LR 30, 31

SPEAKER MARVEL: Senator Vickers.

SENATOR VICKERS: Mr. Speaker and members, this resolution as read to you by the Clerk is to designate Curtis, Nebraska as the Easter City. The reason, simply because they have for the past twenty years celebrated Easter with a pageant made up of living pictures using a number of people, about a hundred and fifty people in the community and surrounding communities, not only Curtis but also surrounding small towns, to present the story of Easter. You will all find on your desk a little bit of an article about the pageant and about the way that Curtis goes all out to bring about this pageant. For those of you that have been to Curtis, I probably don't need to describe it to you but it is a very beautiful little town, large wide streets. It also houses what I consider the best campus of the University of Nebraska. UNSTA is located at Curtis. It is nestled in the Medicine Valley. Large hills surround it on both sides and on top of one of the hills to the south of Curtis visible right straight down mainstreet is a huge twenty foot cross that is kept lit for about a two week period before Easter and through the Easter season. The pageant put on by the community is a very stirring and heartwarming sight and I would encourage anybody, any of you that would ever have the opportunity to go out and take it in. As I indicated and as you will read in the item passed around to you, it has involved with it a huge number of people in the surrounding area and I simply urge this body's adoption of LR 30.

SPEAKER MARVEL: All in favor of the motion vote aye, opposed vote no. Have you all voted? Record the vote.

CLERK: 32 ayes, 0 nays on the adoption of the resolution, Mr. President.

SPEAKER MARVEL: The motion is carried. The resolution is adopted. We now go to LR 31.

CLERK: Mr. President, LR 31 by Senator Beyer and Fenger. (Read.) The resolution is found on page 823, Mr. President, of the Journal.

SPEAKER MARVEL: Senator Beyer.

SENATOR BEYER: Mr. President, members of the Legislature, the Omaha Bryan girls team is the only undefeated girls' team that we have had in Sarpy County for quite awhile, in fact, the only one that I can find record of. These girls went through an undefeated season and then won the

Class A championship. So I urge you to adopt this resolution. Thank you.

SPEAKER MARVEL: All those in favor of the motion vote aye, opposed vote no. Record.

CLERK: 32 ayes, 0 nays, Mr. President.

SPEAKER MARVEL: The motion is carried and the amendment is adopted. Now we go to LR 32.

CLERK: Mr. President, LR 32 offered by Senator Hefner found on page 829 of the Journal. (Read.) That is found on page 829 of the Journal, Mr. President.

SPEAKER MARVEL: Senator Hefner.

SENATOR HEFNER: Mr. President and members of the body, this resolution, LR 32, recognizes and honors the Randolph Cardettes. This team won the Class C basketball, the girls basketball championship crown several weeks ago and this capped a perfect season. They went through the season undefeated, 25 wins and no losses. The Randolph Cardettes girls basketball team just started five years ago and so they have accomplished something here that was quite great I feel. So I would appreciate it if you would support me in this resolution this morning honoring and recognizing this northeast Nebraska school and their team, the Randolph Cardettes. I urge you to support and adopt this resolution.

SPEAKER MARVEL: Senator Clark.

SENATOR CLARK: Mr. President and members, I was just wondering if it wouldn't be possible that we put all of the champions of the women and all of the champions of the men in one resolution and send them to these people. I happen to have a Class B champion, too, but it looks to me that every year we spend about an hour and a half, two hours going through this, and if we put them all into one resolution, certainly we commend one as much as the other, and I am not trying to downgrade Randolph. I think we commend one team as much as the other in their effort and everything else but also their luck in winning a state tournament but I just wonder what the Senator would think of that. Do you think it would be feasible just to put them all in one resolution?

SPEAKER MARVEL: Senator Hefner, do you want to respond?

SENATOR HEFNER: Yes, Senator Clark, I will respond to that.

March 17, 1981

LB 32, 35, 36

I think it is very important that we leave them separated but maybe we can take them all up as a motion but these schools certainly value these resolutions that we send to them. I don't think it is going to take us an hour and a half. I think we can accomplish this in fifteen minutes.

SENATOR CLARK: Okay.

SPEAKER MARVEL: Senator Koch.

SENATOR KOCH: Mr. Speaker, for Senator Hefner's benefit, girls basketball started five years ago across the state for all schools, and so Bryan and others, they are equally as good.

SPEAKER MARVEL: Senator Hefner, do you want to move the adoption of the resolution?

SENATOR HEFNER: Mr. President, I move the adoption of the resolution.

SPEAKER MARVEL: All those in favor of that motion vote aye, opposed vote no. Record.

CLERK: 32 ayes, 0 nays on the adoption of the resolution, Mr. President.

SPEAKER MARVEL: The motion is carried. The resolution is adopted. Now we go to LR 35, Senator Newell.

CLERK: Mr. President, LR 35 by Senators Newell and Fenger. (Read.) It is found on page 863 of the Journal, Mr. President.

SENATOR NEWELL: I move the question. Creighton is a great team and if they would have won one or two more games, this would be even more appropriate. They didn't and it is still appropriate.

SPEAKER MARVEL: The motion is the adoption of the resolution as presented by Senator Newell. All those in favor vote aye, opposed vote no. Record the vote.

CLERK: 32 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SPEAKER MARVEL: Motion is carried. LR 35 is adopted. We now go to LR 36.

CLERK: Mr. President, first of all, Senator Hefner wants to add his name to LR 36 as cointroducer.

SPEAKER MARVEL: Hearing no objections, so ordered.

CLERK: Mr. President, LR 36 offered by several Senators. (Read.) That is found on page 906, Mr. President, of the Journal.

SPEAKER MARVEL: Senator Schmit, do you want to move the adoption of your resolution?

SENATOR SCHMIT: I move the resolution, Mr. President. Mr. President, members of the Legislature, we all know the production of pork is a very vital part of the Nebraska economy. We recognize the contributions made by Mr. Kahle. We recognize the honor that he has brought to the State of Nebraska and the pride his father must feel in his accomplishment and therefore I introduced the resolution, and as you have noticed, there are many cosigners. I would ask you to join me in support of the resolution.

SPEAKER MARVEL: You have heard the motion. All those in favor of the Schmit motion vote aye, opposed vote no. Record.

CLERK: 32 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SPEAKER MARVEL: The motion is carried. The resolution is adopted.

CLERK: Mr. President, LR 37 offered by Senators Higgins, Fenger, Wesely, Cullan, Beyer, Barrett, Maresh, Koch, Richard Peterson. (Read.) It is found on page 916, Mr. President.

SPEAKER MARVEL: Senator Fenger.

SENATOR FENGER: Mr. President, fellow members, LR 37 recognizes Dr. Paul Pearson who has been a Director of the Meyer Children's Rehab Institute, a division of the University of Nebraska Med Center, for some thirteen years. Dr. Pearson resigned effective March 1 saying he felt it was time for a change. He will be spending the next few years before retirement being a physician and teacher. He will remain a full professor in our pediatrics department specializing in adolescent medicine. He has gained national prominence. As a matter of fact, he is President-elect of the American Academy for Cerebral Palsy in developmental medicine. He is currently the President of the American Association of the University's affiliated programs for developing mentally discharged. LR 37 presented for your approval is sponsored by each and
