LB 652, 522, 653A,
890A, 903A

CLERK: 27 ayes, 0 nays to cease debate, Mr. President.

SPEAKER MARVEL: Debate is ceased. The Chair recognizes Senator Marsh to close on your amendment.

SENATOR MARSH: Thank you, Mr. Speaker. We have stayed pretty quiet today as we have listened to debate on this bill, and if some of you noticed, I stayed very quiet this morning. As a parent of a highly gifted student who is currently tutoring highly gifted students through the Lincoln Public Schools, I cringe at what LB 652 is attempting to do without regard to its affects in the future. I also feel that religion is a very important part of my life and those around me. Because of that, I think we need minimum in spite of what Senator Koch says that high school is asking too much of a teacher, I believe that a teacher should have completed high school. I hope that in your heart you also agree that that is a very minimum qualification. Please try to have the minimum be part of this legislation which is moving quickly now to termination.

SPEAKER MARVEL: The question is the adoption of the Marsh amendment. All those in favor vote aye, opposed vote no. A record vote has been requested. Record. All those in favor of going under Call vote aye, opposed vote no. Have you all voted? Record.

CLERK: 18 ayes, 16 nays to go under Call, Mr. President.

SPEAKER MARVEL: The House is under Call. All legislators return to your seats, unauthorized personnel leave the floor.

CLERK: Mr. President, while we are waiting for the members to check in, I have a report from Public Works regarding a confirmation hearing.

I have a gubernatorial appointment from the Governor.

Senators Cullan, Kahle, Vard Johnson, and Nichol would like to print amendments to LB 522.

Mr. President, a new A bill, 903A offered by Senator Carstens, (Read title); LB 890A by Senator Vickers and Koch, (Read title); and LB 653A by Senator Koch, (Read title). (See pages 1078-1079, Legislative Journal.)

SPEAKER MARVEL: All legislators must be in their seats according to the rules. Senator Schmit, Senator Lamb. Vard Johnson, Senator Lamb, Senator Labeledz. Senator Marsh, can we call the roll now? There are three absent at the moment.

best to find those answers and in the amendments we hope we will have at least a good start on it. So that will be forthcoming in the amendment. I again renew my motion, Mr. President, to advance LB 903 as amended.

SENATOR LAMB: The motion is to advance LB 903. Those in support vote yes. Those opposed vote no.

CLERK: Senator Lamb voting yes.

SENATOR LAMB: Have you all voted? Record.

CLERK: 35 ayes, 0 nays, Mr. President, on the motion to advance the bill.

SENATOR LAMB: The next bill is LB 903A.

CLERK: Mr. President, 903A offered by Senator Carsten. (Read title.)

SENATOR NICHOL PRESIDING

SENATOR NICHOL: Senator Carsten.

SENATOR CARSTEN: Mr. President and members of the Legislature, I move to advance LB 903A to E & R Initial. You will notice in your bill book 903A has a fiscal note for \$27,500 on it...\$27,500. I want to tell you that that is strong. That was based on the original assumption of LB 903 and with the amendments and the implementation thereof as we understand from the Department of Revenue now with the permits and stickers and so forth that are going to be provided, that figure is going to be down to somewhere around \$7500 and we will have an update on that fiscal for a definite amount when those amendments are finally in, but it will be substantially less than the \$27,500 that is in the original. I move for the advancement.

SENATOR NICHOL: The question is the advancement of the bill. All those in favor vote aye, opposed nay.

CLERK: Senator Nichol voting yes.

SENATOR NICHOL: Have you all voted? Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays, Mr. President, on the motion to advance the A bill.

SENATOR NICHOL: The bill is advanced. I have been asked to announce that Ray Wilson is having a 65th Anniversary

SENATOR NICHOL: Senator Hoagland.

SENATOR HOAGLAND: Mr. President and colleagues, Senators Beyer, Sieck and myself are moving to make a couple of final changes in LB 480 before we advance it, before we hope the body advances it to Final Reading. Let me say at the outset that these amendments have been agreed upon substantively by the County Attorneys' Association and we have also had some representatives of the Bar Association that have given these amendments technical approval. What the amendments do basically is rewrite the current provision of the law which provides that interspousal transfers shall not be subject to the inheritance tax in Nebraska. That is Section 1 of the amendments. The other two sections of the amendments take out the lien on real property for situations where two spouses are living and jointly own a home and one spouse dies and all of the interest in property goes to the surviving spouse. In circumstances of that sort, there is no lien either under the county inheritance tax or the
