LR 385, 292, 293,

President, I have a communication from the Governor addressed to the Clerk. Engrossed LB 753 and 757 were signed by me on April 14th and delivered to the Secretary of State. Sincerely, Charles Thone, Governor. (See page 1941 of the Legislative Journal).

SENATOR CLARK: Senator Barrett.

SENATOR BARRETT: Mr. President and members, many of you have probably noticed the series of six prints which are on permanent display in the Moses P. Kinkaid hearing room number 1520 Senator Koch. These, this series of print is entitled "From Sea to Shining Sea", and is made possible by Mr. John Falter the artist the former native of Plattsmouth, Nebraska, born in Plattsmouth in about 1910 now living with his wife in Philadelphia and still actively painting. The gift, this outstanding gift was made possible on the occasion of the 50th Anniversary of the State Capitol Building by Mr. Cliff Hillegass of Lincoln, Nebraska. So this resolution simply is an official thank you to Mr. Hillegass for his most generous contribution to the State of Nebraska, also recognizes Mr. Falter the artist for his talent and the beautiful prints which are now permanently a part of the state property. So I'm pleased to join with Senators Remmers and Lamb in the introduction of this resolution. I move the adoption.

CLERK: Mr. President, I have a series of resolutions. I have a motion regarding the following resolutions, 382, 383, 385, 387, 388 and 389. The motion that pertains to those resolutions is to suspend Rule 4, Section 5 and 6 and adopt those six resolutions.

SENATOR LAMB: Senator Wesely.

SENATOR WESELY: Mr. Speaker, these are all nonimportant resolutions, I just ask that. . . You can go ahead and read what they are if you want to. They declare a couple of weeks and they praise the gymnastic team, that garbage that we usually pass. There are two resolutions that we withdrew didn't we, that some questions were raised on two of them? Okay, so these shouldn't be. . .

SENATOR LAMB: Senator Kilgarin.

SENATOR KILGARIN: There was one resolution in there, Mr. President and members, that is not unimportant. It is honoring Jim Hartung and Steve Elliott, Jim Hartung being from South High, for their good work. They are seniors and they are graduating from the University and I would urge you to vote for Senator Wesely's motion and the resolutions.

SENATOR LAMB: Senator Nichol.

SENATOR NICHOL: Mr. Chairman, to get the thing moving can we just have whose names they are congratulating if they are all congratulating somebody? If that is all that they are we ought to at least know their names. Would that be too much to ask?

SENATOR LAMB: Mr. Clerk, can you just briefly summarize the resolutions?
