SENATOR CLARK PRESIDING

SENATOR CLARK: The Chair recognizes Senator DeCamp for a point of personal privilege.

SENATOR DeCAMP: Mr. President and members of the Legislature, it will only take about a minute and a half. I do have a point of personal privilege and the point has to do with a letter I received from Senator Cullan late last week. Senator Cullan and I who have a very frank relationship with each other. Senator Cullan sent me a

fact there is an outstanding basketball player on the team by the name of Jackman. Before we vote favorably I think we should request that he go to the University of Nebraska rather than Duke.

PRESIDENT: Senator Haberman.

SENATOR HABERMAN: I would like to add two things, Mr. President. Number one, Grant was also the champion football team this year and I had considered about this basketball thing for Jackman and Duke and I decided that it was his personal decision and that is why I didn't put it in the resolution.

PRESIDENT: Okay.

SENATOR HABERMAN: But, however, I will say this, this body some years ago said if we increase the cigarette tax and build a facility then we will be able to recruit good players. So this body increased the cigarette tax. We built that facility but it doesn't seem that we are keeping the good players. So thank you very much and I would still like to have a large vote on this for the Grant Plainsmen.

PRESIDENT: That's right. The Chair is not supposed to agree but he agrees. Okay, all those in favor of LR 259 vote aye, opposed nay. Record the vote.

CLERK: 32 ayes, 0 nays, Mr. President, on adoption of the resolution.

PRESIDENT: The motion carries and LR 259 is adopted. The next resolution is LR 260.

CLERK: Mr. President, LR 260 offered by Senator Kremer. It is on page 1348. (Read LR 260.)

PRESIDENT: The Chair recognizes Senator Kremer.

SENATOR KREMER: Thank you, Mr. Chairman. Senator Haberman just said we always leave the best till last and I am glad he recognizes that. Likewise the Hordeville High School has a very fine bunch of boys playing basketball this year and they too for the second time won the Class D championship and deserve the same recognition we have given these other fine teams that have gone through this basketball season and came out with this glorious victory. All I ask is that you support me in congratulating this fine team of boys in Class D at Hordeville, Nebraska. Thank you.

PRESIDENT LUEDTKE PRESIDING

PRESIDENT: Prayer by Chaplain Palmer.

CHAPLAIN PALMER: Oh God, we pray as we look at the calendar and realize how much has been done but how much more needs doing. We ask for your contentment in this day that we may not waste what time is ours, desiring more than is likely but learn to use and enjoy that which is ours. We may not know everything but we do know Thee and Your will. We may not be rich but we can be generous. We do not have to have all wisdom to be understanding. We do not have to win every vote in order to be a good Senator. Our influence may not always be great but it can be good. Our speech may not always be eloquent but it can be truthful. We cannot all have good looks but we can have good conscience, and having that we shall have peace of mind and need fear no one. So this day may we be kind to one another, tenderhearted and forgiving as if each person's heart might be breaking, because it probably is. Amen.

PRESIDENT: Roll call. Have you all registered your presence? Has everyone registered his or her presence? Please do so so we can get underway. Record the presence Mr. Clerk.
