SENATOR MARSH: Thank you Mr. President and members of the Legislature. I rise to support the proposed amendment. I rise because as Senator Beutler said the person who is going to have supposedly a guardian appointed receives notice, that is well and good if the individual is capable of comprehending what the notice means. It is well and good if its an adult who reads. It is well and good, but, what if it is not a person who reads? What if it not a person who comprehends what the written words mean? What if it is not an adult? It is important that the rights of each individual . . .

CLERK: Mr. President, 271 is offered by Senator Kilgarin and others it is on page 1443 of the Journal.

SENATOR CLARK: Do you want to withdraw that? Oh, all right, go ahead.

SENATOR KILGARIN: Yes, Senator Clark and colleagues, I would just like to say that the resolution was introduced to encourage the Commission on Aging to release the funds that they impounded for the senior citizen programs. They have subsequently, after the introduction of this resolution, done that so I respectfully ask unanimous consent to withdraw the resolution. Thank you.

SENATOR CLARK: It is withdrawn. LB 272.

CLERK: Mr. President, LR 272 offered by Senator Koch and Haberman, it is on page 1473 of the Journal.

SENATOR CLARK: Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the Legislature, this is a resolution for superintendent E. Lee Todd who has been superintendent of Perkins County Highschool at Grant, Nebraska for thirty-six years. Now, that in itself is quite an achievement but he has quite a background. Back in 1932 while a student at Max Highschool E. Lee Todd won the group IV state track meet. He was Max's one man track team. He won four first place's and one second place. He also placed second in the National AAU finals in preparation for the world olympics and would have gone to the world olympics from Nebraska but they were cancelled due to World War II. Mr. E. Lee Todd is a fine gentleman and a good school man and an excellent administrator and I feel it an honor to introduce this resolution and Senator Koch knows him personally and I will give Senator Koch the rest of my time.

SENATOR KOCH: Thank you Senator Haberman, I do know Mr. Todd, I have known him for quite some time and being a graduate of Hastings College I'm proud that he proceeded me along with Senator Barrett and Senator Marvel and as an administrator I have known him as well. He is very effective. An individual who can stay in a community for 36 years has to have a lot of staying power and obviously knows the politics and besides that has operated efficiently in managing the school system. Not only was Mr. Todd a good athlete at Hastings College he was also an academician. I don't know if he had a student loan or not, but obviously he might have had.

SENATOR CLARK: The question before the House is the adoption of the Resolution. All those in favor vote aye, opposed nay. Voting aye.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Record the vote.

CLERK: 26 ayes, 0 nays on adoption of the resolution, Mr. President.

SENATOR DeCAMP: Mr. President, members of the Legislature, this resolution honors a lady from Norfolk, Nebraska, that was for 32 years, well lots of things, Dean of Women, it is all in the resolution. I urge your adoption. It honors this woman that just retired, 32 years in service. Her name is Jewel J. Piper.

SENATOR CLARK: I would have thought in 32 years you would have learned that. The question before the House is the adoption of the resolution. All those in favor vote aye, opposed vote nay. Record the vote.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of the resolution.
