

indication is? All right, do you want to clear the board and get some reading on whether they approve the speaker's timing on the Tueaday, Wednesday, Friday schedule. The board is cleared and now you are voting your feelings on that at this point. Has everybody voted that wants to vote? Okay. Do you have a picture of that too, Senator Lamb? Senator Lamb, do you want to move to . . . Senator Lamb.

SENATOR LAMB: . . .recess until one-thirty.

PRESIDENT: Pat has something to read in before we call that motion.

CLERK: Mr. President, a new Resolution, LR 380 offered by Senator Pirsch and others. Read LR 380. That will be laid over, Mr. President.

PRESIDENT: Senator Newell, what do you want?

SENATOR NEWELL: If we are in the middle of a debate or an issue will we continue with that issue?

SENATOR NEWELL: All right, we are going to continue with the issue. Thank you very much.

LR 380, 381

CLERK: LR 380 is found on page 1832, Mr. President, it is offered by a number of members.

SENATOR CLARK: Senator Pirsch.

SENATOR PIRSCH: Thank you, Senator Clark. Members of the body, I have been joined by 31 of you signing on this resolution and I would certainly welcome any of those who would...I did not get a chance to get around to to sign on to do that. The event or the day that we are talking about is in the future and November 19th, but since we will not have an opportunity at that time, I think this is an exciting and long overdue event that we are trying to establish in the State of Nebraska and hopefully in the United States. You heard about Mother's Day, Father's Day and even Grandparent's Day, and this resolution encourages the public, parents and government officials to establish a special day for a tribute to teachers. On November 19th we are encouraging all of these different segments of the public to set aside and pay tribute to a sometimes maligned group, the teachers. The teachers have been the basis for encouraging and developing one of our best resources, our children. I think it appropriate that we do set aside one of these... a day, for that particular tribute to a teacher and I think individually each one of us should encourage officials in our district and parents in our district to support and promote this effort and to give a pat on the back to our hard working teachers across the state. I hope that more will vote for this resolution than signed it. As I say, thirty-one, so I encourage all of you to come to your desk and support it with your vote right now. Thank you.

SENATOR CLARK: The question before the House is the adoption of the amendment. All those in favor vote aye, opposed vote nay.

CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted? Record the vote.

CLERK: 25 ayes, 0 nays, Mr. President, on the adoption of the resolution.

SENATOR CLARK: The resolution is adopted. We are ready for item number seven, under motions, 672 has been withdrawn. He wanted to withdraw that, you wanted to withdraw 381, Right. Senator Kahle.
