

the authority to make those determinations. If Senator Schmit and Senator DeCamp want different mechanisms within their area then let them go to their natural resources districts and make that plea to them. It's the same as I should have the right to do with my NRD but you're taking that right away from me and I think that is wrong. I think that is fundamentally wrong. Why don't we just do away with the NRDs and make all the decisions right here? We'll draw the lines, we'll do the whole works. We'll be the Natural Resources Board for the whole state. That is really what we are doing. Is that what we want to do?

I also brought a treat for you this morning. At 11:30 the Abu Bekr Chrine Chanters from my District will be performing for you. They are 45 strong and I can vouch and tell you they are 45 male voices that is something you have never before. So stick around at 11:30 and appreciate the treat I have for you. Thank you.
