.

CLERK: LB 890 offered by Senators Vickers, Koch and Remmers. (Read title.) The bill was read on January 19, and was referred to the Revenue Committee. Mr. President, I have no amendments on the bill.

SPEAKER MARVEL: The Chair recognizes Senator Vickers. Senator Koch.

SENATOR KOCH: Thank you, Mr. Speaker. A couple of years ago this Legislature when we were talking about school finance felt that we should record...it's really a part of Senator Burrows' bill that he carried once, trying to find equity in how we support public schools. At that time we felt that we should record when we pay our income tax to the district so that we could get figures trying to determine

SPEAKER MARVEL PRESIDING

REV. MORRIS VENDEN: Prayer offered.

SPEAKER MARVEL: If I could have your attention for a moment before we proceed. The chairmen had a meeting today and it was agreed that we would attempt to control debate as we have not done too well in the last few months and that we would try, for instance, with 652 to have the debate and the vote on advancement after one hour and that we try to have the pros and the cons of these issues so it doesn't take forever to get the point across. This time we're in a position where we either try to limit debate or many of the other issues will simply go down the drain. So the Chair would appreciate, the chairmen would appreciate your cooperation in trying to give people an opportunity on both sides and not spend all day in the discussion. Record.

PRESIDENT: Any further discussion? Senator Rumery, do you have any closing on the advance?

SENATOR RUMERY: Just this, Mr. President, there has been reference made to sinister moves by a lobbyist and I would like to say that Mr. Paul O'Hare worked with us and I can truthfully say that we have not considered that he was doing anything underhanded at all, and I would like to have that for the record. Mr. President, I have a series of Attorney General's opinions. The first is to Senator Vickers regarding LB 647; one to Senator Wesely regarding LB 700; a third to Senator Hefner regarding LB 611; a fourth to Senator Haberman regarding LB 127; and a fifth to Senator Carsten regarding LB 816. All of those will be inserted in the Legislative Journal.

Mr. President, a new resolution, LR 270 offered by Senator Newell. (Read. See pages 1424 and 1425, Legislative Journal.) That will be laid over pursuant to our rules, Mr. President.

Finally, Mr. President, Senator Wiitala asks unanimous consent to remove his name as cosponsor from an amendment to LB 652, Request 2652.

SENATOR CLARK: Is there any objection? So ordered.

CLERK: That is all that I have, Mr. President.

SENATOR CLARK: All right, is Senator Koch here? I think we will go ahead and pass over Senator Koch's request here until he arrives. We will go to item #5 on General File, the priority bills, the revenue priorities, 757 is the first bill.

CLERK: Mr. President, LB 757 introduced by the Speaker at the request of the Governor. (Read title.) The bill was read on January 11 of this year, referred to the Revenue Committee for public hearing. The bill was advanced to General File, Mr. President.

SENATOR CLARK: Senator Carsten.

SENATOR CARSTEN: Mr. President and members of the Legislature, in the absence of Senator Marvel I suspect that I should take the bill. The bill is very straightforward. There is no committee amendment. It is in its original form to reduce the minimum of the overlevy or cushion from 3% to 2%. It was a recommendation from the Governor in a bill that he had introduced by Senator Marvel and I would move that it be moved from General File to E & R Initial.

SENATOR CLARK: We have a motion on the desk.
