SENATOR CLARK: Have you all voted on the adoption of the resolution? Record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SENATOR CLARK: The resolution is adopted. LR 295.

SENATOR CLARK: Senator Rumery.

SENATOR RUMERY: Mr. President, members of the Legislature, I would like to say that I am extremely honored that the Senator from Farnam would consider doing us the honor of helping us sponsor this. Glad to have him aboard and would be glad to have the rest of you aboard that would like to join in with us. This is a thing that we started last year of honoring the Unknown Indian in the country for contributions they have made to society. Last year we were extremely fortunate in finding an Indian who was a graduate in Chemical Engineering and he has now established his own business in California and he is taking the material that other manufacturers threw away and has built them into worth while products. We hope to continue this this year. The honoree has not been selected yet, but we would like to establish May 30th as Unknown Indian Day. Some of you may know that we have an Indian statue on Sioux Lookout which is southeast of North Platte and was mutilated a little bit and a friend of mine by the name of Jack Fletcher came back who grew up in that area and saw how it was treated and he wanted to know if we couldn't restore it and he has been working with the Lincoln County Historical Society to do this and he went beyond this and we were successful in selecting an Indian who was...who made great contributions to society and would like to do the same this year. Mr. President, I move the adoption of the resolution.

SENATOR CLARK: Question before the House is the adoption of the resolution. All those in favor vote aye, opposed vote nay. Voting aye.
