Mr. President, on Public Works whose Chairman is Senator Kremer to whom was referred LB 382 instructs me to report the same back to the Legislature with the recommendation it be indefinitely postponed. (Signed) Senator Kremer.

Mr. President, new resolution, LR 28, offered by Senator Dworak. (Read LR 28 as found on page 737 of the Legislative Journal.) That will be laid over, Mr. President.

SPEAKER MARVEL: Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, I forgot to do this yesterday when it was on Select File. This was the bill that dealt with the investment procedures for fire and casualty companies and I think it is generally recognized that it is useful and helpful information or legislation and it ought to be put in effect earlier, and, of course, with the emergency clause it can. So I move the bill be returned

you do. You see Grant, Nebraska is the smallest Class C school in the state. They are the only undefeated Class C or undefeated basketball team in the state. They won the Class C championship. Sidney won the Class B championship but it seems like Grant beat Sidney during the season. I am sorry about that, Senator Clark. Grant also won the Class C II football championship so I feel that the smallest Class C school in the state that goes undefeated in basketball and wins the Class C championship, beats the Class B champion, and also wins the Class C II football championship should have a resolution passed with a big vote and thank you very much.

SPEAKER MARVEL: The motion is the adoption of LR 39. All those in favor vote aye, opposed vote no. Record the vote.

CLERK: 32 ayes, 0 nays on adoption of the resolution, Mr. President.
