LB 531, 928, 816  
LR 276

that I basically believe in the philosophy of the citizen legislature. The lay person legislature. I do not believe that it is good government for the legislative branch or the legislators to be professional politicians who are in this business of legislating every day. Our role is policy makers. Our role is best served if we have more time at home among those who we represent to keep our, to keep our feelings closer to those people. I believe that you would be surprised how well this amendment would be supported if it got on the ballot.
