LR 206
LB 874

by Senator Schmit. (Read title). LB 874 by Senators Kremer and Schmit and Cullan. (Read title).

SENATOR CLARK PRESIDING

SENATOR CLARK: Motion on the desk.

CLERK: Mr. President, Senator DeCamp moves to reconsider the body's action in failing to adopt LR 206.

SENATOR CLARK: Senator DeCamp.

SENATOR DeCAMP: Mr. President and members of the Legislature, very briefly and very simply. Senator Chambers came to me and said he wanted some statement on the books relative to our attitude or policy on policy on South Africa. He brought an amendment to me that I guess he wants to offer. Reading the amendment, I think it goes to the substance of what he wants to say rather than the other one which I thought was very political. I am going to support the amendment and I am going to support reconsideration, and I think it would put on record that we do have concerns and do support free labor movement and so on and so forth. I don't know if he has handed out the amendment. He can discuss that, but on that basis and with the understanding that he would attempt this amendment, I am going to be supporting a reconsideration and in light of the fact that we have put ourselves on record on the Polish issue, even though it is international or foreign policy, or whatever, we have expressed a concern there, I think it is proper that we should in an almost duplicate situation.

SENATOR CLARK: Senator Schmit, on the reconsideration.

SENATOR SCHMIT: Mr. President and members of the Legislature, I have not seen the amendment that Senator DeCamp has proposed upon reconsideration. I have several other additional amendments which I would propose. I would like to suggest that the amendments that I have proposed would also be included in the DeCamp proposal. Is that possible, Mr. President?

SENATOR CLARK: Senator Chambers, do you have an amendment? Do you have it printed?

SENATOR CHAMBERS: Yes.

SENATOR CLARK: Is it being passed out now?
