LR 204, 205
LB 335, 353, 840 - 845

SENATOR MARSH: It will be kept in separate file now rather than having them placed together. It will be the same number as this that you are referring to, the emergency number, so there is not duplication of services.

SENATOR PIRSCH: It will be the same number, and as I understand it, they are reporting these on the child abuse hot line that we now have established.

SENATOR MARSH: That is correct.

SENATOR PIRSCH: Will this remain the same number or will they add another?

SENATOR MARSH: No. We need to have one number that is known throughout the state for those emergency services. We will keep them in separate files. They will be treated separately at that end but the response is through an emergency number, not to try to duplicate services at our state level. To make our state dollars go as far as they possibly can go, we need not to be adding but combining services wherever necessary and there are plans, as I understand it, to incorporate even other things into that emergency number. Thank you.

SENATOR PIRSCH: Thank you. I just wanted to clarify that.
